## Art Memories Will Linger On

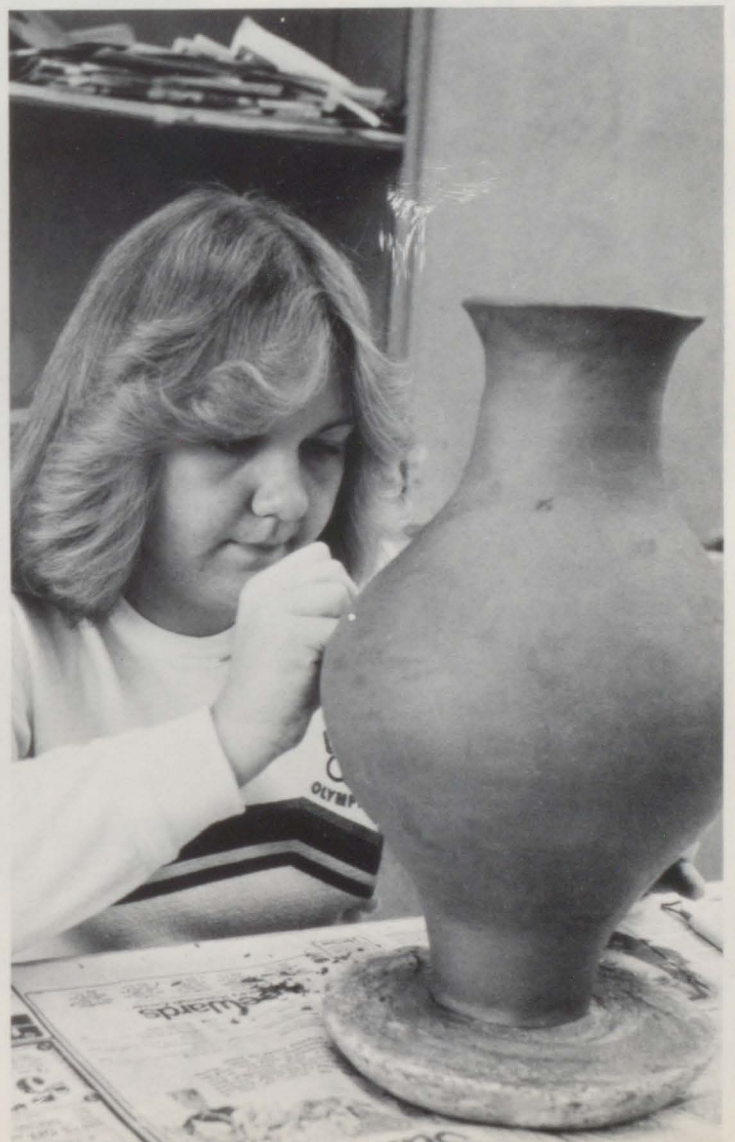

Long after the canvases have dried and the pottery has found a home on a shelf in someone's home, we'll remember the times spent in Proviso West's art department. For some of us, the memories will be pleasant, as we think about the thrill of putting our feelings onto canvas, or of showing our individuality in ink, water color, or chalk. For others, the memories may be tinged with disappointment when we think about the struggle to make a painting really look like the original subject. Regardless of how capable we were in our artistic endeavors, we'll always have certain memories — "pictures" from the past, that come to mind each time we look at a treasured art project.

Left: Tim Soper etches the design into a piece of pottery. Below: Linnea Mueller is the picture of concentration as she works.

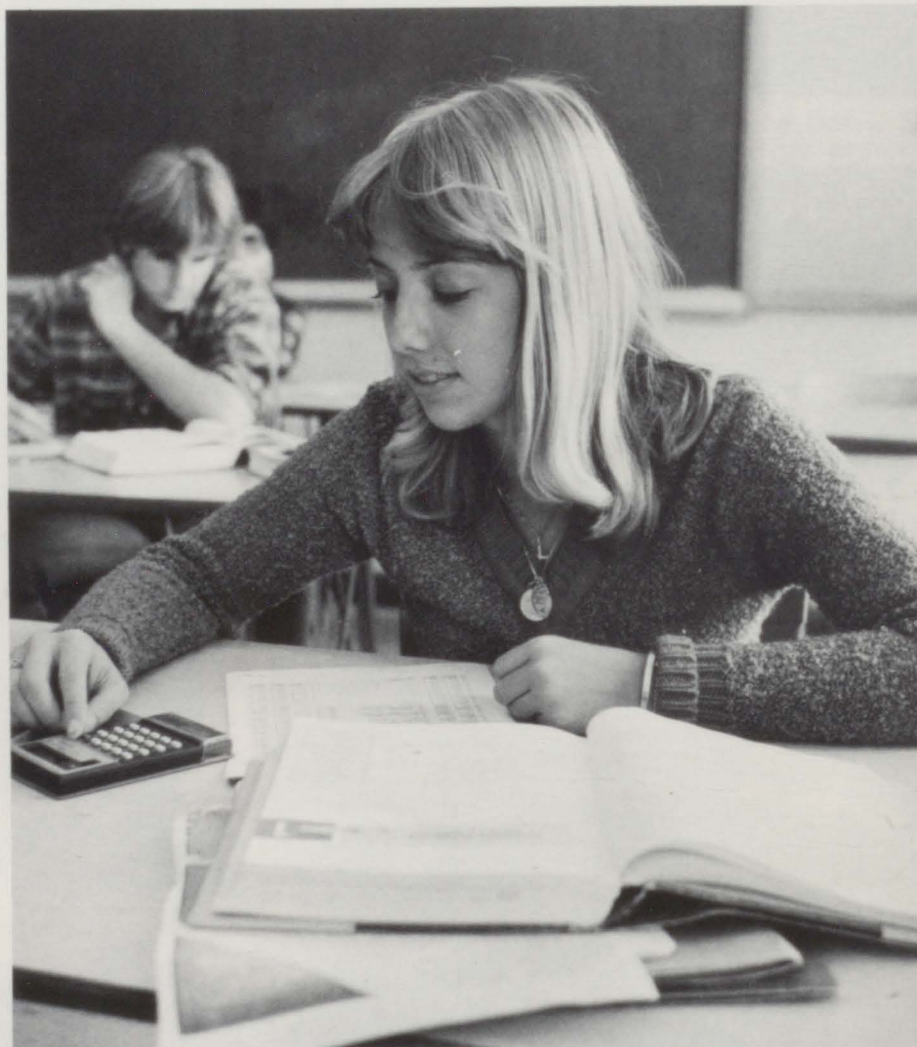

*Below and Right:* Typing skills prove to be especially valuable after high school has just become a memory.

## Business Skills Are More Than A Memory

Long after we have forgotten a particular business education class, or a certain teacher, or a specific assignment, we will remember those very necessary skills which we learned in those classrooms on D-3rd. For some of us, those skills will become our way to make a living. But even if we do not find ourselves doing secretarial work, or typing, or computer work, we will still be reminded of our experiences in West's business department, each time we use those skills in our personal lives.

*Above:* Those little calculators come in very handy for bookkeeping. *Right:* Harold Warner gets some practice at the computer terminal.

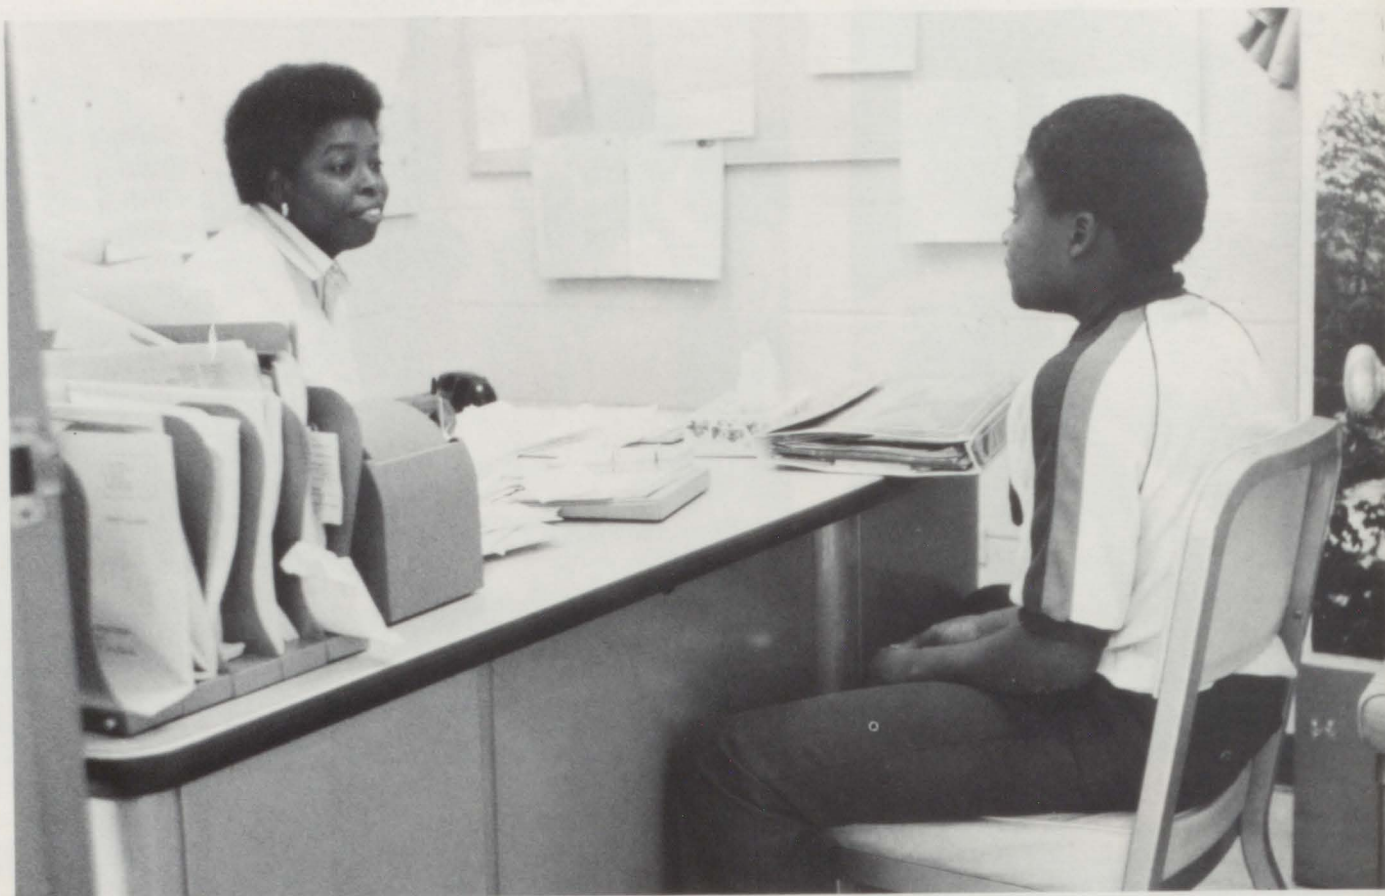

*Below: Keep your fingers over the "home row," and keep your eyes off the keyboard!*

*Right: Jaci Camastro and Linda Melichar concentrate on striking the right keys as they set up their computer programs.*

*Below:* Many of us will remember the times spent in Mrs. Johnson's office where we received help with a problem.

*Left:* What would our counselors have done without the help of their secretary Mrs. Bowler? *Above:* Mr. Ruby took on the added responsibility of department chairman during the '80-'81 school year.

## Counselors Are Special People

How can we ever look back on our high school days without remembering that one special person who was there to help us — our counselor? Each of us had different needs and each of us had that one person to whom we could go. As we think back to this year, we will each have our own experiences to remember. We will each have our own counselor to remember. Looking back, we'll realize just how important the counselors were to us.

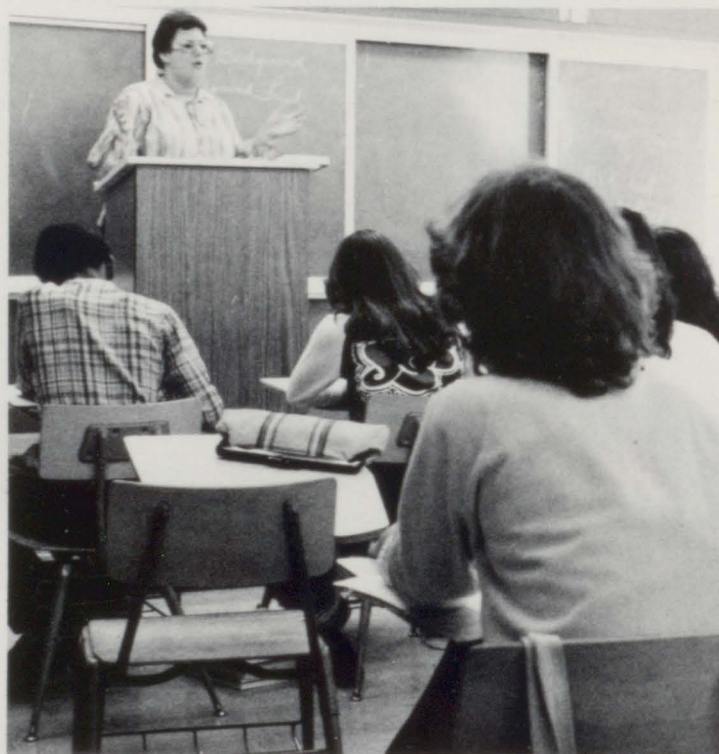

*Above:* Mr. DeHaven gives a bit of scheduling advice. *Below:* Mr. Baratta goes over a student record.

## West English Is Memorable

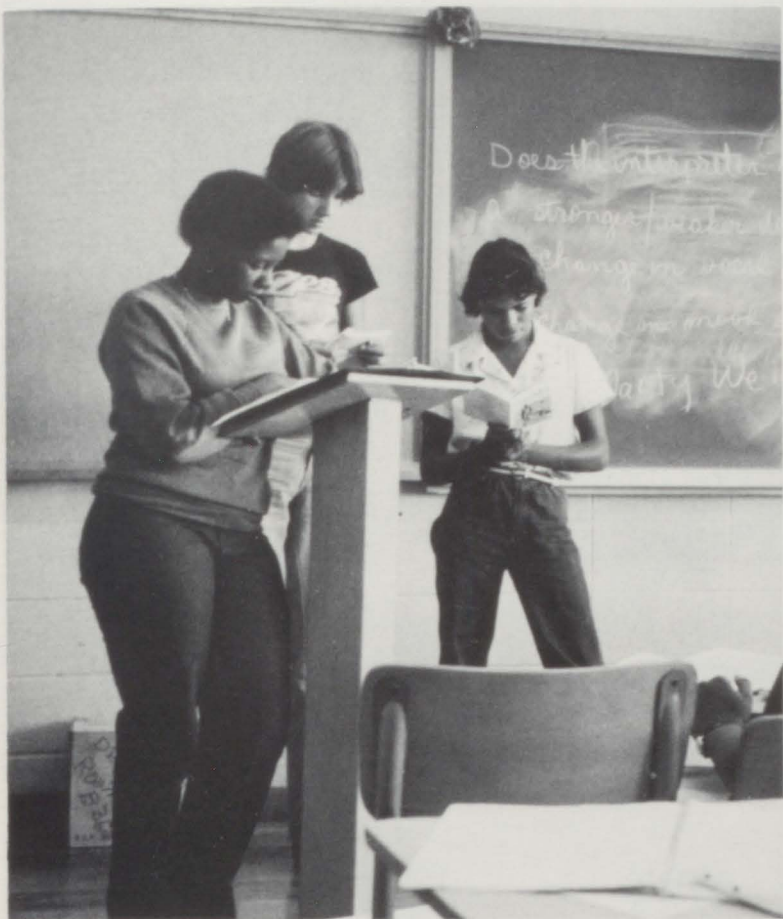

We'll never forget the changes that '81 brought to the English curriculum. All four years of academic English underwent "face lifting." Freshmen found themselves reading a variety of literature and studying grammar which included things those frosh never even knew existed! The year's sophomores and juniors won't soon forget heading for the library to work on those research papers. Seniors delved into British literature and, yes, headed to the library too! Those of us not in academic classes found ourselves reading a variety of books and stories and writing themes. Somehow, we each found our way through our individual courses and managed to learn at least a little bit more about our language. As we look back on our experiences in West's English department, we might remember a particular teacher or class, but mostly we will remember how we worked and succeeded in learning how to read critically and how to write effectively.

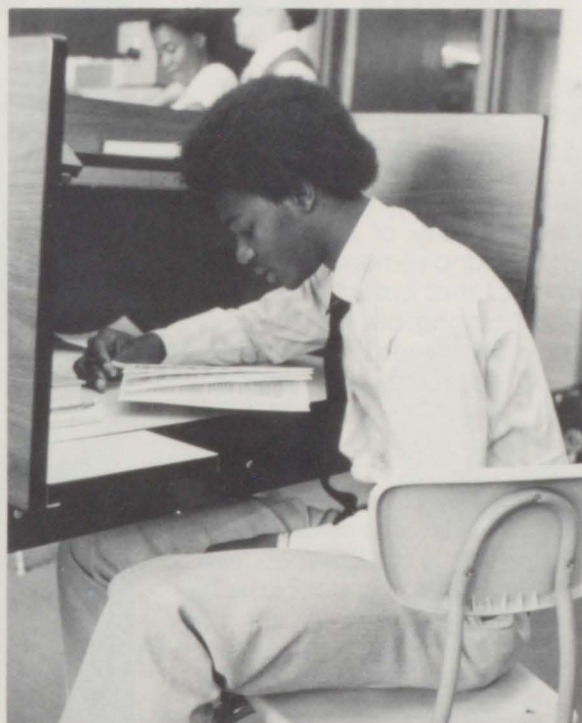

Above: Miss Phillips lectures to a sophomore academic class. Right: Miss Lynch, new to West this year, works with some of her students in the reading lab.

Left: Mrs. Lemons is a familiar face to many of us who have worked on reading skills in the reading center. Below: Students in Mrs. Boyer's class work on oral interpretation.

Above: Standing from left to right, freshmen Merrilllee Rodriguez, Art St. Amand, Theresa Parilla, Nadine Davis, Christy Lombardi, and

Sue Bay form a "theme folder line-up" as they wait for assistance from Mrs. Bosky.

## Home Ec. Gives Useful Skills

Each time we sit down at the sewing machine, or prepare a souffle, or just plan the household menu, we will be using those important skills learned in West's Home Economics department. Many of us will look back at 1981 and remember a particular project that brought us some recognition among our classmates. Others of us will remember most the first tea or luncheon which we prepared for teachers and parents who were kind enough to sample our efforts. Those of us who participated in the Child Care program will have special memories of our dealings with the little tots. When we look back on our home ec. classes, we will each remember something special, but most important, is the fact that we will have necessary and useful skills to get us through daily life.

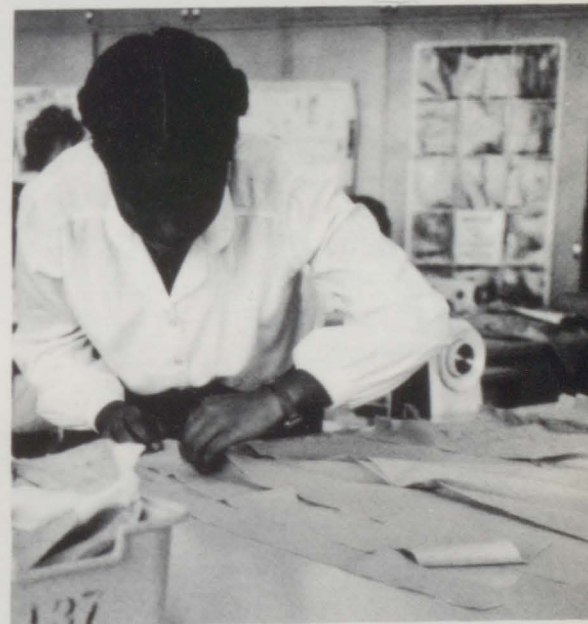

Above: For Eileen Barclay this photo will serve as a reminder of those hours spent over her home ec. project in sewing. Right: Learning the proper technique for sautéing is most useful.

Left: Is this West student preparing for a job as a chef or just planning ahead for his days as a bachelor doing his own cooking? Below: Mrs. O'Boyle gives a helping hand to one of the students in her Home Economics Related Occupations classes.

Left: This student seems to be enjoying her work at the sewing machine. Above: Taking sewing at West teaches you the proper procedure for cutting the material.

## Industrial Ed. Leaves Lasting Impressions

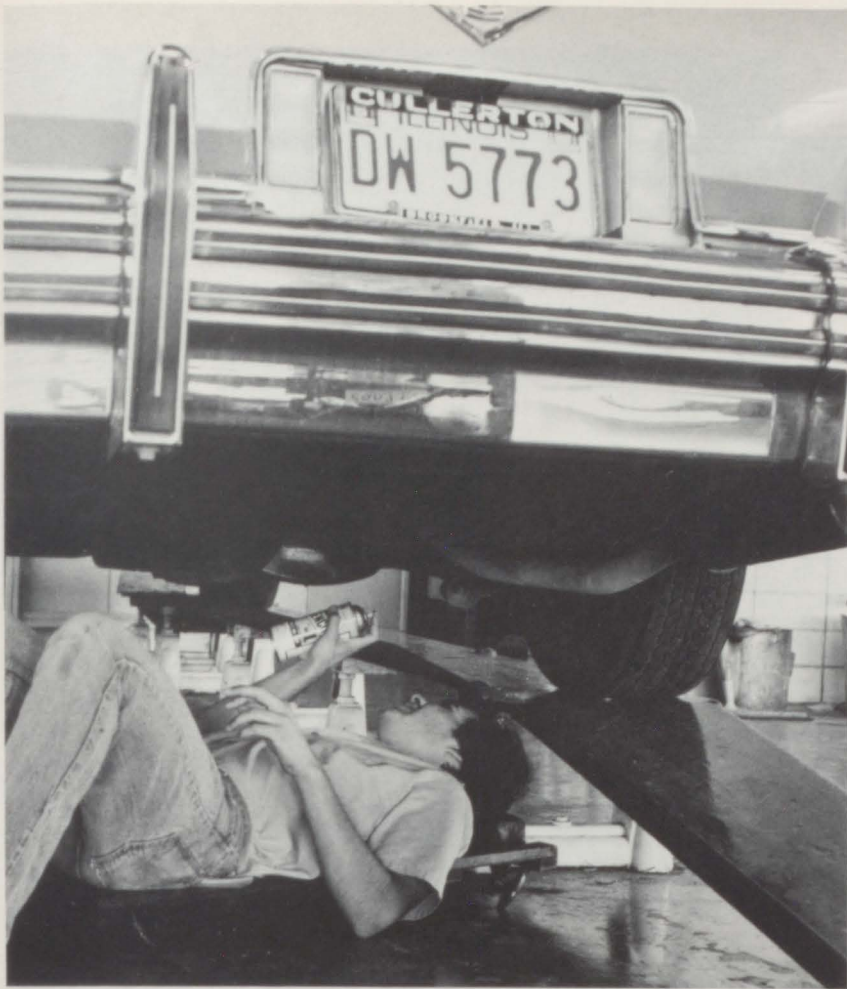

Remember the Auto Shop where juniors could spend two Proviso hours working on cars? Then there was Tech Drafting. Everything had to be just right. Perfection (or close to it) was what we all strived for. Electronics was valuable because after taking that class, we could understand the whole electronic world — almost! Printing was fun, especially when we got to work on something that seemed really important. In '81, E building was sure the place to be in order to be part of those industrial education memories.

*Below: Even girls can take Tech Drafting. Bottom: Printing is also important while drawing up a project in Drafting class.*

*Above: Cary Erfurth smooths a wood block.*

Above: Jason Blakley checks to see if his wood block is square.

## Languages Exercise Memory

While we may forget specific phrases learned in West's Language department, we won't soon forget the struggle to speak, write, and read in a language foreign to our own. Hearing a Spanish term, or seeing a French phrase on a printed page might bring back a flood of memories - a reminder of days gone by when we memorized lists of words in the hope of someday speaking fluently in French or Spanish or German. When we encounter languages other than English, we will be reminded of the thrill of understanding another language - the sense of pride at knowing what the teacher was saying when it wasn't even in English! For some of us, our studies in language will prove useful in our work or daily life. For others, the languages we learned at Proviso will simply become memories.

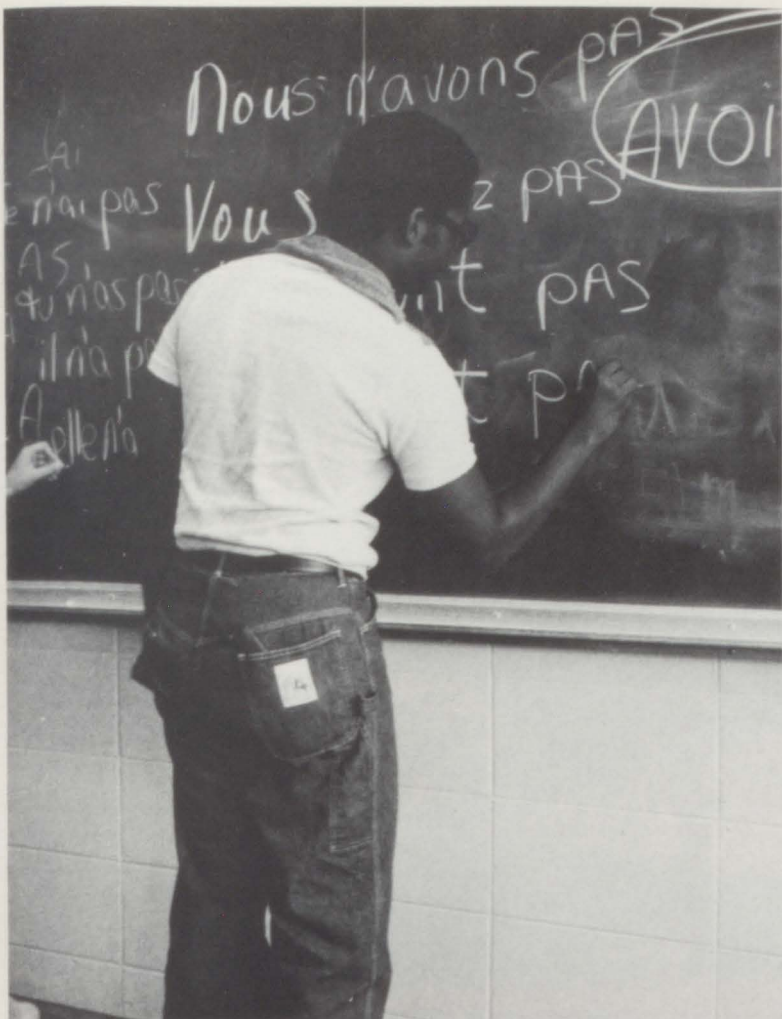

*Above:* Mr. Wallace shows what a French word looks like as he gives its pronunciation.

*Below:* Miss Kouimellis returns a Spanish paper to an anxious Jeannette Cardone.

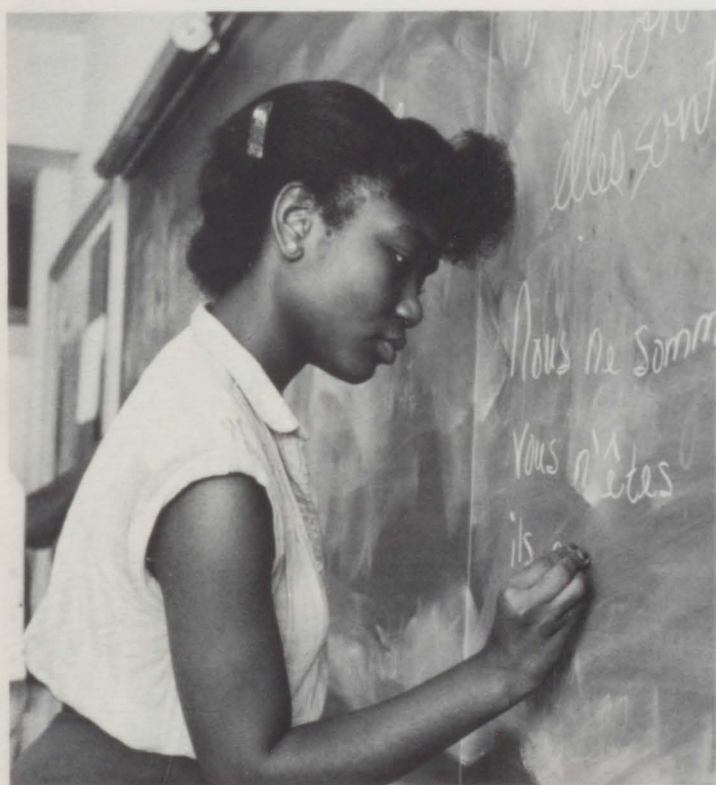

Left: Remember writing those French words on the board and pretending that you really did know what they meant? Below: There's always the inevitable test at the end of a unit.

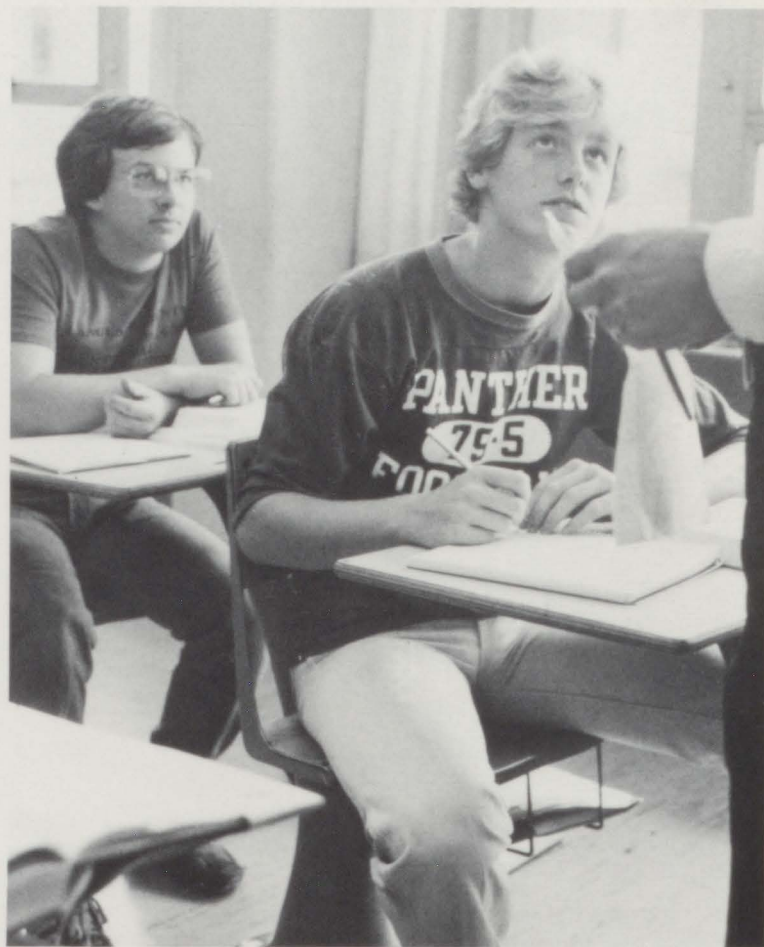

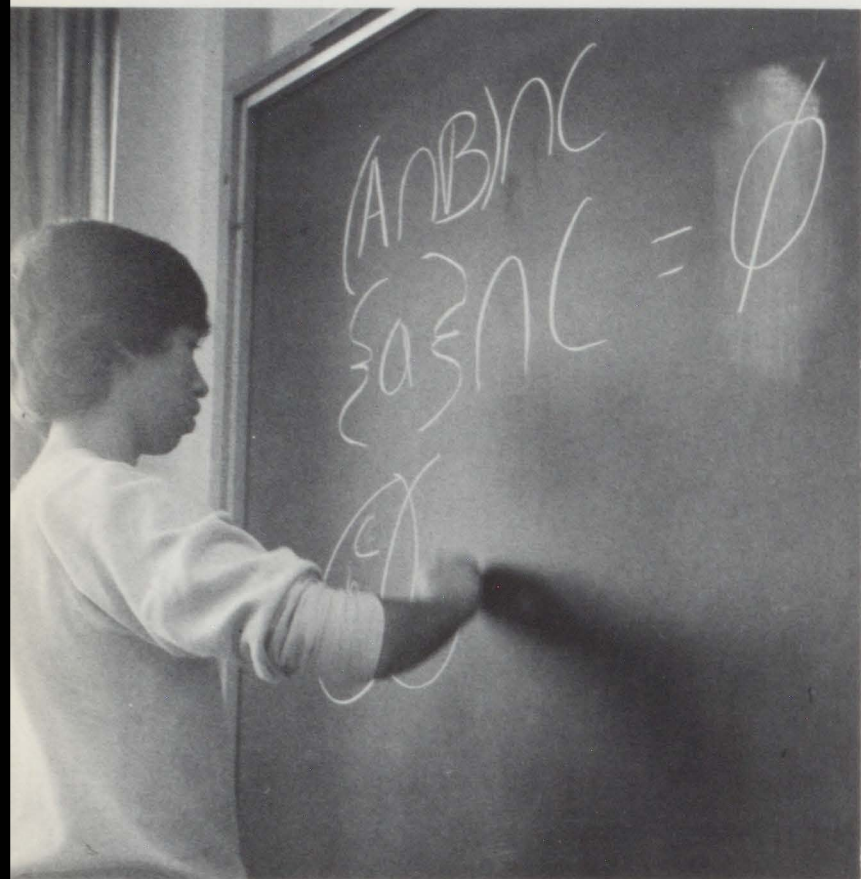

Below: Writing on the board is not only fun, but can also help others learn the language. Below Right: Knowing the correct translation during the exam brings a smile to your face.

Below: The answer is really in the problem itself!

Above: Butch Wallen and David Vrablic pay close attention to every word.

## Mathematics: Discovery Of The Answer

From Math "M" to College Algebra, Proviso's courses were full of numbers and formulas to keep her students busy for 4 years. Whether or not we majored in math, each of us took at least one year. Remember the geometrical paper assignments we had to make? And algebra was an experience in itself. By the end of a semester we had conquered new formulas or found new ways to arrive at the ever important ANSWER. Some of us will look back on fond memories of understanding the problems and finding the answers, while others of us will just remember the struggle as we depend on our electronic calculators to get us through life.

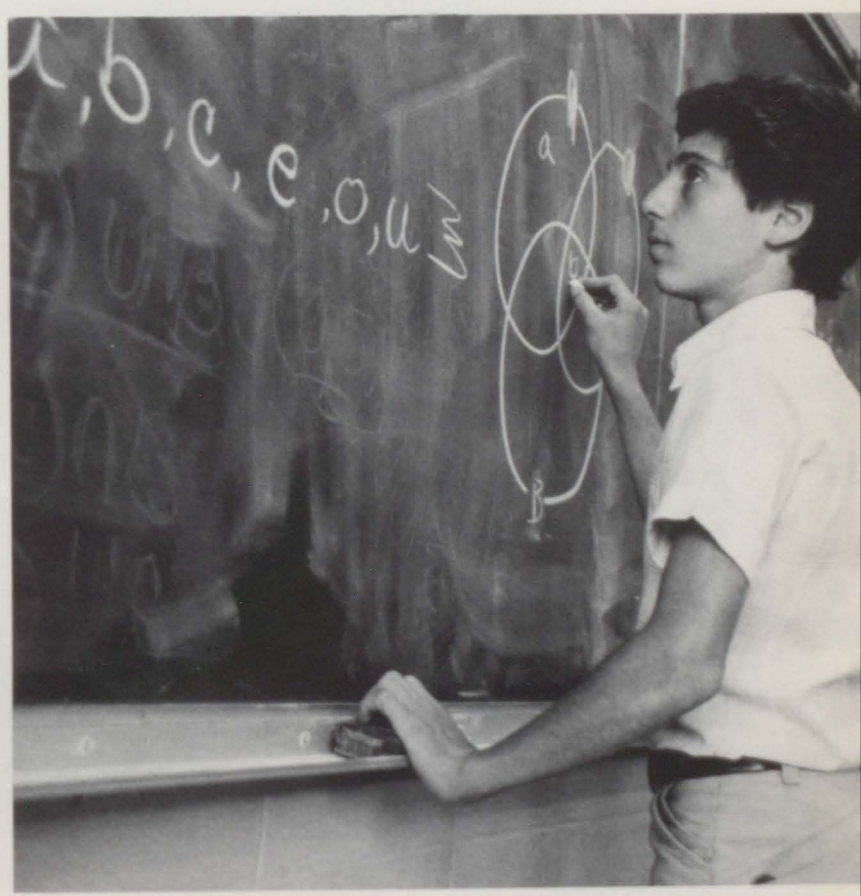

Above: After instructions the time to work appears.

Below: Mr. Coletta assists Tim Loest, while Julie Lechwar, Pat Meyer, and Manny Perales look on.

*Below:* The sweet sound of the violin can bring a tear to almost any eye.

*Above:* Mr. Kelly, Orchestra director for the '80-'81 school year, tunes a violin. *Below:* What would any band be without the clarinet section?

## Musical Memories Play On

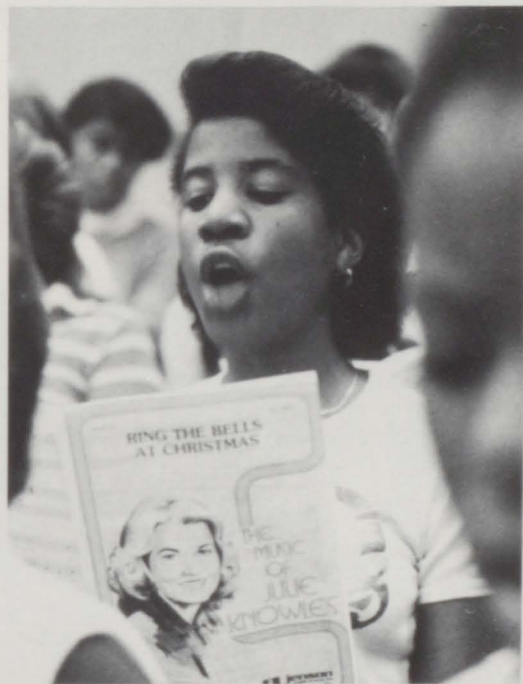

Music has always been known for its ability to pull memories from somewhere in the back of the mind, and West's music is no exception. The music made in West's band and choral rooms touched more than just the students who were involved in West's music program. Every time there was a sports event, or an assembly, or any other special occasion, you could count on some part of the music department to be there with song or instrumentals. Some of the students here during the '80-'81 school year will look back and remember their parts in the making of West's music. Others may not have participated directly, but they too will look back on this school year and remember some of the music that made it memorable. Music and memories certainly do go hand in hand.

Above: Derrick Flowers and Fred Young concentrate on the music as they play in the trumpet section. Right: Jodi Vergolias and Elleene Garvey add the flute voice to the total sound.

Above: Vinita Hopkins adds her part to the song "Ring the Bells At Christmas." Left: Mark Pacifico carefully plays the saxophone during an exuberant practice.

## Gym Leaves Memories Of Fun

Remember in '81 when gym class was so much fun? First hour gym would wake-up any student who had just crawled out of bed and into a first hour class. From archery to volleyball every student received his share of exercise. In '81 swimming once again became a requirement for all students, much to the dismay of Proviso's girls. Students also battled the cold of fall in order to play football or tennis. The Co-ed classes worked well together from softball to gymnastics. Remember power volleyball? What about speedaway? Remember playing basketball in the fieldhouse? The best game was when we played hockey on the fieldhouse balcony. Looking back on P.E. we'll remember the muscle aches as well as the enjoyment.

Above: Seniors found that carrying the equipment was part of the game. Below: Tennis is not all it's cracked up to be!

Above: Barb Koval shows 'em the fast pitch.

Above: Don't drop that ball!!! Below: Will she swing or wait for just the right pitch?

Below: Seniors find softball a powerful experience.

## Test Tubes Can Be Memorable

Looking back on Proviso's science department, we'll remember many things. From Biology to Zoology, from dissecting frogs to learning parts of the anatomy, that's what Proviso's science classes teach West students over the course of a year. Each September while walking through "C" 1st, students are reminded of freshman year's physical science and the burning wood splint experiment. Test tubes and beakers are only a part of the scientific discoveries developed over four years at Proviso West. Formulas must be memorized and chemicals are mixed. Careful eyes must watch every change or movement in order to correctly identify that strange substance.

## Remember The Sense Of Learning

Who could ever forget Social Studies? We learned everything from our history to how our inner mind works. In '81 social studies was still an important part of Proviso students' life. Geography taught us about the globe, while psychology told us the reasons for our responses. American history gave us a sense of heritage, while Civics gave us a sense of the present. Remember the blind walk from D 2nd to the fieldhouse, in order for us to feel the life of a blind person? Over the years, when we realize an awareness of history or understand a current situation, we'll think back to those carefree days when social studies meant a classroom and a textbook.

*Right: Keith Heinz, Frank Benes, and Rich Bicek work the film equipment.*

Above: Terry Buzzard and Manny Perales purchase "crisp, clean, and clear" copies of an assignment.

## The Library Was A Haven

As we look back on our high school years, one special place will most likely come to mind. The library was, for most of us, something of a haven, a place where we could think through an assignment or find extra information on a topic. The magazine rack provided us with current reading - a perfect escape from homework! Who will ever forget the book detector? Having it buzz as you passed through was a little tense! Study periods always seemed more pleasant when we spent them in the library. Next door to the library was the A-V room. For most of us, our memories of A-V will involve the movies and filmstrips we might have seen in classes. For those students in the CINE club, though, that A-V room holds other memories.

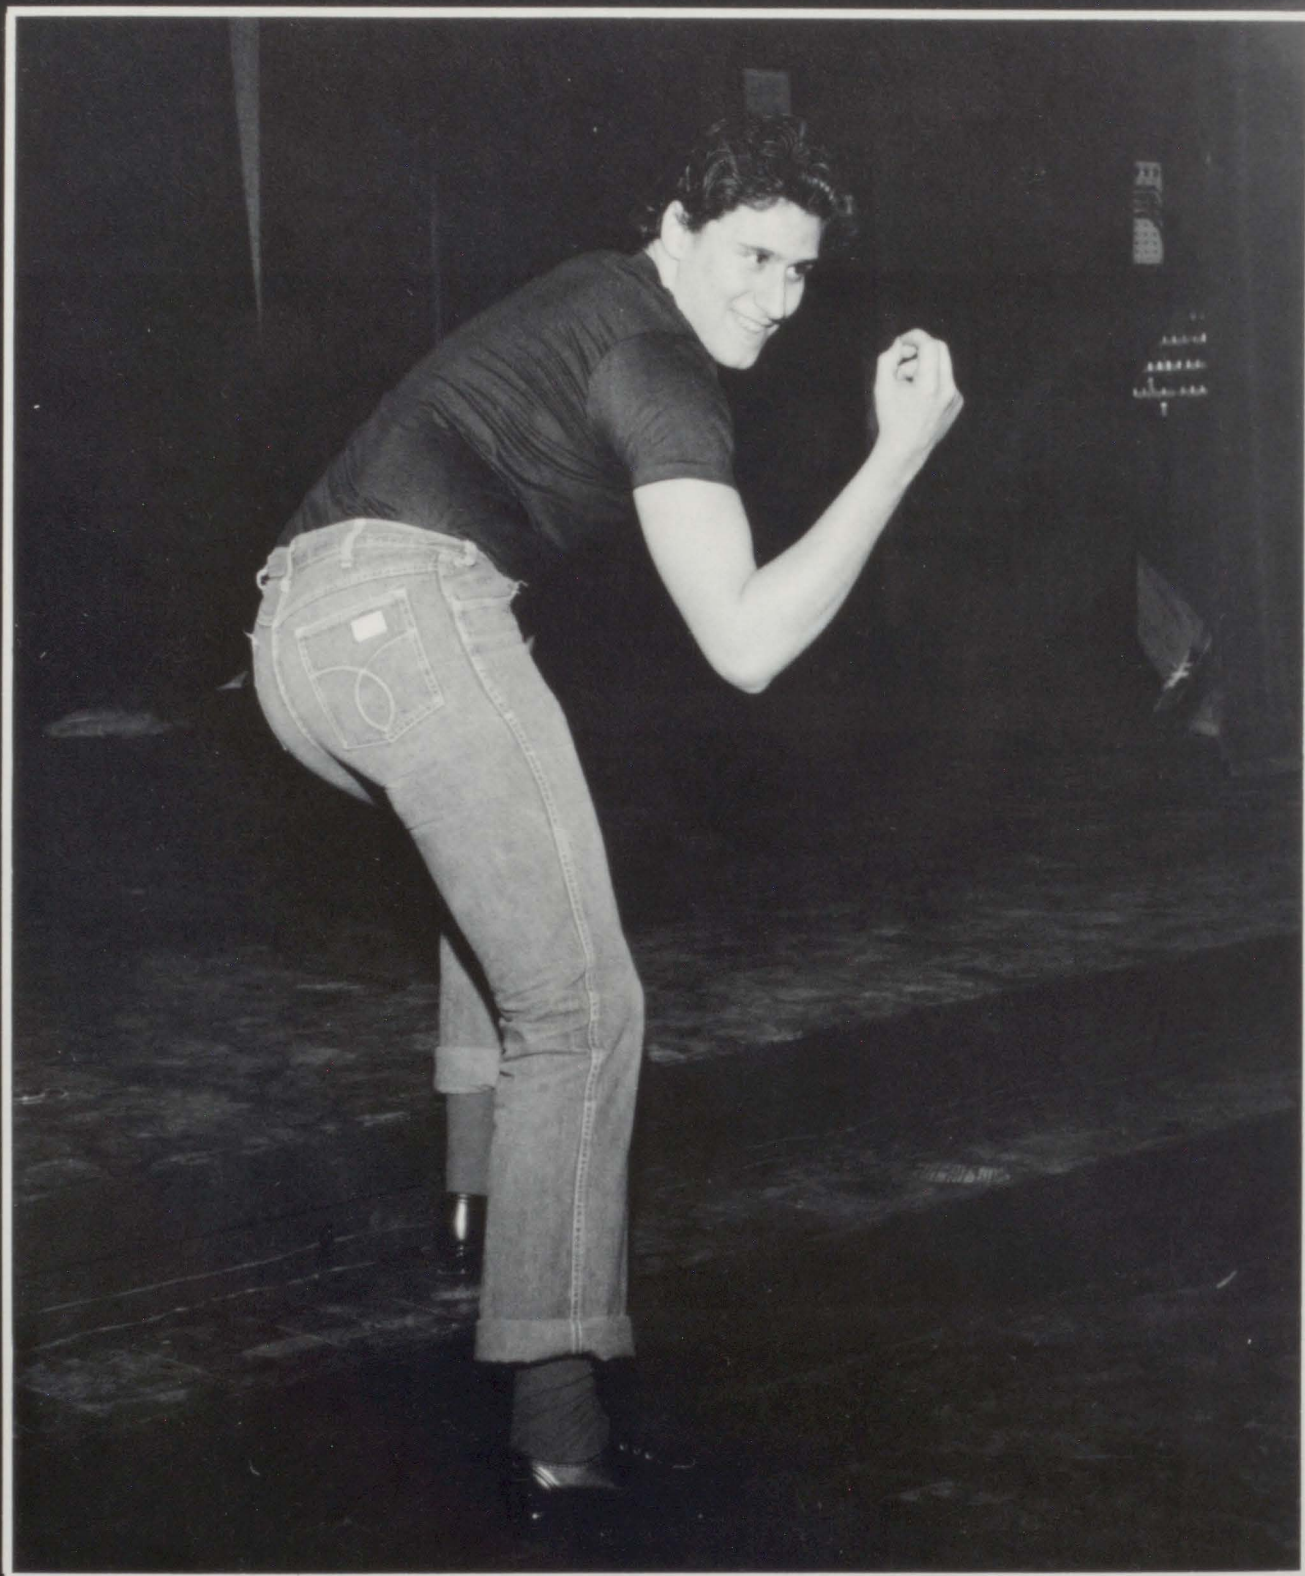

Above: Frank Benes finds use for one of A-V's many machines.

Above: A-V teaches these students many things about film repair.

## Variety Is Key For Student Council

Student Council had a very successful year at Proviso. The 80-81 school year started off with a car wash and bake sale. Student Council presented the 1980 Homecoming Dance "A Night on the Strip." Spirit Week was also a success for Student Council. Spirit Week consisted of bubble contests, licorice eating contests, and the race for the longest class chain. Student Council also sponsored their annual Turnabout Dance in February. This year has proven to be one of the most successful for Student Council.

## Key Club's Influence Grows

Key Club has increased membership to 45 this year. With the added enthusiasm and underclassmen, Key Club has increased its involvement. In the fall, the members held their annual car wash, bake sale, and performed the Homecoming skit. In the winter the club went to Loyola for Christmas, had a gym and swim, and renewed the "Anything Goes" contest between classes. The Spring found the club going to Peoria for convention and holding its new member induction banquet. With all the new members and all the officers being juniors, Key Club will continue to be an influential service organization at Proviso West.

## Mural Takes 2nd Place

The 1980-81 yearbook staff made great sacrifices of their time and effort to complete the chore of yearbooking. Though most of the staff did not meet during the school day because of mini-schedules, somehow we accomplished the 1980-81 MURAL. After a theme was chosen, the book was planned for different classes, groups, and student listings. Finally, at the end of February the staff was able to sit back with a sigh of relief and wait until that day in May when their self-satisfaction would reach its peak. During November of 1980 the results from New York came to Proviso that the 1979-80 MURAL "Beginning of a Decade" was a second place winning yearbook; what more could a staff ask for? Most of the staff are graduating seniors, so next year the staff may be smaller, but the spirit in C-313 will always be enormous.

## Profile Prints The Printable

Proviso West's *Profile* continued to cover all the news that was fit to print during the 80-81 school year. The popular classified ads section was resurrected in 80-81 and a strong feature section was maintained. Senior staff members helped to train a predominantly freshman staff to take over the reins of the *Profile* for the 81-82 school year. Staff members strove to win the Big Inch Award and hoped to land a spot at summer journalism camp.

## Flag & Rifle Show Great Enthusiasm

Determination, devotion, and dependability are just three of the characteristics that the Flag and Rifle Corps has maintained during its six years of existence. Its spectacular performance during football half time shows, parades, and even selected basketball half times justifies the Corps potential success in its future years. For the past two years, Linda Nelson-Captain, Cheryl Machacek-Co-Captain, Elouise Kouimelis-1st lieutenant, and Lourdes Martinez have led the Corps through these performances with the help of sponsor Mrs. Schmalholz.

# Madrigal Singers Are West's Best

The Madrigal Singers is a group of singers consisting of four sopranos, altos, tenors, and bass voices. They are taught songs for Christmas and Spring concerts from out of the Renaissance period. To even make it more authentic, the girls wear the long lacy gowns and veils and the guys wear the vest and knicker type pants. During the Christmas season, they perform in shopping malls, libraries, at women's associations and various hospitals. They compete down State every spring with Madrigal groups from all over Illinois. In spring they travel out of state with the Concert Choir and perform at an amusement park.

The Madrigal Ensemble is a small group of students who also learn Madrigal music. They do not, however, dress in the same fashion as the Madrigal Singers. They end the year with a spring concert.

## Panth'rettes March Proudly On State Street

The Panth'rettes started this year off more vigorously than the previous year. The Panth'rettes consist of 35 talented girls who preform during half times of football and basketball games. A highlight of the year was the State Street Parade performance. Cindy Bajner-Captain, Norine Martini-Co Captain, Tina Jones-1st Lieutenant, Patti Callas 1st Lieutenant, Eileen Carbognani-2nd Lieutenant, and Mrs. Erickson-Sponsor guided the Panth'rettes through another successful year.

## Winning Streak Ends In Disappointment

With an exceptional 12 game winning streak early in the season, the 1980 baseball season seemed destined toward victory. Not only were the Panthers rated #1, but also they were playing like champions. These early season fruits of victory suddenly went sour. The Panthers dropped into a losing streak at the time of a key injury to Steve Noti. As the season came to a close, the Panthers had compiled an overall record of 18 - 7 finishing fifth in the conference. Though the circumstances were tough, the Varsity Baseball Team certainly did not accept defeat without tremendous effort. Don Montgomery, the first Proviso West All Stater in baseball, batted .507, while Marty Evak was the second leading hitter with a .338 average. With 22 runs batted in, John Pullia was the R.B.I. leader. Mark Tortorice, Dan Zajac, and Steve Kapper were all excellent in their pitching performances.

## Talent Invades Soph Line-Up

Only talent can account for a league leading 8 runs per game, a team batting average of .330, and a stolen base record of 65 out of 73. The Panthers won their first 7 games including a victory over York, the conference champions, 8 to 6. A fourth place finish in the conference is certainly not a reflection of the team's talent and potential. Some of the outstanding pitchers included ace starters Steve Crowell and Bill Gianneschi, while Butch Wallen was the stopper in relief. Hitting stars included Brian Niccolai, Joe Tindall, and Sal Randazzo. Coach Sam Lima did an excellent job in working with this talented group of athletes.

## Conference Devours Panthers

Not only were there seven returning lettermen, but also there was much more depth in the underclass members of the varsity gymnastics team. Floor exercise expert, Sam Rinaldi, placed first against Hinsdale Central, while Don Pojman did a steady job in the all around position. Paul Leahy was the MVP and nearly went to the sectional meet. The Panthers' season finish of 2-8 could be due to the many all-state opponents they had to compete against.

## Gymnasts Battle Inexperience

Inexperience held the key to success in the gymnastics line-up. Coach Read had his hands full with such an inexperienced and improving team. The Panther team consisted of only three sophomores and the rest freshmen. "This team did an outstanding job with so many freshmen," stated Coach Read. Even though the 7th place conference finish seemed without hope, the improvement of the freshmen was certainly a progressive mark for next year's season.

## State Qualifier Highlights Panther Season

According to Coach Braucher, this was the "best season record since joining the West Suburban Conference in 1966." The varsity squad accomplished an overall record of 7-7. Rick Kanak was not only the most valuable senior, but also a state qualifier. Some of the season highlights include a first place finish in the Proviso East and Proviso West Invitational and a second place finish in the York District.

With both the second singles and first doubles team players seeded in the conference, the Frosh-Soph Tennis Team was headed for a new horizon. Proviso had never before had any players seeded. Danny Mazzolini, 2nd singles player, compiled a 12-4 record throughout the season, while Tom Minneci and Mike Wolownik, 1st doubles team, compiled an overall record of 13-3. Such performances were the key to a team total of 42 victorious matches.

## Relay Team Reaches State

Mark Maday, Chris Krob, John Pendola, and Scott Adkins made the State Finals in the 2 mile relay with a time of 7:55. Though the Varsity relay team's hopes finished short, their dedication never quivered. Two second place finishers in the Districts included Scott Zanoni in the shot-put with a distance of 52'4 1/2" and Dan Williams in the high-jump event with a height of 6'8". Setting a new school record, Vernon Taplin succeeded with a 45'8" triple jump with a total of 32 pts and a 6th place conference finish, the Varsity Track Team set some new levels of achievement for future years.

The Sophomore Track Team had a very successful year placing 2nd in the conference. Some of the outstanding athletes included Bob Border in the 100 and 60 yard dash, Frank Bener in the pole-vault, and Dan Williams in the high-jump. All were conference champions in their categories.

## Girls Finish 5th Down State

Though placing 4th in the conference, the Panthers excelled greatly during the districts to go down state. The 400 meter relay team, which included Sandra Fisher, Michelle Collins, Faune Neal, and Kathy Toler, placed 5th in the state meet, 1st in the district meet, and 2nd in the conference. Cathy Toler placed 7th down state in the 100 meter dash and 1st in the district and conference in the same event. Cathy was also selected as the most valuable member of the team. Considering the number of Freshman and Sophomore through-out the team, the Girls' Track Team had a very successful season.

Denise Pesce, a varsity team member, showed outstanding talent during the '80 season.

## J-V Dominates Second Place

Because of a last inning loss to Oak Park-River Forest, the Panthers landed in second position of the West Suburban Conference. Debbie Paetsch played successfully with a .750 batting average. Sue Hervert showed her talents behind the plate after she changed from shortstop. The J-V's finished the season with an overall record of 10-5. Had there not been such a rash of injuries, the Panthers might have dominated 1st place.

## Paleczny Selected For All State

Similar to many other sports titles, the decision for conference champions went down to the wire. The final game of the season against Oak Park ended in disappointment. Because of a questionable call on the referee's part, the Panthers suffered a 2-1 defeat on a penalty kick. With an overall record of 11-7-1, the Panthers finished a strong 2nd in the conference. Peter Paleczny was not only an all conference player, but also he was selected for the All State Team. Other all conference players included Bob Nidea, Rocky Cosentino, Steve Crowell, and Gary Long.

Seniors Dan Subach, Michael Harrold, and Mike Seno all displayed great athletic abilities on the playing field. The team in general was an outstanding, well-rounded ball club whose strength grew toward the end of the season. With many returning starters next year, the '81 season should prove to be prosperous.

## Sophs Battle Inexperience

While the Sophomores found it difficult to overcome their 5th place conference finish, they managed to finish respectably with an overall record of 10-6-2. Outstanding players like Brian Noyes as an offensive forward and Kevin Flowers as a defensive player helped the Panthers to 37 goals for the season compared to their opponents 22.

Apparently the Freshmen had no better luck in their debut as soccer players. Though the group was dedicated, they were not experienced. Jeff Noyes and Gorgan Lukic excelled throughout the season because of their experience as soccer players before joining the Panthers. "We had the smallest team ever since soccer has been established at Proviso West," stated Coach Skul. Basically, the Freshmen need to mature and grow with experience throughout the next few years.

## Varsity Clinch Championship

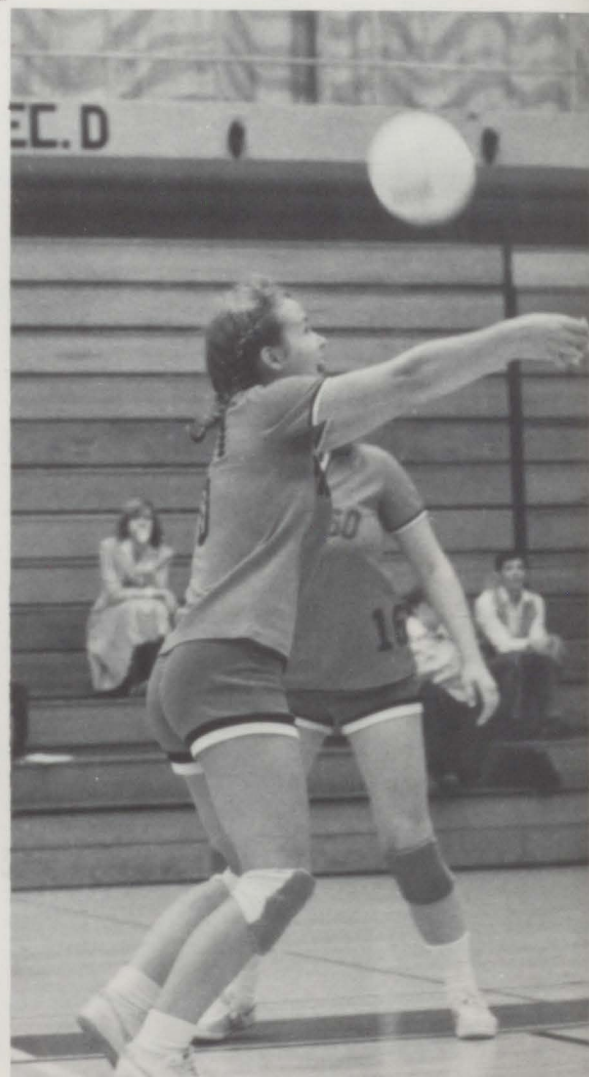

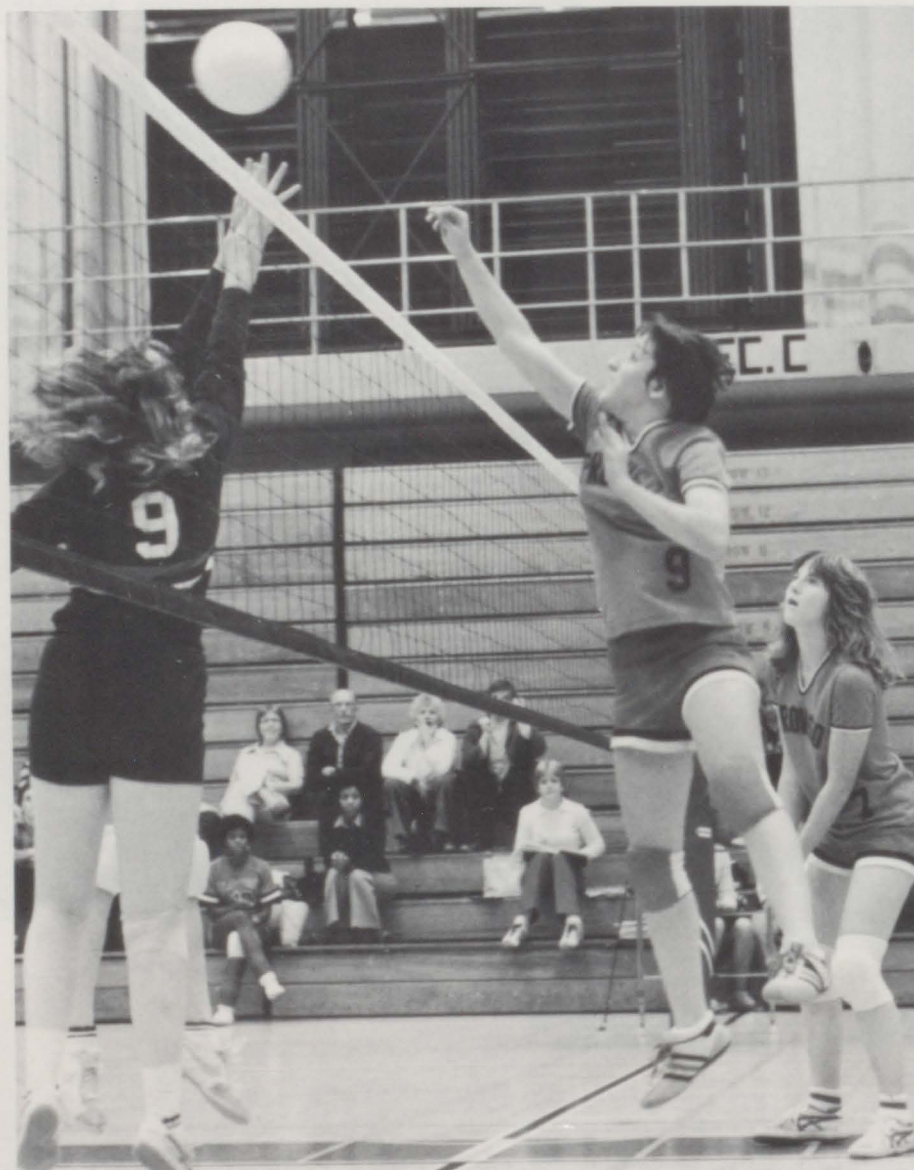

For the second consecutive year, the Varsity Girls' Volleyball Team clinched the district championship. An overall record of 21-8 could be accredited to Coach Martin's dedication and understanding. Denise Pesce and Kathy Bay were very strong in their spiking ability, while Lisa Burger and Mariann Le Donne played an outstanding role as setters. Other fine all-around athletes included Teresa Triplett, Cynthia Brown, and Shelly LaPearl.

The consistent performances of Karen Wagner, Lori Vecker, and Kim Griffin helped the J-V's to an overall record of 10-5.

## State Finals Elude Varsity

For only the second time in 8 years, the Panthers failed to qualify for the State Finals. Though an overall record of 2-6 seemed to hold little hope for the Panthers' goal, the Varsity Cross Country Team still managed to advance from the District Meet to the I.H.S.H. Sectional. As the season progressed Larry Pottle prove to be the most valuable runner.

## Winning Season: Unexpected Sight

With an overall record of 7-5, the girl's Swim Team met with an unexpected success. Ginger Boyce set a new school record in the 100 yard breast stroke with a time of 1:15.0. Ginger was also the J.V. conference champion in the same event. "We won five more meets this year and we only have one senior leaving," stated coach Tom Boyce; therefore, the swim team seems destined toward many more successful victories.

## Golfers Drive Flawless Season

"Anytime we can beat Hinsdale Central, Willowbrook, Downers Grove North, and York in golf, the team is doing a great job," stated Coach Tony Fioravanti. Considering the fact that there were a number of underclassmen in the lineup, the players did a very commendable job. The Panthers not only whipped Willowbrook, the Desplaines Valley League Champions, at the beginning of the season, but also they went on to become the West Suburban Conference champions.

Danny Erickson was the Conference Medalist in the Conference tournament, while Jim Schneider led the team with a 39 average score. The Most Valuable Player award was voted to Gary Lechelt who played outstandingly consistent throughout the season. Tony Noti was the only Proviso West State Qualifier. Other fine athletes included Dave McElhany. Coach Tony Fioravanti did an excellent job in forming such a potent group of athletes.

## Season Is Uneventful

In such a tennis oriented conference as the West Suburban Conference, keeping pace with the opponents is nothing less than a battle. The Girl's Tennis Team happens to be situated in a non-oriented tennis community. Though the season was rough, the Panthers fought their way to a 4-10 overall record. Michelle Tarullo and Laura Biagini, the number one doubles team, contributed greatly throughout the season's downfalls.

## Varsity Record Stuns Proviso

The Panthers not only beat Oak Park for the first time, but also they came from behind to beat both Proviso East and Belvidere. For the first time during the team's high school career at Proviso, they won more than 3 games in a season.

John Pullia, Ed Hedblom, Tom Schill, Jeff Mussatto, and Dan Magrowski were all All-Conference players for the Panthers. Even though Ed Hedblom suffered an injury in the middle of the season, he was still voted as the team's MVP. The Panthers finished the season with a 5th place tie and an overall record of 5-4. Because Coach Gene Frantz played several juniors during the season, he should have a commendable nucleus for next year.

## Panthers Defeat Downers With Seconds Left

With 50 seconds left in the Homecoming game, the Panthers defeated Downers Grove North 15-14 after Kevin Cooney scored both the touchdown and the 2 point conversion. The Sophomores not only contained the talent for exciting wins like this, but also they were very much improved over their Freshman season.

Some of the team's most outstanding players included Dan Schill, who was voted as the team's M.V.P., Darren Diaz, who rushed for 302 yards and 3 touch-downs, and Kevin Cooney, who rushed for 200 yards. Kevin Lowe, Tony Farrugio, Carl Young, and Derrick Holloway were also superb in their offensive and defensive achievements.

# Panthers Take 1st Conference Championship

Winning the West Suburban Conference Championship had to be the most outstanding highlight of the season. The Panthers, who are considered the best team in the school's history, captured the school's first Conference Championship with a 66-59 win over York and an overall record of 21-4. All-Stater Deon Crawford, with an average of 18.4 points, 14.4 rebounds, and 4 blocked shots per game, simply did it all this year. Andre Clanton, elected to the ALC-West Suburban Conference Team for the second year, averaged 14 points per game. Frank Jones, who improved greatly in all aspects of the game, averaged 16 points per game; while Ernest Bosby averaged 12.3. Tony (Sky) Tyler had to be the surprise prospect with an exceptional showing at the finish of the season.

## Ineligibility Hurts Squad

Though the Panthers were 1-10 at the midseason mark, they rolled to win 8 out of 9 after overcoming academic ineligibility problems. Zedrick Burrell as the MVP averaging 18 points and 8 rebounds per game. Renard Miller provided quickness at the guard position, while Freshman Tony Young was "chairman of the boards." These talented young athletes should prove to be valuable additions to the '82 Varsity squad.

Jackson, Dave Stilwell, Barney Gray, Bob Bretwisch, Rich Strathmann, Coach Shannon.

## Frosh Teams Place Second

With an outstanding supporting cast of Quint Jackson (MVP), Chris Hanna, Barney Gray, and Anthony Young, the Freshman A team ended the season in 2nd place with an overall record of 16-2. The two season losses were to 1st place Proviso East-in overtime at home and by 1 point away. The Freshman B team also finished in 2nd place behind a very tough Proviso East squad. Tracy Robinson, team leader in scoring and rebounding, Dino Cristafaro, Chris Pedersen, Deroy Pearson, and Terrance Woods all contributed to an 11-4 overall record.

Row Two: Larry Verfurth, Ron Provenzano, Brian Osinski, Chris Pedersen, Deroy Pearson, Allen Novak, Ron Raider, Scott Verhey, Coach Walter Sawasko.

# Team Effort Pays Off

Beating Niles West and Joliet East, which were ranked 2nd and 3rd in the state respectively, not only brought the potential champion-like play out of these girls, but also the dedication of such a team effort. While finishing the season with an overall record of 15-8, the Panthers placed a strong 3rd in the conference. Denise Pesce, strong rebounder, Teresa Triplett, MVP and excellent shooter; Kathy Bay, fine team rebounder and shooter; Laura Biagini, playmaker; and Robbin Purchas, highly competitive sophomore all helped the team with a comined effort.

The Junior-Varsity squad included five Freshman starters; therefore, a conference record of 10-6 is certainly a good indication of the team's talent and potential. The team leader in rebounds was Tracy Branch with 16 per game.

## Hockey Team Talent Varies

Though the Panthers sported one of the best offensive lines in the conference, their team just could not get their scoring drive on track. Dan Zajac and Tim Soper, the talented front line, not only had a great desire to form a winning team, but also they qualified for the conference all-star team. While acting as the team enforcer, Dan Schmieder always had an extra hit for his opponent. Mike Schmieder was also a highly competitive hustler who never gave up his spirits during the game. Other outstanding members of the team included Joe Trezzo, a fine team quarterback with great insight of his player's positions; and Dave Krefft, a strong, hard-hitting defensive player. When compared to last year's season, the Proviso West Pacers proved to be a much improved group of athletes.

## Inexperience Hurts Matmen

"With only three Seniors wrestling on the squad, a team victory is almost impossible," stated Coach Joe Hendricks. Pete Papanikolaou, the MVP as a Junior, improved greatly with each meet. He not only placed 4th in the sectionals, but also he finished 2nd in the district tournament. Though an overall record of 2-10 seems uncompetitive, the fact that there will be 4 talented Juniors returning next season should help the Panthers' spirits tremendously. Some of the other fine wrestlers included Dave DeAngeles, and Matt Zaroni.

VARSITY WRESTLING. Jim Sogar, Pete Papanikolaou, Matt Zaroni, Delwin Wright, Ed Pierce, Joe Marella, Dave DeAngeles, Jeff Niedholdt, Jason Blankely, Pedro Gonzalez.

Toni Buzzard. Row Three: Maurice McKinney, Stan Spera, Vic Suero, Fabian Salas, Marvell Lowe.

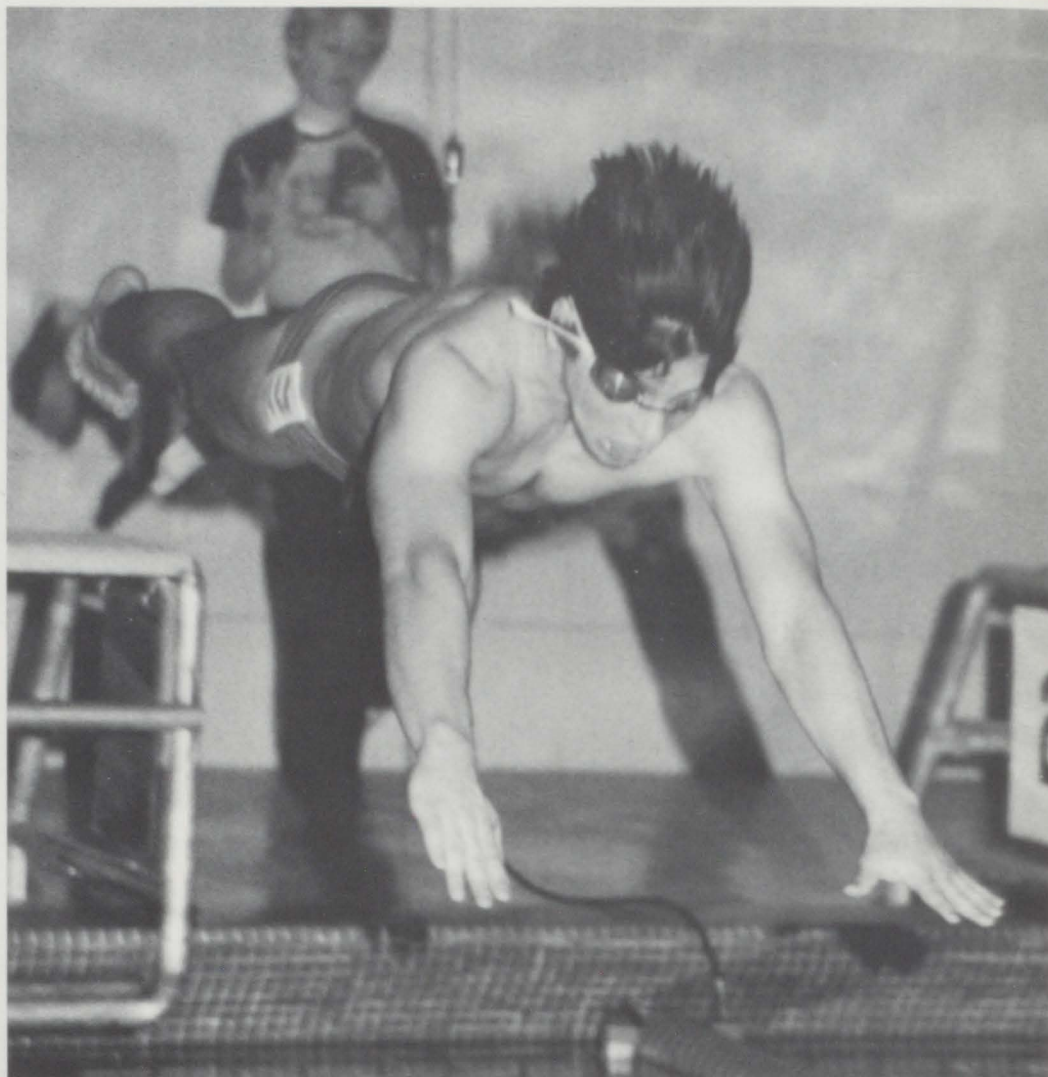

While taking a breather, Dave DeAngeles gets ready for the officials okay.

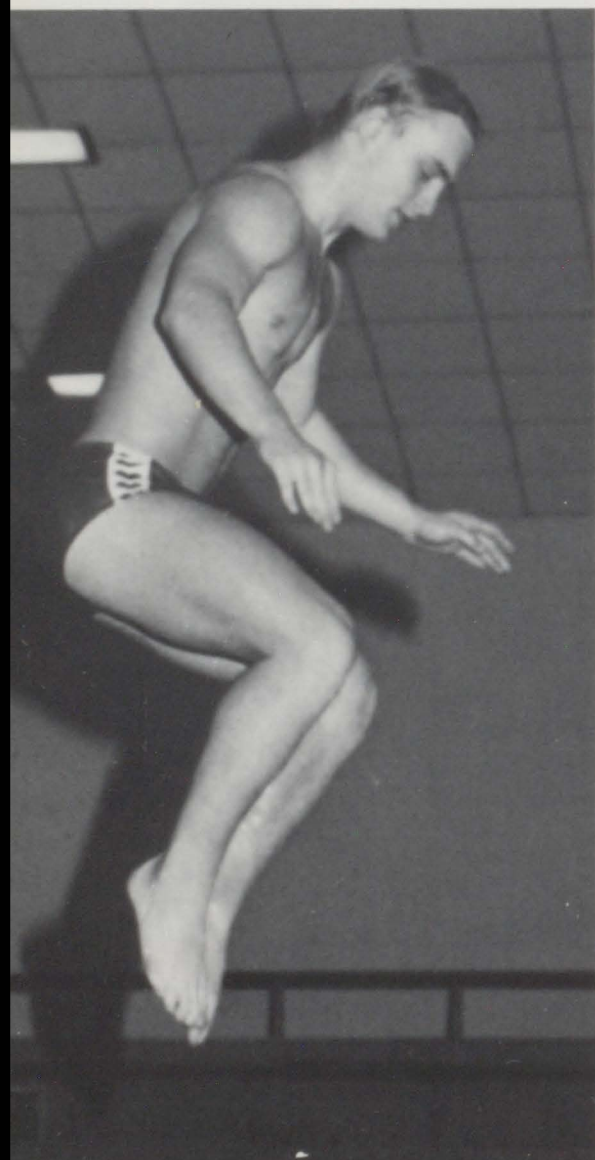

## Swim Teams Drive In

With only two Seniors, Jeff Mussatto and Dan Uting, on the Varsity squad, Coach Tom Boyce did a commendable job with such an inexperienced team. While placing 2nd in the district meet, the Panthers finished with an overall record of 6-6. Jeff Mussatto and Roger LaFaver placed to state, while Keith Boyce was the all-around swimmer. "The quality of Proviso's swimming program is on the rise," stated the Sophomore swimming coach Robert Ulichny. Victories over York and Downers Grove North brought the best out of this talented Sophomore group. Roger LaFaver was the Conference Champion and state qualifier for the 100 yard breaststroke. Other outstanding swimmers included Scott Voyda, Edwards Yanez, Ron Valinta, John Rurka, Don Faje, Tom Scrimmer, and Jim Pedersen. An overall record of 5-4 should improve next year as the team has many strong returning lettermen.

GIRLS' VARSITY GYMNASTICS. Row One: Julie Wagner Captain, Maria Ray, Joan Waters

Captain. Row Two: Geri Hyde, Judy Riley, Angie Marotto.

## Gymnasts Look Toward Future

Both the Varsity and Junior-Varsity levels contained some exceptional athletes this season. Maria Ray, who attained a high score of 8.3 for her floor exercise and 7.90 for the beam, qualified for the district meet with her fine performances. Junior-Varsity team member Dodie Leamy scored a season high of 6.8 on the beam and 7.8 on the floor exercise, while Julie Wagner reached a 7.6 score on the beam. Though the season was only partly successful record-wise, coach Ruffolo feels confident in the rapidly improving future.

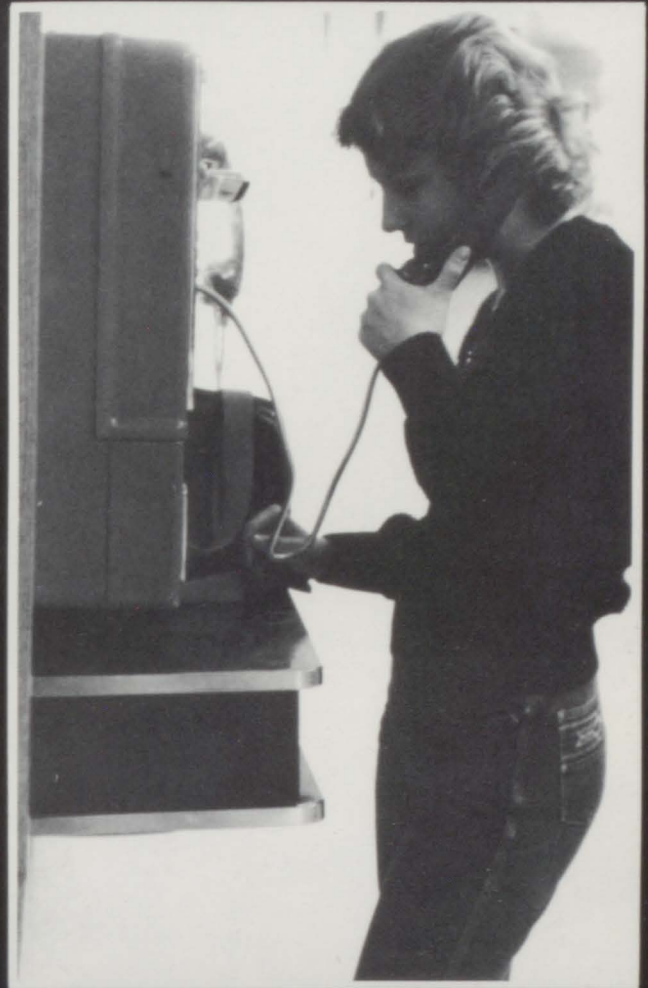

GIRLS JUNIOR VARSITY GYMNASTICS. Row One: Dodie Leamy-Captain, Nancy Gabriel, Maria Pasquale, Vicky Pojman-Captain. Row Two: Judy

Also new to his position this year is Mr. Lyne, who became West's assistant principal in charge of educational services. Mr. Lyne is a familiar face around West having been a counselor and chairman of the counseling department.

# We Start As Freshmen

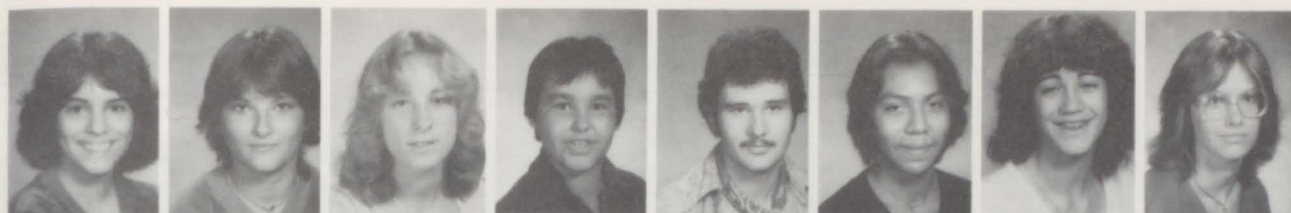

Freshman Year  
Begins the memories  
That will last  
A lifetime.  
Who will ever  
Forget that first  
Day at Proviso?  
The building seemed  
So big! And each  
One of us seemed  
So small in comparison.  
Our first introduction  
To West was the  
Crowded state of the  
Halls. Each class  
Seemed so new, and  
Sometimes so scary.  
But somehow, we  
Survived that first  
Day as all freshmen  
Do, and we went on  
From there, becoming  
Part of Proviso.  
And during that first  
Year, Proviso became  
A part of each of us.

# Sophomores Make Memories

Sophomore year  
Continues the process.  
By this point, each  
Student has gathered  
Certain memories, but  
There are more to be  
Made! There's always  
The fun of teasing  
The new freshmen.  
There are the car  
Washes, the assemblies,  
The float meetings,  
And Homecoming. The  
Classes get a little  
Tougher during the  
Second year, but the  
Sophomores can handle  
Anything - almost!  
Sophomore year adds  
To the memories of  
Our days at Proviso.  
As we get more and  
More involved in  
Activities, we  
Encounter more and  
More events that  
We'll never forget.

# Juniors Near The Finish

Junior year  
Begins the last  
Half of our time  
At Proviso. As  
Juniors, we pretty  
Much "know it all."  
We look ahead to  
The memories we will  
Make next year, but  
At the same time,  
We are making memories  
That will be with us  
Always. We start to  
Think seriously about  
What we're going to  
Do with our lives.  
We take the college  
Entrance tests - the  
PSAT, the SAT, and  
The ACT, and we eagerly  
Await the results.  
The float meetings are  
A riot. Most of us  
Have established our  
Friendships by now,  
Some of which will last  
A lifetime, and some  
Of which will be  
Forgotten in time. We  
Look forward to being  
Seniors, and we feel  
More strongly than  
Ever, how much a part  
Of Proviso we really are.

Top: Junior Bill Disomma listens to advice from Coach Hendricks. Middle Left: Elaine Decho keeps a steady hand on the canvas. Middle Right: Joe Tindall looks confident as he puts down his answers on an exam. Right: Juniors turned out to help with the class float.

And gone; we've made a  
Memory of ole '81;  
Remember all the fun  
And laughter?  
Another year —  
Another Proviso chapter.

# SENIORS

... After four long years  
Of waiting with fears,  
The senior class of '81  
Realized the time had come.  
We will remember the fun  
And all the good times,  
Long after we're gone.  
So long Proviso  
From the class of '81 ...

## Things We'll Never Forget . . .

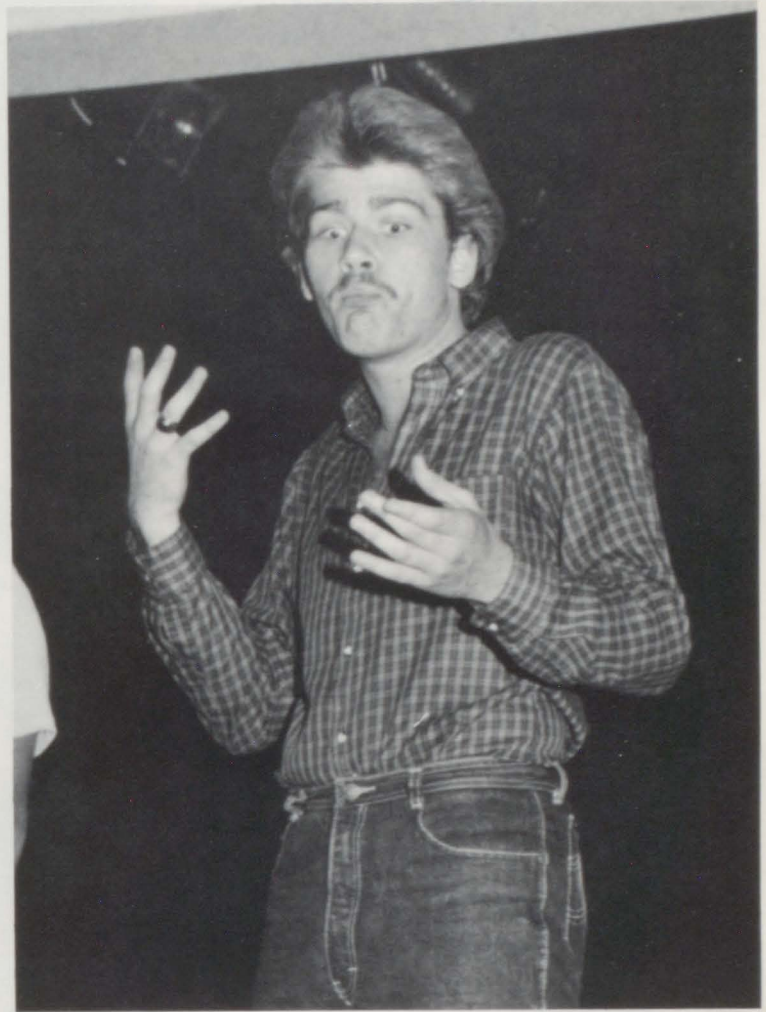

Homecoming: "A Night On The Strip"  
 The Queen Kara Volkmann  
 Our prize winning float "Fred Flintstone"  
 Taking Senior pictures  
 Finding a college and being accepted  
 The first Senior snowball fight  
 Hoping to pass gym and English  
 Our last Christmas at Old Proviso  
 Having reduced schedules like 1-4  
 Taking our last finals in January  
 Being the biggest kids at Proviso

Looking forward to Class Night  
 Dressing like a baby for the baby bounce  
 The long wait from January 'til June 3rd  
 Ordering Graduation announcements  
 Ordering caps and gowns  
 May 29th Prom: "The First Time"  
 Rehearsing in the heat of the gym  
 Finally receiving that long awaited DIPLOMA!  
 Celebrating all summer long!

## Seniors

As we say good-bye to West,  
We think about what we did best.  
Sometimes we lost;  
Sometimes we won,  
But through it all  
We had a lot of fun.

With diplomas in hand  
We bid farewell  
To this place we've come  
To know so well.

Wherever we go, a part of you,  
Proviso West, will go with us.

When all is said,  
When all is done,  
We'll remember Proviso;  
We'll remember the fun.

## Remembering 1981

Remember when 7up and WLS came to Proviso to announce we were the Team of the Week?

## Parting Words From the Editor . . . .

The Proviso West *Mural* is one of the few keepsake memories we, as students, have to look back on over the years. The theme of "Remembering 1981" is illustrated throughout the 1980-81 *Mural*. Many events occurred through the year which have left a mark on Proviso as a school. The most sorrowful was the loss of a great coach, as well as teacher, Mr. William Sutherland. He will remain in the hearts of many West students and faculty. We sympathize with our peers, Scot and Bill; we hope you understand that Proviso lost an irreplaceable friend. On the lighter side this year, West saw a conference champion basketball team for the first time in our history. Who will ever forget the dramatic return of our American hostages held captive in Iran? A special thanks to Mr. Steve Frances from the Cook County Sheriff's Police Department who so sweetly allowed me to use some camera equipment for some pictures for the 1981 *Mural*; how can I ever thank you enough? Also, thanks to Steph Neal for assisting with art work for the division pages. Finally to B.L., it's been a year to remember. On Behalf of the entire *Mural* staff, I would like to introduce Volume 21, the 1981 *Mural* "Remember 1981," and wish luck to all the graduating seniors.
