Everyone is welcome.

I would like to invite you to join Hillside Library's all-online Summer Reading Challenge!

This year readers will be using the online platform Beanstack to keep track of their summer reading books.

Participants record their reading by logging into the Beanstack site which can be accessed through the summer reading banner on the library's homepage or through the Beanstack Tracker app.

Also in Beanstack, there will be some activities that you may choose to participate in and the opportunity to write reviews of the books you have read.

To be eligible for the Grand Prize drawing of a \$100 Visa Gift Card, read and log four books into Beanstack and write one book review by July 31st.

Other final prizes are \$20 gift cards to local merchants. The weekly prize is a \$10 gift card to Dunkin' Donuts.

I hope that you will consider being a part of our first ever online summer reading program!

Sincerely,
Robin Fuener
Adult Services Librarian
