

COMPUTER Classes

Beginners

Using a Computer Mouse; for the complete beginner.
Saturday, September 14 from 9:15 to 10 am

Learn and practice clicking, double clicking, moving, and dragging.

Class max 10.

A \$5.00 deposit is required at registration.

Get A Yahoo Email Address

Friday, October 4 from 3 to 4 pm

In today's world, having an email address is vital when applying for jobs, obtaining the new Affordable Health Care insurance, and in many other aspects of modern life. Participants attending this program will sign up for their own free Yahoo email address/account. As time permits, we will practice sending and receiving emails.

Class max 6.

A \$5.00 deposit is required at registration.

Intermediate

Beginners Guide to Storing and Organizing Photos On-Line
Saturday, October 26 from 9 to 10 am

Obtain a free Shutterfly account and learn how to store, post, and edit your photos.

Prerequisites:

1. know how to use a mouse (see Sept. 14th class if needed.)
2. have an email address (see October 4th class if needed)
3. have at least 10 digital photos on a removable device

Class max 12

A \$5.00 deposit is required at registration.

Making Gifts From Your Photos

Saturday, November 2nd from 9 to 10 am

Just in time for the holidays! Using your photos and your Shutterfly account, participants will learn how to make a personalized 2014 calendar as well as other personalized items. There will be costs for the printing and shipping of your item.

Prerequisites:

1. how to use a mouse (see Sept. 14th class)
2. have an email address (see October 4th class)
3. have a Shutterfly account (see October 26th class)
4. have at least 14 photos on a removable device

Class max 12.

A \$5.00 deposit is required at registration.
