Generally Speaking

Proviso consists of many parts. Teachers, students, classes, school activities, dances, special guests, and sports are just some of the many different aspects of Proviso. Each one helps compose our school; each part helps make West the best! Many teachers contribute extra time to sponsor clubs or coach sports. Many students help contribute to the "rowdie" spirit with their contributions and their presence at games, dances, and assemblies. The spring return of a mother duck and her ducklings gave the people of West a much needed boost after a long winter. In her own way, that wild duck has made a contribution too. Proviso has a lot to offer, but it's the people that make the school work.

Below: The junior class gets into the spirit.

Rockin' Proviso

What makes West great? School spirit! The people of Proviso are faithful fans. Homecoming is a fine example of school and class spirit. This year, each class participated in the float competition and each class turned out to root for its float to win the competition. Proviso's fans don't give up, and this year our varsity football team really gave us a reason to keep the faith. What would West be without the spirit, without the rowdies who turn out for every game? It would be just another school!

Left: The Varsity cheerleaders do their thing.
Above: Varsity cheerleaders Sharon Gardener and Karen Michalec get the crowd yelling.

Classes of '81-'82

West offers many different classes for many different types of students.

There are classes for the academically inclined and classes for the business hopeful. There are classes for the future homemakers and for the future musicians. The choices are here waiting to be made. Each student can find his place if he looks hard enough. Many lasting friendships are made in the classes of West.

Unfortunately, many temporary friendships are made here too. The courses at West prepare us for the future, but once we leave these halls, those classes become part of the past for most a memorable past at that.

Above: Student Council members busy themselves on yet another project.

Above: Paul Montague hurries to another class.

Below Left: Kevin Wixted and two fellow classmates work on the junior float. Below: Tina Kulinski and Janice Macy make paper flowers for the senior float.

Above: The senior float took second place in competition.

Group Cooperation

If it weren't for the students working together, there wouldn't be any activities at West. It takes group effort and cooperation to get projects completed. There would be no Homecoming, Spirit Week, class competitions, prom, Turn-a-bout, or any other dances or social events without cooperation. The cooperation among the students of West was evident as each group prepared its parade entry for Homecoming. The all night float meeting was abolished, but the students accepted the change and gathered in the fieldhouse until midnight the Friday night before Homecoming to complete the floats. Not everyone can be a winner all the time, but if the effort and cooperation are there, the classes and clubs will never be called losers either.

Homecoming Day '81

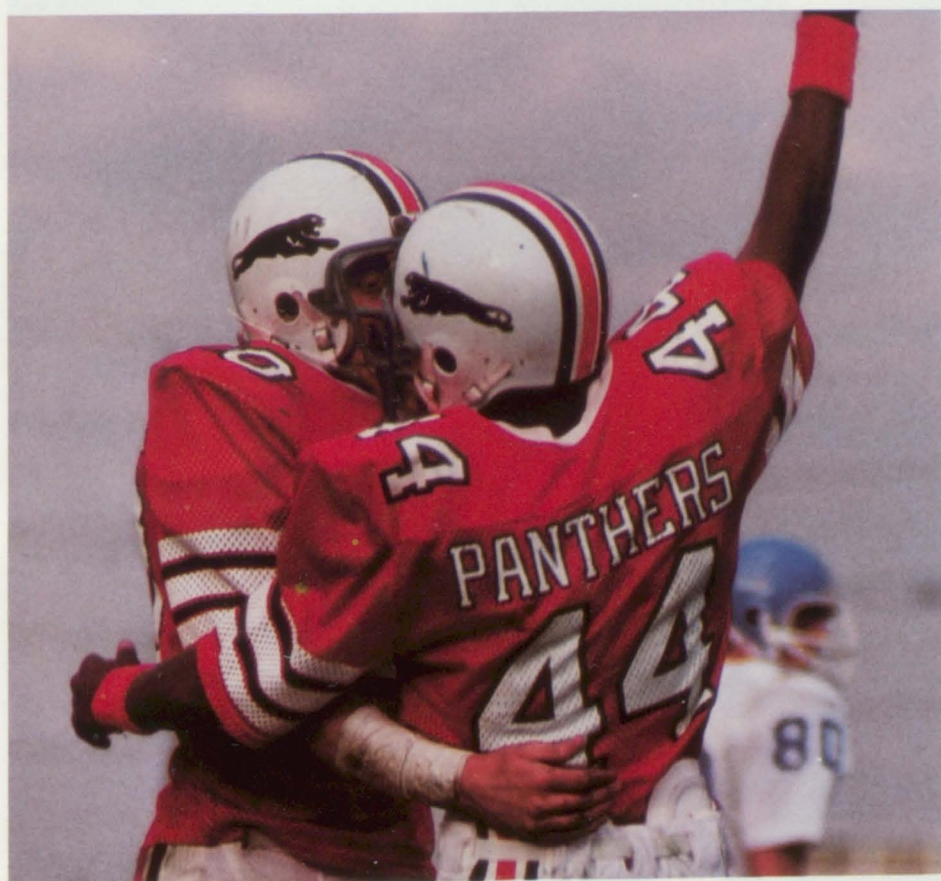

Homecoming 1981 was entitled "Ragtime Rendezvous," and Bonnie Calquhoun was queen for a year. The day proved to be very eventful, starting with the parade down St. Charles and Wolf Roads. Many groups and clubs joined in the parade fun with floats, banners, or cars. All preparations and float building took place Friday night in the fieldhouse. Homecoming Saturday turned out to be a fairly mild and luckily, rainless day. West's student body turned out to cheer on the varsity team to a victory over the Riverside-Brookfield Bulldogs. It was a memorable day to be sure.

Above: The 1981 Queen's Court honors went to Sharon Gardener, Tina Jones, Cindy Krob, and Lori Russo. Right: The '81 Rose Court was made up of Michelle LaPearl, Debbie Zajac, Luanne Drager, Jeanine Maryas, and Elaine Decho.

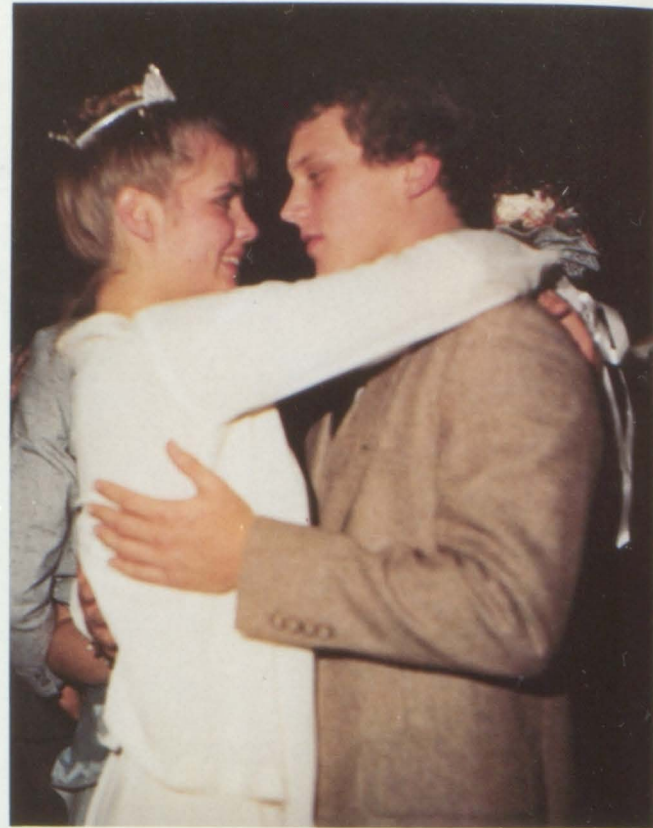

Below: Instead of "the agony of defeat," this year's Panthers found themselves sharing the "thrill of victory" several times throughout the season.

Ragtime Rendezvous

Saturday evening, October 10, 1981 marked another successful Homecoming dance at Proviso. The day proved to be a success with the parade and football game, and the evening was the finishing touch. A memorable moment came when last year's queen, Kara Volkmann crowned the 1981 Homecoming Queen, Bonnie Calquhoun. The hallway, foyer, and main gym were decorated according to this year's theme "Ragtime Rendezvous." Thanks to Student Council, Homecoming '81 will always be a pleasant memory for all who participated.

Below: Charlie Feehan looks grim during a home game. Right: Mark Tortorice, Karen Moore, and June Zylinski pose for a picture during a float meeting.

Proviso People

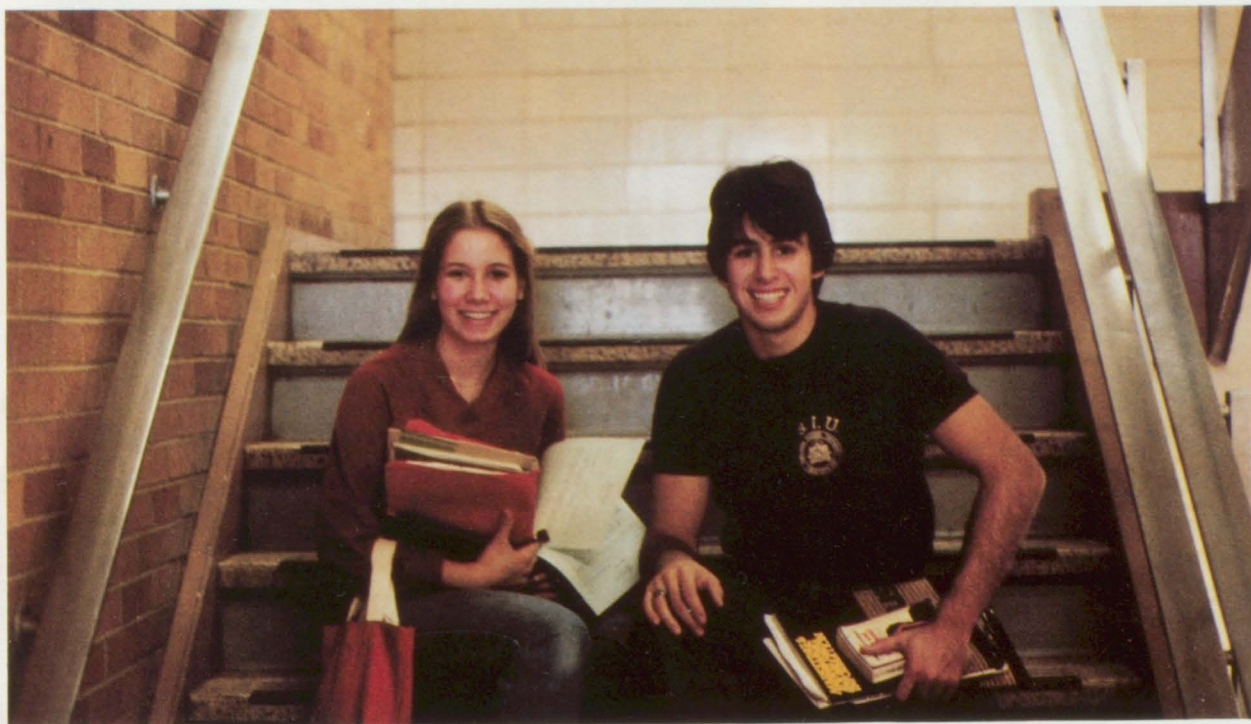

These are the people of Proviso West. Each is an individual with his or her own thoughts and ideas, yet each is an important part of West. Together these people are the true identity of Proviso. It takes people working together, thinking together, and having fun together to make a school. Cheering at home and away games, working on projects, taking part in spirit week and class competitions are all in a day's work for the people of Proviso. Our people make us Number One!

Left: Members of the Girls' Track Team gather for a Halloween picture. Below: Rachelle Frantz came up with an unusual idea for a costume.

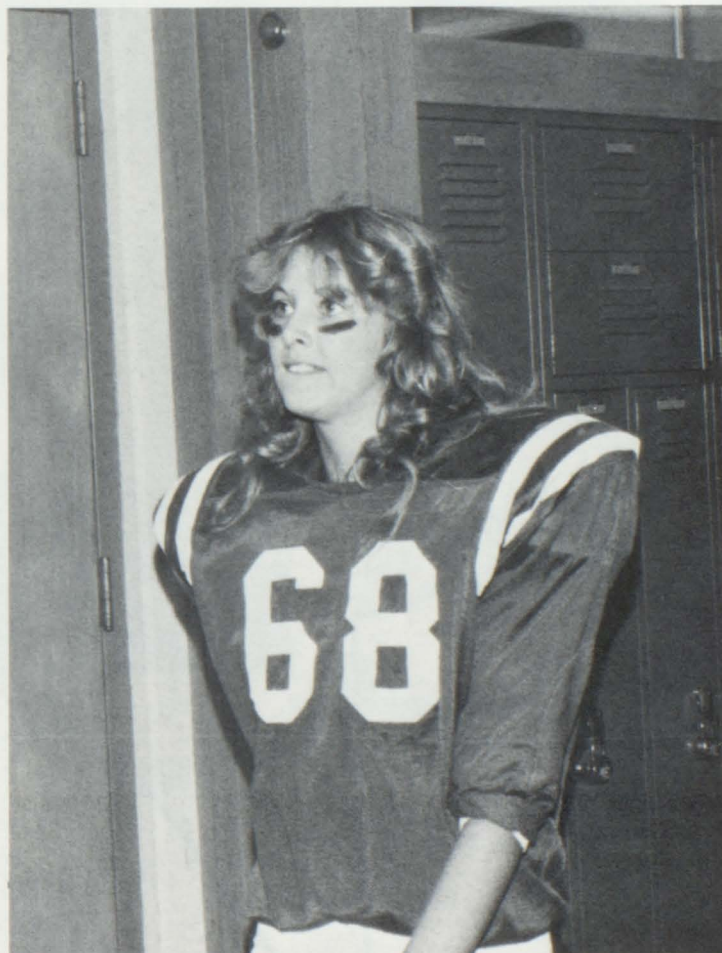

Halloween Spirit

Halloween is not just for little children as the people of Proviso prove here. Getting dressed up for Halloween is a tradition at West. The students showed their originality and creativity this year with many unusual and unique costumes. The junior-senior Halloween dance proved to be a huge success with most upperclassmen showing their spirit and craziness. This year's student body showed that the Halloween spirit lives on at Proviso West.

Art Provides West With That Touch Of Class

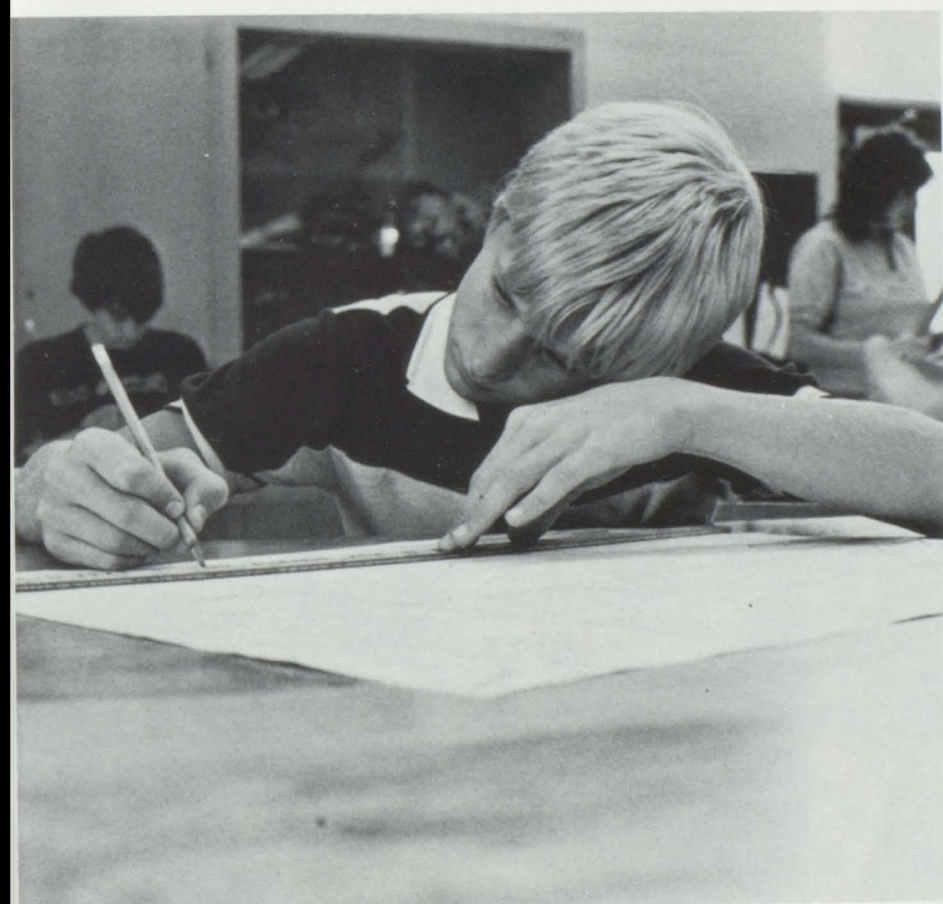

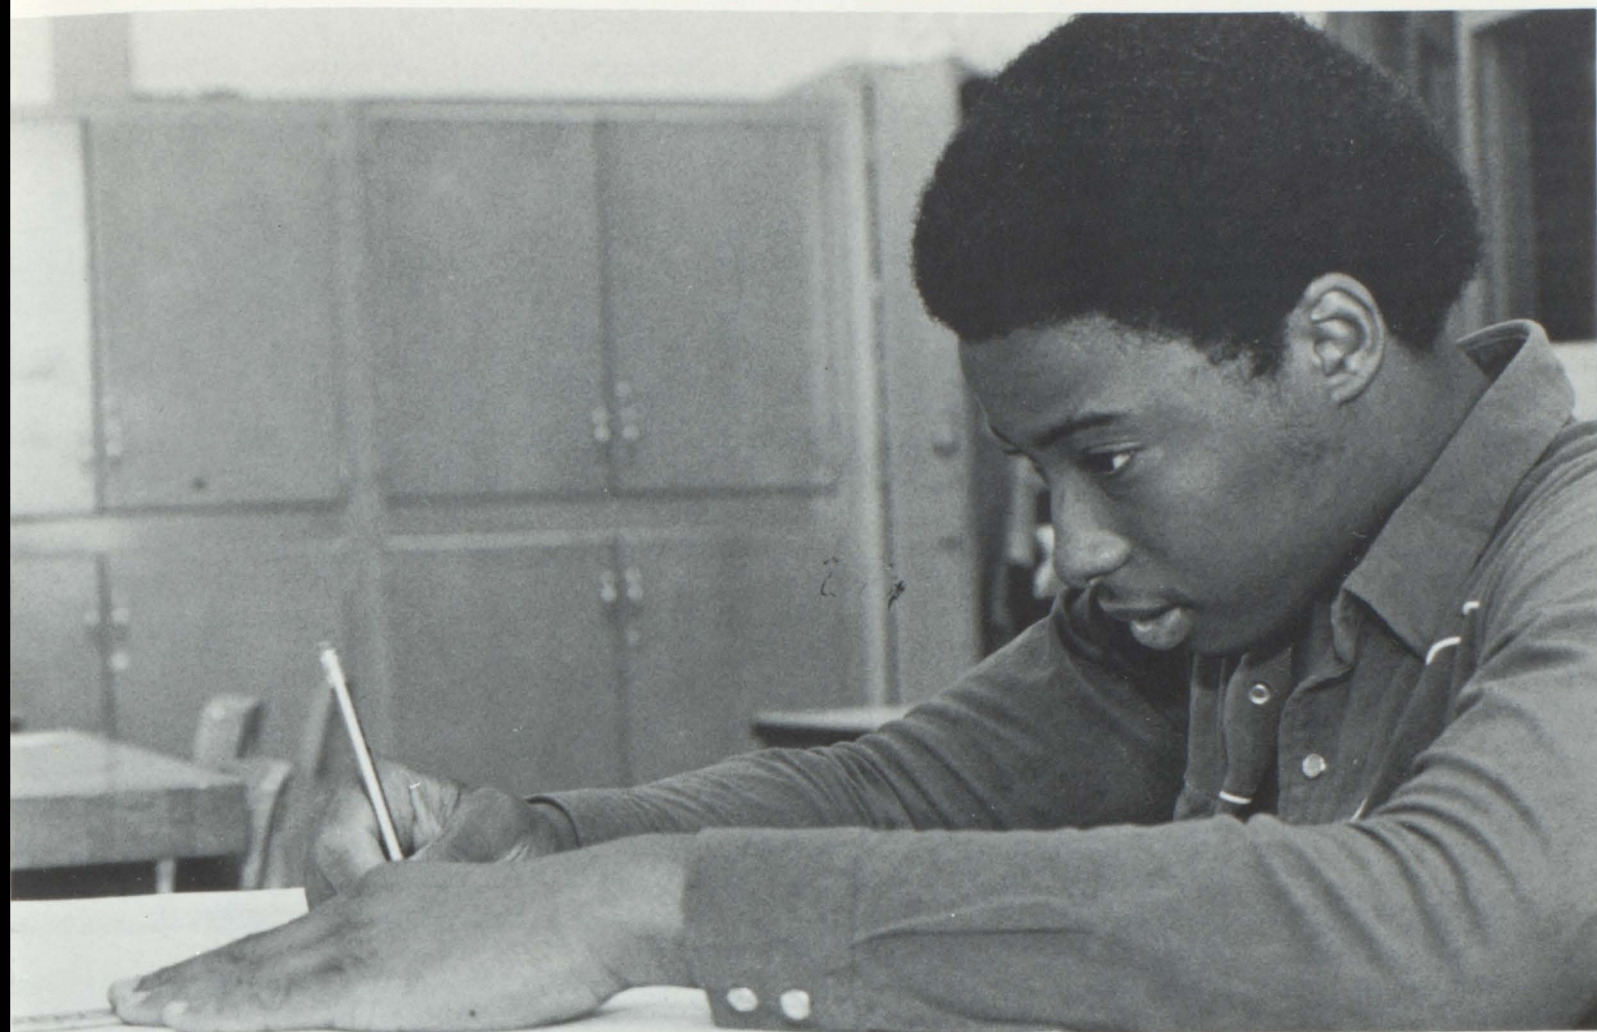

Right: Mr. Vaccaro oversees the drawing attempts of his art students. *Below:* Two drawing students concentrate on the paper in front of them.

Right: Which is more difficult - being the model in a life drawing class or being the artist trying to draw the model?

West's Art Department provides an outlet for creativity as well as providing an escape from daily scholastic problems. The serious art student can involve himself in any number of projects and artistic endeavors. This year's art offerings gave students a number of possibilities for creative expression. Students found themselves doing basic drawing, drawing perspectives, and drawing abstracts. On display around the building this year were works done in various mediums. For many of West's students, the Art Department provides that touch of class and gives an appreciation for the creative.

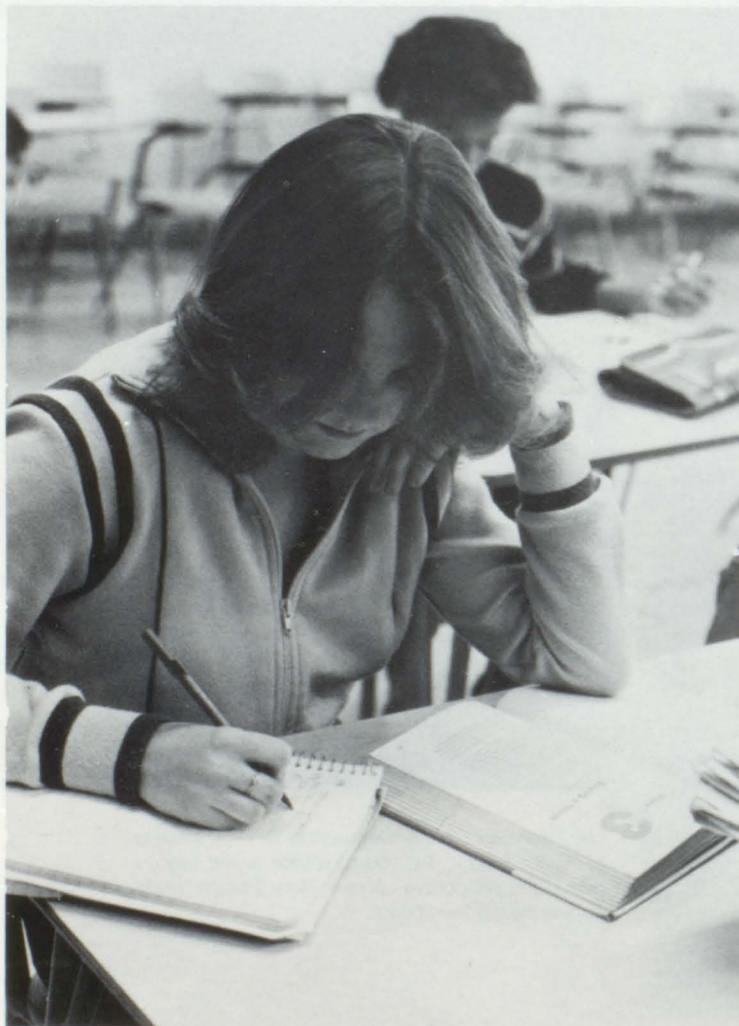

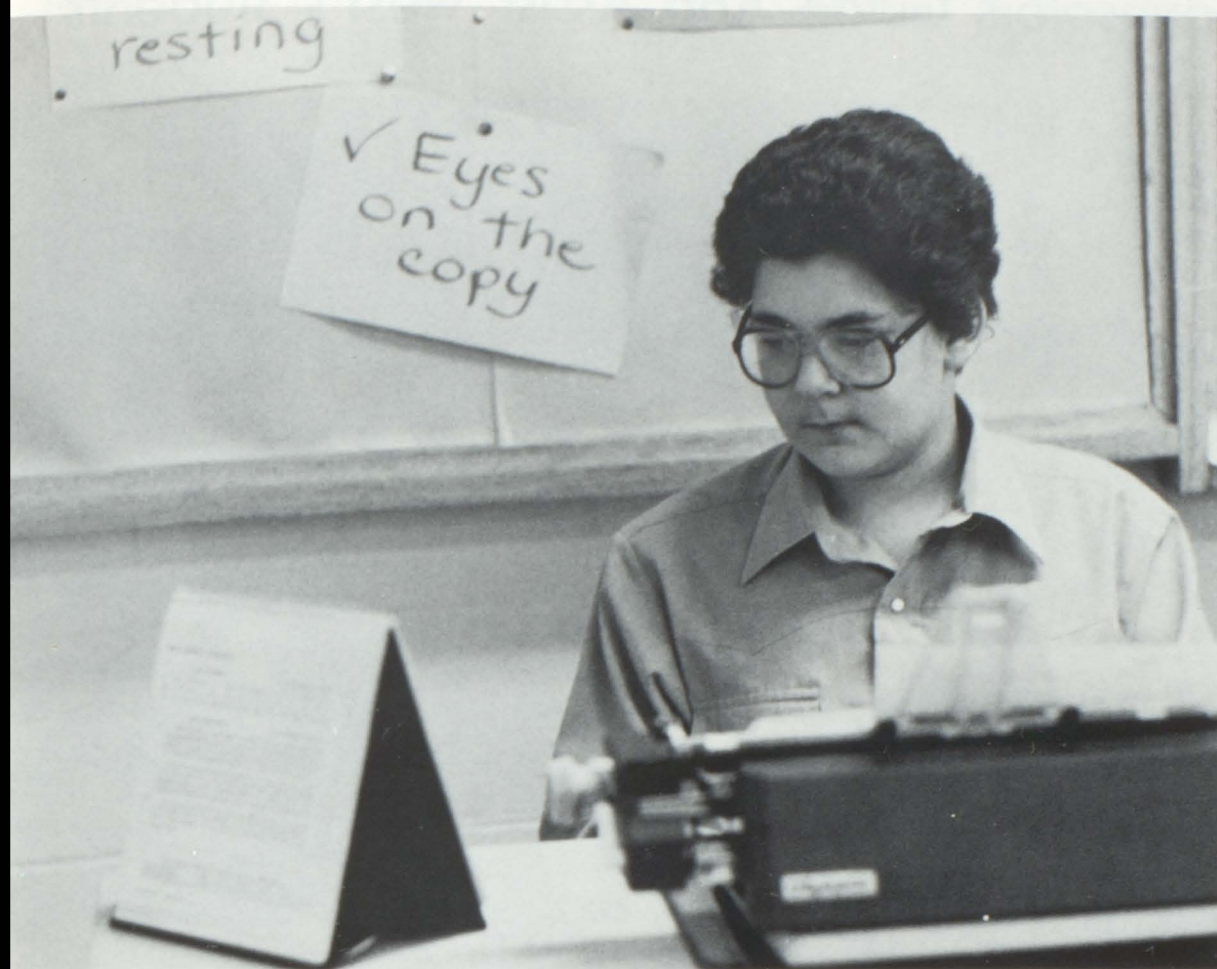

Left: Freshman Bob Lewis learns to draw in perspective in his Art I class. *Top:* Concentration is the key to drawing in perspective. *Above:* Mary Murphy works on sketching a live model.

Business Education Paves The Way To Future Jobs

West's Business Department offers many types of skills. Students who will someday find themselves in the business world can gather a great deal of knowledge about that world. In keeping with the times, the Business Department makes use of computers in the teaching of Data Processing. Students who may not end up in the business world still find valuable skills in West's business courses. Courses like Consumer's Education help each individual become more aware of what he might someday purchase and how to go about making the purchase wisely. Of course there's still typing which is an important skill for anyone to learn. Business Ed. again offered work/study programs like Office Education. Such programs enabled West students to learn skills on the job while earning a salary and, at the same time, gaining valuable experience.

Right: Learning to do key punch is a wise choice for a future job possibility. *Below:* Mary Carpetner ponders the possible snags involved in buying a house. Thanks to her Consumer's Ed. course, she will be a little wiser when she buys one for real. *Below Right:* Paul Montes does a "no-no" by taking his eyes off the copy as he returns the carriage.

A good typing student obeys the sign that tells him to keep his eyes on the copy so he will be able to increase his typing speed.

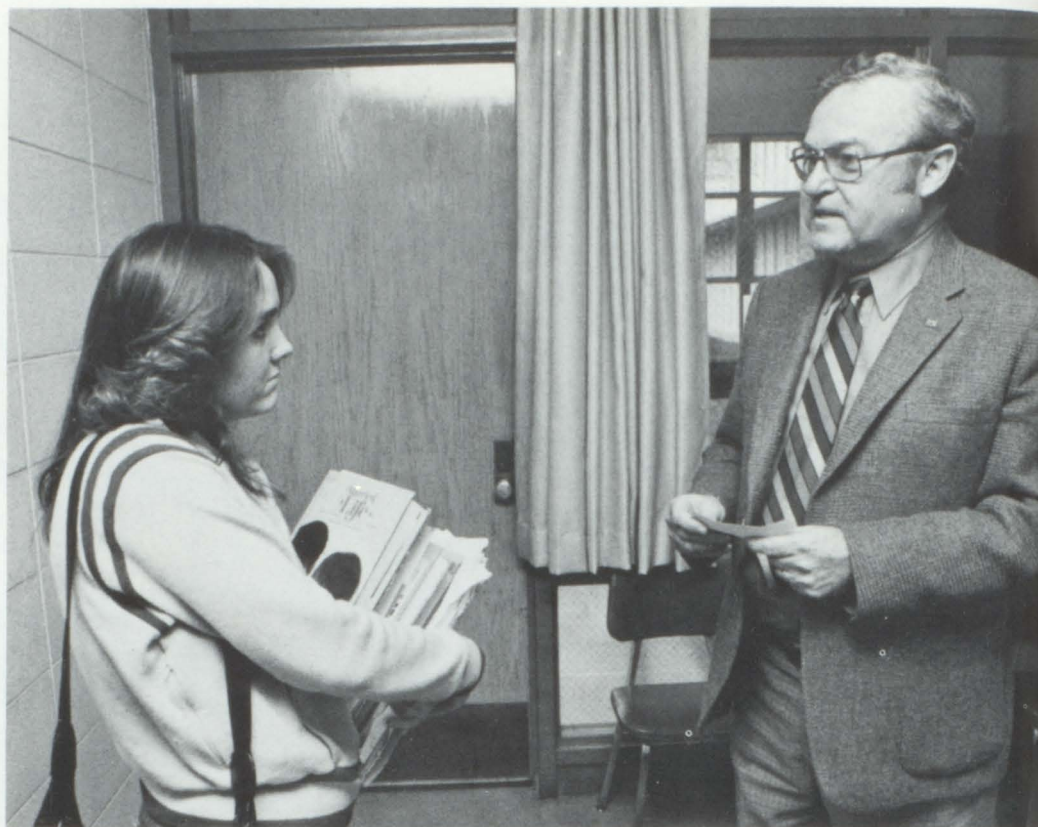

Data Processing is not only fun and interesting, but it also prepares the students for a possible future in computer work.

Counselors Guide And Assist West's Students

Due to staff reductions, the past few years have seen no new faces joining the counseling staff; and as a result, the current staff is one of experience. In addition to helping students iron out any class or study problems, the counselors also assist the students in scheduling their courses each semester. Besides making sure each West student was assigned to a particular counselor, the Guidance Department also made available college counseling and vocational counseling. Throughout the year, whenever a student needed help with a problem or found a snag in his schedule, he sought help in one of the two offices located on either side of the main office.

Right: Mary Carpenter seeks advice from counselor Mr. DeHaven who counseled both seniors and sophomores this year.

Above: Miss Lovasich helps a student work on her class schedule by checking to see which requirements the girl has already met.

Above: CVIS is a handy tool which provides information about specific occupations and professions. Students view information on the screen and also receive a computer printout for later use.

Below: Miss Hamilton helps iron out a schedule problem.

Above: Mr. Ruby offers a helpful suggestion to Jackie Dietrich.

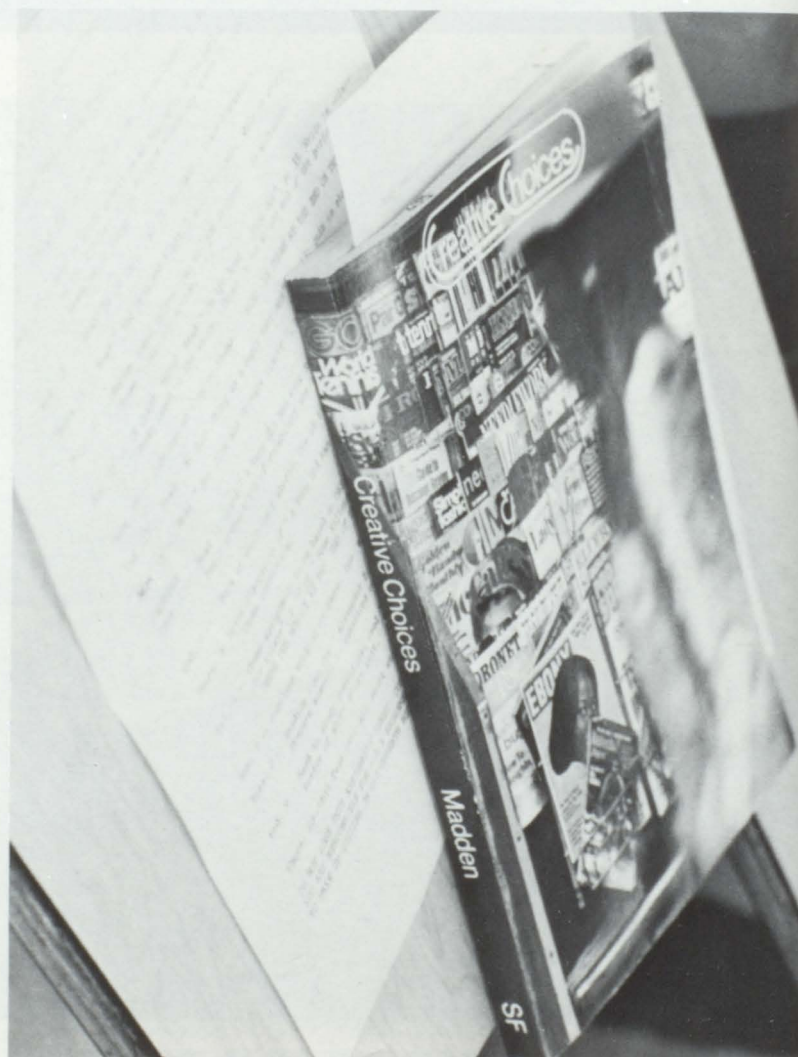

English Study Develops Reading And Writing Skills

The '81-'82 school year saw a continued emphasis on basic skills in English. Throughout the English Department, students could be found working on various writing assignments. While the academic juniors and seniors could be found struggling with documented papers, inductive reasoning, and literary criticism, the comprehensive freshmen and sophomores worked on perfecting their letter writing form among other things.

Various types of literature kept the attention of West's English students. Depending on the courses they took, students were exposed to British authors like Shakespeare and Milton, American authors like Hawthorne and Poe, or Modern authors like Hemingway or Steinbeck.

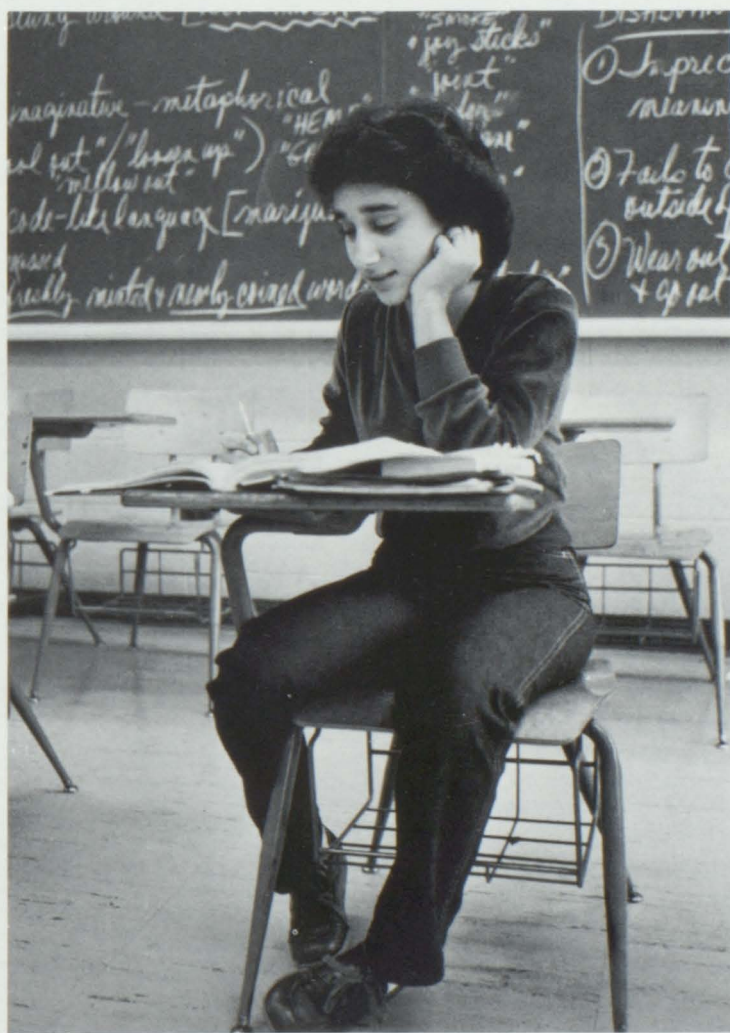

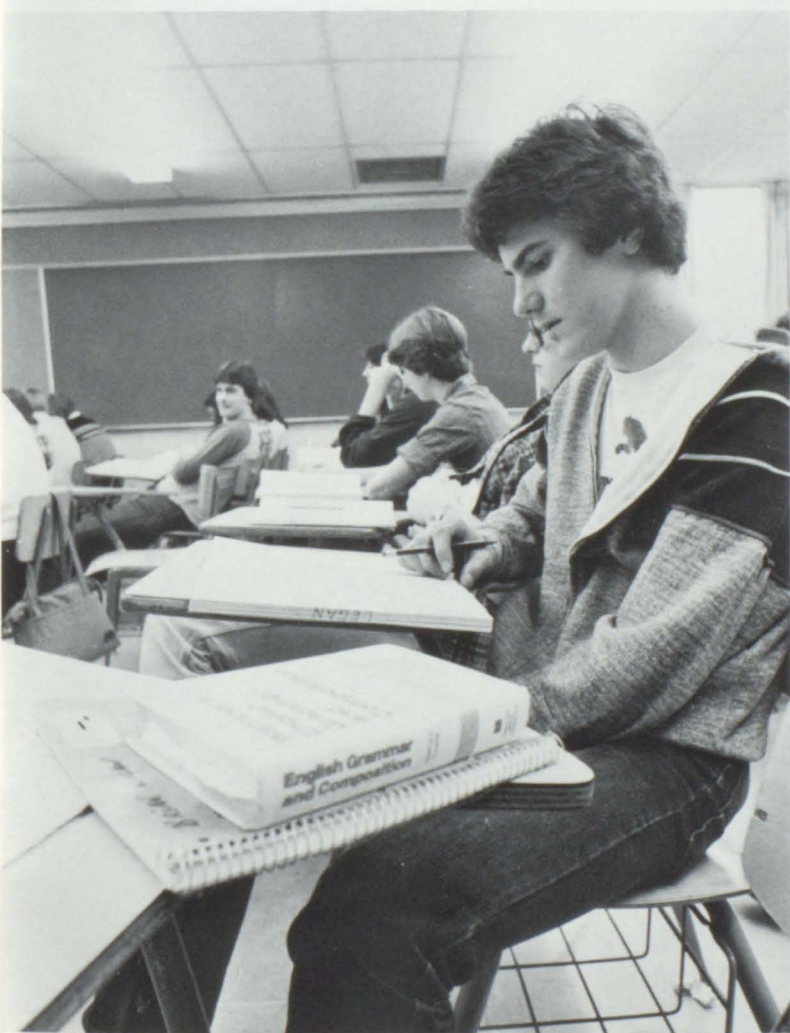

A new course in the English Department this year was DSP English taught by Mrs. Ryan. The course helped students with reading difficulties develop their potentials.

Right: Mrs. Boyer helps Dina Yanez with a theme correction. Below: Rosemary Gaughan finds that reading can be very absorbing. Below Right: An assignment sheet and a course text lie temporarily forgotten.

Left: Miss Phillips gives a word of advice to this group. Left Below: Brian Legan thinks about the assignment at hand. Below: Taking notes as you read often helps.

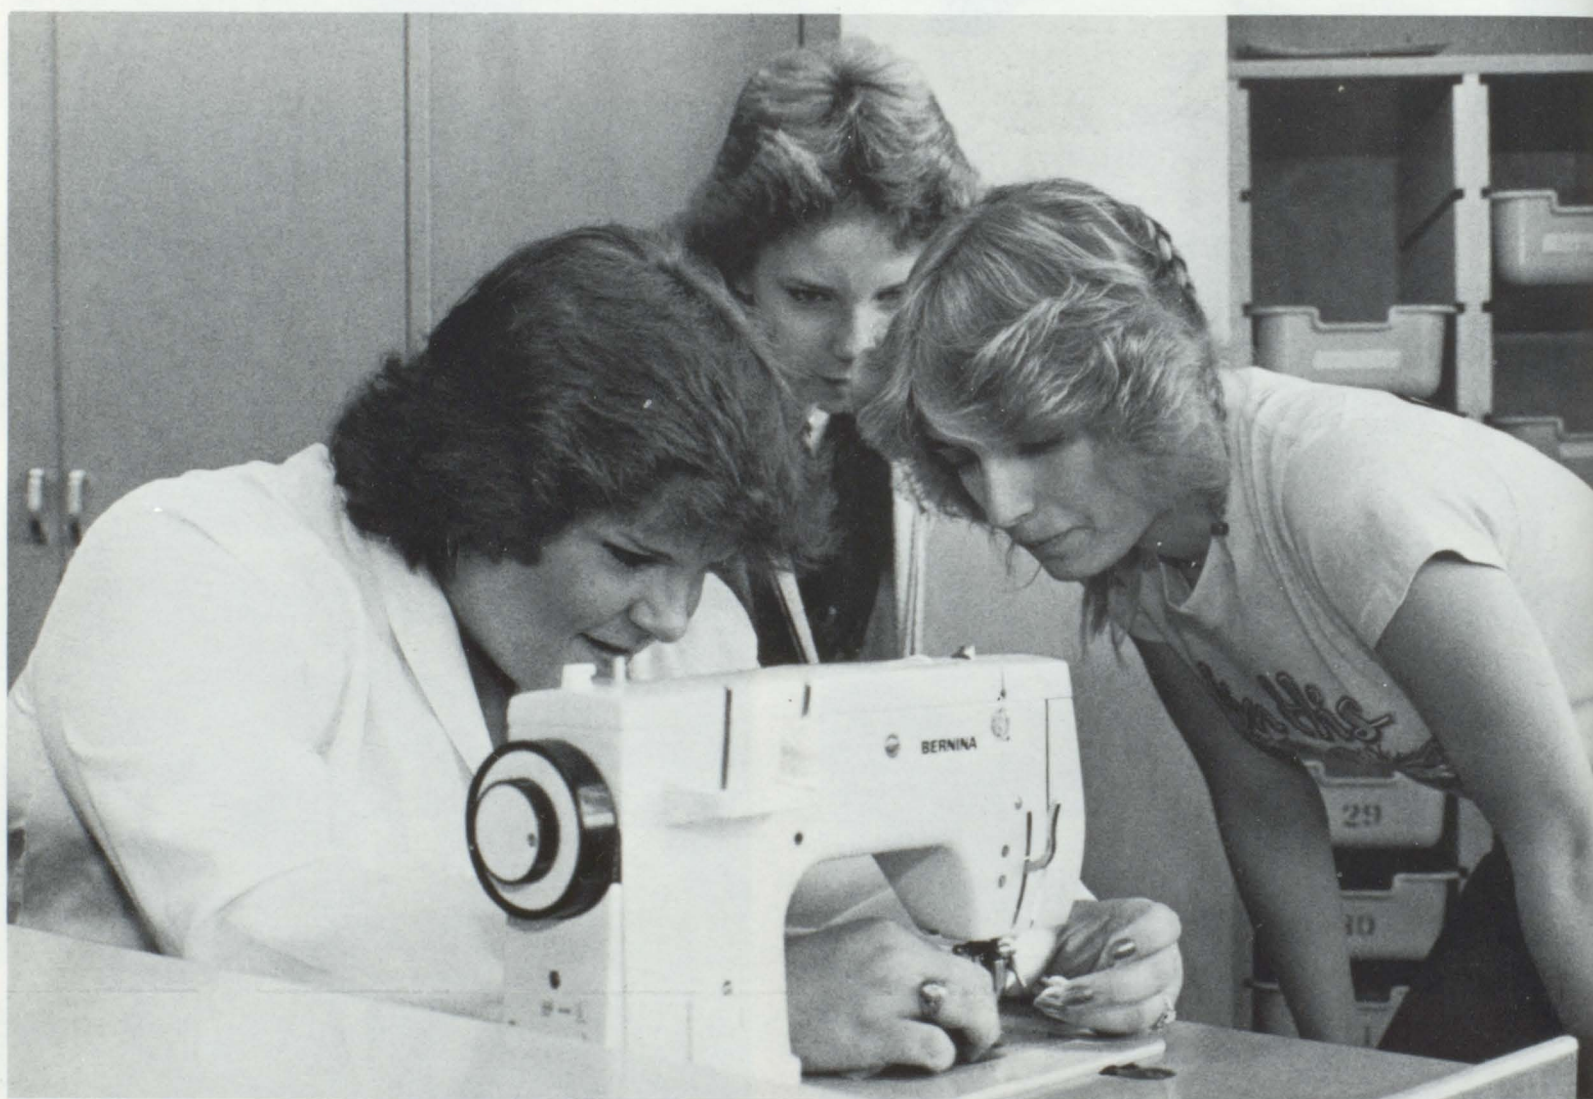

Home Economics Teaches Practical Skills

West's Home Economics Department provides a place for learning those much needed practical skills. Students this year were able to pick up some everyday skills as well as skills they will need in future employment. In Foods classes, students learned not only how to cook, but also how to manage a kitchen efficiently. Students also learned the importance of balanced meals and just how to prepare those meals. Other practical skills, like sewing and knitting continued to interest some of West's students body.

Those who were looking for training for the future found classes like Child Care Careers helpful. Also, many students got involved in the Home Economics Related Occupations program. The year proved to be a time for learning the practical in West's Home Economics Department.

Right: Mrs. Wichser gives assistance to one of her male sewing students. Today, more and more guys are learning to sew and cook for themselves. *Below:* Angel Rizzo shows Kari Pionto and Donna Brockway the easy way to thread the needle. *Opposite Page:* Lois LaPorte keeps her teacher and classmates wondering just what she is preparing.

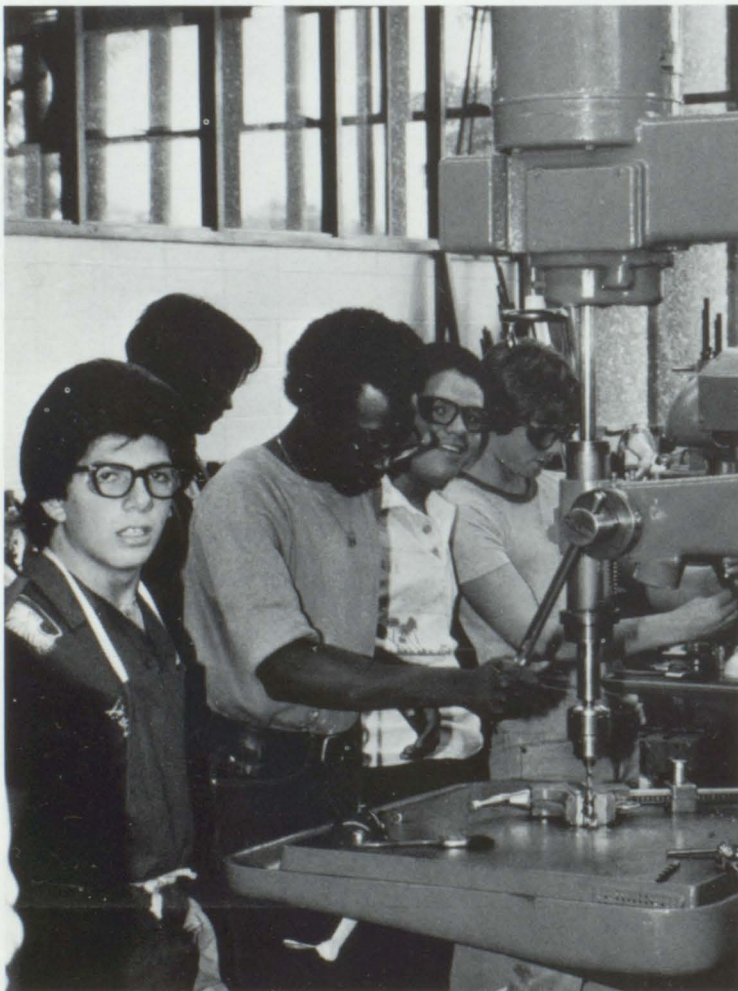

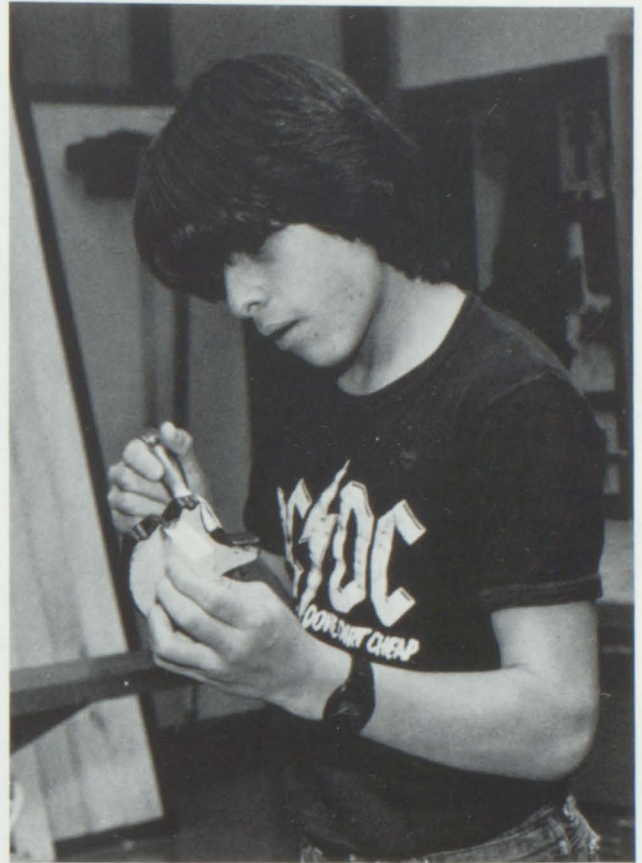

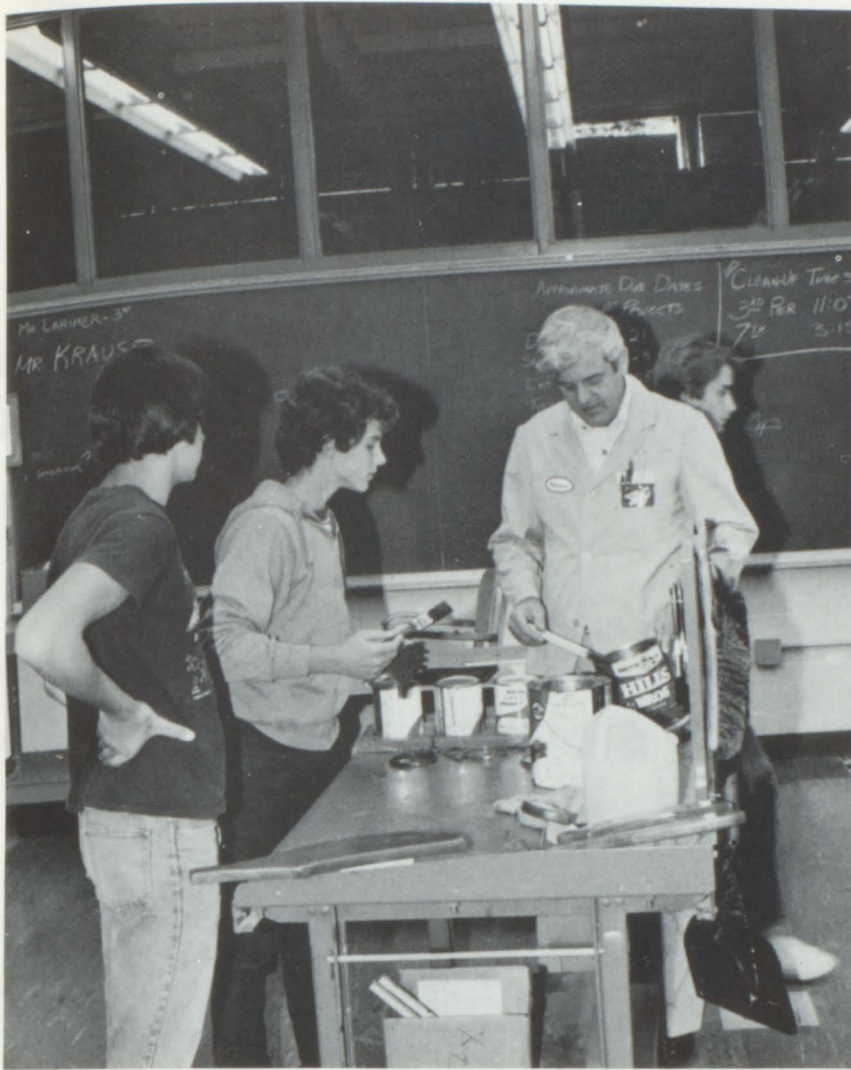

Students Look To The Future With Industrial Ed.

West's Industrial Education Department continued to emphasize job skills this year. Again, a wide variety of courses was available. Courses in electronics were offered, as well as courses in wood working, printing, and metals. Auto shop students found themselves learning skills they could use both on the job and at home. In all of the shops safety was emphasized along with proper shop techniques. Because of West's Industrial Ed. Department, many students went out into the world better prepared for life.

Right: Tony Tyler gets a few shop tips from Mr. Krause.
Below Right: Freshman Harry Bargamian learns how to use a file properly. *Below:* Pat Saraceno seems to be asking the cameraman how to work the drill.

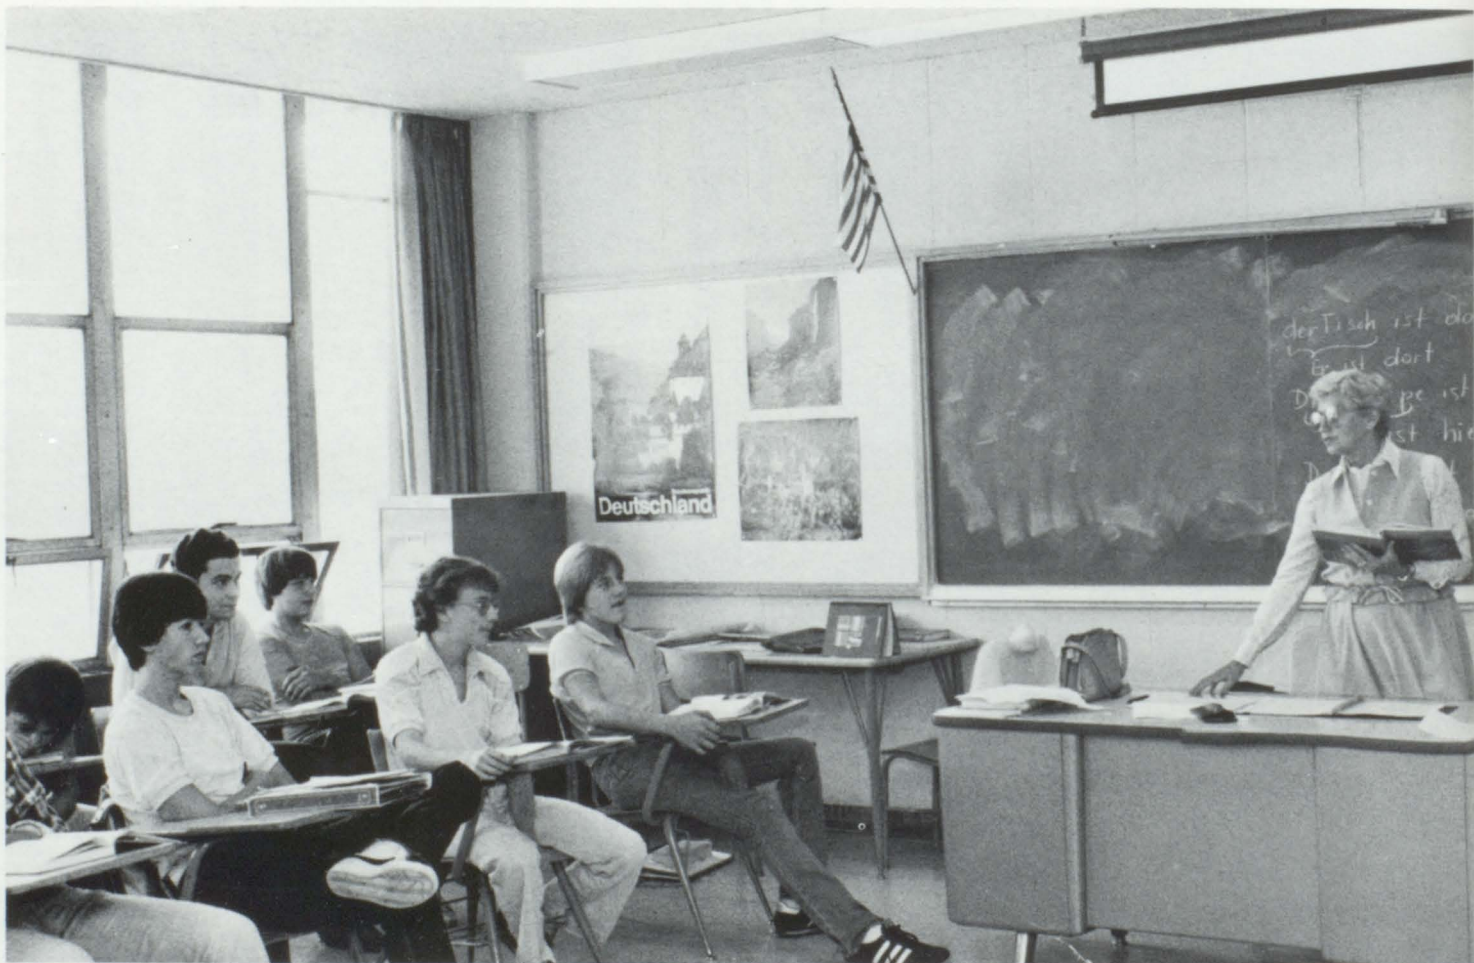

Below: A freshman class learns the basics of wood working. Left: Mr. Larimer demonstrates a wood staining technique. Above: Putting on the stain completes the project.

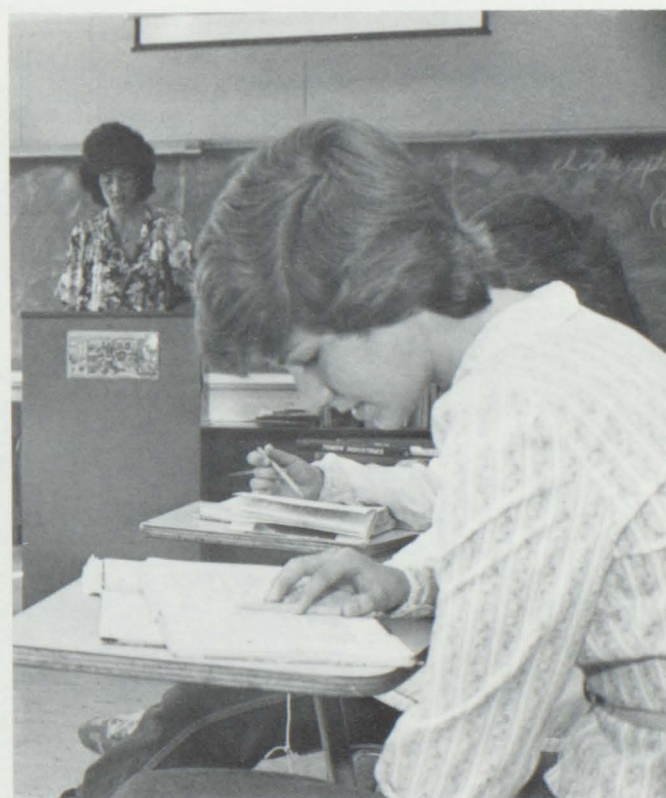

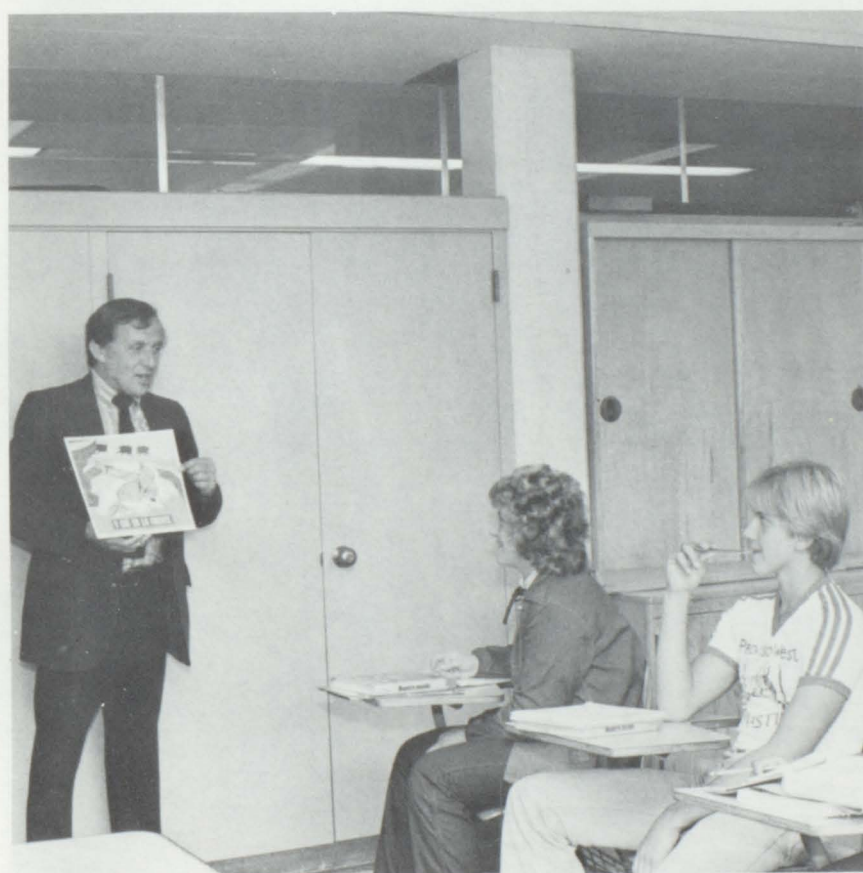

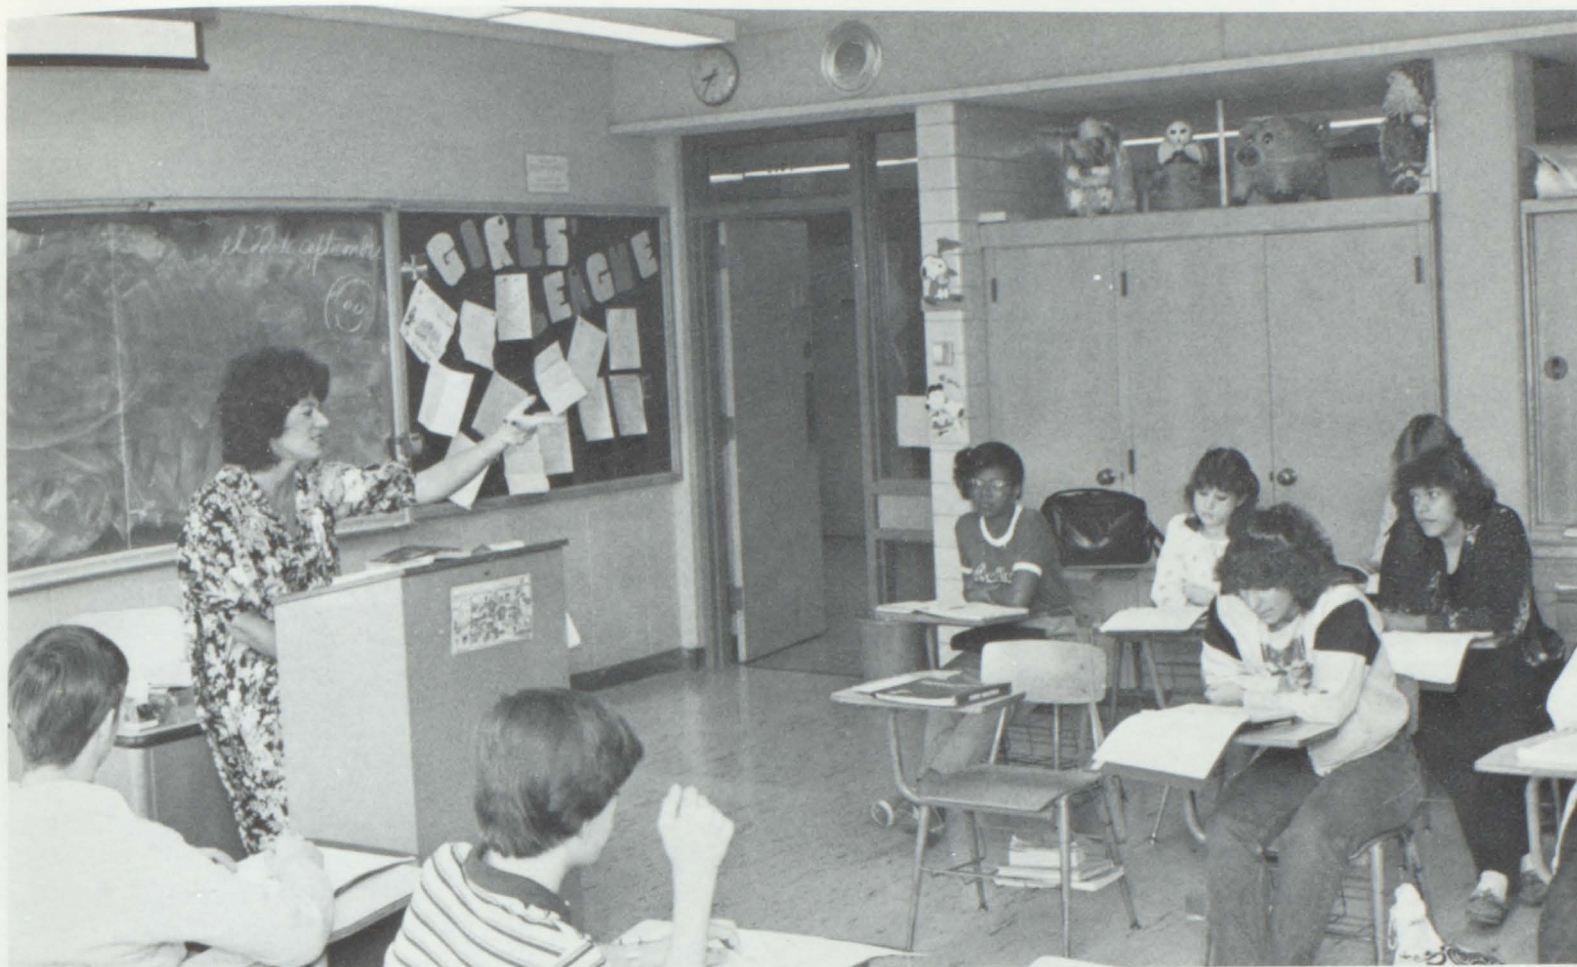

Language Study Opens Foreign Doors

Through the study of foreign languages, West students either prepared themselves for future possibilities or just plain increased their own knowledge. Some students, looking ahead to college, enrolled in one of West's language classes this year. Others, just wanting to be able to speak and understand a language besides English, also enrolled in one of the language classes. A renewed interest in the three language clubs this year seems to indicate a renewed interest in the study of foreign language. During this school year, many West students could be heard around the halls practicing in Spanish, French, or German as they worked on the vocabularies of the languages they had chosen to learn.

Right: Miss Koumelis challenges a student to give the answer in Spanish!

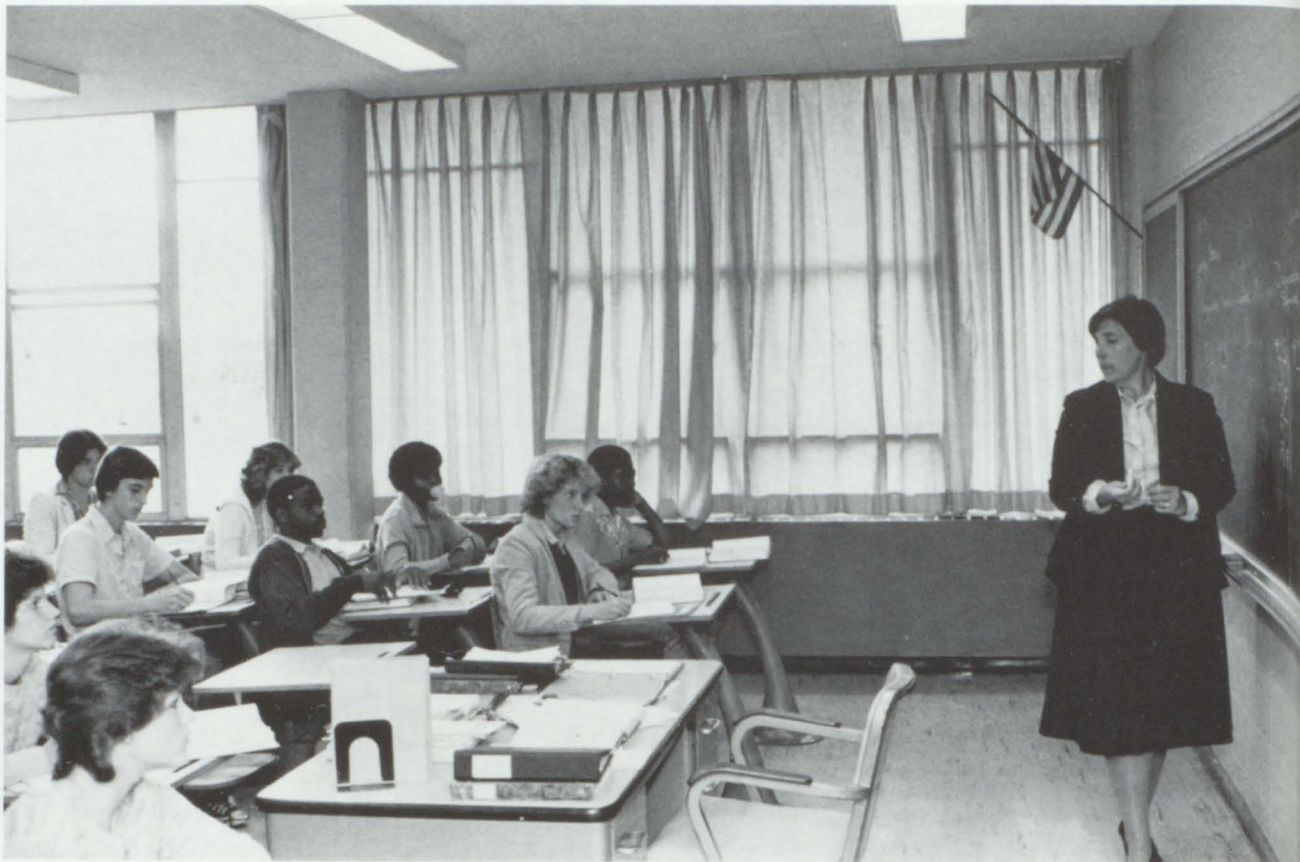

Above: Mrs. Duda speaks "auf Deutsch" to one of her German classes as the students listen attentively, hoping to be able to answer her question accurately in German.

Left: Mr. Penn uses a picture to demonstrate a Spanish phrase. Students watch and listen as he pronounces the words. Top: The pinata in the background leaves little doubt about what this class is studying. Above: Does Darla Gradi-shar really understand that paragraph she's reading in Spanish?

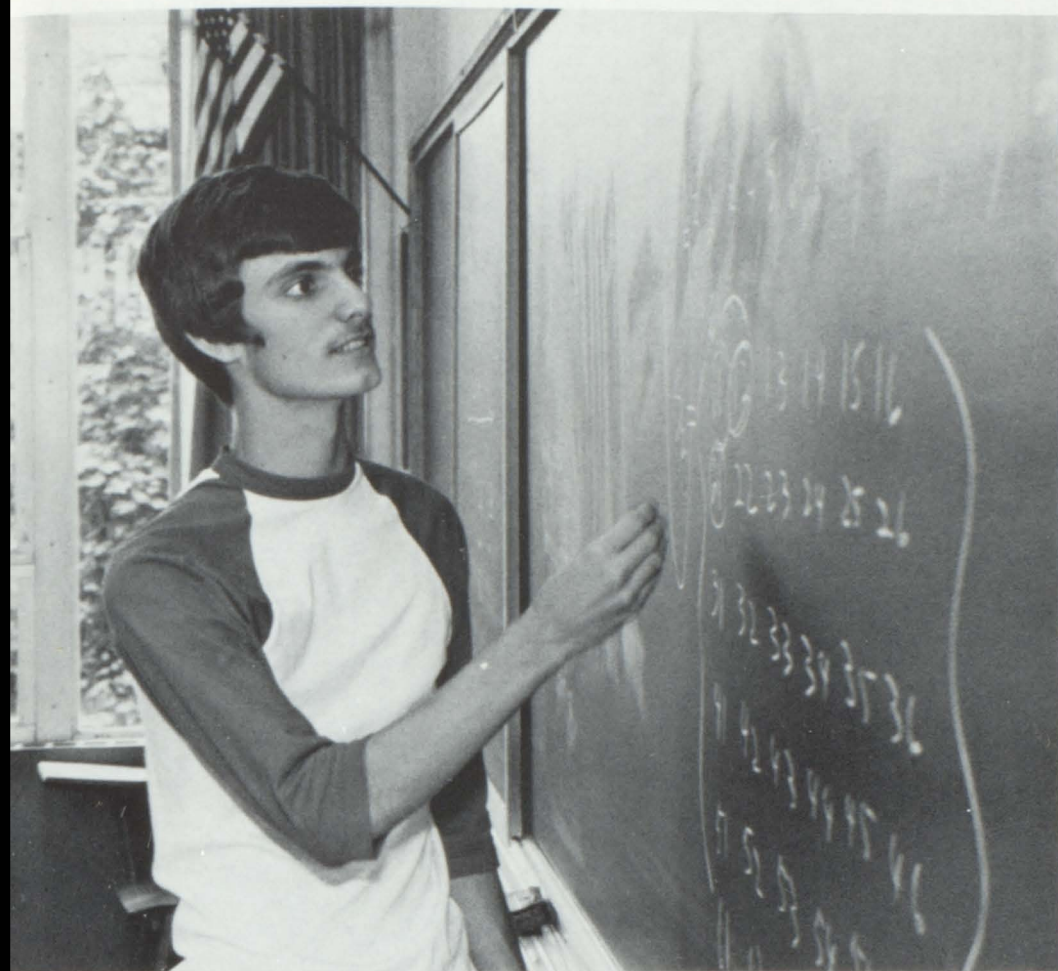

Mathematics Exercise The Power Of Reasoning

Mrs. Bickel, Advanced Algebra and Trigonometry teacher, uses the board to demonstrate a problem.

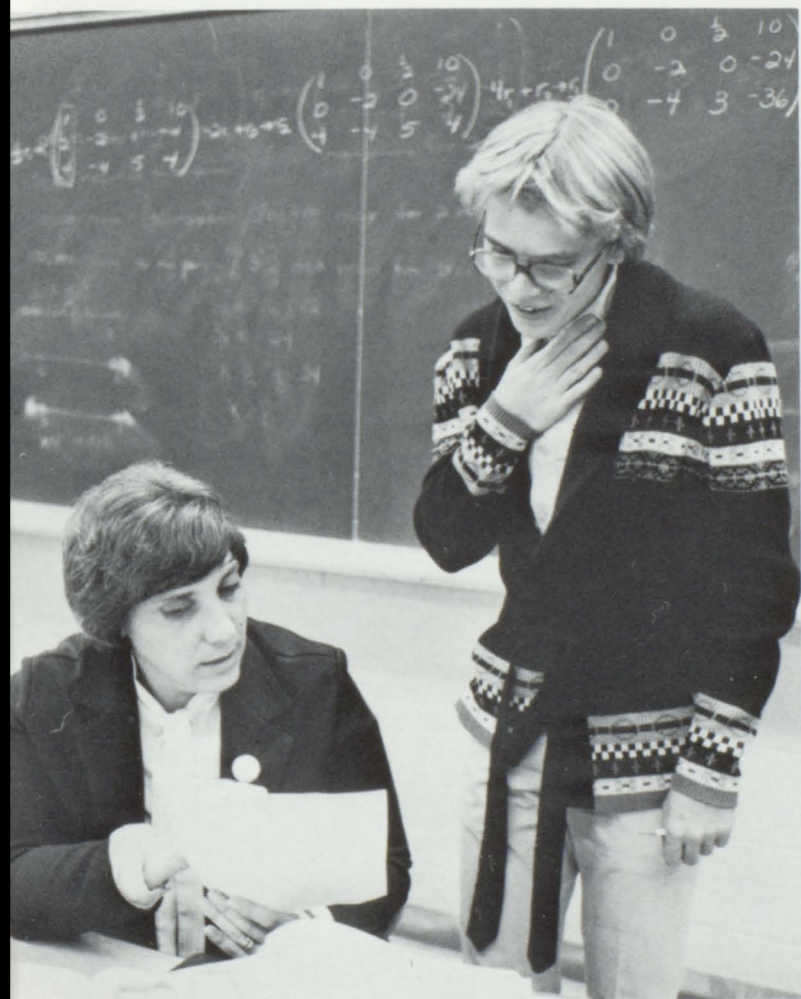

Her Math book seems to be taking over as the problem solving begins to cloud the world for this math student.

In this day of computers and hand held calculators, West students find that at times there just is no substitute for good old mathematics knowledge. Throughout the '81-'82 school year, West students exercised their brains on problems of logic, reasoning, and analysis. Geometry, Trigonometry, and Algebra courses offered challenges to many West students. Many students found themselves tackling basic mathematics that would be useful to them in everyday living as well as in future jobs. Through the study of mathematics, many students learned that computers are fine, but there are some things you just have to know how to do on your own.

Left: Joe Ratini puts his answer to a trig problem on the board. *Left Below:* Mrs. Dickel gives Joe Pauley help with the answer. *Below:* The answer to this one seems to be escaping Karen Finley!

Music Adds A Light, Harmonic Touch To School

The Proviso West Music Department really serves two purposes. It gives serious music students a chance to develop their talents, and it gives students a chance to unwind by getting involved in their music. This year's offerings in music were varied. Freshmen could join the Freshman Men's or Girls' choruses. Girls' Glee Club was available, too. The more advanced choral student might be found in either Concert Choir or Madrigal Singers.

For those involved in instrumental music, the field was varied, too. Cadet Band was offered to incoming freshmen, while more advanced musicians participated in either Varsity or Concert Band. Those who like to march, participated in Symphonic Band, which played at all home football games and marched in Chicago's Christmas parade. The jazz bands provided an outlet for those who like to specialize their playing. Because of the Music Department, Proviso was a little bit more "harmonious" this year.

Right: Mr. Smalley directs the first official performance of this year's Concert Choir at the annual Robing Ceremony. Below: West music students Joe DiMarco, Ken Zagone, and Mike Salemi participate in the Homecoming Pep Assembly.

Physical Ed. Classes Keep West Bodies In Shape

West's gym classes were again co-educational during the '81-'82 school year and once again they helped keep the student population in shape. The fall found students heading outdoors for such sports as football and soccer. Winter sent them back indoors for basketball, volleyball, and swimming. Once spring arrived, it was back outdoors again for tennis and softball. Keeping those muscles toned is what physical education is all about and keep in shape the students of West did.

Science Satisfies The Minds Of The Curious

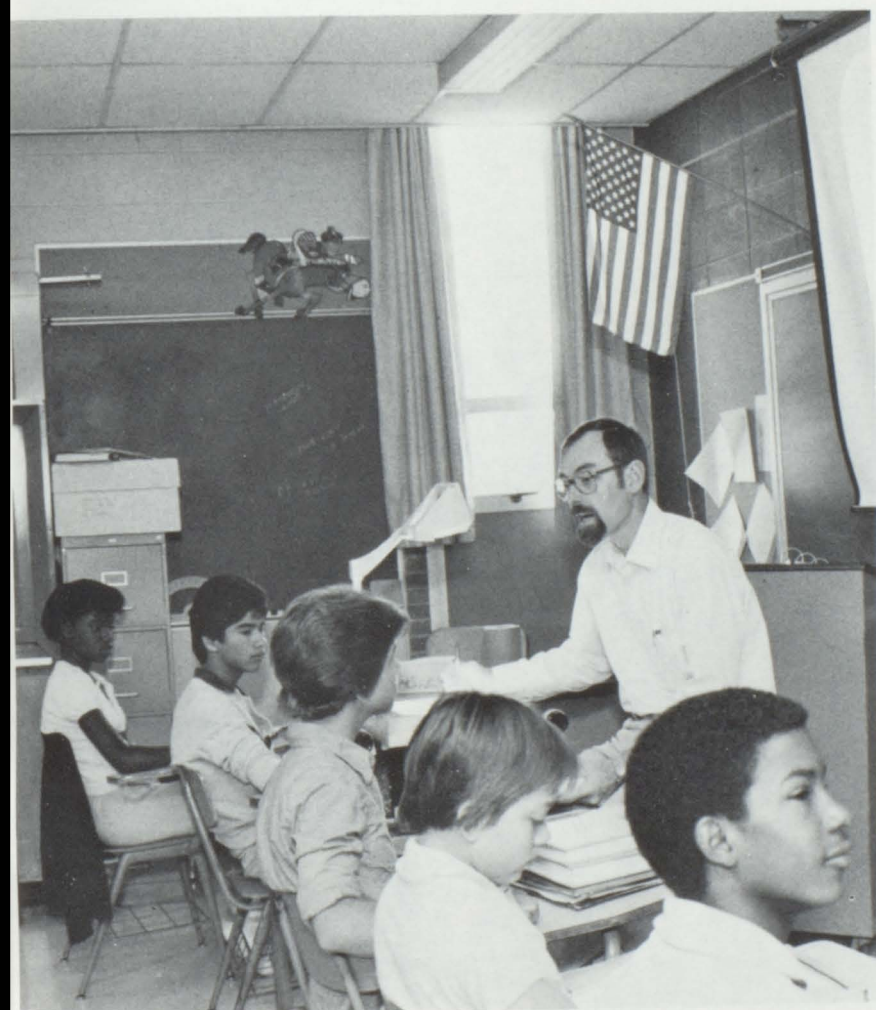

The student who likes to ask "How?" and "Why?" will find himself at home in West's Science Department. During the '81-'82 school year, the Science Department helped many curious students learn how to find the answers to their questions. Through the study of General Science, students were able to learn a variety of things about our world. Through Biology, students learned about the animals that inhabit our world. Experiments in Chemistry helped many students understand just what happens when certain elements are mixed. Through the study of science, West's students learn how to find answers.

Right: Mixing elements together to see what will happen is just one way to find an answer. *Below:* These science students carefully follow the directions of their experiment.

Left: Mr. McCleary demonstrates a point to his Biology class.
Below Left: Mr. Harrison uses the overhead projector to illustrate a lesson in General Science.
Below Right: These students seem awed by what they've just learned.

Social Studies Classes Offer Variety

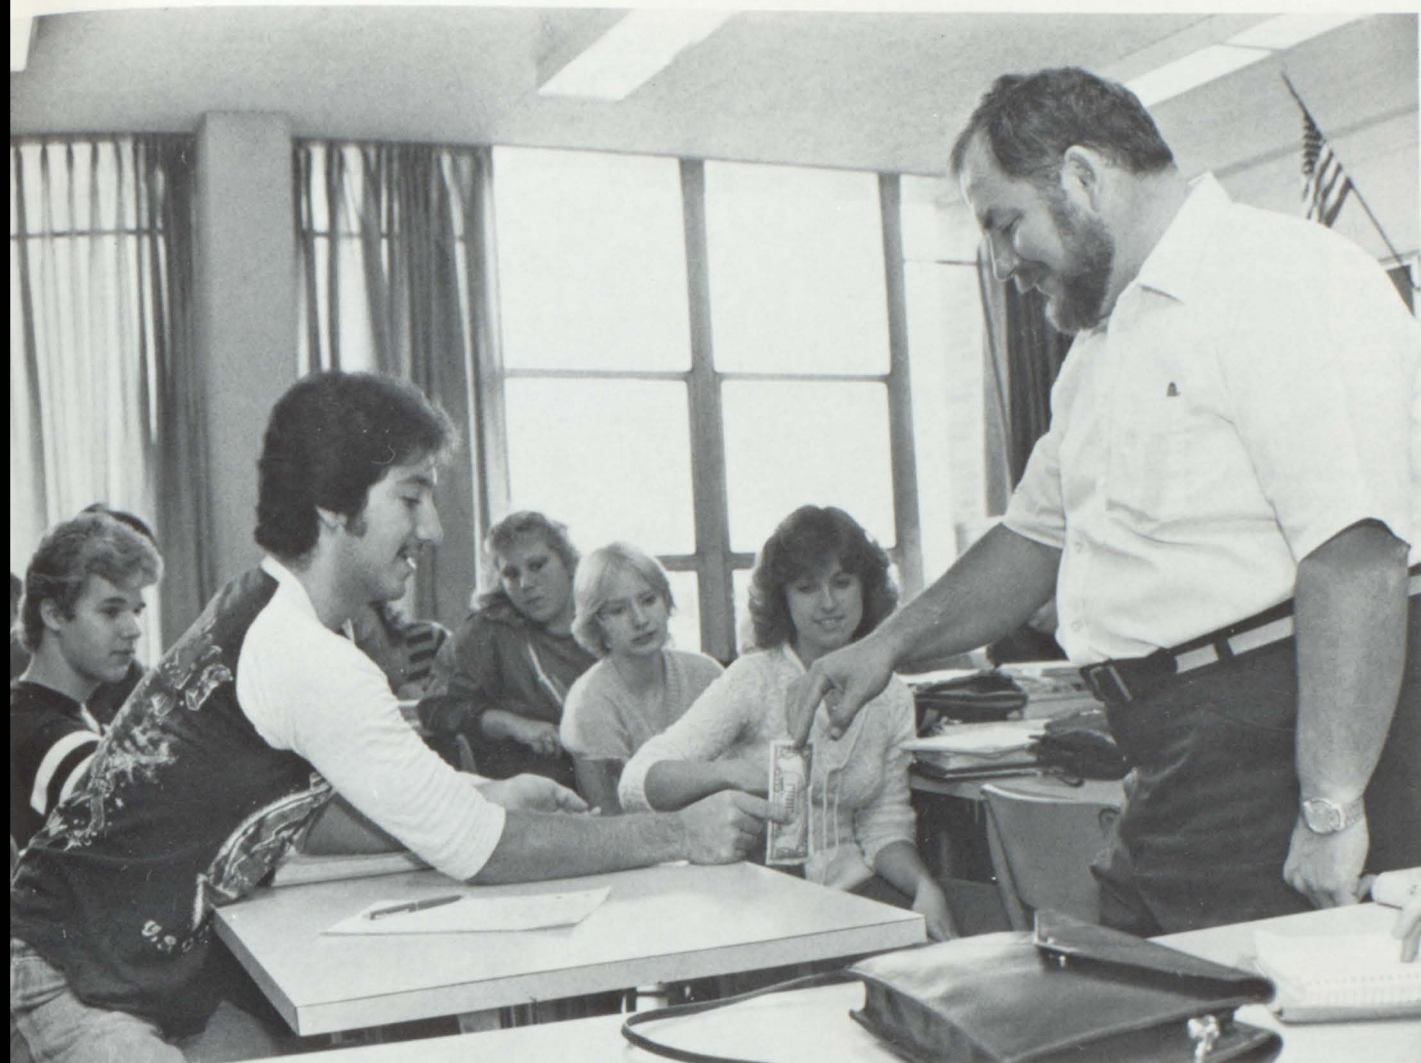

Much variety can be found in the Social Studies Department. Students can tour the world in World Geography or travel through America's development in United States History. Psychology, of course, offers an interesting trip through the human mind. Through social studies, West students become more aware of not only their rights and responsibilities as Americans, but also of their responsibilities as inhabitants of the world. Social studies courses make students aware of both current events and past history.

Right: Ellen Hall, Karen Hersch, and Connie Iannone find the study of psychology fascinating.

Special Services Offer Additional Help

In addition to the various classrooms at West, students find the library and audiovisual important to their school day. The library provides a large variety of fiction and non-fiction books. In addition, the library keeps many magazines, pamphlets, and newspapers that might come in handy for a class report or project. West students find that the library is a place filled with resource material. Whenever you need extra information or you just want to read for pleasure, the library is the place to go.

Audio-Visual helps students in two ways. For the student who is interested in the use and workings of the different equipment, the A-V room is the place to learn all about that equipment. Through the CINE club, many West students find out how to operate various types of equipment. Each day, many West students are affected by the A-V department as teachers use various pieces of equipment to aid in learning.

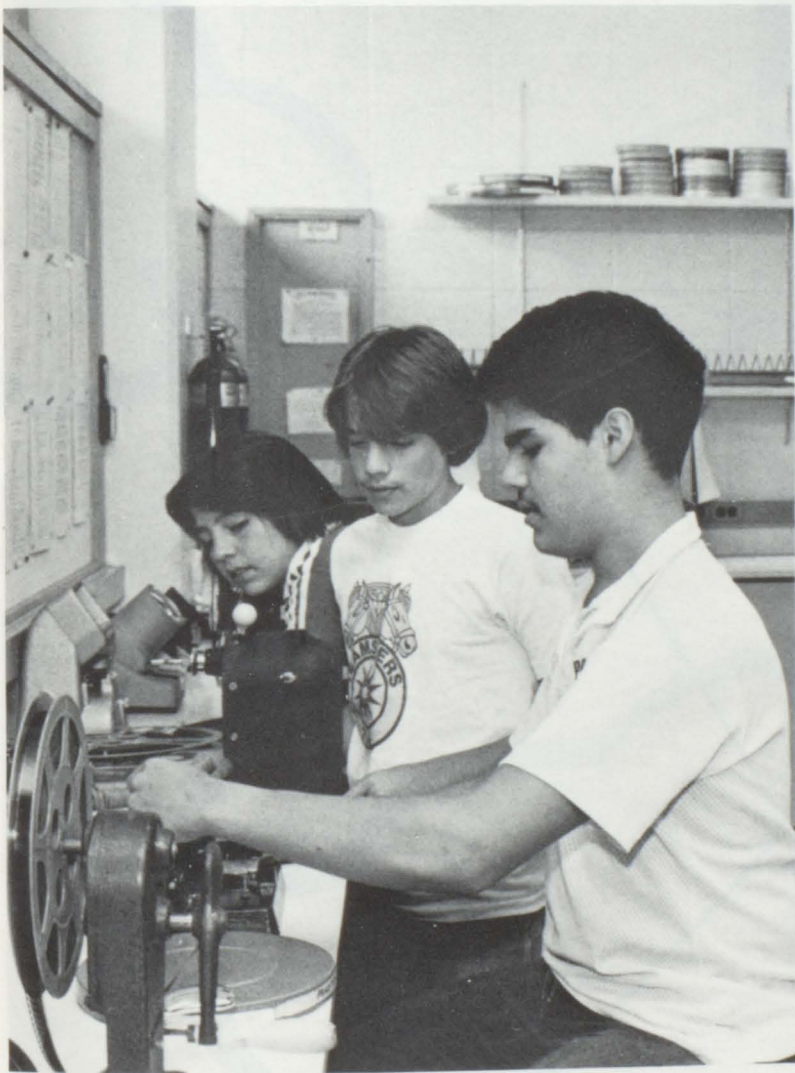

The nurse's office, of course, serves an obvious purpose. It's nice to know that help with an injury or sudden illness at school is close by.

Successful Year For Council

The 1981-82 Student Council Board viewed its purpose as being to promote school spirit and to get students involved in activities and that's exactly what they did! The year proved to be an exciting one filled with activity. Student Council began the year by sponsoring Homecoming. The council was in charge of all of the festivities for which there was a large turnout. Later, Student Council ran Charity Week which involved games and contests in the commons during lunch hours. Of course, Christmas was not ignored! During Christmas Week, the council sponsored a Dec-A-Door contest and sent scores of "elves" running around the building. The Turn-Around dance in February was the best ever held. Earlier in the year, the council ran a computer dating survey which turned out to be a lot of laughs for those who participated. The last big event for Student Council was Spirit Week, which like everything else this year, was a great success.

Co-Editors Offer Thanks

The Proviso West *MURAL* is always a treasure. It gives us a feeling of pride to know the 22nd volume of the *MURAL* was completed with two editors rather than one. It took a great deal of hard work, but it gave us a feeling of responsibility and independence to know that the *MURAL* has followed the tradition of excellence.

The *MURAL* Staff this year was limited but we pulled together with all our knowledge and turned out the 1982 Proviso West *MURAL*. We would like to thank the rest of the *MURAL* Staff for their help and cooperation and Mrs. Bosky who taught us a lot and helped us to complete this year's *MURAL*. Special thanks to Jean Kaska for her cover design and creativity.

Profile Staff Is Dedicated

The *PROFILE* is the result of many long hours of dedication and hard work by the staff members, editors, and advisors. This year's *PROFILE* increased its advertising, modified its news- magazine format, and instituted a Principal's Corner column, written by Mr. Robert Milano in response to student questions. Staff members went to Ball State University during the summer and learned to improve their journalistic skills. The *PROFILE* continued to keep Proviso's student body informed and entertained during the '81-'82 school year.

Thespians Have Artistic Year

The Proviso West Thespian Troupe and Technical Guild members demonstrated their versatility this year by working on three very different theatrical productions. The fall play, *Bad Seed*, a drama, dealt with the possibility of inherited criminal behavioral traits. *Bad Seed* was a huge box office success selling out three of its four performances. The contest play, *The Importance of Being Earnest*, was a satire about life during the Victorian period. The spring show, *Bye, Bye Birdie* was a popular musical about the rock & roll craze of the 1950's.

Choreo-Orchesis Proudly Presents "City Limits"

This year's dance theme centered around city songs. The show was held on January 14, 15, and 23. Miss Kathleen Sullivan, who is the artistic director of both clubs, worked hard on this year's show. The dances she chose were a combination of jazz, country, disco, rock, and punk. "The Wiz," "Senior Number," "Endless Love," "Warriors," and "Night Life" were just some of the dance routines performed. The finale ended another successful year for Choreography-Orchesis.

SPORTS

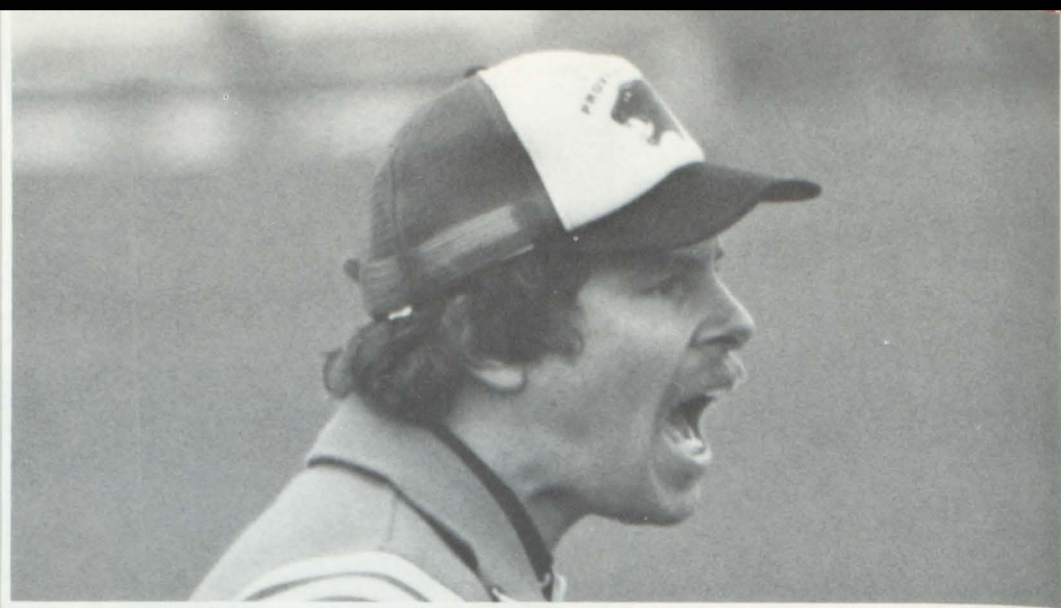

Softball Takes WSC Title

According to Coach Powers, this year's softball team was the greatest girls' athletic team ever assembled at Proviso West. They won the first girls' West Suburban Conference championship in any major sport, and went on to become sixteenth in state competition.

Nine seniors were the powerful force behind this team. Anne Golden and Denise Pesce were voted MVP. Anne finished the season with best pitching in WSC history with a 12-2 record. Denise led the team in hitting with a .545 average.

Named to the WSC All Conference team were Kathy Kozurek, Anne Golden, Denise Pesce, Sheri Koreles, and Laura Biagini. This season's team won more games than any other softball team in the history of the West Suburban Conference.

Varsity Season Dedicated To Sutherland

With 8 consecutive wins, the Varsity Baseball team began the 1981 season which was dedicated to the late Coach Sutherland. A conference record of 10-6 resulted in a third place conference finish. Ranked as high as sixth in the Chicago area during the season, the team finished with a batting average of .306 and an E.R.A. of 2.71. A highlight of the season came when the Panthers defeated a strong Proviso East team 9-4.

Outstanding players included Mark Tortorice, a pitcher who had a record of 10 and 2 and who was elected all area and all conference. Paul Montes, catcher, was also selected all conference. Other outstanding players included Burch Wallen with 21 R.B.I.'s, Mike Albrecht with a .329 batting average, and Brian Niccolai with a .348 batting average.

According to Coach Lima, "We had a strong start which enabled us to have a good season. We were very young with 5 seniors and 11 juniors on the squad. We're proud of the good season we had because we dedicated it to Coach Sutherland."

Soph Season Suffers Early Batting Slump

An early season batting slump and inconsistent pitching hurt the sophomore team and gave them a 6-10 record and a 6th place conference finish. In spite of the disappointing finish, the team did have a highlight to the season with a win over Proviso East. West won a double header with scores of 13-3 and 9-8.

Individual talents this season were Joe Dagostini with a .373 batting average, the highest for the team, and Don Scott, the number one pitcher with an E.R.A. of 3.50.

Determination Shows In Frosh

According to Coach Lid, the freshman team was the most improved team in the second round of the conference battle with a 0-5 start and a 6-10 finish. According to Coach Lid, the team never gave up in a game. Their confidence in themselves as a team showed through in the game against Glenbard West. During the game, Proviso was losing 7-2 in the last inning but came back to defeat Glenbard 8-7.

Although they finished 7th in conference, they did work well together as a team. Some of the outstanding players were Jim Webb, third base; Dino Cristafaro, lead hitter; Mike Oddo and Brian Osinski, pitchers; and Lance Gage, most R.B.I.'s.

Win Over East Highlights Season

Two exciting wins over Proviso East highlighted the '81 Varsity Gymnastic season. Both times, West beat East by less than one point. With an overall record of 5-6 and a conference record of 3-5, the Panthers finished 6th in the conference.

During the season four West gymnasts qualified for Sectionals. Steve Wallace qualified on the high bar, Doug McKinnon on the still rings, and Don Pajman and Steve DiCristofano qualified as all-around gymnasts.

According to Coach Back, the Panthers had a good season and made steady progress toward a team goal which they came within one point of reaching.

Invitational Win Highlights Season

Even though the Varsity Tennis Team placed eighth in conference and had an overall record of 6-7, the highlight of the season came during Invitationals. The Panthers placed second in the Proviso East Invitational, first in Proviso West's Invitational, and second in the York District meet.

Outstanding players this season included Mike Ontiveroz who places first in the Proviso West Invitational and Dave Koldras who placed first in both the Proviso East and West Invitationals. Other valuable players were Bob Nidea, who was voted MVP by his teammates, and his doubles partner Tom Minneci.

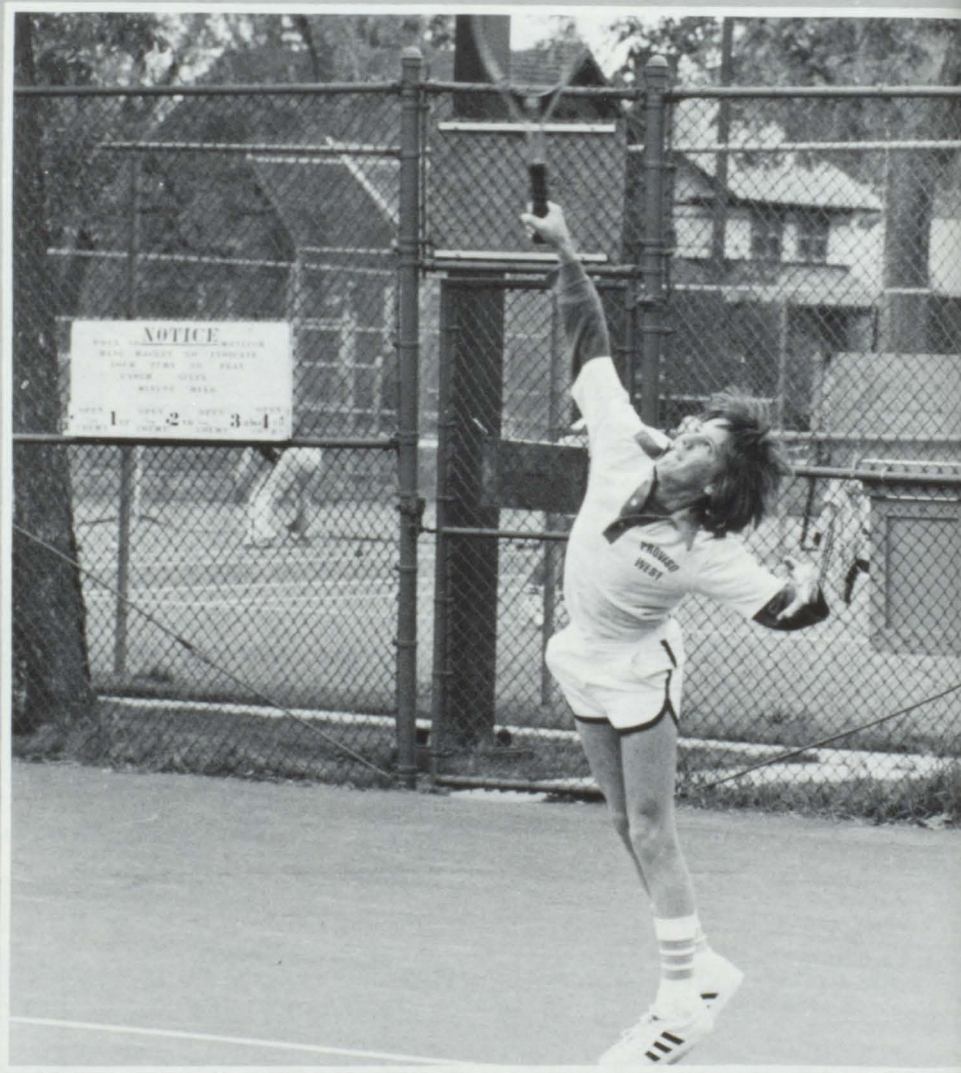

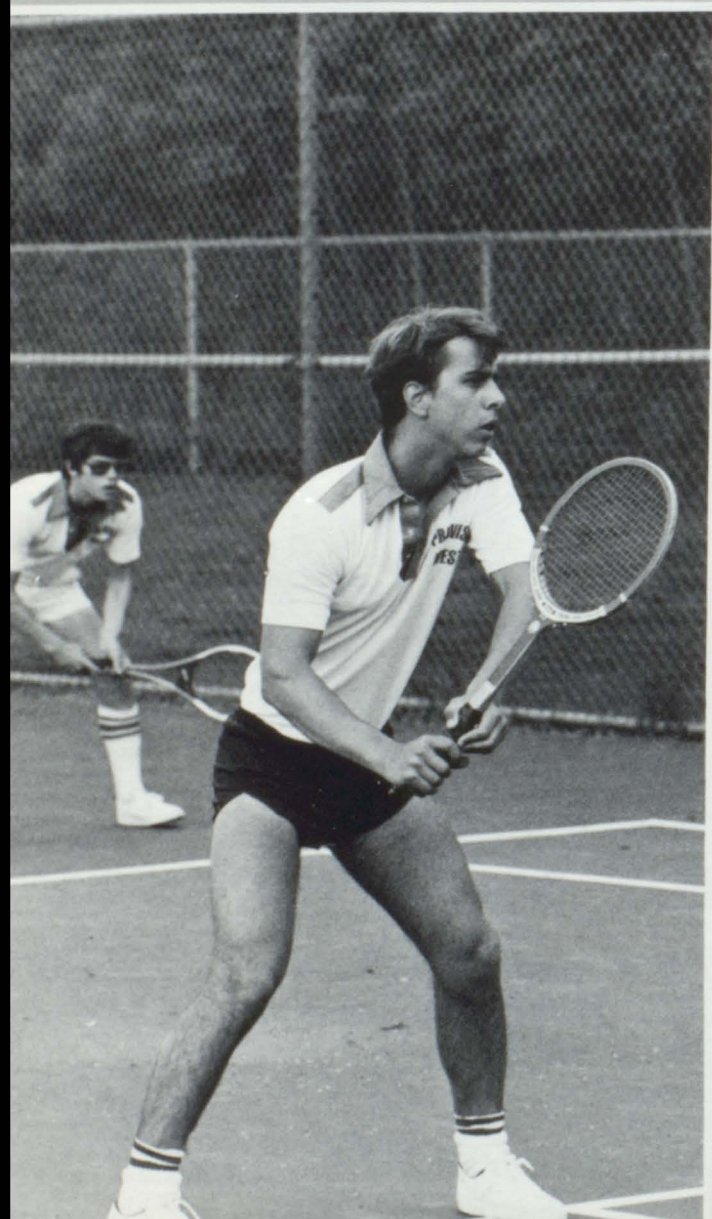

With only two returning lettermen, the season turned out better than the coach expected. When asked about the season in general, Coach Braucher indicated that he was pleased with both the team attitude and the season results.

Coach Pleased With Season

In spite of the sixth place finish, Coach Prest felt that this has been the best season in the short history of the Badminton team. "The JV team was especially outstanding with their 10-3 record," said Coach Prest.

Outstanding players this season included varsity doubles players Barb Nagel and Linda Hall who placed third in the conference meet. Donna Wielgor and Debra Gallagher placed second in the conference meet and third in the district which qualified them for the state finals. Donna and Debra won one match in the consolation bracket at the state finals.

Outstanding JV players were Denise Pawlak and Lori Uecker with a 10-1 record. The team's overall record was 10-3 for junior varsity and 6-7 for varsity.

Girls' Track Team Goes To State

There was a tremendous team effort this year by the girls' track team members. The team took first place in district and third place in conference.

The team qualified nine girls for the state finals including sprinter Sandra Fisher who finished eighth in the 100 meter dash. The four relay teams made respectable showings down state with fourth place in the 400 meter race and twelfth place in the 800 meter relay. Closing a season which was referred to as rewarding by the coach, the Girls' Track team finished in twenty seventh place in the state meet.

Varsity Boasts Two State Champs

This season for Boys' Track was filled with many achievements by all levels. The freshman indoor team finished fourth in conference while the freshman outdoor team finished second in conference and won the Evanston Invitational. Indoor sophomores finished seventh in conference while outdoor sophomores finished eighth.

The varsity indoor team won the Proviso Invitational and the West Suburban Conference Championship. Varsity outdoor track finished fourth in the State Championship but boasted two State Individual Champs.

Senior Vernon Taplin won the State Championship in the triple jump with a jump of 49 feet 2½ inches. Junior Dan Williams won the State Championship in the high jump after clearing 7 feet.

Varsity Loses Grip On First

"This was the best team we have had in several years," so stated Coach Frantz about his varsity team. Highlighting the season was a win over Glenbard for the first time in West football history. For six weeks of the '81 season, the Panthers remained in first place in conference play; but a loss to Hinsdale Central moved the championship out of reach for the competitive Panthers.

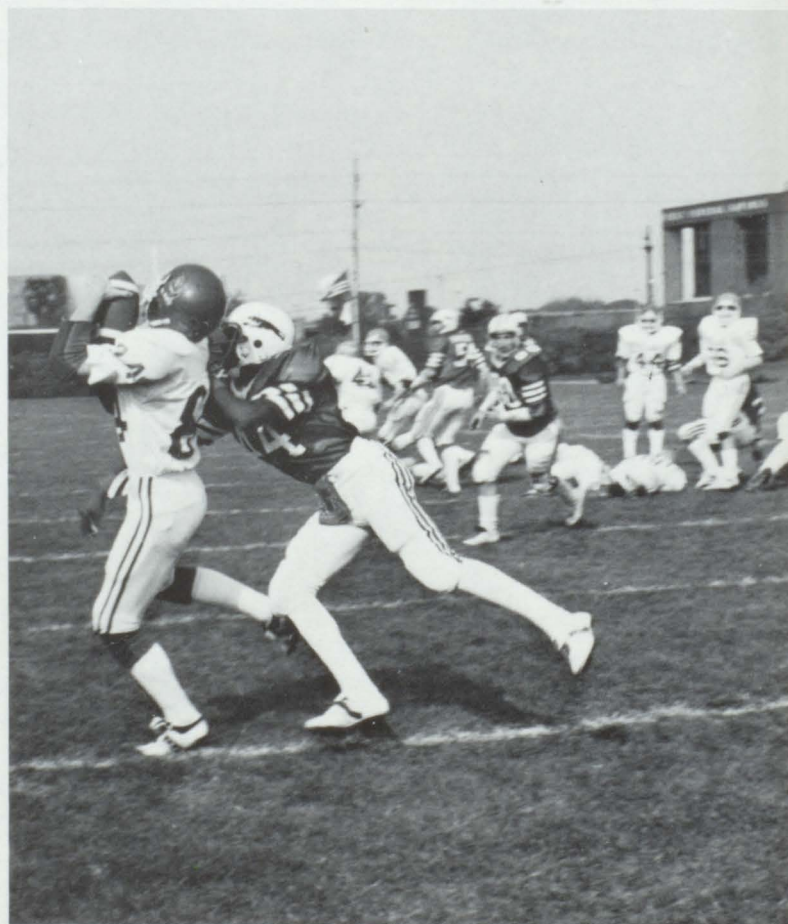

Oustanding members of the team included All-Conference players Bill DiSomma, Paul Montes, Scott Zanoni, Mark Tortorice, Tom O'Connor, and Charlie Feehan. Other players considered for All-Conference were Burch Wallen, Phil Hayden, and Tony Sproles.

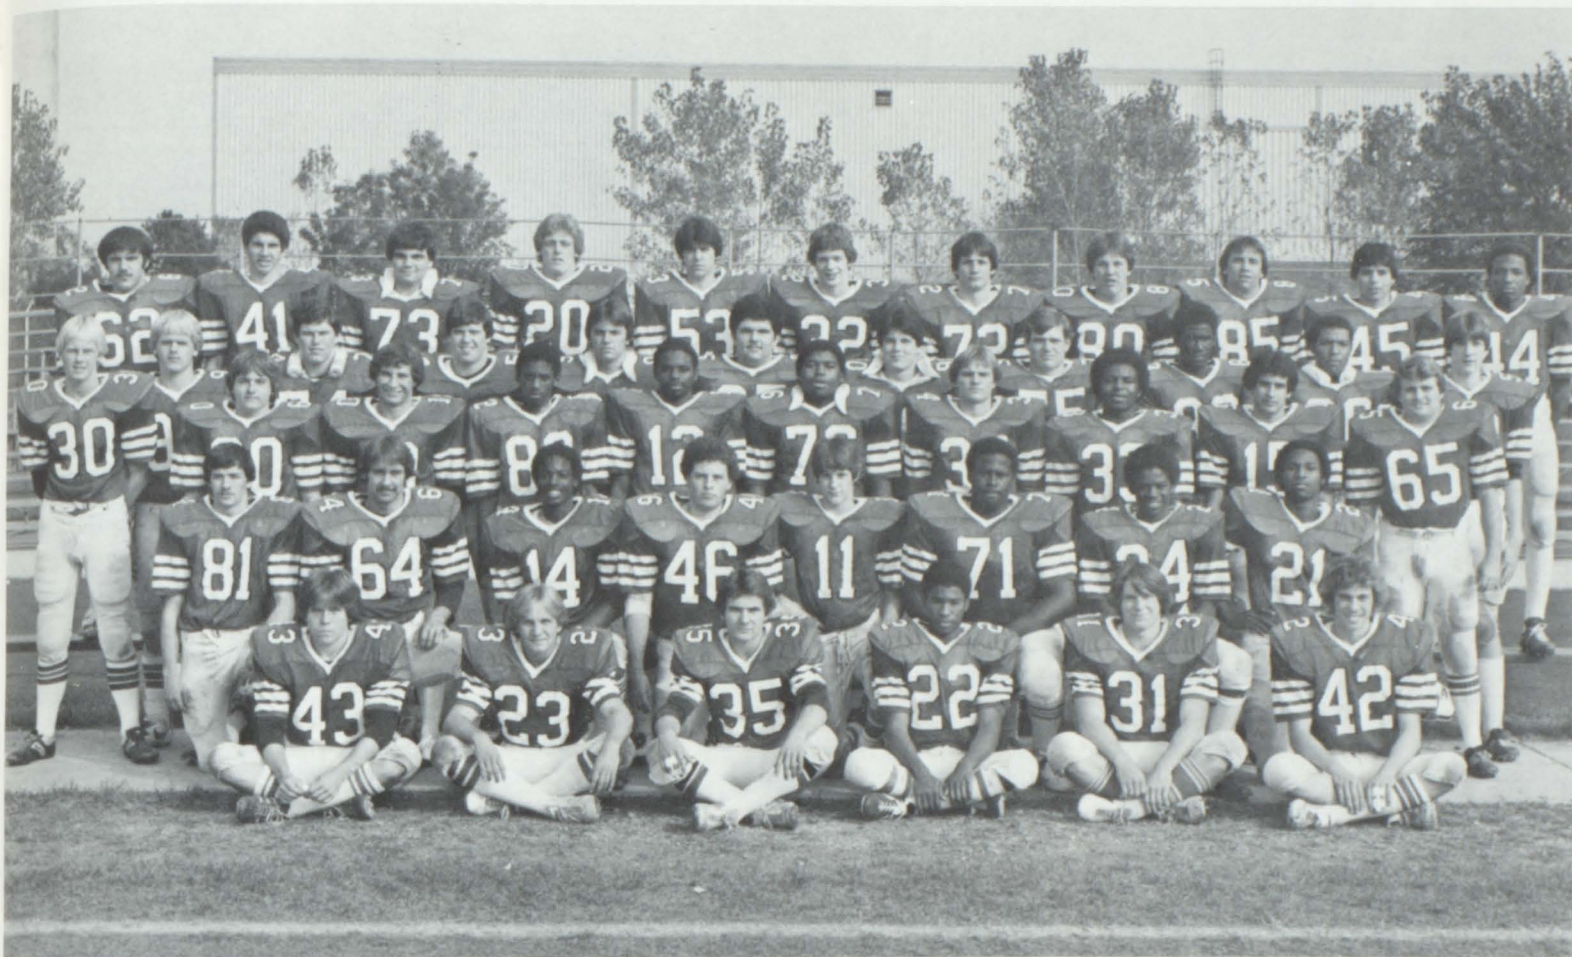

The Panthers finished the '81 season with a 5-4 overall record and a tie for third place in conference. "Overall the team was very competitive and very exciting to watch," said Coach Frantz.

Coaches Praise Frosh/Soph

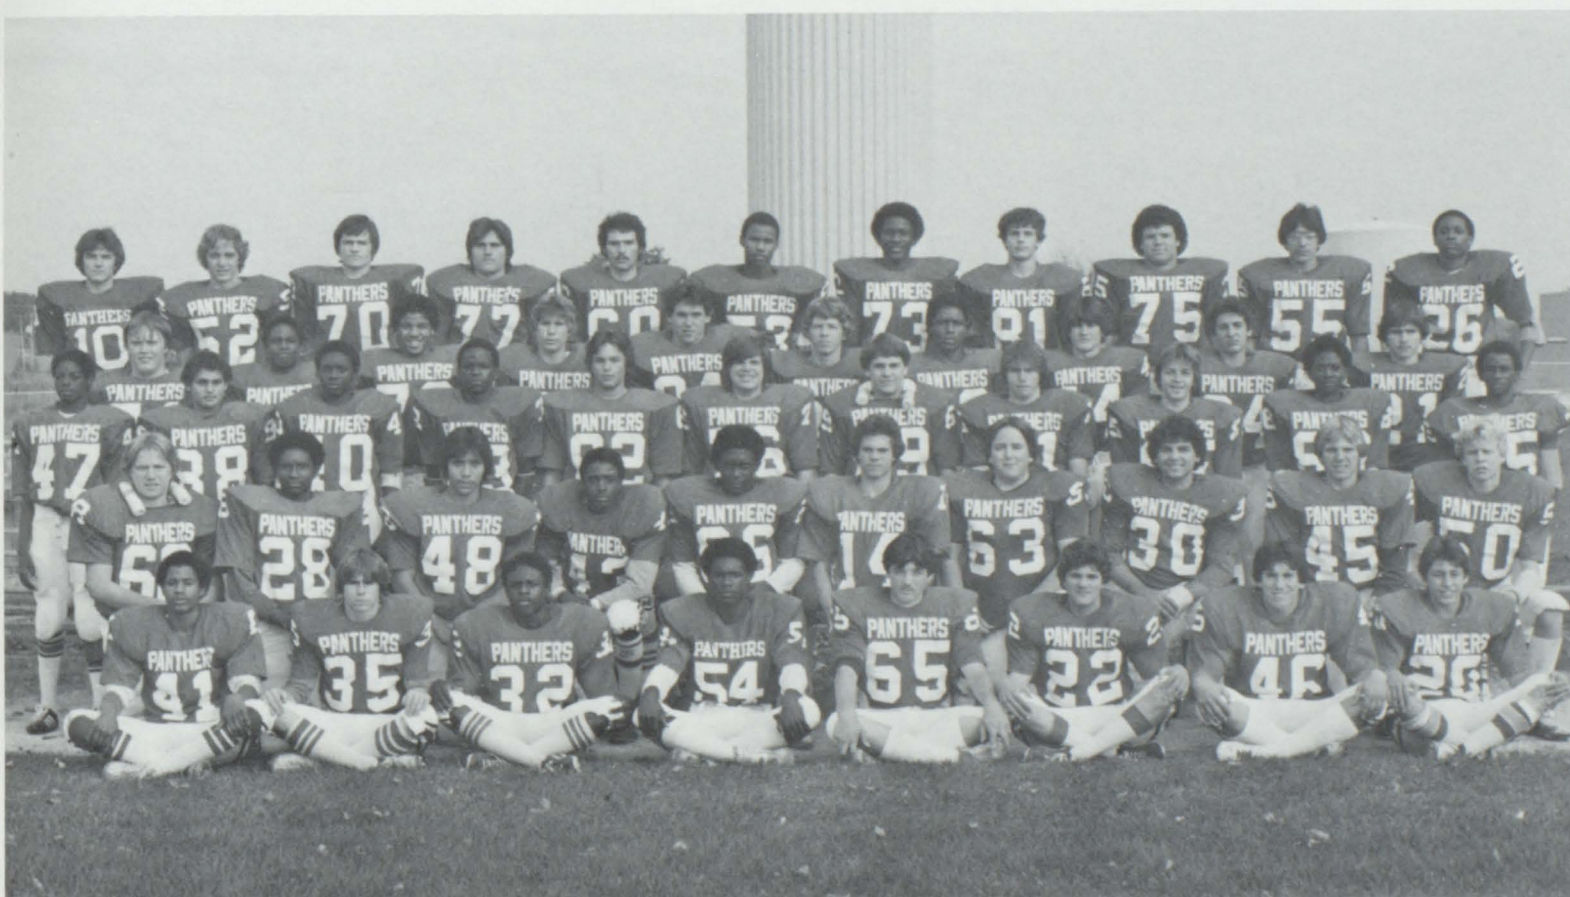

Despite a 1-8 overall record, the sophomore football team was able to defeat Marist 8-6, their first win after 10 straight defeats. Outstanding players included Tracy Robinson, Rocky Alecia, Vic Suero, Len Watts, Maurice McKinney, Jerrod Clark, Ron Provenzano, Dan Jones, and Derek Triplett. Coach Clish stated that his team "never quit and are a tribute to Proviso."

A highlight for the frosh team included the most points scored in a single season since 1965 and the fewest opposing points allowed since 1978. An outstanding player this season was Maurice Higgins, who scored 102 points and gained a record 1,068 yards. Coach Current looks for this team to be a good sophomore team and eventually an excellent varsity team.

Tennis Coach Disappointed With Season

The '81 Girls' Tennis team met some of its stiffest conference competition in the state this past season. According to Coach Erickson, the only highlight of the season was the valiant effort shown by varsity singles players Kim Weber and Kathy Kozurek.

The freshman-sophomore team played hard and confidently. Returning players Eva Dukac, Linda Kopija, Laura Pryzbyrek, and Kathy Marnell gave strong conference competition.

Girls' Swim Team Breaks Records

With an overall record of 4-6, the Panthers had many exciting moments during their season. The Girls' Swim Team for the '81 season set five school varsity records.

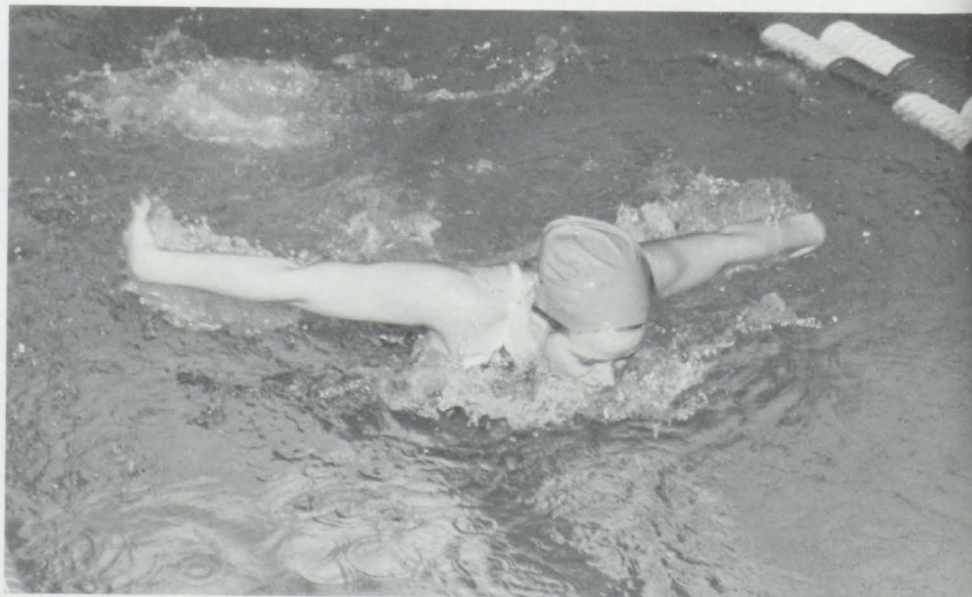

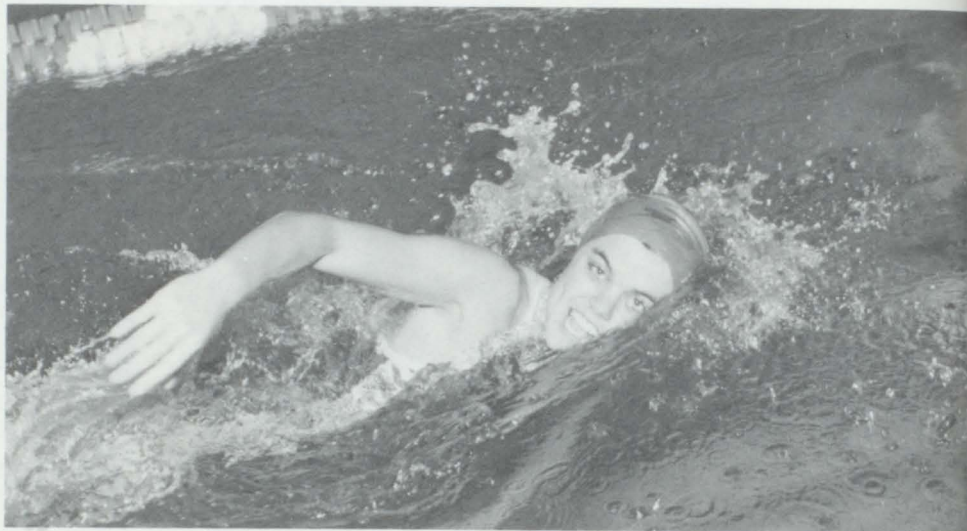

Outstanding swimmers who helped break those records were Ginger Boyce, Kim Kennedy, Cheryl Schroeder, Chris Innocenti, Sandy Ewar, and Sandy Monaghan. Ginger Boyce was conference champion for the second consecutive year and placed third in the district 100 yard breast stroke.

Coach Boyce was pleased this season with the freshman turnout. Twenty frosh joined the Girls' Swim team.

Frosh Players Prove Productive

According to Coach Skul, the Freshman Soccer Team was very productive from the standpoint of team and individual improvement. The major highlight of the '81 season was the win over Conference Champs Oak Park. West was the only school to beat Oak Park this season.

Four outstanding players who, according to Coach Skul, displayed the leadership and determination that inspired the whole team, were James Long, Juan DeLatorre, Mark Volkmann, and Rich Schulz. Coach Skul felt that the season was outstanding, especially considering the fact that there were only nine players at the start of the season. With a conference record of 4-3-1, the frosh team finished third in conference play.

Two Players Chosen All State

A five game winning streak highlighted the season for the Varsity Soccer Team. One of those wins was a victory over Proviso East, while the other was a victory over Lyons, who later became WSC champs. Individual achievement this year came from Co-Captain Rocky Cosentino, the team's leading scorer with 18 goals, and from Joe Ratini, the team's defensive stalwart.

For the first time in eleven years, the team is able to boast two All State players in one season. Co-Captains Gary Long and Steve Crowell were both elected All Conference and All State players. With a conference record of 4-6, the Varsity Soccer Team ended its season with a sixth place conference finish.

Golfers Have Winning Season

Proviso West's Golfers had an exceptional season. An overall record of 11-1, a first place finish in state sectionals, and the West Suburban Conference Championship made the season a memorable one for Coach Fioravanti and his '81 team.

The highlight of the season was the trip downstate for the state tournament in Peoria. After winning the sectional tournament in Naperville for the second time in Proviso West history, the Cats went on to place 17th in state competition.

Jim Schneider, who placed 14th in state competition, was voted MVP. Other outstanding players included Doug Evak, Gary Yuenger, and Dan Erickson.

When asked about the season, Coach Fioravanti had this to say: "We have very few "country club" players in our program. Our players have simply out-worked the other schools in the conference during the past two years. To win the Conference Championship in our league takes a group of totally dedicated young men. Our players were simply great."

Volleyball Has Building Year

The only real highlight for the Varsity Volleyball Team was a close game against Oak Park. West came within a few points of beating Oak Park for the District Championship. With a season record of 13-15, Coach Martin said, "This year was a building year for volleyball with only five of last year's players returning to play." Although the season was relatively uneventful, there were some outstanding team members. Marianne LeDonne was selected MVP and received All Conference Honorable Mention. Shelly LaPearl was chosen All Conference. Cynthia Brown also received All Conference Honorable Mention.

The Sophomore Volleyball Team, in its first year at West, finished ninth in Conference play with a 0-8 record. According to Coach Prest, the team is young and should do better in the future.

Varsity Runners Steadily Improve

In spite of an overall record of 2-8 and a seventh place conference finish, Coach Wiczorek felt that his Cross Country Team showed steady improvement throughout the season. In this season, called a rebuilding year by Coach Wiczorek, three sophomores made the District Team and five sophs were among the team's top nine runners.

Seniors Al Casagranda and Robert Pottle both advanced to the sectional championships. Also, Casagranda was voted outstanding senior athlete by his teammates.

Swimmers Have Record Season

According to Coach Boyce, this was the best season for team effort in 17 years. With an overall record of 10-2 and conference finish of 3rd, the team effort paid off. Three new varsity records were set including Captain Keith Boyce's 49.5 in the 100 free style, which qualified him for state. State qualifier Roger LaFaver was conference champ in the breast stroke with a school record of 1:02.3. Chris Cismesia, Dave Sorenson, Tom Scrivner, and Keith Boyce also qualified for state in the 400 free relay with another school record of 3:21.7. The team's MVP was Keith Boyce because he could swim all events, and he ended his four years with 78 winning or placing finishes.

This year's frosh team was undefeated, while the sophomore team took third place in conference.

Panthers Have "Average Season"

With an overall record of 16-10 and a conference record of 8-8, the Proviso Panthers ended what Coach Lucas termed "a very average season." According to the coach, the team played its best ball during the month of January but finished the season with six consecutive losses. With one returning starter from last season's West Suburban Conference Championship Team, the Panthers started the season with seven consecutive victories, beating both Arlington Heights and Barrington, which are both state rated teams.

Outstanding players this season included Tony Tyler, Ernest Bosby, and Walter Charman. Tony led the team in rebounding with 193 rebounds and was second in scoring with 277 points. Ernest led in scoring with 329 points. Walter was third in scoring with 252 points.

Sophs Have Good Season

With an overall record of 15-5, Coach Shannon was very satisfied with the sophomore basketball team's performance. Highlights of the season were the wins over both Hinsdale and Proviso East during second round play since both teams had beaten West during first round play. Outstanding players this season were Chris Hanna, an outstanding guard; Darrell Woods, the team floor leader; Barney Gray, Leonard Watts, top rebounder; and Terence Woods who was a good clutch shooter.

Frosh B Team Is Conference Champ

For the first time in West's history, a freshman "B" team placed first in the West Suburban Conference. According to Coach Sawosko, this was the first championship on the frosh B level. Outstanding players of this team were Reggie Shannon, high scorer with 225 points; John Burda, number 2 scorer with the most rebounds, best freethrows, and 180 points; Eric Collin, the most improved player, with 120 points; Mike Ingram, with 100 points; and Jim Scott, with 100 points.

According to Coach Sawosko, the season, which ended in a 10-1 conference record, was very successful and the team improved throughout the season. He stated that the team played hard with a pressing man vs. man defense.

With a 13-5 overall record, the Frosh "A" team ended its season with a third place conference finish and a Co-Championship of the Willowbrook Freshman Tournament. Coach Zimmerman felt that the players made a good transition from junior high basketball to high school ball. Outstanding players this season were Reggie Brown, Steve Barrels, Keith Sykes, a 60% free-thrower; Sam Townsend, high scorer; and Russ Williams, high rebounder.

Wrestlers Have Slump Season

According to Coach Hendricks, "There were outstanding individuals but not enough depth for team victories," in this slump season for the Proviso West Wrestlers. The only high point of the season came with early victories over Argo and Fenwick. After those victories, the team settled into a slump which resulted in more losses than wins. In spite of the general team status, however, both Wayne Bohenek and Pere Papanikolaou had individual winning records. The overall team record for the season was 3-9.

Girls' Season Is Surprising

With a 9-7 conference record, the Girls' Basketball Team took fourth place in conference play. During the season, highlights included a second place trophy at the West Chicago Christmas Tournament and a first place trophy at the Morton East Invitational Tournament. The Panthers beat Oak Park-River Forest both times they met this season, and beat Proviso East at home.

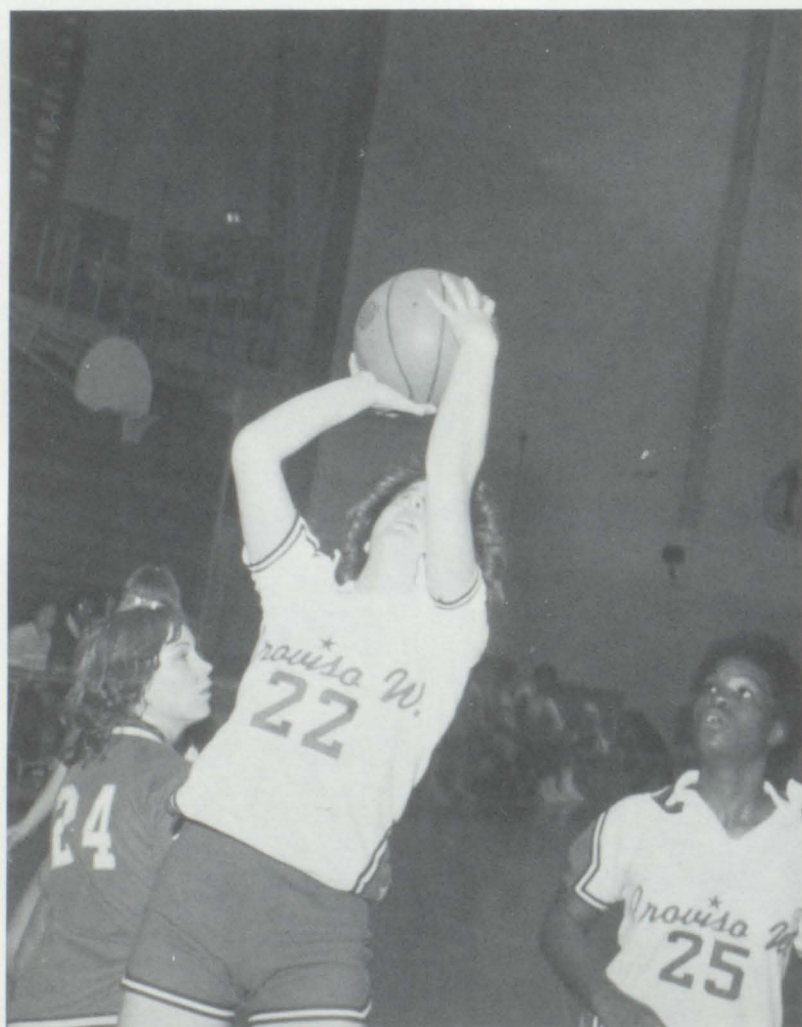

Outstanding players were Robbin Purchas who was voted most valuable player, and who was selected 1st team all conference, and chosen for the **Suburban Trib's** top twenty.

According to Coach Power, "In what was supposed to be a rebuilding year with only one returning starter, the girls proved to be the surprise team of the conference."

Gymnasts Set School Records

In spite of a 2-7 overall record, the Proviso West Girls' Gymnastics Team members were able to set a number of individual school records this season. Janet Lukas, a member of the J-V team set a record on the vault. Angie Marotto set a record on the bars, while Maria Ray set one on the balance beam. Maria Pasquale set a record in the floor routine. Another outstanding team member this season was Dodie Leamy. Mrs. Ruffolo was satisfied with the team's performances and looks forward to a strong team next year.

Individuals Set Records

For the second year in a row, the Proviso West Varsity Team won the Proviso West Indoor Track Invitational. The season was one of individual records. Scott Zanoni broke the indoor shot put record with a put of 57 feet 3½ inches. Bob Border won the 60 yard dash in a school record of 6.5 seconds. Dan Williams, who cleared seven feet in an earlier meet set a record at the West Invitational by jumping six feet ten inches in the high jump.

It was a record setting season for the West Indoor Track Team.

Administration Keeps In Touch With Students

Proviso West opened its doors for the '81-'82 school year under the direction of an experienced administration. During his second year as principal, Mr. Robert Milano could again be found walking among the students and visiting classes making himself a very "visible" principal and showing his interest in what the students of West are doing. In an attempt to keep the administration and student body in touch, Mr. Milano began a column in the *Profile* which allowed students to submit questions that Mr. Milano would then respond to. The student body found that Mr. Milano's column gave them answers to questions that might otherwise have remained unanswered.

Equally in touch with the students this year were assistant principals Mr. Gusloff and Mr. Lyne and class supervisors Mr. Strein, Mr. Bowles, and Dr. Danes. While Mr. Lyne made sure every student had a schedule of classes to go to, Mr. Gusloff, Mr. Strein, Mr. Bowles, and Dr. Danes made sure each student went to his scheduled classes. For West's administration, the '81-'82 school year was one of continued interest in and concern for the students of West.

Terry Shuster shows that "Jordache has the look that's right".

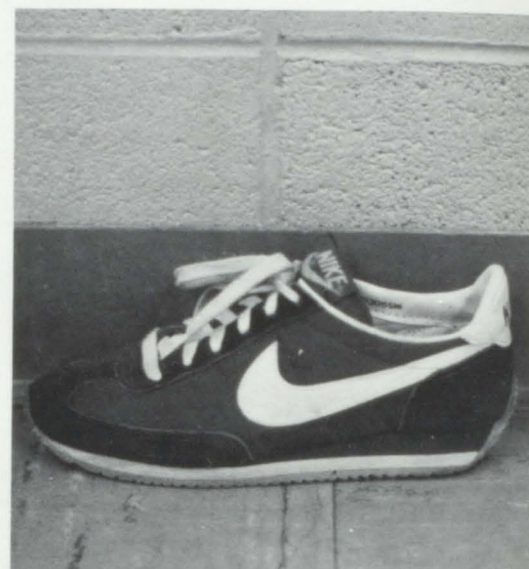

A definite way to recognize a 1980's teenager.

Lynn Salay is one of many to bring back the "preppy" look from the 1940's.

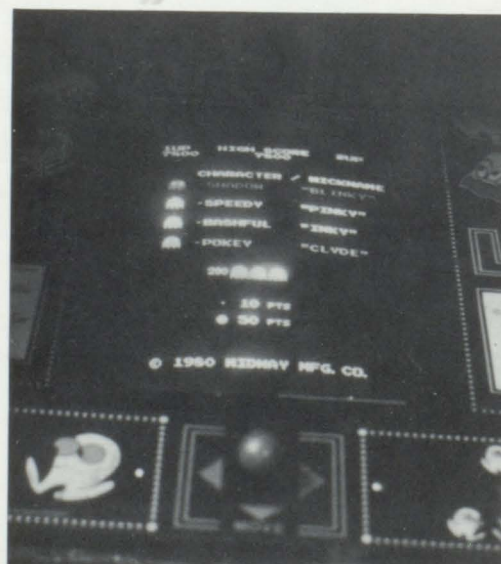

The decade of the 1980's is a bizarre era. A lot of the fashions in style are from the 1930's and 1940's. Punk rock is repulsive to some while others really go all out. Along with punk rock comes the color purple. People tend to associate the color purple with punk rock, but many people wear the color. Millions of people of all ages have taken up jogging, along with tennis, volleyball, and racquetball. Designer jeans are a way of distinguishing people. The stereotyped teenager of the 1980's carries a comb in his back pocket, and wears a bandana around his waist, in his pocket, or around his head.

The second best-selling sport name of the 1980's.

Jean Kaska shows an all out punk rocker.

Video fever hit many.

Modified punk fashions caught on to a lot of people such as Sharon Price above.

Midwesterners became urban cowboys.

A lot of people in the 80's boasted about their concert attendances.

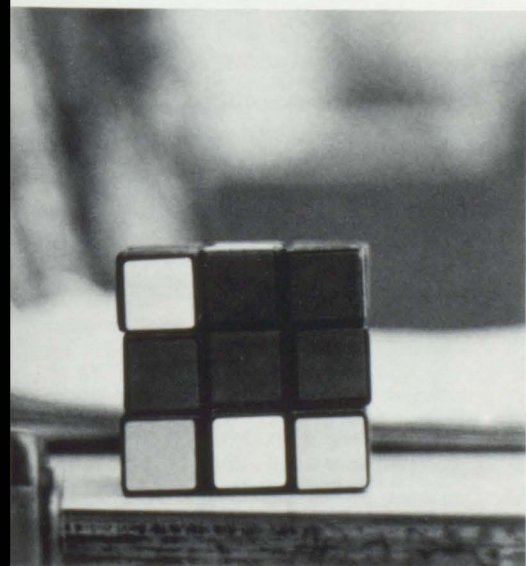

A feather fad bloomed in earrings, clips, combs and decorations as Marlene ScoBell demonstrates above.

Another fashion that has swept the nation is western wear. Almost everyone has a cowboy hat, boots, or shirt. Radios are bigger than ever, and feathers have flown in as part of people's fashion. The biggest money-makers (and money takers) of 1982 are video games. Pinball was big, but video games have hit like the plague. Home video games added to the video fever. The puzzle and aggravator of 1982 is a little cube known as Rubik's cube. The manufacturers even had to print a solution book, and contests have sprung up for the lucky people who master the cube.

Mary French with a stylish french braid.

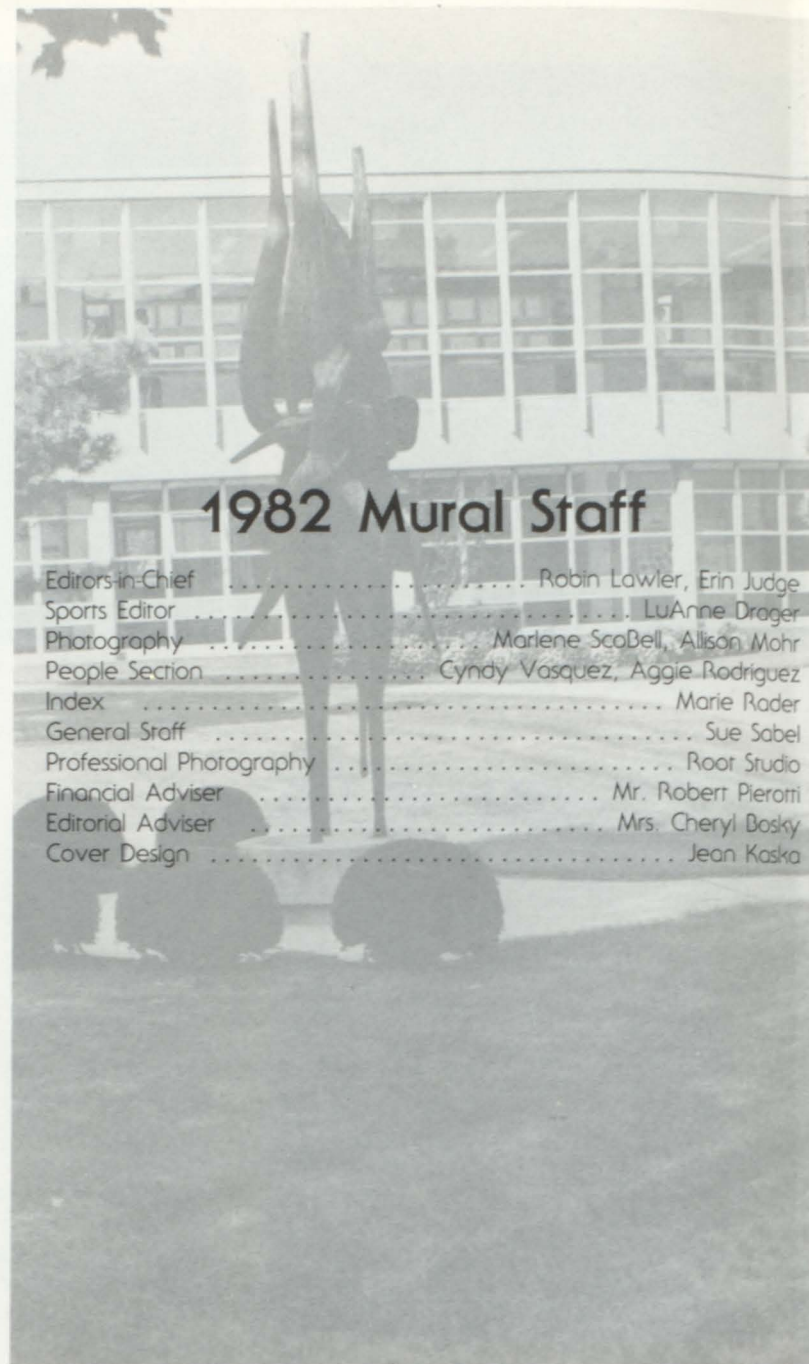

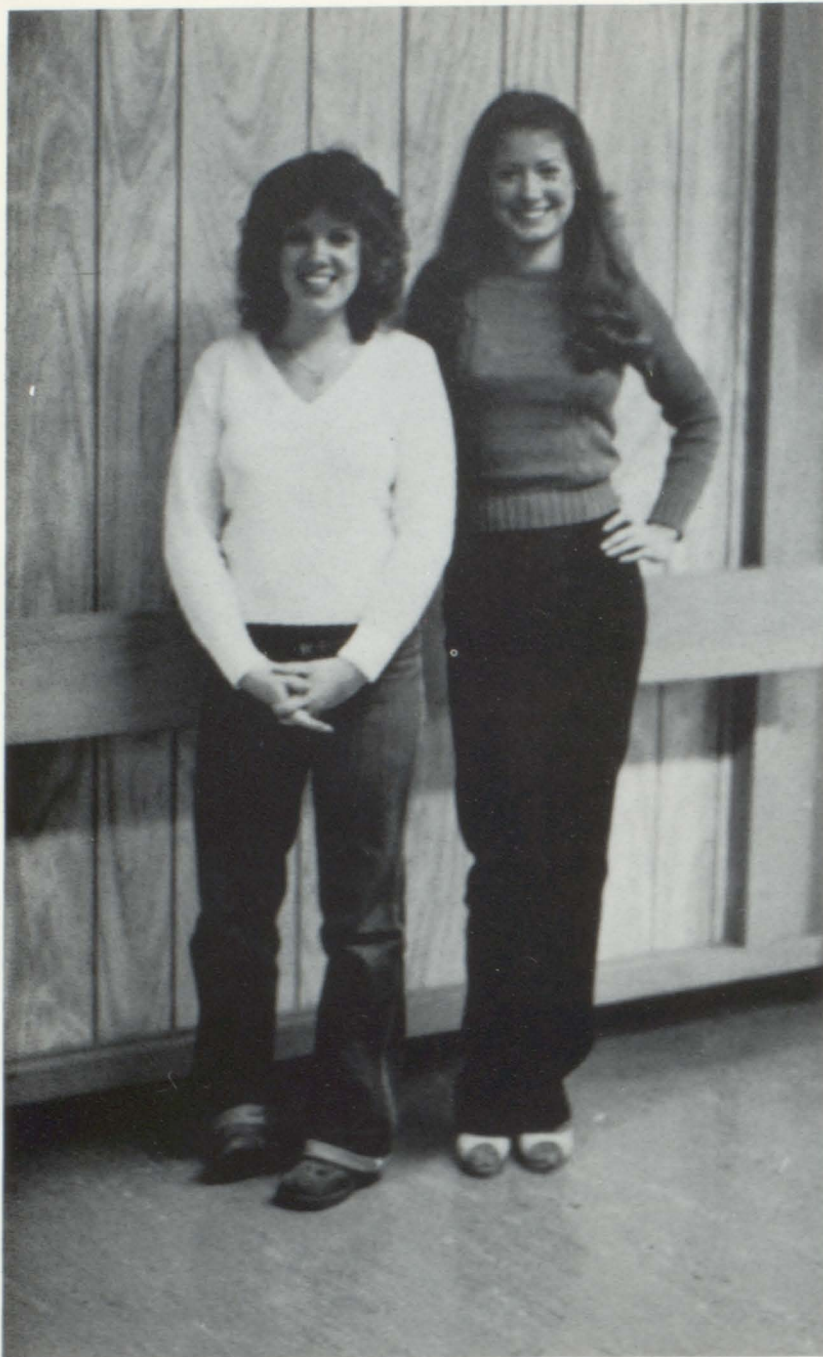

The #1 Rubik's cube twisted many brains.

Lisa Balman, like millions of others, became video junkies in the 1980's.

Pac-Man munched millions of quarters.
