

TWENTY-FIFTH ANNIVERSARY

MURAL 1983

Education is a social process . . . Education is growth . . . Education is, not a preparation for life; education is life itself. John Dewey

A Strong Nation Needs Strong Schools

Happiness can be found in simple things—in a smile, in a laugh, in a tear. It can be seen in the spirit of Proviso as it permeates the halls, the commons, and the classrooms. Each man constantly seeks happiness, but this yearning is satisfied only with the realization of its source.

Life is not a number of years spent conforming to the rut of modern society. Life is the breath of the soul. People in every place and at all times are involved in this act of living. Each is aware of the treasure that has been given him aware of the gift of life.

*Man is endowed with a guiding intellect and will instead of the compulsive instinct of an animal.
By refusing to learn and to think, he deprives himself of the fullness of life.
Therefore, man must continually seek the knowledge of Truth which will set him free.*

*Each person must leave the mass confusion of conflicting ideals, and reflect in solitude to find his true self.
Each must become conscious of the burning questions: "Why do I exist?" "What is my destiny?"*

Homecoming is the time of year when we welcome the alumni back to West. Because there was no graduating class at West until 1961, there were no Proviso West alumni until then. Therefore, the first Proviso West Homecoming festivities took place in 1961. The anticipation of the Homecoming tradition has continued to bring excitement throughout the years. Classes begin planning their floats during the summer, and, as Homecoming nears, the meetings become more frequent. Senior girls put in their applications for Homecoming queen, and the seniors vote for their top ten choices in homeroom. Homecoming Friday finally arrives, and the students all gather to show their enthusiasm at the pep assembly. The Key Club performs its traditional skit; the Girls' League "Goonies" entertain us and then the big moment arrives when the queen is announced. That evening, students meet in the field-house to put the finishing touches on their floats. The excitement starts on Homecoming Day with the parade and then the football game. The band and the Panth'ettes provide the half-time entertainment. The big event finishes that evening with the dance where the queen is crowned, and couples dance the night away. These traditions are observed every year, yet each Homecoming in itself is unique, and all are equally special to the students.

What today's pep assembly crowd lacks in size as compared to the old crowd, they make up for in enthusiasm.

Roxane Geske waits with nervous anticipation. (Above left) When the time comes to open the boxes, (Above center) Roxane lets her astonishment be known to all.

Below: The class of 85 puts in a strong final effort after three months of hard work on their first place float. Seniors can now rest as the float is being pulled to the parade sight.

Homecoming '82 has been described by many as the most exciting and successful in Proviso West's history. At the pep assembly, the Key Club performed its annual impersonations of the football team and Panth'rettes, and members of the Girls' League entertained us with their dance of the "Goonies." The cheerleaders dressed in their pajamas to add their interpretation of this year's Homecoming theme. The crowd cheered as Roxane Geske uncovered her silver slipper, making her this year's Homecoming Queen. The students worked furiously to finish their floats on time, and the sophomores' hard work earned them the prize for first place. The band and the Panth'rettes donned Mickey Mouse ears for their halftime performance. Although we lost the Homecoming game, our spirits could not be dampened. Homecoming Day concluded with a beautiful, "fairy tale" gym filled with couples dancing to the music of "Encore."

The clashing of cymbals, the tapping of synchronized steps, the shimmering and sparkling faces of the parade participants, all signal Proviso West's annual Homecoming parade. Even though rain drops dampened the landscape, the spirit of the crowd and the parade participants were bright.

Homecoming Day Captures Many Memories Of The Football Game And Evening Dance.

A principal who does not hide behind his desk.

A Special Dedication For A Special Man

Mr. Milano is more than a principal to us; he is a friend, and he is a man who will stand behind his word and his work. He consistently has shown his interest and deep concern in futhering quality education in Proviso Township, and he always has given freely of his personal time in supporting extra-curricular activities.

The Members of the 1983 Mural Staff join with the entire student body and faculty in expressing our gratitude to our principal as he celebrates his Silver Anniversary with Proviso Township High Schools. To commemorate his meritorious service, we would like to dedicate this Silver Anniversary Edition of the MURAL to him.

LEARNING TO BELONG ...

CLASSES

Counting On Counselors

The counselors are those special people who are "behind the scenes." In Proviso, the counselors are an important part of the education of a student. In times of choosing courses and planning for college, the counselors are working diligently to give the student assistance that will prove valuable in future times. With the aid of a counselor, the student in Proviso can receive his education feeling secure because he knows his counselor is working around the clock for him.

Business Education: Preparation For The Future

Mrs. Wolanin aids a student with her shorthand skills.

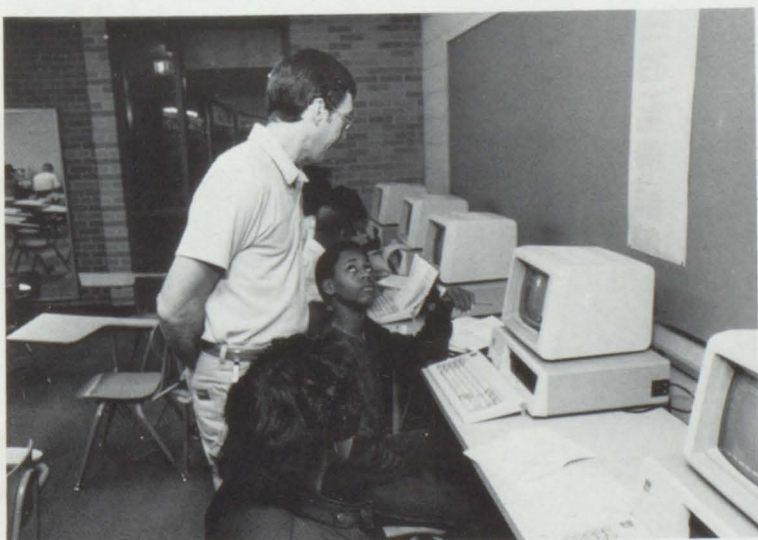

Denise Andrysiak displays determination which will enable her to become a dominant typist in the future.

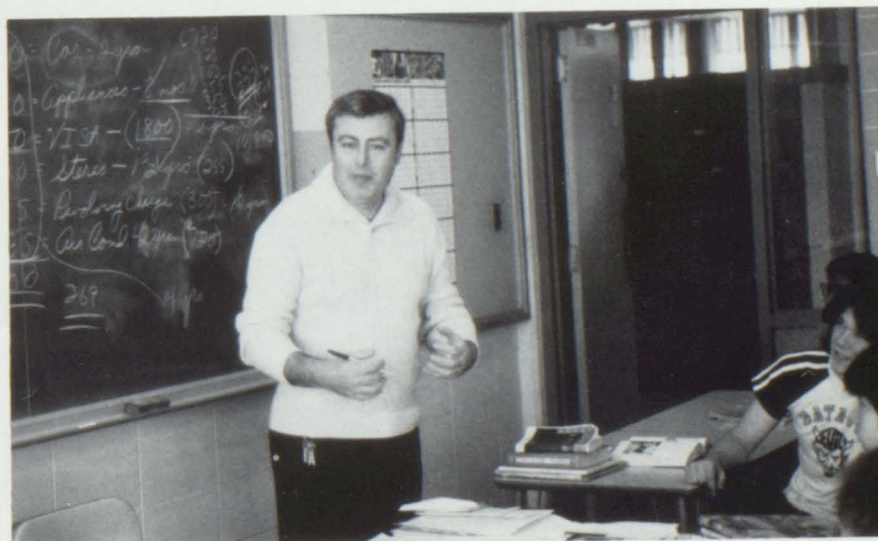

Kim Weber points out an intricate part of her program to Bob Byrd.

Proviso West's Business Education Department is becoming increasingly important and popular among the students. More jobs are now in demand of people with a good background in typing, shorthand, and accounting. While Compro still provides students with the chance to learn programming and keypunch techniques, Data Processing has been eliminated this year as a class choice. In its place, West had modernized itself with the introduction of two new computer classes. These two new classes, Micro-Computer Data Entry and BASIC, are enjoying immense popularity this year due to the fact that so many students are becoming interested in the field of micro-computers. Changes like these in the business classes are doing much to improve the students' skills for use in their later careers.

Mr. Read answers a confused BASIC student's question.

Mr. Pierotti lectures to an attentive Accounting class.

Teaching To Bring Out Everyone's Fullest Potential.

Art is a visual language of special communicative power which liberates and exalts the human spirit. Line, color, texture, form, and space blend and yet remain distinct as individual creativity expresses itself in batik, oil painting, and sketches. Freshmen acquire a foundation for the appreciation of art and have the chance to develop their talents with advanced courses. Art as a means of making, seeing and sharing beauty is an essential pleasure for the soul of man.

Former teacher Mr. Margita nods approval for his student's work. Miss Sweeney replaced Mr. Margita and has demonstrated her ability for teaching art and understanding students' needs.

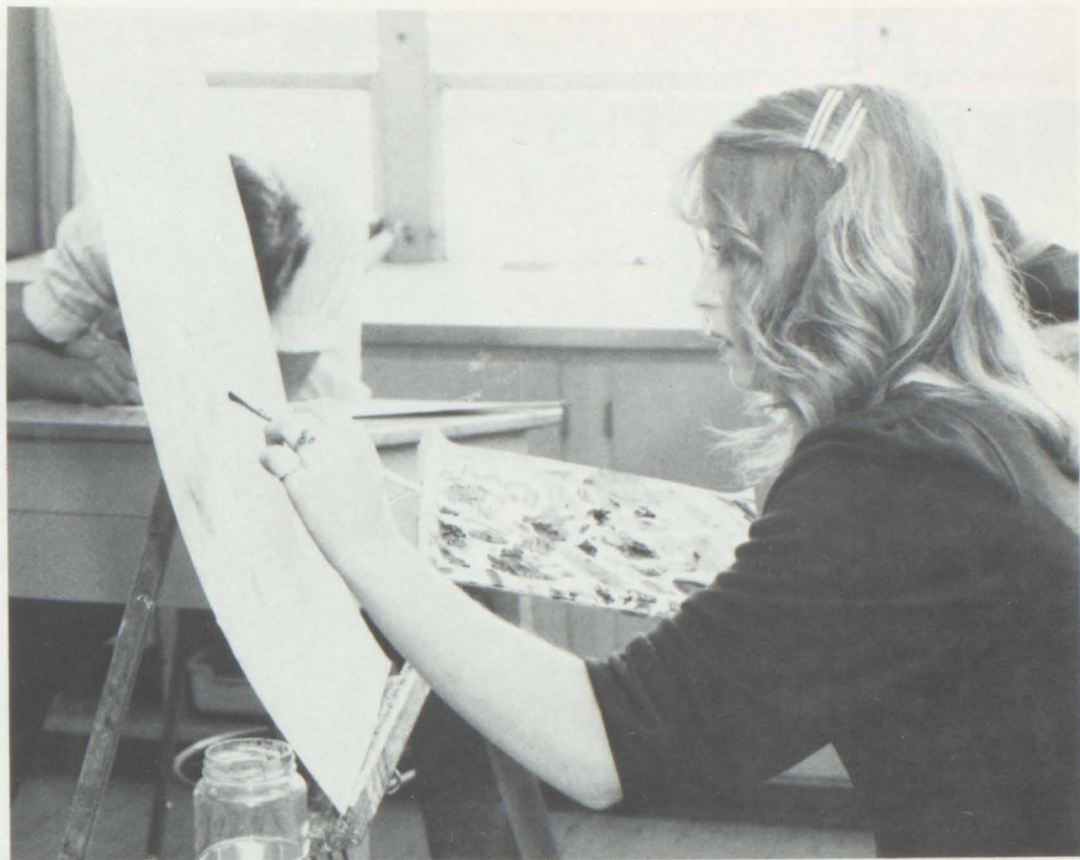

Rolanda Harry finishes scraping and adds a coil.

She begins to line up her pot.

Perfection Plus

English presents the thoughts of the past and of the present for the understanding of the students. At first the neophyte may tend to be non-plused with the classics of American and English literature. A gradual understanding and appreciation of their relevancy to modern living grows as the awareness of true poetry and prose and the ritual of grammar continues. The eternal controversy of the placement of a comma epitomizes the battle of the exceptions to the rules. Freshmen gain familiarity with oral talks in the basics of speech. In all classes literary background and grammar merge in the communication of each individual's impressions and convictions. The entire department strives to instill a growing fascination for the ideas of men formulated into words.

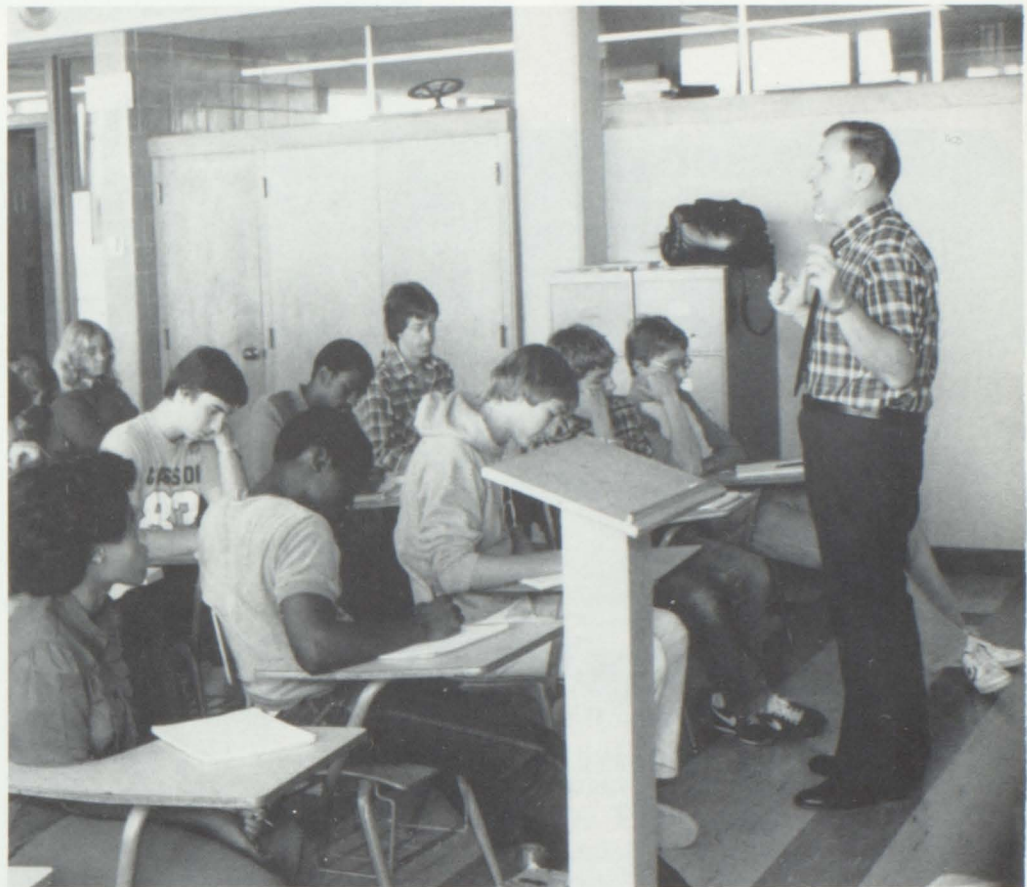

Paul Montague and Nancy Bonelli enact a modern day version of Hamlet.

Well-done, Delicious, And Delectable Home Economics

Home Ec. students prepare food for a delicious meal.

Kevin Flowers uses the infallible hand measurement system to fulfill his wildest recipe.

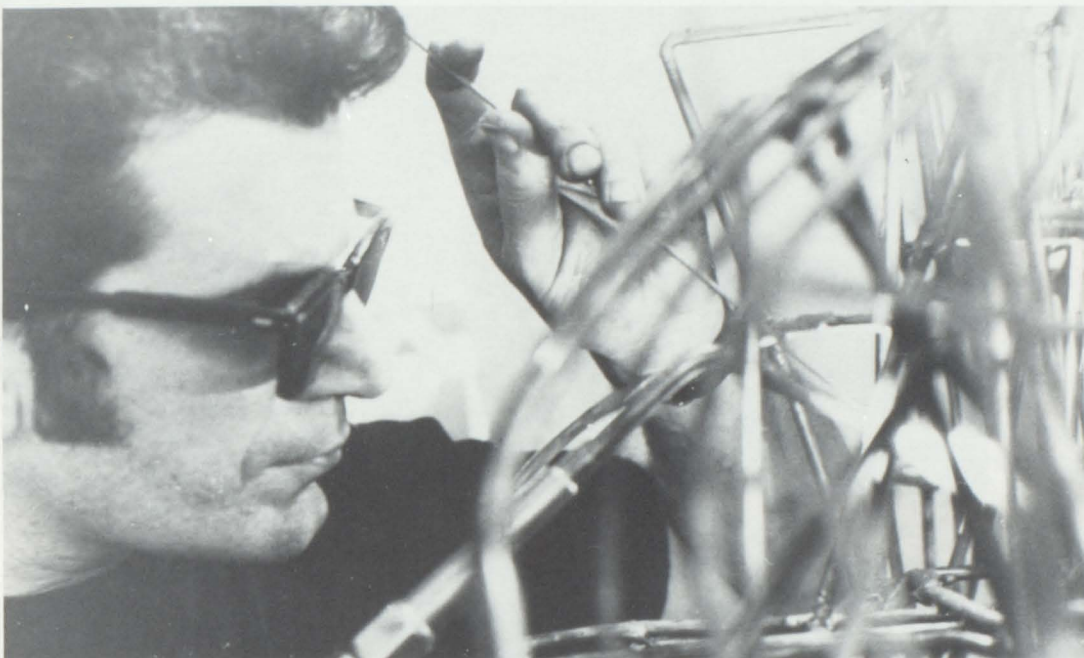

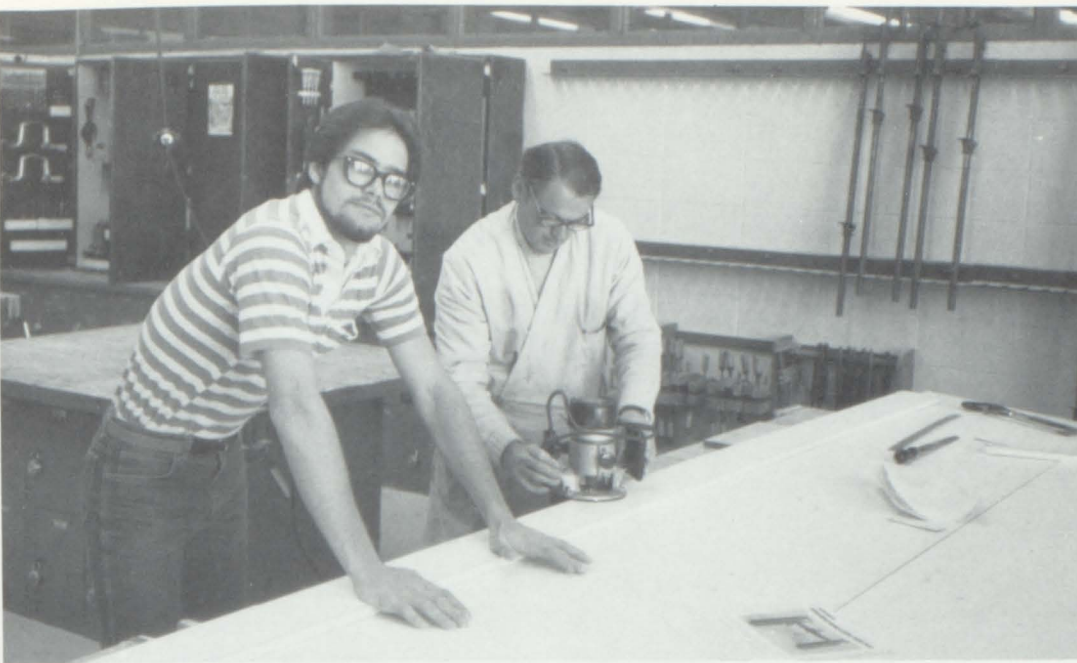

These Child Care students use entertainment to entrance the children.

Shining utensils, tantalizing biscuits, and the tang of lemon meringue pie become the status symbols of the home economics student. As a future homemaker, a student acquires experience in managing a thrifty budget and well-balanced meals. Students learn not only how to cook, but also how to sew and to knit. Those students who wish to gain future job experience in working with children enroll in the Child Care Careers class. Throughout the past years, male enrollment in the Home Economics Department has increased, making the department more utilitarian.

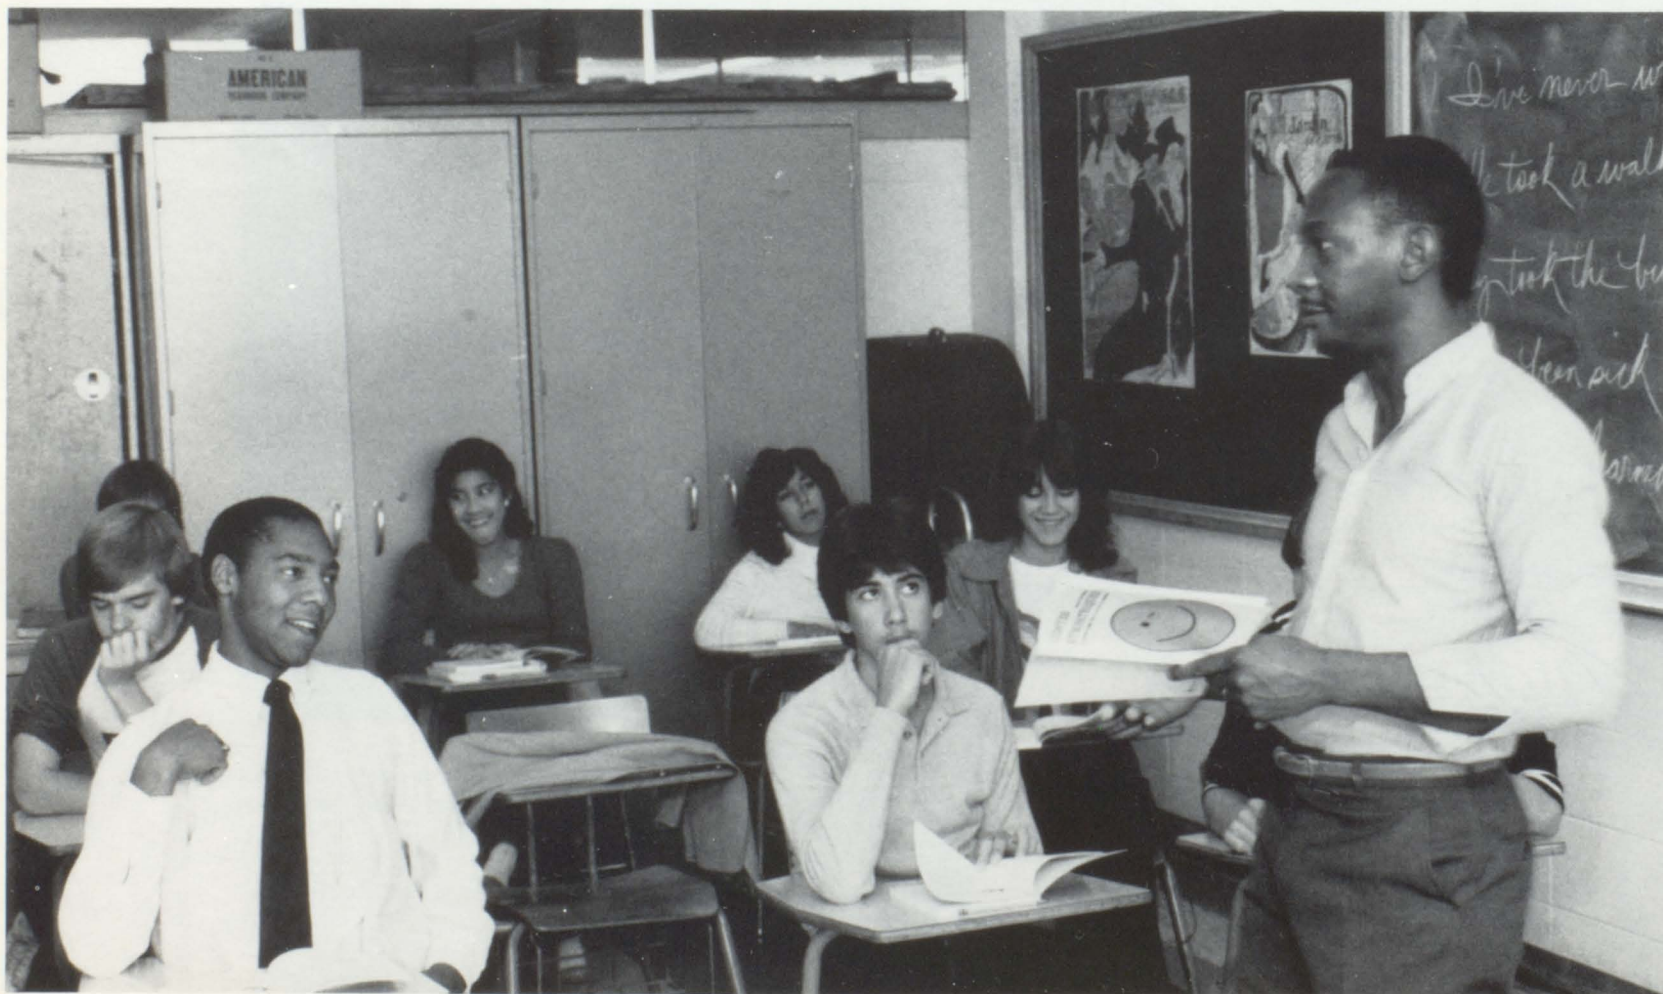

Industrial Education Trains Students For Future Work

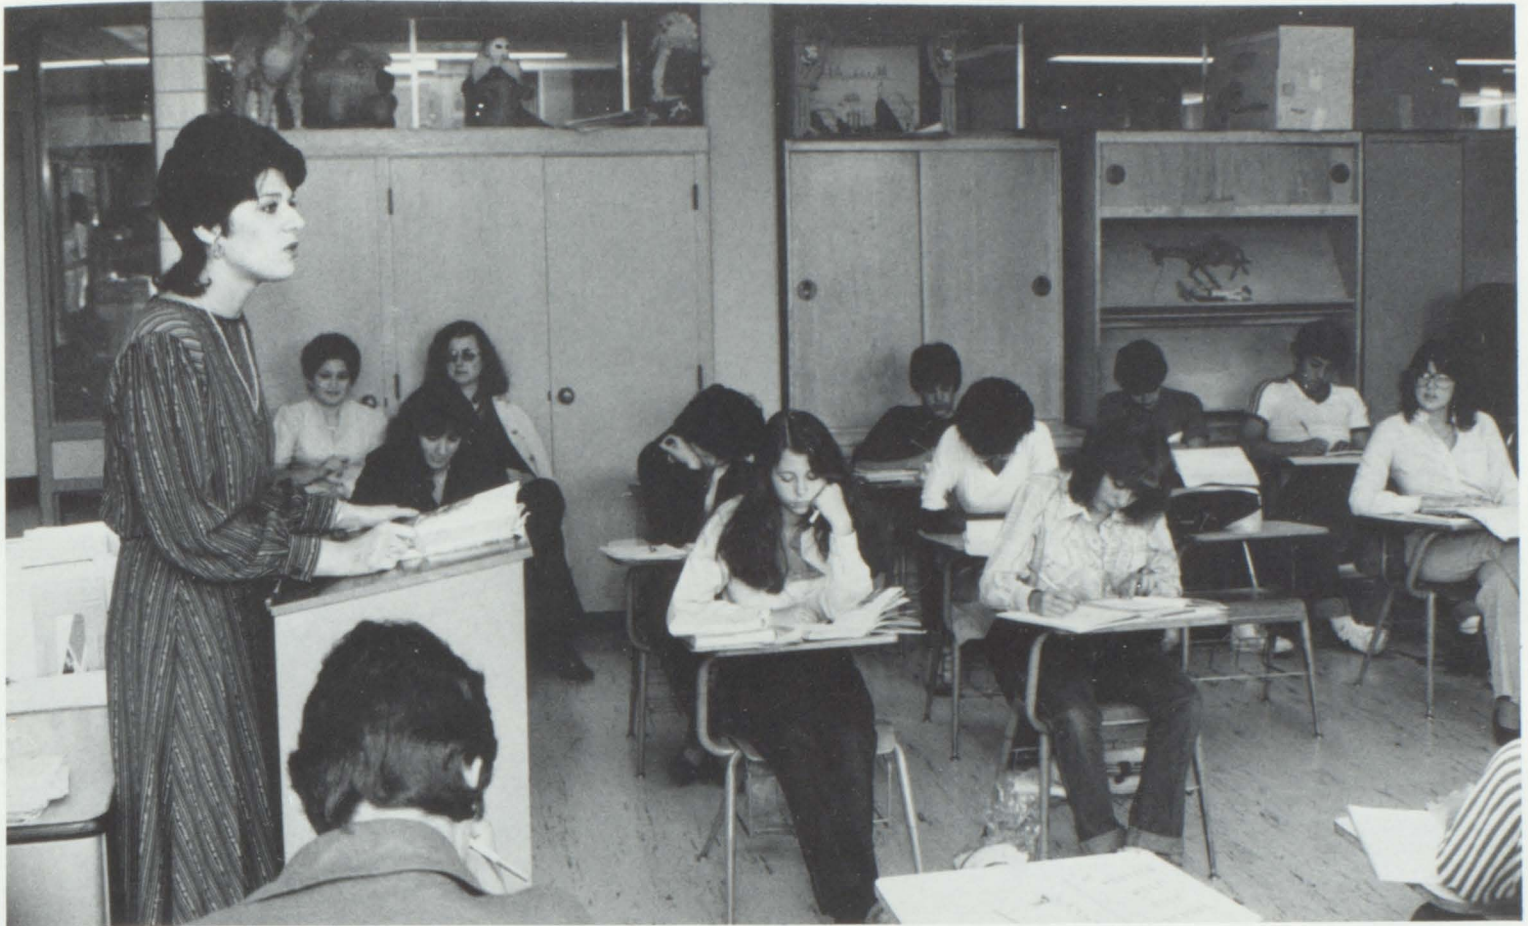

Industrial education has taught many students how to operate in the industrial world. The carpenters, auto mechanics, architects, and engineers of the future will have emerged from Proviso with an added extra of education in their certain field. Through such courses as Electronics, Tech Drafting, and Auto Theory, those students have a solid foundation on which they might base their future education and lives. A new course that was introduced this year is Home Maintenance. The course was designed around problems found around the house. As in all Industrial Ed. classes, Home Maintenance had no boundaries as to the amount of education. In future years, one can look forward to new innovations in the Industrial Ed. Department that will enhance our world.

Living, Learning, And Loving Languages,

As the world becomes smaller with each successive generation, the need to be multilingual becomes apparent. Proviso West is doing its part with excellent programs in the French, German, and Spanish languages. Proviso West students experience the vocabulary and grammar of the language, as well as each country's culture. As a result, language students at Proviso receive an exchange of ideas and much understanding between nations as well as realize the contributions made by all men of the world.

“What greater or better gift can we offer our nation than to teach and instruct our youth?”
-Cicero

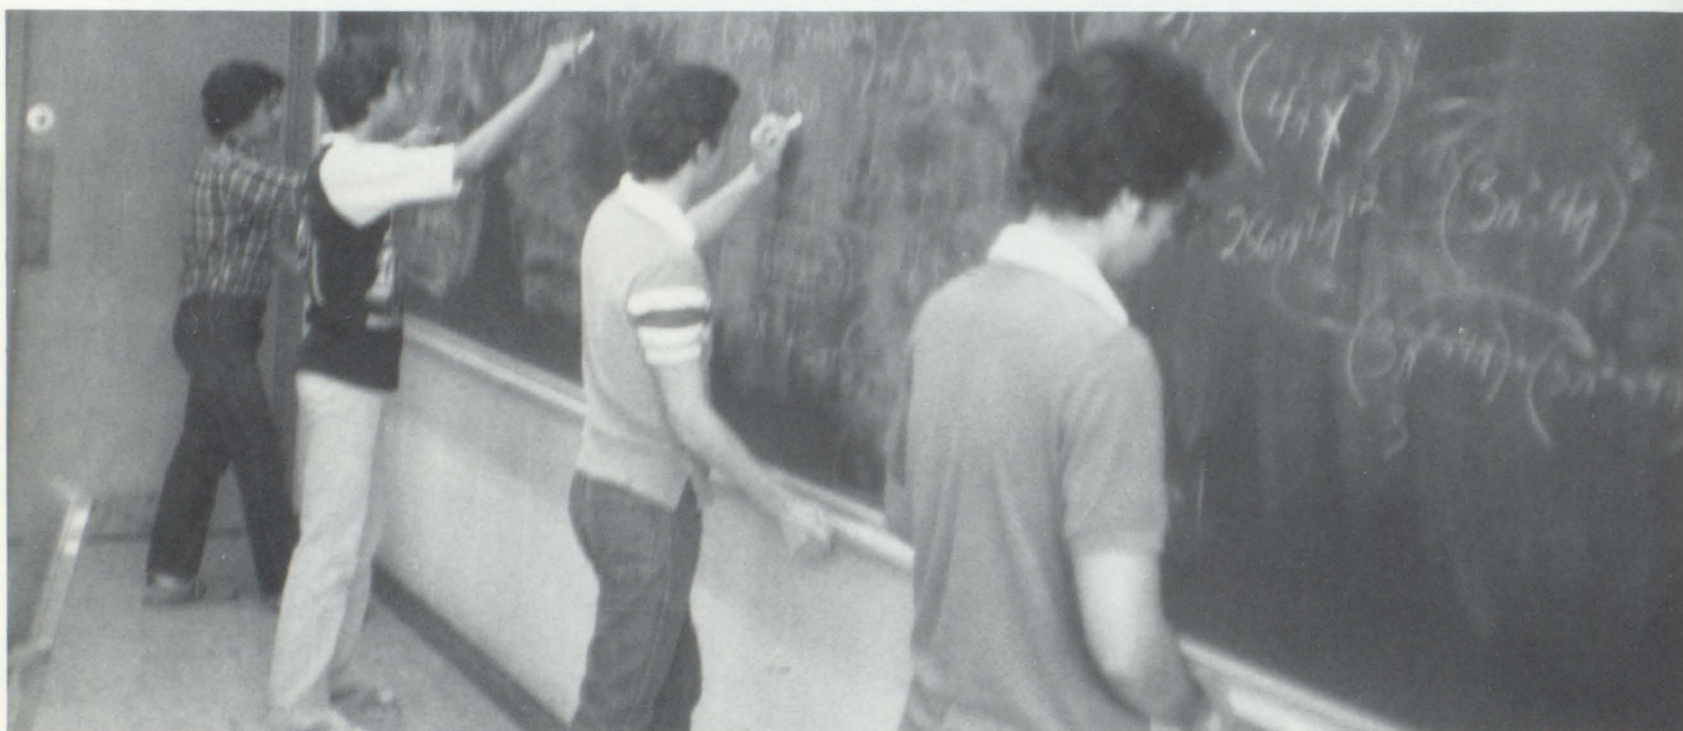

“Was für eine bessere Gabe können wir unsrer Nation anbieten als die unterrichtung unserer Jugend?”
--- Cicero

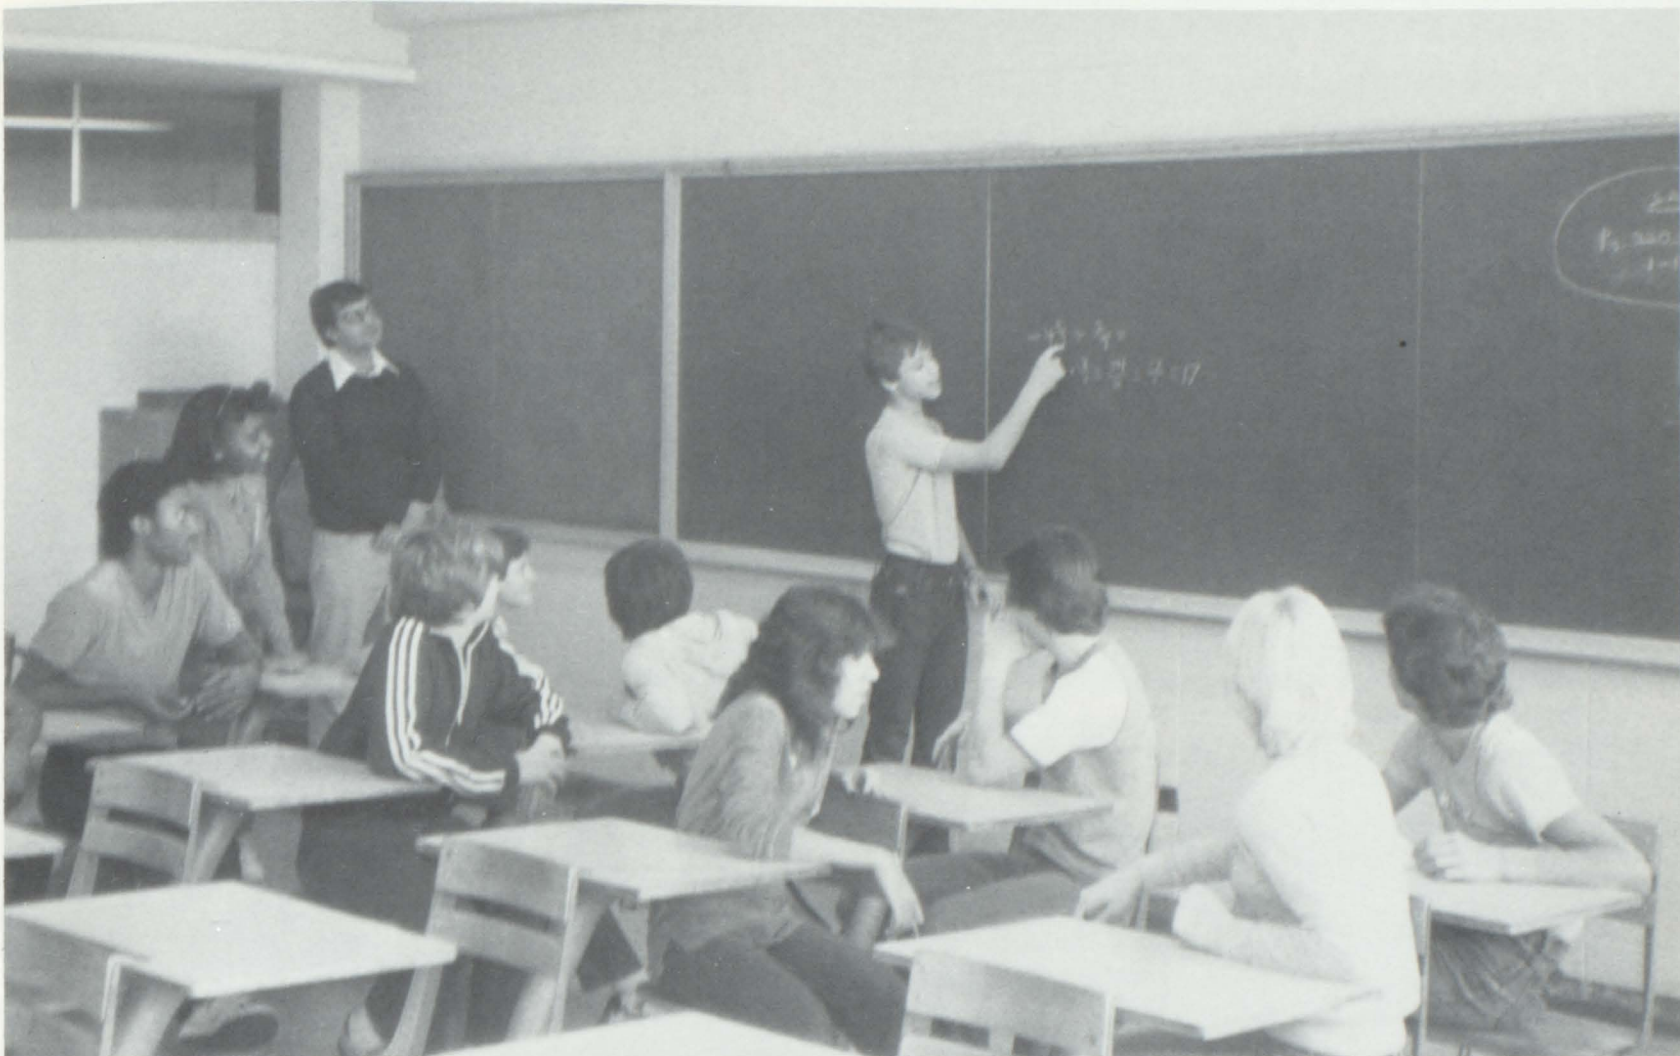

“¿Cuál mejor hay para la nación que enseñar a la juventud?”
--- Cicero

“Y a-t-il un meilleur cadeau que l'on puisse offrir à notre patrie pour les jeunes?”
----Cicero

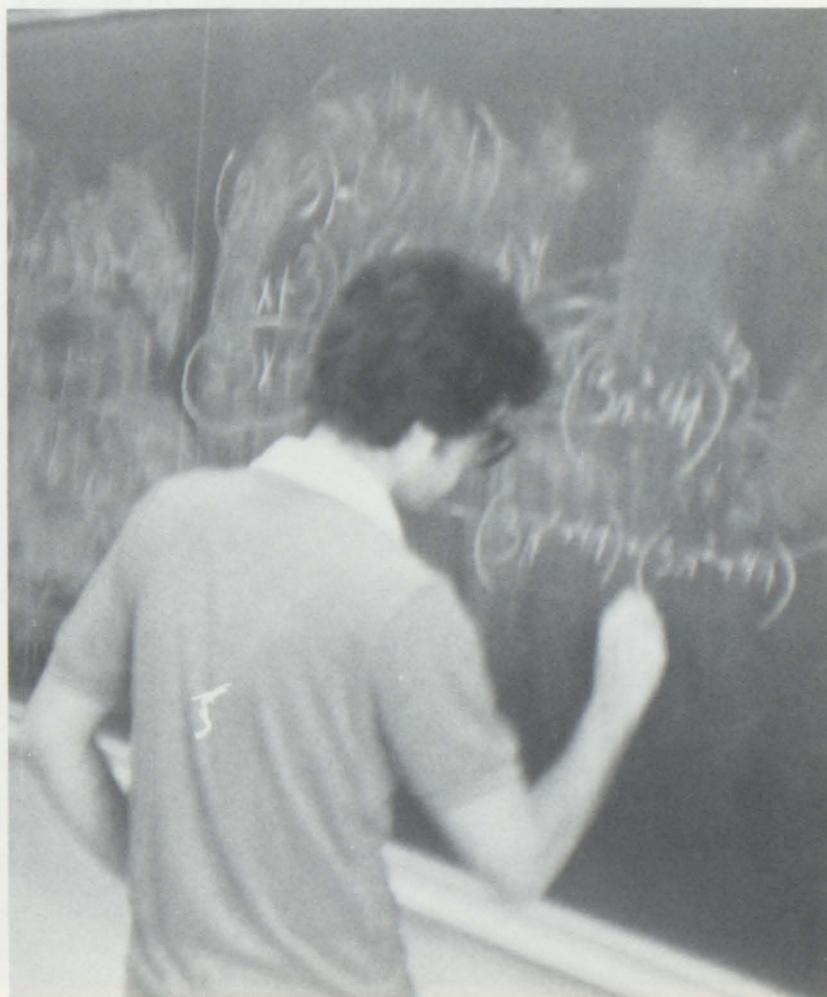

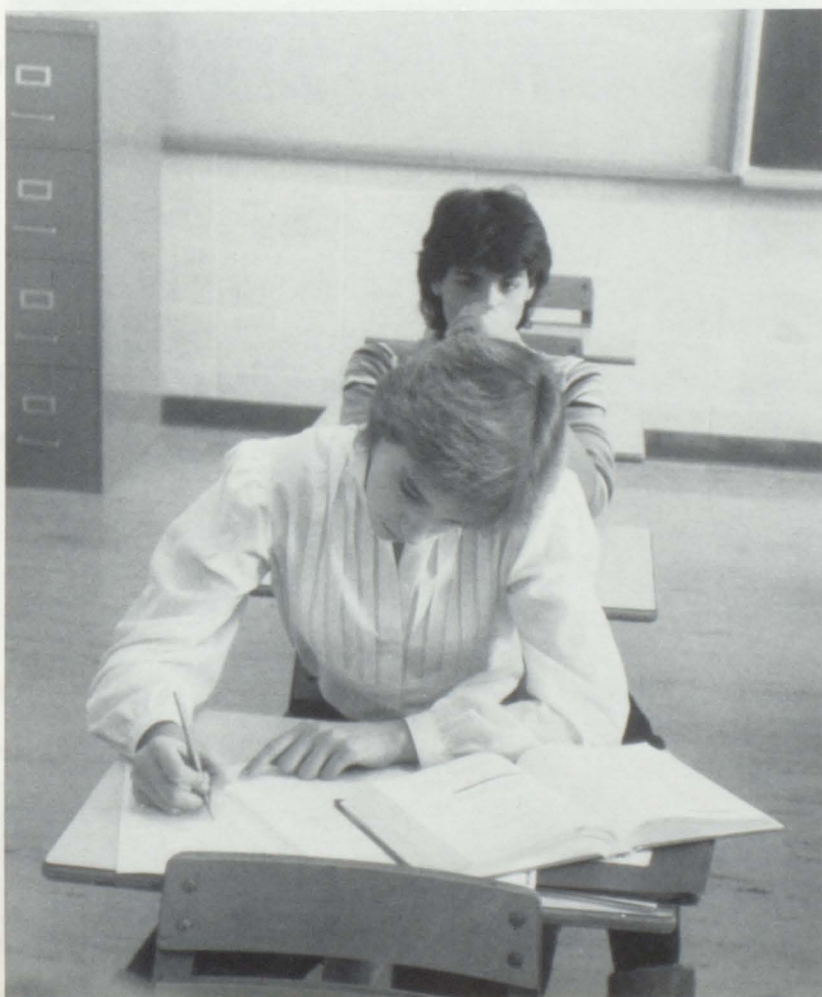

Figures, Findings, Formulas, And Functions

Proviso West boasts a very fine and diversified math program. Math is a subject which requires the learner to put forth just as much or more than the instructor. West's math classes range from Math Fundamentals through Calculus. Although the math classes are hard, students are forever rewarded after completing a year or semester course. With the introduction of the micro-computer into the world of mathematics, more students are becoming interested in the great science of numbers and figures. Proviso has kept a strong math department for twenty-five years and will continue to do so in the future.

Math Students Receive In-Class Experience

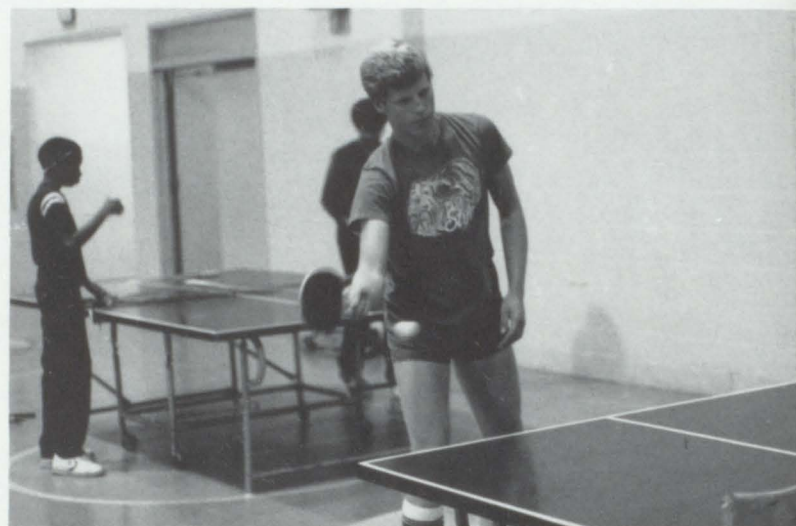

Muscles Never Cease To Flex At West

Through the years, Proviso West has experienced many changes. These changes are especially apparent in Physical Education. New uniforms appeared receiving much gratitude from the girls. Co-ed classes proved to be popular among Proviso West students. Many helpful faces have been added to the department staff in order to assist classes.

With the health movement of recent years, it is not uncommon for girls to workout in the weight room. Physical Education provides an exhilarating break in the day for active students.

Science Places Its Emphasis On Cooperation.

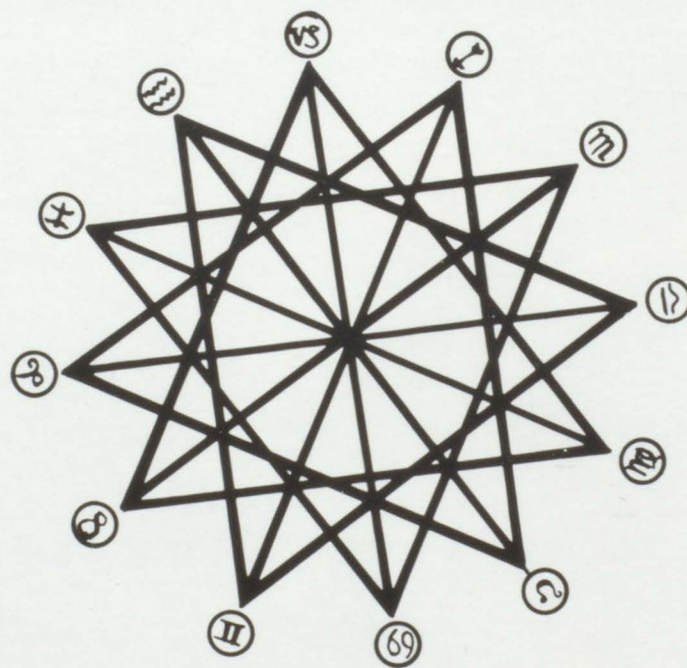

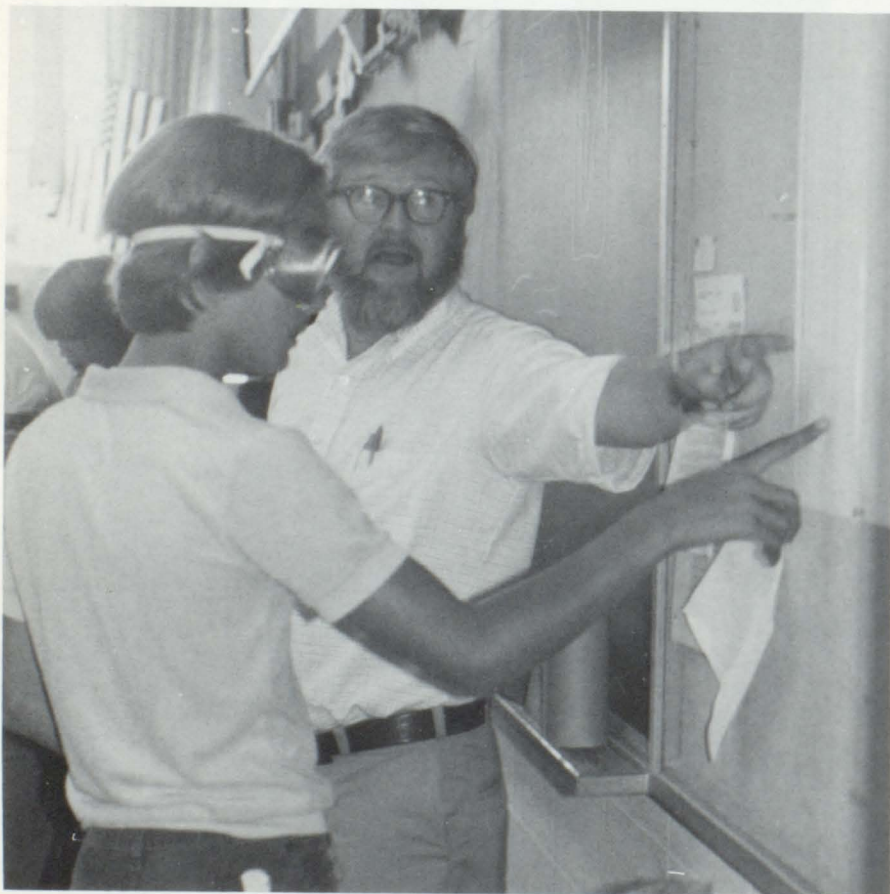

The search begun two thousand years ago by Aristotle and Socrates continues. This is the quest for solutions in the mysteries of science. Daily, new fields are being founded, and almost as rapidly the Science Department of Proviso West presents these ideas to the students. In chemistry, physics, and biology, students grasp the phenomena of nature by lecture and experimentation. Supplementing class work, the biology teachers promote field trips and visits. Science is ever acquiring new facets that make the probing scientist conscious of the vast realm of knowledge that exists.

Students' education is enhanced through paying attention to lectures.

Mr. Williams aids a student while the rest of the General Science class finishes its work.

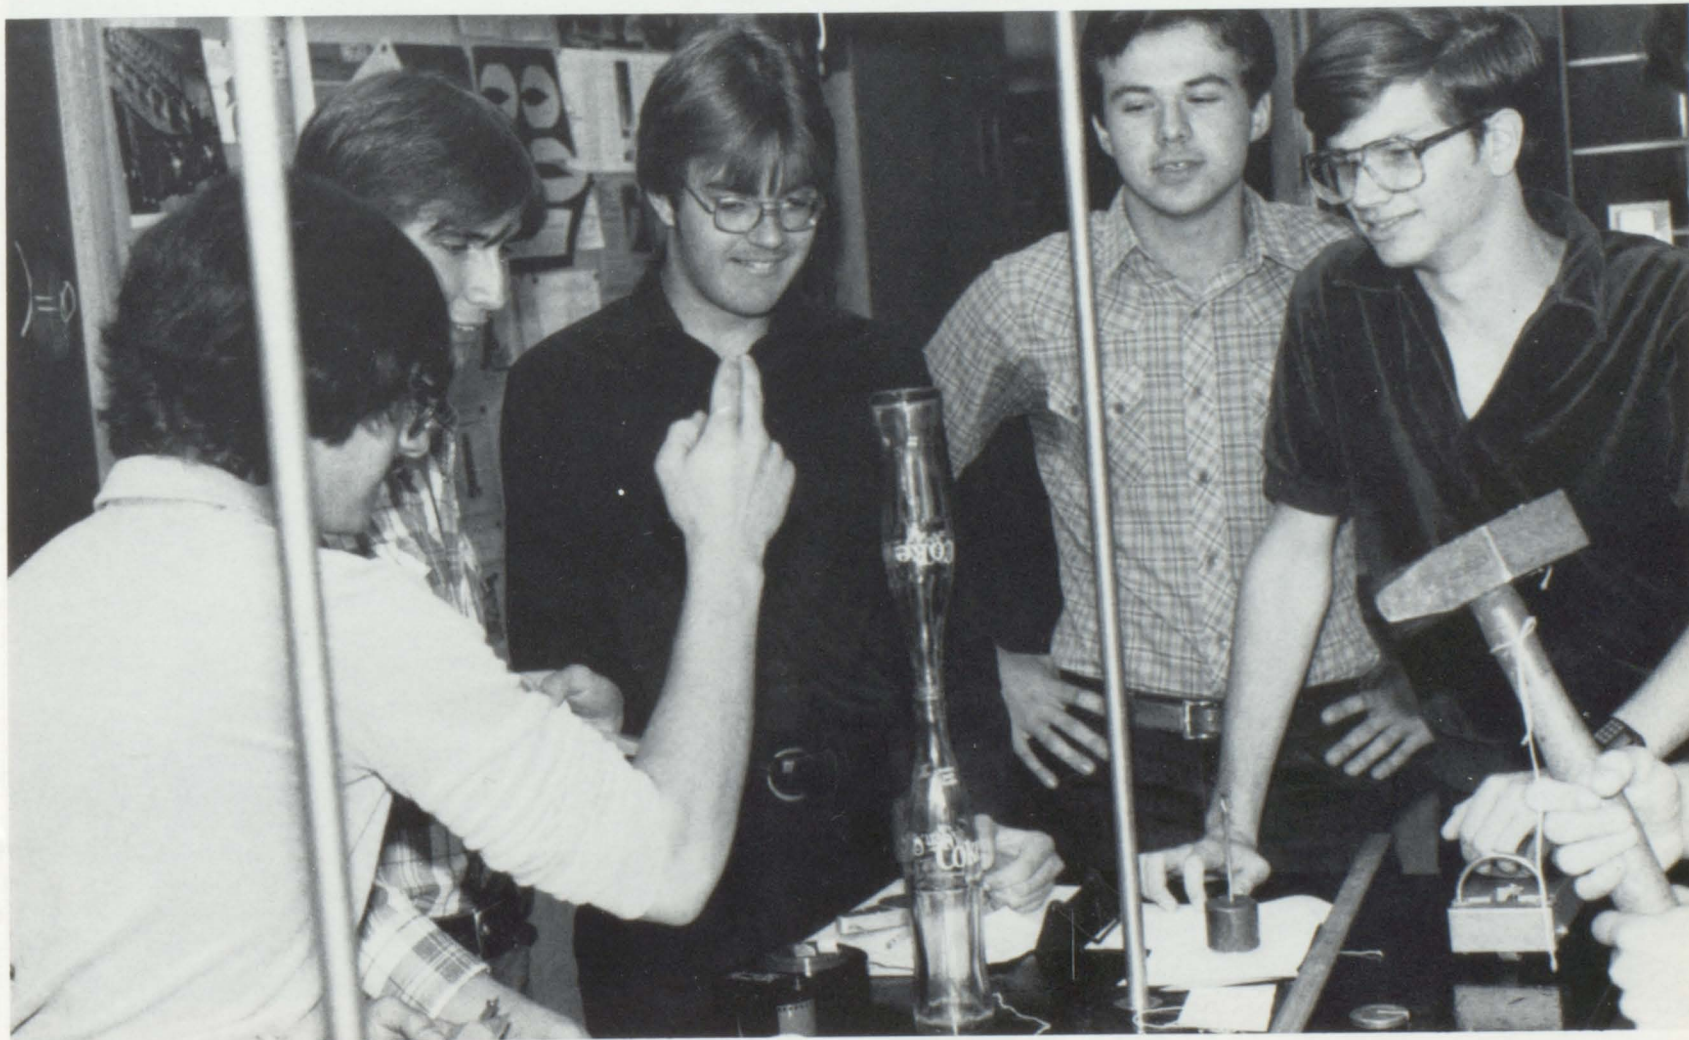

Mr. Carr points out the light to a Physical Science student who is in the dark.

Students of yesterday exemplify the many advances science has made throughout the years.

Mr. Nelson and Mark Sabatino take time out of a Biology experiment to pose for this candid.

Social Studies Improves Students' Academic Abilities

Students learn about geography while Mr. Curtin points out particular locations on a map.

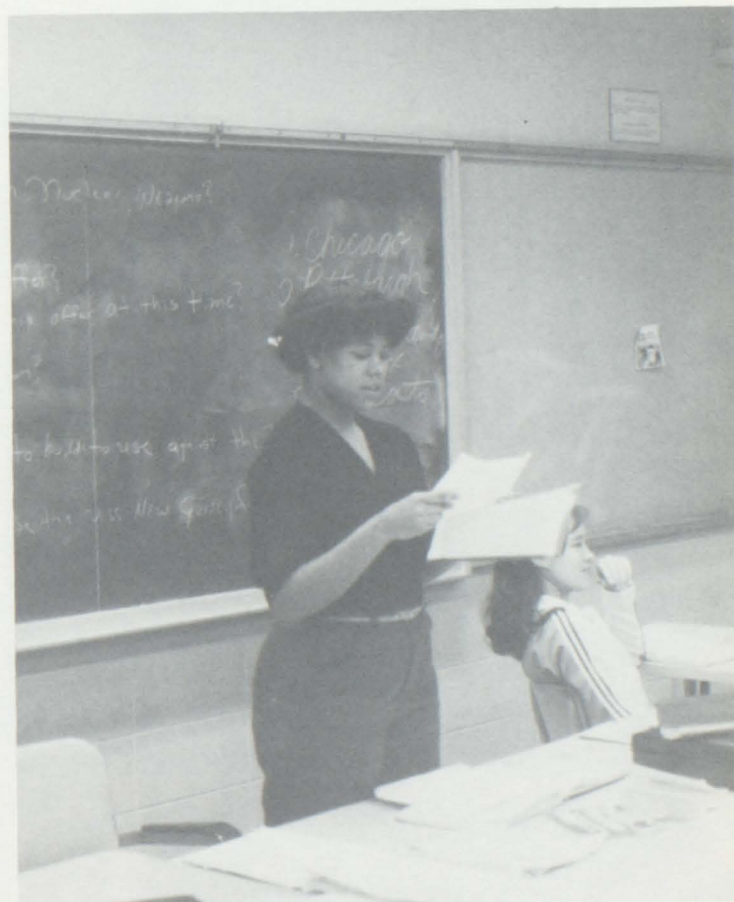

Students listen to Mr. Kelly as he gives a facinating lecture on social studies.

Mr. Dawson listens intently to what his students have to say.

Students work diligently to complete homework.

One of Mr. Dawson's students presents her ideas about nuclear weapons.

News, *National Geographic*, Novels

The Proviso West Library offers students educational as well as creative literature. Proviso's Library has up-to-date magazines, daily newspapers, and recent books as well as various encyclopedias, dictionaries, and documentary literatures. The library accomodates classes with reservations and similarly, students can come to the library to work in peach and quiet.

Mrs. Beuthin helps keep the library running smoothly.

Mrs. Overby studies a current book list.

Mrs. Swanson's work is never done!

Mrs. Dirks helps Jeff Schultz find a current periodical.

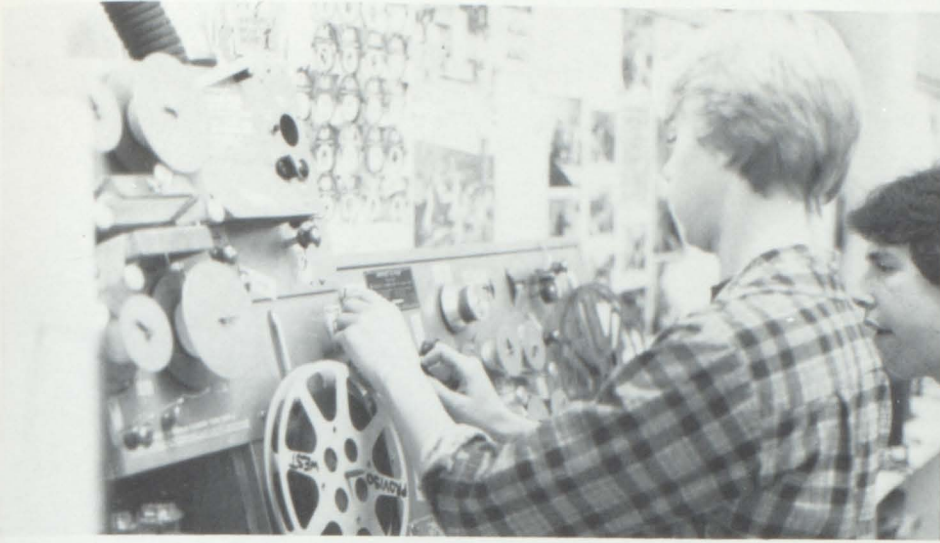

Paul Noel studies in the serenity of the library.

A Yearbook In The Works

The Proviso West MURAL has always been an extension of the varied personalities who have passed through our portals during the past twenty-five years. The assemblage of a yearbook of this magnitude requires many skills and talents from its staff members. Like a linked chain, each member must perform his required task with *ackuraciee*, *ephishansee*, and *speed*; otherwise, the chain is useless.

"There are times when one would like to hang the whole human race, and finish the farce." - S. L. Clemens

Normally jovial Co-Editor Dan Green displays a per-
versely sullen mood.

The MURAL staff this year was most enthusiastic and learned to pull together to get by with a little help from our friends even when we discovered that you can't always get what you wa-a-ant, but you get what you need. It was that magenta, magisterial, magnificent, majestic inspiration that we the staff needed to say hey, Bulldog, and to help us achieve our incalculable, Sisyphean operation which would then enable us able to see, to be, to know that which is known to be those which would see something to imagine that those whose perfection is like the reflection of a stained flawless glass mirror, who would then and only then use fat budgies to attain success and that inner feeling of peace and tranquility which we the staff understandably, vivaciously and consequently excepted as our quondam beliefs, but now as we enter the next quarter with the Washington profile of a century, we are turning to our continual matrix of hoping to reach that nirvana, that utmost utopia. But after all is really said and done, the two of us are really one; I am the eggman; they are the eggmen; I am the walrus. Goo goo g' joob. (Thank you).

A Profile Of Progress

Proviso's *Profile* first came out on September 8, 1959 with an eight page paper. Since then the *Profile* has won numerous awards and has been chosen to be featured in the Columbia Scholastic Press Association's Rating and Guide Book. This year's *Profile* has increased the number of issues, the number of pages per issue, and the use of color and graphics. Staff members went to a summer workshop at Ball State University and competed for the *Profile*'s coveted "Big Inch Award."

Drama Club Performs Arthur Miller's *A View From The Bridge*

Memorizing lines, rehearsing scenes, and practicing movements are just three things that every artist in the world of theater must do. Proviso West's Drama Club has been reborn under the guidance of Ellen Boyer and Mary Lavavej because the interest in theater touches all different types of people. This year, the Drama Club attempted Arthur Miller's *A View From The Bridge*, and Mrs. Boyer, the director, believed it to be a great success. A stellar performance by newcomer Kevin Wixted captivated and entrapped the audience. With the growing popularity of the theater at Proviso West, new faces and new talents are being discovered and are constantly and consistently expressing themselves.

Thespian Theatrics Thrill Audiences

The International Thespians are a corps of actors who are internationally recognized and have displayed a professional interest in the area of the performing arts. Even though Proviso West's theatrical resources are limited, our Thespians have participated in many outstanding works such as *The Imaginary Invalid*, *The Bat*, *The Fantastics*, *The Matchmaker*, *The Bad Seed*, and *Bye, Bye Birdie*. With the continued influx of aspiring actors and actresses, the International Thespians association will continue to flourish at Proviso West.

Steady Speakers Sight Success

Proviso West is currently rebuilding its speech program under the guidance of Alexis Palm, Mary Lavavej, and Ellen Boyer. The Speech Team engages in various competitions with other schools from other districts. Some of the activities in which the speech team engages are Dramatic Duet Acting, Radio Speaking, Original Comedy, Oral Interpretation, Contest Play, and Reader's Theater. Because they have shown promise in district and sectional competitions, Proviso West can look forward to success in the near future.

Delightful, Dazzling Dancers

This year Choreography and Orchesis proudly presented their annual show "With A Little Imagination." The girls in the show practiced two or three days every week and every night for the two weeks preceeding the show. To become members of either Choreography or Orchesis, the girls had to endure difficult tryouts. The tryouts and the hard work are worth it, though, when they receive the satisfaction of putting on a good performance. Besides putting on their annual show, Choreo-Orchesis also participated in such things as the Homecoming Parade, candy sales, and a pizza party.

Proviso's Most Successful Team Continues Quality Performance

It was great having an official photographer for our championship team. Some of your pictures will remain a long time in our display case. Thanks. Best wishes to a fine person.

Mr. Stillwell

Since 1967, many Proviso West students have participated on the winning chess team under the fine leadership of Mr. Larry Stillwell. The students have won more than 500 individual trophies or cash awards for their accomplishments. Every year the team has lost no more than two meets since 1967. The 1982 season ended with 55 consecutive West Suburban Conference dual meet victories. Since the first IHSA State Championship in 1975, Proviso West has defeated more opponents and won more trophies than any school in the state. They set a record by winning consecutive state championships in 1980, 1981, and 1982. The team has placed in the state meet for five consecutive years and is truly one of Proviso's finest teams.

The Chess Team's 1983 season got off to a sparkling start by winning the sweepstakes in the Aurora West Tournament which is the largest tournament next to state competitions. Our Congratulations go out to a dynamic group of individuals.

This was a reviving year for Proviso West's Gamers' Guild. Martin Melekus, Chris Munnich, Paul Noel, and Richard Zak rewrote and revised a Gamers' Constitution. An October candy sale brought in extensive revenues which the club hopes to utilize in the future. The club also sponsored a Dungeon Meet on December 4 which was open to other schools. The Gamers' Guild hopes to bring the thrill and adventure of medieval conquests to Proviso West.

Soccerettes Provide Enthusiasm At Soccer Games

Any soccer game at Proviso is not complete without the help of the Soccerettes. The Soccerettes are essential to all soccer games because of their devoted help. During the contests, the Soccerettes assist the referees, coaches, and players by retrieving balls and provide the players with care. They are vital to the soccer team because they cooperate with the cheerleaders to add zest to games. Through their support, the Soccerettes provide a fresh as well as enthusiastic aspect to soccer games.

Pep Club Keeps The True Proviso Spirit Alive

This school year has introduced several new things to the students. Along with this year has come the reincarnation of the Pep Club. The Pep Club, which used to be called the "Jungle", is trying to promote the high school spirit of Proviso West in other manners besides solely cheering at sports events. The club makes posters to publicize sports events of all kinds. One idea that was introduced by the Pep Club is the playing of our school song every Friday during the school bulletin. With more support and encouragement, the Pep Club could turn into a very supportive and enthusiastic club in all of Proviso.

The Marienette Club was formed in 1965. Back then the club consisted of a few girls practicing aquatic maneuvers after school. Now, however, there are almost twenty girls who discover that they can master elegance and style in the pool. Their hard hours of practice pays off. In the past, they have entered competitions in Iowa and in Canada in addition to putting on an annual swim show every spring. This year's show based on a color theme exemplifies precision and style.

Would the average student be familiar with these important symbols? Laboratory and library assistant's however are quite familiar with these and other such symbols. Invaluable assistance is provided to both the Science department and the Library by a corps of dedicated personnel. These young assistants perform chores which run the gamut from the menial to the cerebral. These aids devote a great deal of time and effort without receiving much credit.

In 1965, the Panth'rettes began their slow conversion from a pom-pom squad to a dance and drill team with their new sponsor, Mrs. Erickson. Mrs. Erickson led the Panth'rettes until 1976, when Mrs. Waszak became their new advisor. In 1978, Mrs. Erickson returned and still remains as the Panth'rette sponsor. Since their beginning in 1963, the Panth'rettes have been a part of the spectacular half-time shows at the home football and basketball games.

Sizzling Skins

Although this year might have been a little disappointing to the girls after going 18 and 4 the previous year, they should all be very proud of themselves. They beat the all-conference champs, Glenbard West 2-1. Keeping the other teams scoring to a minimum were excellent defensive players like Kathy Kozurek at shortstop and Pam Andros in Center field. Gina Hardy blossomed into a fine pitcher while throwing to the best catcher at West the past three years, Sue Herbert. The offensive splurge was led by Debbie Paetsch and Marianne LeDonne. Debbie Paetsch was the leading hitter and she was also named All-Conference.

Varsity Swings Into Another Successful Season

This season brought Proviso West Baseball back to the top of the West Suburban Conference for the fifth time in fifteen years. In those fifteen years, Proviso West leads all other schools in the West Suburban Conference in championships. This conference is considered by Major League scouts to be the best in the state. By winning the conference, the team felt that they had had a terrific season. By winning more conference titles than any other school since 1967, Proviso West feels that our program is consistently strong. Phil Hayden, the Most Valuable Player of the team, was selected as the All-State Centerfielder. This was a fine championship ballclub that was ranked fourth in the Chicago Area (Suburbs) for the final month of the season.

Freshmen Swing Into Season

The 1982 Freshmen Baseball team was led by exceptional hitting. Clayton St. John, Larry Blumberg, Tom Alajoki, and Jim Wede all hit .300 or better, and the team shut out Hinsdale Central 4 to 0. The team is looking to improve its pitching and defense and hopes for a solid 1983 baseball season.

Sophomore Team Has Ability

The Sophomore Baseball team had what Coach Gilbert called an "eye-opening" season. The team showed a great deal of talent, and the players learned their potential. The individuals acquired some good, sound fundamentals, and the team got great pitching from Steve Bartels, Mike Oddo, and Brian Osinski. Close games were a big part of the 1982 season, evidenced by the team's involvement in 7 one run games.

Through determination and concentration, Brian DiCristafano steadily holds a difficult "L" position.

Gymnasts Vault Into Next Season.

This year's gymnastic highlights are as varied as the individual teams. The freshman gymnasts took second place in the Hinsdale Freshman Invitational, and they also scored over 70 points at the end of the season, which is a team high.

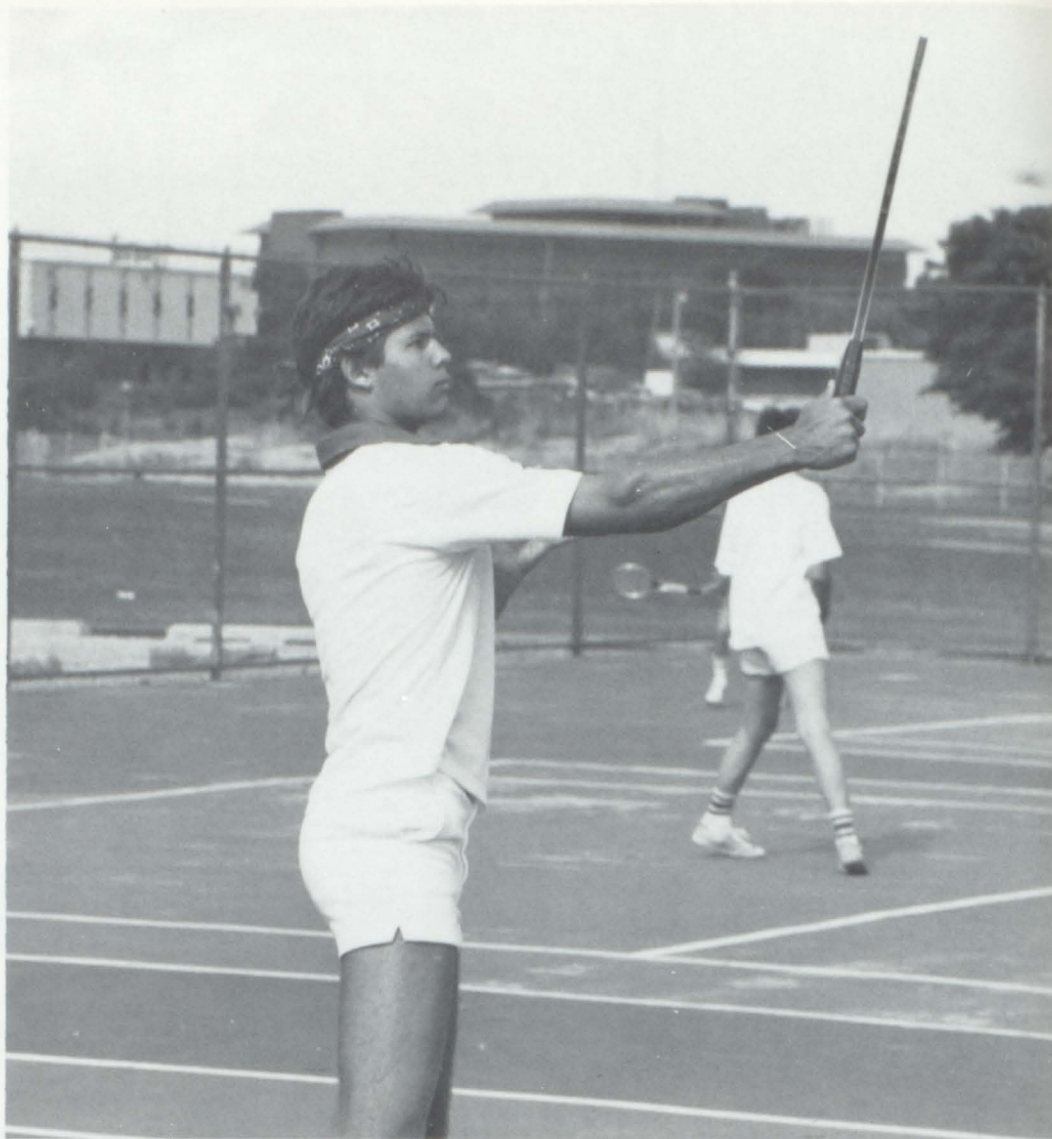

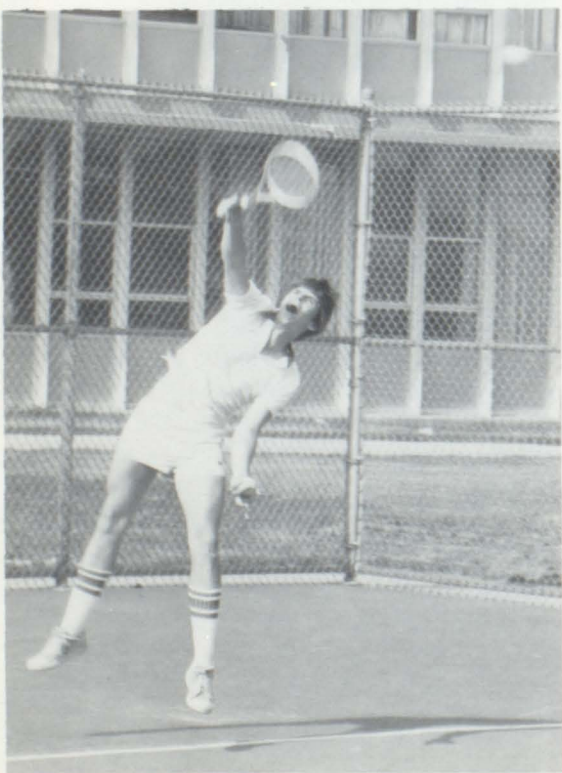

The varsity team depended greatly on the success of freshman and sophomores who were thrust into Varsity roles. Junior Doug Lesak and Senior Ken Zagone turned in consistent performances throughout the season. Senior Ray D'Ambrosia was selected Most Valuable Gymnast as he also performed brilliantly. Overall, Coach Read feels that he has a vibrant, growing team that will make consistent gains in the gymnastic circuit over the next season.

Varsity Lobs Tennis Season

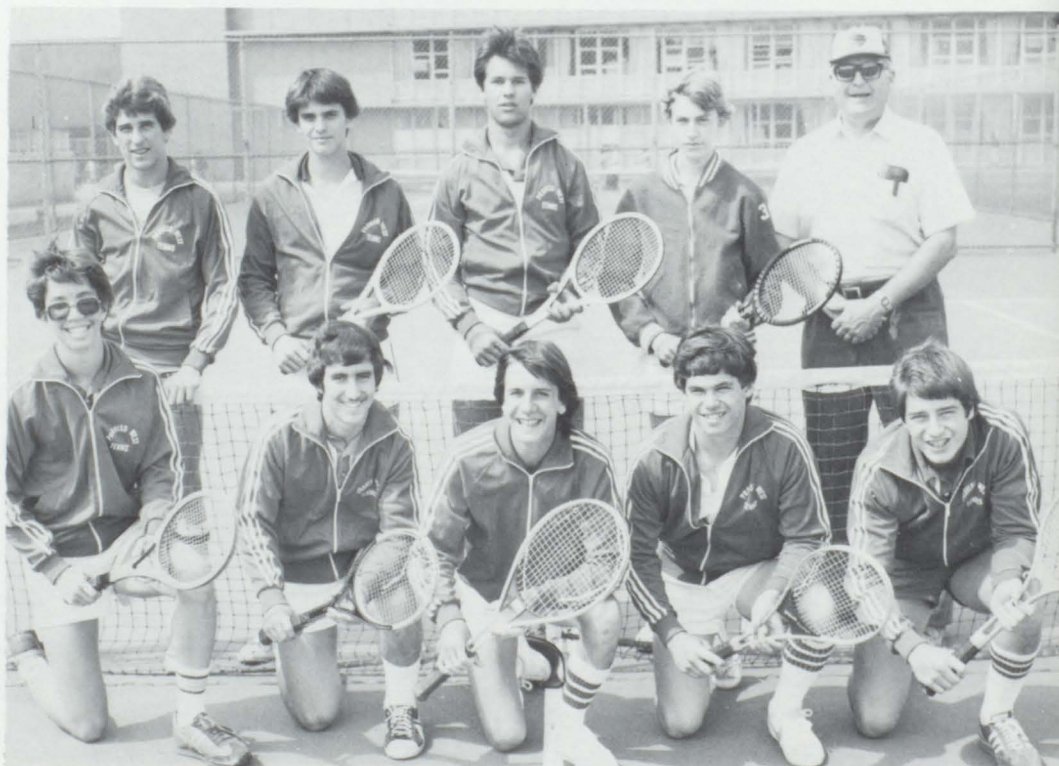

The Varsity Tennis Team was not up to its usual high standards in 1982. Their overall record of 6-10 could be improved as well as their conference finish of seventh place. Dave Koldras was voted Most Valuable Player, and returning senior Dan Mazzolini played third singles and took first place in the Proviso West Invitational. Injuries plagued the team, and Coach Braucher hopes for a healthy, improving year in 1983.

Frosh-Soph Hoping To Ace Next Season

Comprised primarily of freshmen having little prior experience in the sport, this year's Freshman-Sophomore Tennis Team got off to a rough start but remained persistent throughout the year. Coach Fitzgerald termed this year's team as a team that experienced a "building year." Although having a 4-10 overall record, the team showed character in the conference tournament with a victory over York at second doubles.

Fans always lend support. Joe Knez takes advantage of the fan support as he makes a fine effort to continue the volley.

Bopping Birdies

Although this year's team had a conference finish of 8th place, with an overall record of 0-13, they had many individual accomplishments. It was the first time a singles player qualified for a state meet. Maria Trazo placed 4th in a district meet and qualified for the state meet at New Trier High School. The team also participated in the Ridgewood Tournament where Lori Uecker won 1st place in 3rd singles division.

Girls Track Team Goes Down State

Proviso West's Girls Track Team had an outstanding year in 1982. The team placed first in the District meet and sent 3 relay teams and 3 individual events to the State Meet.

The team was spearheaded by the fleet footed Michelle Collins who captured sixth in 100 meter dash and seventh in the 200 meter dash in State Competition. Proviso West's Varsity Girls 400 and 800 relay teams acclaimed as All-Area, All-Star Teams. Coach Kolhman was exceedingly proud of his Varsity and Frosh-Soph Track teams because of their determined efforts and achievements throughout the season.

Varsity Sprints Through Another Season

The Varsity Track Team had a very gratifying year. They took third place in conference. Dan Williams finished second in the state high jump. Anthony Gonzalez won the District Championship in the pole vault, and he also competed in the State Meet. Bob Border, Kurt Smith, Darren Dial, and Eyder Rubio ran in the State Meet in the spring relay. Vecente Ward, Chuck Watts, Rubio, and Dial ran in the mile relay at the State Meet. Overall, the team did well, and Coach Wieczorek looks forward to another promising season this season.

Varsity Experiences A Rebuilding Year

Proviso West's Varsity Football team had an off year in 1982. The team's first game was a complete whitewash of the St. Joseph Chargers. Unfortunately the team lost its magic touch and proceeded to lose eight conference games in a row. Despite an irregular year the Panthers had two members, Kevin Cooney and Melvin Williams, on the All-Conference team. Graduating lettermen take with them qualities of leadership, self-confidence, and responsibility, while returning players hope for a more fruitful year in '83.

Sophomore Season Filled With Disappointment

The football season for the Sophomore Panthers was a very disappointing one. Injuries, penalties, and other problems plagued the opposition that could have easily been won by the Sophomores if everyone were healthy and if mental errors could have been avoided. Despite the setbacks, this year's team broke many standing Sophomore records including most sacks in a season and most offensive yardage in a season. If all things go properly next season, the Varsity should look good with the addition of these Sophomores.

Freshman Show Much Promise For Future Years

This year's Freshmen Football team got off to a great start. Strongly led by Nick Mazzochi at the helm and John Blatenmore and Joey Turner at the backs, the team crushed Downers Grove North 51-0. Their overall record of 4-5 was no indication of the success the team had. This football team shows bright promise for the future and looks like a steady competitor on the Proviso grid.

Varsity Soccer Blasts Through Another Season

The Varsity Soccer team had a respectable season. The team exploded for a team record 59 goals. All-Sectional player Brian Noyes set a regular season all-time high scoring record for goals with 30 which shattered Dave Perez's three year old record and which will be difficult to surpass. In addition to Noyes' fine effort, Mike Rehor, Oscar Bretana, and Goran Lukic, were named All-Conference players. The team finished fourth in the conference with an overall record of 9-10-1. Coach Yeager felt that the team had "a lot of potential" and is looking forward to next year's season.

Goalie Bill Jindrich takes breather before rough pre-game warm up.

Sophomores Finish Conference Strong

The Sophomore soccer team put forth an outstanding effort this season. In a year when players learn different techniques and prepare for a Varsity season, the team ported an over-all record of 9 wins, 3 losses, and 5 ties. Their conference play resulted in a strong 7-1-2 record which earned them a prestigious second place conference finish.

Freshmen Soccer Players Learn To Execute

Although the turnout for the Freshmen soccer team was not as great as it could have been, the final roster reflected quality athletes. Among these athletes was Demitri Starvropoulos who was an offensive threat as well as a defensive asset.

The season's most outstanding accomplishment was holding the conference champions, Oak Park, to a 1 to 1 tie. This freshmen soccer team showed that if the athletes continue to play determined and consistent soccer, they will be successful in future years.

The Tennis Team Struggles Through Another Tough Season

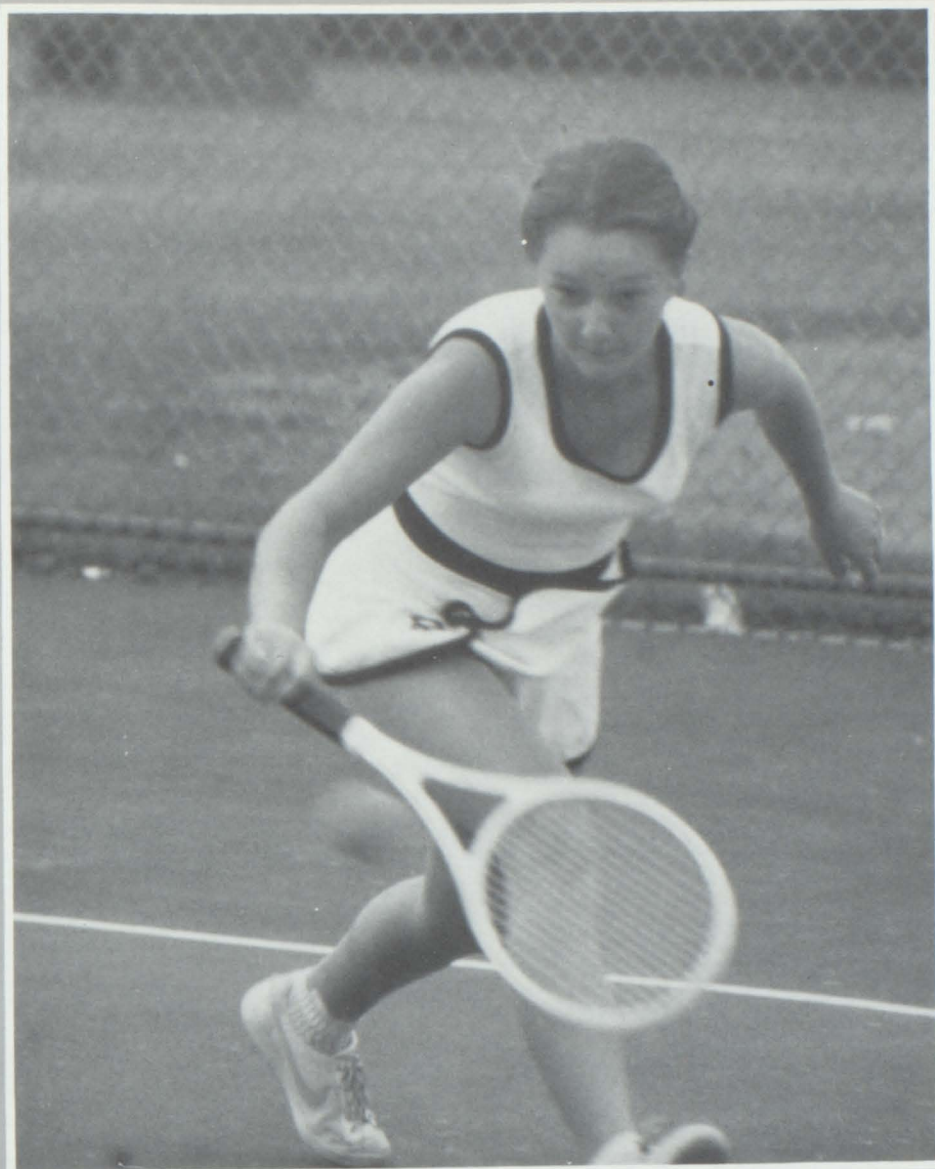

Although the girls on the varsity tennis team put fourth their usual Panther spirit, the season itself was not as rewarding as the team and as Mrs. Erickson anticipated. Three girls on the team did manage to learn their varsity letters which provided a bright spot in the season. Everyone is looking forward to a team-spirited season next year.

The Junior Varsity team was victorious in all non-conference matches this year. Eva Bukac scored a rare win for Proviso West against Hinsdale Central in 1st Singles. The teams most outstanding player was Eva Bukac, a sophomore. She compiled a 7-4 record playing at 1st Singles. Michelle Blattner and Beth Goodyear maintained their positions of 2 and 3 respectively on the challenge ladder through the entire season. Sue Legan and Beth Bizzarri matched the team record of 5-6 at 1st Doubles. Mr. Fitzgerald thought the rather inexperienced team did well this season, even against often more experienced conference opponents. The teams overall record was 5-6.

Varsity Swimmers Have A Strong Swift-Stroking Season

The 1982-83 Varsity Girls Swimmers finished a tiring season with a 5-6 conference record. Led by Coach LaPaglia, the team experienced an individualistic year. Shining above the team record were brilliant achievements. Carrie Hedbloom broke five school records as well as taking second place in the conference in the 50 yard and 100 yard freestyle events. Ginger Boyce, a junior, finished a strong fifth place in the conference. Cathy Rurka, the driving force behind the team's spirited efforts, was voted the Most Valuable Swimmer by her teammates. Another promising swimmer, Sandy Monahan, reached an impressive third place in the diving competitions. Those who placed in this year's district meet included Boyce and Hedbloom. Despite a discouraging season recordwise, the next yer's show terrific promise for a streak of winning seasons.

Swimmers Tread Under Varied Waters

The Sophomore Girl's swim team struggled through the 1982-1983 swimming season. Carrie Hedbloom turned in fine performances in the 200 yard free-style and the 200 yard individual medley. although the team did not possess an abundant number of members, the swimmers did well and gained experience. As the season progressed, each girl strived to reduce her individual time which helped to decrease the team times. By putting forth the same strong effort, determination, and team spirit, the Sophomore girl's swim team can surely develop into an extremely competitive group of young swimmers.

Panthers Don't Just Putt Around

The fantastic Panther golf teams put forth a strong effort this season. On the Varsity level, the team was led by the talents of Scott Voyda, Keith Neumann, Mike Minnecki, Doug Broad, Tom Ziemba, Bob Green, and Mark Pacifico. Mike Minnecki set a school record by shooting 34 for nine holes against Downers Grove North at Woodridge Golf Club. The Varsity team had an 8-5 record, and it placed fourth in the West Suburban Conference.

The sophomore team had eight outstanding players: Steve Becker, John Bliss, Dan Christopher, William Fry, Robert Kryczka, Brian Minneci, Scott Musil, and Joe Santiago. The Panther sophomore "Pro" was Joe Santiago, who was named Sophomore West Suburban Conference Champ.

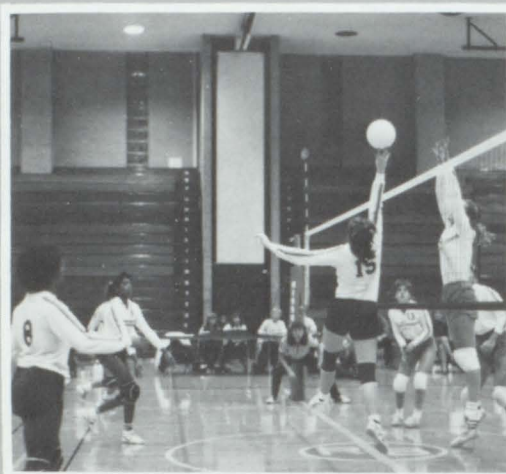

The Panthers should provide a most exciting season next year.

Overall Record Overshadows Season Accomplishments

The 1982 season brought many tournament victories to the Varsity Volleyball team. They placed a strong second at Willowbrook, first at Proviso East, and first again at Maine East. The team had trouble in the conference though, finishing with 1 win and 6 losses. Even with the off-season, Proviso West had many outstanding players. Marianne LeDonne was chosen All-Conference while Julie Little had an Honorable Mention. Michelle Burger, Amy Schulty, Gina Hardy, and Veronica Brown were the rest of the starting lineup. Kim Griffen, Cheryl Lorenz, and Lori Uecker also contributed with clutch defense and needed offense when called upon. Coach Martin feels that this season was interesting and quite productive.

Sophomore- Freshmen Volleyball Players Learn To Compete

The Sophomore-Freshman Volleyball team had a disappointing season in 1983, with a 0-8 record. A bright spot in the season was setter Chris Machacek who developed her skills through out the year. Volleyball is a sport which has become resurrected in the past years and as the girls develop skills, the team will be assured success.

Varsity Cross-Country Paces Their Way Through Another Exciting Season

This year's Varsity Cross-Country had a respectable season taking 3rd place in the West Suburban Conference with a 4-3 record. The team finished an unbelievable 5th out of 44 teams in the prestigious Peoria Invitational and advanced to the sectional level of the State tournament. Kurt Mueller became the first Sophomore in history to win the Cross-Country M.V.P. award, and Tom Cismesia, a junior, was awarded the "Most Improved Runner Award".

J.V. With New Coach Show Promise

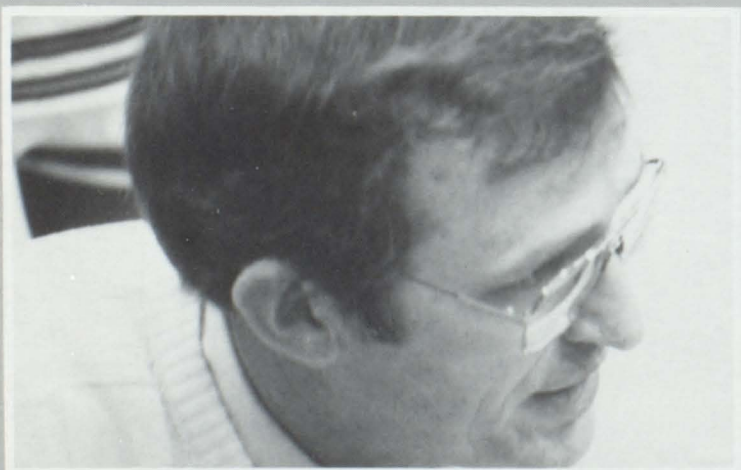

This year, the Junior Varsity Basketball season was a little different than usual. For the last two seasons, the coaching staff has been more than unstable. In order to solidify the coaching staff, Coach Cada was brought in. Coach Cada was coach at Riverside-Brookfield last year; and feeling that he could not use his full basketball knowledge at R-B, he came to WEST. Although the JV Panthers record was only 5-6 they have a strong foundation to build on Freshman Rod Parker, Juniors Barney Grey, Darrel Woods, Quinton Jackson, Terrance Woods, and Tracy Robinson are JV Panthers to look for in the future.

Varsity Panthers Have Pride In Successful Season

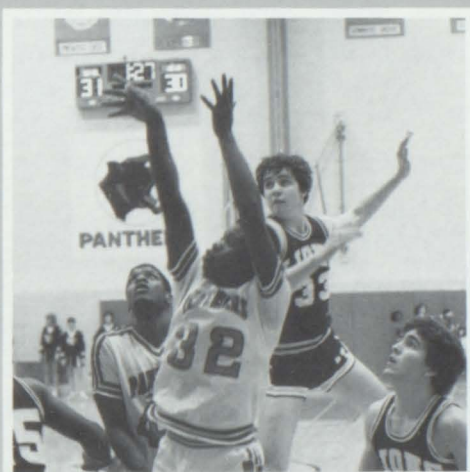

After the last buzzer had sounded and the bleachers had been cleared, the Varsity Panthers emerged from the smoke with a final record of 9-5 (17-8 overall), putting them in third place in the West Suburban Conference. One particular highlight for the Varsity was defeating Proviso East three times when, prior to this season, they had not beaten the Pirates in their last 14 confrontations. Billy Jackson, who led the Panthers in scoring, was named to the All-Conference Second team. Proviso West can be very proud of the successful year that the Varsity Panthers accomplished.

Sophomore Team — Very Impressive

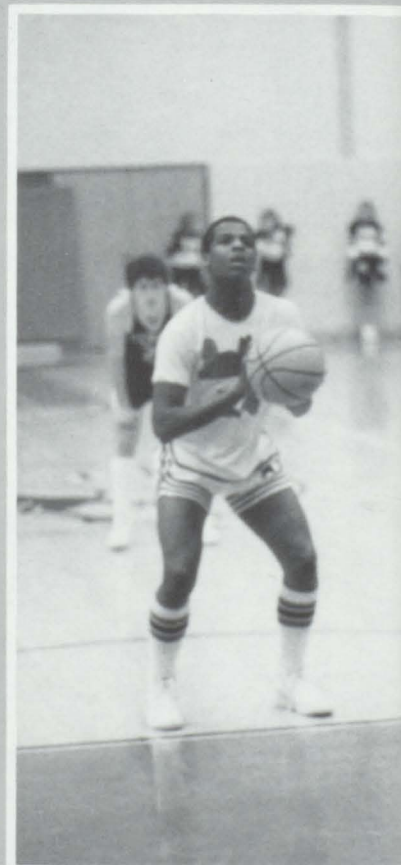

This year's Sophomore season was a new experience as well as a rewarding one for the Panther team. After breaking West Aurora's 46 game winning streak at the West Aurora tournament, the Sophomores went on to capture the tournament title. The Sophomores concluded the season with a 9-5 conference record, and they placed third in the West Suburban Conference. Steve Bartels outrebounded all other sophomores and led all players in scoring. Additional maturity and polishing of skills by the sophomores insures an interesting varsity season next year.

Freshmen Panthers Begin Bright Reputation Over '82-'83 Season

After finishing this year's season with a 9-4 conference record, the Frosh Panthers have established themselves as strong contenders for the next three years in the West Suburban Conference. The Freshmen wound up in third place this year after a season of hard competitions. Lee Roy Morris was the leading scorer for the Freshmen, and Robb Green finished as the best percentage shooter on the team. Joey Turner, who played consistently strong, started at guard all season, and Rod Sanders controlled the boards and led the other Freshmen in rebounding. Coming reliably off the bench all season were Chris Williams and Andre Neal. Finishing overall at 11-4, the Freshmen look like strong contenders for the West Suburban Conference for the next three years.

Varsity Has An Encouraging Season

This year's varsity girl's basketball team experienced a year which one player termed, "... better than any team I've ever played on; we played together as a team." Led by Robin Purchas and Rosalind Williams, the team had a most respectable conference record of eleven wins and only three losses. The team gained public recognition by defeating seventh ranked Oak Park. Another brilliant team victory came when Glenoard West bowed to the mighty Panther girls which opened the door to taking first place in the conference. Even though the girl's team did not get the fan support they truly deserved, they still demonstrated the determination, dedication, and school spirit that comprises a winning team.

Frosh Girls Hoop It Up

The freshmen girls' basketball team hustled all year long. Each game was a nip-and-tuck battle as the opposing scores were relatively close. The girls worked hard, long, and determinedly. Dedication was also a large part of the team's success for the girls had to endure nightly practices. Although the team had a disappointing record of 2-10, they were regarded as bright prospects for next season.

Sophomores Prepare For Varsity Season

The sophomore girl's basketball team members experienced a building year. The season would have been much more rewarding for its devoted members if the team would have started winning earlier in the season. Nevertheless the team's most thrilling victory came when they beat rival Proviso East in an emotion-packed game. Landeres Coburn and Melanie Danley pulled down the rebounds while Kandy Sorrell and Rosalyn Perry held the opposition at bay. Tracey Whaley, a most impressive dribbler, contributed her skills on offense as well as defense. The sophomore team members are looking forward to great success as skilled varsity players.

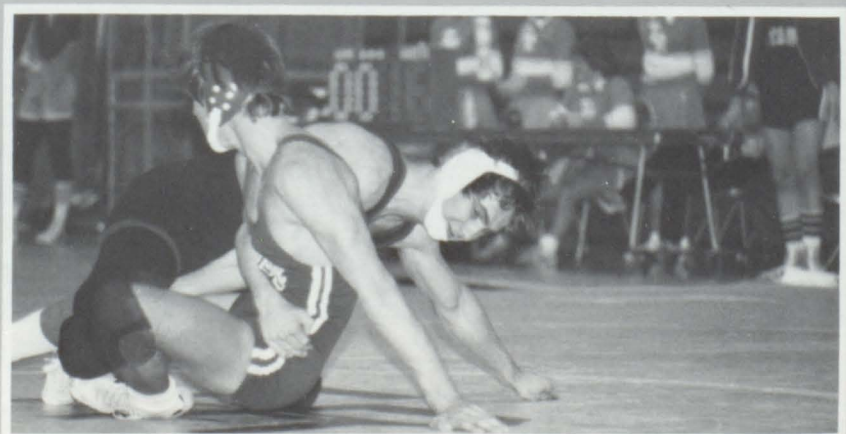

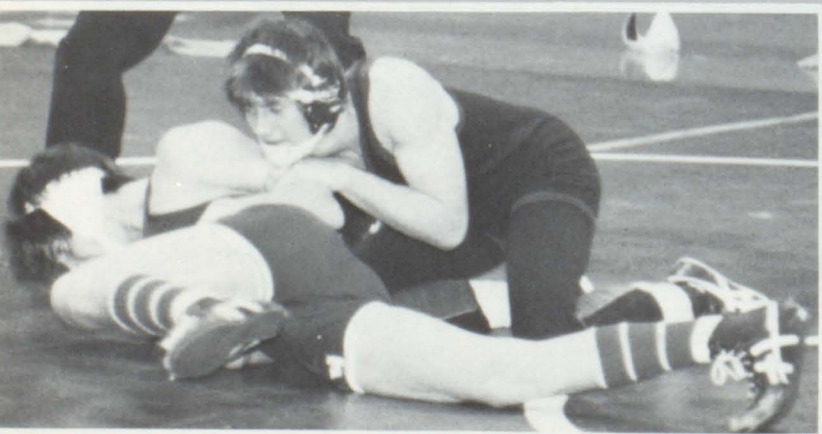

Panthers Pin Opponents

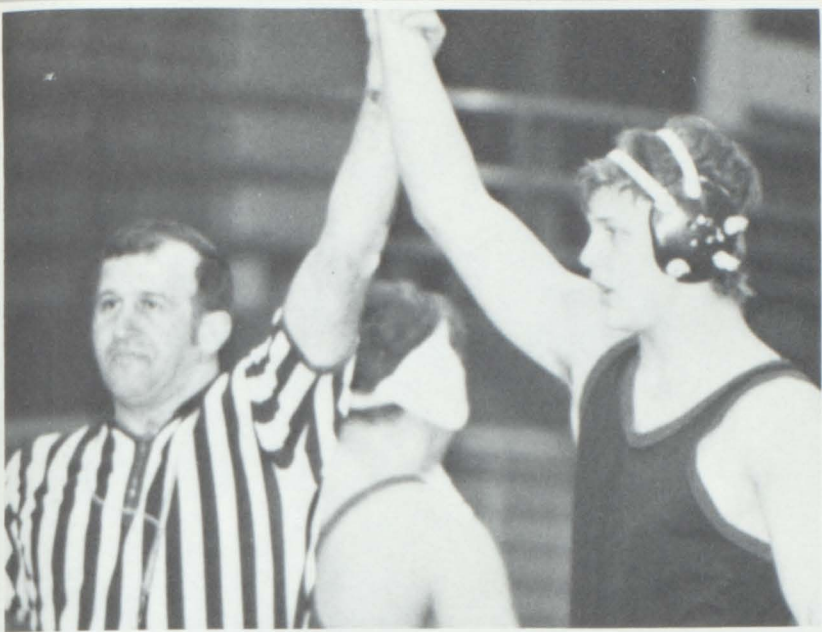

Varsity captain Wayne Bohenek won over 20 matches, but, he just missed going to the state meet after placing second in the state regional tournament. This years wrestling team consisted of seniors John Lucia, Wayne Bohenek, and Keith Hurley returning from last year. The outstanding underclassmen include Tony Buzzard, Mick Nagel, Todd Cooper, Tim Fox, Steve Wightkin and John Hasner. Mr Fiorini is building up underclassmen by wrestling them in the varsity line up for future winning accomplishments.

Gymnasts Leap Into Recognition

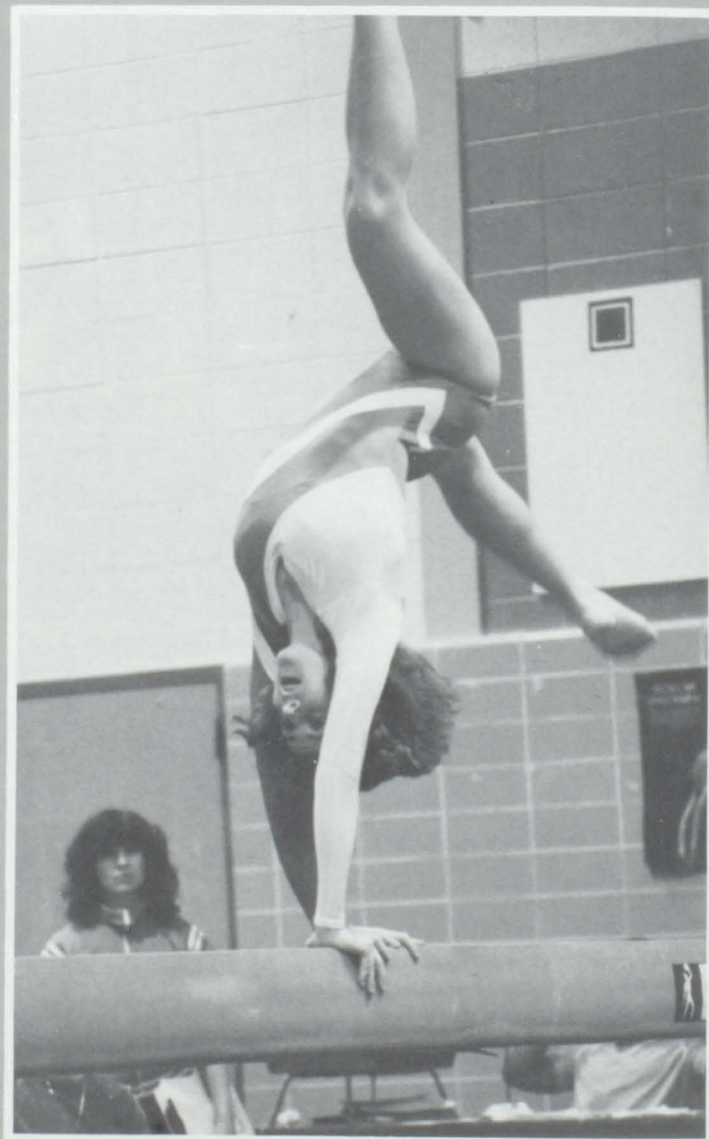

The Varsity and Junior Varsity teams scored record breaking highs this season. The Varsity team placed 6th in the conference as a result of hard work and a lot of enthusiasm. The two outstanding senior team members are Captain Dodie Leamy, with an average all-around record of 7.65, and Vicky Pojman with a record high of 8.75 on the vault. Dodie was the most valuable player on the team and did a good job as captain. Vicky was good enough to go to the sectionals. Maria Pasquale and Carria Vessol were also outstanding in their performances. Vessol had the highest vault score and missed going to sectionals by .05. Vivian Lukas a freshmen broke the Junior Varsity all-around record.

Panthers Take The Plunge

This year's '82-'83 varsity swim team, coached by Tom Boyce, established a respectable 4-5 record. The loss of nine seniors last year hurt this year's team. This year's seniors are Jim Bejna, diver and backstroker, John Garbot, breaststroker, Roger LaFaver, state backstroker and individual medalist, Joe Simon, breaststroker, and Scott Voyda, butterfly and freestyler.

Senior "most valuable player" Roger La Favor qualified for the state for his third straight year. This year he advanced to the state finals. Coach Tom Boyce is pleased with the outcome of this year's team and is looking forward to next year. Some of the returning varsity members are: Don Faje, John Rurka, Tom Scrivner, Jim Pederson, Steve Shannon, and Wally Krawczyk.

LEARNING TO REMEMBER . . .

A QUARTER OF A CENTURY

Nothing But The Best In The Making Of A High School

Twenty people gathered to make decisions that would affect the new Proviso West High School in Hillside, Il. This group, composed of Freshman honor students from what is now known as Proviso East, were chosen by the administration to help orient students to the new school in the fall of 1958. These twenty students decided on the school colors, red and white; the school mascot, the panther; and the tune for the school song, "Navy Blue and Gold."

Many complications arose such as fresh paint, dust clouds, and mingling workers. In addition, the third floor had yet to be completed. Also, to further complicate matters, the administration made the stairways *one way* which added more confusion.

Various school policies were established. The dress code seemed to provide the most challenge for the student body. Boys had to wear belts and had to have their shirt tails tucked in at all times. Girls were permitted to wear only skirts and appropriate tops. If girls entered the building wearing skirts of a "questionable" length, they were asked to kneel on the floor in the dean's office. If their skirts did not touch the floor, they were sent home with an unexcused absence. As far as extra-curricular activities such as sports, Proviso was rather limited in the early days. We had a football team, but the selection of players was very open. Girls sports did not exist at the time. Girls could belong to an organization known as the Girls' Athletic Association, but actual involvement was almost non-existent.

A Continuing Success Story In Education

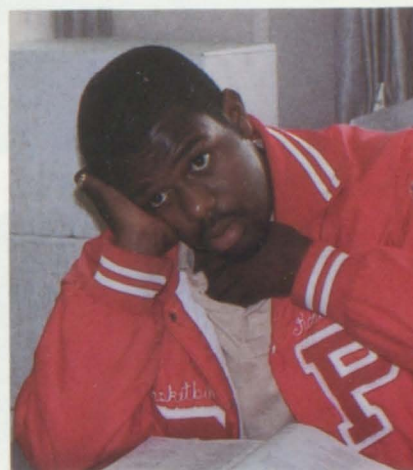

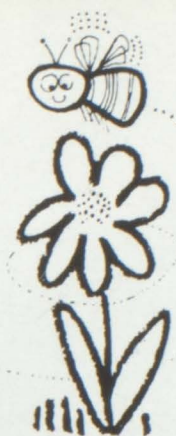

As time marched on, so did Proviso West. Proviso has made many notable strides and gained its reputation for excellence in academic circles. The sixties brought about the completion of the field house as well as work on the gym. The seventies saw new additions added to C Building, computerized scheduling, student I.D. cards, the football stadium, as well as other notable achievements. In the first few years of the eighties, many changes have altered Proviso's image as compared to its beginnings.

In the energy conscious eighties, building improvements are constantly being made. The strict dress code of the fifties has long been abandoned. Levi's, rock concert T-shirts, Izod shirts, cardigan sweaters, knickers, warm-up suits, and even shorts dot Proviso's hallways. The extra-curricular scene changed in the eighties. Proviso offers football, basketball, baseball, soccer, gymnastics, softball, volleyball, wrestling, tennis, track, badminton, and cross country as well as numerous other activities. Throughout its twenty-five years, Proviso West has always lived up to its motto of, "Nothing But the Best!"

West's Changes Through A Quarter Of A Century

During the past twenty-five years at Proviso West, there have been a various number of changes. The dressing styles, the athletic events, the social gatherings, and the student mannerisms are just a few examples of the ever constant alteration of school life. As in all aspects of life, there must be change, and Proviso West is no exception. As each day progresses, the ways and means of the Proviso student are ever changing. One can perceive that the Proviso world has changed, is changing, and will change in the future

SENIORS

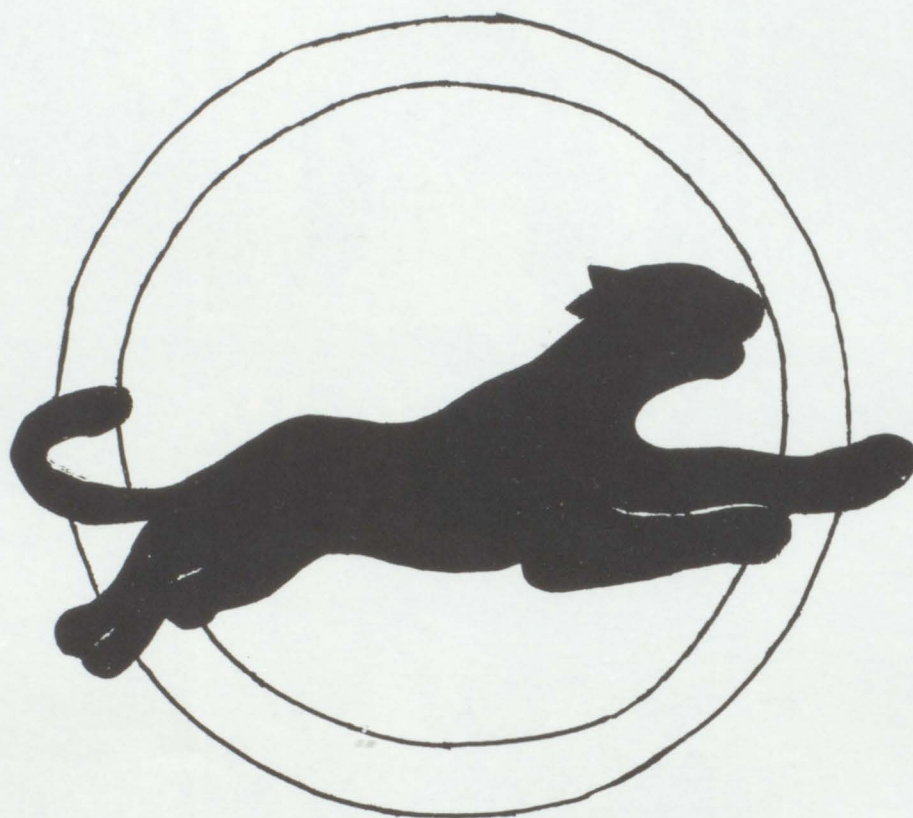

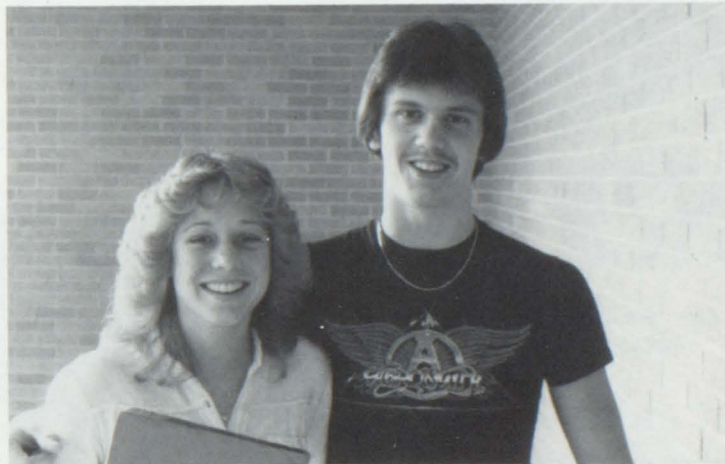

CLASS OF 1983

Learning To . . . Be Seniors!

Being a Senior means a various number of things, a wide range of experiences, a new outlook on a whole different life. Being a Senior means being able to look down at the underclassmen and yet remembering when we were struggling through our first years at Proviso. Being a Senior means that there is a challenge awaiting each graduate as he passes through Proviso. Being a Senior means knowing the ropes, acting calm when you're really uptight. Being a Senior is a different way of life. Being a Senior means truly caring about your classes, then not caring as much, then immensely caring. Being a Senior means contemplating college or other futhering schools. Being a Senior means have a tremendous amount of things to worry about but worrying about them in a adult manner. Being a Senior means preparing to leave a sheltered lifestyle and become the leaders of our country.

Editors' Reflections

The 1983 MURAL was definitely the effort of some very frustrated people. Organization was not always the key word, but somehow we all pulled through. The work that was done was quality, and I think I speak for all of the staff when I say that I am very proud to be part of the '83 MURAL.

I would like to thank all the people who have helped us throughout the year with problems that arose.

I would also like to wish the graduating seniors, as well as everybody at West the best of luck in the future.

Daniel T. Green
Co-Editor
1983 MURAL

Special thanks to; Catherine, Richard Romanelli, R.L. Geske, D.J. DiSera, Gonzo, Ray Kroc, the cooperation of Mr. Pete Townshend, Brewer Callahan, Mrs. Wagner, M.E. Fencil, Jimbo, Chuck, Roy, "E", Zim., And of course Ann Margaret.

A very special thanks to Maureen Fleming.

This is the part of the yearbook where traditionally the Editor says what a naturally fantabulous year it was and how there ahead lie new horizons to conquer. I am not the average editor, or so I would like to believe. Proviso West is not the average school, that I know to be true.

The production this year was truly hard work. It does not seem like much until one has tried it. To quote one of my favorite philosophers, John Lennon; *"You have to give thanks to God or whatever is up there, the fact that we all survived."*

I feel that by writing a few lines on this page I am signing each person's yearbook in a mass production type way. To each and every person of Proviso I wish the best,

Richard John Romanelli
Co-Editor
