Ten years are only a beginning . . .

This academic year marks Proviso West's tenth birthday. The official dedication of the building was November 16, 1958.

"We realize," the dedication read, "this is merely stone, brick and mortar, but our purpose will remain to provide true education . . . which does not come from buildings alone . . ."

Seven million dollars worth of brick and glass, a faculty of 105 and 1150 students . . .

Twenty-seven of that faculty are still part of West's staff of 212, but there are 4100 students now, and C-Building was added in 1962, then the field house in 1967.

There have been other changes too —

Two new superintendents after Dr. Leroy J. Knoepfel's retirement in 1965:

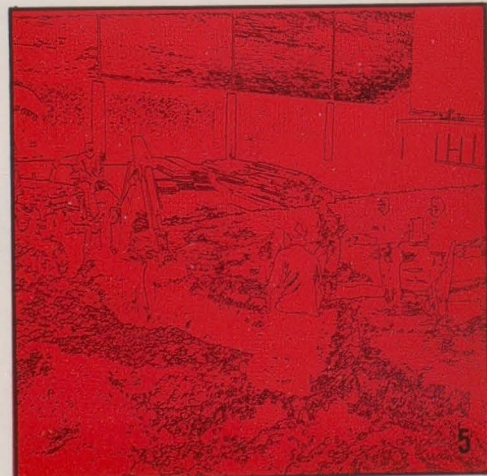

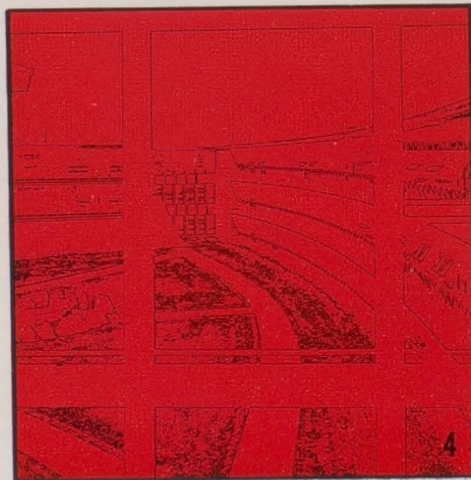

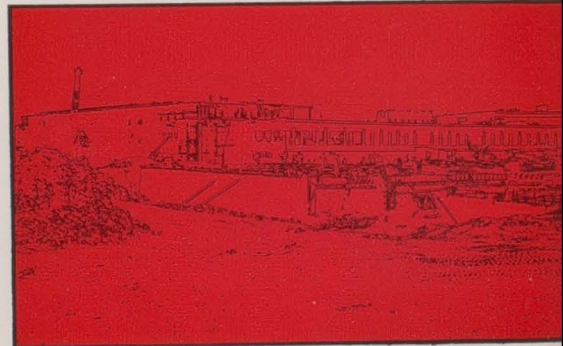

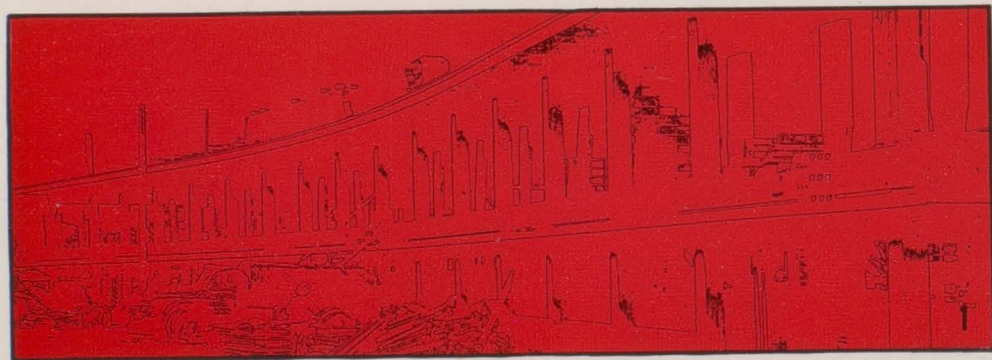

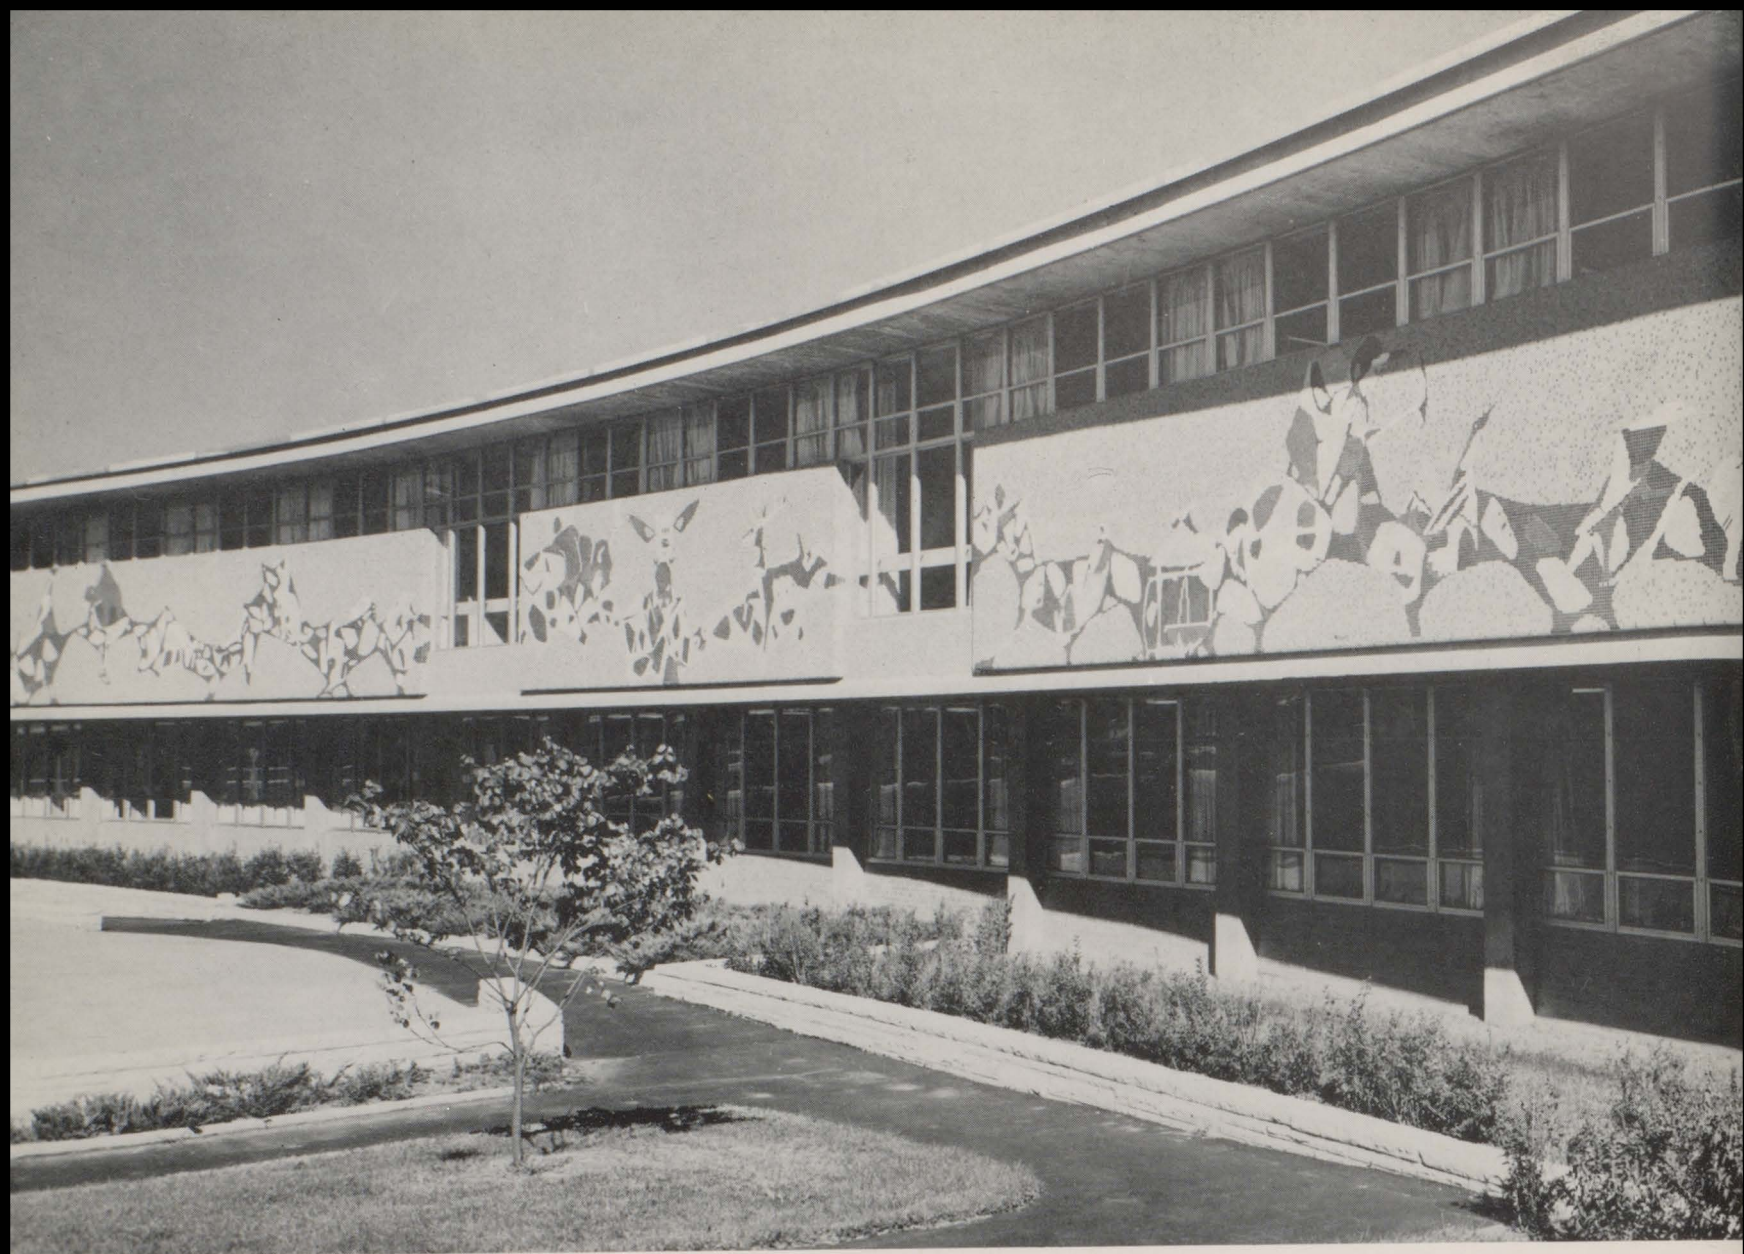

Dr. F. J. Gottfried whose death after only a few months brought Dr. Norman Green; and West's second principal, Mr. Gerald DeWitt, after Mr. Edward Stubb's retirement in 1966. Through the whole decade, however, three men have served on the Board of Education:

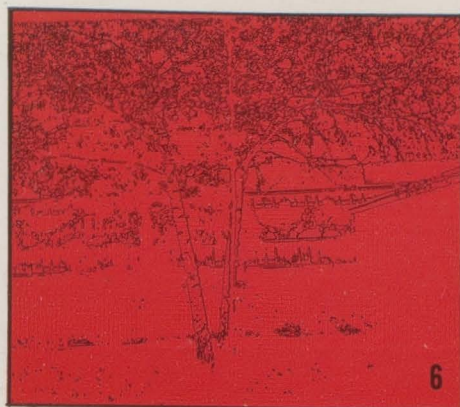

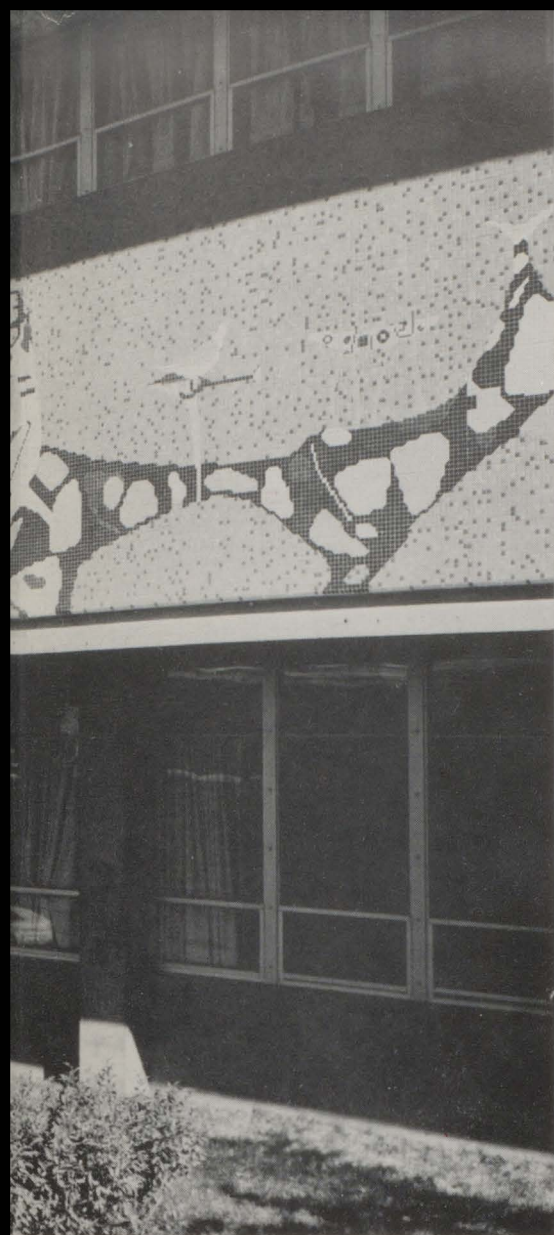

Dr. Louis Seno, Mr. Fred Meyer and Mr. Neil Gillies. Mr. Gillies' unexpected death in April leaves West deeply in his debt.

The world as well as West has changed. In December 1968 a rocket skimmed the moon . . .

Ten years are only a beginning . . .

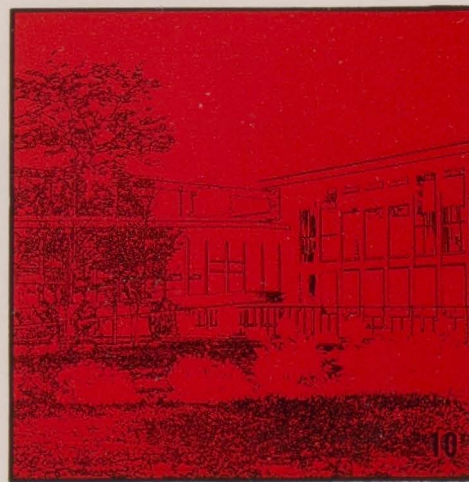

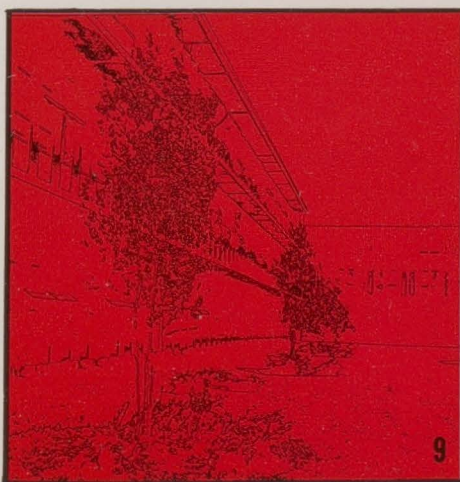

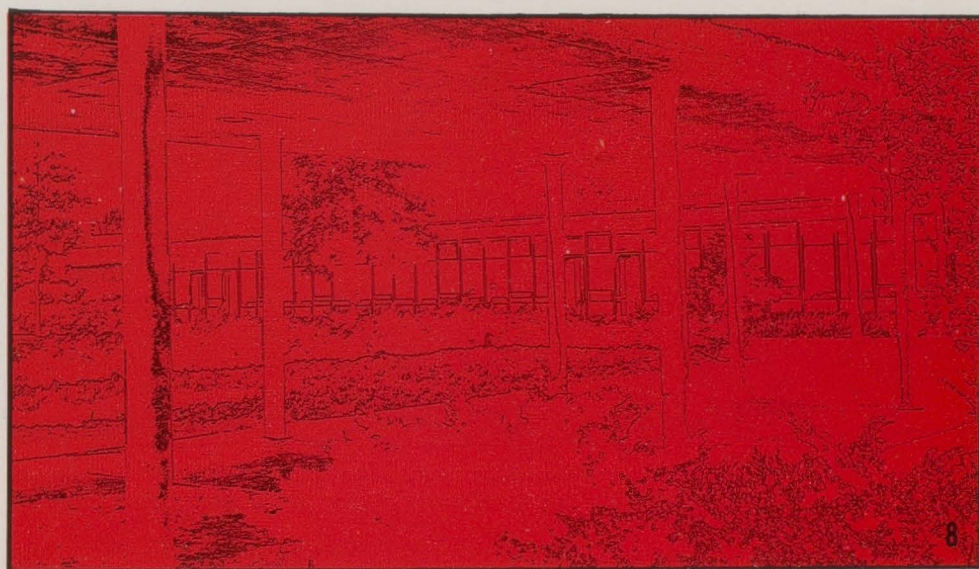

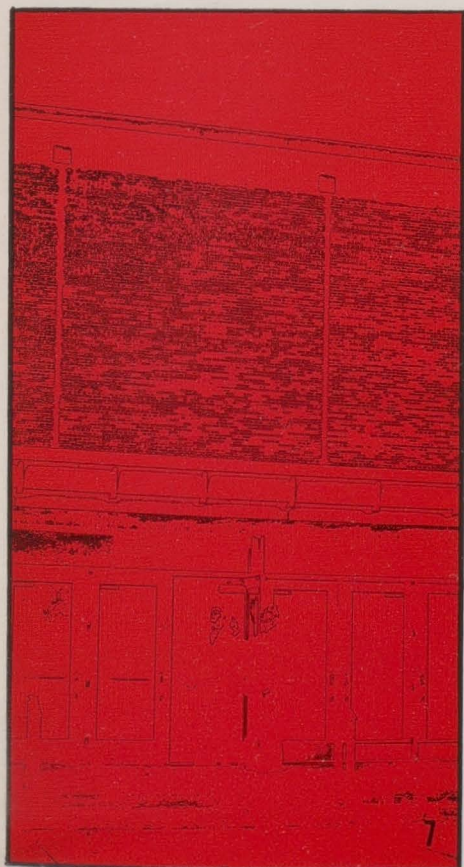

Growth and change reflected in West's first ten years

A look at Proviso West's development: 1) erection of main center of activity; 2) Proviso construction from afar; 3) view of B- and D-Buildings; 4) C-Building addition to close gap; 5) formation of expansive fieldhouse; 6) majestic birch

in scenic mall; 7) field-house entrance to welcome teams; 8) covered walk from E-Building to gyms; 9) new trees for the quadrangle; 10) D-ramp to cafeteria framed in lacy foliage.

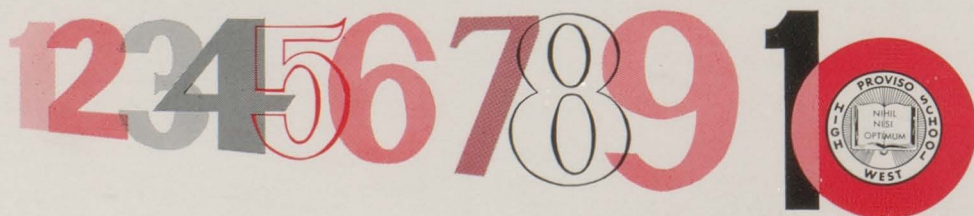

September 4, 1968, West's halls and classrooms begin to bulge with more than 4,000 students and a faculty of 201.

Following the tradition which at West decrees each class attend individual first-day assemblies, the class of '70 gives its whole attention to singing "The Star Spangled Banner."

Culottes? New student-written dress code says yes and Freshmen take advantage of the change, even on the very first day.

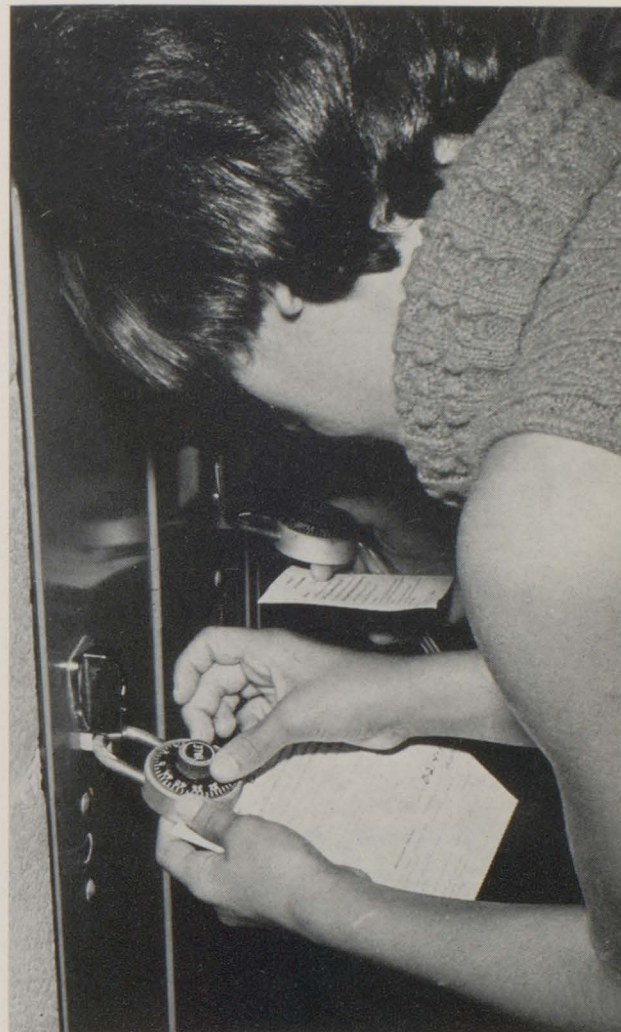

Long hours of waiting in line, at last bring Don Grant and his problem to a chair in the main office.

Little Bo-peep had problems but so does Andrea Schoenhoff who, after losing D-Building, finds Mrs. Stegmeir's knowledgeable aid and encouragement comforting to say the least.

Happiness is having your locker open for the first time with help of a locker card.

"What happens if I lose it?" inquires Freshman Barbara Jacobi as she receives her ID card from homeroom teacher Mr. Olsen.

Queen Mary Ann Modica's tears are wreathed by the smiles of attendants Cheyl Gliosci

Final preparations on the throne are made by Charlie Wilcox and Barb Mikolojek.

Against red and gold streamers a radiant Queen is crowned on the finished throne.

Attentive pages dressed in red and black tunics guard the lowered drawbridges which provide a passage for the queen's invited guests into the castle keep.

Before the crowning of the Queen Sir Bob Mosser and Lady Sandy Como lead a stately dance of long ago.

After 10 years, juniors were 54-50 winners in the Junior-Senior basketball game.

Bright new year is darkened briefly by old frustrations of finals but then come the swim party and track.

January means different things to Proviso's students, but to Senior Bill Kopanda it means track, with the sore muscles and frustrations of vaulting.

Prominent ditchers are sorted out one by-one as Pat Murray and Elizabeth Garon work at the new attendance center.

Rich Korinek jumps furiously for the slippery volleyball during the Senior swim party of the year, "Moon River."

Representative Bernie Elsner, with his circle of rings in hand, courageously sets out to fit the majority of Proviso's juniors for class rings from Herff Jones.

Ping pong champion, Neal Oskerka, enjoys a game at the tables as he sends the little plastic ball soaring across to his opponent at one of West's many fun nights.

DR. NORMAN S. GREEN
Superintendent

Dr. Green leaves after three years

Coming to Proviso High Schools in 1966, Dr. Green had barely familiarized himself with the overall financial and educational aspects of his new position, when he was faced by unprecedented problems of student and racial unrest—problems, however, which have since become almost routine throughout the nation.

Feeling that an "open system" in which the administration still serves as head of the schools, yet readily gives students, faculty and citizens voice in school policy, is preferable to a "closed system" which relies on maximum enforcement of regulations, Dr. Green oriented his efforts toward developing such a system at Proviso. In assessing his work, Dr. Green feels that "Talk! Plan! Action!" as the program was called, has resulted in some communication gains, but that there is much more to be done.

Dr. Green will assume the leadership of a unit system in Mount Lebanon, Pennsylvania next year.

BOARD OF EDUCATION: Director of Business Affairs Mr. Jack Stanley, Mr. Robert Bentel, Mr. Neil Gillies, Dr. Norman Green, Dr. Louis Seno, Mr. Fred Meyer, Attorney for District 209, Mr. Louis Ancel, Mr. Dominic Provenzano.

Mr. Richard A. Daniels
Director of Personnel and Public Relations

Mrs. Virginia M. Taylor
Director of Curriculum and Special Programs

Mr. Jack Stanley
Director of Business Affairs

Three directors guide District 209's affairs

Responsible for the hiring and replacement of all certificated personnel, at both East and West, Mr. Daniels spent much of his time interviewing prospective teachers and specialists. The implementation of the new Office Occupations and Vocational Food Services programs at both schools absorbed a considerable part of his year as well.

With the assistance of Mrs. Gerda Dahl, he also maintained an effective public relations program including the release of information to the press and the publication of regular bulletins to faculty and parents.

Student unrest, so much a part of the national as well as the local scene, found West's Director of Special Programs, Mrs. Virginia Taylor, deeply involved. This year she filled frequent speaking engagements and was instrumental in introducing a human relations course which was developed at Western Michigan University which will be required for all new teachers in District 209.

The direction of the student teacher program, which this year involved eighty-five students, was also Mrs. Taylor's responsibility. A new course in consumer education was developed.

From budget to black-board, boilers and blue-grass, Mr. Stanley's work was many-faceted and demanding. Responsible for preparation of the school budget, he was also intimately concerned with the spending of funds acquired. As chief purchasing agent he was involved with school equipment of every type and with the care of that equipment. New buildings and the care of present buildings as well as their use after regular school hours were under his supervision, as was the employment of custodial and clerical personnel. In addition, he prepared necessary information for federally assisted projects.

MR. GERALD DEWITT, Principal

Mr. DeWitt in third year at West begins new program

Initiation and development of "Talk, Plan, Action," a program which has as its goal a greater understanding and openness among students, students and faculty, faculty and administration, and administration and the community at large, was an important part of Mr. DeWitt's 1968-1969 plans for West.

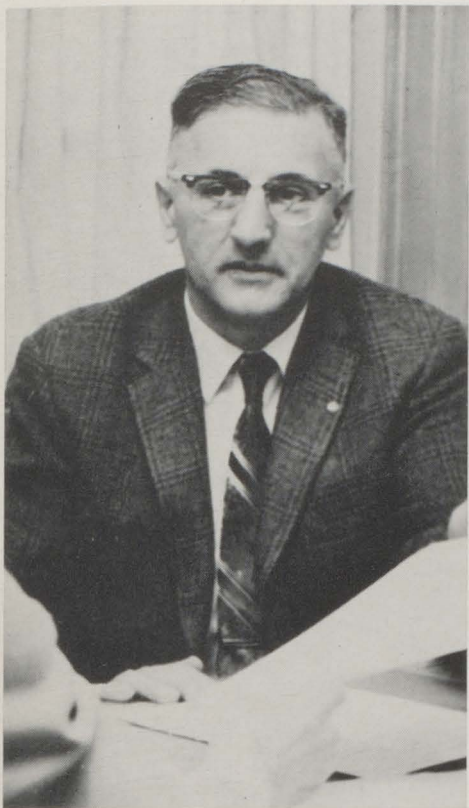

A required human relations course for new faculty members, extensive student and faculty committee work, opinion surveys, and an all-faculty workshop in February were part of the

implementation of the program which had its inception last year. In addition, however, innumerable less formal efforts to open or widen communication opportunities were made by interested individuals throughout the year.

In January Mr. DeWitt announced that he would take a year's leave of absence during 1969-70 to finish work on his doctorate at Ball State University in Muncie, Indiana, where his doctrinal studies will also be concerned with problems of communication between the educator and educated.

West's first NCTE Award winner Jackie Mitchard gets scroll from Mr. DeWitt.

Mr. Arthur E. Vallicelli
Assistant Principal

Four assistant principals guide varied school activities

One hundred and eighty-five days a year bells ring at Proviso West, and students move confidently from room to room. Schedules are arranged, books issued and collected. The structuring and maintaining of a framework of routine within which nearly 4,500 students and faculty members can live and work with a minimum of friction and frustration was the immediate concern of West's four assistant principals.

During West's ten years of existence, the "main office" and machines room have been Mr. Vallicelli's province with student scheduling, record keeping and the budget among his respon-

sibilities just as it was this year. Next year, however, in 1969-70, he will assume a new role as interim principal during Mr. DeWitt's absence.

Sharing many of the problems of student discipline and control, Mr. Gusloff, Mr. Wede, and Mr. Milano also had individual responsibilities as well. Mr. Gusloff and Mr. Wede are involved with the multiplicity of student activities which are not strictly academic with Mr. Wede's special attention directed to problems of transportation. Mr. Milano, who, though new to his present position, is a long-time member of West's faculty, is concerned with buildings and grounds.

Student art gets "a place in the sun" outside main office

Work of West's art classes displayed on the big bulletin boards and in the exhibit cases outside the art rooms in E-Building has always been exciting and varied, but few students or faculty members ever saw it since the rooms occupy their own wing behind the cafeteria. Consequently the frequently changed displays which

have filled the two large new display cases in the main office from September to June have created fresh interest in art students' efforts. Built during the summer, the two centrally-located well-lighted display areas replace the glass wall which previously divided the main office from the corridor, the busiest spot in the school.

Faculty work exhibited first in new art case proved art teachers are artists too.

Probably no department reflects the changes which have occurred during West's ten years of existence more directly than that of business education. Those first years before C-building's completion, when the entire department was located on the third floor of D-building, computers were

far from being as commonplace as they are today and consequently one of West's most popular business courses had not even been considered. In fact, it was not until 1965 that the first two key-punch machines were installed in D—and the first students enrolled in key-punch instruction.

Vocational placement service aids student job-seekers

The counseling department extended its services this year as it added vocational guidance to the list of its many other activities. As a part of the new program, a file of occupational materials and a collection of pertinent visual aids were assembled for the as-

sistance of both the students and the staff. In addition, working as a coordinator between school and community, the Proviso Vocational Counselor, Mr. Larry Dukes, established a student vocational placement service.

Reading center is enlarged new English courses initiated

Greatly expanded reading center facilities with an accompanying expansion of the reading program this year introduced three weeks of individualized reading improvement experiences for all Juniors and a tripling of capacity in the individual center for students who wish to work on their own time. Though equipment

for the new center was slow in arriving, by Christmas nearly everything had been installed in the large, cheerfully blue-carpeted room in C-Building. Next door thirty carels were set up for the group program. This year, West's new English curriculum introduced Sophomores to a choice of five electives during second semester.

Creative cookery dissolves the dark mystery of exotic-sounding gourmet dishes

Sukiyaki? Perhaps some curried chicken with raisins, coconut and mounds of fluffy rice? Foreign dishes like these were the curriculum for advanced "creative cookery" classes this year during the first month of the second semester. Later the girls

mastered the more intricate bread and pastry recipes such as German stollen and Confetti Cream Pie.

The first semester was concerned with the preparation of more prosaic family meals, but stressed the imaginative use of the many convenience

foods now available.

Beginning cooking students had less exotic culinary experiences, learning the basic principles of good diet and food preparation.

Vocational program includes computerized N/C course

Twenty-five vocational students at West were members of the first class in Illinois in which instruction was given in the use of a Compu-Dyne 3-Axis numerically controlled milling machine. The equipment was purchased this year and is used in evening school instruction also.

Numerical control (N/C) is an automated method used to operate general purpose machines by insertion of numerical data stored on a roll of tape. Students learned to prepare tapes as well as operate the highly sophisticated machine.

Four-way communication is language department goal

"Who speaks Latin? Everybody!"
pointed out one of the original and
attention-commanding displays in the
language department's exhibition case
one week last winter. In fact the de-
partment geared its entire program to-
ward the use of not only Latin, but
Spanish, French and German in every-
day speaking situations. Fundamental

skills were taught audio-lingually with
taped dialogues made by native speak-
ers replacing the traditional text books.
More advanced classes translated nov-
els and gave speeches in their chosen
tongue to gain fluency.

Most language classes also provided
time to learn the culture of the coun-
try whose language was being studied.

Compro given for credit is math first

Two classes, one in plus geometry the other in math fundamentals, introduced team-teaching to West's Mathematics Department this year. Plus geometry included some work in non-Euclidean geometrics as well as opportunity for individual study.

The first compro class offered for credit had sixty-four students who learned programming for the 1401 data processing system including weekly "hands on" experience with the school's 1401 computer located at East.

Chorus Christmas disk is hit; band has first-place float

A hit record and the lively and imaginative production of a famous musical were the high points in a busy and eventful year for West's musicians. The Concert Choir recorded a Christmas album, "O Holy Night," which sold more than a thousand copies, and "West Side Story" was a joint effort of the music and speech departments in May.

First place in the 1968 Homecoming float competition went to the band, which also made its traditional appearance at the Bataan Day and Christmas State Street parades. All chorus, band and orchestra members appeared in concert, and West was well represented at the State Music Festival.

Walter Sawosko

The pool, football and baseball fields, gymnasiums, field house, wrestling room and dance studio are all familiar scenes of constant activity directed toward the development of specific skills and general physical improvement for thousands of West's students. But physical education is also part of the school day for the

minority of students often forgotten in the school PE program—those who, as the result of illness, injury or handicap are not able to avail themselves of the standard facilities. For these students in a well-equipped special exercise room a trained instructor provides individualized programs for each student needing such help.

Even Sophs take chemistry at West under acceleration plan

Interested Freshmen who wish to take the maximum number of science courses at West may enroll in Biology I, by-passing the traditional general science course. Having made this choice last year, nearly a hundred Sophomores were able to take chemistry this year. As Juniors they will be able to take physics, leaving their

final year free for the more independent disciplines of Senior Science or the more demanding work of Biology II.

Of particular interest at West this year was development of an automated approach to many aspects of chemistry—an increase in the use of instruments such as the spectrophotometer.

Films bring the past to vivid life for history students

Eyes fixed on the screen, 112 U.S. history students sat spellbound in the Little Theater, engrossed in the *Profiles in Courage* film version of the story of Frederick Douglass, the black slave who became a champion of Negro liberty. Not only was Negro his-

tory covered, but also the history of immigrant groups establishing themselves in America. Through department work in this area, social studies students learned to appreciate the role of minority groups in the country's story.

Special services make useful additions to study facilities

Though most students who leafed through magazines or studiously researched term papers at its tables were unaware of it, West's library was automated this year. Proof lies in more than 40,000 punched IBM cards stored neatly in long boxes in Mr. Teppema's office. These cards, one for each book on the shelves, makes it possible in a few minutes to print out even the most complicated bibliography, to prepare inventories, and to do many other things which formerly took days or weeks.

The audio-visual department also improved its efficiency by adding to its already extensive copying equipment and putting into use a sophisticated 16 MM film inspection and cleaning device which increases the life of the hundreds of films owned by the school.

The services for the nearly two dozen blind students who attend West were continued as were the services of a speech therapist and a school social worker.

Ratio of one nurse to 2000 students not ideal, but true

Every year more than ten thousand students make the trek to A-Building "to see the nurse." This is an average of more than fifty visits a day or one every ten minutes with no time allowed for lunch or the other professional responsibilities which West's two nurses carry. Nevertheless they conduct a screening program in vision

and hearing, supervise the completion of accident reports and the mailing of insurance claims to parents, keep health records and, in their "spare time," do some of the individual health counselling for which their degree in education and Teacher-Nurse Consultant Certificates qualify them.

Secretaries face task of huge proportions

Four thousand grade cards, permanent record files that hold hundreds of thousands of entries and the twice-a-year scheduling of every student as

well as the preparation of numberless reports and records—the variety and complexity of the work which moves across the desks of the slightly less

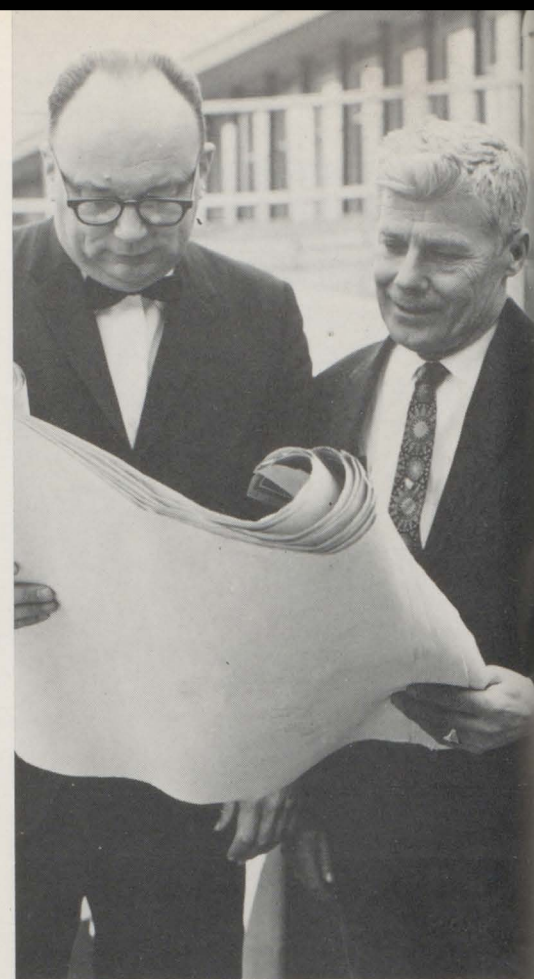

than three dozen women who make up West's secretarial staff is staggering even when the school's two computers are considered.

Maintenance staff provides shining floors, smooth lawns

Not many housewives use a five-ton truck or a jeep in carrying out their tasks, but it is housekeeping on a giant scale that is the basic business of West's maintenance staff and the truck and jeep are necessary. Mowing and fertilizing a lawn that stretches from Harrison Street to Roosevelt Road also requires mechanized equipment similar to that used on golf courses. However, much of the work

of keeping acres of glass and tile shining and the servicing of a forest of moveable, breakable equipment can only be done by hand.

In addition to the routine of daily upkeep, many extensive repairs and renovations of the buildings are worked into the schedule this year as was the meeting of dozens of daily emergencies. A winter with a minimum of snow made things a little simpler.

Cross-section Mauds dance has record attendance

Proviso West alumni come to Homecoming dance, "Camelot," with nostalgic feeling.

Student Council Executive Board members ride in style in a blazing red fire engine donated by its owner Mr. Sinde from Westchester during the Homecoming parade.

With innovation and improvement as the key words in '68-'69, the Student Council updated Homecoming events even as traditional as the crowning of the Homecoming Queen. This year Queen Mary Ann Modica was attended not only by the four customary Queen's attendants, but also by a new Rose Court made up of an additional five girls nominated for Queen by the student body. The theme of Homecoming, "Camelot," resulted in unusually effective decorations and features.

Another innovation was the new cross-section committee formed to give students and administrators a more accurate idea of the total student body

opinion. The Gym Jam featuring the name band, "The Ides of March," and the mid-winter dance, "Dancing in the Streets," featuring the "Mauds" were the highly successful winter events which were projects of the cross-section committee.

In April, the Student Council sponsored their Leadership Colloquium, a symposium to help students find their relationship to leadership roles in school. A new format, using group dynamics and grouping techniques, was used.

The many projects and services improved and embellished old traditions and new set standards.

"Get ready, Ma Bushel to get your just reward!" exclaims Pa Peck (Charlie Wilcox '69) in "Who'd a Thunk It?"

"My Rewards! Why this here buck-shot is what you've been hankerin' for the past 16 years!" retorts Ma Bushel (Lynn Stott '71).

Square dance for Dads is a Girls' League innovation

Bows to buttons! Girls' League changed its traditional 'Bow Week' to 'Button Week' during which they sold plastic buttons with the students' class rather than the colored cellophane bows. These buttons can be used throughout the year.

This year's service project was the 'Coronary Upset' with the profits contributed to the Heart Fund. The fun-night style service project had a Valentine theme, at the same time featuring heart-shaped balloons. The 12 foot balloon as a centerpiece caused a sensation.

Girls' League also tried an innova-

tion during the Dad-Daughter Date Night, 'Pistols and Petticoats'. Square dancing with a caller was substituted for the usual dance band.

'Magical Mystical Tour', this year's sock hop, created a misty atmosphere and also many laughs in the distorted mirrors.

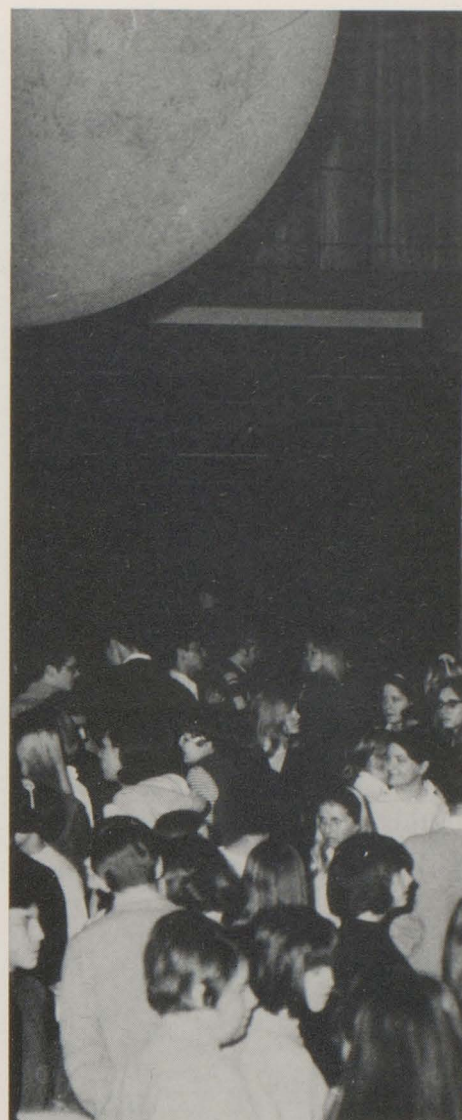

The club also sponsored its annual Ice Cream Social, 'Sugar and Spice' with sundaes and candy. The traditional Christmas Party with Santa Claus was held in the cafeteria. The year was ended with a Hawaiian Luau with a fashion show for the members and their mothers.

25,799 bars of soap!

All previous records were shattered this year when the soap collection doubled in amount during the annual Key Club soap-drive. Class contributions were generous; the juniors ranked highest of the four classes in their soap-contributing enthusiasm and received the trophy. The club provided Dixon, a state institution for the mentally retarded, with the soap as one of their annual charity projects.

During January the Key Clubbers volunteered their services to Wesley Memorial Hospital. They assisted patients attending Sunday morning chapel services.

On Career Day in March, the club members greeted and directed the consultants by covering the school entrances.

Carnation success sweeps away all previous record sales

For the first time the spectators at the annual holiday basketball tournament were guided by the Usherettes. Not only directing and seating of the basketball enthusiasts, the girls also sold programs and kept the younger members of the audience off the railings. Other events at which the white-gloved girls ushered were the all-school plays, band and choral concerts, PTA meetings, the inter-scholastic speech contest, class night, and Commencement. The girls also checked coats on several occasions.

The Usherettes' annual carnation sale, held on the last school day of 1968, was highly successful. The Eli-

za Doolittles, selling almost 2000 carnations to students and faculty, broke all previous records of flower sales.

In March, the Proviso East Usherette Club invited West's organization to a party. The annual get-together, held alternately at East and West, provided girls from both schools the opportunity to get acquainted and swap ushering experiences.

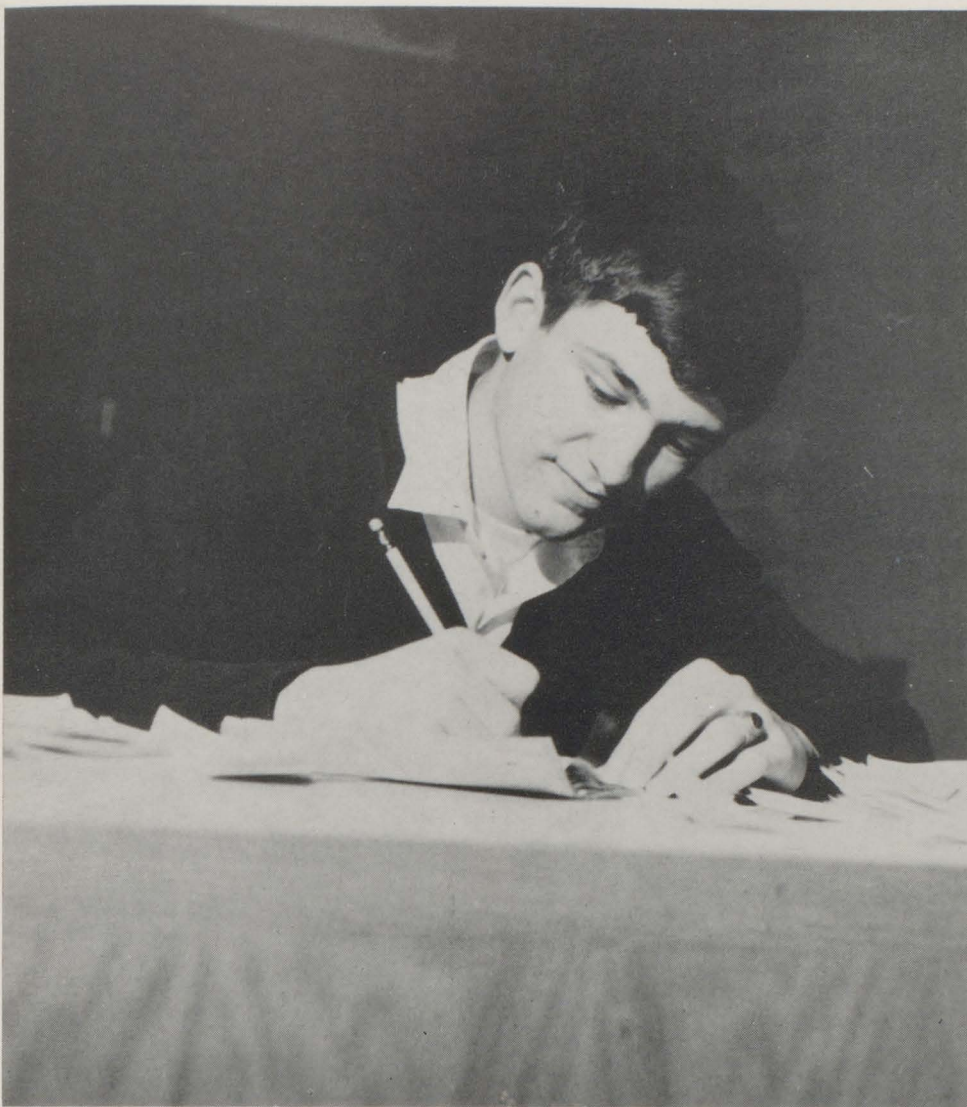

At the end of the year, 30 new members were inducted into the service organization at the annual spring potluck. The club scrapbook was passed on to the new officers as the terminating point of the school year's activities.

Organizations alter format

A new emblem, representing the club's activities, was added to TGWS's traditional red blazers. The track, gymnastic, and wrestling staff hostesses' duties were extensive and varied from judges' assistants to standing in a sand pit measuring jump distances. Other activities included serving as scorers, messengers, timers, typists, hostesses in the hospitality room, and also as recorders.

A new requirement was added to qualifications needed for memberships. The hopefuls had to appear before the officers and speak about themselves.

Monitors' duties were concentrated for the first time this year at the new attendance center across from the school store. Here slips collected from classes were checked each period.

NHS initiates 150 members and a tutoring program

Illuminated by candlelight, 150 members were inducted at the initiation ceremony of the National Honor Society. The selection of these members was based on both grade and personality rating, as well as extra-curricular activities, school leadership, and good character.

The prospective members took official Honor Society oath and were

congratulated for their achievements by faculty members. Proud parents beamed as the NHS officers gave their short speeches representing the qualities all the members hoped to attain.

The NHS club officers this year are President Brian Zell, Vice-President Sandy Oddo, Treasurer Mark Schneider, and Secretary Peggy Smott.

During the candlelight ceremony, Vito Figliola speaks on the topic of Knowledge.

Senior Mural staff attend ISHPA convention in September at Champaign

The small, crowded *Mural* office behind C-313 seemed even smaller and more jammed during seventh hour when the entire staff of twenty spent the first semester crowded around three long tables. Relief came when during second semester the office expanded to include the classroom of C-313 as well.

The thought of again winning the *All-American* Award was in everyone's mind as the book was slowly but surely completed. The 1968 *Mural* had won the *All-American*, the highest award given to high school yearbooks, for

the fourth consecutive year, as well as medalist for the fifth time.

The senior staff members were given a brief respite from their chores when during September, they spent a week-end in Champaign attending conferences held by the Illinois State High School Press Association.

The year ended in April at the completion of the book and at the "Publications Potluck" as the editors handed down their titles to the junior members with a sigh of relief, but also of sadness of a year filled with memories of fun and a job well-done.

Profile float features dragon, takes 2nd in competition

Expanding its two-page center section that features comprehensive looks at student oriented subjects, the *Profile* devoted its Christmas issue to winter sports, holiday business, and feature articles.

Profile members attended the November convention of the National Scholastic Press Association where they received the Pacemaker Award, given

to the top five high school papers in the country.

The Profile won second place for its Homecoming float entitled "Devoureth Glenbard." It featured an orange Dragon, rubbing his stomach in anticipation of a hearty feast.

In addition to a weekly eight-page paper, the Profile published a 32 page holiday issue.

Able math students compete in nationwide spring contest

Mu Alpha Theta provided an opportunity to include mathematical topics and research not covered in regular formal classes. Presentations were given by both members and guest speakers at the club's monthly meetings, held before school in the Little Theater. To keep members involved, presentations were given on topics by volunteer groups of two, three, or more students. An ability to perform well in math enabled students to be

recommended by a teacher for membership. A 1.5 grade average in math is also required. The members are classified as associate members during their sophomore year. Certificates were given to the new members followed by refreshments at the annual induction held in March. The club also sponsored the math contest on March 11, which was open to all students.

Heart-shaped pastries sell at FTA Valentine bake sale

Meeting once a month, after school, FTA members sponsored a variety of events.

Keeping busy during all seasons, the club members greeted the new teachers with refreshments at the annual Christmas party. FTA members were equally successful in their fund raising project, the Valentine's Day Bake Sale. The sale brought in considerably more than during previous years.

To further inform the group about the hardships and pleasures of teaching, panel discussions were given by

both elementary and high school teachers. One such panel consisted of Mr. Gleason, Mr. Widicus, Mr. Lake, and Mrs. Meyer. At another meeting, co-sponsors Mr. Whitehead and Mr. Nelson aided the seventy members by giving hints and experiences from their own careers.

At the end of the year the group toiled to put out their annual FTA program handbook and complete preparations for the Graduation Pot Luck Supper, a farewell to the seniors.

Pep Club membership increases to nearly 1000

Panther Pep Club had one of the most successful years in its history. Under the expert guidance of its new sponsors, Miss Winters and Mr. Williams, who joined forces with Miss Militello, the club almost doubled its membership to nearly one thousand.

A new classification in the parade entitled Pep Club to enter a decorated car instead of a float.

The club followed the popular

"Bonnie and Clyde" fad in the selling of red berets for wearing at the football games, an enterprise which proved to be very worthwhile in promoting all-school spirit.

Other activities sponsored by Panther Pep Club were cheerleading clinics in the fall, the sale of coffee at all of the basketball games, and a successful Spring Sports Dance.

Daisy "Spirit Can" promotes school pep

Pot luck dinners provided an opportunity for cheerleaders to get to know squads from other schools. West's cheerleaders put in much time and effort trying to promote enthusiasm and spirit to back our teams. Their colorful signs and posters an-

nounced football and basketball games, as well as swimming and gymnastics meets. They further promoted school spirit with the introduction of a red and white flowered "Spirit Can."

In addition to their regular activities, the cheerleaders held clinics and

workshops to help students learn the cheers and skills needed to try-out for cheerleading. From the many participants, nine girls were chosen to form the Sophomore squad. Previous Varsity and Sophomore cheerleaders were chosen for the new Varsity squad.

Panth'rettes at Bulls' game rate Sun-Times write-up

The Pant'h'rettes this year expanded its corps from thirty-eight members to fifty. This was done so that the girls could be divided into two different divisions with a co-captain handling each division. Each group was not determined by ability within the group, but rather to enable the girls to alternate at home football and basketball games. The few exceptions were the Homecoming game, the Bulls' games, and the State Street parade. In these all the girls performed.

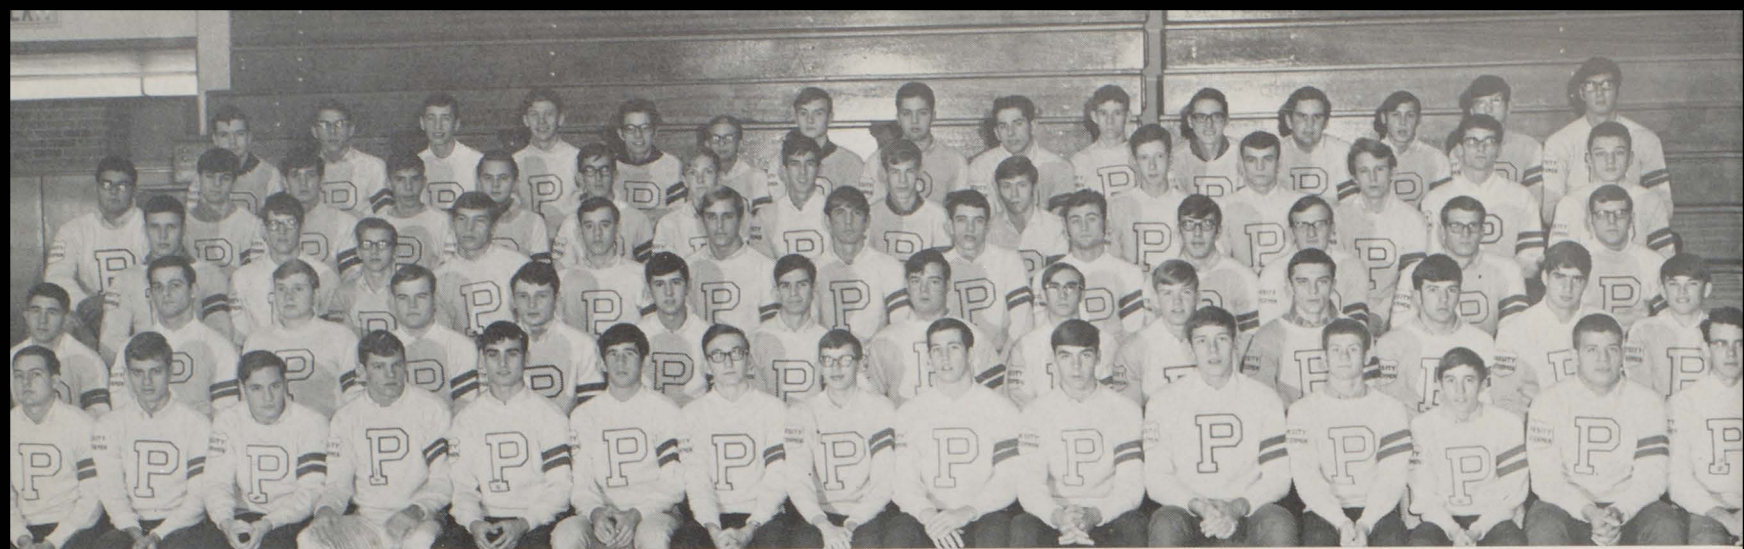

The Pant'h'rettes also added four new girls during the first semester. Only those girls who had been finalists the preceeding spring were eligible to try out. Fifty girls tried out for the four positions.

Membership in the club is based on appearance, creativity, and an original dance routine.

GAA numbers 300; sponsors new girls gymnastics club

Girls who have painfully mastered the uneven parallels, learned a back dive or acquired a really tricky serve in volleyball during regular physical education classes, have an opportunity to polish and enjoy their skills at GAA meetings four nights a week in the Field House.

More than three hundred girls this year took part in the extensive program which included tennis, volleyball, swimming, gymnastics, and bowling in the fall and winter, and bad-

minton, archery, track and field, and softball in the spring.

Athletic competition is not completely denied to the girls at West. After practicing faithfully every week after school, girls had an opportunity to show off their skills by entering the State Swim Meet, Freshman Track and Field Meet, or the Intramural Tournaments. A new girls' athletic organization was introduced under GAA this year, the Gymnastics Club.

Eye-catching signs bring crowds to swim meets

Besides occupying themselves with timing at swim meets, and teaching little children the various swimming skills on Saturday, Aquatic Staff members also taught mentally retarded children on Wednesday nights. Members faithfully came every Wednesday night and their efforts and time were greatly rewarded with the accomplishments made by the children.

Aquatic Staff also helped bring about more publicity for the swim meets this year. They concentrated on making bigger, more eye-catching signs to make students show more school spirit by going to swim meets.

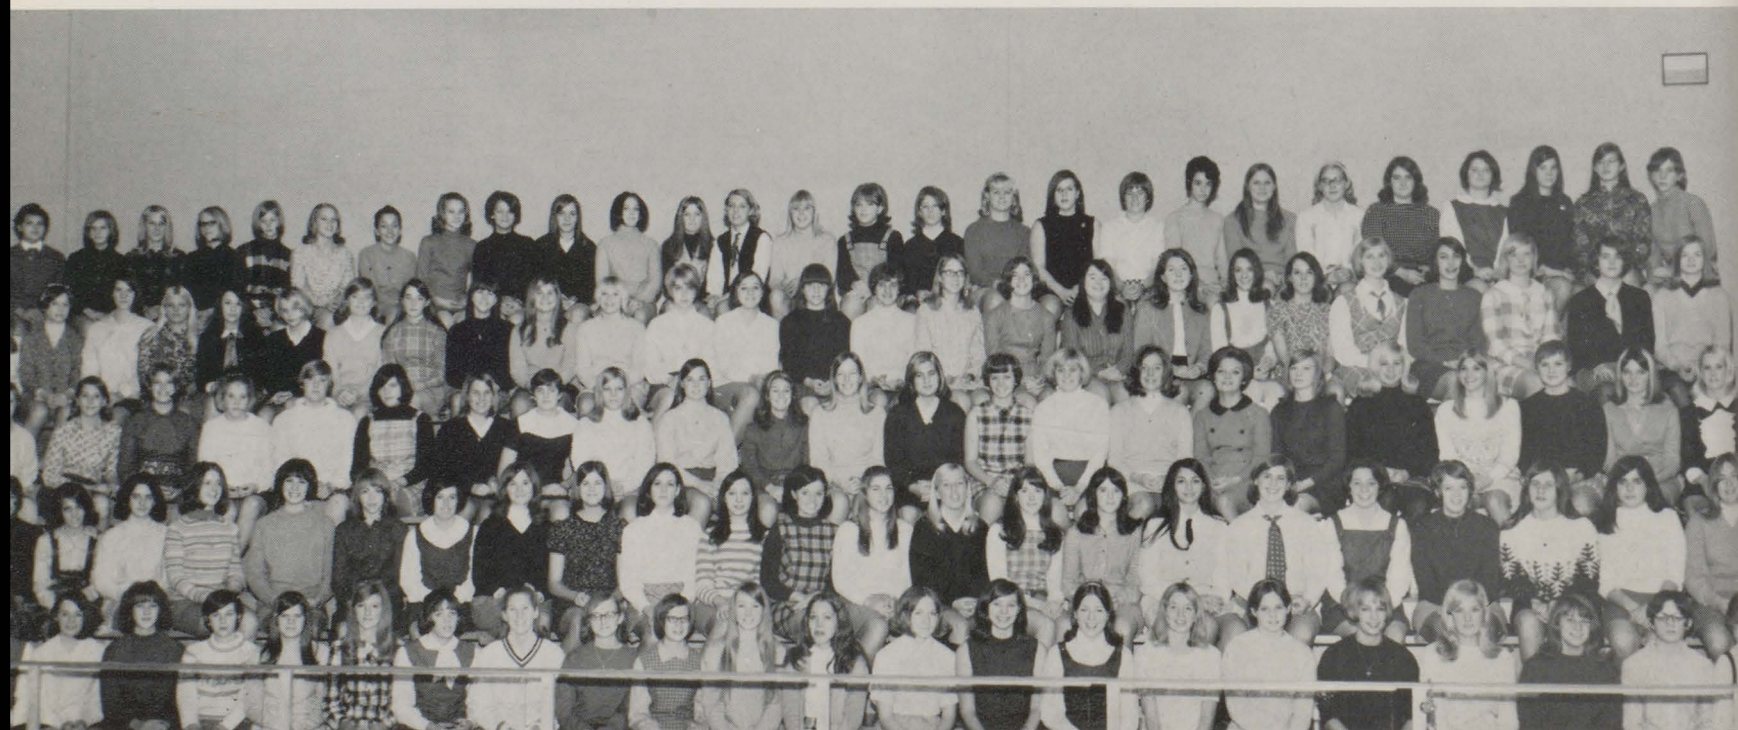

On the lighter side, Aquatic Staff members relaxed and enjoyed themselves at several swim parties given by the club during the year.

Female aquanauts perform as storybook characters

Under the new supervision of Mrs. Carole Brown, the Marinette Synchronized swim club experienced one of its best years. Forty-two of Proviso's best female aquanauts were chosen last fall to be members of the organization.

One of the projects done for the school by the Marinettes was their performance at the 8th grade get-together.

As usual, the annual Spring Water-show was the fruit of their labors and served as the finale of the year. This year's theme was "The Wonderful World of Walt Disney."

This fairy tale extravaganza included such performances as, "The Seven Dwarves," the "Chimney-Sweeps," and other storybook characters who have been made immortal by the late Walt Disney.

Orchesis choose "Around the World" as show theme

Dance groups met Tuesday and Wednesday afternoons in preparation for the annual dance show in March. The theme, "Around the World," was interpreted by the 303 members as a travelogue. A ballet started the interpretive journey of "Around the World." Traveling "Under Western

Skies" to the stoplights of the "California Freeways," members also gave an interpretation "Tropicana." Continuing, Siamese children, Austrian yodlers, and the "English Fancies" were introduced. "An International Espionage" preceded a "West Side" abstract setting in New York.

Films enliven Cercle Francais; ease tension

Keeping with the interest of all the members, French Club sponsored a variety of activities. The annual French Week included events ranging from a carnation sale to a softball

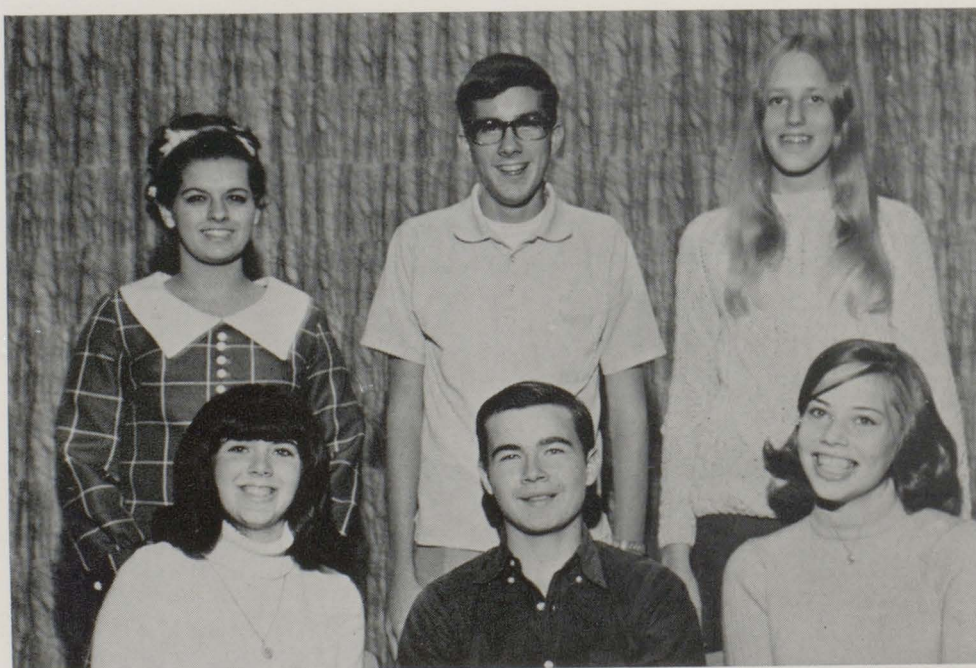

game. Relieving tensions of everyday school week, members of Cercle Francais held their first swim party in the spring. Interested members also joined the club-sponsored excursions down-

town visiting art exhibits and seeing French films. Songs, guest speakers, and discussions all helped the members understand and share the culture of France.

ROME goes mod with pizza at "Mama Mia's Masterpiece"

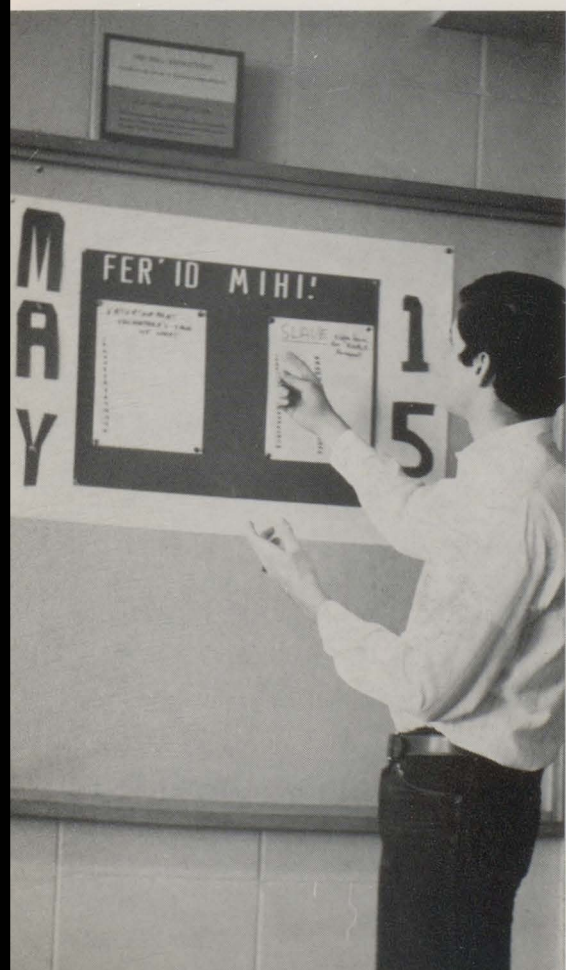

This year ROME turned contemporary with its pizza party, "Mama Mia's Masterpiece." The club was also the sponsor of "Saturnalia," a celebration in December that commemorated the founding of Rome.

In March, the best Latin students again participated in the annual na-

The year ended with the highlight of the year — the annual Roman banquet held in June. Following the evening's festivities, Bob Dunn and Dave McElligott installed the new officers for the incoming year.

Spanish Club observes yule season with donkey pinata

The Spanish Club participated in a few unusual events this year. For their Christmas party, the club made a donkey pinata filled with candy and other Christmas-time goodies. At the party, the members were blind-folded and given sticks to try to break open the pinata.

During the spring, the club organized and made reservations at an authentic Mexican restaurant in downtown Chicago. This was a special tour for the group and they thoroughly enjoyed their hotly spiced tacos and enchiladas.

Travel Club globe-trots by means of films and talks

Members of the Travel Club voyaged to many parts of the globe via films, slide-projector pictures, and lectures. Students and faculty members served as guest speakers throughout

the year and the souvenirs, and maps added to the authenticity of the programs. Understanding of the cultures and points of interest in other countries was the club's basic goal.

Pages decorate library trees at Christmas

"Silent Night . . ." joyously sang the library assistants as they gaily decorated the Christmas trees in the library—an annual tradition during the holiday festivities.

The pages were invaluable to West's

smooth-running and efficient library. Some especially selected students chosen by the library staff were able to earn money for their services by working before and after school. But much of the checking and shelving

was done during school hours by the volunteer pages. A spring banquet finished off the year. At the banquet assistants were awarded participation certificates.

Cine Club awards unique scholarship to its members

Cine Club at West remains unique among other organizations in that rather than spending its money on trivialities, the funds in the treasury were used this year for Cine's annual Scholarship Award. Qualifications for this award are that a student must have been a member of the club for three consecutive years and plan to attend college in the fall. The scholarship was presented during the Senior

Award Assembly.

Cine operated concession stands during home football and basketball games in addition to pushing those awkward projectors along jammed halls.

An important asset to Cine membership was the prized privilege of using the coveted elevators for their daily toil.

FBLA, FNA greet Alumni in Coke Hour and XO

During the November XO the Future Nurses of America heard a lecture given by Barbara Millette, a student nurse at Wesley Memorial Hospital and former West graduate.

The club members returned the visit in December when they attended an open house at Wesley.

The club also sponsored its annual tour to Great Lakes Naval Hospital.

The F.B.L.A. members' main service to the school was the operation of the school store during the busy morning hours. During the monthly meeting, in December, the club held a coffee hour and presented a skit on "Applying For a Job in Santa's Workshop." Special project this year was an Alumni coke hour at Homecoming.

Jr. Varsity Debate Squad captures three trophies

Debate was successful this year in building a platform for succeeding years. The Debate and Individual Speech Competition helped a student gain experience in speaking, competitive events along with the opportunities in meeting students from other schools, understanding literature, and creative experience.

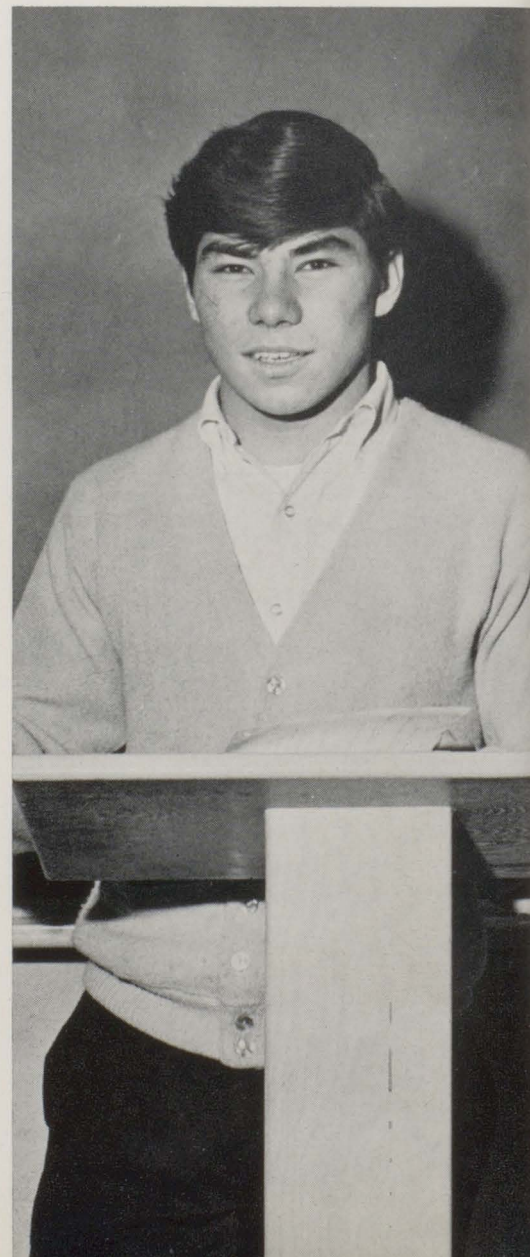

The members were coached by their sponsors in the areas of radio speaking; readings of comedy, serious verse, and prose. These were regular events at each meet.

Special areas open to the students were original monologue, oratorical declamation, original oratory, and extemporaneous speaking.

Science, Social Studies Clubs add extracurricular interest

The Social Studies Club was organized to promote interest and understanding of foreign countries. The club, during their monthly meetings, studied films, books, maps, slides, and listened to knowledgeable lecturers.

The group came to realize that although their customs differ, all people share common interests.

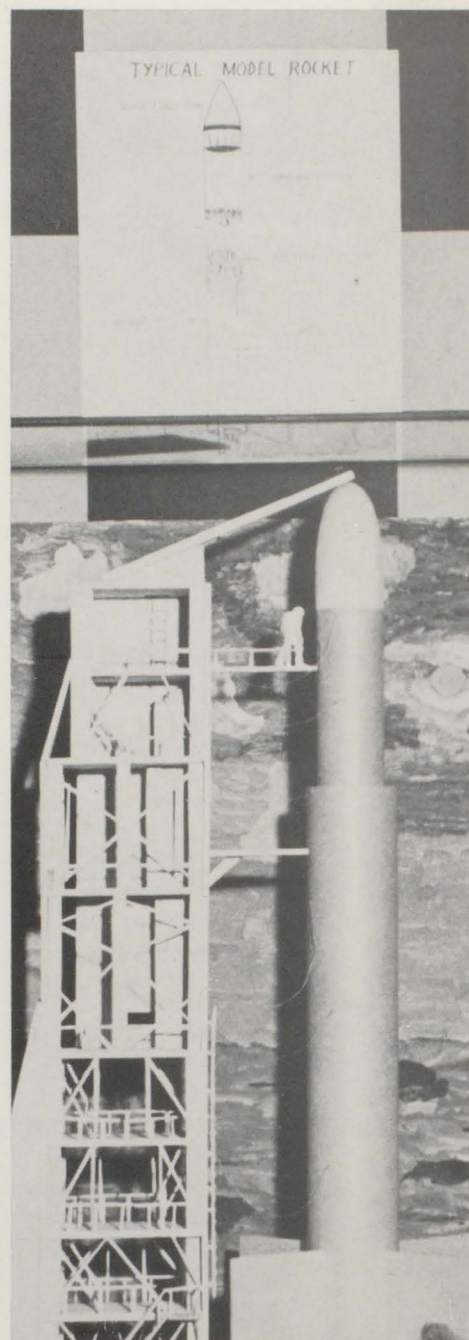

Proviso's Science Club was started because of students with an avid interest in science. The club met regularly to discuss their interests, and answer questions that they had.

The year was devoted to the annual Science Fair in the spring. Each member worked and assembled a project for statewide competition.

Members of Thespians must accumulate a total of ten points by working on at least two plays before they are accepted. This year the troupe presented *Diary of Anne Frank* in the fall and *West Side Story* in May with the co-operation of the music department. Their contest play, "Antigone,"

placed seventh at the Illinois State Speech Contest.

Taking time out from their busy rehearsal schedules, the troupe attended several stage productions in the Loop including *Cabaret*. A number of student-directed one-act plays were also presented by members.

Chess Club wins 82, loses 35 in match and tourney play

Twenty-nine members of Chess Club competed in interscholastic competition this year, with twenty-six having the satisfaction of winning games.

In tournament play West once again held the Chicago-Suburban Chess League first-place trophy and just missed trophies at the Highland Park Invitational and Rockford Guilford Invitational Tournaments.

Top ten students in match points were: Jim Postilion 12, Jim Sturmfield 11, Paul Dierks 11, John Murphy 10½, Randy Rimnac 9½, Fred Resner 7, Neil Rosone 6½, Don Gunning 5½, Tim Murphy 5, Chuck Janik 5, Tom Osenberg 5. In dual meet competition the team won 82 games and lost only 35. Varsity placed ninth, Sophs third in state, defeating champs, Lane Tech.

Folk and Aviation Clubs swing "Up, Up and Away"

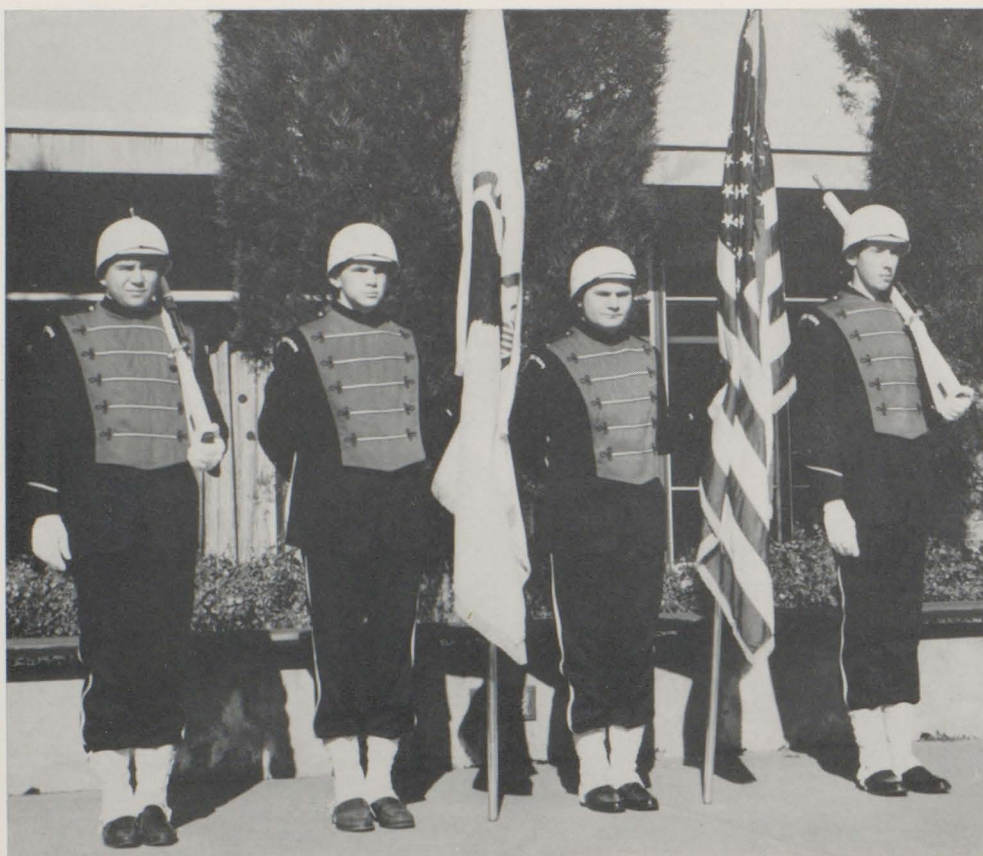

"Up, Up and Away" applied to this year's Aviation Club. Proviso's local chapter studied aerodynamics, jet propulsion, and sky navigation as part of their activities. The club is composed of students interested in the field of aviation as a possible career or simply as a hobby.

Last year Proviso initiated the new Folk Music Club, where members could gather to discuss the contemporary music of Joan Baez, Donovan, or Arlo Guthrie.

This year the club provided the library showcase with a sample of their activities, including pictures of their visit to a Donovan concert.

Reminiscing the Donovan concert, Folk Club members combine enthusiasm to create a new ballad and accompaniment.

Band marches in honor post at State Street Parade

Band members not only distinguished themselves this year in musical ability, but also in creative talent. Their Homecoming float, "Victor's Feast," ascended the top of the competition scale and won first place.

Football season was a marching season for the bands. The Concert Band presented a half-time show at all of the home games. At Homecoming a combined effort of both the Concert and Cadet Bands produced a welcome show for the alumni.

The Concert Band participated with 6500 other band students at Northwestern High School Band Day. Following this, they marched in the honor position in the State Street Christmas Parade in November.

All the bands were represented at

the Winter Concert. The Cadet Band featured "Brigadoon," the Prep Band presented "Caribeguin and Symphonic Overture." The Concert Band's highlights included the Overture to "Candide" and the "First Suite."

The Illinois State Solo and Ensemble contest was held in March. Select individuals and groups from the Cadet and Concert Bands competed for the musical honors and experience.

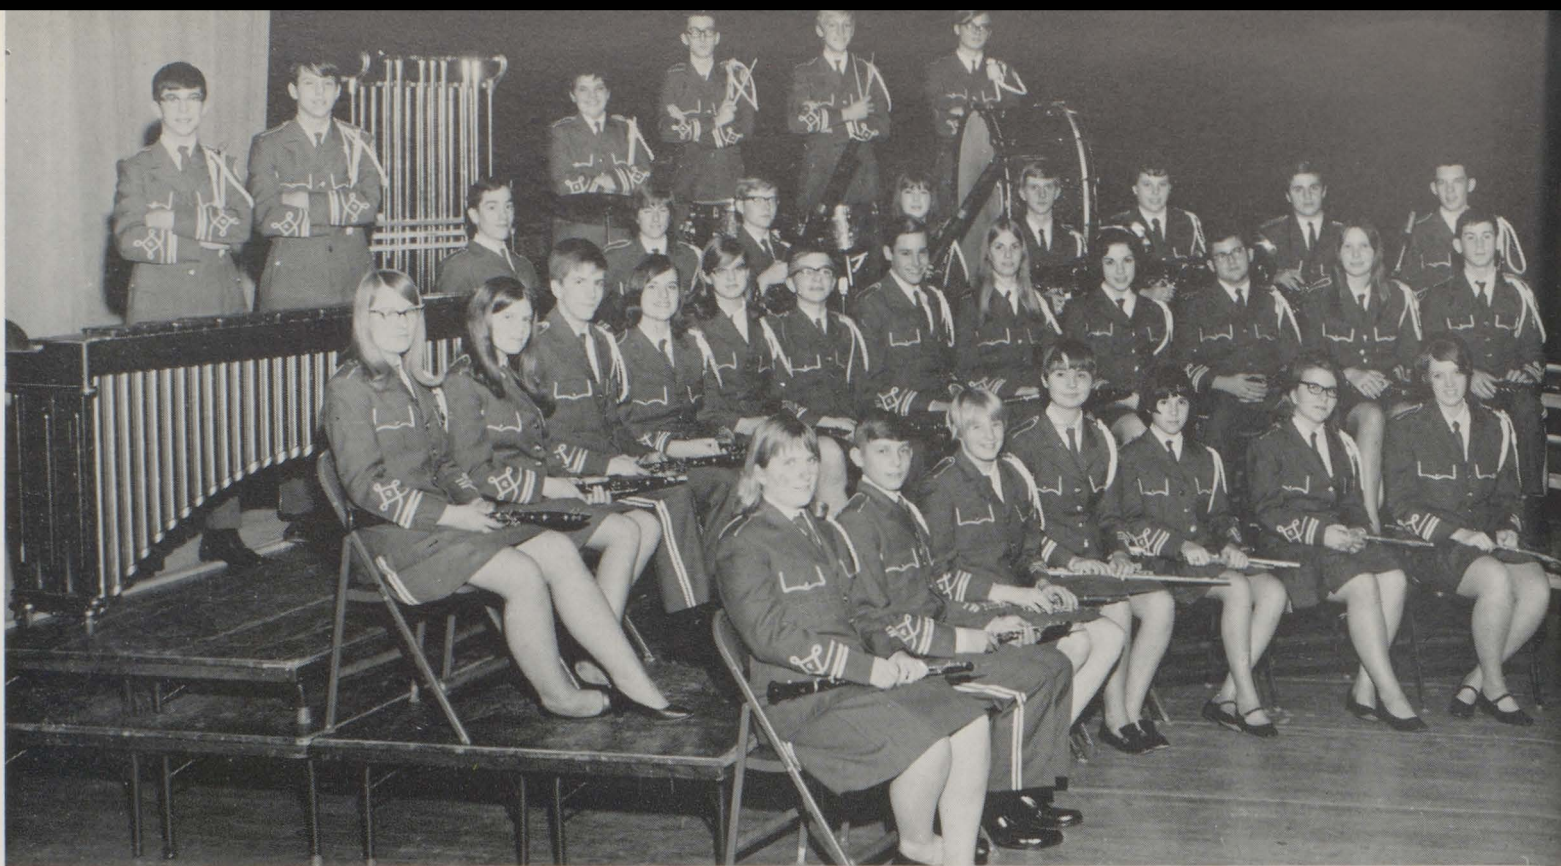

Other activities of the bands included spring concerts by all three bands; Bataan, Loyalty-Day, and Memorial Day parades; PTA and pot-luck supper performances; forming a voluntary pep band to play at home basketball games, participating in the ISHA band contest; and at Class Night and Commencement.

Stagebands enliven games; among top three at Oaklawn

Increased interest and desire to perform music in the area of jazz brought about the creation of a second stageband for West's students. To participate in the new "B" band, "A" Stageband selected 21 members on the basis of ability from the original stageband. Both groups played at basketball games and performed at the Band-Parent Potluck supper and a Spring Concert.

The "A" stageband participated in contests in February and May. The one in February was held at Oaklawn High School. West's stageband ranked in the top three of the twenty-two competing bands. Many nominations for the all-star stageband were made. Ronnie Lemm, trombone, qualified and represented West in the top State Stageband.

Chorus sells 1000 albums

One out of every five students at Proviso West is a member of one of the dozen choruses which allow any degree of vocal skill appropriate expression, from the less experienced Freshman Men and Girls, to the elite Madrigal Singers.

The 67-member Concert Choir, in a first-time venture, this year made it possible for a wider audience than usual to enjoy their skilled performance by recording an album of Christmas music, "O Holy Night." Beautifully mounted, the album cover included pictures of the choir, directors and pertinent information about the school. More than a thousand albums were sold. A spring appearance of the Concert Choir at Northern University was another high point of their year.

All the choral groups, however, appeared in public concerts, the Madrigal Singers being in particular demand.

"Sounds of Winter" express the season's atmosphere

Concert tours, township orchestra, guest appearances, and solo auditions were but a few of the numerous activities of the concert orchestra this year.

For the orchestra members the highlights of the year were the four concerts. "Carousel" was the theme of the fall Pops Concert used also as the backdrop of a carnival scene drawn and painted by Pat Handley. The winter concert, "Sounds of Winter," was followed by a tea held in the Commons. Three months of concentrated effort were put into the spring

concert. At this performance, five individual awards were presented to outstanding musicians of the orchestra.

Many of the orchestra members, in fact more members than ever before, participated in the District Music Festival held in Aurora in November. In March, some of the members performed at the State Solo and Ensemble contest at Addison.

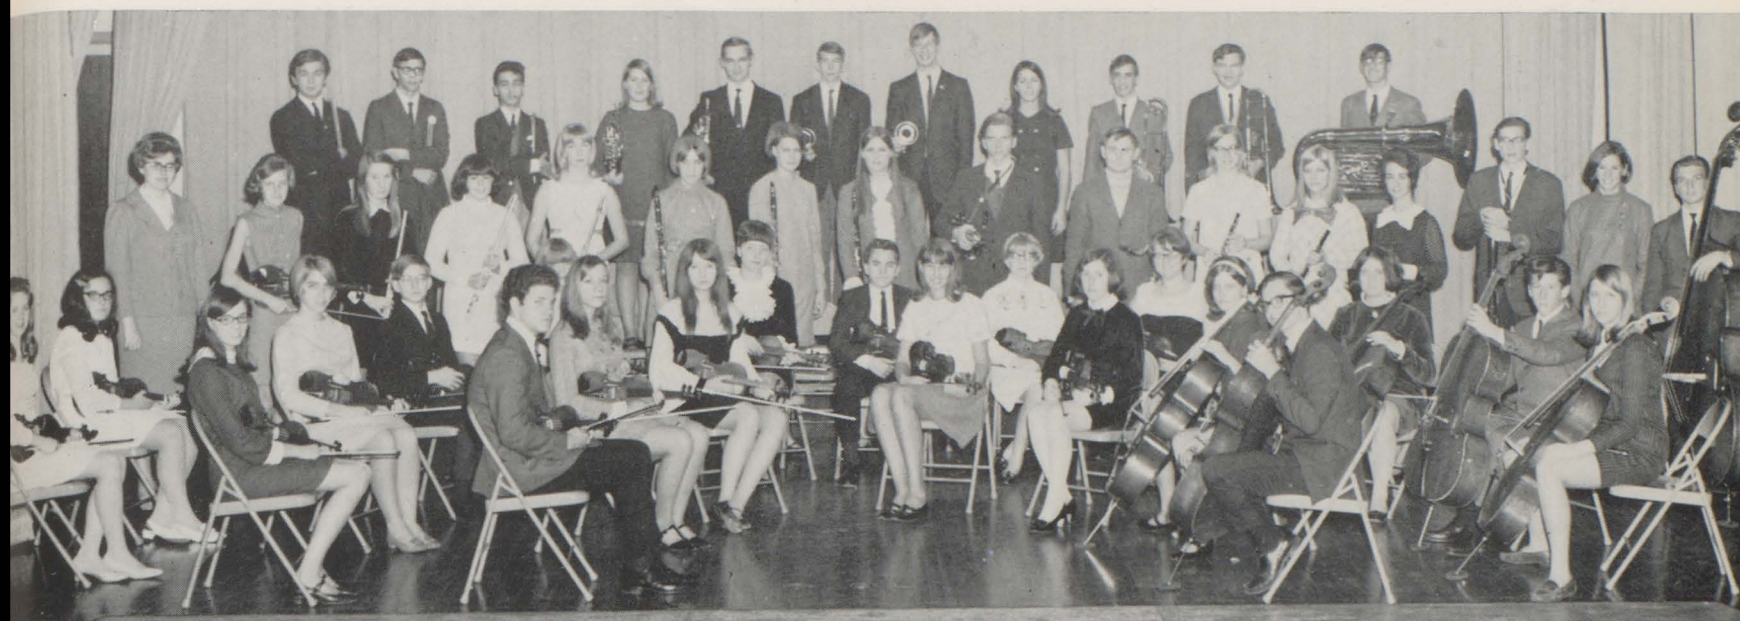

The final public appearance of the year was the second annual "Salute to the Seniors" concert. The departing students were appropriately honored at this performance.

P.E. Leaders, camera buffs set new goals

Sporting new uniforms consisting of navy blue shorts and matching V-neck shells, the leaders joined forces with the girls' physical education teachers and aided in the development of physically fit girls. This year the leaders were allowed to choose the classes in which they wanted to help and the teachers they wished to work under. During after-school meetings, the girls assembled to organize a club for leaders and to elect their first slate of officers. At an induction ceremony in March, the leaders admitted the members of the Sophomore training class into the club.

The Camera Club offered numerous opportunities to its members. The photographers competed in a photo contest. Other activities included guest lecturers, a Christmas party, and a portrait session.

With growing interest among students in winter sports, Proviso West organized its own Ski Club. The club was officially organized this year and elected its four officers. The only requirements for membership were a desire to ski and a 24-hour school insurance.

The sponsor and officers arranged ski trips to ski slopes in the area, bus transportation, and teachers for the non-skiers. Most of the sites for the activities were scheduled at resorts in Northern Illinois or over the state line into Wisconsin.

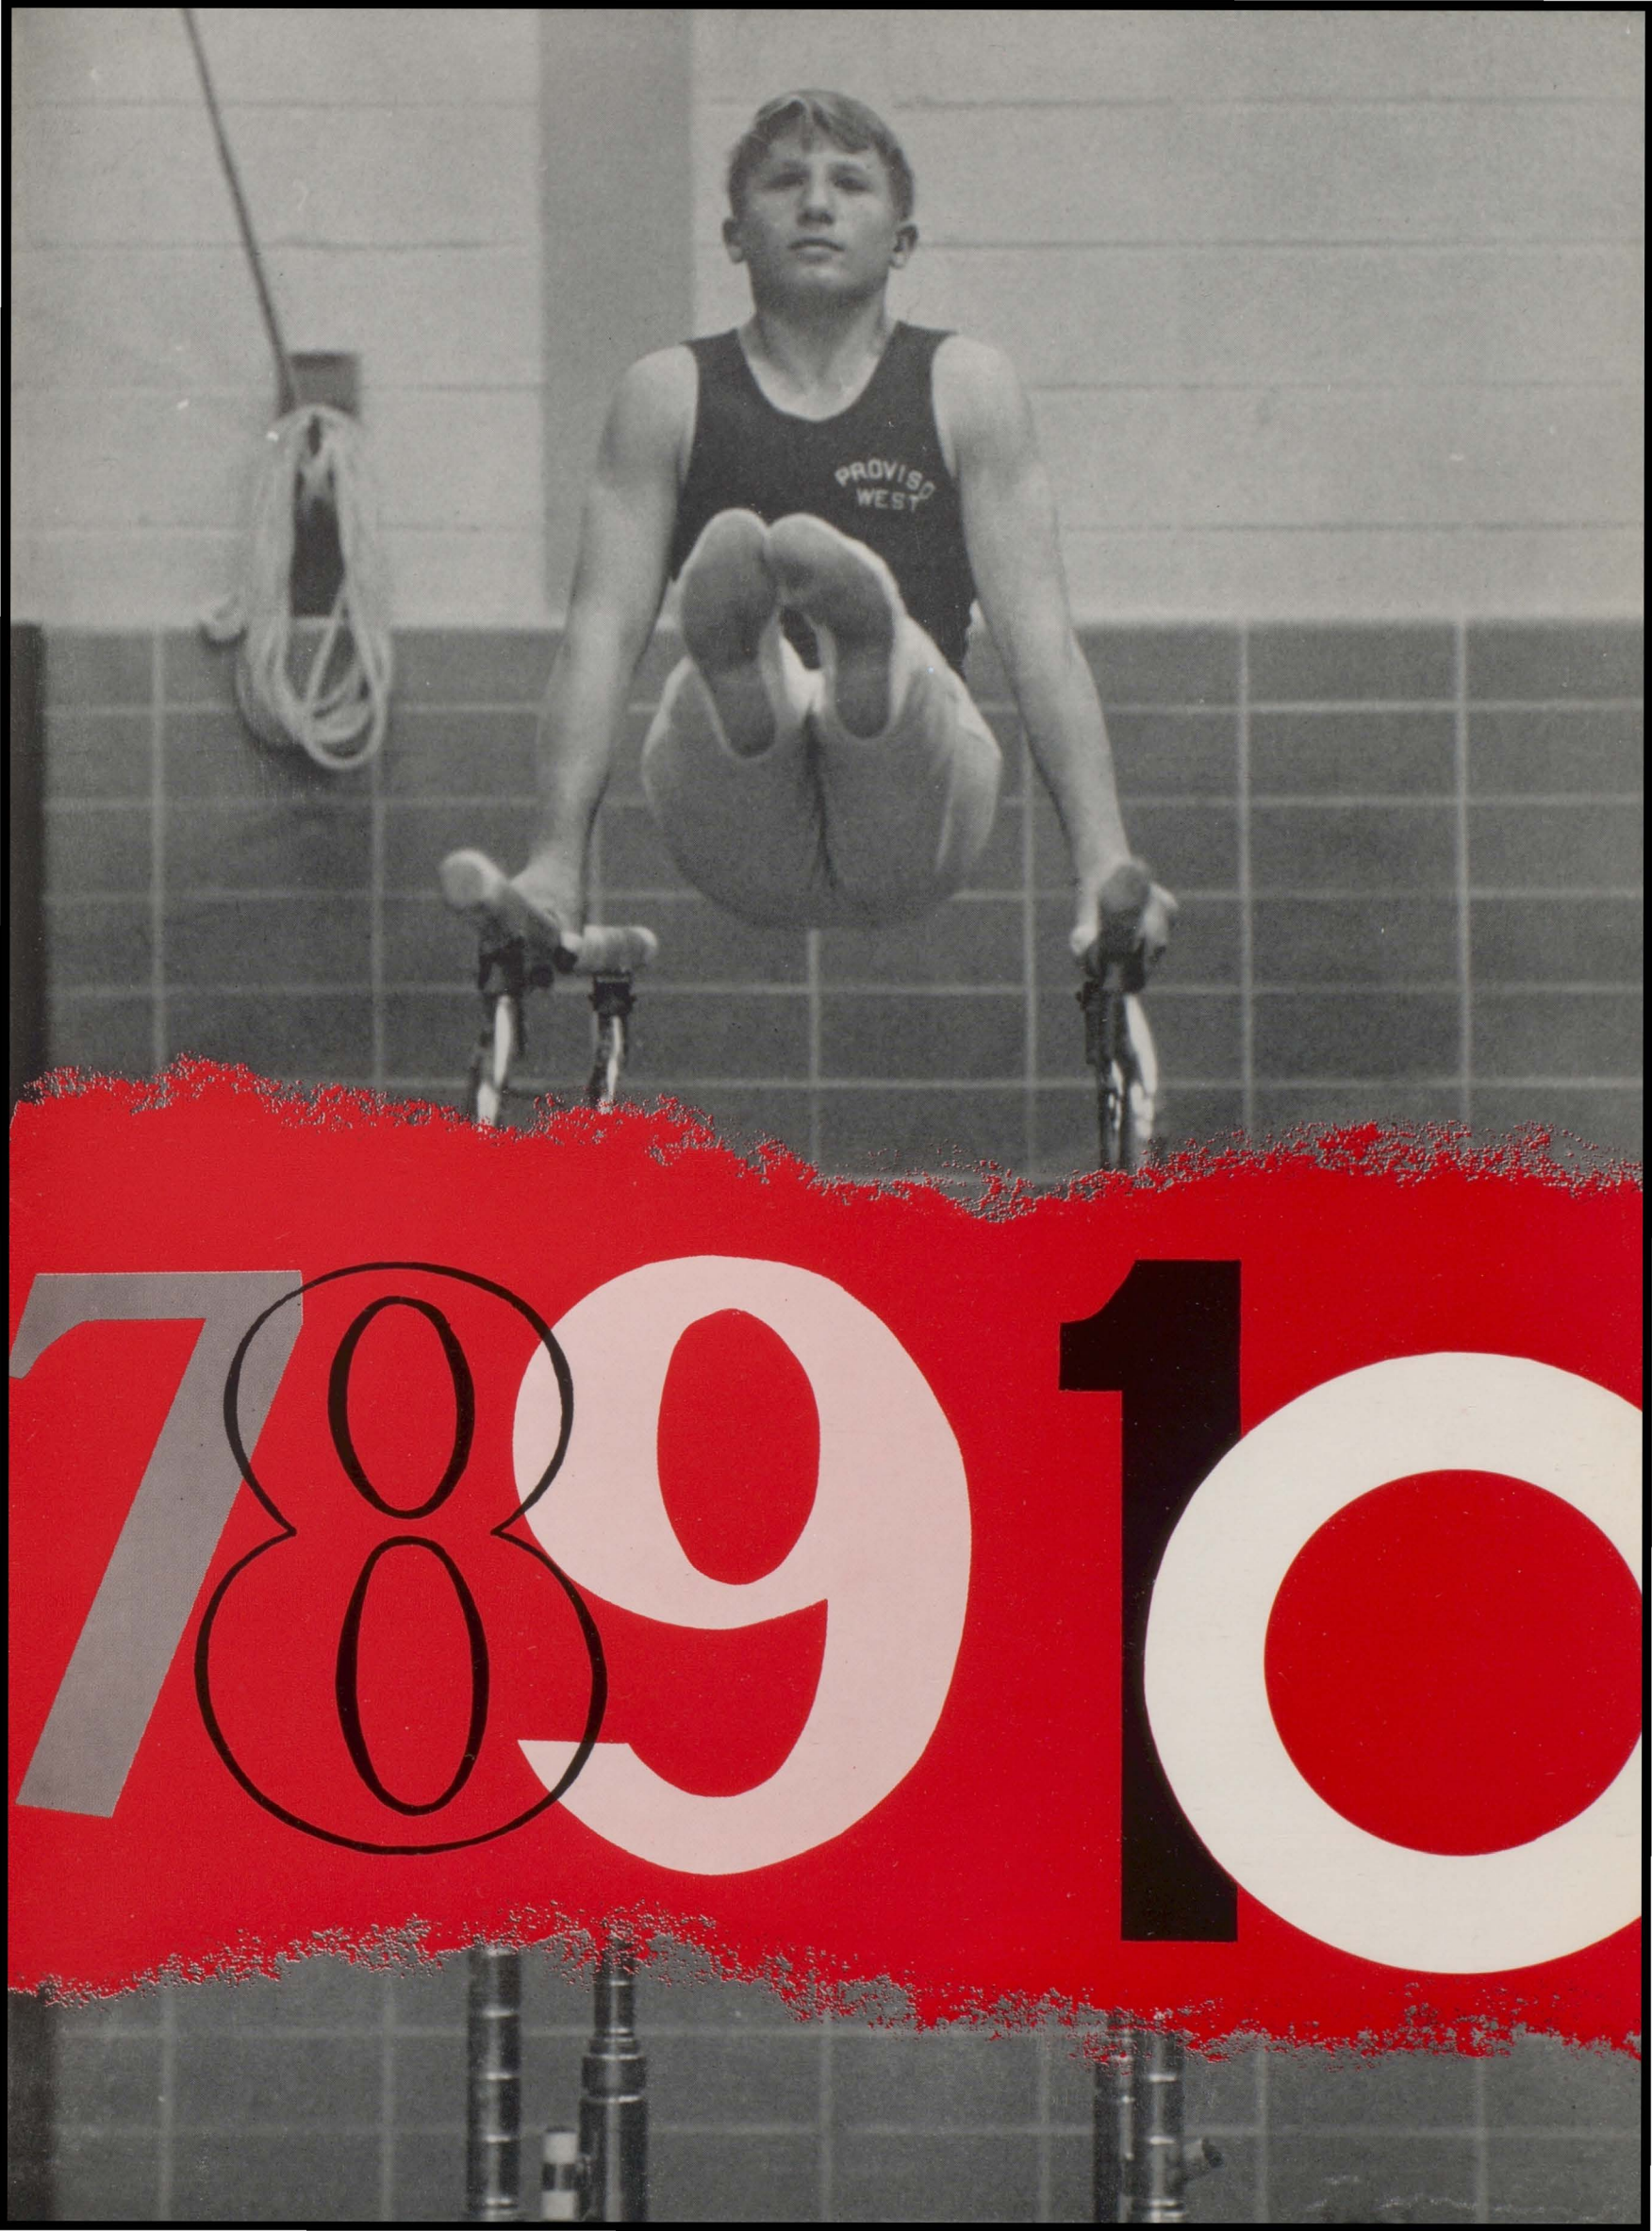

With all their other various activities, the club collected their most seasoned skiers to form a ski team. The team entered competition with other local high school teams on week-ends.

Climaxing the year's events was a trip to Colorado ski resort, Winter Park. Although not school sponsored the success of the trip guaranteed the ability and spirit of West's skiers.

Cats repeat with 3-4-1 record; place fifth in conference

Under a new coach, Mr. Robert Aho, West's varsity gridders began the year with victories over Elgin and Maine East. In the Maine contest, which was the opening conference game, the Panthers rolled their opposition 13-0, with Jeff Ulm running for both touchdowns. The following four games, however, found the Cats losing three, salvaging only one game, a tie with Downers Grove North. The most painful loss came at Proviso's Homecoming when the Hilltoppers from Glenbard West handed down a 21-0 decision.

Victorious in the battle with York, Dan Rumishek, Dennis Sweich, and

Sam Castellano (2) took the ball across for 24 points. Joe Zunich, West's top kicker, kicked successfully for the extra points making the final score 26-7.

The season closed, as it did last year, with a 3-4-1 record and a fifth place in the West Suburban Conference. Vic Franciose, following in his brother's footsteps, was named All-Conference while Jeff Ulm and Dan Rumishek received Honorable mention. Franciose also received the Most Valuable Player award. Dave Camden and Jim Ebbole were the leading defensive players for the season.

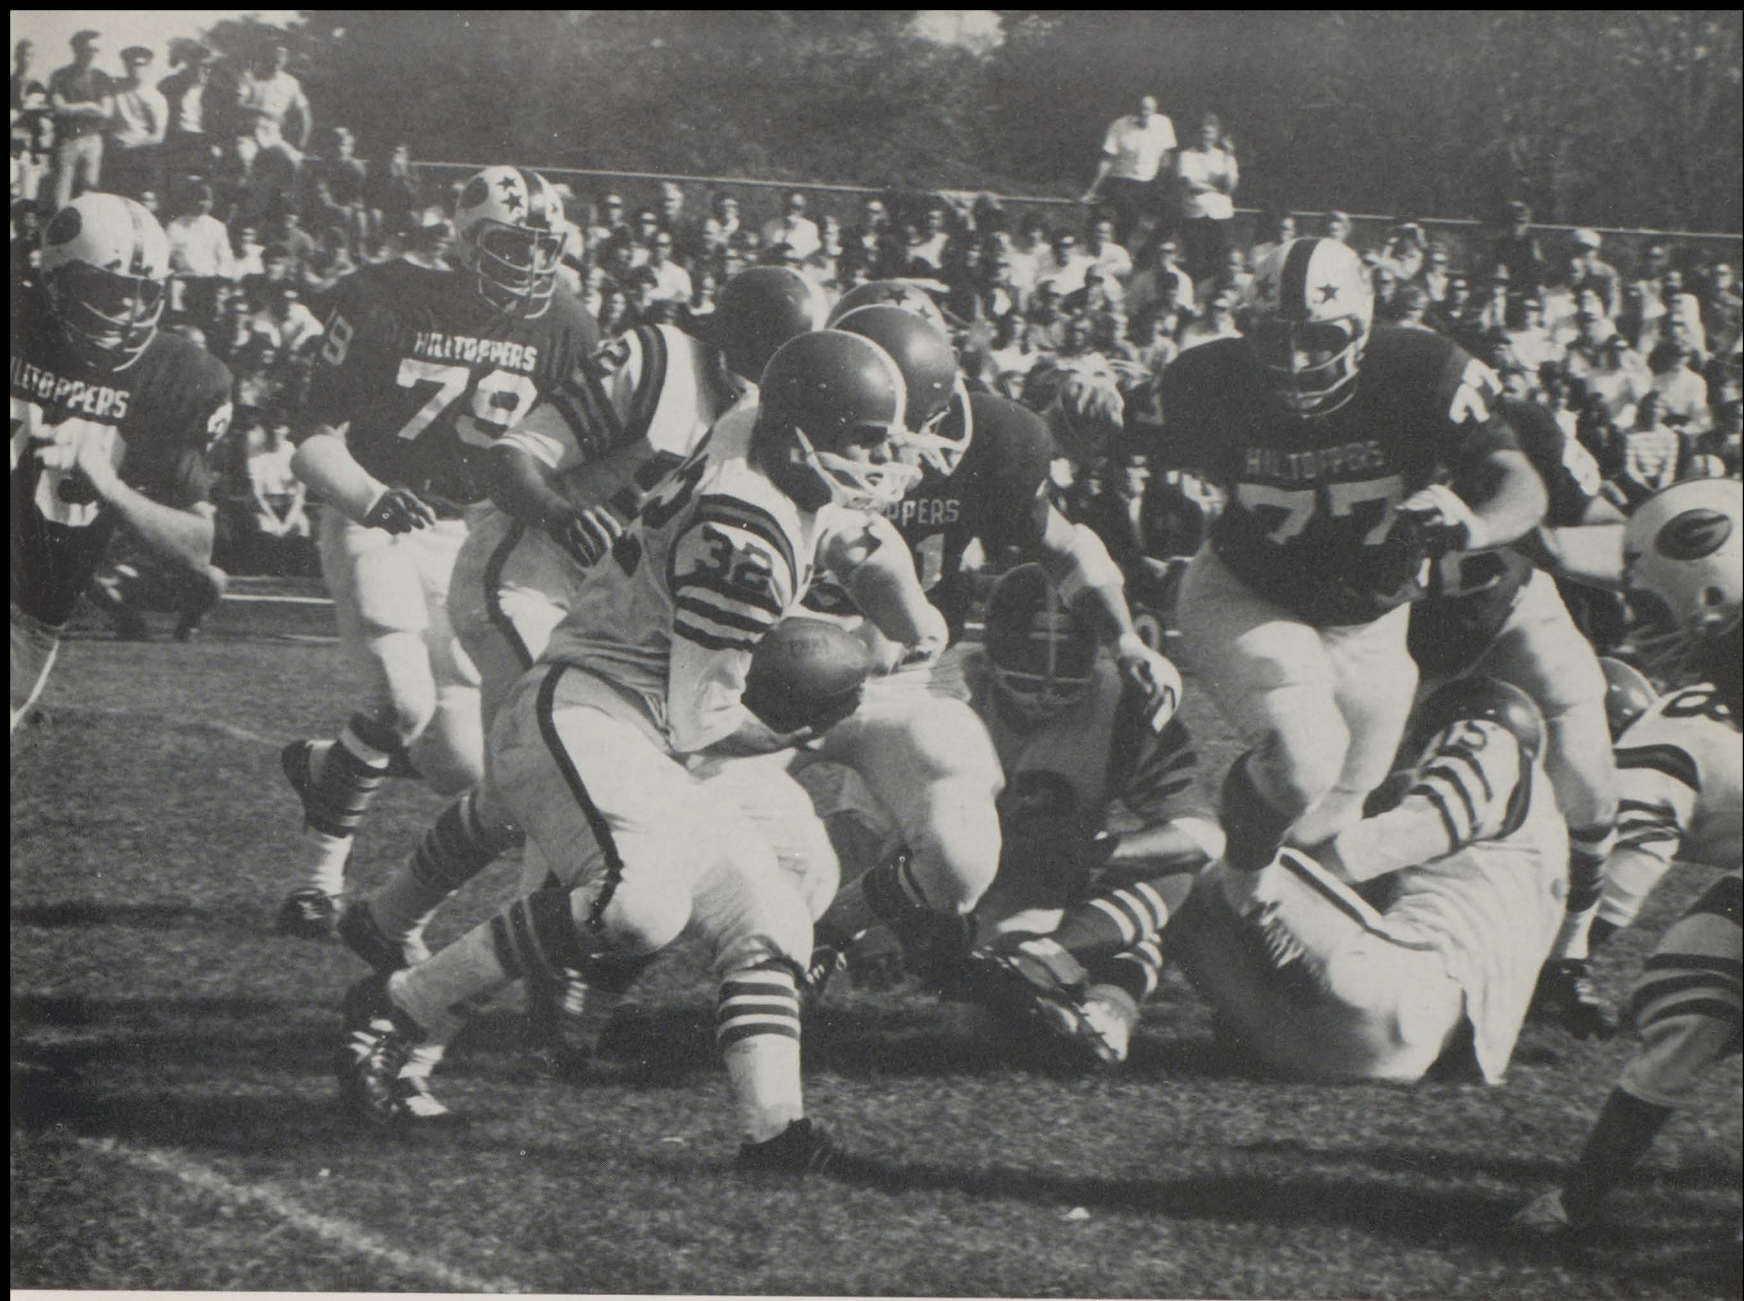

Coach Robert Aho brought dedication and drive to his first year of work at West.

Jay Vees tie for fifth place in West Suburban Conference

Although the team roster changed from week to week throughout the season, the Jay Vees were able to tie for fifth place in the conference standings. Their overall 3-4-1 record included wins over two of West Suburban's top teams, Maine East and

Glenbard West. In fact the Cats handed Glenbard their first loss of the season.

Mike Martin, Ed Kurtz, and Norm Fletcher were of particular value in the Jay Vees lineups.

Soph "A" squad finds rivalry rough; "B" squad has 5-1 tally

Sophomore "A" squad finished the season with a respectable 3-4 conference and 3-5 overall record. The "B" squad lost only one contest but did not play a conference schedule.

The "A" squad started the season by demolishing the Blue Devils of Maine East 18-0, but the outstanding

game was the Homecoming win against Glenbard West. Robert Bullman was voted most valuable player.

The "B's" five wins topped the previous "B" team win record of four. The outstanding game was against Oak Park with Greg Swider scoring the final TD in the final seconds.

Harriers take district; run 11th in state

For the third year in a row, West's harriers captured first place in the district. Although the thin-cladders only placed fifth in the conference, they did well downstate taking eleventh. This year's team was very young with only one senior and two juniors on the district championship team. Injuries and illness hurt the team, depriving them of a higher place in the conference.

The outstanding runner on the team was Andy Rubert '70 who defeated many of the outstanding runners in the state. Rich Bohn's consistent running earned him the title of Most Valuable Senior of the year.

The outstanding meet of the year was the District Championship which pitted the Riverside-Brookfield team (which had defeated West's harriers three times earlier) against the younger and more inexperienced team from Proviso.

Frosh rated first in WSC for second consecutive year

Under new coach Ron Gummerson, the freshmen harriers captured first place in the West Suburban Conference. Coach Gummerson said, "This year's score stands for itself. It has been a very good season and I'm pleased with the team. They were a very determined group."

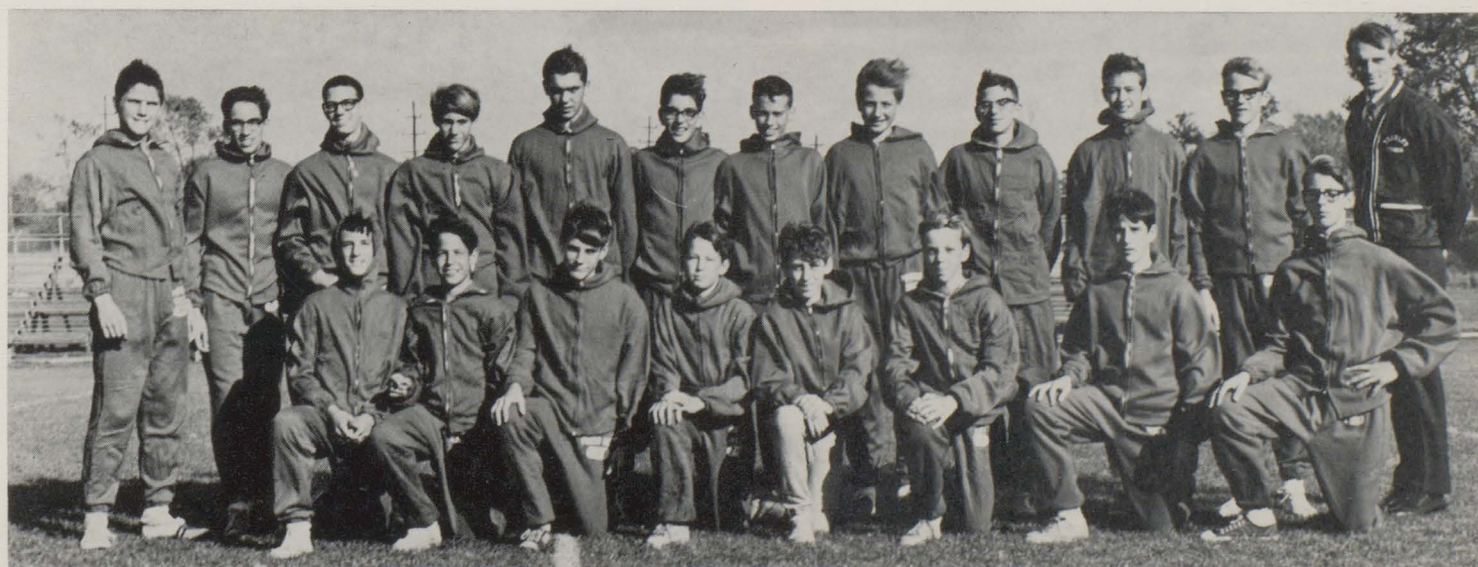

Coach Gummerson cited the meet at York as the most important this season. The runners toppled York's harriers 43 to 19. The most outstanding boys on the team were Don Vitullo, Paul Adams, Jim Hurt, Randy Suva, Greg Montegna, and Ken Komperda.

Varsity hardcourters fight hard but finish 8th in WSC

The varsity basketball team, under the coaching of Mr. Braucher, started the season in fine shape, winning four out of their first five games. Seniors Vic Franciose, Jeff Ulm and Al Holub were cited as the most outstanding boys on the team. Vic Franciose made the All-Conference player list and was elected Most Valuable Athlete. Jeff

Ulm won the free throw trophy. The Panthers' victory over Maine East was the most outstanding game of the season. This game also proved the usefulness of Juniors Wayne Rada, Rich Ondra, and Rich Duda. The squad had a 1-13 conference record, which placed them eighth in the West Suburban Conference.

J.V.'s take 4th in conference

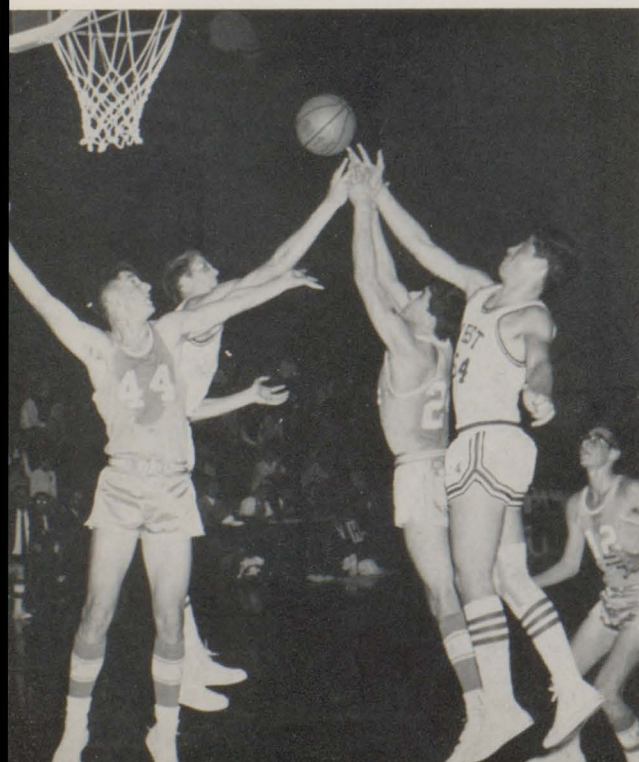

After an average year as Sophomores, the Juniors bounced back to play a very successful season. The JV's went down to Glenbard West by just two points in a double overtime, but came back swiftly to triumph over York.

The hardcourters finished the season with a 9-6 overall record, which placed them fourth in the tough West Suburban Conference.

Jack Cowan, the team's leading scorer and rebounder, was assisted by Rich Duda, Kent Dickerson and Al McKinney played guard along with Rich Suva, Bill Sykora, Dave Delgatto, and Don Mueller alternating at forward. The highlight of the season was beating York twice. The JV had not beaten York in the two years previous to this season.

Those traveling downstate were Seniors Duane Nyckel, John Niehus, Jim Whitfield, and Junior Mike Martin. Nyckel and Martin failed to place, but Niehus grabbed 3rd in his 138 lb. division and Whitfield copped 4th in the 145 lb. class. When the state meet had concluded, West grapplers had a

firm hold on 8th place.

Duane Nyckel was named All-Conference for his fourth time, and was voted most valuable player by his teammates. Nyckel has proven a valuable asset during his four years on the varsity with a total record of 85 wins and 14 losses. Niehus, Bob Monaghan, Jim Ebbola, and Whitfield also made All-Conference.

finished first in the conference with a 6-1 win-loss record and compiled a 5-0 record in non-conference meets. Bill Crosby, John Yudas, and Don Murray were named as the outstanding wrestlers for the season.

The freshman grapplers tallied an

11-2 win-loss record to capture second in the conference. West Leyden and Maine West, which are powers in their leagues, fell before the freshman. Paul Yudys and Frank Cerrione were cited as outstanding wrestlers.

Varsity gymnasts work hard, send 3 to state competition

The Varsity gymnasts completed their dual meet season by sending three competitors to the State preliminaries. Mike Ericson, coming back from an ankle injury late in the season, qualified for two events, the trampoline and the floor exercise. Also completing an excellent season, side-horse man Jim Ogisaki captured third

with a 6.5. Jim also made a transition from solo side horse to all-around, and has been a valuable asset to the team.

Paul Wdowiarz copped a sixth place on the parallel bars to get a shot at state competition. Paul has also had a very successful season.

Frosh-Soph gymnasts swing through routine season

Freshman and Sophomore gymnasts had a satisfactory but not outstanding season, placing ten out of fourteen teams in the Hinsdale Freshman Invitational meet. Their season record

was an unspectacular three wins to six losses. Though the team as a whole was, according to Coach Read, somewhat above average it lacked any stand-out performers to sweeten competition.

John Kanik begins an inverted hang on the rings with coach Read carefully instructing.

Varsity swimmers tie for 2nd in conference, 13th in state

After being topped in the conference swim meet, the Varsity swimmers sprang back to grab thirteenth in state competition. The medley relay team fell second to Hinsdale Central in the conference meet, but then moved up to fifth in state competition. The Cats shattered the old school record with a time of 1:44.6. After qualifying for the state meet, the freestyle team took eighth with a time of 1:27.1.

West's only individual competitor, Rich Korinek '69, competed in the 100-yard breaststroke but failed to make the finals.

Coach Boyce commented, "We have done very well this season. Most of our Varsity swimmers will return next season. I expect next season to be a very good one, and I am looking forward to it."

Sophs capture conference 1st Frosh finish with 5-6 tally

This year's sophomore swim team, under the coaching of Mr. Tako, overcame all opposition to capture first place in the West Suburban Conference. Rich Kerwin '71 set eight new school records and was mentioned as one of the most outstanding boys on the team along with Neil Janota, conference diving champion, Bob Ro-

manelli, and Bob Brittain.

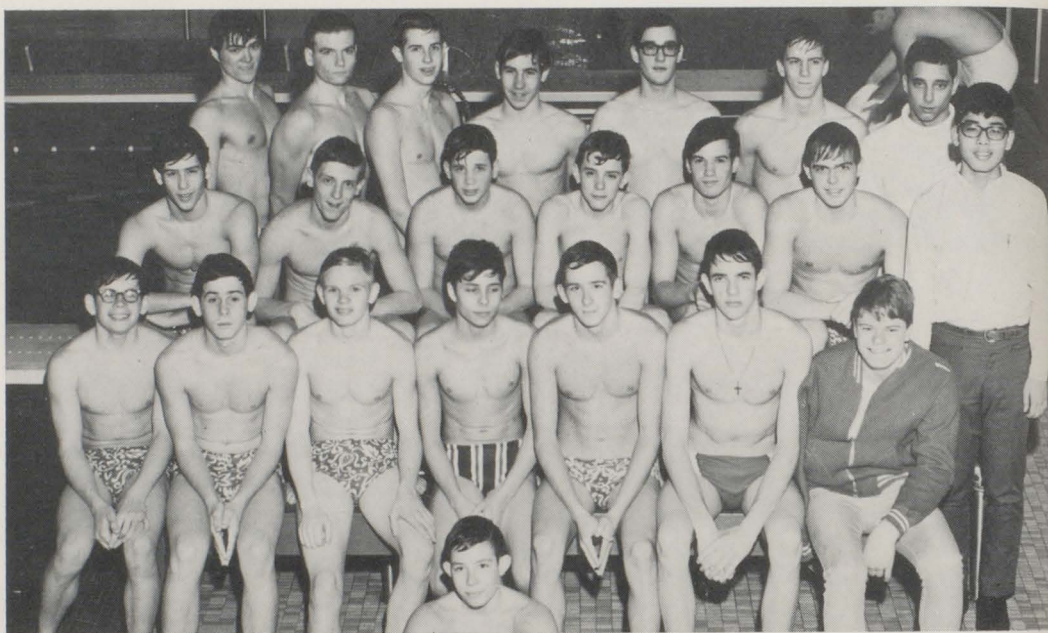

The freshman team, although they had no actual conference schedule, piled up a respectable 5-6 record. Louis Russo was cited by Coach Kozlowski as the most outstanding swimmer on the team. Russo shattered the school record in the 100 yard butterfly with a time of 1:12.2.

Sophomore Rich Schindler, the teams Breaststroke man, heads for the finish of his event.

Rich Vallicelli '69, Don DeLeonardis '69, Bill Yannias '69, and Andy Rupert '70 were cited as the most outstanding boys on the team.

The '69 indoor track season for Freshmen and Sophomores found Al Letterer breaking the mile and two-mile indoor records and tying the half. Freshman Jim Hurt also made an excellent showing by breaking the school two-mile run record.

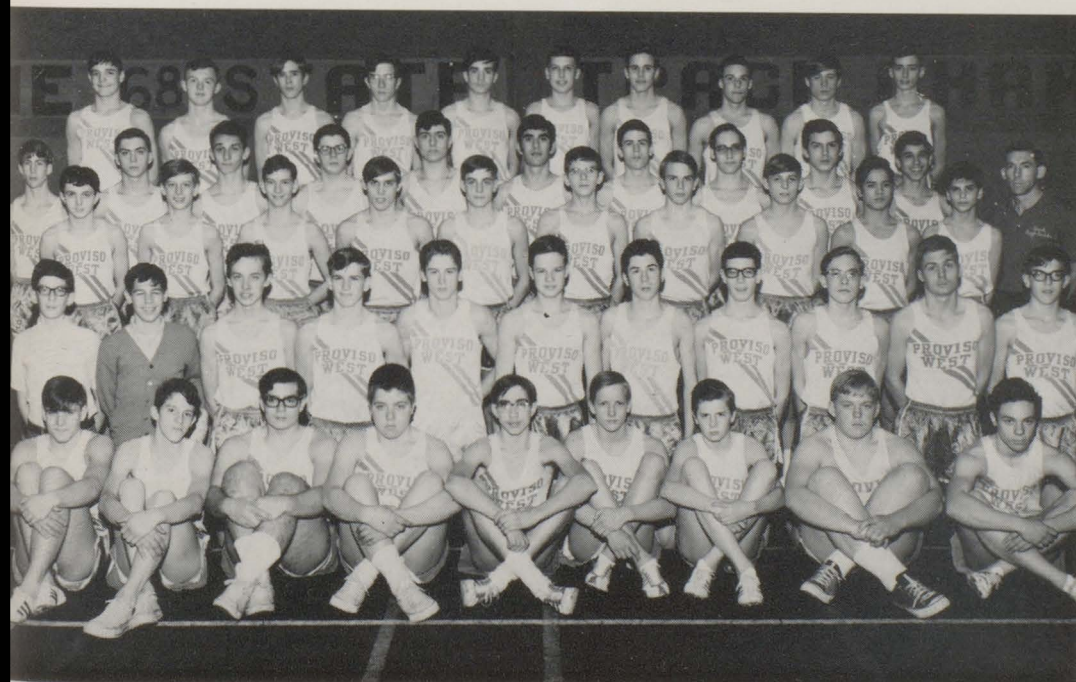

Undefeated throughout the '68 season, the Frosh-Soph trackmen also set a number of records. Mike Sarz broke all Freshman records in hurdles while Letterer, then a Freshman, set records in distance running.

Varsity Diamondmen 3rd in Conference; take district

The varsity baseball team had an excellent season last year topped by capturing a close third in the conference and the State District title. The diamondmen piled up a respectable 8-6 conference record and a 14-7 overall tally.

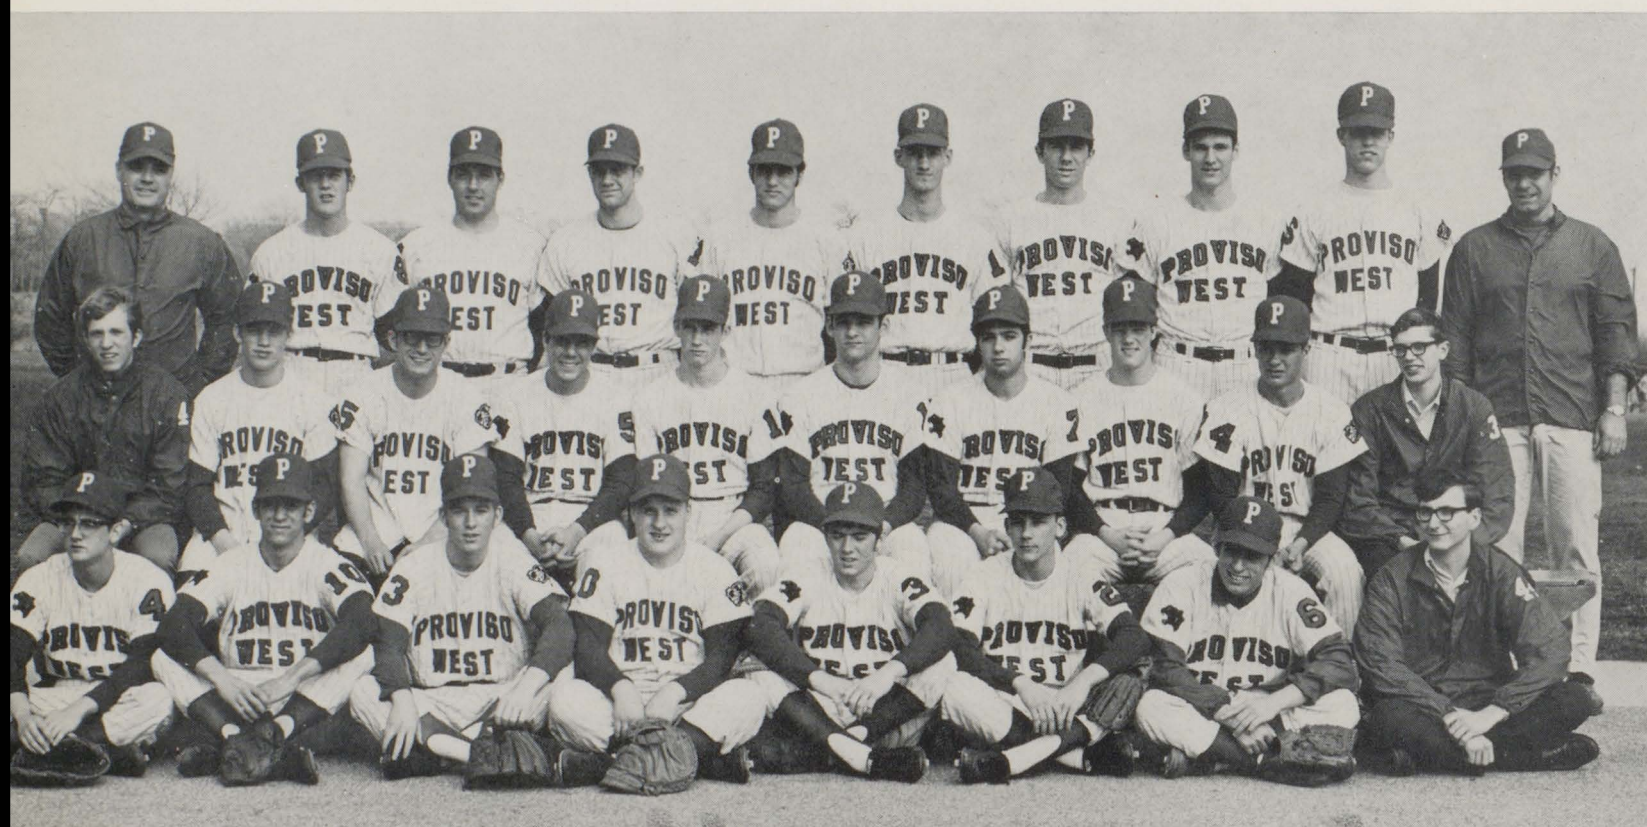

Ken Ferraro '68 and John Fioramonti '69 were both all-conference

players who contributed greatly to the success of the team.

The team started the season in great shape by triumphing over their first three opponents; tying in their fourth game and coming back to win two more games before their first defeat at the hands of Hinsdale Central.

Frosh team sweeps ten games; take 2nd in conference

The freshman baseball team, under the direction of Coach Sutherland, did extremely well last season, coping second in the tough West Suburban Conference. Pitchers Dave Dusak and Bill Sykora led the team to a 11-3 conference record and a 13-4 over-all tally.

The team started the season well,

winning the first ten conference games, including three double headers.

Varsity has 3-9 season total Frosh-Soph have tough year

Proviso's varsity tennis team was against tougher teams during the '68 season as they were able to acquire a 3 win-9 loss record. Playing at the Oak Park District Meet, Richard Fencl, in singles competition, advanced the furthest of the team, going through two rounds and losing in the third. Ray Peterson was voted the Outstanding Senior Athlete Award by his fellow teammates.

The frosh-soph tennis team had a generally difficult season with a '68 conference record of 1 win and 6 losses. Five of the six season losses tended to be scores of three to two. Richard Stvan compiled the best record on the team with 5 wins and 5 losses in the second singles. Most outstanding was the win over St. Francis, a non-Conference meet and the last match of the season.

'68 teemen win District; Kempf places second in State

The 1968 varsity golf season was climaxed by the winning of the District tournament at White Pines Country Club. This victory provided the first defeat of LaGrange by a Proviso team in several years. Also, four teemen qualified for the State meet. Chuck Kempf, who won the District, advanced downstate where he took second place. As a team, Proviso West

placed eighteenth in State and seventh in the conference with a 3-4 win loss record.

The frosh-soph team fared better in conference competition with a third place. Their overall record was nine wins to three losses. Highlight of the year was sending two members of the team, Gary Herbert and Dave Golom, to the State finals.

West honors best athletes

Though no outstanding honors came to West during the 1968-69 sports season, Panther matmen finished with a strong conference second and a 10-1-1 season record. Cross country teams earned a district first and finished eleventh in State competition while the swimmers placed thirteenth with a fifth in the State relay. The hard-courtiers 1-12 record was bettered somewhat by the varsity footballers 3-4-1 season record. In gymnastics, three players were sent downstate.

The indoor track team took second in conference and fourth in the Oak Park Relays..

Several outstanding players were named to receive the Most Valuable Athlete Awards. Vic Franciose won the award twice for football and basketball. Rich Korinek took sixth in state for swimming his junior year. Duane Nyckel, in wrestling, traveled downstate twice but failed to place.

Girls' physical education has varied, imaginative program

Group sports, from speed and volleyball, basketball and tennis to individual instruction in golf, bowling and swimming provide West's girls, during their daily PE period; an opportunity for participation in practically all sports. In addition, instruction in gymnastics and dance is geared not only to beginners, but to the advanced and particularly talented student.

GAA, meeting after school, gives

additional opportunities to several hundred girls for fun and practice. Orchestras, Marinettes and the new gymnastic club organized this year give recognition to expert performance. A leader's group provides opportunity for interested and proficient girls to work directly under the instructor as assistants. Special classes for students not physically able to take the regular work are also provided.

Freshman Year is . . .
 Entering the halls of Proviso West
 For your very first time
 Armed with a Redbook
 And a distinctly "Freshman" smile;
 Discovering the delectable flavor
 Of Proviso's burgers;
 Going to your first coke hour
 "Witches and Ghosts . . ."
 Solving the riddle
 Of the quadratic formula;
 Baking your first brownies
 In Foods I
 And forgetting to add the sugar;
 Having team spirit pay off
 As your basketball team cops
 First place in Frosh gym;
 Fumbling at your locker
 And searching your memory
 For your combination;
 Not always being the underdog
 With an undefeated
 Wrestling team
 Finally gaining Sophomore status.

One of the first events Freshman, Patti Hudson discovers is getting her first I.D.

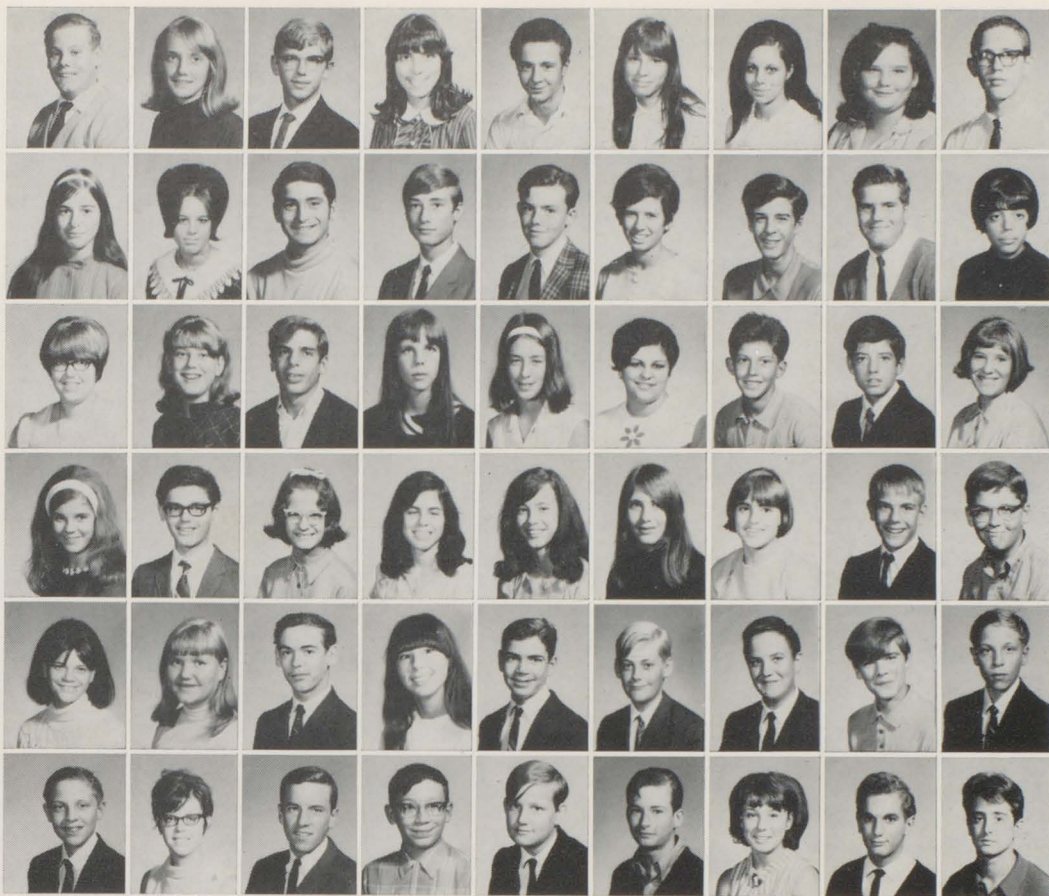

Cheers! Bottoms up with Coke at '72's

Sophs survive

Sophomore Year is . . .
 Coming back and knowing
 You've passed initiation
 At Proviso;
 Going to your first
 Float meeting;
 Struggling over the Pythagorean
 Theorem in geometry;
 Getting six errors
 On your timings in Typing I;
 Hitting the gas pedal
 While in reverse
 As you leave Circle Drive
 In first day Driver's Education;
 Thinking of the undesirable
 Essay test coming up
 In "Arrowsmith,"
 Tackling your way to football
 Games, dribbling to basketball
 Games, running to track meets,
 Flipping your way
 To wrestling meets and
 Diving to swim meets;
 Realizing your sentence
 At West is half over.

Pow-wow proves to be worthwhile as teammates meet with coach during shut-out game. With spirit, Sophs "Lower the Boom" as they display their first Homecoming float.

June finals become an unavoidable hazard for resigned English student, Doreen Shum.

Powered by team spirit, Panther Rich Olsen administers bunt to defeat opponents.

Float experience is evident in the product, Juniors exhibit "Shut-out Hilltoppers."

JUNIOR CLASS OFFICERS: Front Row: Vice-President Jan Mielke, Treasurer Ginger Daniels, Secretary Mary Monahan, President Ralph Cribari.

Jrs. are no. 1!

Junior Year is . . .
 Returning to West
 For your third year and finding
 Your term is half over;
 Choosing an appropriate theme
 And making crepe paper blossoms
 To adorn your Homecoming float,
 "Shut-out Hilltoppers;"
 Clearing the lab after your first
 "Major disaster" in chemistry;
 Bubbling your troubles away
 To the beat of the "New Frontier"
 At "Mr. Bubble's Bash;"
 Unearthing Thoreau and Emerson
 In American Lit;
 Clobbering the Seniors
 In the annual Jr. vs. Sr.
 Basketball game;
 Hoarding Dial soap
 For six months prior to victory
 In the yearly Soap Drive;
 And finally receiving
 The symbolic status of all Juniors—
 The Class Ring.

Senior Class of '69

Senior Year is . . .

Finally becoming an upper upper classman after waiting for three years.

Turning green with envy as the first place trophy is awarded to the band float.

And then dancing in the days of King Arthur at the last Homecoming dance "Camelot."

Learning all the tendencies of a psychotic in psychology and finding out you're one.

Breaking all the tricycles at "Rubber Pants Dance."

Trying to fake a C. P. discussion.

Praying that East will win the State Basketball championship so you won't have to go to school on Monday.

Finally getting an off campus prom "The Impossible Dream."

Being the first senior class not to take June finals.

Sitting for two hours in your graduation robe on the hottest night of the year.

SENIOR CLASS OFFICERS: Sitting: Treasurer Julie Krawczykowski, Secretary Diane Diehl. Standing: President Dan Pepper, Sponsor Mr. Hunter, Vice-President Bill Kowal.

"Go Team, Go" yells cheerleader Linda Rybar as she urges the team on to victory.

Chuck Biskner's racing dive provides the margin which brought him wins in 1968-1969.

Seniors place third with "Rock it to 'em" during '68 Homecoming competition.

Happy 10th Anniversary *Mural*

To celebrate this special year we give you, *Mural*, this special book. We've dedicated it to you for all the years you've given to us. At first we had a large task on deciding our important gift to you. After receiving money from Mr. Pierotti and his business staff we started wondering on what to buy. Beth and Leslie suggested that we record the faculty and administration to show you education does pay off. This was fine but Sally wanted to give you organization by making you a part of the groups. Mike was a little sporty and he said we should purchase equipment so you could make the team. Now Colleen and Jan had still another thought and that was to give you an album of all your readers and admirers.

After hearing everyone, Mrs. Veach wisely suggested a combination of all the sections into one large book. So with the help of Bill, Bill, and Root we started to gather photos to fill our journal.

Copy writers with their pen and paper and picture croppers with their grease pencil and ruler went to work to complete page after page of our precious gift.

Shirley had the job of gathering and setting down an index for easy reference.

Each day our "dufer" darkened which meant we were nearly finished. To help us Mr. Wells offered to engrave our pictures and Mr. Semmelroth took care of the printing. Finally, Smithcraft Covers added a big "Number One" and the seal of approval.
