Return Of The Panther

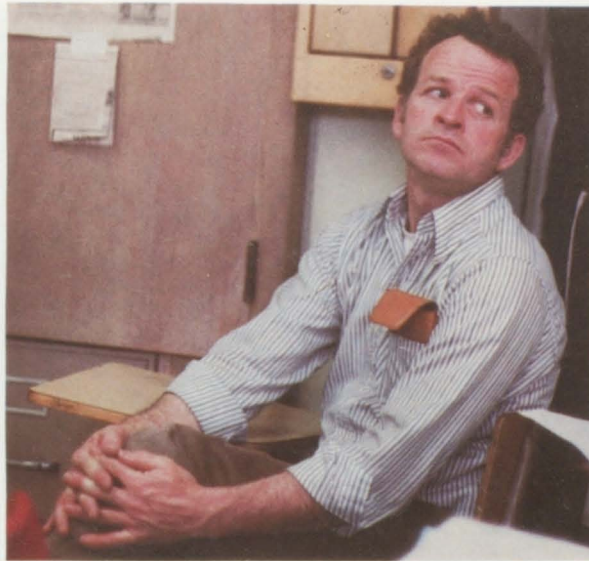

After an extremely brief fling with summer frivolity, new and old faces return anxiously to the hallways of Proviso West. Students perform the usual; they get their books, receive their schedules, and have the privilege of adorning themselves with identification tags. The Proviso student is now ready for the school year.

Getting Back Into The Swing Of Things

Cookie Rocio Live!!!

Mr. Brazier's ready for another year.

Fresh faces at proviso.

The Final Chapter: A Trip Around The World

Doing the Rumba was popular at this year's dance.

Homecoming Queen Michelle Reda and her escort Mike Heiberger

This couple takes a break to pose for a candid.

The 1983 Homecoming Court and 1982 Queen Roxanne Geske

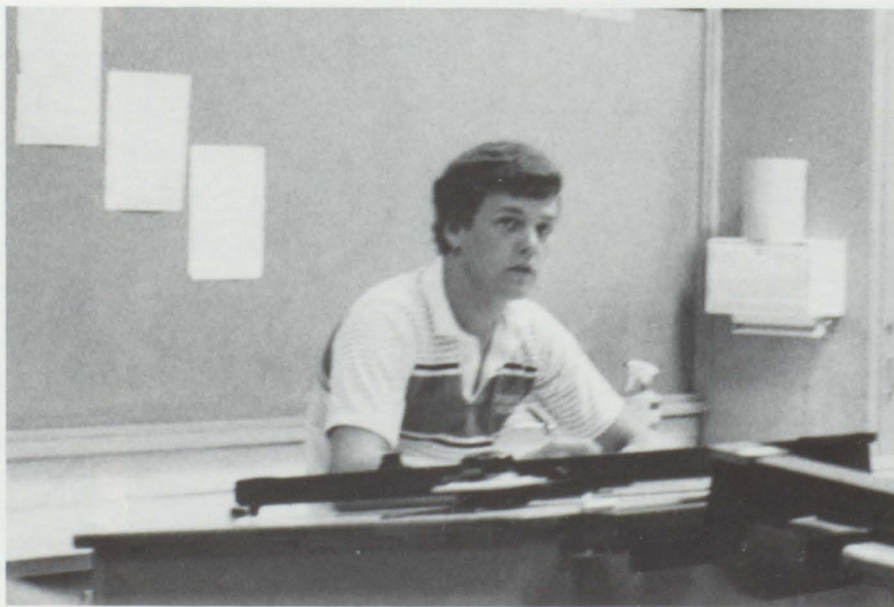

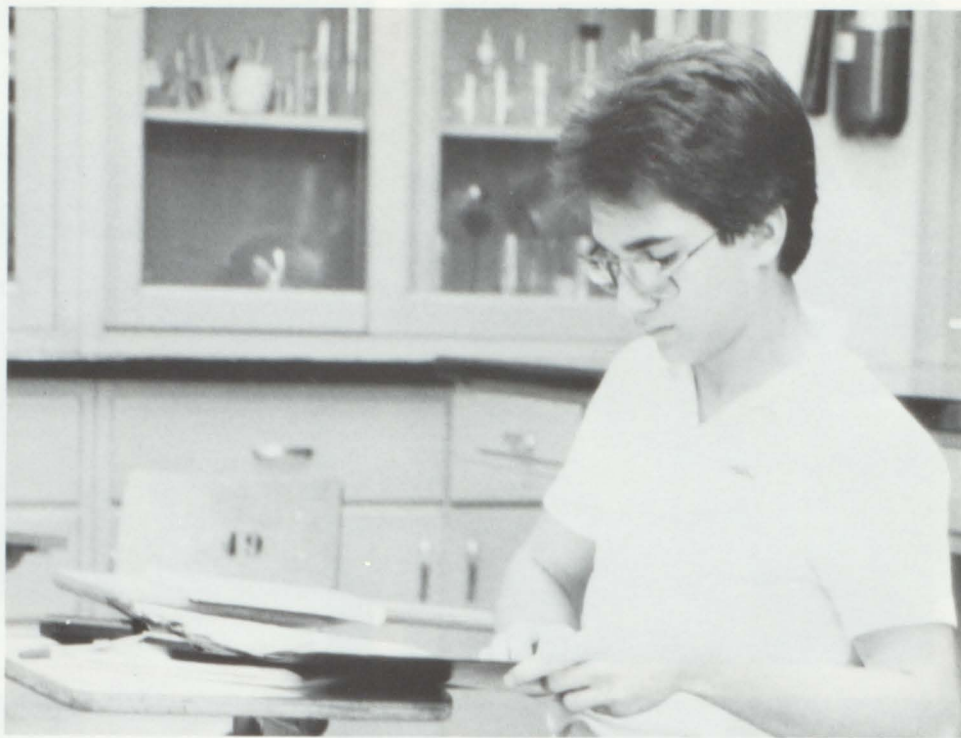

Even gansters had a great time.

Homecoming '83 provided a fantasy "Trip Around the World" for every student at Proviso West. Hard work and many sacrifices were made on the road to Homecoming, but after everything was finished, the floats torn apart, and the streamers thrown away, we look back on Homecoming '83 as a vivid memory in our storybooks at Proviso.

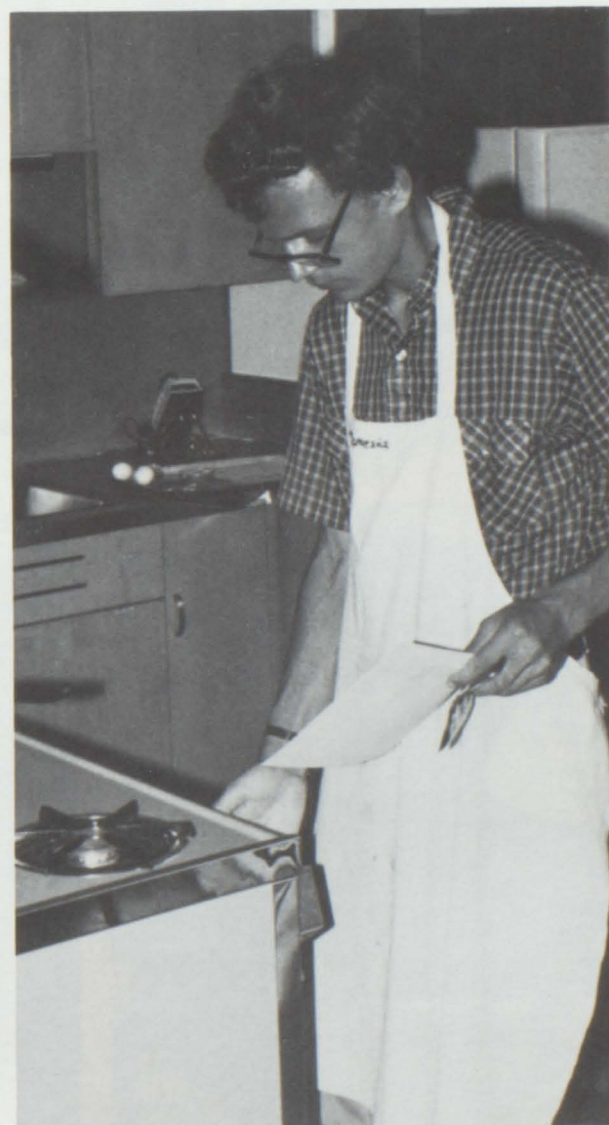

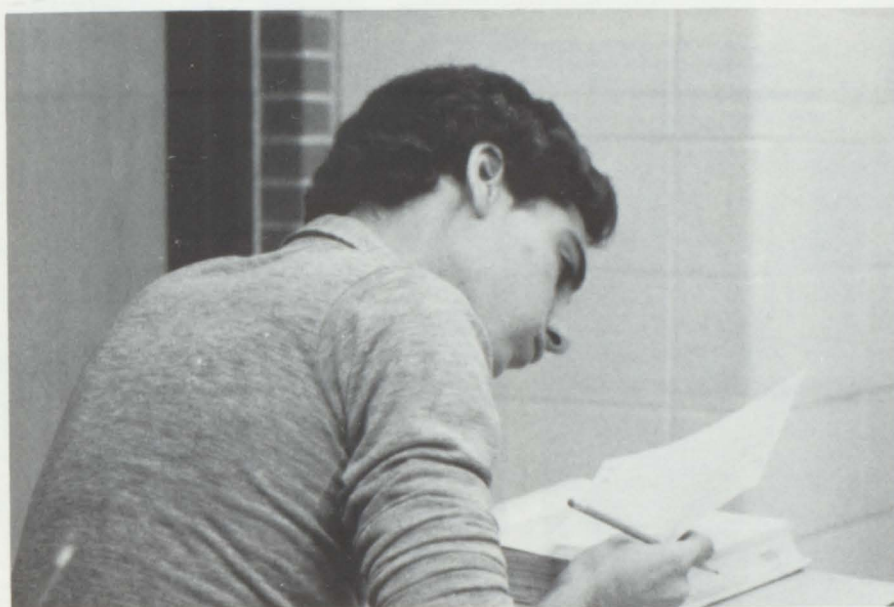

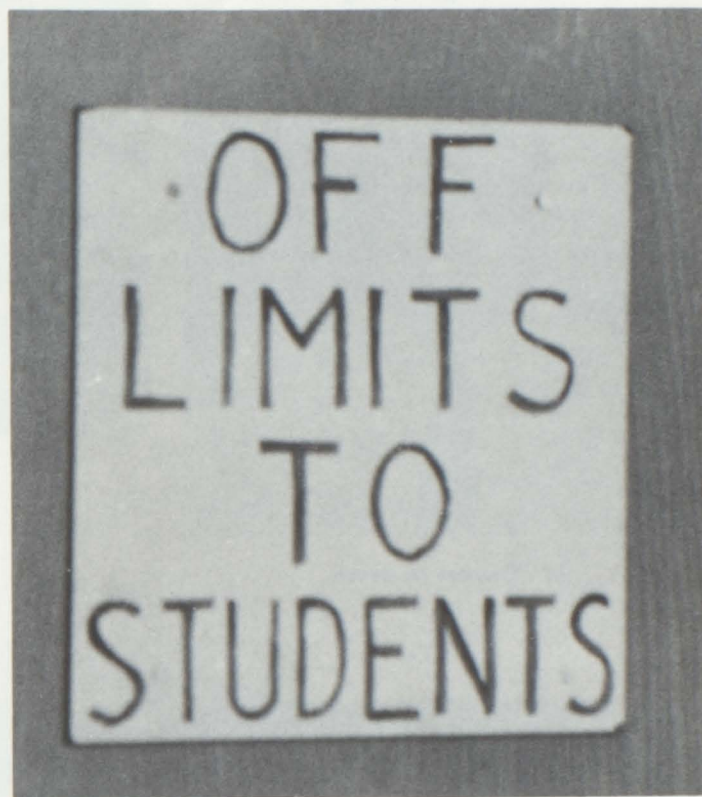

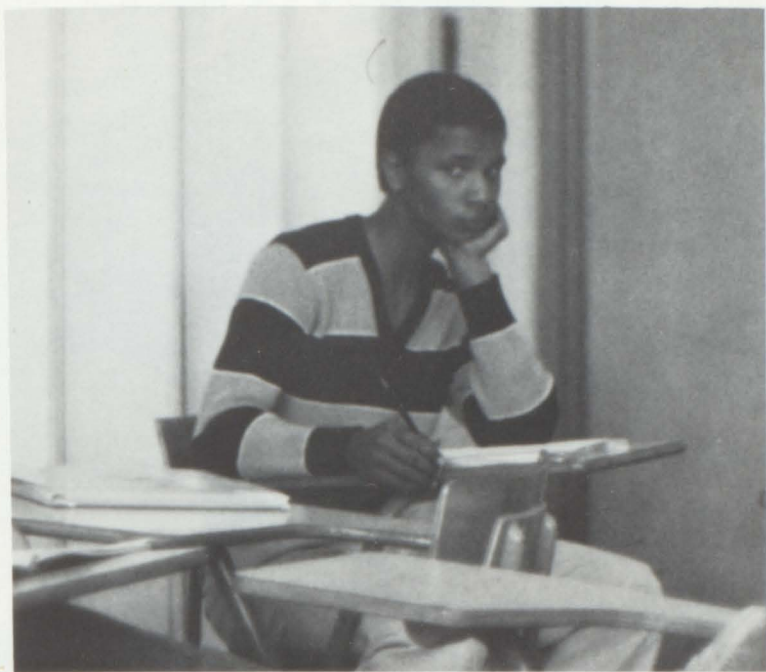

Enjoying the last of Homecoming '83!!

Counselors Offer Needed Help

Mr. Thomas DeHaven

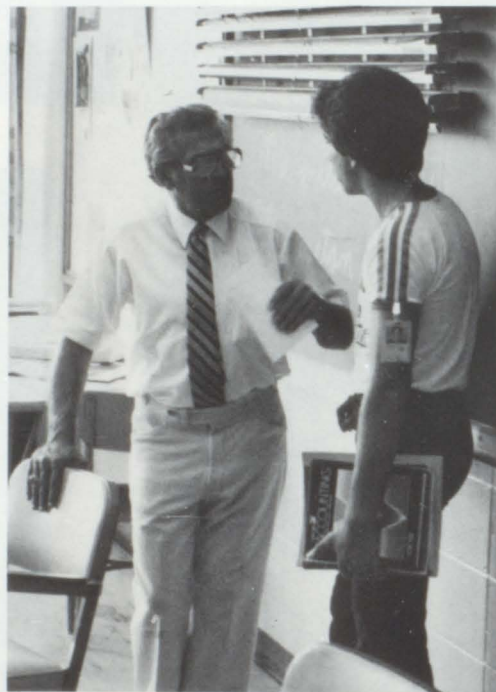

Counselors, they have the ending job of aiding students with any problems, assisting in choosing courses, and preparing juniors and seniors for college. This year a new counselor has jointed the staff, Mrs. Della Wills. She along with the other excellent counselors are happy to help in any way. So, take advantage of the talents of our P.W. counselors!

Mr. Roger Bruce

Mr. Charles Webb

Mr. Joseph Baratta

Miss Annette Hamilton

Mr. John Ruby

Mrs. Della Willis

Cafeteria workers prepare for the mad rush of hungry students.

Special Services By Special People

When a job needs to be done at P.W., the people of Special Services are always on hand to help. Librarians, nurses, janitors, matrons, cafeteria workers, and audio visual people are just a few of the important people behind the scenes. Life at Proviso West would be a little less enjoyable without the aid of Special Services.

Miss Gould

This student waits patiently as Mrs. Vaccaro takes her bloodpressure.

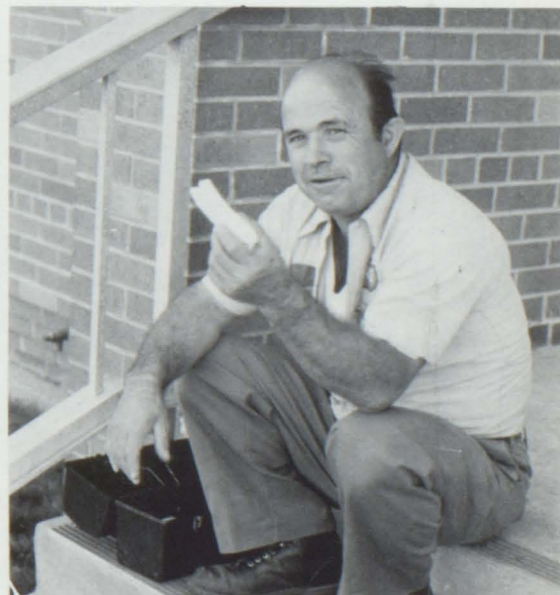

Mrs. Vaccaro

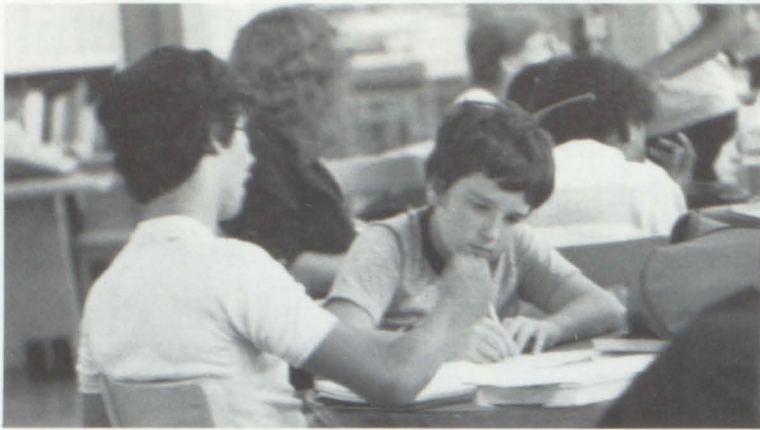

Setting up needed equipment ...

... and taking it down are just a few jobs our janitors do.

Join me for a bite?

Some students really do work in the library ...

... and then there are Brian Legan and Wally Krawczyk.

Library Provides Quiet Study.

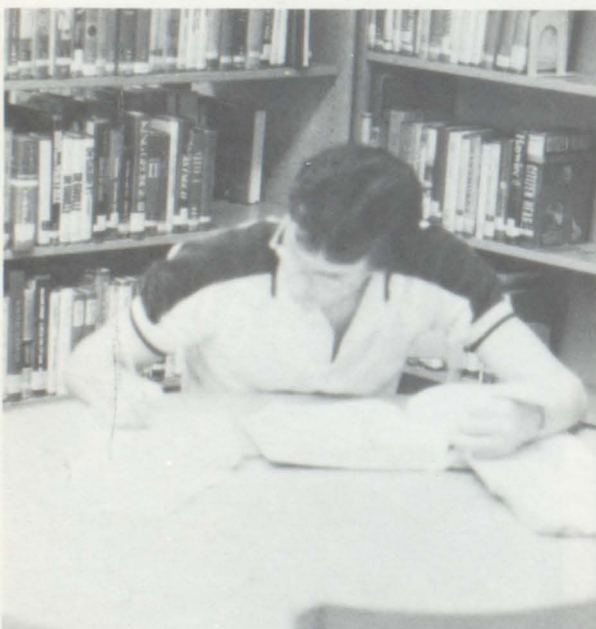

The library, a quiet refuge for students to work, read, relax, or just think. The facilities of our P.W. library can accommodate just about any student's needs, whether it be reading a newspaper or researching a topic. Be certain to make use of all the P.W. library has to offer.

Mrs. Dirks explains the wonderful world of the Dewy Decimal System.

Mrs. Swanson is deep in thought.

The library's sources help John Noel complete his assignments.

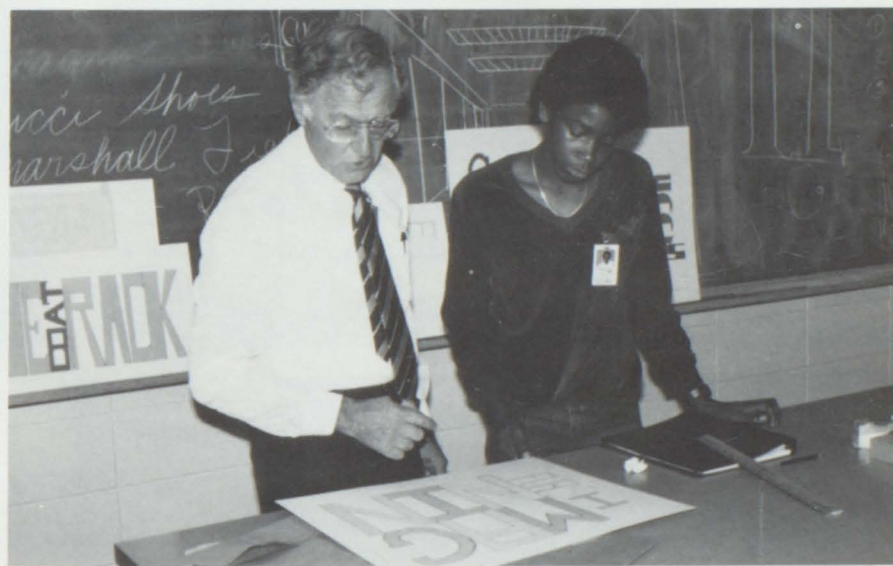

Mrs. Overby is hard at work.

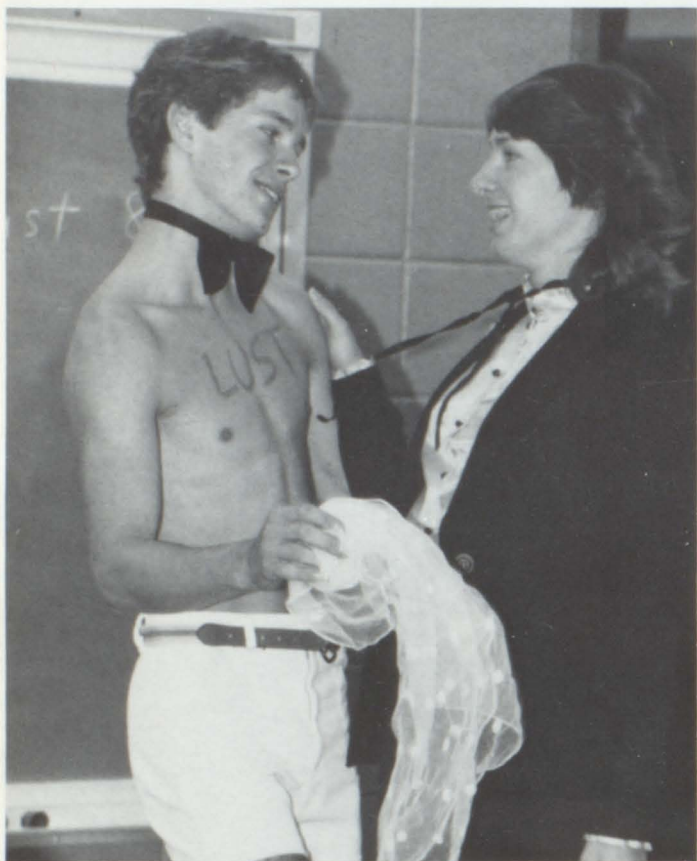

Eldred Pate proves that doing homework in the library can be fun.

English Offers Varied Activities

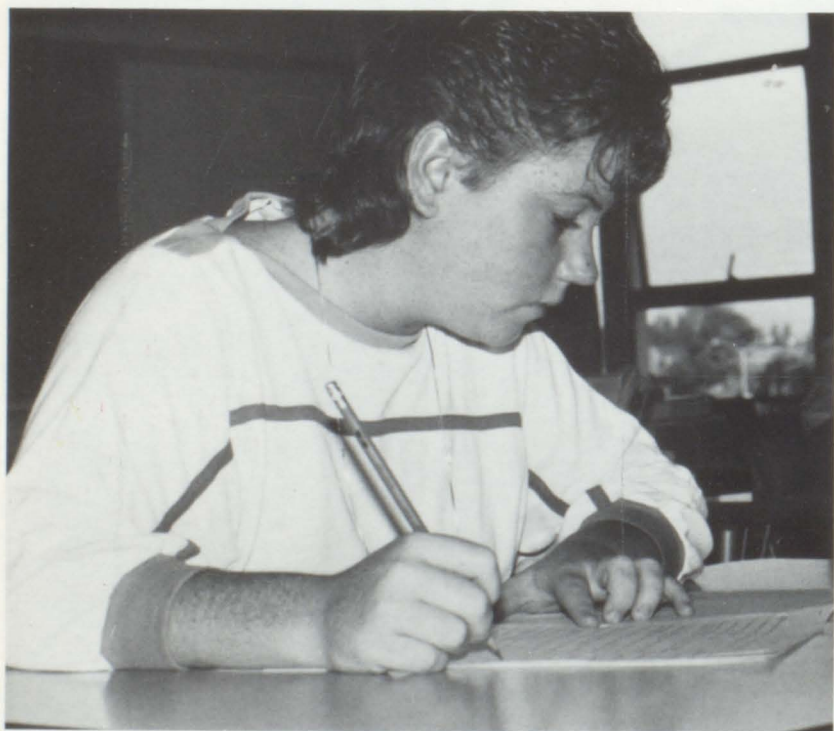

Can this possibly be taking place in an English Classroom? Lenore is seduced by a lustful Tibor!

Mary Beth Mibel whimsomely reflects on her thesis statement for her DRP.

Mr. Clish surveys his students.

Working diligently is what English is all about.

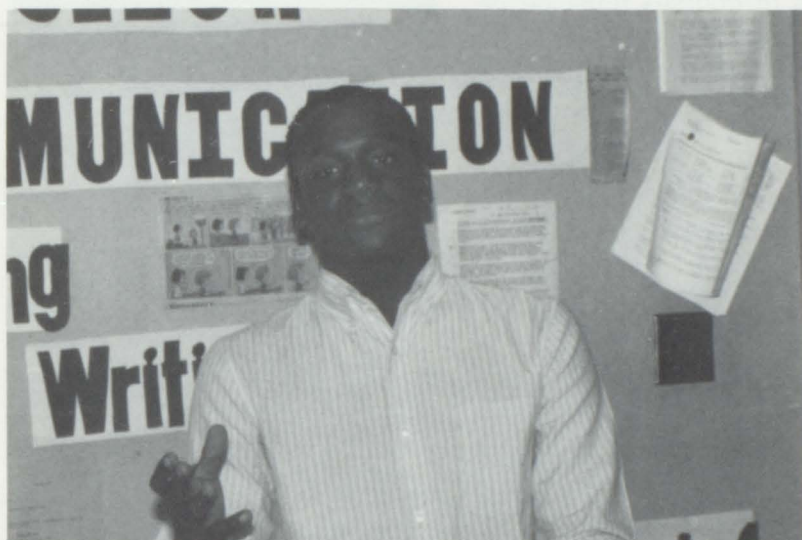

With every new year, the Proviso West English curriculum seems to improve. Students are challenged to learn new skills through writing a variety of themes and reading important literature. Freshmen learn to write themes and to give speeches. Sophomores Concentrate on English literature and proper grammar. Research papers are introduced to Juniors, and Seniors absorb the ideas of British literature. West English teaches students the basics and encourages individual expression. The Proviso West English Program is outstanding in content and will certainly benefit every student.

What's this? An essay test in English!

Taking a break from the work of Academic English.

English is the bases of communication.

One of the many requirements in English is to follow directions.

One of Mr. Foley's specialties is to help the students with their theme folders.

Here is a student enjoying a great literary work.

AM-STUDS, DOWT, CORE Head Gifted Students On To College

Mr. Paterson explains a concept of American values.

Mrs. Chesla gives direction in CORE English.

Miss Trouba and Christi Lombardi participate in a DOWT discussion.

Mr. Curtin delivers his post-mortem after a DOWT discussion.

In order for a high school to effectively meet the needs of its students, different types of courses must be offered. American Studies, CORE Studies, and Development of Western Thought are three courses designed for the academic, college-bound student. Preparing students to meet the challenge of independent, self-initiated work much like the work necessary for most college courses, these courses strongly emphasize discussions, college reading material, and research and project preparation.

Mr. Saunders brings history to life for CORE students during an informative and enthusiastic lecture.

These students show their acting ability while performing in one of the famous Am Studs presentations.

Mr. Brazier oversees a CORE classroom conversation.

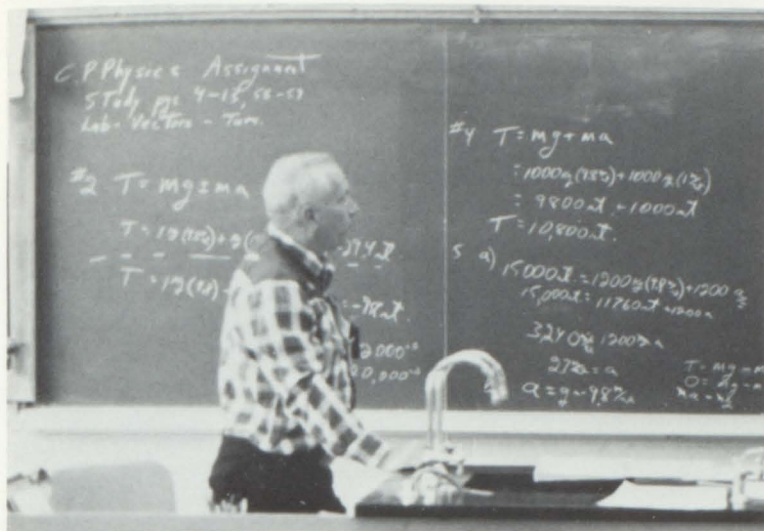

DOWT Seniors prepare for college through one of the finest classes at Proviso West.

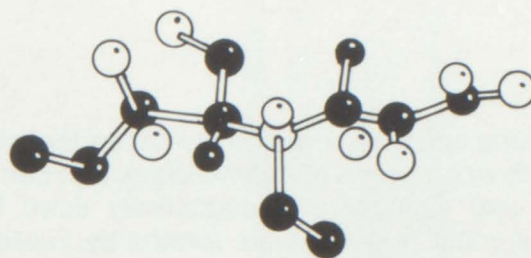

Mrs. Schmalholz helps Sally Litvan with her research for an Am-Studies presentation.

Herein Lies The Key To Our Futures

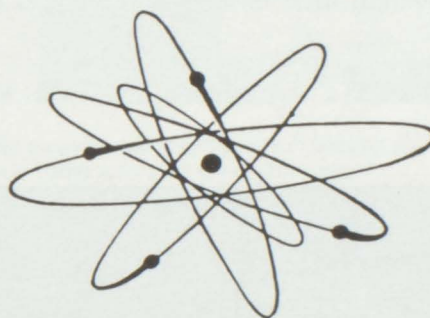

Mr. Haas explains carefully and in detail some time consuming problems in C.P. Physics.

Forever, man has investigated reasons to explain phenomena. He has experimented, researched, and tested every hypothesis until he has found a logical, sound conclusion. To study man's discoveries in the life sciences, reactions between chemicals, and laws of motion and kinetics, biology, chemistry, and physics were formed. In these courses, the student can learn of the discoveries in these areas as well as experiment for himself to test these theories. As man is constantly searching for ways to understand this planet better, he stresses advancing medically, technically, and scientifically. As Proviso students become the problem solvers of the future, we must learn to prove all our conclusions by careful and painstaking experimentation so that this world may become a better place to live in. Proviso science classes including SDL Biology, Physical Science, General Science, Physiology, and the above mentioned are training students to develop fine research and experimental techniques as well as give them an understanding of the Science world around them.

These chemistry scientists cautiously pour acid into a test tube during an experiment.

Learning how to use the microscope is one feature taught in SDL Biology.

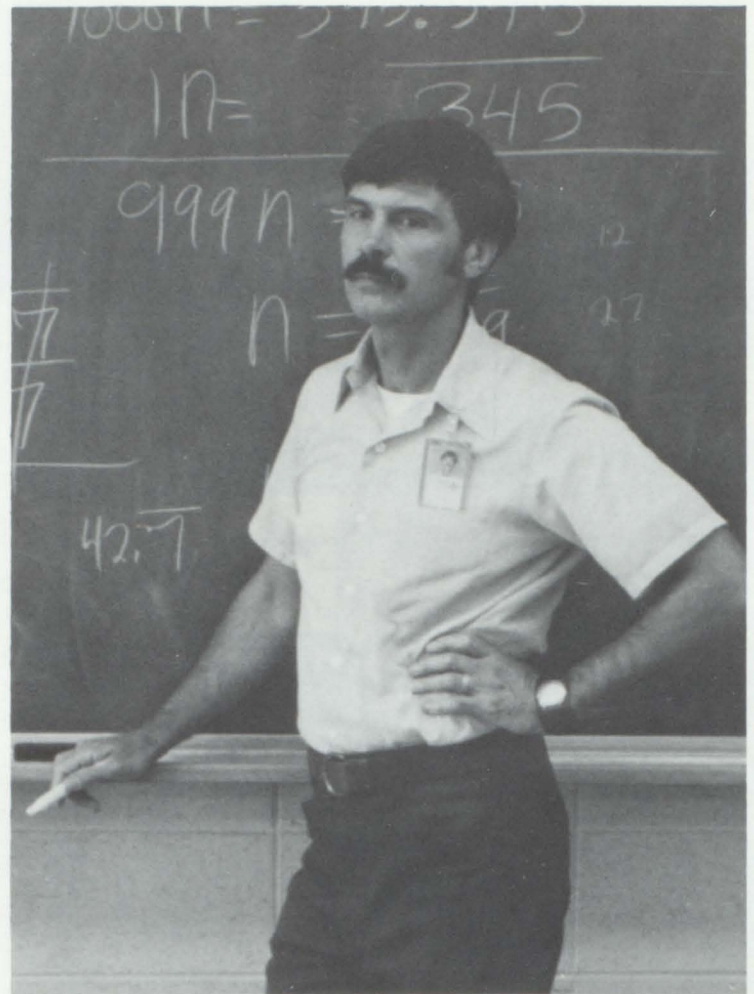

With absolute concentration, this young scientist allows just the right amount into the beaker.

Equations, Exponents, Exercises, And Euclid

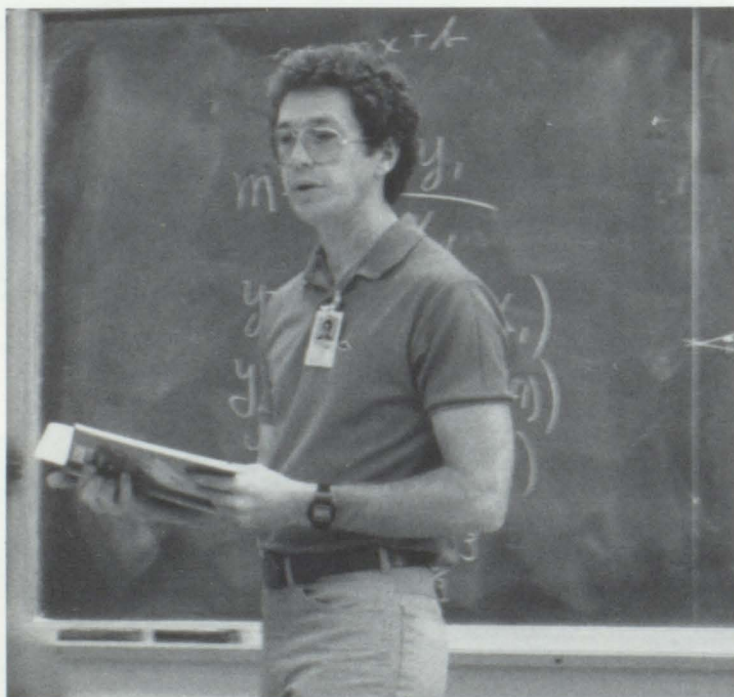

As this world becomes increasingly dependent on computers, the world needs mathematicians who can take a problem and logically and deductively solve it. The equations, most of which were formed by Euclid, Aristotle, and Galileo, are studied indepthly so that the problem solver can fully understand the conclusion he draws.

Proviso West offers a wide-ranging excellent Math program with courses geared for every type of student. Algebra Plus, SDL Geometry, Advanced Algebra-Trigonometry Honors, and SDL Calculus create the 4-year Honors program which begins with a solid algebra base, adds a geometry base, and continues to build through Adv. Alg.-Trig. Honors and finally the study of calculus. For the college bound math student, Proviso's math program is exceptional. Aside from the Honors program, Proviso offers sound foundations in Algebra, Geometry, Alg.-Trig., and College Algebra courses, which are also geared for the college bound student.

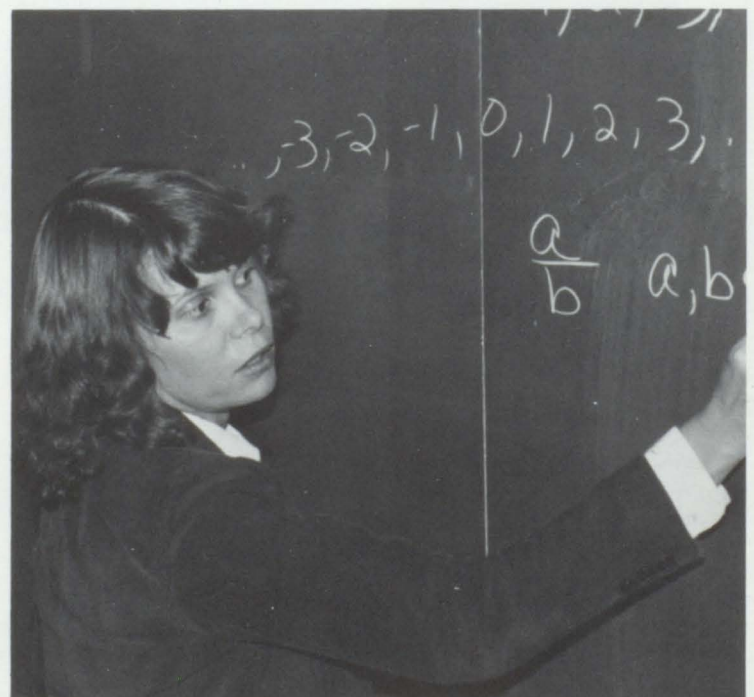

Anymore, it is not solely the facts, figures, and formulas that teachers insist upon, but also because of the fast-paced technological world, the Proviso math student applies himself and his facts and figures in order to solve problems which face him.

Contemplating the solution set, Mr. Chipman anticipates a question from his class.

Mr. Read answers Xan inquiry from the floor on a difficult problem.

Mrs. Brown gives an explanation for a complex SDL Geometry problem.

History Reminds Man Of His Past

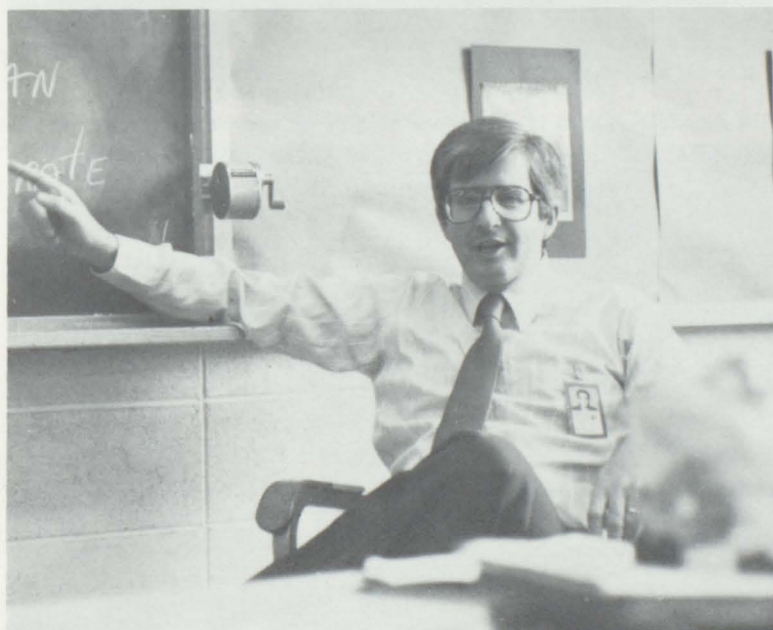

A U.S. History class listens intently to a lecture by Mr. Saunders.

World History students study the topography, geography, longitude, and latitude of Earth.

Global Studies students are taught to reach ambitiously for the stars. Here, Mr. Paterson asks, "Who wants an ice cream cone?"

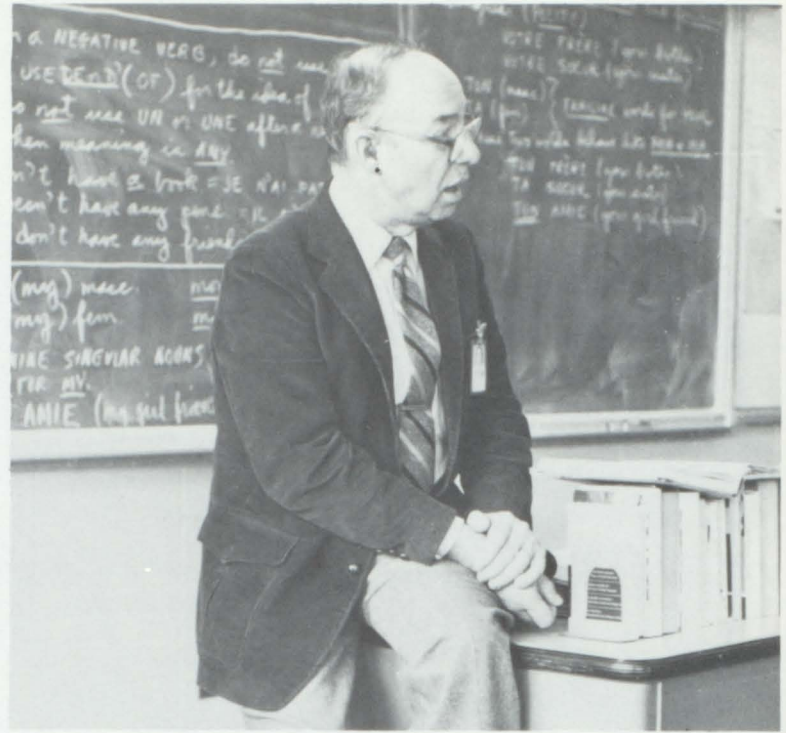

Mr. Paterson informs his Global Studies class about the economic, political, and geographical history of the world.

"History repeats itself" is a phrase which signifies the importance for a fine Social Studies department. As we live in the Nuclear Age, it is extremely important for the world's peoples to understand each other. Because it is necessary to cooperate with other countries in order to solve the world's problems, it is imperative that each country understand the other's history and economic situation. But, in order for one country to understand another, it must first understand itself. U.S. History is required because every American should be consciously aware of our history. Our values and system of government are a by-product of many different peoples. As this country heads for the year 2000, we need to understand what direction we are headed in. World History, World Civilization, and Global Studies give the student the opportunity to understand other countries' cultures, histories, and values. Consequently, the Proviso student is ready to handle the enormous task of surviving in a world where Communism and Democracy battle and where economical and social problems arise everyday.

Foreign Language Brings World Closer Together

Today's world is growing smaller and smaller each day due to advances in communication, medicine, and business; so, it is very important and helpful to be aware of the entire world's peoples in order to communicate. In these times of world confusion and disagreement, the world must be able to communicate to resolve situations. The Foreign Language Department at Proviso West gives students the opportunity to bring their world closer through communications and an understanding of foreign cultures. Offering four years of German, Spanish, and French classes, the Proviso student is able to be more acquainted with different cultures in America, as well as foreign cultures in Europe and Mexico. By bringing the world closer through an understanding of foreign languages, it is likely that the future American will be able to communicate with people of other nations in hopes for a more peaceful and secure world.

The World Awaits Proviso's Business Education Entrepreneurs

Chris Zagone does some serious computing on one of P.W.'s IBMs

As today's Business world becomes increasingly competitive and demanding, the business person of the '80's must develop skills in all facets of business which make him shine above the rest. Proviso West's Business Education program focuses on training students to apply themselves and produce maximum efficiency. Through computer programming, typing, word processing, stenography, and Business English courses, the Proviso student receives the best preparation possible to attain success in the fast-paced world of Business.

Julie Archambault concentrates on perfection.

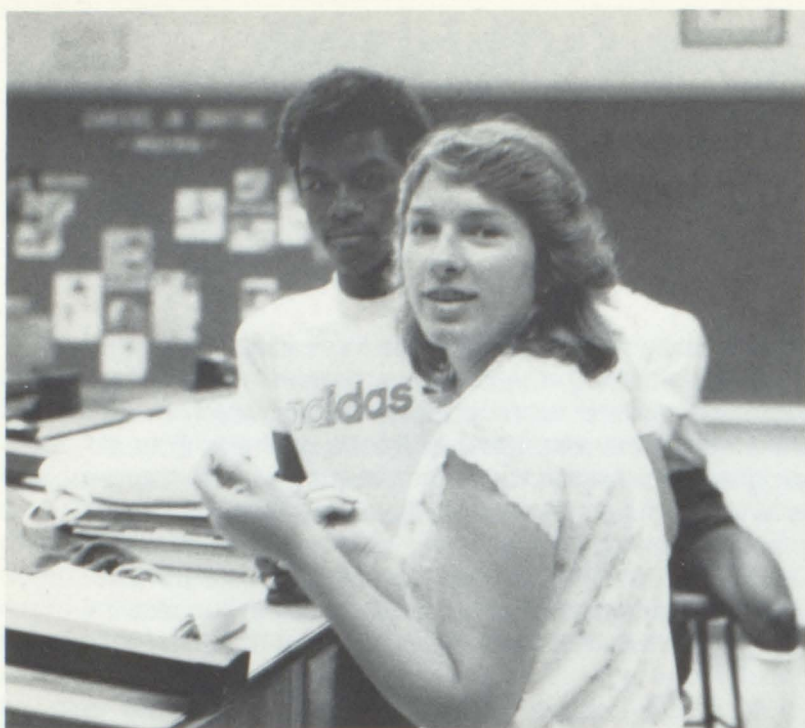

Learning to use the computers is important today.

Lenore Fencka takes time out of her work to relax.

Concentration is the key to quality work as demonstrated by this conscientious person.

Students Learn Needed Skills In Industrial Education

Printing, technical drawing, carpentry, architecture, and auto repair are just a few examples of the many jobs P.W. students are prepared for in the Industrial Education Department. The importance of vocational training has increased tremendously with the growing need of skilled labor in our society. With this in mind, Proviso West has put more emphasis on the skills being taught and the success of the students. The Industrial Education Department offers students the chance to learn a trade and open up their future.

Having fun while you work is always important.

These two students proudly display the finished products of their work.

Keeping P.W.'s students in shape is the main objective of the Physical Education Department. The P.W. program includes a variety of activities such as football, basketball, tennis, soccer, swimming, volleyball, and softball. These activities provide a fun way to exercise and get physically fit. After all, a sound body can only contribute to a sound mind.

Student Council Is Successful At Fund Raising

Glen Guy, at the left, has been the focus of many fund raising activities this past year. He is an 18 year old senior who lives in Dallas City, Illinois, and is the president of his class. Glen, however, has a very serious problem. He needs a new heart. Glen could die if he does not receive a heart transplant operation within the year. Several bank accounts have been established to help Glen and his family meet the \$125,000 needed up front before the wait for a donor begins. Glen admits he is scared, but he is looking to the future. If he should die while waiting for a donor, he intends to go down fighting. Proviso West's Student Council and student body are fighting for his cause by trying to raise funds to help save his life.

Key Club began at Proviso 25 years ago. "Key" in Key Club stands for "Kiwanis Educated Youth." Key Club is associated with the Kiwanis Club of Westchester and belongs to the Illinois and Eastern Iowa District. Proviso's Key Club has grown in membership from as few as 20 members to the current membership of 55 members. Mr. Richard Clish has been the sponsor for the past 13 years. Proviso's Key Club has had 3 lieutenant governors in its history. Tom Scrivner is presently the District Office Treasurer. This year's main service project was during Key Club week, November 6-12. Paperback books, daily necessities, and homebaked cookies were collected school wide for the Marines in Beirut. Key Club went to the Shriner's Hospital again this year at Christmas time. A wheelchair basketball game was sponsored by Key Club. This year was the fifth annual "Almost Anything Goes" contest and the 10th annual faculty Easter egg hunt. Convention was held in Peoria, Illinois, this year, and again Proviso was a convention leader. Mr. Clish adds, "Even though Key Club is a service organization it is still fun for those involved."

Doing Important Work, Lab Aids And Library Assistants

Lab aids are invaluable assets to the science teachers they help. The aids do work around the labs so that teachers have more time to educate their classes. Some of the tasks the lab aids perform include setting up materials for class experiments, mixing solutions, and measuring chemicals.

Library assistants give up their half hour study each day to help out with the many jobs performed in a library. Shelving books, straightening shelves, and helping other students are included in the chores assistants. Library assistants are irreplaceable because they keep the library routine flowing smoothly.

Clubs In The Classroom

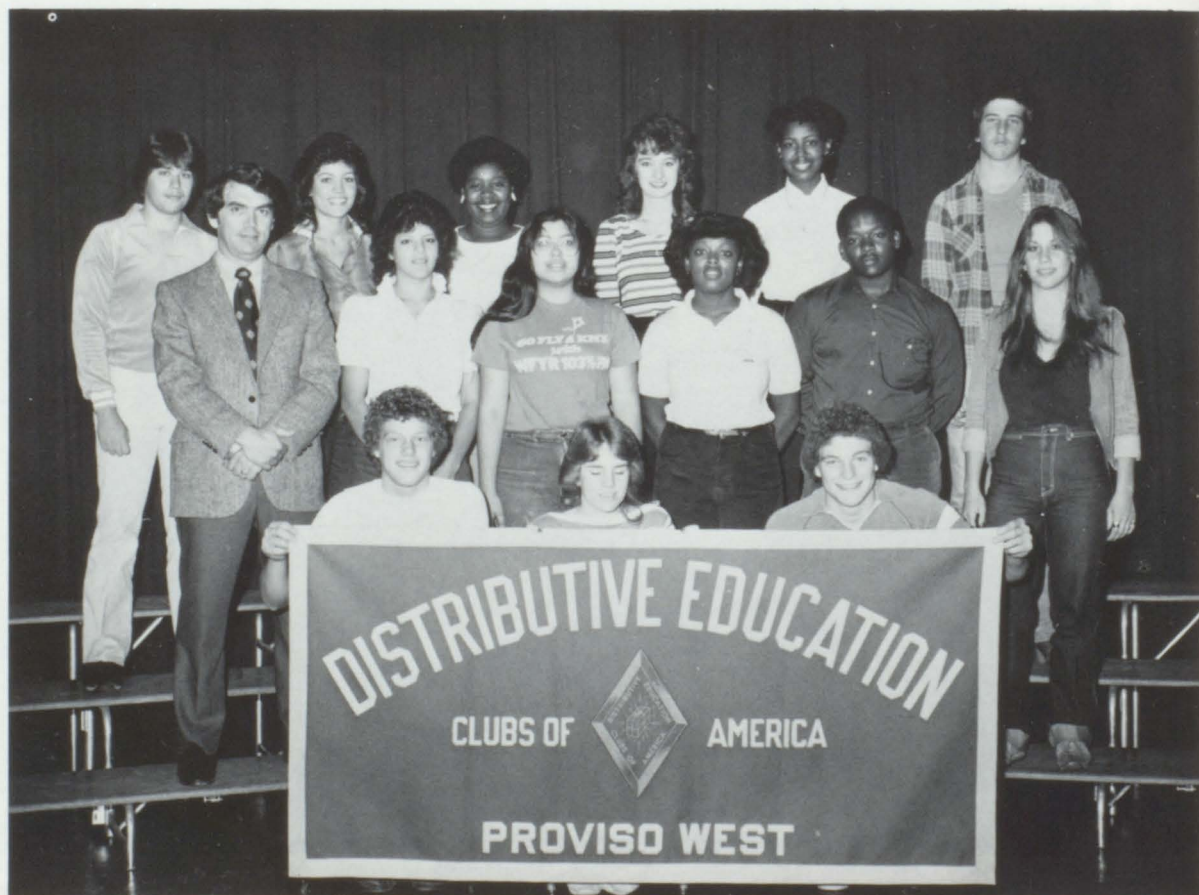

The HERO club is a part of a nationwide organization called FHA-HERO. It's purpose is to develop leadership and promote service. The Proviso West HERO club is lead by Mrs. O'Boyle. Students assume leadership responsibilities as they plan and participate in this "club in the classroom." All the members of the HERO club are on the HERO Cooperative Education work program and work in the afternoons or evenings in areas of food service, child care, and clothing.

D.E.C.A. is an organization for students enrolled in cooperative distributive education. D.E. is a work program in the career fields of marketing, retailing, and sales. The students compete against other high schools at the local, state, and national level. The areas of competition are sales, advertising, display, marketing, research, and human relations.

D.E.C.A. students attend workshops on marketing, leadership conferences, and field trips. The class also takes a group of underprivileged children to the circus each year.

Office Education Association Offer Occupational Skills

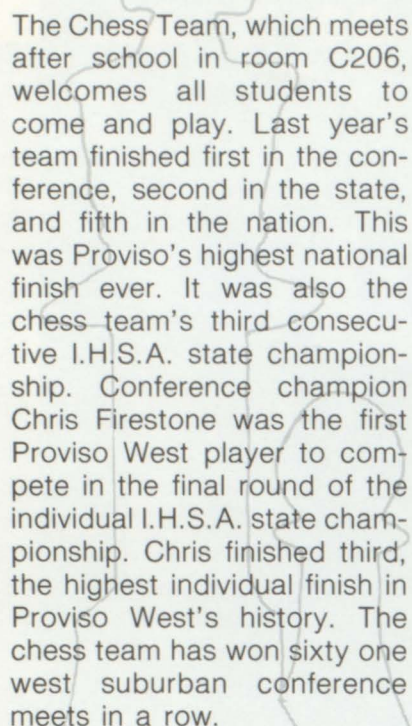

Office Education Association is dedicated to students interested in secretarial and clerical vocation's. In the O.E.A. club the two big events of the year are the office elections and the Employer-employee Banquet. In the elections students can run for office on the local level here at Proviso West. If they are an officer on the local level, they are eligible to run for office on state level which includes all the schools in Illinois. If they win on the state level they are eligible to run for a national office which involves 13 states.

At the end of the year the O.E.A. club has an employer-employee Banquet. This is where the students invite their employers for lunch to thank them for participating in the work program.

Connie Saporito and Cheryl Mueller show their determination to get on the teachers good side.

The Chess Team, which meets after school in room C206, welcomes all students to come and play. Last year's team finished first in the conference, second in the state, and fifth in the nation. This was Proviso's highest national finish ever. It was also the chess team's third consecutive I.H.S.A. state championship. Conference champion Chris Firestone was the first Proviso West player to compete in the final round of the individual I.H.S.A. state championship. Chris finished third, the highest individual finish in Proviso West's history. The chess team has won sixty one west suburban conference meets in a row.

Proviso's Cultural Clubs

The Proviso West German Club is an informal group open to all students whether they are studying German or not. Members raise funds by means of bake sales, candy sales and the sale of German Advent calendars each year.

The proceeds from the fundraisers go to worthwhile causes in the school as well as paying good members costs to events such as a circus, the Ice Capades, horseback riding, or a place of historical interest. Occasionally there is a trip to a German restaurant. Members may bring non-paying guests. The club usually participates in the annual school charity week.

The Afro-American club of Proviso West is composed of any students, enrolled in Proviso West who are interested in the affairs of people of African descent. The club provides social activities, community services, and functions to improve the school. The major goal for the 1983-1984 school year is to make \$1000.00 in donations to various organizations. The

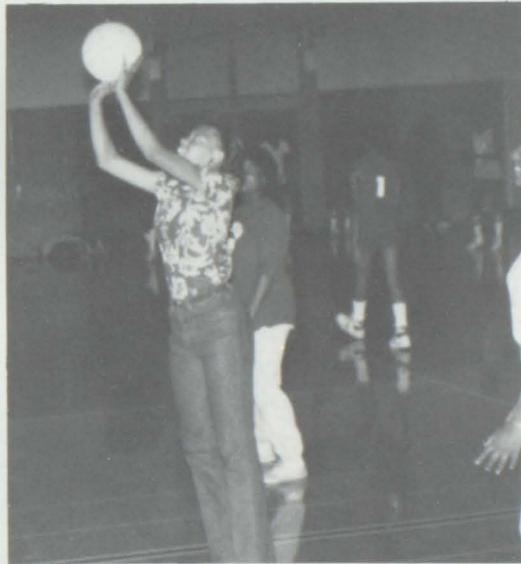

club also participates in other projects such as fun nights, socials, donations to the United Negro College Fund and the Sickle Cell Anemia Foundation, aiding the Proviso West library, sponsoring student scholarships, and supporting the program for the community for Dr. Martin Luther King's birthday.

You Can't Take It With You

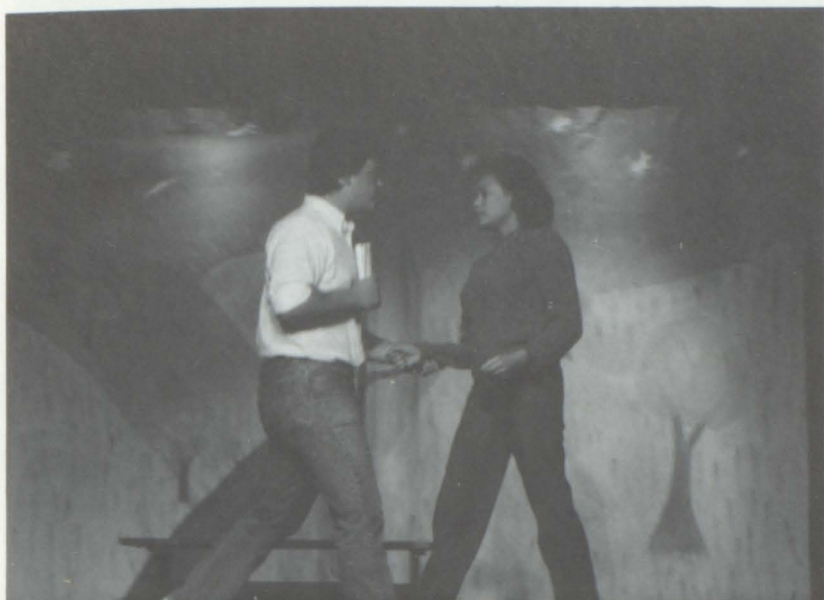

1983 SPRING PLAY

The stage play, **YOU CAN'T TAKE IT WITH YOU**, was written by Moss Hart and George Kaufman and was presented in May by Proviso West. The time is the 1930's and the entire play takes place in the Living room of Martian Vanderhoff's (Rob Verber) living room. This term "living room" is used loosely because here, meals are eaten, plays are written, snakes are collected, ballet practiced, xylophones played, and fireworks set off. Penny Sycamore (Debbie Martz) is Vanderhoff's daughter. She, among others, and her husband Paul (Rick Romanelli) and daughter Alice (Natalie Wray) live with her father. Because this household is so bizarre, Alice feels her fiancée (Tony Kirbey) and his family will be frightened away due to the fact that the families are total opposites. In the end, Martin makes the families and the audience understand you must do what you can because you can't take it with you.

Love Rides The Rails Or Will The Mail Train Run Tonight

THE 1983 FALL PLAY

The Proviso West students presented the play Love Rides The Rails or Will The mail train Run Tonight. This production, which is set in the late 1800's, is in the style of the old time melo dramas. A melo drama is a story in which a definite line is drawn between good and evil. The vilian wears black and the hero wears white. He, the vilian, always trys to get what is not his. This includes the damsel in distress. However, there always is a hero. This particular melo drama is about the widow Hopewel (Sue Henderson) and her daughter Prudence (Gesela Vega) who count on the dividends from their stock in the rail road to pay their mortgage on the house. The owner of the bank, Simmon Darkway, (Kevin Wickstead) sets out to destroy the rail road so the widow and her daughter can no longer pay the mortgage. This will mean that Prudence will have to marry Simmon so her and her mother will not wind up in the streets. However, the hero (Kurt Helf) saves the day.

CHOREO-ORCHESIS

The Choreo-Orchesis girls are the master movers of Proviso West. Creating dancing and hard work is the name of their tune, and they sure know how to play it. These students practice two or three days a week in order to prepare for the upcoming show

entitled "Stop, Look, and Listen." Their director, Mrs. Smikles, keeps them on their toes with new, different, and difficult routines and maneuvers, but the satisfaction these girls receive is more than just because they've got PIZZAZ!

The Marinettes are more than swimmers. They are sequence dancers of the water. These young ladies work very hard to perfect difficult underwater moves. Their performance involves more than just splashing. These students must show perfect control at all times because they are always moving. Their actions must be precise, their movements in control. The Marinettes work hard all year to perfect their spring show. They are the pride of Proviso's pool area. Pictured below are the officers: Kim Bimler, Renee LaFaver, Diane Novak, Tracey Smajek.

The theme of the 1984 *Mural* deals with personal growth and change. Each of us can think back to yesterday when we were children with dreams of growing up, going to school, and becoming a responsible person. We remember when staying within the lines of our coloring books and writing our names were major accomplishments. Today we've advanced to complicated layouts and creative copy. We have grown into a group of people devoted to putting together a collection of memories which Proviso students have shared over the school year. However, no matter how creative, level-headed, organized, mature, and professional the 1984 *Mural* staff seems, we are still children at heart.

West Whips East

According to head coach Lima, his best game was "a slaughter of cross-town rival Proviso East 14 to 11. (the worst beating they've ever had in baseball)." Other outstanding victories included defeating the conference champions, Oak Park 4 to 2, and defeating York 14 to 3. Bill Giancesch, with a record of 10 wins and 2 losses was selected for the Illinois All-State team. Paul Montague, Joe D'Agustine, and Dan Schill were selected for the All-Conference team.

This is only the third Proviso West team ever to win 20 games. The team set many new records including 195 runs and 83 stolen bases.

Despite the injuries and ineligibilities, the team still finished sixth in the conference. Members of the 1600 meter relay team consisting of Nedra Shiner, Alyssa Denaer, Karla Vandevender, and Faune Neal qualified for the state meet. With Karla Vandevender's long jump scores, she qualified for state and broke a school record. Special recognition for this season goes to Alyssa Denaer, the outstanding freshman; and Nedra Shiner, the outstanding sophomore.

Soccer Team Has Good Year

Varsity soccer had a very good season. Seniors Stan Spera and Gordon Lukic with juniors Jim Long and Willie Vidakovich made the All-Conference team. Gordon Lukic also made the All Area team and his 21 goals helped accomplish this feat. Sophomore Dimitri Stauropoulos had a good season as goalie after Tom Muzik was forced out with a broken jaw. Varsity soccer looks for a good season next year because of a strong junior support. The soccer team finished 4th in Conference with a 6-11-2 record.

Sophs. Show Improvements

Proviso's sophomore soccer team showed great improvement over the entire season. Their record ended up to be 8-8-2, and they finished 4th in conference. The sophs. really put on a show in the conference playoffs beating Hinsdale Central and Oak Park. Some first year players displayed their talents and really helped the team.

Freshmen Show Potential

The frosh soccer team was hurt this year because of the new eligibility rule. This team had a very good defense and will get better as they progress to varsity. The freshman soccer team ended up with a 3-2-1 record and placed 4 in Conference.

Swimming Team Faces Tough Conf.

Although the varsity swimming team was very small and had many difficulties filling all events, the girls worked very hard ending the year with 1 win and 6 losses. The one win was over Oak Lawn. The varsity team will lose only two seniors, Ginger Boyce and Andrea Borkowitz, but the abundance of juniors replacing the seniors will give us another strong team.

Sophs Gain Experience

The sophomore swimming team ended the 1983 season with 1 win over Oak Lawn and 6 losses. The team had a rough time filling all the events with so little athletes. With the freshmen coming in combined with the experience of the rest of the team we will be sure to have a victory in the coming season.

Learning Year For JV

The Junior Varsity girls tennis team did quite well this season with the experience they had. The team finished 7th in the Conference. There was a surprising win at 2nd doubles against Oak Park and a come-back victory at 1st doubles against Downers Grove North. These JV girls acted as a team and had no most valuable player, and this type team will achieve great heights.

Tennis Aces Good Year

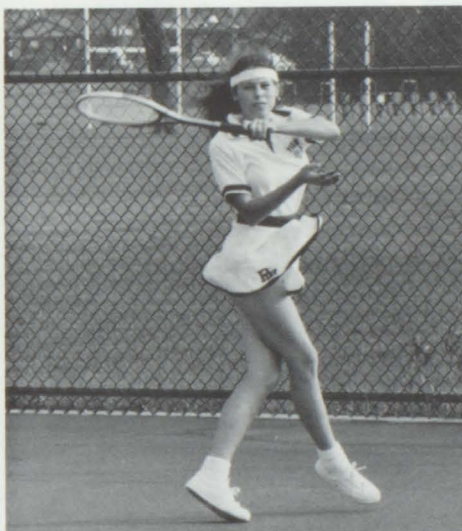

The Proviso West Varsity Girls Tennis Team encountered a rough season due to a lack of players. With one of the smallest teams, they never gave up. What they lacked in size, they made up in determination. The team's most loyal player was Skyla Ivers. The two returning seniors showed strong leadership. Linda Kopija, who was the team's Most Valuable Player, Played 2nd singles and finished 4th in the Distric Tournament. The first doubles team consisting of senior Theresa Parilla and junior Michelle Blattner formed a crucial part of the team. Everyone is looking forward to next year's season.

Varsity golf had a very strong team. The West Suburban Conference is one of the toughest conferences in state as far as golf goes. The golf team finished 4th in conference which is very good. The golf team got down to business in regional and won an unchallenged victory. The top four golfers on the team are Doug Broad, Mark Pacifico and All-Conference golfers Keith Neuman and Mike Minneci.

The Proviso sophomore golf team had an outstanding year. They had the best sophomore dual meet record in the school's history 13, 2. The sophomores played consistent throughout the entire season. The sophomores conference record turned out to be 5, 2 placing 4th in Conference. The outstanding players on the team were Bill Fry, Tom Roth, and freshman Jim Mikuta.

The freshmen and sophomore volleyball teams had a disappointing season, but they learned about the preparation, the hard work, and the competition. Marie Reed proved this true when she was voted the most improved freshmen. Unfortunately, the teams records were not that impressive. The freshmen record was 0-14, and in conference, they finished last. The sophomores managed to tie for 4th in conference and had a 4-7 record in regular play.

Varsity Volleyball

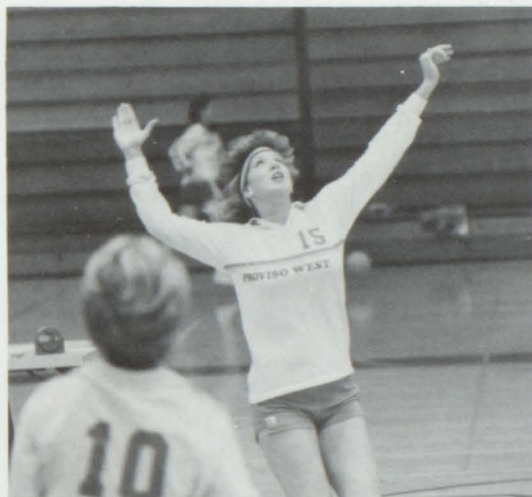

Varsity Volleyball had a very exciting season. Coach Tammy Striedel was very pleased to announce that Ronnie Brown was selected to play in all-conference, and she was also chosen the team's most valuable player. The team ended its season with a 12 and 25 record in regular play; and in conference, they finished in a 5th place tie with a record of 2 and 5.

The Panther defense was a strong factor in Proviso's success.

The 2-7 overall record (1-6 in the conference) of the Varsity Football team does not do justice to the team's accomplishments. Tying for 7th place in the conference, their biggest thrill this year was a dramatic victory over Proviso East 13-7 snapping a 3 year drought of WSC victories. Tracy was elected the team's MVP after 4 years of remarkable achievement and after he set the record for Most Yardage in a game with 254 yards. The Varsity also set two other Proviso records: Jerrod Clark's 94 yard kick-off return and Tracy Robinson's longest run from scrimmage (87 yards). Other Seniors who were given Honorable Mentions were Ron Provenzano, Pookey Triplet, Maurice McKinney, Dave Stillwell, and Leonard Watts.

Sophomore Football

The team is all psyched up to play the Pirates.

After only half of the starting Freshman squad of '82 returned and eligibility really took its toll on the team, Coach Clish and his squad finished with a disappointing record of 0-7 in the Conference (0-9 overall). One highlight this season was that this squad was the only team all season to score on Glenbard West's Sophomore team. Individuals who played important roles this season were Joey Turner, Leroy Morris, John Hasner, and Brian Mathis. Mathis set 2 new Sophomore records: Most interceptions in a game (2) and most interceptions in a season (4).

This Panther is ready to attack Proviso East.

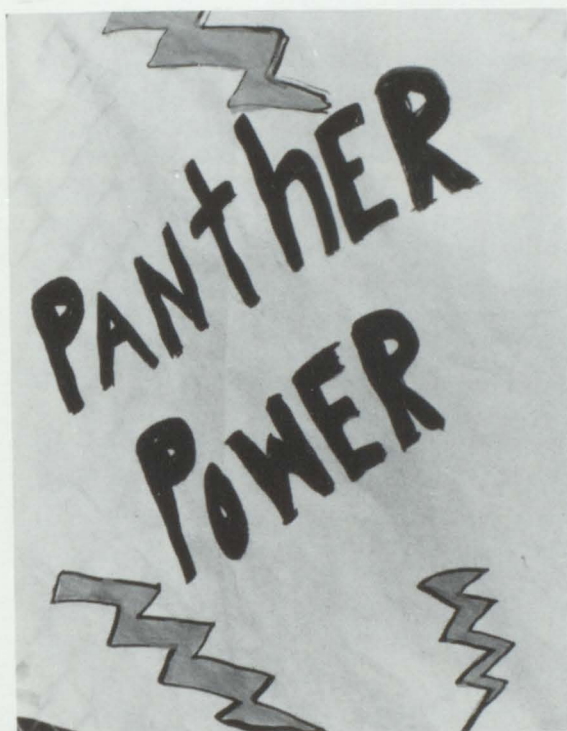

The quarterback releases a strike before being sacked.

Freshman Football

Despite a 1-6 Conference finish (3-6 overall), the Freshman team really had something when everybody showed up. Highlights this season were the defeat of a strong Wheaton Central team (32-12) and a victory over Proviso East (12-8). Reggie Chatman was probably the Best-all-around player, and Steve Alajoki was mentioned the team's Most Dependable player. Others mentioned were Bill Popek, Kevin Morrison, and Marcus Hardy. The ineligibility rule really took effect on the success of the '83 Freshman squad.

Frosh Basketball A-Team

The Freshman "A" Basketball team had an average season. They finished with 8 wins and 4 losses. The "A" team players did not compete in the Conference tournament. Coach Shannon stated that the team was a disappointment due to the lack of consistency in the team's playing. Their defense was poor. However, there a few bright spots. The team did manage to take first in the Hinsdale South Holiday Tournaments thanks to a few notable players: Reg Chatmen and Homer Rouse, who are both very quick and have great scoring potential; Ron Speechley is a very good outside shooter and Griffin and Lang are good on the boards.

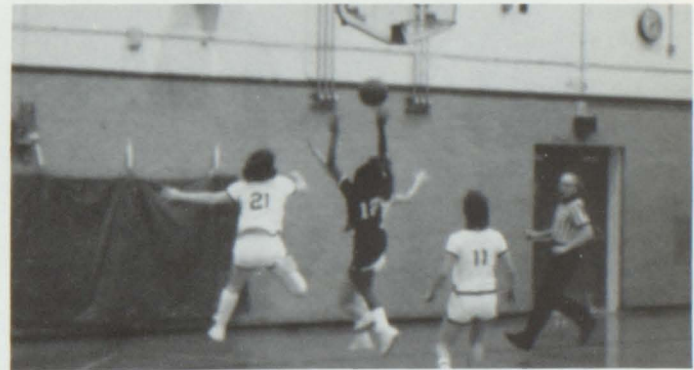

Front Row: L to R - Jeff Cleveland, Warring Lester, Craig Williams, Archie Hollins, Marvin Polnitz, Mike Mazzolini, Mgr. Kurt Bimler. **Back Row: L to R** - Mike Broz, Jim Mikuta, Marcel Lang, Mike Wright, Darren Wilson, Pat Kennedy, Coach Sawosko.

Frosh. Basketball B-Team

If the freshman "B" Basketball team continues in their winning ways, the future for P.W. basketball looks great! It was a season of many victories and few disappointments. There was a triple overtime victory in the game against Proviso East, and the team was a winner in the Hinsdale South Tournament. Overall, the team finished 9-1, and in Conference, a 5-1 record. Pat Kennedy, Mike Broz, Darren Wilson, and Mike Nicholas are a few of the hardworking and outstanding team members. These students not only show individual talent, but they work well as a team.

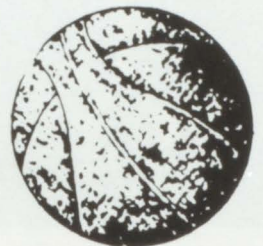

Girl's Varsity Basketball

Varsity Team Pulls Together

During their mid season the Varsity Girls Basketball team had attained many memorable achievements. The team's ten win and seven loss record during mid season was just one of the many aspects of the team's potential.

The team, which was picked as one of the top teams in the Chicago area, won second place in the West Chicago Christmas Tournament. The entire team contributed to the team's many fine accomplishments including their two victories over conference rival Proviso East. Some of the most outstanding players this year were senior Tracey Branch, who made the All Conference Team, Senior Varonica Brown, and Junior Roz Williams.

Wrestlers Pin Conference

All P.W. varsity wrestlers have improved enormously since last year. All the coaches had high expectations for the team, and the team put forth its best.

The Varsity Wrestling team experienced its highest finish in the Regional tournament in ten years, this year. The most outstanding members of the team, who contributed to its success, were Maurice McKinney at 145 pounds, Mick Nagle at 167 pounds, and Tim Fox at 185 pounds. Maurice McKinney who was one of the two proviso wrestlers to qualify for the state sectional meet also held the honor of becoming an all conference wrestler.

Front Row: Percy Thomas, Brian Legan, Maurice McKinney, Tony Buzzard, **Back Row:** Ron Lilly, John Hasner, Tim Fox, Bill Kainz, Nick Nagel.

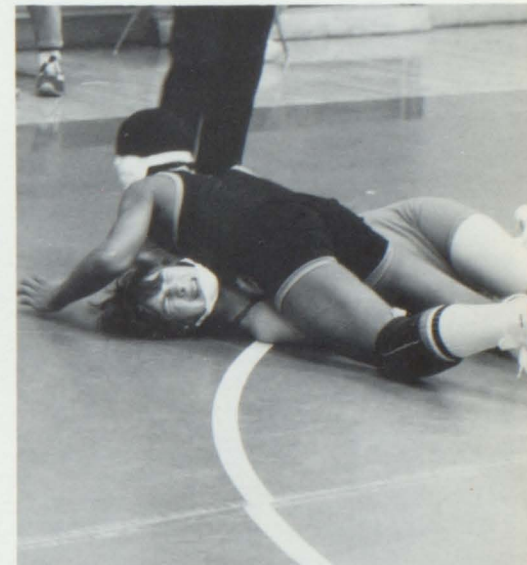

J.V. Gets Stronger

The Junior Varsity wrestling team experienced a difficult season this year. The team finished eighth in our conference. Some of the highlights of the season included winning the first two meets against Morton West and St. Joseph's.

The team had many outstanding members. Team captain Doug Binder had an overall record of ten wins and only two losses. Coach Yeager is looking forward to the return of Vince Calente, Todd Cooper, Anthony Russell and Micheal Donis, all of whom he considered steady and promising wrestlers.

Varsity Swim Team. Front Row: Mike Shannon, John Rurka, Arthur Faje, George Pilgrim, Don Faje. **Row Two:** Paul Rurka, Mike Zito, Eric Hardman, Tom Scrivner, Paul Pederson, Mr. Boyce, **Coach.**

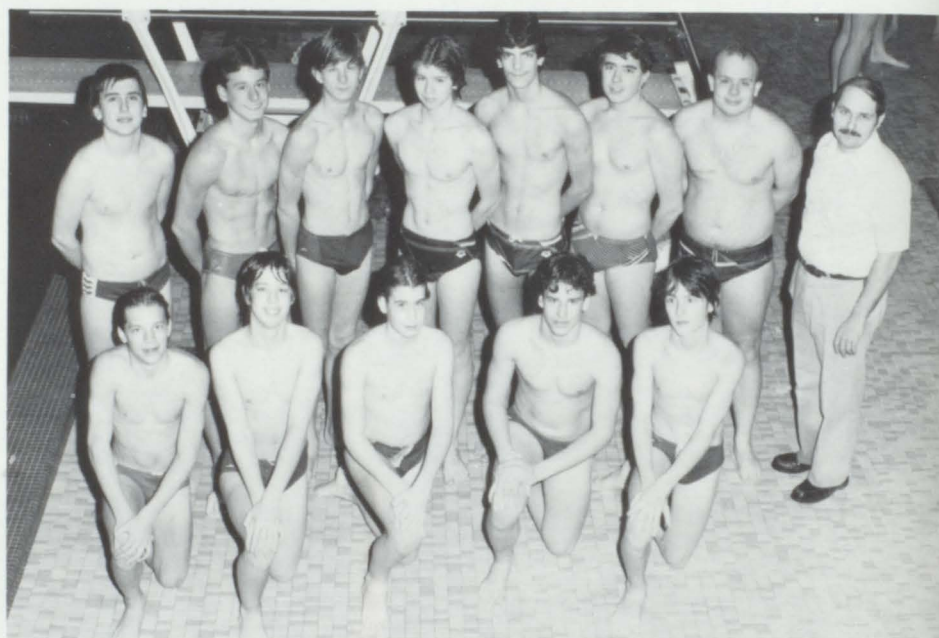

The Varsity swim team had four wins and one loss during their mid season. The varsity team was small in numbers but big on quality. The team suffered because of not being able to fill all events. Although the swimmers did win most of their events, they lack the depth to take many second and third place finishes. The Varsity swimmers took fourth place at the Shepard relays. Each win over any conference team is a big accomplishment for the team. Senior John Rurka was the best all around swimmer. John can place in any event in a dual meet. Tom Scrivner is the best sprinter on the varsity team. Art Faje is the best hopeful for the state meet.

Swimmers Have Quality If Not Quantity

Proviso's Sophomore swimmers had 2 conference wins and 3 losses during their mid season. The team suffered many lost points because the team did not have any divers. The sophomores did well in all of their dual meets. Paul Rurka was the teams most outstanding swimmer; Paul won most of his dual events and helped the varsity in special meets.

Left. Freshmen Swim Team: Ken Mohan, Roger Hash, Mike McMicken, Ben Urbans, Ken Lindstrom, Mark Borkowicz, Chris Denning, Coach Howard Current, Not Pictured Chris Morgan.

The Freshmen Swim team did well this season despite having a very small team. The six members worked very hard and performed well in their events. In their win over Morton East, the swimmers had some of their best times of the year. Chris Morgan was the best swimmer on the team. Chris went undefeated in every dual meet.

School Organization Secured By West Administrators

Keeping a school the size of Proviso West running smoothly is not an easy task. However, Proviso's administrators have done an outstanding job of keeping order at West. Proviso's principal, Mr. Robert Milano, has helped make Proviso a school that both students and faculty can be proud of. Assistant principals Mr. Frank Lyne and Mr. Richard Gusloff, Dean of students Mr. Glenn Stein, and class supervisors Mr. Wibourne Bowles and Dr. Frank Danes have kept up with the many changes that Proviso has undergone. These men continue to give Proviso the direction and guidance high schools depend on.

Through the journey of our lifetime, we experience many changes which lead us to horizons. Often times our growth is a result of another person's caring and concern. Wilbourne Bowles was a man who always encouraged growth in others. We don't always recognize real growth until time passes, and we can reflect and recognize the changes we have undergone. When we are able to look back, we will fondly remember a man genuinely concerned with the struggle of individual growth in himself and in others.

Art Work by: Dennis Smith

As I sit in contemplation
Just roaming inside,
My feelings for him,
I can no longer hide.
It's the care he gives
That sets me free.
It's the devotion he presents
Because he cares,
Which leaves me no doubt
Of him not being there.
It's the respect and loyalty
He's always giving,
Which makes my life
Worth living.
It's the way he conceives,
Then believes,
So that togetherness we will
Always achieve.
It's his being calm
And so understanding,
When I know at times
I can be demanding.
It's the appreciation he presents
For my affection
Never again will I face rejection.
It's the happiness he brings
That takes away sorrow
Which helps in living now
And not worrying about
Tomorrow.
It's wondering and wishing
If I'll always be with him,
As were talking when all
The lights are dim.
It's the sacrificing he does
Because of me,
That makes me want him ...
Eternally.

Autumn to Winter, Winter into Spring,
Spring into Summer, Summer into Fall-
So rolls the changing year,
and so we change.
Words by: Dinah M. Craik

There Is Nothing Permanent . . .

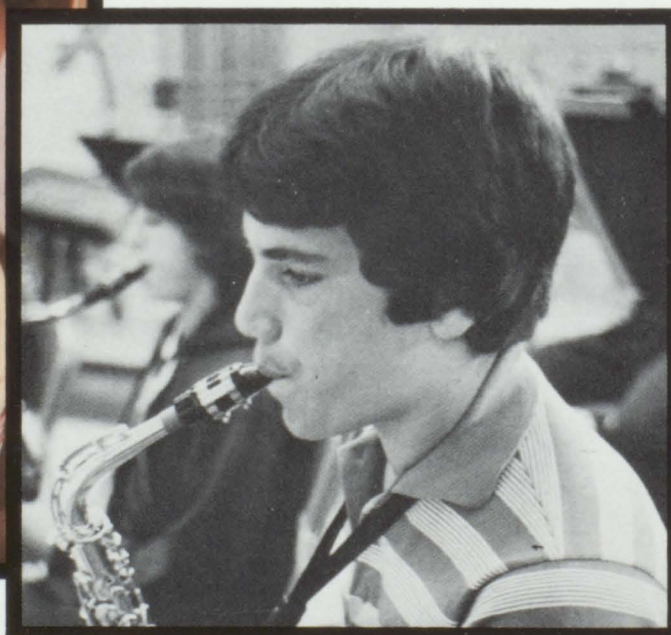

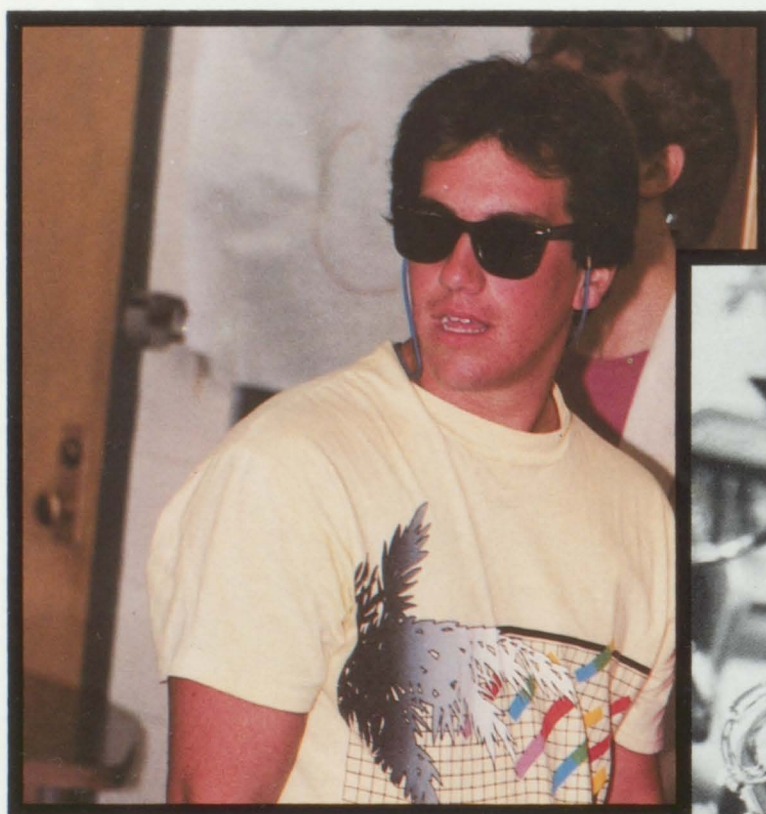

Left: Carria Vessol and Maria Pasquale show change, but their friendship grows with that change.

Below: Doreen Cervenka grows through school participation.

Below: Mark Pacifico changes his style.

Right: Patty Palermini and Patti Schneeweiss show that the years at Proviso were for the best.

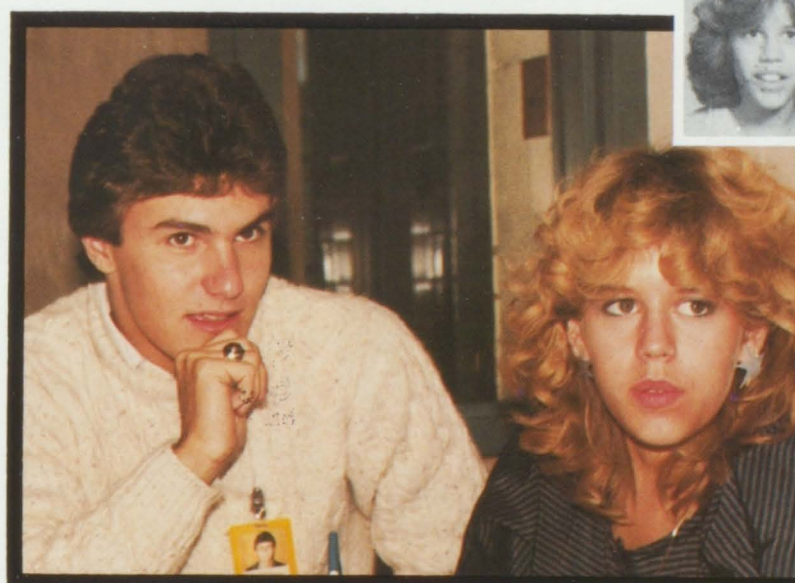

Left: Angela Gradisher matures through the years.

Above: Laura Chockla shows the beauty of change.

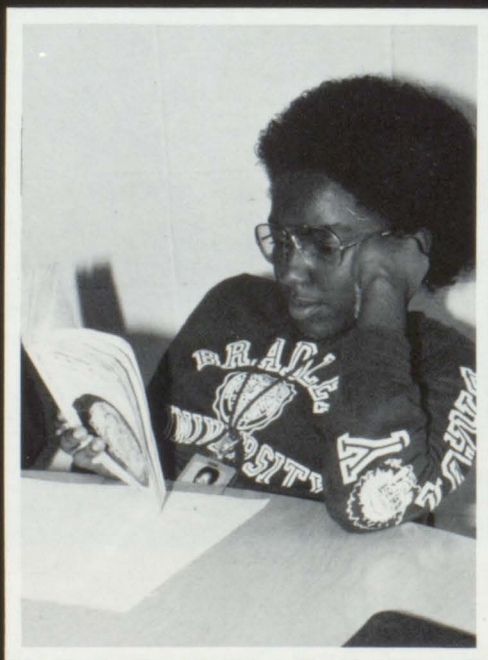

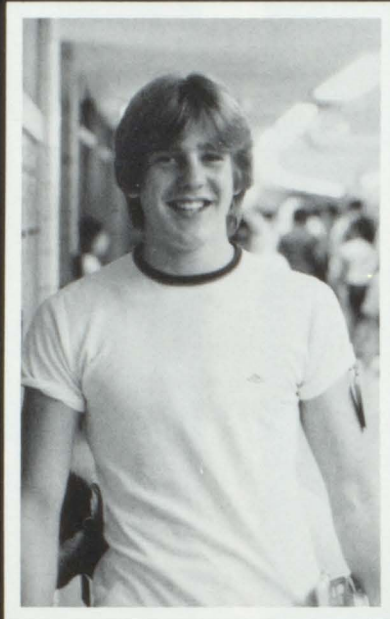

Right: Nada Pavlica shows the magic of change.

What's Happenin'

How much it seems,
that everyone's dreams,
are shattered all the time.
Problems and hopes, you'll find
aren't really much inside.
Problems are becoming harder
more and more each day.
A part of life people find they want to
stay away.

Many times people find that
things will work out well,
The things in life that are necessary
for any human to dwell.
Keep up your chin.
Stand and be proud
Overrule your problems
Fight them now!
You're a winner,
you know you can fight.
Beat those problems,
with all of your might.
In the end you'll soon see,
that beating your problems,
will make you free.

OUR CHANGE AND GROWTH

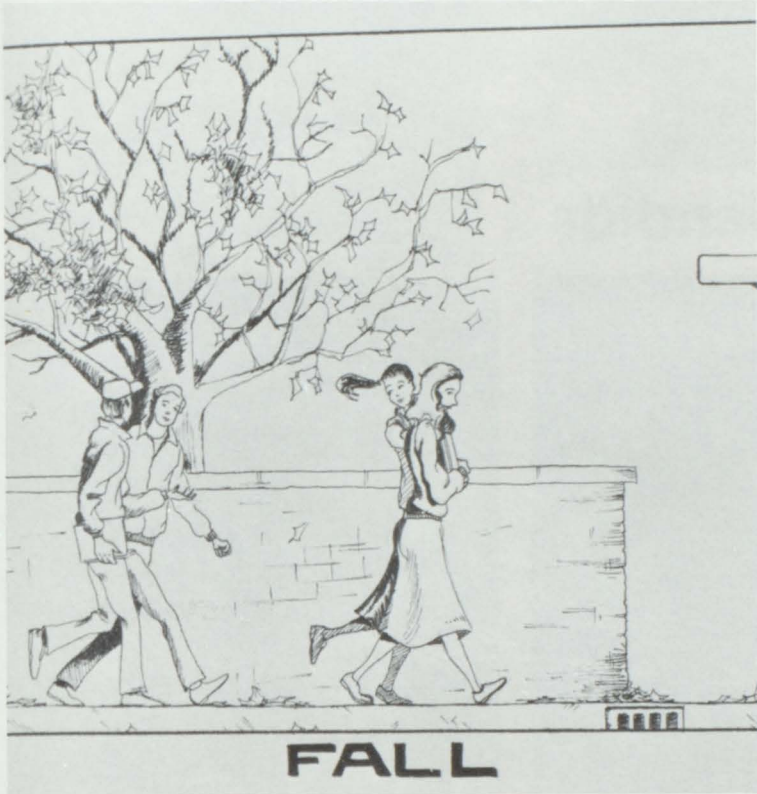

Graduation day, of the eighth grade class of 1980 has past and shall never return. It is time for us to change our way of thinking, goals and ideals of life, to these of young growing adults. Proviso West High School can and will enlighten you in these respects. These changes help us realize that we must put away childish ideas of long ago and concentrate on our future as men and women of America. By expanding and fulfilling our goals of life, We shall receive more opportunities which shall open doors of jobs for the Class of 1984. We are like the seasons changing constantly, never staying the same but always changing. Proviso West High School has helped us make these changes.

Tonya Harper

CHANGES

As we look through the years, the moments, the sadness, the triumphs, the tears. We work; we study; we do homework late. But it all pays off when we graduate. We learn new things every day to help us be young adults in every way. Day by day as we grow, the courage in us soon will show. We wonder what our future will be. We wait and hope patiently. Mural's Tribute To P.W.'s Secretaries

Seated: Mary Valentine, Marilyn Dillon, Jean Giordano. **Standing:** Joan Stavrojohn, Dorothy Moore, Jan Runkle, Dorothy Gradishar, Helen Dergance, Molly Cavanaugh, Barbara Connolly, Ofelia Baro.

The 1984 *Mural* would like to give a special thanks to all the secretaries of Proviso. Without these hard-working, dedicated women our school would not run as smoothly as it does. Throughout various areas of the school, these secretaries take care of the many important and necessary clerical duties involved with a school the size of Proviso West. Many of the secretaries also work throughout the summer to prepare for the next school year. The Mural staff appreciates all the help they received from the secretaries this year. There were many notices to send, packages to mail, forms to collect, and questions to answer. The secretaries assisted us with these tasks in addition to all the other work they had to do. On behalf of the entire school, the Mural thanks all the secretaries for making 1984 another successful Proviso West year.

Seated: Loretta Foidl, Joanne Wagner, LaVerne Isley, Jeane Harris. **Standing:** Ann Root, Chris Oddo, Sally Gosch, Toni Bellamy, Rita Belmonte, Lynne Parenti.

Front Row: Fran Colangelo, Albie Beuthin, Ruth Peterson, Diane Lesak, Nellie Grant. **Back Row:** Donna Wright, Helen Gortmaker, Ruth Dohrmann, Joyce Overby.

ADVISOR'S REFLECTIONS

The passing of time always brings change. This school year has been full of changes and growth. Together we've gained insights about ourselves as individuals, learned new information, laughed with friends, and cried over the loss of people we've loved.

I would like to express my heartfelt thanks to *all* the members of the MURAL staff for giving of their time, vitality, and creativity. I especially want to commend Lori, Pat, Maureen, Tom, and Paul for their hard work, their patience with me during our hour together, and most of all, for their support and understanding which went far deeper than just yearbook production. You're *all* very special people; I wish you all the very best that life has to offer.

Miss Phillips

EDITOR'S REFLECTIONS

Each school year brings with it many changes and new experiences. For the past twenty-three years the MURAL has served as a record of these memories so that we can look back and reflect. The theme of the 1984 MURAL encourages each of us to consider the ways we have personally grown and changed over the years.

The production of this yearbook was definitely a team effort. Everyone on the staff pulled together and really worked when deadlines approached. We also had the support, encouragement, and cooperation of many other people. This help was appreciated very, very much. I sincerely hope that the 1984 MURAL is a yearbook everyone will enjoy and treasure.

Congratulations to all of the graduates and best wishes to everyone!

Sincerely,

Lori Jean Dedic
1984 MURAL Editor

Special thanks to Mr. and Mrs. William Dedic, Ms. Jeanine Phillips, Mr. Robert Milano, Mr. James Bull, Mrs. Joan Stavrojohn, Maureen Fleming, Tom Muzik, Patrick King, Paul DelGuidice, Richard Romanelli, David Gross, Mr. William Haas, Mitch Dedic, Amy Lou, and Mary Wielander for all their help and support. **A very special thanks** to Mr. Hanley P. Saunders for his generosity, encouragement, patience, friendship, and kindness.

"Across the fields of yesterday he sometimes comes to me,
A little lad just back from play-the lad I used to be."
Thomas Samuel Jones, Jr.
