# Every Time Around

# HOMECOMING '84:

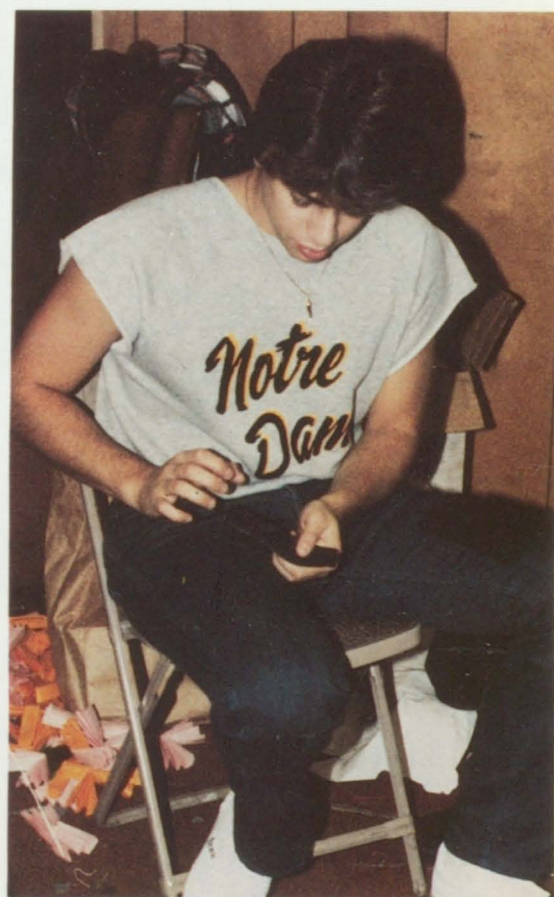

## A QUEEN IS CROWNED AS THE FANTASY BEGINS

# CAPTURING THE MEMORIES OF HOMECOMING 1984

Once upon a time in the land known as Panther Country, there was a fantasy known as Homecoming 1984. During this magical time, Theresa Krawczyk reigned as the Homecoming Queen amidst fanfare and excitement. The fearless Panthers were eager to confront the Lions as their kingdom was adorned in red and white. Panther subjects of all ages showed their appreciation for their Panthers the night before by decorating each one of their castles. However, for the determined soldiers and chiefs of the Junior and Senior classes and of the Band, they worked well into the night until the break of dawn to complete the floats which would ride through town.

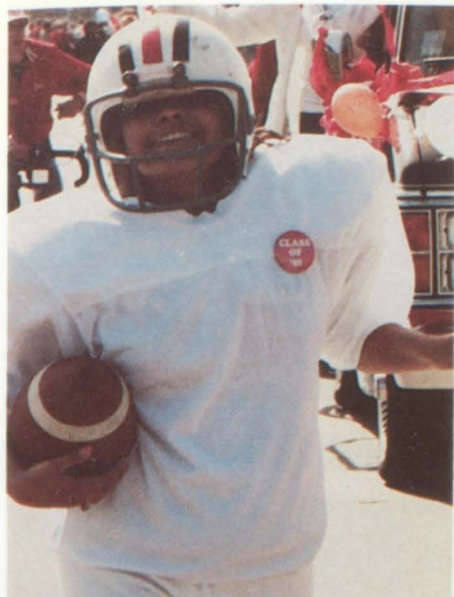

The stage was set now for the trumpets to sound and the celebration to begin.

# CAPTURING THE MEMORIES OF HOMECOMING DAY

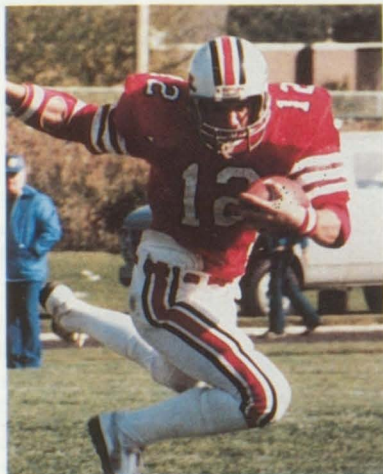

As the sun met the horizon, the battlefield was desolate, and the day's festivities had come to a close. In gallant battle, the Panthers fell to the Lions as the Queen and her court presided. There was celebrating in all town thoroughfares as all Panthers participated in the day's activities. The Senior Class of '85 made its mark in the history books by capturing first place in the float judging for its third consecutive year. Finally, after months of hard work and after a beautiful day, the loyal Panther subjects prepared for a wonderful night on the town making Homecoming '84 the most remarkable of their memories.

# Proviso: A School Offering Options

Everyone needs someone to talk to at sometime. Proviso West recognizes this special need for active communication and offers a chance for all students to share concerns, issues, and feelings in a rap group. Rap groups meet during lunch studies every other week. Mrs. M. Johnson, social worker, coordinates the program, and sees to effective techniques for better communication.

PROVE is an alternative schooling option for students who need additional assistance in developing academic skills and routines.

## CLASSES

---

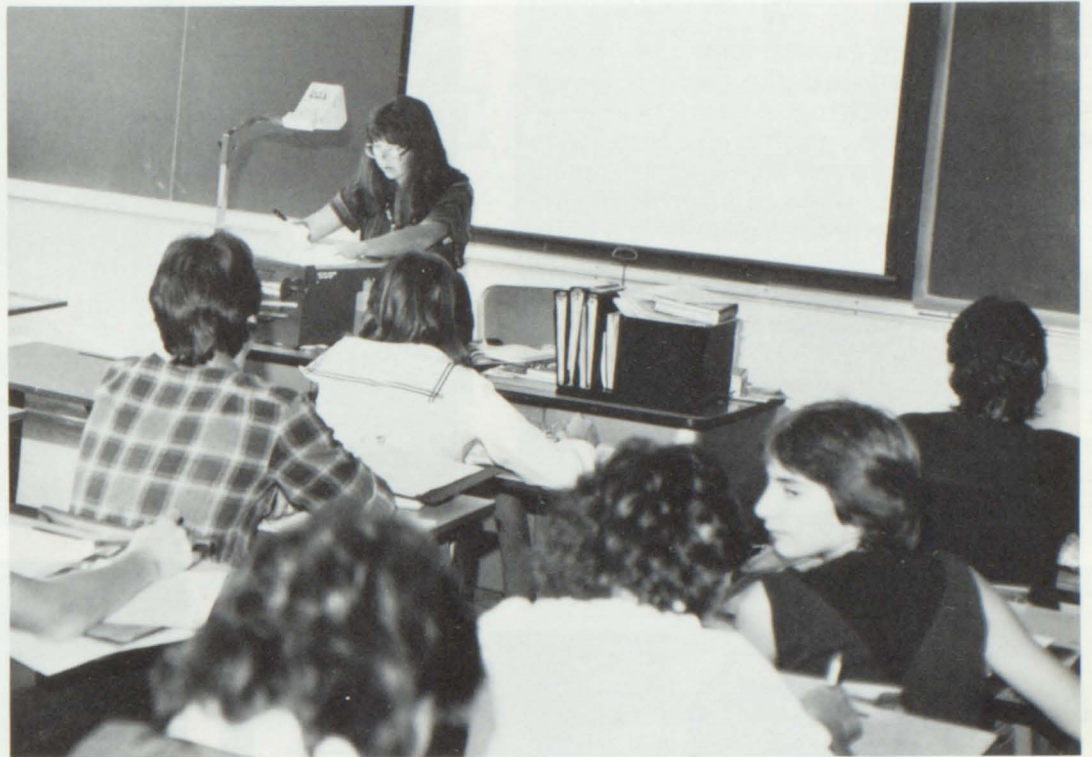

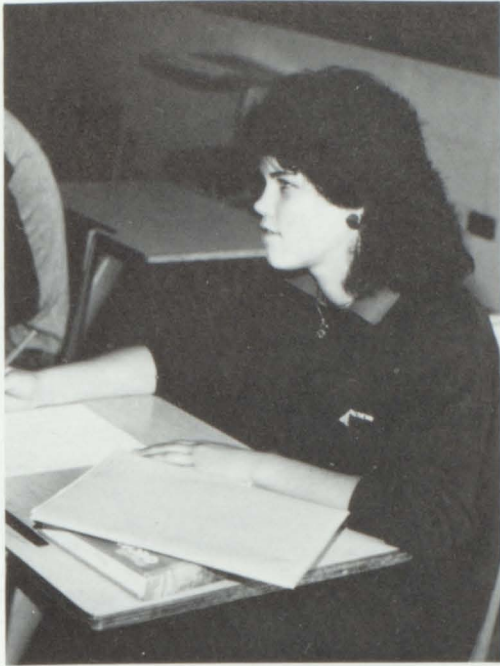

# Science Explores The Unknown

Forever, man has tried to answer the questions "How?" and "Why?" The Science Department is helping students find the answers. In General Science, students learn about the world around them. In Biology, students investigate man and animal and how they exist together. Chemistry allows students to watch what happens when certain chemicals are mixed together. Physics students suffer through hours of problems looking for the mass, the constant, or the moment of inertia. All students must prove their conclusions carefully and present them as clear as possible. Students are always looking for the answers, and in Proviso's Science Department, they are one step closer to finding them.

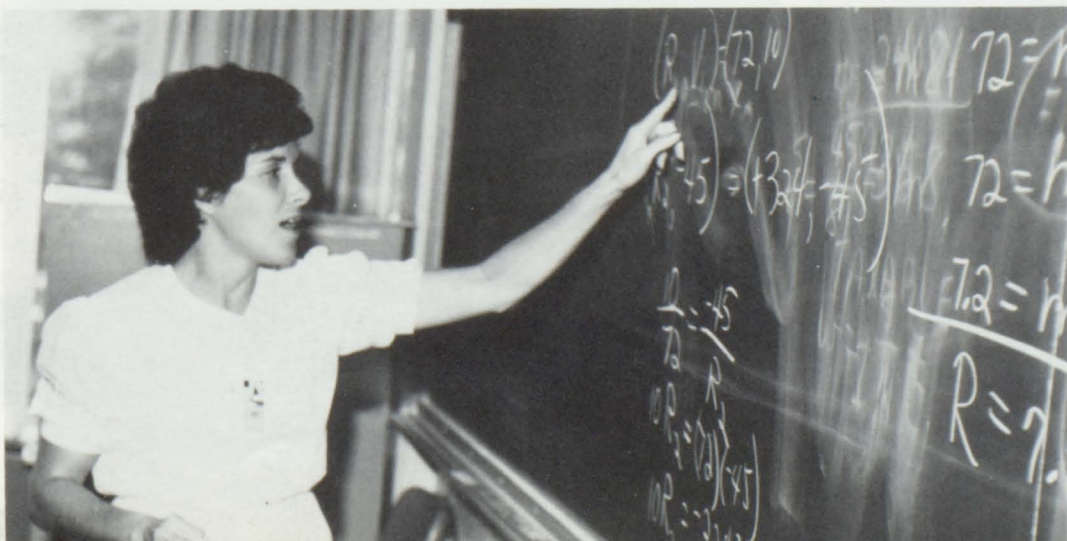

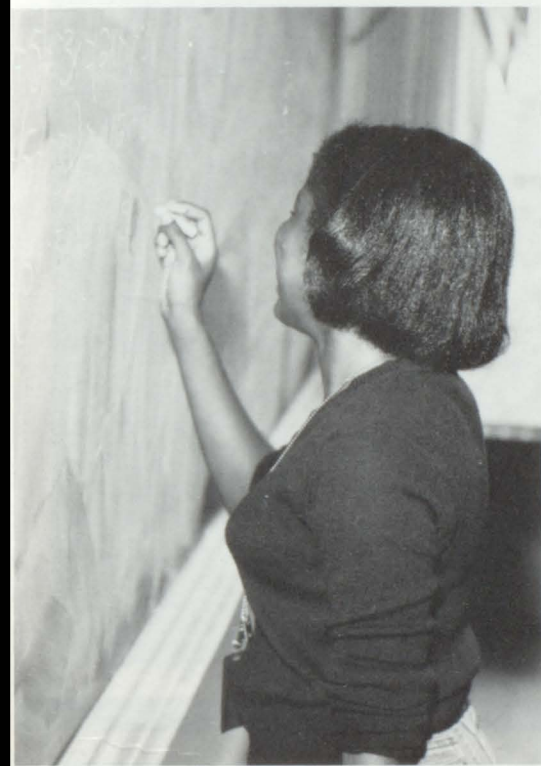

# The Language Of Mathematics

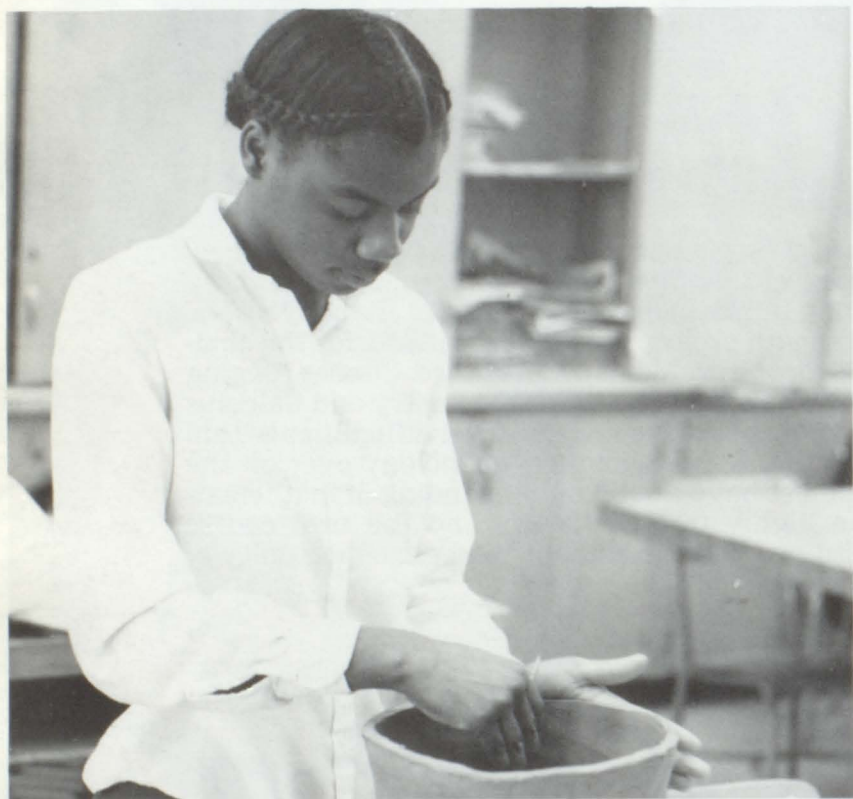

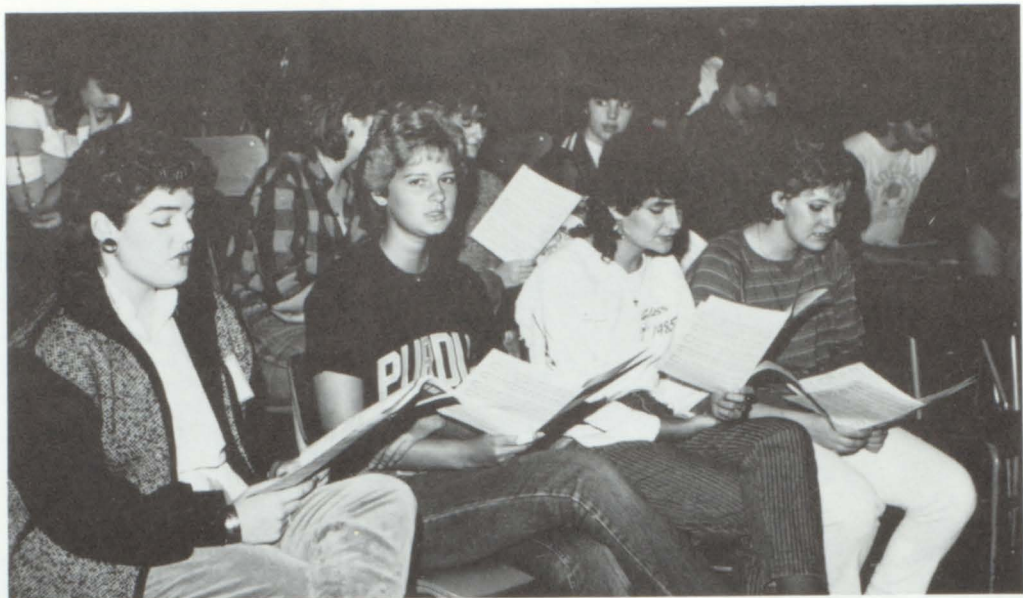

Learning mathematics is comparable to learning an entirely new language: a language of theories, postulates, formulas, and numbers. The application of mathematics is essential in today's society. Proviso West's math program prepares students for the challenges of today and for the problems of the future. Classes ranging from Math Fundamentals and Algebra to Geometry and Calculus enables Proviso students to solve math related difficulties within their society. With the age of scientific technology ever on the rise, an individual must have a solid understanding of mathematical concepts. The highly trained faculty and the firm course offerings at Proviso provide the student the best opportunity of grasping these concepts.

# The Art Of Art

Here at Proviso West, students are able to take a variety of artistic classes. These classes include drawing, pottery, painting, and music. One does not have to be a Rembrandt or a Beethoven to enjoy the pleasures these classes have to offer. One simply has to have the desire to achieve a higher goal. Artistic classes are a break from the daily routine of reading, writing, and arithmetic. Yet, art classes are still beneficial to a person because a student can then develop a creative imagination. All these courses are highly recommended for broadening one's horizon.

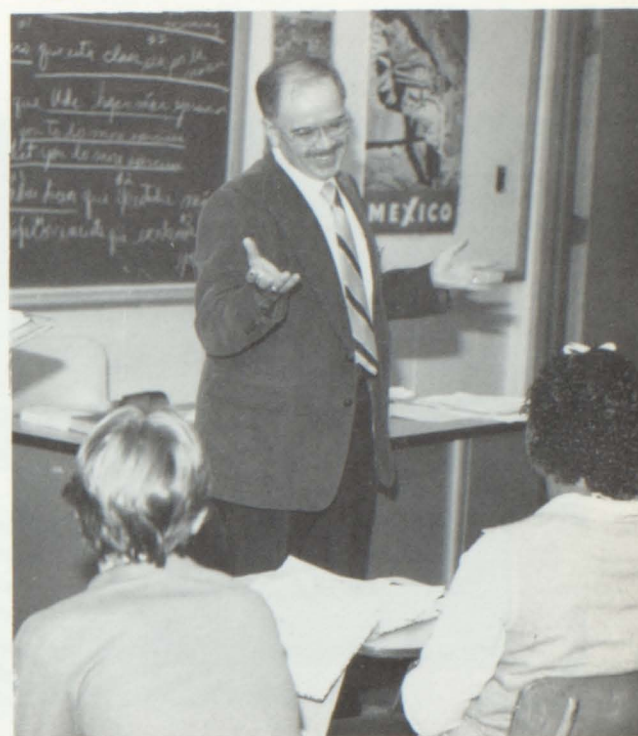

# Languages Open Foreign Doors

The knowledge of a foreign language is a definite asset in today's world. The language department at Proviso West which consists of French, Spanish and German, has a lot to offer interested students. They are able to learn the dialect, culture, and background, of other countries. They can even visit these countries through the special programs offered by the school. The teachers are very knowledgeable in their fields, and they really give the students an understanding of these countries and the language. The students are also invited to join special organizations that involve the use of these languages. Everyone should take advantage of the opportunities these departments have to offer.

# Social Studies: The Key To The Past

The Social Studies department at Proviso West strives to bring students to a better understanding of the world around them. American society is a mixture of many different people; giving it a unique blend of traditions and cultures. In order to understand this society that we are a part of, we must understand how it has evolved over the years. Here at Proviso West, each student is required to take American History to gain a better understanding of their own country. Courses involving histories and civilizations from around the world are also offered. An increased knowledge of other cultures will not only help in dealing with people in foreign countries, but it will also help us to understand the people that make up our own society. With this understanding, the past and the present will help inspire students make themselves a part of the future.

# English: The Key To The Future

Proviso West High School offers a variety of English courses from basic reading and writing skills to advanced college preparation classes. Freshmen gain familiarity with oral talks in the basics of speech, while the sophomores learn writing techniques. The juniors and seniors struggle through the year with their documented papers, and all students are introduced to various types of literature. Depending on the courses taken, the students are exposed to British authors like Shakespeare and Milton, American authors like Hawthorne and Poe, or modern authors like Hemingway and Steinbeck. English presents the thoughts of the past and present for the understanding of the students.

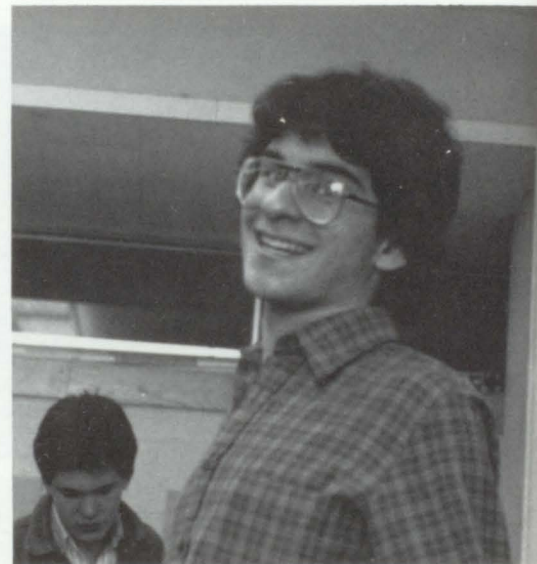

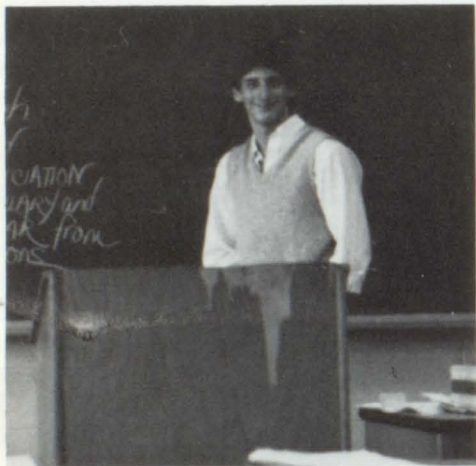

# AM Studs And D.O.W.T.

Junior and Senior year, gifted students are invited to take American Studies or Development of Western Thought. Both of these courses are two of the few interdisciplinary courses available at P.W. Since both courses emphasize student-directed learning, many units involve researching books and presenting them to the rest of the class in a creative manner. Individual projects and small group work and discussions are also featured.

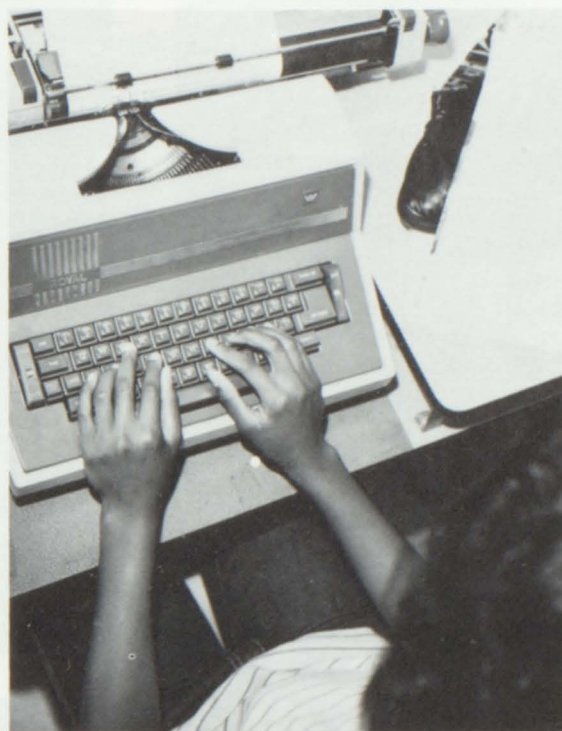

In American Studies, many of the units approach American culture through ethnicity, values and even violence. The course involves many field trips including the Morton Arboretum and Chinatown.

In D.O.W.T. Seniors take a two hour course that involves Honors English and Social Studies. The students read books from Western Civilization. The students study the evolution of government and religion; the students also present ideas in a creative manner. They have role-players, play presentations, and small and large group discussions. D.O.W.T. students take several field trips per semester also. They go to an occasional play or other exhibits that are appropriate to their course work. The great responsibility and the creative projects make Honors English a lot of fun.

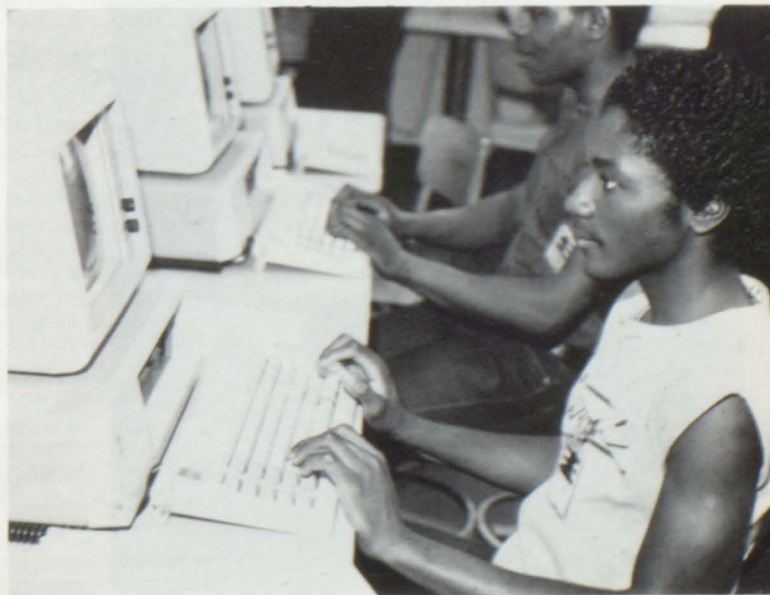

# Business Education

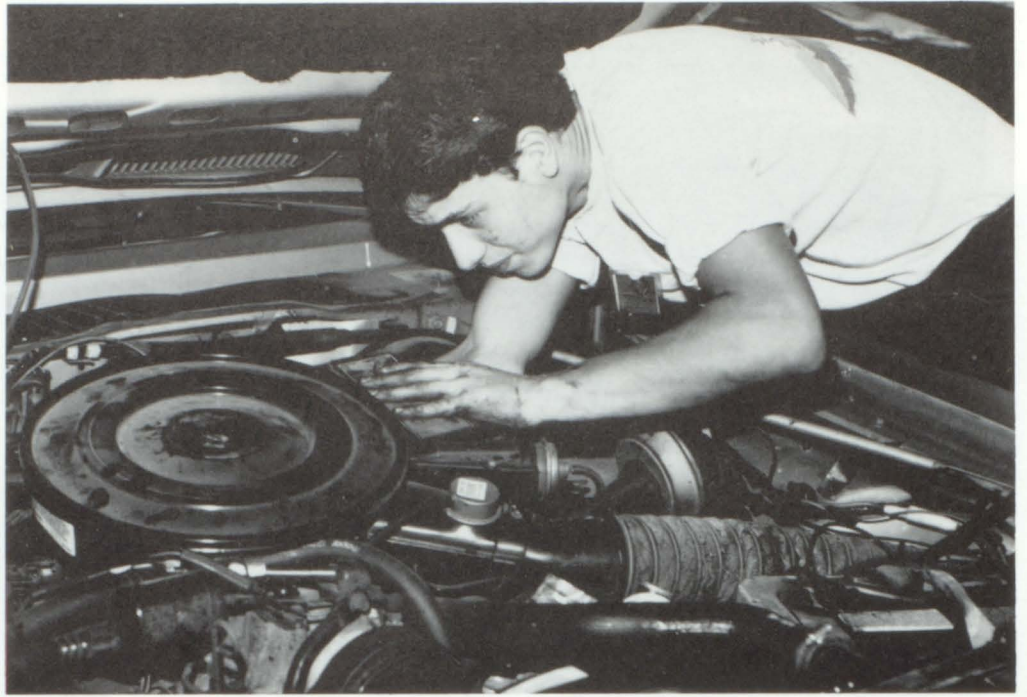

Students who will someday find themselves in the business world can gather a great deal of knowledge about that world by taking the Business Education Courses Proviso West provides. There are typing, shorthand, and accounting courses that provide an excellent background in the business field. While Compro still provides students with the chance to learn programming and key punching techniques. Proviso West has modernized and offers Micro-Computer Data Entry and BASIC. All these classes can offer the student a strong knowledge in business and make them well rounded in all areas.

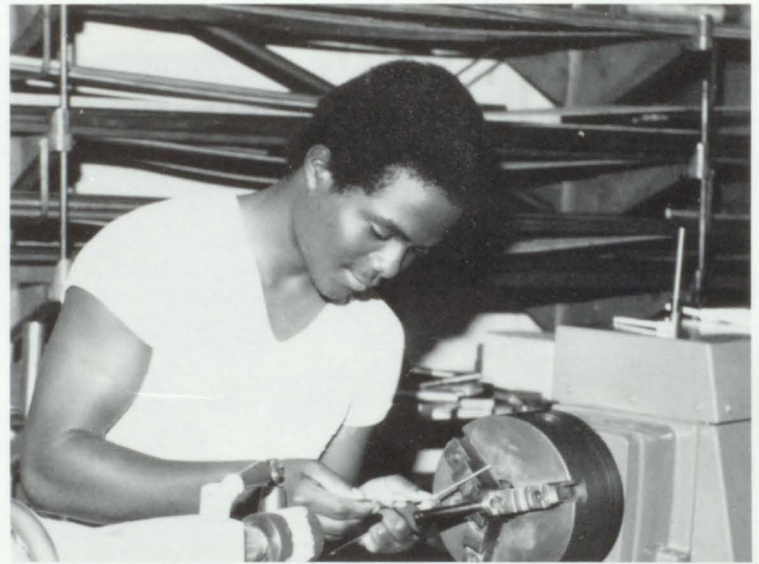

# Industrial Education Technology

Picture yourself in front of a computer. You have just booted in a program that has taken you hours to write. The monitor begins a series of screens showing how a two inch diameter object is turned into an intricate piece with numerous holes and slots. The computer asks if you wish to proceed, you input yes, and the computer numerical controlled milling machine actually makes the object. Now picture yourself at Proviso taking one of the many classes offered by the Industrial Education Department that can teach you to actually operate machines like this one. Engineers, architects, computer technicians, and many more careers have their roots in classes taught at Proviso West. Some of these classes are: Architecture, Machine Tool Technology, Electronics, Graphic Arts, Technical Drafting, Diversified Occupations, Automotive Technology, and Woodworking. The classes can benefit you now and in the future.

# There's No Place Like Home ... Economics

Home economics is a course that involves cooking, sewing, and child development. These courses are available for all students at Proviso West and can benefit a person in several ways.

Cooking involves more than just throwing a few things together. The students learn about the different appliances, and then how to use each correctly. They then learn about the different food groups and how to prepare each meal. Cooking classes teach the student to do more for themselves at home and will help them in the future.

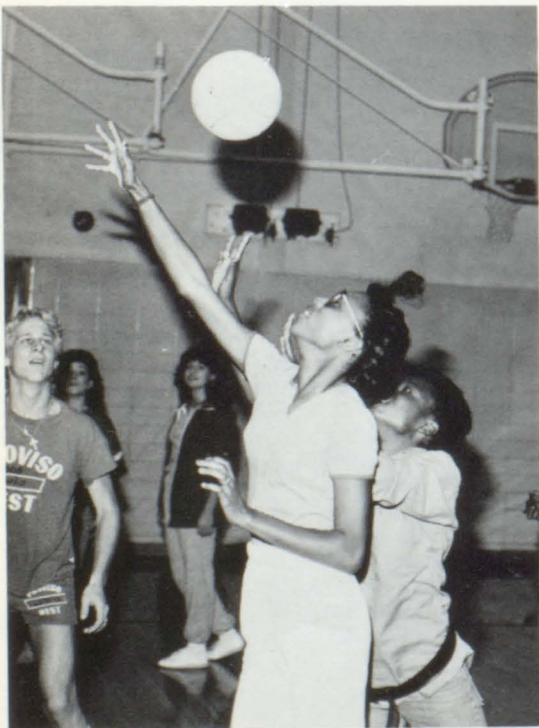

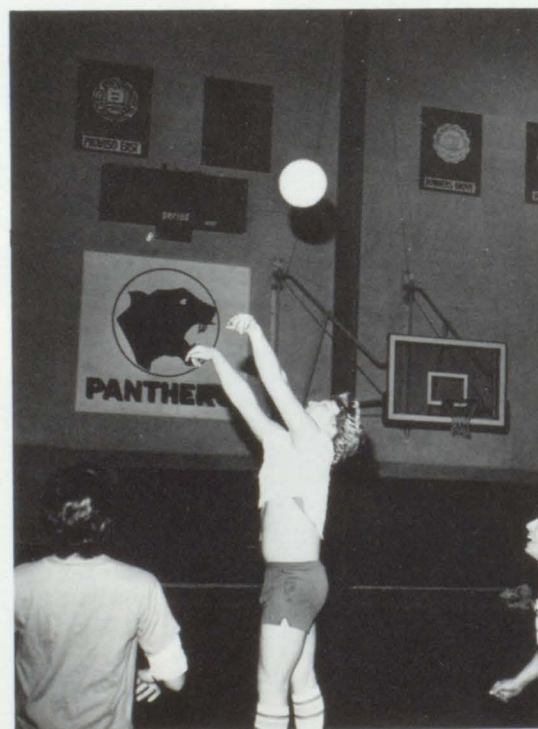

In sewing classes, people can learn the art of design. One will learn how to operate the sewing machines and all the tools of a designer. The students make everything from bathrobes to suit outfits. They even learn how to needlecraft projects. By learning to sew, a student can save money on buying clothes and even make some extra money by making clothes for other people.

In child development, the students see current films on common household problems which teach them to care for children properly. The course gives students experience in taking care of nursery school children by having the kids come to Proviso. This way, the students will get a first-hand look at how to care for a child.

## Inexpensive Fitness At Proviso

Nowadays, people are paying hundreds of dollars at health clubs trying to keep fit. At Proviso, you can keep fit and also get credit for it! Now, we know what you're thinking; getting all sweaty by playing basketball or getting all wet by jumping in the pool just does not appeal to your sense of neatness, but think about it! What other place offers softball, tennis, football, swimming, volleyball, soccer, gymnastics, floorhockey, and a weight room? So come on. Participate in your gym activity. You just might look and feel a little better after you get the hang of it!

# Their 25th Year At West

Do you really know what Key Club is about? Could you explain why Proviso West has had a club for twenty-five years? If you do not, I would like to tell you why. If you do, I hope I can tell you more.

Service is a word that most people do not understand. When you are helping others you are serving others. *Service can be fun!* If done in the right way, a whole group of people can enjoy one event. The Proviso West Key Club has quite a few enjoyable events. One example is the Ides of March Dance. This dance provides a fun night for students. The club also visits a hospital at Christmas time. When the club does this, they cheer up the residents of the hospital and also the staff. Yet, a club cannot survive on service alone. Every year we have a Christmas party and swim nights. The Proviso West Key Club tries to balance social and service events so that everyone enjoys our existence.

# Girls League Gives A Fashion Show

Girls League is one of the most active clubs here at Proviso West. Throughout the year the girls have been very busy with all the various activities. In the beginning of the year, Girl's League held an Ice Cream Social so the new members could get acquainted. Also, there was a Fall Into Fashion show which was very successful. Just in time for Christmas, the girls had a pizza party for all members.

Back from the holidays the girls sold the It's "Panther" Time buttons. For Valentine's Day, they sold flowers and valentine cards which were delivered during a special homeroom. During Charity Week, pickles were the main selling item along with Charm's blow pops. The week ended with a Sock Hop dance. To end the year perfectly, Girl's League held its annual Mother/Daughter Banquet early in May.

# Marinettes: Precision, Style And Grace

The Marinettes are more than swimmers. They are sequence dancers of the water. These young ladies work very hard to perfect difficult underwater moves. Their performance involves more than just splashing. These students must show perfect control at all times because they are always moving. Their actions must be precise, their movements in control. The Marinettes work hard all year to perfect their spring show. They are the pride of Proviso's pool area.

The Orchesis dance club presented the show "Bop Till You Drop" on January 17, 18, and 19. The costumes were designed by Ann-Marie Craigo, president and Ms. Jan Smiekels, Director. Some of the music heard was from the Prince soundtrack, *Purple Rain*, a Beach Boy medley, and a 1940's tune entitled "40's + 40's = 80's." The pictures shown above are from the 1984-85 Homecoming Pep Assembly where the girls danced to "Let's Go Crazy" by Prince.

## The Year In Review

With a new format, the '84-'85 *Profile* established credibility and kept most of its issues in the students' hands and off the hallway floors. Adding the Feature Section's Magazine, the *Profile* took on a more professional look. Also, with informative editorials from the Editor and Sports Editors and up-to-date coverage of Proviso's news, the *Profile* hustled through deadlines to capture history in 1984-85.

## 1985 Mural Staff

Aren't they creative?

This is our expert staff at work.

Once upon a time, in a land called Mural, there lived a small group of people. For six months out of the year, some of these people work on the publication of a book about their land. During this time, the staff began to change, to transform, to become Bizarre. Some became violent and others just mellow. Some began to sit in corners by themselves and laugh while others just talked to themselves. Some even began to fight, but after the last deadline things began to change again. The people became friendly, relaxed, NORMAL. They were once again human beings instead of a bunch of nervous, half crazed people, trying to make a deadline. This is the story of MURAL land. Is it a real place or just a dream? Only the shadow knows.

The Madrigal Singers have had a very busy year. The first, were the Christmas performances which included: various organizations, the Museum of Science and Industry, and the taping for Cable TV. Then, we prepared for visiting grade schools and for the State Rating Contest. All of the practices after that went for the Madrigal Dinner. Additional practices went toward this year's tour to St. Louis. Many thanks to Mr. Smalley for all his patience and understanding, and for never giving up on us. We couldn't have done it without you! Well, we made it, and it's been a great year! Best of luck to all Future Singers.

## Lack Of Experience Hurts Tennis Team

This year's Varsity tennis team did not fair as well as it would have liked to. With an 0-7 team record, the Panthers struggled through a rough season. John Marrotto and Mike West played number one doubles and were the only effective senior players on the team. The rest of the team was made up of Junior players. Tim Wright earned the number one single spot, while Ron DeNova played number two singles, and Joe Knez played number three singles. Other Junior contributors included the team of Doug Kieft and Rich Keppner at the number two doubles spot, and Erik Olson and Matt Fitzgibbon played at number three doubles. With such inexperience it's no wonder the Varsity had such a tough time. On the other hand, the chance to play many of his Juniors last season gives Coach Braugher the experienced team he needs to do well in this new approaching season.

# Watch The Birdy!

Badminton is a game that somewhat resembles tennis. It is played by two or four players. Badminton is played with a shuttlecock, a cork ball filled with stabilizing feathers, and a lightweight racket strung with fine gut. The players hit the shuttlecock back and forth over the net. When the receiving side fails to return the birdy, the serving side scores a point. When the serving side fails to return the shuttlecock, they lose the serve, but no point is scored. Fifteen points wins the game. This year, badminton at Proviso West, unfortunately, lacked the experience required to play this game. The varsity team consisted of nine freshmen and only one junior. Coach Prest was pleased to say that all the girls stayed with it even though they were playing more experienced teams. If they continue next year, Miss Prest knows she will have a winning team.

# Freshmen Show Promise

Even though Freshmen baseball coach Jim Shannon labeled the 1984 season "disappointing", he admittedly saw a great deal of promise among his players. After winning their first seven games, they concluded the season with an 8-10 overall record, and a 5-9 conference record worthy of fourth place. Bill Popek's one hitter against Proviso East was the highlight of the season. Some outstanding players on the team include: Jim Makuta (Most Valuable Player), Mike Wright (.449 batting average), and pitchers Nick Zambole and Bill Popek. With solid talent like this, the Panthers should have an even better Sophomore season.

**Front row:** Dave Wittersheim, Mike Wright, Gregg Crawford. **Row two:** Rico Arroyo, Joe Bentile, Marcus Hardy, John Smith. **Row three:** Nick Zambole, Bill Popek, Steve Alajoki, Patrick Kennedy, Coach Lidd, Mike Luckey, Dennis Hayden, Jim Mikuta, Stacy Welch, Coach Jim Shannon.

# Sophomores Learn To Win

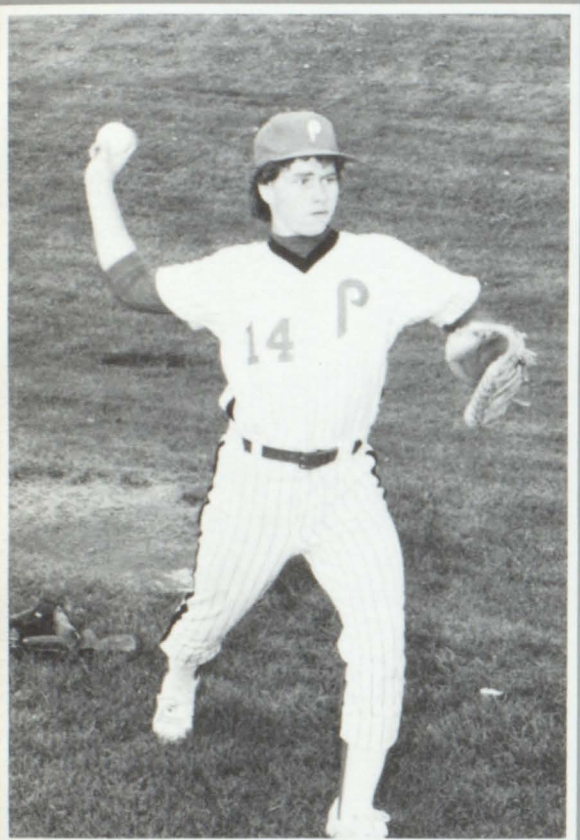

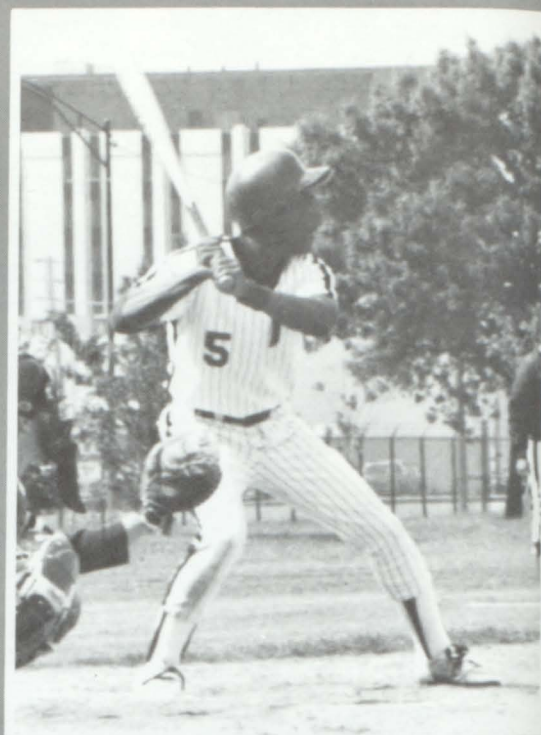

Baseball at the sophomore level is a time for the players to learn the proper fundamentals and attitudes of the game. This year's team was no exception. The sophomores finished their season with a commendable 11-8 overall record and a third place 6-8 conference finish. That isn't bad if one considers that ten of their nineteen games were decided by only one run. They also won six of those ten. Overshadowed by a losing record was a sophomore team abounding in talent. Rocky Peppers (.435 batting average), Nick Mazzocchi (.300 batting average), and Joe Pluta (most valuable player) all lead the team. Other outstanding players include Rolly Ontiveros, who lead the team with six doubles and eight stolen bases, and Brett Bingham, lead the team. Other outstanding players include Rolly Ontiveros, who lead the team with twenty-three hits. As coach Jeff Gilbert commented, "Even though our objective of winning the conference (championship) was not met, the players learned a lot of baseball and acquired a winning attitude." These elements are all the more important for now, this sophomore team is prepared for the challenge of the varsity team.

**Front row:** John Guido, Joe Turner, Rocky Peppers, Dimitri Stavropoulos, Rolly Ontiveros, Steve Staerckel. **Back row:** Coach Jeff Gilbert, Joe Pluta, Scott Williams, Robb Green, Brett Bingham, Cletis Cross, Nick Mazzocchi.

# Varsity Clinches Conference Championship

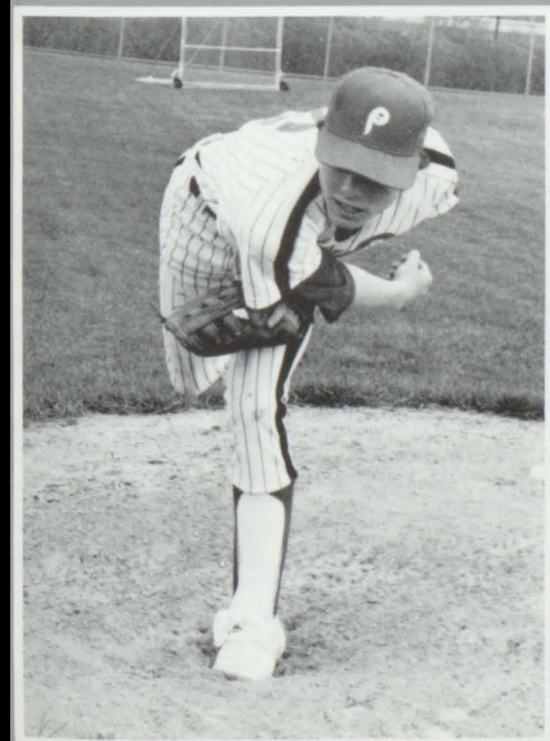

**Front row:** Derek Gordon, Pete Zaccariello, Lance Gage, Larry Schill, Tom Alajoki, Larry Blumberg, Fred Magnelli. **Row two:** Dino Cristofaro, Brian Legan, Clayton St. John, Bob Becker, John Kennedy, Glen Golen, Carence

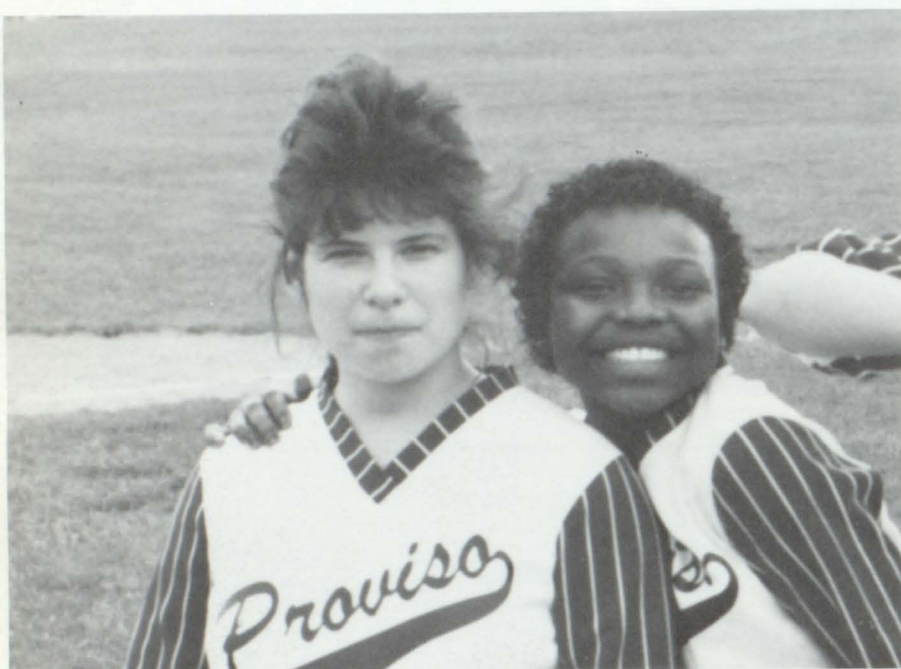

Stowers. **Back row:** Coach Robert Donoho, Jim Wede, Brian Osinski, Steve Bartels, Bob Bretwisch, Sam Townsend, **Head Coach** Sam Lima, **Coach** Dick Pitlock.

The varsity baseball team began their season in the hope of winning at least half their games. Many even predicted a last place conference finish for the Panthers. But the Panthers showed everyone why they have been a dominant force in the West Suburban Conference over the last several years. They ended their season with an incredible overall record of 28-7, setting a school record for most number of wins in any sport. They also had a 10-4 conference record good for a first place championship which was followed by a district championship as well. The team also set records in number of runs scored per season and number of strikeouts by a pitching staff. But all this success is nothing without the efforts of the players. Leading a fine pitching staff were Brian Osinski (12-3) and Bob Bretwisch (10-1), both of whom were named to the Illinois all-star team. Other outstanding players include Clarence Stowers (.435 average; W.S.C. batting champion), Dino Cristofaro (.335 average; 35 runs scored), and Lance Gage (.353 average; 35 runs batted in). Coach Sam Lima praised his team saying, "I think we performed to our potential. The pitchers and defense made us very difficult to beat. The players can be very proud of their achievements." And so they can. Congratulations on a memorable season!

## Softball Plays Hardball

**Front row:** Cindy Haveman, Angela Saraceno, Cathy Lee, Mary Jane Wielander, Kathy Lyne. **Back row:** Joanne Wittenburg, Jane Lindstrom, Beth Golden, Sharon Strathman, Jenny Wallace, Karen Grace. **Coach** Toni Lapaglia.

When Sharon Strathman stepped up to bat, the score was tied and the bases were loaded. As the Proviso East pitcher threw the ball, Sharon took her swing, and moments later, her teammates and she rounded the bases after the first grand slam home run of the year. At the end of the seventh inning, they claimed their victory with a score of 10-6. This is just one of the many exciting memories of the Proviso West Girls Softball Team, coached by Mrs. Toni LaPaglia. Short-stop Angie Saracino and Second baseman Cathy Lee were also major attractions because of their great double play combination. Also, Joanne Wittenberg was very effective as a catcher, and succeeded in gaining all-conference recognition for the second straight year. The team ended their season with an overall record of ten wins and five losses, and a conference record of ten wins and three losses giving them a fourth place conference finish. Coach Lapaglia stated that, "Even though we lost a lot of games, the team stuck together and enjoyed what they were doing. I am proud of them all."

# Freshmen Score High

Proviso's freshman boys gymnastic team had an excellent season, ending the year with a record of five wins, two losses, and one tie. Among the teams Proviso defeated were Riverside Brookfield (42.9 to 0.0), Downers Grove North (66.0 to 54.3), Proviso East (66.0 to 40.3), Oak Park River Forest (57.2 to 37.6), and Glenbard West (74.3 to 8.5). It is also worth noting that both of Proviso's losses were very close meets. This record gave the freshmen a conference tie for third place with York High School. In the Hinsdale Central Freshman Invitational, Proviso West placed sixth out of twenty-two teams. Individual achievements include Larry Thomkins second place in tumbling and Mike Nicholas third place on the vault. At the Lancer Invitational Meet the freshmen had a score of 69.4 and placed third. Coach Gerald Wallace feels that this year's team was very strong and looks very promising for the future.

**Front row:** Michael Harris, Anthony Quattrochi, Matthew Alex, Davis Schoenike. **Back row:** Stanford Jackson, Dan Mahone, Dwayne Simmons, **Coach** John Read.

# Sophomores Strive To Do Best

The Proviso West sophomore boy's gymnastic team had a slightly better season than the varsity team did. The team finished their season with four wins and four losses. Although the year was not as successful as coach Wallace would have liked, there were some memorable wins along the way. Among the sophomore's victories were meets against Riverside Brookfield (65.9 to 53.5), Holy Cross (59.1 to 55.3), Proviso East (70.6 to 0.0), and Oak Park River Forest (73.9 to 67.7). At the West Suburban Gymnastics meet, Proviso placed third out of eighty-five schools, and in the overall conference the team finished fourth. Some of the individual accomplishments in this conference meet were Stanford Jackson (first place-tumbling), Larry Tompkins (second place-tumbling), Matthew Alex (fourth place-pommel horse), and Reggie Burey (fifth place-tumbling). Coach Wallace was very pleased with the amount of work and effort each member of the team put forth.

**Front row:** Danny Figueroa, Venor Gumila, Andre Hunt, Lee Farmer, Bob Ratini. **Back row:** Larry Tompkins, Mike Borris, Saul Rodriguez, Reginald Burey, Phil Moberly, Keith Brownlee, **Coach** John Read.

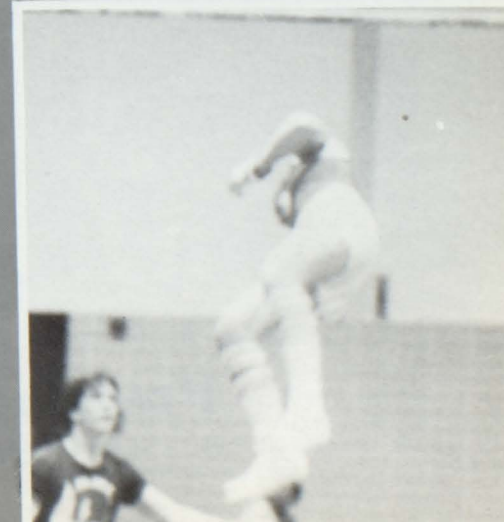

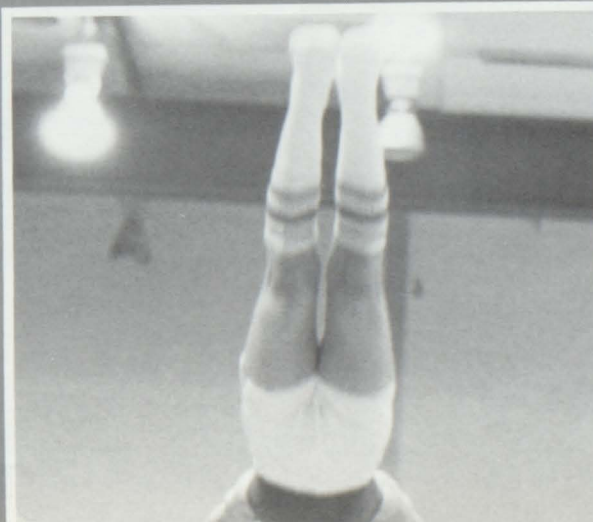

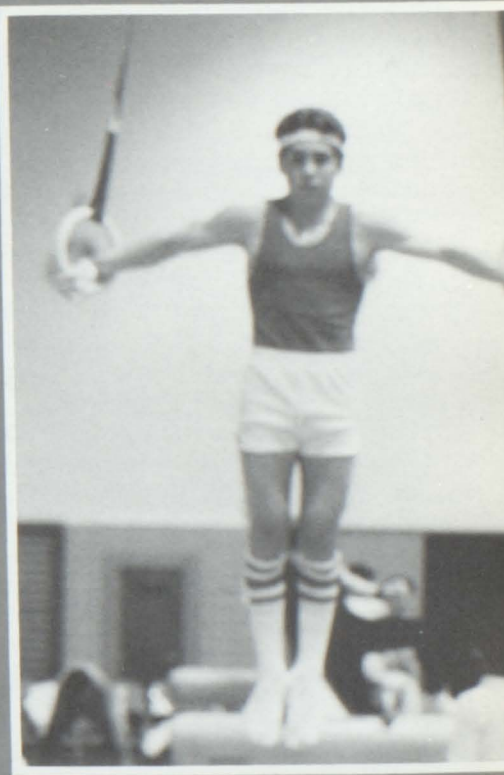

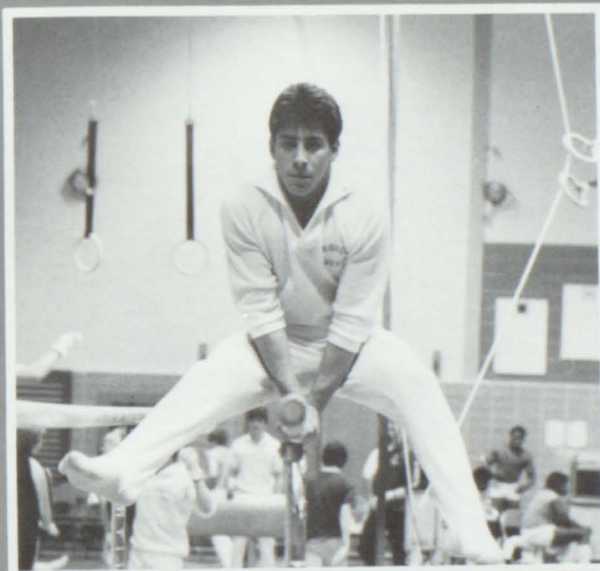

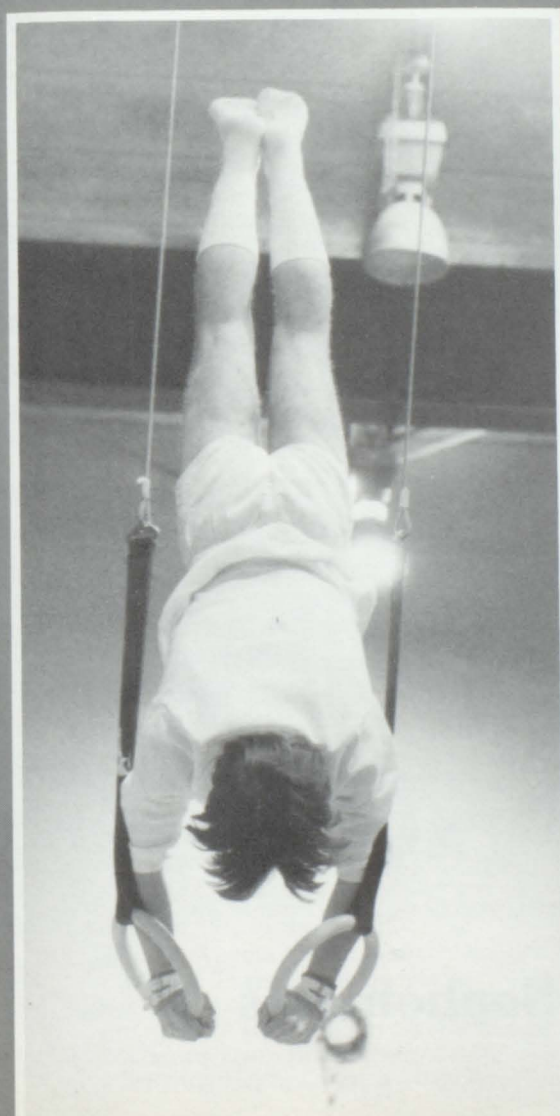

# Varsity Give Strong Effort

**Front row:** Ken Scalatini, Eric Morella. **Back row:** Heath Williams, Tom Rinaldi, Anthony Harris, Paul Noel, Carmichael Washington, **Coach** John Reed.

The first meet for the varsity gymnastics team was the Lake Park Invitational, where they scored 91.5 points and placed tenth. Even though the team did not have a winning season, they did manage to show some of their talent by defeating Riverside Brookfield 87.4 to 77.6, Proviso East 90.6 to 64.8, and Glenbard West 93.5 to 68.0. At the West Suburban Conference Gymnastic Meet, Proviso's varsity scored 92.5 points and placed sixth. Some of the individual scores in this conference meet were Larry Tompkins (first place-tumbling), Michael Nicholas (second place-vault), Stanford Jackson (third place-tumbling), Matthew Alex (fourth place-pommel horse), Phil Moberley (fifth place-parallel bars), Tony Quattrochi (fifth place-parallel bars), and Carmichael Washington (sixth place-parallel bars). At the I.H.S.A. Gymnastics Regional meet, held at Oak Park River Forest, Proviso West scored 100.45 and finished fourth. The qualifiers for the Sectional meet were Ken Skalatiene (parallel bars) and Heath Williams (all-around). As a whole coach Reed and his varsity boys gymnastic team had a strong season.

## Robinson Leads Panthers To State Meet

While finishing fifth in the conference last spring, and fourth in the IHSA sectional meet, the Varsity Boy's Track team had an individually successful season in its number of IHSA State Meet qualifiers. In the 3200 yard relay, Lenny Watts (1:57.2), Jim Frank (2:00.0), Bob Camp (1:59.8), and Hank Delisle (1:56.3) all recorded personal bests, and Kurt Krumwiede marked a 9:20.2 personal record in the individual 3200 yard run. Reggie Brown posted a 50.0 second time in the 400 yard run, and Tony Catalano, with a 14 foot pole vault, qualified for state finals. Also qualifying for state were Charles Johnson, Reggie Chatman, Wayne Spevak, James Strickland, and Duane Wilson. However, the spring marked the end of one of Proviso West's finest track stars. Tracy Robinson, while receiving last year's most outstanding senior athlete award, became only the fifth athlete in Proviso's 26 year history to win the M.V.P award in two separate sports. Last spring, Robinson qualified for the long jump finals and earned a seventh place medal with a leap of 23'6". His earlier 23'7" jump during the season is a school record. Robinson also qualified for the 400 yard relay and the 800-relay with Brown, Wilson, and Strickland. Finishing a brilliant career at Proviso, Tracy Robinson capped a fine '84 season as did the other Varsity Panthers.

# Frosh-Soph Hope For Better '85

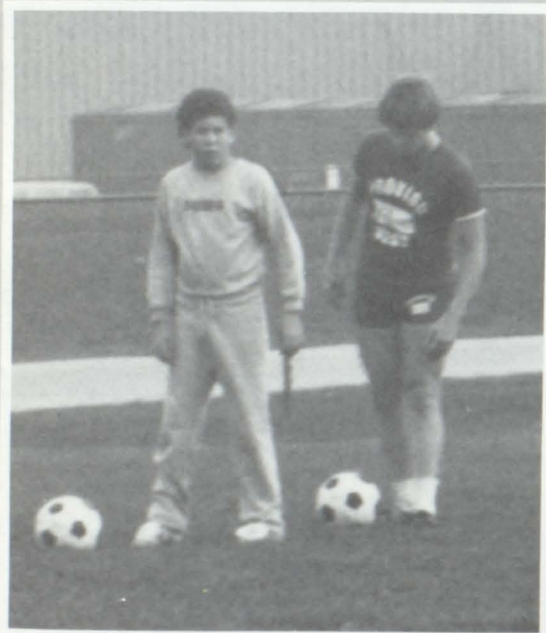

The Frosh-Soph soccer team, Coach Kohlman, and Coach Skul probably never had a better reason to say, "Wait 'til next year!" than this year. With a conference record of 1-6 and an overall record of 1-16, the team finished in last place in the West Suburban Conference.

Because very few sophomores came out for the team, the Frosh-Sophs comprised a squad of mostly freshmen. Due to their inexperience, the season was a disappointing one. Soccer is not one of the most prominent sports in the Proviso West community, but hopefully, soccer enthusiasts will come out of the woodwork soon.

However, because there were so many freshmen playing on the Frosh-Soph team, the experience the freshmen gained should pay off in the fall of '85.

## Varsity Soccer Scores Short

Not having a large turnout at the start of the season, the Varsity soccer team still expected to do well. With a strong defense and an inexperienced offense, the team hoped to have a successful season. However, ending with a 0-6-1 record in the conference (0-15-1 overall), the Panthers did not play up to their expectations. Injuries and ineligible players also hurt the '84 season.

The highlight of the season was their WSC playoff game against Downers Grove North. The exciting game ended playing two rounds of penalty kicks. Velimir Vidakovich was named the team's M.V.P. Named to the W.S.C. All Conference team were Vidakovich, Jim Long, and Mark O. Volkman.

## Team Work

This year's sophomore volleyball team had much spirit and determination; however, they did not do as well as they had hoped. Finishing in 7th place in the conference, with a record of 1-6 and an overall record of 1-8, the team is looking forward to next year.

The highlight of the sophomore's season was their win against Hinsdale Central in three games. The team itself received no special recognition; however, Coach Prest recognized the talent of some of the players. Co-Captain and setter Silvia Pierotti and hitter Donna Mele were steady all-around players. Chris Fulco, a freshman, showed much potential for the future. The team is looking forward to a better season next year.

**SOPHOMORE VOLLEYBALL:** Front Row: Donna Mele, Heather Reagan, Dawn Cabay, Silvia Pierotti. Back Row: Coach Prest, Kelly Dailey, Laura Bednarz, Kathy Bruce, Laura Matzelle, Chris Fulco.

## Well Rounded Frosh Look Promising

This year's freshman volleyball team was well versed and well balanced. Having good depth, the team finished in 4th place in the West Suburban Conference with a 3-4 record and a 5-5 overall record. All the members of the team participated in helping the team to success.

The highlight of this year was the team's last two games of the season. Playing against LT and York, who were tied for 1st, they won the first games strongly, however, lost the last two. A little more height was needed to win.

Coach La Paglia found that there was much talent throughout the entire team. Some players stood out in certain areas. Team's best setter Beth Lucas, All-around Sharon Streller, blocker Tracy Schill, setter and server Patti Buenrostro, and server Megan Mihel also received the team's Most Valuable Player Award.

"I think this team looks very promising to be a contender in the WSC by their varsity year," reflected Coach La Paglia. "If they pick up a little more height and keep the pace that they are going at I am confident they will have great success. I wish them the best of luck in the future."

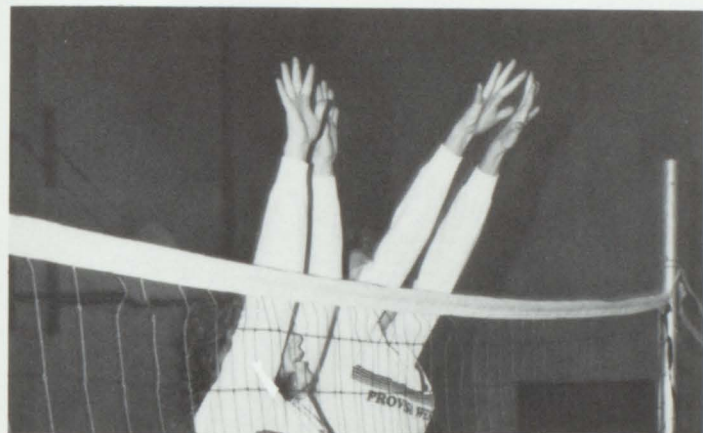

**FROSH VOLLEYBALL:** Front Row: Sharon Squellor, Patti Buenrostro, Megan Mihel. Middle Row: Janet Cardoni, Therese Matzelle, Sherri Crawford, Lisa Grasc. Back Row: Coach La Paglia, Sue Krawczyk, Tracy Schill, Roshine James, Lisa O'Connel, Beth Lucas, Lori Joyner.

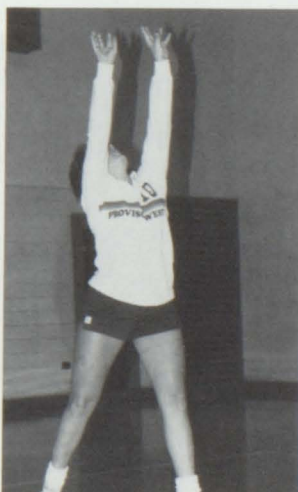

**Varsity Volleyball:** Front row: Michele Provo, Chris Machacek, Kristen Anderson, Holly Liby. Back Row: Coach Gales, Tammy Wehmhoefer, Heidi Wagner, Tuesday Waddles, Beth Golden, Lisa Guido.

## Varsity Volleyball: Exciting Experience With New Coach

This year was a learning experience for the new head coach, Gales, and for her team. The overall record of 4 and 10 (1 and 7 in conference) does not show all the talent and hard work that the team members displayed throughout the season. Outstanding team accomplishments came with the impressive victories over Willowbrook, Hinsdale Central, and Notre Dame. Senior, Lisa Guido (leading server), Chris Machacek, and Tuesday Waddles did a commendable job in leading the team on the floor. This year's bench strength played an important role in keeping the team alive. Two of the most consistent players were Beth Golden and Christen Anderson, who will join Heidi Wagner, who was M.V.P. and named to the All Conference Team, Tammy Wehmhoefer, Michele Provo and Holly Liby in returning next year to provide us with some exciting volleyball. "Next year should be a good year," says Coach Gales, "and with hard work, more knowledge, and more experience, next year will be a winning season for all."

# Cross Country Season

With conference records of 0-6 and 1-6, the Girls' and Boys' Cross Country teams lacked the numbers needed to compete in the West Suburban Conference. For the girls, their record set them in last place, and for the boys, their record tied them for 5th in the conference. However, the teams did have some highlights during the season.

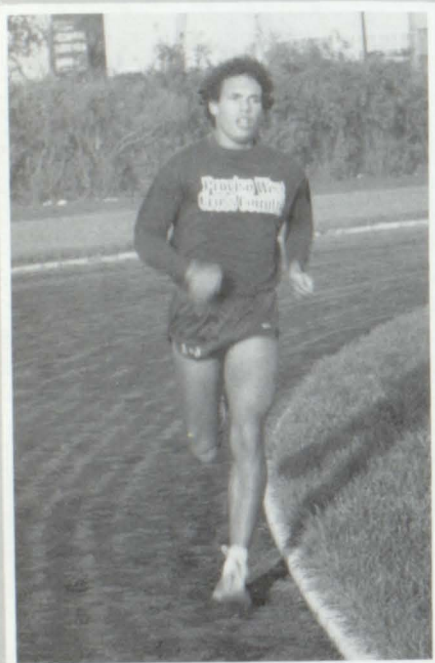

The boys' team finished 5th in the conference meet at Proviso. From there, the team went on to Regionals and then Sectionals, but did not qualify for state. Beating Bloom at the Bloom Invitational was the girls' highlight.

The individual efforts of Kurt Mueller and Alyssa Denaer were the finest points of the seasons. Denaer, named MVP, made it to Sectionals and set the school record for girls with a time of 12:45. Mueller, also named MVP, placed 2nd in Regionals and advanced to Sectionals. Finishing the race with great determination, Mueller then qualified for State competition and, running through cold rain, placed 68th.

With top runners Chris Lewinski, Amy Grunert, Lisa Koziol, and Denaer returning, the girls have a favorable outlook for the fall of '85. The boys have Eric Carlson, Phil Wessler, and Dan Price coming back and, therefore, should do well. However, for Proviso to survive in the conference, it will take more runners to build a stronger team.

**BOYS' CROSS COUNTRY:** Front Row: Jerry Mazzolini, Matt Price, Irv Fields. Middle Row: Greg Fudacz, Tony Leali, Glen Komperda, Jarrod Curtain, Darwin Vandevender, John Colwell, Asst. ## Underclassmen Lead The Way

With 5 starters returning for the 1984 season, the varsity golf team was destined for a successful year. Placing fourth in the conference tournament at Cog Hill and finishing with a record of 8-6, the squad was dominated by underclassmen. This season's greatest highlight was placing fifth in the State Regional Tournament at L.T. against outstanding opposition in a fifteen-team field. Their fourth place finish in the conference was another highlight. Seniors Brian Minneci and Joe Santiago, Juniors Tom Roth, Bill Frey, Tony Quattrochi, Dan Hollowed, along with Sophomore Jim Mikuta were some of the team's outstanding players. Mikuta was also named Most Valuable Player on the team. As the strength of an outstanding underclassmen lineup will return in the fall of 1985, the varsity golf team has great hopes and expectations.

**VARSITY; Front row:** Brian Minneci, Joe Santiago. **Back row:** Coach Tony Fiorovanti, Tom Roth, Jim Mikuta, Bill Fry, Dan Hollowed, Tony Quattrochi.

## Strong Efforts Yield Success

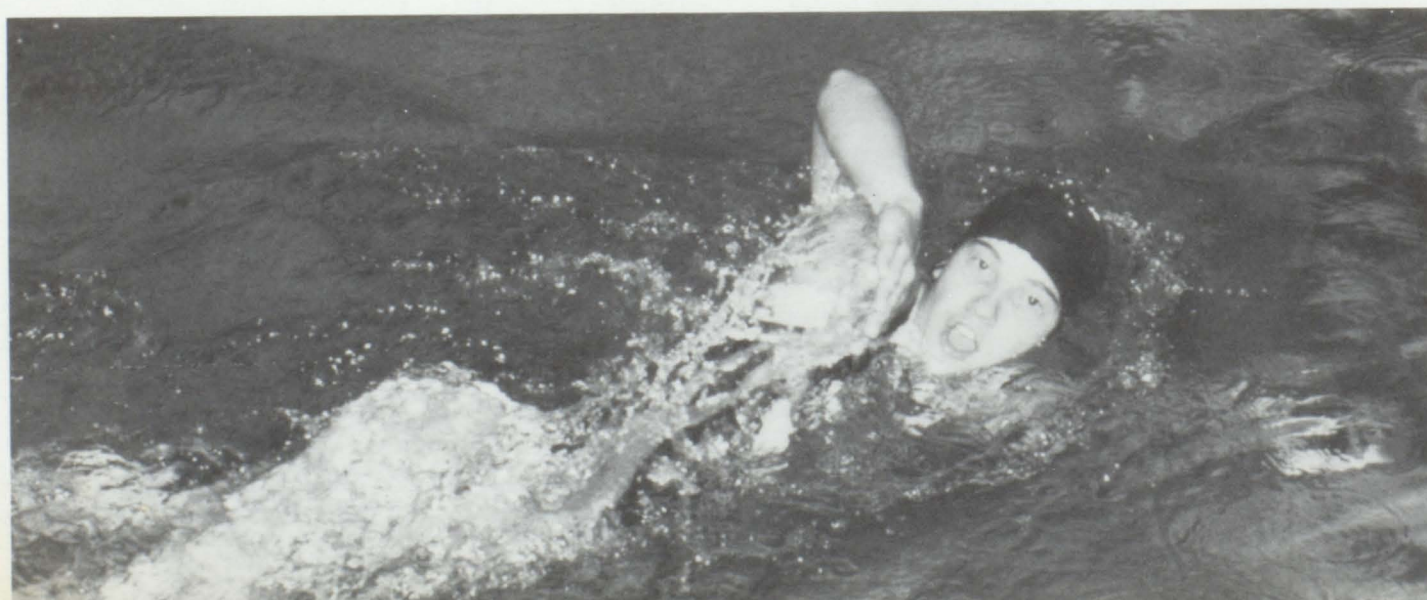

This season's Girls' Swimming team put hard work at the top of its priority list. Finishing in fifth place in the conference with an overall record of 2-6, the girls competed well with strong conference teams. The team's two wins over Oaklawn and Morton East typified the season's efforts. Also, among the season's highlights, was the girls' 400-freestyle relay. Comprised of seniors the squad placed fifth in the conference meet. Freshman Beth Faje set school records in the 200 yard individual medley and the 100 yard butterfly. Senior Eileen Koss was named M.V.P. and contributed much to the team's success. Also, seniors Tina Pellegrini, Sharon Beutin, Kathy Lyne, Theresa Krawczyk, Chris Lenhardt, and Ursula Lenhardt proved to be important factors.

**Row 1** Sharon Mentz, Janet Ruffolo, Debbie Legan, Amy Lechelt, Sindy Kush, Sonja Sehra, Pam Noyes. **Row 2** Coach Fitzgerald, Susan Horak, Kim Sorey, Lisa Russo, Maureen Garvey, Denise Machacek, Kathy Garvey.

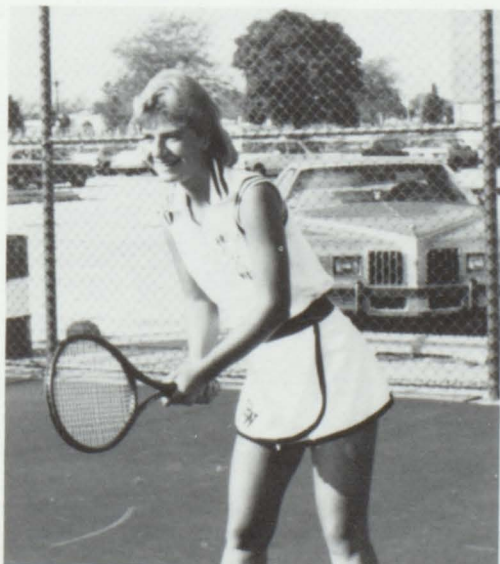

FRONT ROW: Tina DeSalvo, Shari Smith, Beth Goodyear, Michell Blattner. BACK ROW: Coach Erikson, Lynn Braughbam, Kathy Hughes, Eva Bukac, Sue Legan.

The girl's tennis team belongs to one of the toughest conferences in the state. The girls made the best of it and had fun along the way. The team consisted of Kathy Hughes at third singles, senior Sue Legan at second singles, and returning senior Eva Bukac at first singles. The doubles team were made up of Shari Smith and Tina DeSalvo (a promising junior team) and Beth Goodyear with partner Michell Blattner. Team member Sue Legan took 5th place in Conference with Eva Bukac taking 3rd. Eva took 3rd in sectionals which qualified her for the State Championship.

# Freshman Lack Stamina

**Front row:** Conrado Ungson, Nicolas Cabrera, Geoffrey Sherman, Herod Curtain, Terry Rippa, Ron Hopkins, Shannon Winston. **Row Two:** Mike Rose, Rich Szydlowski, Darryl Similton, Anthony Williams, Pierre Smith, David Burns, Carlos Flores. **Row Three:** Frank Caruso, Randy Endean, Eugene Mandarino, Mike Lawrence, James Rankin, Rusty Min-

nick, Mike Sinclair. **Row four:** Lance Luka, Leo Davis, Nate Reid, Maurice Williams, Mike Williams, Tyrone Claybrooks, Marc Rodriguez. **Row five:** Coach Szot, Keith Williams, Coach Sabo, Coach Stone, Coach Joslyn. **Not pictured numeral winners:** Johnny Nolan, James Dillard, Marlon Lynch, Meldon Macon, Eugene Wallace, Russ Wilson, Frank Woodson.

The freshman football team had a rough go of it this past season. Coach Joslyn, when asked if his team had gained any special recognition replied, "Yes, we were voted by the conference opponents as the team they most wanted to play!" And so they were. Joslyn attributes their 0-7 conference record and 1-8 overall record to eligibility problems among key players. Another factor was the team's inability to play well in the second half of the games. Outstanding members of the team included offensive backs Tyrone Claybrooks and Johnny Nolan, defensive lineman Conrado Ungston. Hopefully, with a little time and hard work, the team will play up to their potential.

# Hope Overrides Disappointing Season

As Coach Clish looked back on the past sophomore football season, he was filled with disappointment at his team's record. With an 0-7 conference record and a 1-8 overall record, there didn't seem to be much to brag about. But as they say, there's a silver lining in every cloud. Coach Clish's players left him with an encouraging feeling that their football futures will be brighter. There were many great individual efforts, some of which led to records being broken. Dennis Hayden led the team with a record 61 solo tackles and quarterback Kevin Morrison set a new record with four touchdown passes. Reggie Chapman and Stacey Welch tied records for most carries in a single game (21) and most fumble recoveries in a season (3), respectively. Chapman also was honored as Most Valuable Player. Other stand outs included Mike Karpes and Steve Woods.

**Row One:** Jack Bridson, Lavonn Gilbert, Tony Goodrich, Bill Popek, Eric Harden, Eldred Brown, Marcus Hardy. **Row Two:** Erik Kracinski, Kurt Bimler, Steve Alajoki, Mike Karpes, Bill Sepka, William Koeller, Marc Nelson. **Row Three:** Mike Magrosky, Carl Helm, Jack Loane, Charles Cairo, John Smith, Reggie Chatman, Stacy Welch. **Row Four:** Dan Lumsted, Bryan Tieman, Roger Lommatzsch, Kevin Morrison, Dennis Hayden, Bob Ratini. **Row Five:** Coach Clish, Willie Cook, Jason Parks, Steve Stancevic, **Coach Klasen.**

# Disappointment For Panther Football - Again

**Row One:** Frank Robinson, Jerry Sheehan, John Hasner, Andre Burcy, Ron Arvidson, Hoe Turner, Vince Valente, Andrew Charley. **Row 2:** Mike Gerhardt, Mike Akins, Twiggy Williams, Chauncey Arnold, Chuck Chappman, Steve Freels, Steve Bodine, James Monroe, Keith Hill. **Row 3:** Scott Wil-

liams, Clayton St. John, Nick Nagel, James Strickland, Anthony Harris, Eric Collins, Reggie Brown, Duane Wilson. **Row 4:** Abdoul Finner, Tom Bonelli, Rod Bradberry, Cletis Cross, Russell Williams, Jim Wede, Steve Wightkin, Tom Walsh, Keith Pelligrini.

This fall the Varsity Panthers assembled a team with great potential. The team was not rich in numbers, but it seemed they might challenge for a top conference spot. However, the '84 season turned out extremely disappointing. Finishing the season in 7th place in the conference with a 1-6 record (3-6 overall) the Panthers' hopes for a winning record were dashed.

The Varsity did have their moments though. Their tremendous last-minute goal line stand to beat Wheaton Central 10-7 was one of the season's highlights. Also, crippling the first place York Dukes 20-0 in their last game, the Panthers finally showed their true colors.

Runningback Reggie Brown and lineman Tom Walsh were this year's most outstanding players and were named to the All-Conference team. Walsh and linemen Steve Wightkin and Nick Nagel were named to the All-Academic Conference team. Linebackers Eric Collins and Mike Akins and quarterback Rod Bradberry also put forth fine efforts.

All things considered, the Panthers, without some poor attitudes and excuses, could have easily finished atop the West Suburban Conference.

## 1985 - The Year Of The Panthers

The 1984-85 basketball season will go down in Proviso West's history as the Year of the Panther. The Varsity Panthers, without a doubt the best team in Proviso's history, brought excitement and pride to Panther Country. Led by Head Coach Lowell Lucas and Asst. Coach Dean Cada, the Panthers clinched the WSC for the second time in Proviso's history with a 14-0 record (25-0 overall).

Winning the Proviso West Holiday Tournament by defeating Simeon and King was one of the highlights of the season. Ranked No. 1 in both the AP and UPI polls all season, the Panthers received deserved recognition.

Everyone on the team contributed outstanding efforts. Seniors Steve Bartels' and Robyn Davis' defense and rebounding, Mike Ingram's rebounding and shot-blocking, Keith Sykes's scoring and junior Rod Parker's leadership were the main contributors. Also factors were Russell Williams and Eric Collins.

Some of the special recognition the team received were interviews by Channel 5 and Channel 9 News and being named WLS Radio Team of the Week. By far, this season marked Proviso West basketball's finest year.

Guard Rod Parker's defensive and ball-handling skills helped guide the Panthers to the conference crown. Parker led the conference in both assists and steals during the year. Parker was named to the Holiday Tourney's Second Team.

Center Mike Ingram established himself as a dominant player in Illinois. Besides leading the WSC in rebounding, Ingram was the Holiday Tournament MVP and was ranked third in top college prospects. Also, Ingram was named the Player of the Year in the *Sun-Times* and was a part of the Top 5 Team in the *Chicago Tribune*.

# Panthers Excel In 85

## J.V. PANTHERS FINISHED SECOND

The Junior Varsity basketball team had a fine season, finishing with an overall record of 12 wins and 3 losses and second in the conference with a record of 11 and 2.

The Panthers, whose performance improved greatly from the beginning of the season, were lead by Julio Murrel (14 pts. per game), Raylon Adams (8 rebounds per game), and Robb Green (78% free throw shooter). The teams defensive play was outstanding, as shown by their number one defensive ranking in the conference. They held their opponents to an average of 41 points per game. These players should be a welcome addition to the varsity next year.

Front row: Julio Murrel, Andre Neal, Brian Mathis. Back row: Robb Green, Raylon Adams, Willie Baker, Coach Cada.

## SOPH SUCCESS FORM TEAM CONCEPT

Playing in the shadow of the Varsity, the Sophomore Panthers also had a winter to boast about. Ending the season with a 12-2 conference record (18-2 overall), the Sophomores took 2nd place in the conference behind Proviso East. The two losses to East were the Sophomores only ones.

The team improved each week from the start of the season and, stressing the team concept, played well together. Their first place at the Aurora West Thanksgiving Tournament and their overtime win over Oak Park were this season's highlights.

Pat Kennedy led the team in points scored and was second in rebounds, and Homer Rouse led in steals and assists. Reggie Burcy contributed with the most rebounds and was second in scoring.

Front row: Marcell Lang, Reggie Chapman, Pat Kennedy, Alonzo Verge, Reggie Burcy, Homer Rouse, Bob Blattner. Back row: Coach Clancy, Aton Griffin, Ron Speechley, Mike Broz, Jim Mikuta, Aaron Christian, Tony Goodrich.

FROSH A-TEAM. Front row: John Nolan, Ronald Hopkins, Tyrone Claybrooks, Andre Watson, Bill Law. Back row: Coach Shannon, Terry Rippa, James Jarvis, Tyrone Stokes, Ed Smith, Patrick Price, Russell Manick.

Sophomores stress the team concept.

## FROSH A's AND B's POST WINNING RECORDS

Although ending the season with a 8-5 third place conference finish, the Frosh A-team had a disappointing season because eligibility prevented them from playing with a full team. Their "blowout" of Glenbard West was the season's highlight. Key players were Tyrone Stokes, Ron Hopkins, Tyrone Claybrooks, and James Jarvis.

The Frosh B-team improved constantly throughout the year. Outstanding players were Mark Westphal, (18 points per game), Toice Wilson, Brian Grant, Dave Burns, and Mike Reed.

FROSH B-TEAM. Front row: David Burns, Donald Mitchell, Mike Reed, Darrell Smith, Toice Wilson, Mark Westfall, Jeff Sherman. Back row: Coach Sawosko, Marlon Lynch, Brian Grant, Kevin Ferguson, Ronnie Wilson, Mike Smith, Mike Sinclair, Kevin Robinson.

## VARSITY TEAM ACHIEVES VICTORIES FOR PROVISO

The Varsity Girls Basketball Team proved to show the pride of Proviso. Their overall record of five wins, and 12 losses reflects their defensive efforts and last minute turnarounds which resulted in their wins. Even though they did not take the Conference, they still were determined to win and accomplished a 2-8 conference record. Coach Nettleton stated that each player put forth an extra effort as the season progressed. The success of this season was not due to the number of games won but rather the determination of each individual to try her hardest.

## SOPH GIRLS SET FUTURE STANDARDS

For his first year coaching, Coach Stavrojohn found out what guiding a team with a good attitude can be enjoyable. Although they finished with a 1-12 conference record (1-17 overall) in 7th place, the team's spirits were always high.

Their victory over Hinsdale Central was the most memorable. After one of the starting five fouled out, the Sophomores had to finish the game with only four girls, and they still won.

Comments Coach Stavrojohn, "All the girls were outstanding in their own way because each of them made tremendous progress throughout the course of the season.

Front row: Celestia Coleman, Deede James, Kathy Jaches, Amy Lechelt. Back row: Wonderlynn Claybrooks, Anita Masique, Lisa X Cooper, Coach Stavrojohn.

## FRESHMAN GIRLS FINISH WITH PRIDE

The Freshman Girls Basketball Team created an interisting balance between victories and team spirit. With a record of 8-8, they showed their ability to adjust to the many situations which arose both offensively and defensively. This particular freshman team will be remembered as the first freshman team to have finished with a winning record in many years. Coach Sible stated that "all of our team members were outstanding in some way." All of the team members provided ample contributions to the team. The freshman team will provide Proviso with the needed ability for a bonbardment of victories in the future.

Front row: Lawanda Robinson, Lisa Grash, Missy Principe, Nicola Delasandro, Tika Hardy, Kim Jackson. Back row: Coach Sybil, Vannessa Cross, Tracy Schill, Channell Harden, Laura Hines, Tiffany Wilson, Gidget Goodwin.

Front row: Art Faje, Paul Rurka, Keith Pelligrini, Eric Hardman, Mike Zito, George Pilgrim. Back row: Brian Dudzinski, Chris Morgan, Ken Lindstrom, Mike McMicken, Ken Mohon, Dave Scrivner, Coach Boyce.

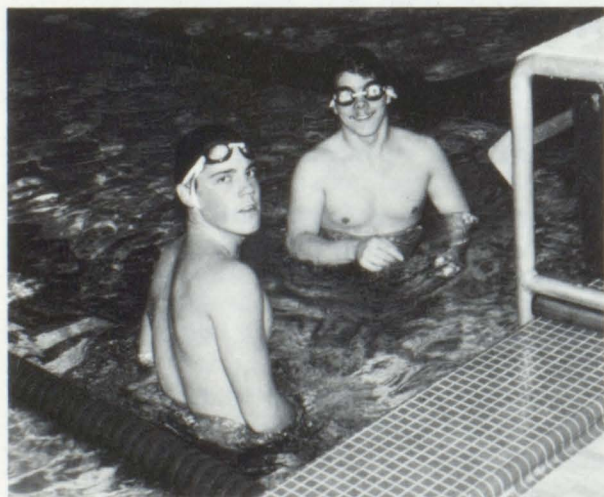

## STRENGTH IN SMALL NUMBERS

For the few swimmers on the Varsity squad, this season spelled another "quality not quantity" year. As a result, the Varsity lost many meets because they did not have the numbers to fill the events. Their 1-5 conference record (2-7 overall) landed them in 5th place in the conference.

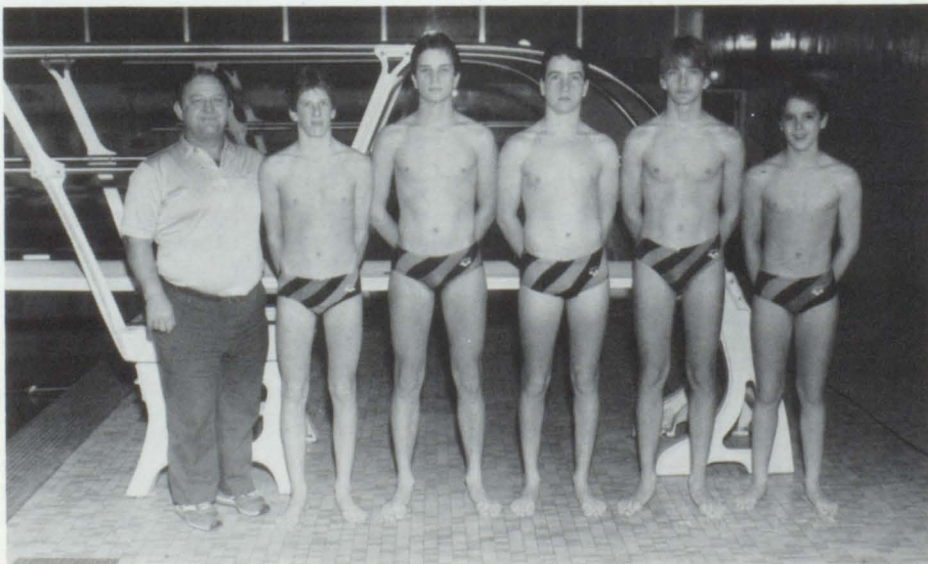

Art Faje was the Most Valuable Senior this season. He was a state qualifier in the 100 yard breaststroke for the second year in a row. Eric Hardman also had a strong season as he won most of his events during the year and missed qualifying by two seconds. Faje also won most of his events throughout the regular season.

SOPHOMORE SWIMMERS. Front row: Jay Larkin, Chris Morgan, Ken Lindstrom, Mike McMicken, Ken Mohon, Dave Scrivner. Back row: Brian Dudzinski, Mark Brokowitz, Mike Kasper, Dean Dockerty, Coach Zimmermann.

## 1985

## Vaulting To Improvement

With each bend and stretch, the Girls' Gymnastics teams were improving daily, gaining maturity and confidence. Finishing 7th in the conference with a 1-6 mark (1-9 overall), the Varsity squad has great potential. Junior Vivian Lukas reached a new school record with her vault of 8.90 and went on to score a 8.75 at regionals. Senior Karen Grace narrowly missed capturing the school beam record, and Senior Janet Lukas, the Varsity leader, had a strong season. Junior Pam Szubryt and JV Christy Tachmazian were also factors.

**JV Front row:** Susan Horek, Dawn Norton, Christy Tachmazian, Carrie Blumka, Sherri Crawford. **Row two:** Harrietta Kapeales, Kim Mitsui, Sharon Squellor. **Row three:** Patty Buenrostro, Beth K. Lucas, Patty Szubryt, Natalie Popek, Lori Joyner.

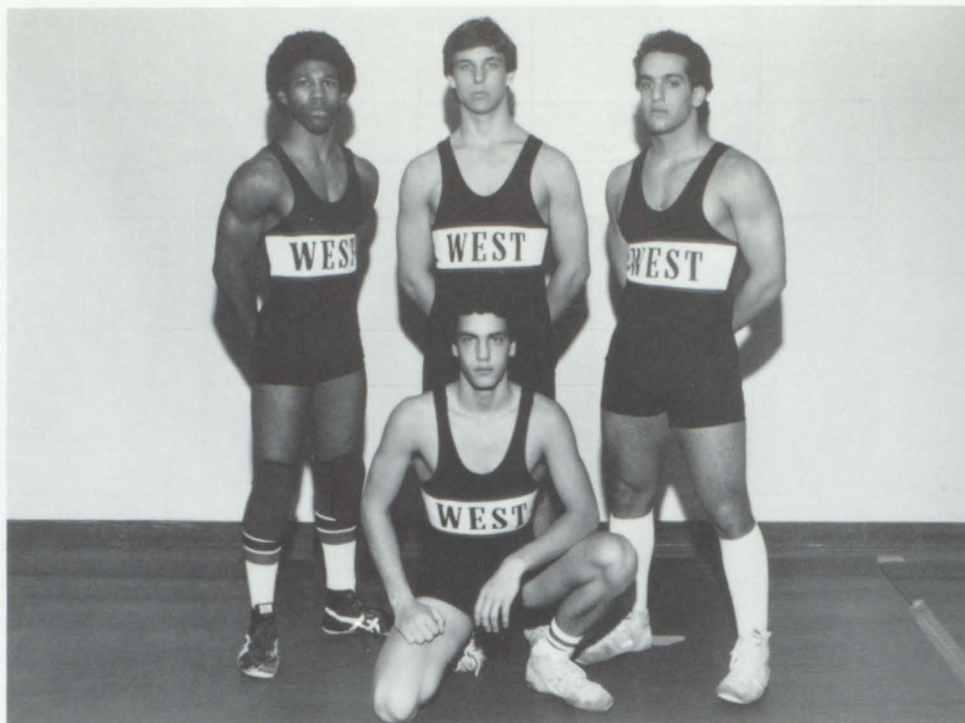

## LIMITED NUMBERS PIN WRESTLERS

This year's wrestling season did not have as great a team effort as it did an individual effort. Having to forfeit most of their matches because of small numbers, the Varsity team can boast great successes on the parts of Nick Nagel, John Hasner, Percy Thomas, and Vince Valente.

Nagel, who won most of his matches this year, could not wrestle in state competition due to torn leg muscles. Hasner went on to regionals, but lost 4-2 in his second match.

Pictured right. **Front row:** John Hasner. **Back row:** Percy Thomas, Nick Nagel, Vince Valente.

**Front Row:** Todd Cooper, James Dixon, Joltin' John Hasner, Pretty Percy Thomas, Carl Selastino, Jesse Maggit, Roy Cook. **Back row:** Willie Cook, Steve Paetsch, Richie Brown, Nasty Nick Nagel, Thorton Boyd, Vince Fireman Valente, Rob Rick, Coach Joe Hendricks.

## JV HAS STRENGTH IN NUMBERS

This year's JV team got out to a good start as plenty of competitive wrestlers joined the team. However, eligibility spoiled the JV team's hopes of a winning record. Finishing with a 1-13 record (0-7 in conference), the JV Panthers' highlight this season was beating Argo in their first meet.

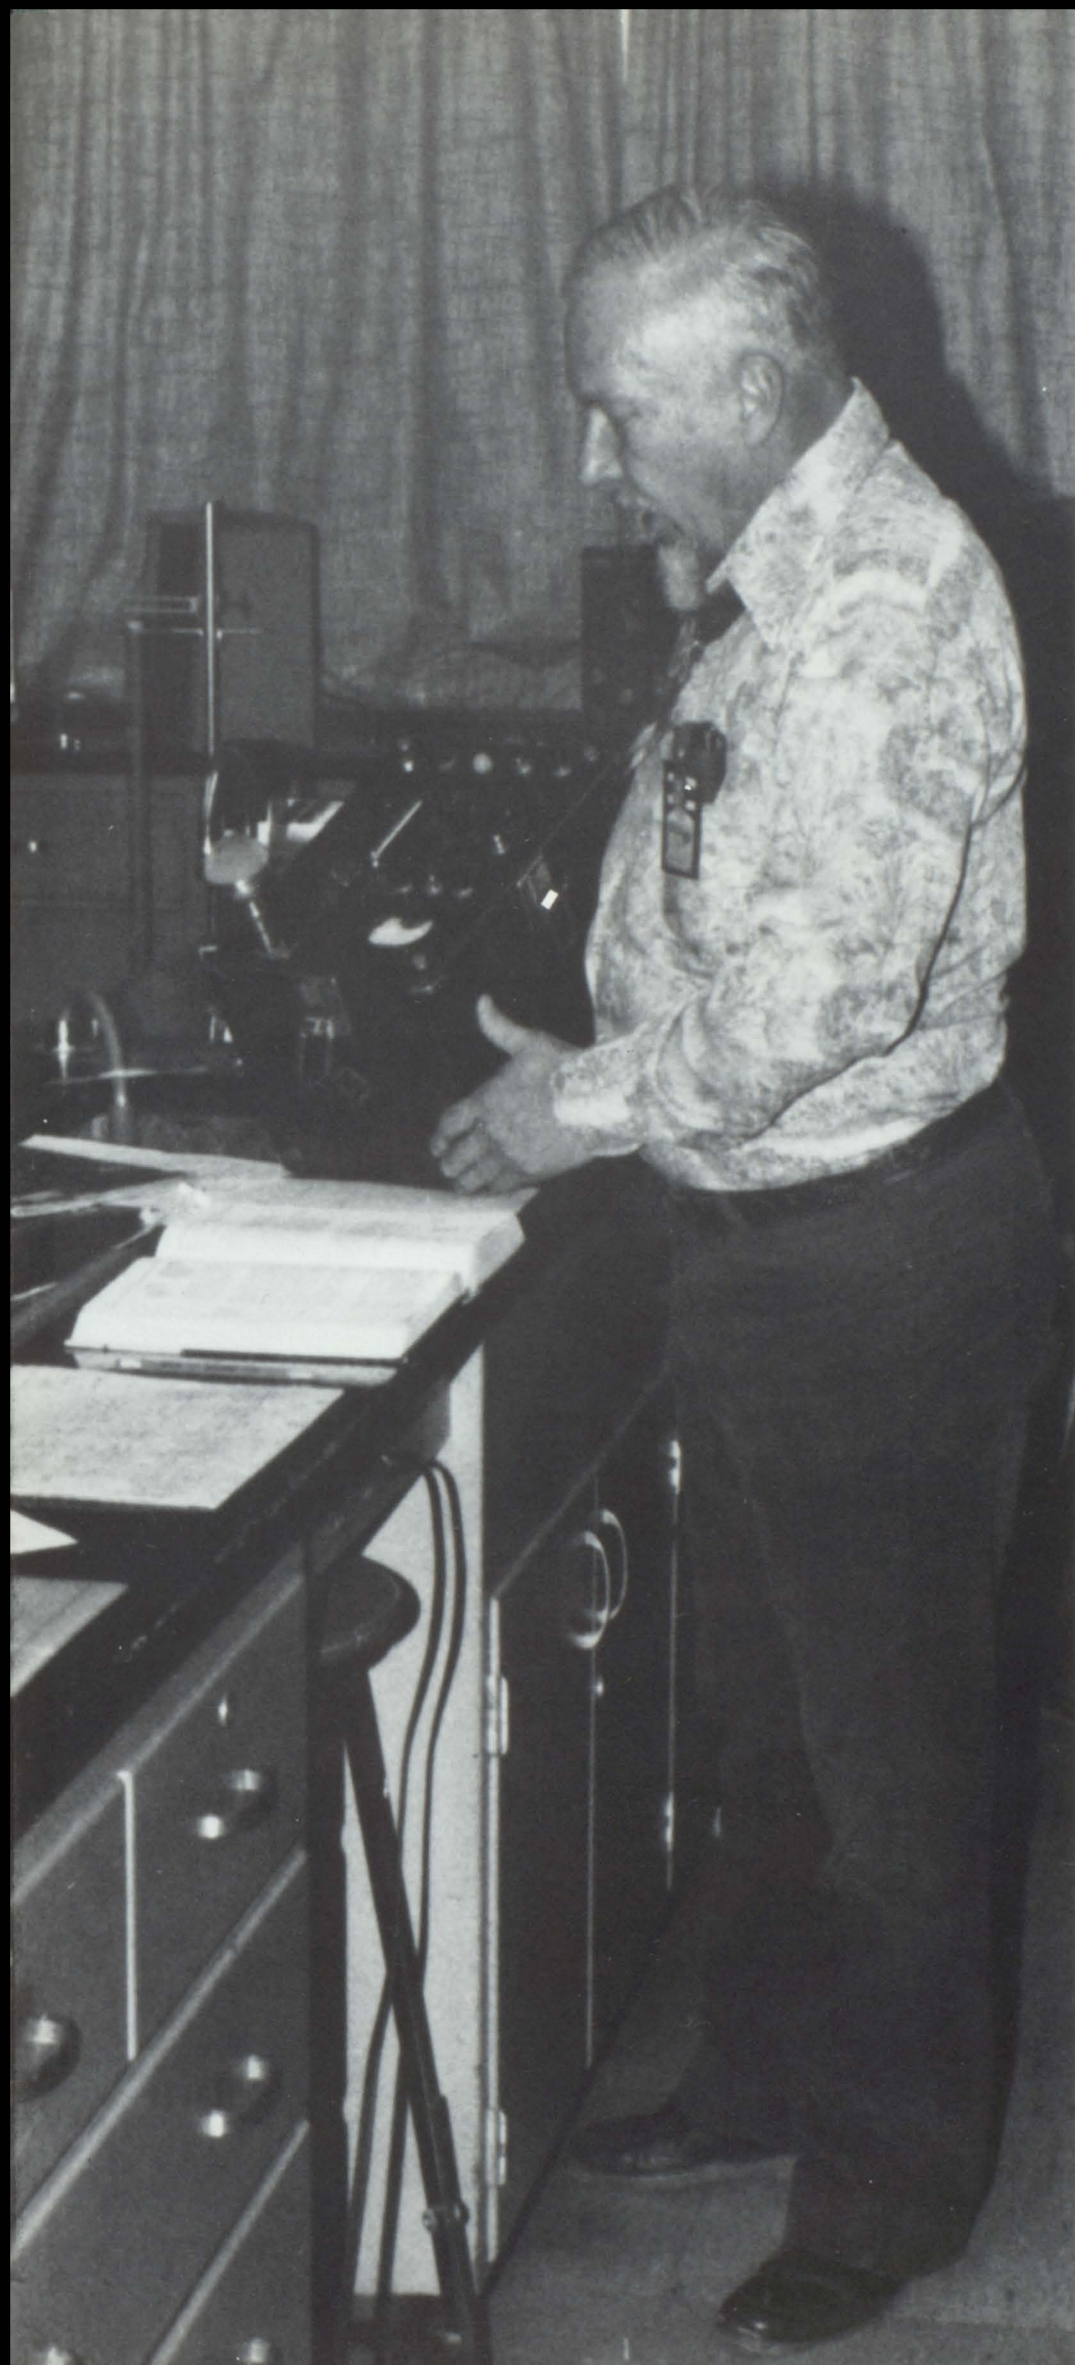

## FROSH WRESTLERS BALANCE TALENT

The crop of frosh wrestlers were a very talented and well-balanced squad. Much improvement was seen during the course of the season as the wrestlers learned more techniques. This year's highlights were in meets against Rich South and Hillcrest as the freshmen put to use their confidence. Outstanding freshmen were Odell Waters, Frank Saraceno, Darryl Similton, Joe Garr, Mike Laurence, Brian Kowalski, Gene Mandarino, Randy Endean, John Olson, Mario Janneau, Craig Walker, and Larry Doyle.

# All Around The Town

By 8:10 in the morning, there are over 2,000 students who are seated in a classroom at Proviso waiting to learn. Their day is filled with equations, theorems, and literature; and by 3:10 these students are ready to end their busy day. However, for many students the day is only half over because they have taken on the added responsibility of an after school job. The mural staff would like to give credit to those who work and at the same time, achieve good grades. These students show qualities of dedication and determination in achieving their goals. On the next few pages, the *Mural* would like to show you some of these special people in action.

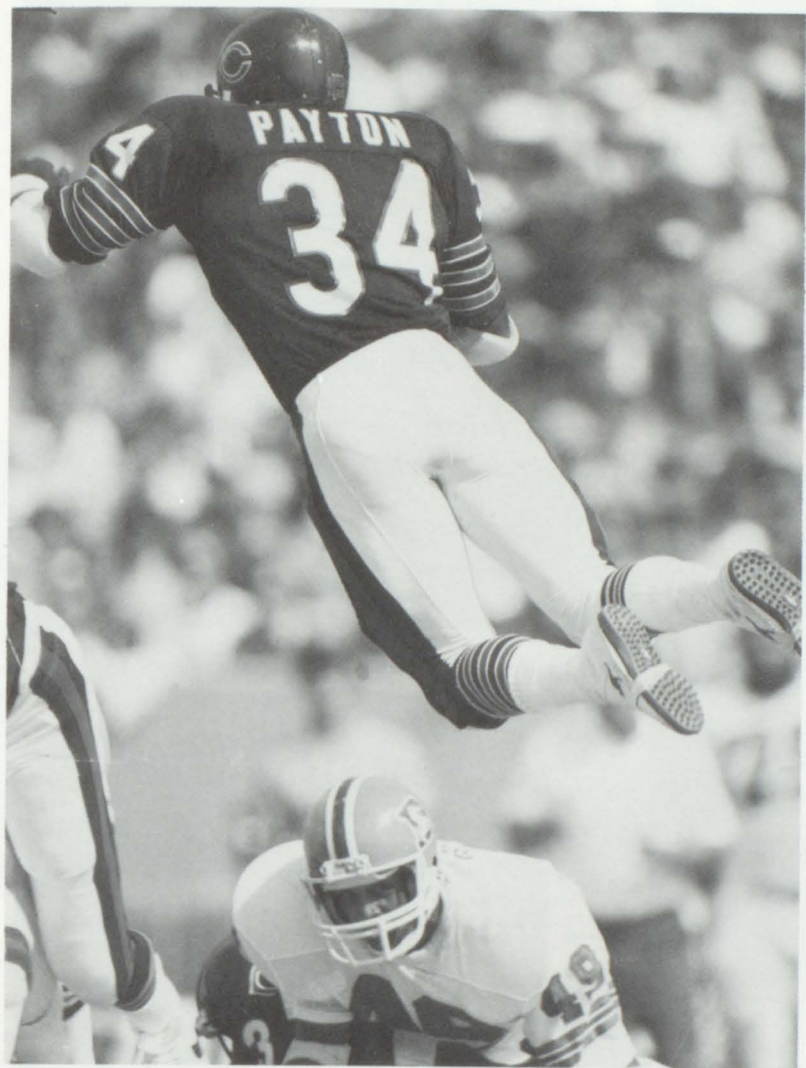

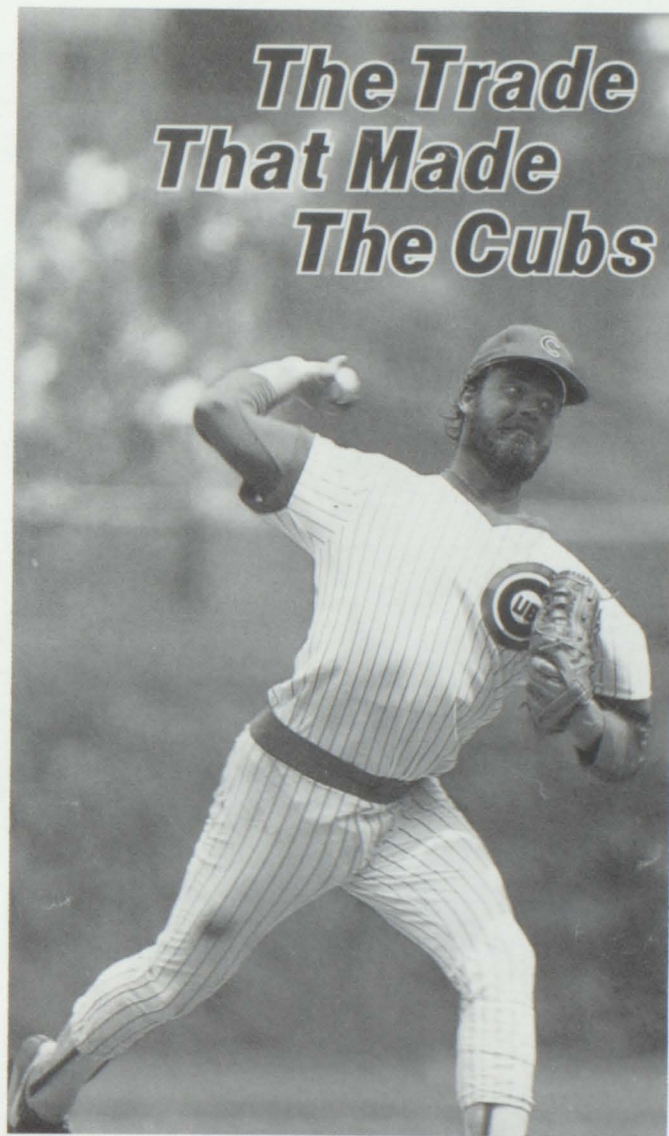

## Chicago My Kind Of Town

## *The Trade That Made The Cubs*

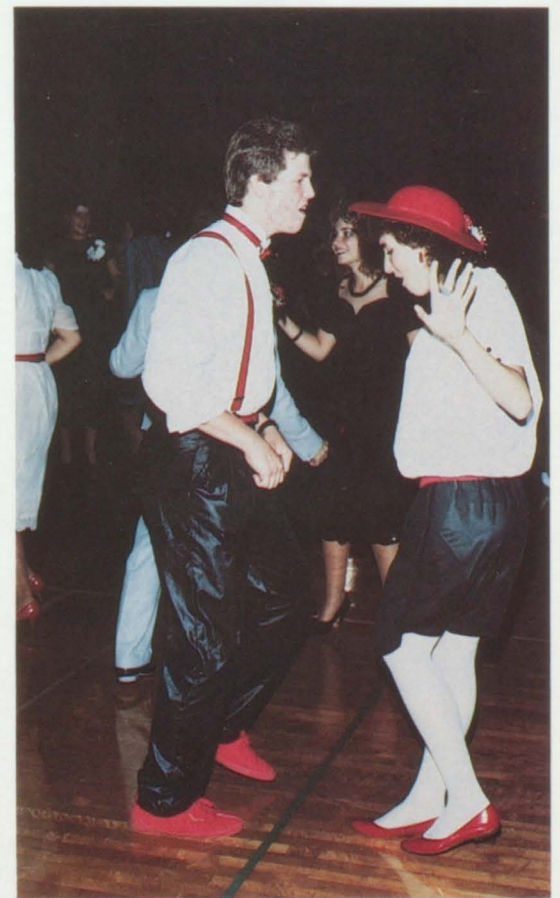

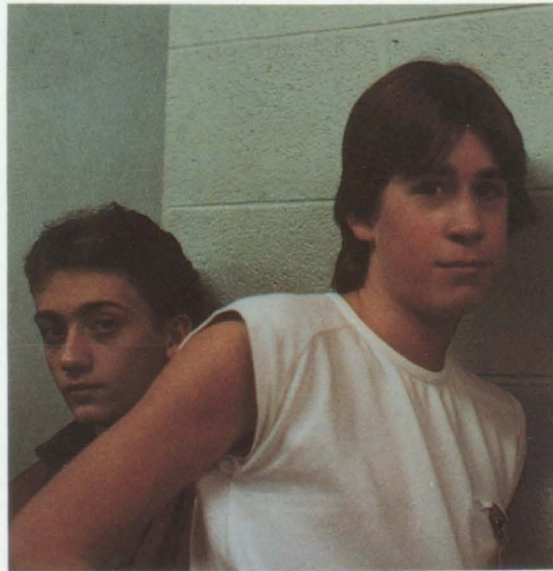

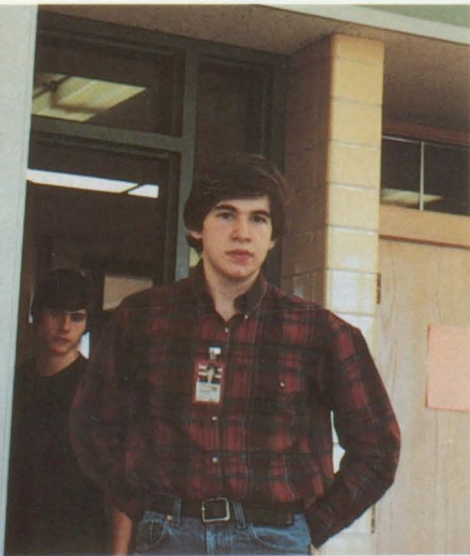

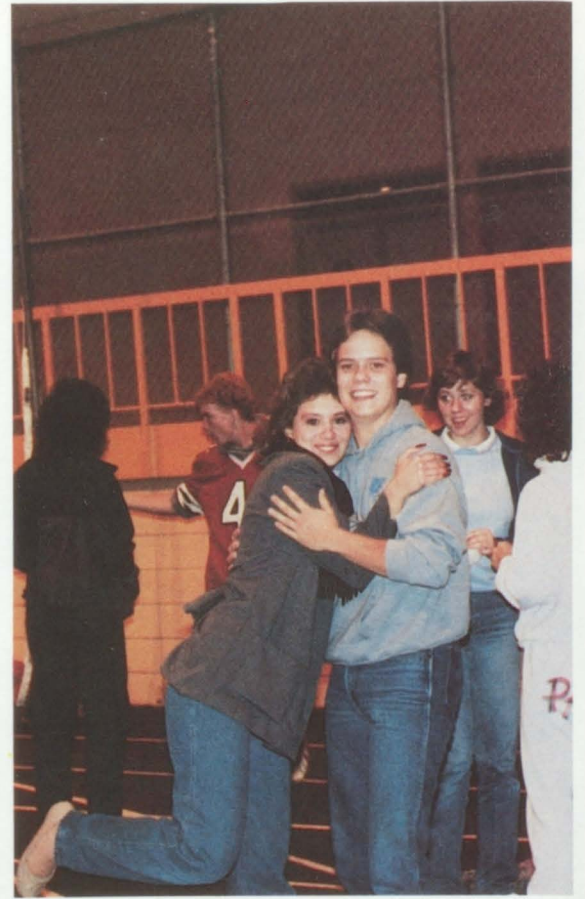

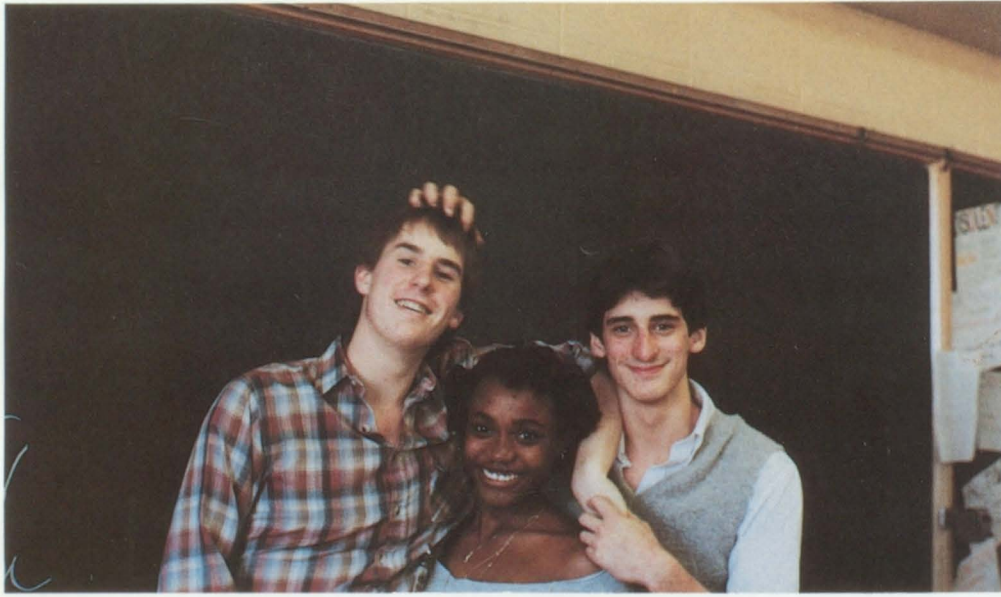

Our Proviso Community reaches beyond the neighboring towns to the great metropolitan city of Chicago. This year was a memorable one for the sports fans in the area. The Chicago Cubs, having suffered for 39 years, captured the National League Eastern Division Championship led by Ryne Sanberg and Rick Sutcliffe; the Bears, with Walter Payton breaking the all time rushing record won a division championship for the first time since 1962; and the Sting, recaptured the World Championship in outdoor soccer. At the beginning of their respective season, the Bulls, adding Michael Jordan, are finally receiving respect, and the Hawks, although without Tony Esposito, are atop their division led by Dennis Savard and Doug Wilson. This new Chicago tradition has sparked a flicker of hope in all our hearts because as citizens of metropolis Chicago, we hold our local teams in a special little place in our hearts.

Why aren't these freshmen wearing their I.D.'s?

Two typical mature P.W. Seniors

Who spilled the super glue?

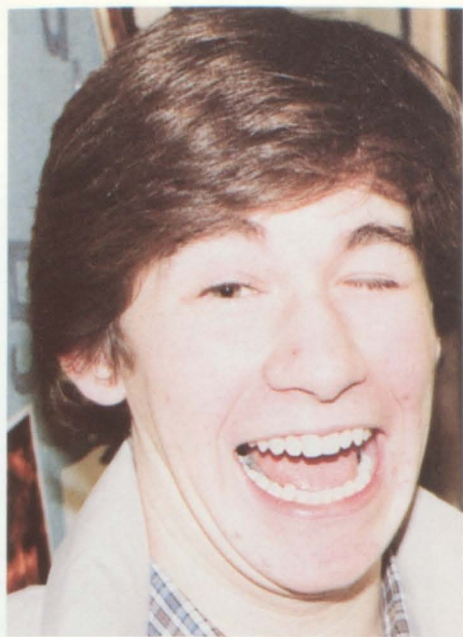

The Proviso cookie thief-caught in the act!

Who's that next to Toe?

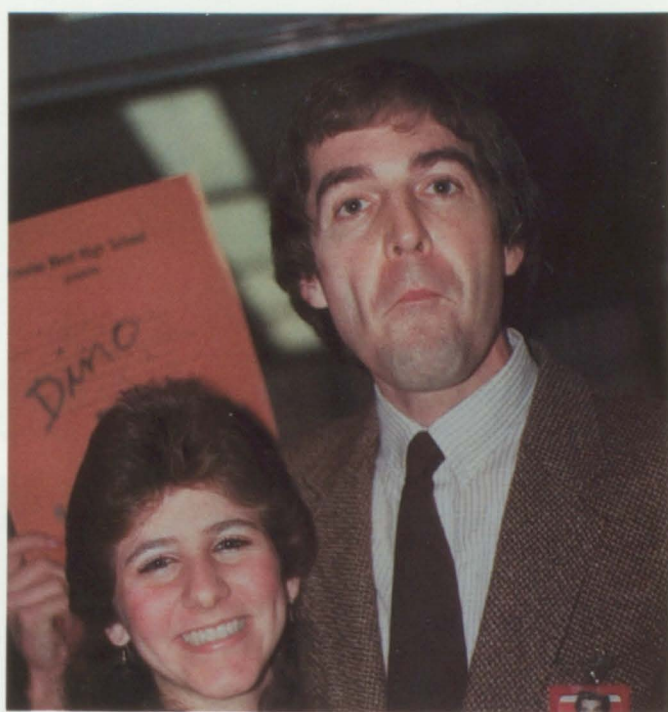

Our perfectly sane editor ...

Mr. Haas- How do you spell relief?

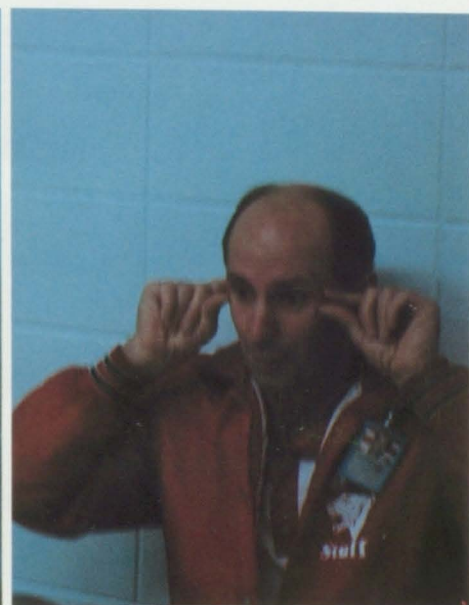

Now how could I forget that?!

Is this Elvi I or Elvi II?

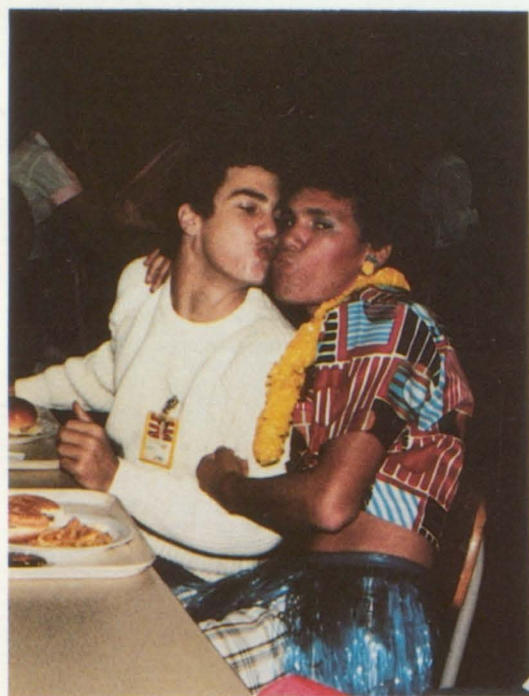

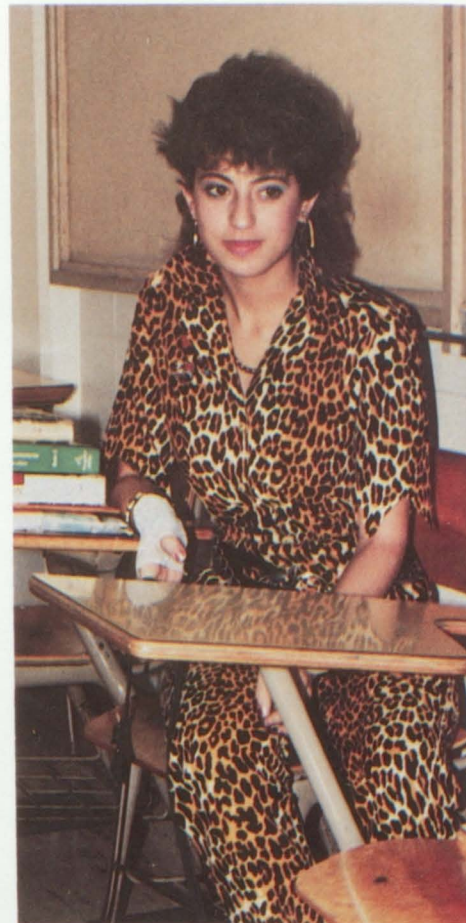

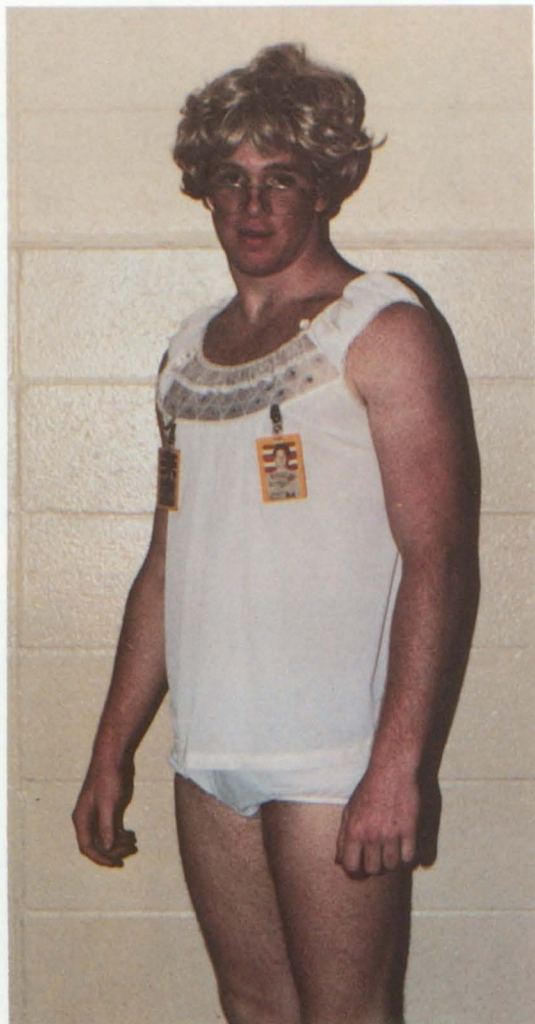

But ... We didn't take this picture on Halloween.

See no evil, speak no evil. Where is hear no evil?

# Fans miss Manley's win in OT

By Dan Ruane

The spectators who crowded into Manley's gym to see yesterday's Manley-Farragut game missed the thrilling finish.

Manley won 82-80 on Terry Tillman's layup with five seconds left in overtime.

But the spectators were gone.

Officials George Demos and Benny Smith emptied the gym after a bench-clearing brawl erupted with 1:03 left in overtime. The incident was touched off when Farragut's Terrell Jackson was dumped on the floor and Farragut's Anthony King and Manley's John Nance began jousting.

"The fight started out of other incidents in the game," said Manley coach Nate Hearn. "I don't think there is bad blood between us. We weren't going to be intimidated and neither were they. It was a physical game."

## Perfect timing

Manley (17-4, 10-2) retained its one-game edge over Collins in the Public League's Red West by converting 22-of-25 free throws, including 14-of-14 in the last two minutes of regulation and during overtime.

John Ousley paced Manley with 23 points and 17 rebounds. Tillman scored 12 and Ken Shannon had 10 points and five assists.

But the Wildcats, who led by eight early in the fourth quarter, frittered away their advantage by going to a delay and committing seven turnovers.

Trailing by four with 1:34 left, Farragut (5-10, 4-8) ral-

lied to tie at 74 on King's rebound basket with five seconds left.

In OT, Manley trailed 78-76 with 2:10 left. Then Ousley made two free throws and Lawrence Houser made two.

## Wise ties

After the gym-clearing incident, Farragut's Larry Wise scored to tie at 80 with 20 seconds left. That set the stage for Tillman's game-winning layup.

"Championship clubs will make free throws down the stretch," said Hearn. "I practice shooting them in a game. It's not off. We have to win close ones to be champions and we win most of the close ones."

## In The News

In this section of the yearbook, we would like to inform you about some of the events that have taken place here at Proviso West. The next four pages contain news, both new and old, about many of your friends and teachers. These articles are about: The CPR program, the sexy legs contest, the new deans and retiring teachers, the Illinois State Scholar winners, National Merit Scholarship finalist and the top Academic Students in the senior class. We could not cover all the special activities and honors that have occurred throughout the year, but have tried to bring you a small sample of the school events.

Farragut is aided by a Manley faculty member after he was hurt in the brawl. All fans were asked to leave before the overtime period.

# Crane wheels by Lincoln Park

By Taylor Bell

Crane may be out of contention in the Public League's Red-West Section but coach G.K. Smith was smiling after yesterday's 85-77 victory over Lincoln Park. He has found a replacement for mid-year graduate Kirk Wilson. And that spells good news for the upcoming city playoff.

How valuable was Wilson? After he left, Crane lost three of its next four games to fall out of first place.

Anthony Manuel (20 points, 12 assists), Joe Daugherty (19 points), Tracy Ware (18 points, nine rebounds, five blocks) and 6-5 sophomore Tremell Murphy (eight points, eight rebounds) kept Crane (19-4, 8-4) within hailing distance of front-running Manley. Lincoln Park's Johnnie Lydon

Kirk Wilson graduated at mid-year," said Crane coach G. K. Smith. "We tried other persons in Wilson's spot but Murphy is the one who has been coming through. He has improved the most as the season has gone on."

Crane, which hosts Manley tomorrow, is two behind with two to play.

## SOUTH SHORE 80, HARLAN 54

South Shore (20-4, 12-0) won its 14th in a row and claimed an undisputed Blue-South title as Scott Fowler scored 19, Mark Fowler 18, Dominique Franks 16. The Tars forced 28 turnovers with their three-quarter press, outscoring Harlan 28-14 in the last period. But they missed 24-of-44 free throws.

"We're a good fourth quarter team," said South Shore

don't knock themselves out early. One thing the three-quarter press does is close the other team down and we don't have to go all out to play it."

Harlan's Artis Culverson scored 16.

## HYDE PARK 74, FENGER 52

Gerald Hayward, one of the hottest scorers in the city, had 29 points and 12 rebounds as Hyde Park (8-8, 6-5) stormed to an early 31-12 lead. Dimetri Joe scored 12 and junior Sherman Igess, a transfer from Providence-St. Mel, added eight points, nine rebounds and four steals.

Hyde Park coach Earl Aldridge calls Hayward "the most overlooked player in

has been largely ignored by college recruiters because of an incident he was involved in at a summer camp in 1983.

After being sent home from a camp in Iowa City, Hayward was labeled as "un-coachable" and "untouchable" and an "attitude problem" by recruiters who quickly scratched him from their shopping lists. Aldridge said only three colleges (Marquette, Southern Illinois, San Diego State) have expressed any interest.

"The whole incident was blown out of proportion," said Aldridge. "Hayward doesn't have an attitude problem at all. And he's as good as any player in the state."

## AUSTIN 73, NEAR NORTH 71

Austin knocked Near

gers led by 10 with two minutes left, then held on. Andre Tyler scored 19 and Robert Williams and Darrell Ivey each had 14.

Near North, which fell to 8-3 in league play, got 18 points from Chuck Fleming and Kevin Cotton. Near North can climb back into contention if it beats Cregier Tuesday.

## WESTINGHOUSE 71, YOUNG 70

Eric Berger scored 29 and Emanuel Cross had 18 as Westinghouse moved to 7-5 in the Red-West. Cross' two free throws with four seconds left decided it. Young's Walter Bond scored 23, Darryl Robinson had 17, Walt Frazier Jr. 16.

# Proviso Honors Illinois State Scholars

**Front:** Hope Larkin, Judith Lorenzen, Andra Ziemelis, Michele Pantone, Roda Baylon. **Second Row:** Erik Hardman, Erik Olsen, Bill Bickley, Kevin Wegner, Matthew Gitzgibbon, John Kennedy, Martin Pandola, Steve Wightkin, Tom Walsh, John Burda. **Third Row:** Sam Gulino, Darwin Vandevender, Frank Pavone, Charles Spalliero, Roger Romanelli, Paul DelGuidice, Tod Farrell. **Not Pictured:** John Anos, Michelle Blattner, Eric Giangrossi, Ulisses Gutierrez, Sue Lowe, Chris Mize, Steve Rossler, Richard Schulz, Sharla Smith, Chris Treichel, Steve Vlach.

When students display outstanding ability in sports, they are immediately recognized and praised for their talent. These athletes receive many honors, scholarships, and nods of approval from their classmates. But what about the academic athletes of our school? These students put their minds through a vigorous workout everyday and are seldom told what a superior job they are doing. The MURAL would like to take this opportunity to congratulate the members of the National Honor Society and the winners of Illinois State Scholarship awards. These students have shown outstanding ability and deserve a pat on the back.

The MURAL would also like to call special attention to three outstanding Proviso seniors for maintaining a 4.0 grade point average. These students are Roda Baylon, Sam Gulino, and Tom Walsh.

In addition to these three special scholars, are three other students who have maintained a 3.9 grade point average throughout four years at Proviso. These three students, are Mathew Fitzgibbon and Erik Olsen, and Roger Romanelli (not pictured) should also be commended.

The MURAL would also like to congratulate this years National Honor Society's officers: Ulisses Gutierrez, President; Roda Baylon, Vice-President; Michele Pantone, Secretary; and Erik Olsen, Treasurer.

For many Juniors, the PSAT, SAT, and ACT tests are among the first steps towards college. These exams take a lot of time, effort, and energy. The questions range from simple to challenging questions. Although these tests may seem impractical to some, they do provide advantages for a few people.

The PSAT is also a prerequisite for the National Merit Scholarship. Four students, Paul DelJudice, Bill Bickley, Roda Baylon, and Sam Gulino scored in the top 5% of all who took the exam. Of these three made semi-finals, and two made finals. Sam and Roda now have a 40% chance of receiving scholarships ranging from \$2000 to full tuition. The three who made the semi-finals are pictured at the left receiving an award from Mr. Milano. These students are Roda Baylon, Sam Gulino, and Bill Bickley.

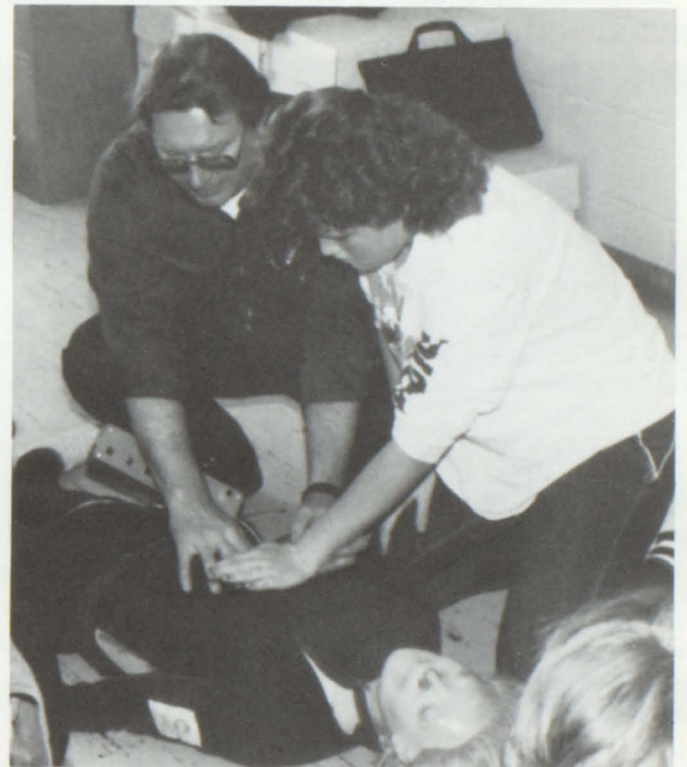

# Health Education

Do you know ...

- ... what cardiopulmonary resuscitation is?
- ... the early warning signals of a heart attack?
- ... how to make the distress signal for choking?
- ... what a "cafe coronary" is?

Each year thousands of Americans die suddenly. Most of these deaths could be prevented if more people were trained to do CPR. The Health Education classes at Proviso West have incorporated one week of specialized training into the curriculum. Under the direction of Ms. Garramone, R.N. and health instructor and Fireman Frank Schnurstein of the Hillside Fire Department, students receive training and learn techniques that help to save lives. Twenty-six students successfully completed the certification requirements during the first semester and earned the right to carry CPR cards. Health education is offered to all students and focuses on the study of human ecology and health, human growth and development, prevention and control of disease, public and environmental health, consumer health, safety education and disaster survival, mental health, personal health habits, and substance abuse.

# Proviso Welcomes Two New Deans To Proviso . . . .

Ms. Montoya was born in New Mexico where she lived until she attended Adams State College in Alamosa, Colorado where she earned her BA in sociology, anthropology, and physical education.

She then went on to obtain her MA at Xavier University in Cincinnati in special education and her post graduate work was done at Northern Illinois University in the field of administration. Still more interesting, Ms. Montoya enjoys horseback riding in New Mexico and she has even taken airplane lessons. Before becoming a dean here at Proviso West, she spent 7 years at Proviso East as a special education teacher and as a CWT Coordinator along with being the student council sponsor. Even though West is very different from East, Ms. Montoya especially likes working with the friendly people here at West, and she takes pride in fulfilling a traditionally male role.

As a former graduate of Proviso West, Mr. Ulicny finds it interesting to be a dean instead of a student. His experience as a resource teacher for behavior disorders has taught him to believe in

"discipline with a human face." Mr. Ulicny has set a fine example for all Proviso West students, past and present, by obtaining his BA at Miami University and both his MA in special education and his MA in education administration at Northeastern Illinois University. He has taught at Proviso East and at Proviso West, contributing his talents at both schools as swim coach. Mr. Ulicny is active in golf and tennis and will forever be a dedicated Cubs fan.

The 1985 MURAL Staff wishes Ms. Montoya and Mr. Ulicny the best of luck as deans here at Proviso West now and in the many years to come. And thanks Mr.

Mass, Mr. Simmons, Mr. Gilbert, and Mrs. Dirks for all their help and encouragement over the years.

# We've Got Legs

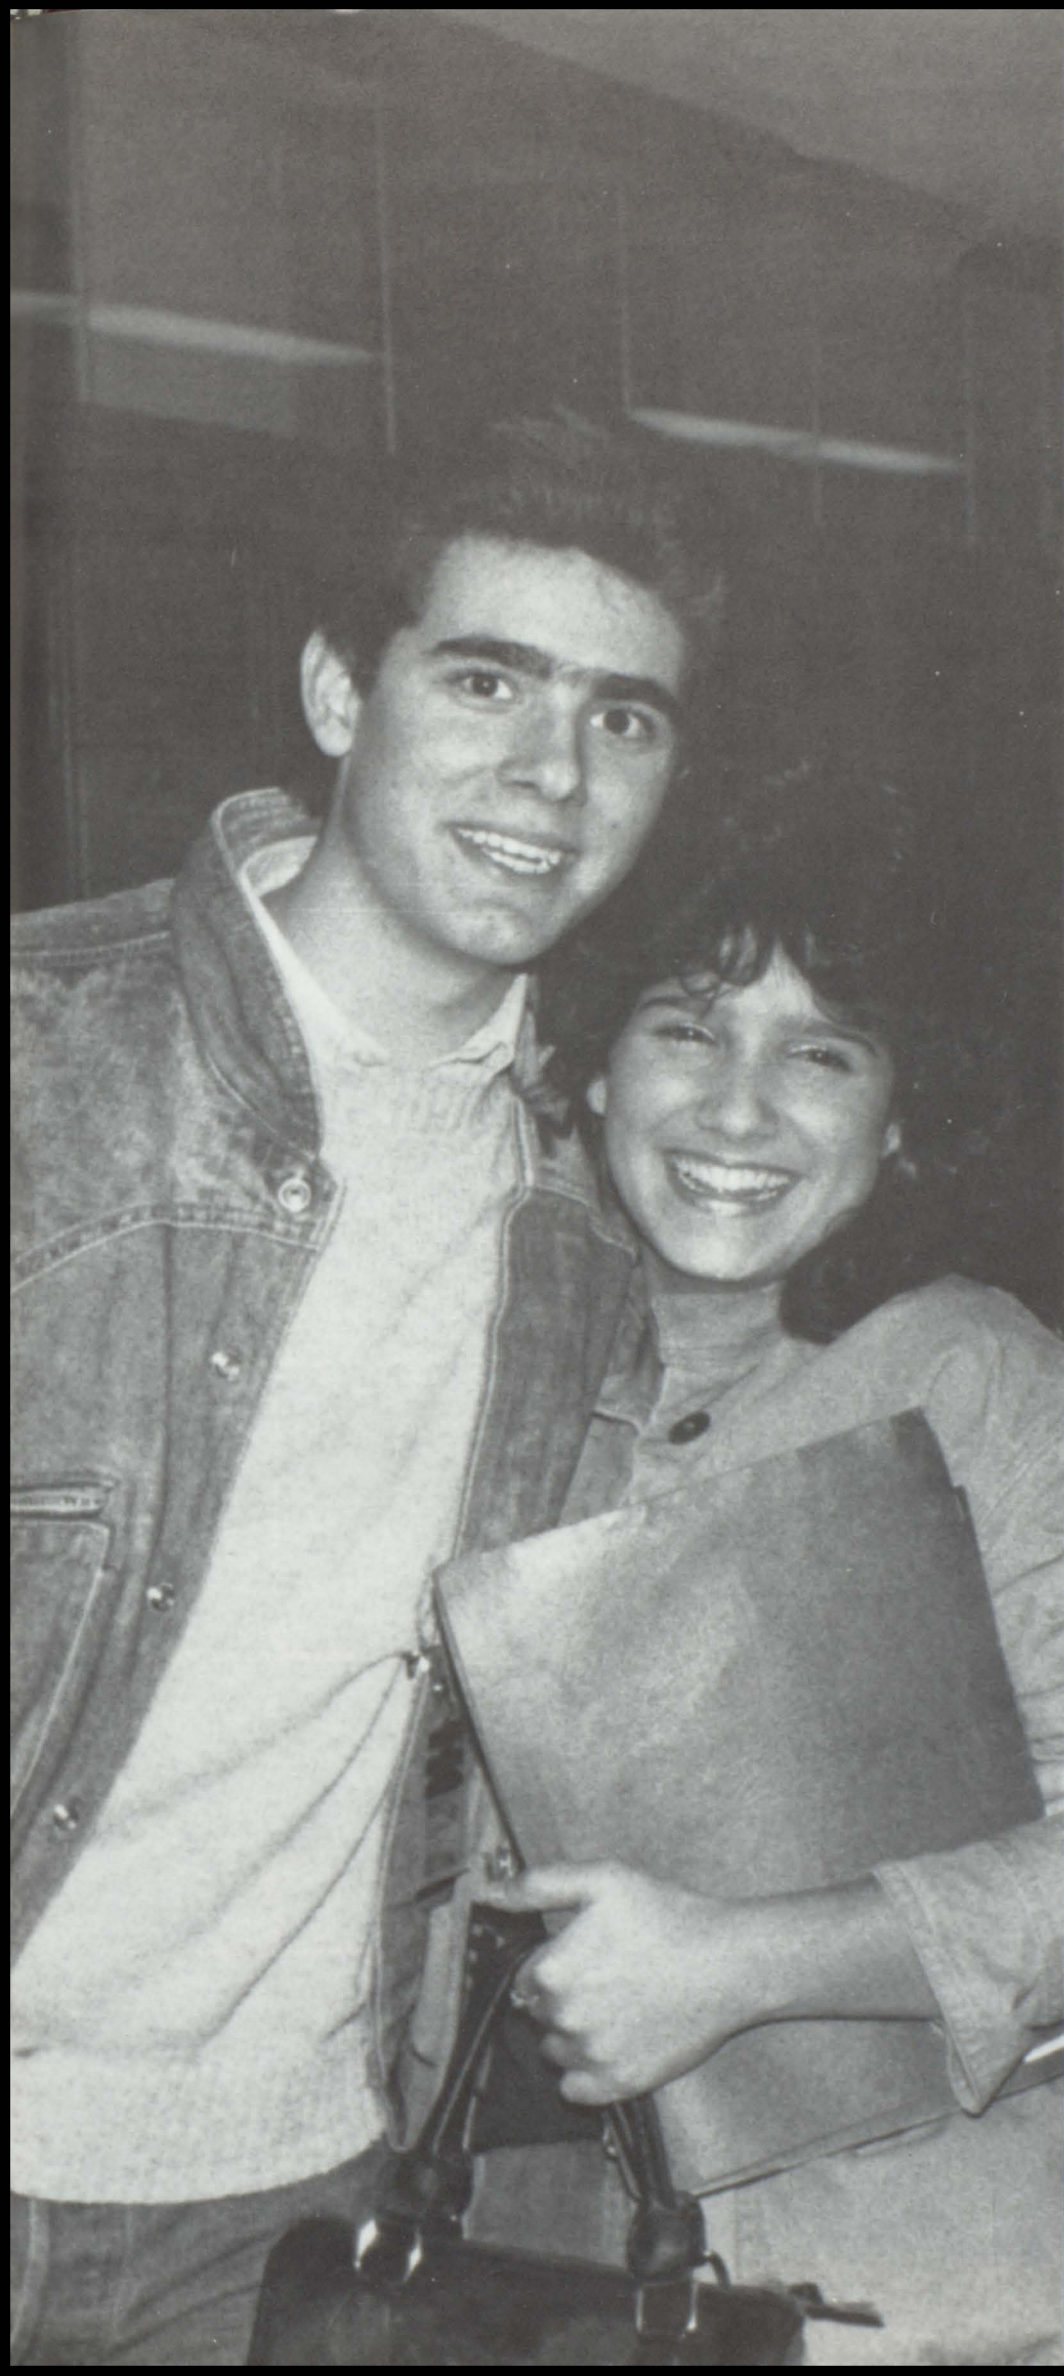

This year, the student council sponsored a fund raiser entitled, "Sexy Legs Contest." Seven male Proviso Seniors were chosen to expose their legs for the judging. Their identities were kept secret, and the only identifying mark was the number placed by their legs. The students contributed money to the can, marked with the same number as the legs, to choose the winner. The winner of the 1985 Sexy Legs Contest was number 5, and the runner up was number 7. But, who do these legs belong to? Your guess is as good as mine, and the only information we can give you is the name of the seven contestants. The rest is up to you. The names, in alphabetical order are: Tom Alajoki, Larry Blumburg, Rodney Bradberry, John Kennedy, Jim Long, Roger Romanelli, and Tom Walsh. Who do you think has the sexiest legs?

# *We've Got Tonight*

*I know it's late. I know you're weary  
I know your plans don't include me.  
Still here we are, both of us lonely.  
Longing for shelter from all that we see.  
Why should we worry? No one will care girl.  
Look at the stars so far away.*

*We've got tonight, who needs tomorrow?  
We've got tonight, babe, why don't you stay?*

*Deep in my soul I've been so lonely.  
All of my hopes faded away  
I've longed for love like every one else does  
I know I'll keep searching even after today.  
So there it is girl, I've said it all now  
And here we are, babe.  
What do you say?*

*We've got tonight. Who needs tomorrow?  
We've got tonight, babe, why don't you stay?*

*I know it's late. I know you're weary  
I know your plans don't include me.  
Still here we are, both of us lonely.*

*We've got tonight. Who needs tomorrow?  
Let's make it last, let's find a way  
Turn out the lights, come take my hand  
We've got tonight, babe, why don't you stay?*

Bob Seger

## Editors Reflection

The 1984-85 year has been a great turning point for many people. This past year was filled with many incredible accomplishments. The Mural '85 holds all of these exciting and unforgettable moments between its covers. What we have created is not only a book which will be brought out to remember old times, but it is also a reflection of a small proportion of the everlasting goals to be conquered. The students of Proviso West leave the school with not only the knowledge which the faculty has impacted into their minds but also the self pride to perform the impossible.

I would like to congratulate the graduating Seniors for their determination which has earned them their diplomas. I would also like to encourage the Juniors, Sophomores, and Freshman to continue their school support and spirit at Proviso West in the future years.

At the end of the 1983-84 year I was chosen as the Mural Co-Editor of the 1985 Mural. I would like to extend my deepest thanks to Miss J. Phillips for this honor, and I would also like to thank the Mural Staff, for all their Laughs and Joys, which they have shared with me.

Sincerely,  
Robert J. Romanelli  
1985 Mural Co-Editor

**Special thanks to:** Miss Phillips-for keeping my sanity, Mary Jo-for her constant efforts and determination in making me lose my sanity, Bootsie, Rog, John, T.J. Wiener, Stick, T.E.M., Razzle, and H.P. Saunders.

### Editor's Reflections

When you look up the word yearbook in the Funk and Wagnells Standard Desk Dictionary, you find-yearbook (yir'book)n. a book published annually, presenting information about the previous year. But, when you look beyond the letters, you'll find harwork, panic, creativity, togetherness, arguments, laughter, tears; and, all in all, one chaotic mess. But, in this mess, you can find a small group of people who, between school, sports, work, and social activities, manage to bring you, the reader, the MURAL.

Now, when you look up the word mural in the dictionary, you find: mural-(myoorel)n. a painting or decoration applied to a wall or ceiling. This is not the right definition MURAL, the one spelled with all capital letters, is our yearbook the MURAL. A MURAL filled with memories of the past and insights to the future.

I hope that all of you will enjoy and treasure the MURAL in the years to come. It was a great pleasure and honor to be chosen as the 1985 MURAL Co-Editor, I would like to thank the MURAL Staff for sharing in the many up's and down's of the yearbook production, and I would now like to leave you with this thought.

"Always shoot for the moon in everything you do and even if you miss, you'll still be among the stars." Beauty eh?

Sincerely,

Mary Jo Zack  
1985 MURAL Co-Editor
