MURAL 1987

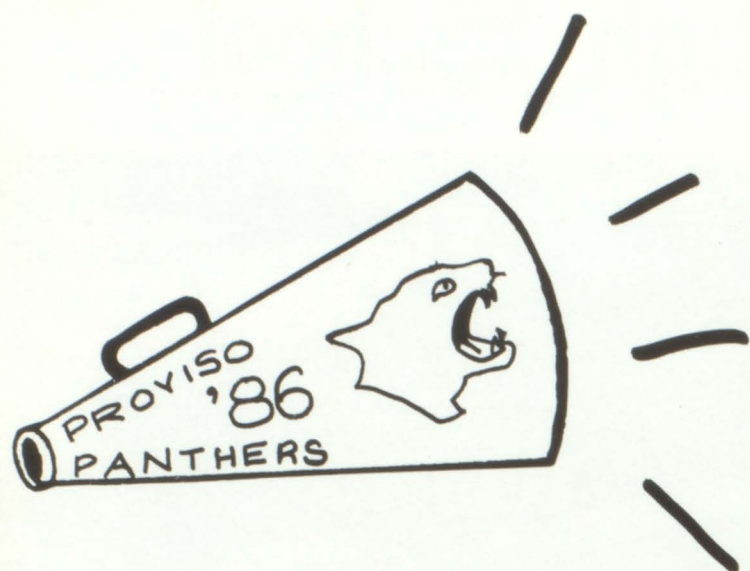

Proviso West High School

Hillside, Illinois
Mural 1987 Volume 27

STAYING INFORMED

Mural's theme, "Spread the Word," best captures the atmosphere found in Proviso's hallways, classes, and extra-curricular activities.

At Proviso, "Spreading the Word," is done through several channels. Daily announcements are made during second period to inform students and faculty of current happenings. The daily bulletins generate spirit and excitement through such an-

nouncements as: Homecoming winners, Spirit Week winners, sports schedules and results, as well as club schedules.

Students and teachers alike spread the word daily, through their hurried exchanges before and after school and during passing periods. Go out and continue to spread the word. Let people know what is happening at Proviso West.

“School Daze”

Every year, it is the same routine. As the final days of summer are upon us, the realization that registration time is approaching occurs.

Summer has passed too quickly. The Proviso letters begin appearing in mailboxes, reminding us of book costs, registration fees, activity pass costs and year-book prices.

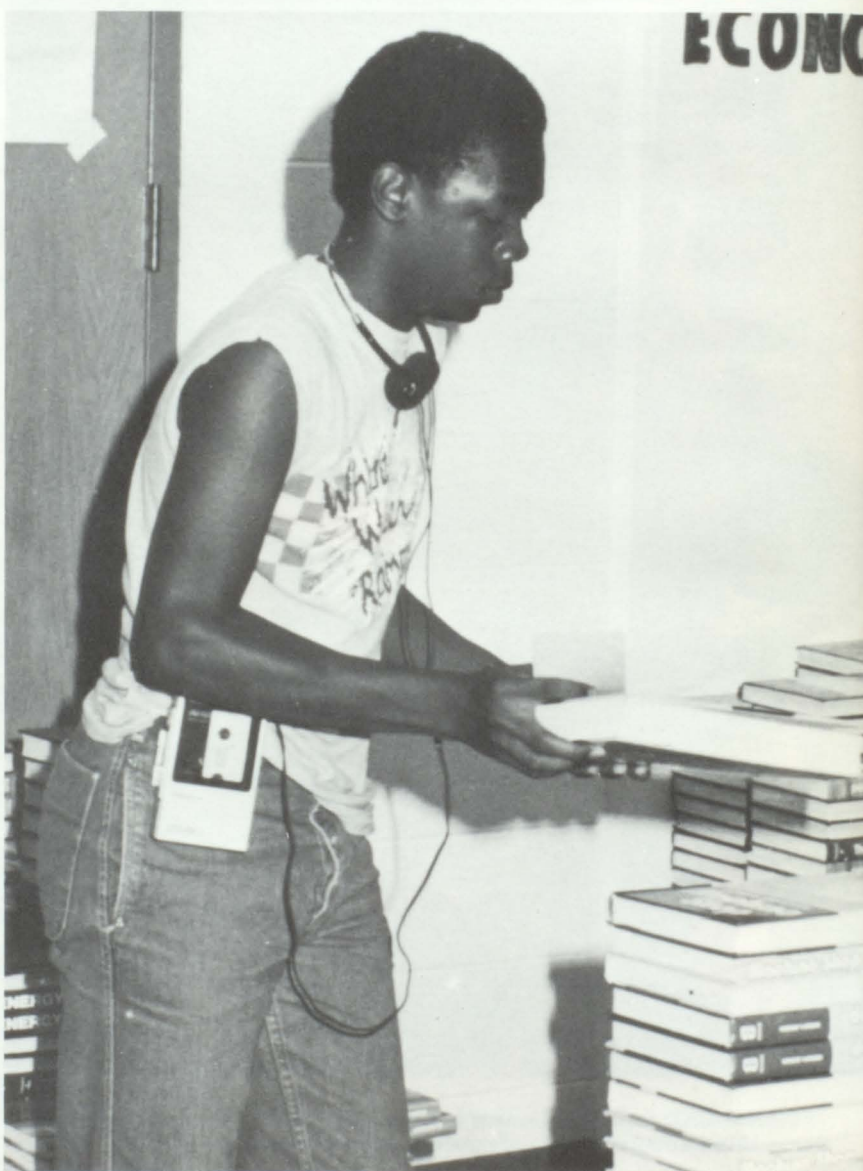

The school year has arrived and with it, the renewal of old friendships, build-

ing of new ones, and always that opportunity to occasionally harass a teacher. Once settled in, students were abruptly disrooted as an October teacher's strike sent students home for an eight day break.

Once beyond the strike situation, the school year became a successful one for many and a memorable one for all.

AWAITING THE ANNOUNCEMENT

It's Friday, and the student body files into the gym. Many familiar faces huddle together in bleacher sections of poster-designated class spirit. As the band blasts out the Disney music, and the choreo-orchesis girls entertain the crowd, a competitive chant between the classes occurs.

As our Panther football team is introduced, a performance by the cheerleaders and Panth'rettes continues. Finally, the shouting and spirit competition quiets as the students await the results of the Homecoming Queen voting.

Senior class girls and their escorts proudly display their rose bouquets as the long awaited moment finally arrives. The senior elected Homecoming Queen '86 is . . . Cathy Pedersen. As everyone spreads the word of the winner, the gym erupts — the excitement has just begun. Homecoming day is almost here.

A MUDDY BATTLE

The homecoming game, the most important football game of this year, was quite an experience. The game took place on a dreary October 25. The freshman team won, and our reliable sophomore and varsity teams fought hard but fell short. The rain fell and dampened the crowd's spirit, while the spirited band played on. Songs such as "It's a Small World" and "The Mickey Mouse Theme" rocked the stands in keeping with the homecoming theme. In spite of the fact that the weather turned against us, the students were

just pleased that homecoming occurred. They were even more pleased with the anticipation of the festivities which were to take place later that evening. It truly ended up being a "Fairytale Fantasy" event.

A STORYBOOK FANTASY

At 8:00 Homecoming evening, one of the most awaited events took place — the Homecoming dance. The postponement of this dance was good in the sense that it gave everyone more time to find a date, but at the same time, it cancelled some dates. When the time came, the gym was uniquely decorated. Mickey and Donald were in their suits, and the music started their feet moving. The girls were all dressed like Cinderellas going to the ball with their Prince Charmings at their sides. The evening was a true success; and from what is known, there were no lost slippers.

LOWER LEFT: Bob Blattner, Missy Ramirez, and Karen Malcolm are about to begin their Homecoming fantasy evenings. LEFT: Some people express happiness in unique ways.

A HAUNTED EVENING

Halloween, a time for ghosts and goblins, also brought about many unique and artistic costumes. On Oct. 31, as school began, students transformed the building into a large haunted house. In the past, students did not dress in costume as much as they did this year. Many students chose to dress as a person of the opposite sex.

The costumes were only the beginning of what happened at the dance that evening, when the seniors turned down the lights, cranked the music, and let all "unhuman" creatures come out to party. There were only a handful of students to "spread the word", as well as to spook and scare. Halloween gives all students the chance to be what they "witch".

UPPER LEFT: A hockey goalie mask hides the identity of this Halloween participant. MIDDLE ABOVE CENTER: Angela Hunt, Tasha Riggins, and others lead a Halloween cheer. BOTTOM: Cathy Pedersen and costumed friends at the dance.

A YEAR TO REMEMBER

This year was a very active year for all of the classes. Spirit was high, as shown by the enthusiasm displayed during the various activities.

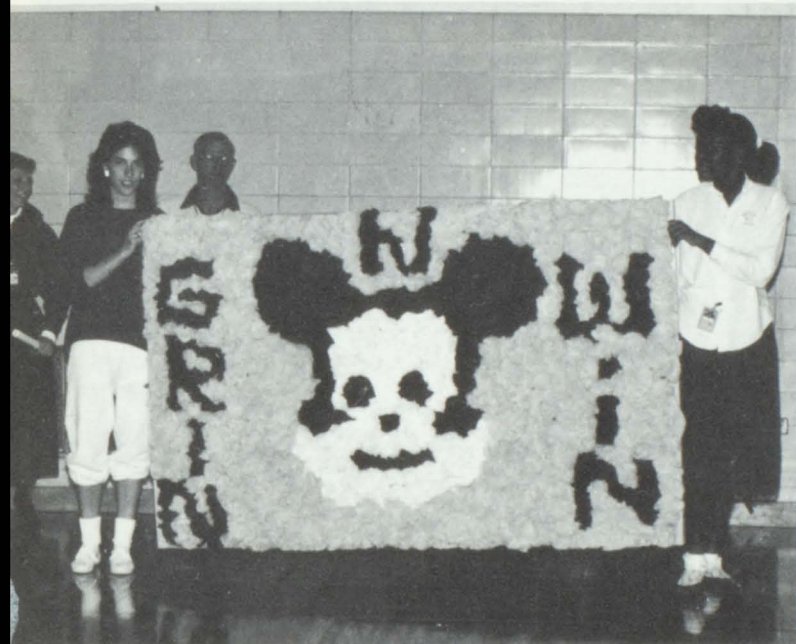

The Senior class, led by president Christopher Gray, held a Halloween dance, Christmas fundraisers and a car wash. Senior classmate Cathy Pedersen became Homecoming Queen.

The Junior class and president Bill Law took a close second in the Homecoming float ratings, and a first place in the spirit week competition.

The Sophomore class began its year with a float victory during Homecoming. Led by president Emanuel Welch, the sophomores held a cleanup day, car washes and a beauty pageant.

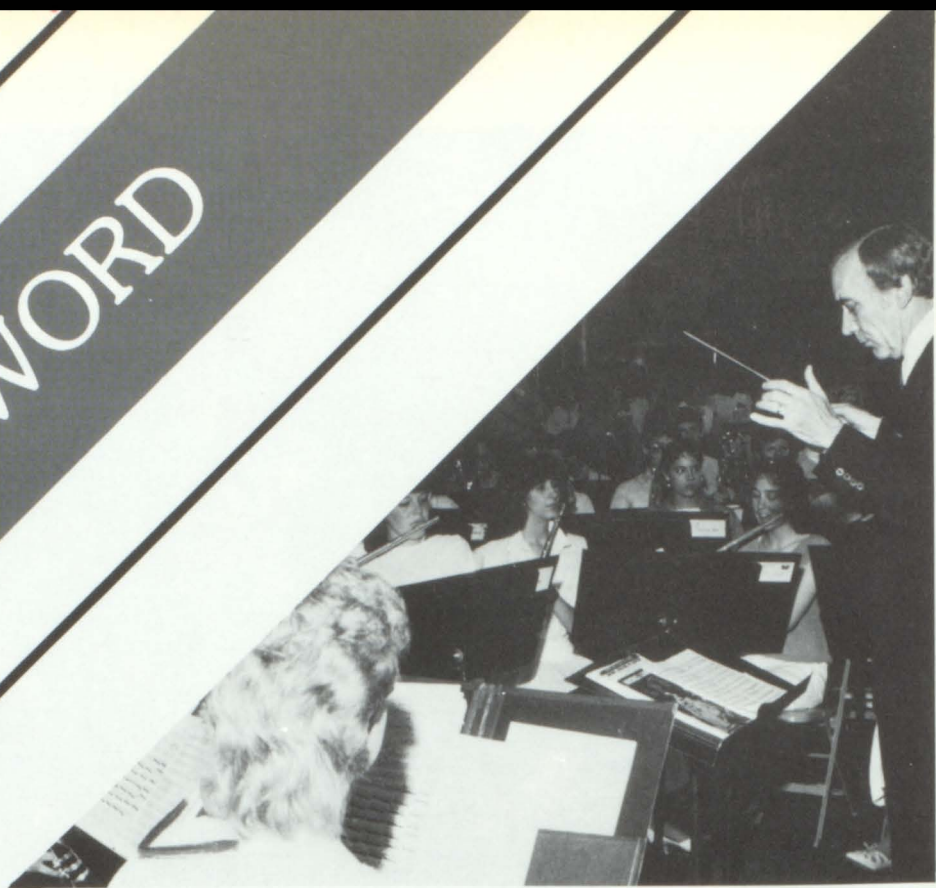

The Freshman class began its novice year by entering a spirit board and decorated van in Homecoming competition.

Getting It Together

Proviso West's Mural staff is a unique group of people who devote much time and effort to create a successful yearbook. They had been organized and efficient in hopes of producing a quality book which will bring back many fond memories in the years to come. Many students do not realize the many difficult tasks which must be accomplished in order to put together a production such as a yearbook or other publication. This staff worked hard to gain experience in writing stories, drawing layouts, and incorporating photographs, and learned the importance of meeting the established deadlines. This staff overcame the disruption of the strike, and other setbacks, and pulled together to create a book that is hopefully full of photographs and stories which will evoke many pleasant memories. It is the hope of the advisors that many of the dedicated, talented students who worked on this staff will again return and bring with them the added experience and leadership to continue in the successful compilation of another year's memories.

Start The Presses!!

From the shocking 1986 teachers' strike, to the newest teen trends, the Profile has stayed on top of all the news to give Proviso West students an informative look at what is happening in the world around them. This year's newspaper contained stories concerning the school such as the strike, clubs, organizations, sports, and "Proviso's People," as well as articles on foreign affairs and social problems. The Profile staff, with its advisor, Mrs. Wessel, has done an excellent job of keeping the students up-to-date on practically every subject. The staff, suffering from a mild case of writer's cramp, has met deadlines and has distributed monthly issues of the Profile to both students and faculty.

Extraordinary Executives

Proviso's Chamber

Proviso's chamber (House of Representatives) consists of four major bodies. The Student Council Executive Board, Senior reps, Junior reps, and Sophomore reps. This year, Student Council added to the fun and excitement of the 1986-87 school year. They planned an extraordinary Homecoming, which did well under the circumstances. Spirit Week was a huge success as were the Talent Show and Spring Carnival. Student Council plans to thrill us more in the years to come because they say "Proviso is nothing but the best."

-Shelley Carlson

National Honor Society consists of Proviso's finest and outstanding students. The reason for establishing this group is to see that the academically superior students receive recognition. The way the students are selected is strictly by grade point average. The minimum grade point average is 3.2. All eligible students are then voted upon by the faculty based upon characteristics including leadership and citizenship. Many of the members are often honored at the Scholarship Awards Assembly where they receive bronze, silver, or gold certificates, depending upon the number of seals they have acquired during their high school years. National Honor Society is one of the most outstanding organizations at Proviso.

Striving for Excellence

It's Their Turn

"Go to blazes world — We are Seniors!" It is 1987, and it is time for the class of '87 to graduate. It is their turn. Their turn has come to take school seriously; it is their turn to make education their number one priority; it is their turn to take the challenge of American citizenship and achieve their highest dreams. Whatever the senior class chooses to do, it will be prepared for the challenges ahead.

Spirit is There

With This Ring I Will Remember

During the month of October, the main topic of conversation among the students of the class of '88 was, "Are you going to buy a class ring?" The immediate and most likely response was "Yeah! Are you?" Because of the teachers' strike that month, Ring Order Day was rescheduled for a later date. This gave juniors more time to make their final decisions. Because a class ring is an important and costly investment, they had to be sure they would be comfortable and proud of their choices. All juniors who made this choice will hopefully have a memory of beautiful Proviso West right at their fingertips.

Hooray! They are finally sophomores! The word sophomore comes from the Greek word "sophos", meaning wise, and "morso", meaning foolish. In other words, the Greeks thought of sophomores as "wise fools."

Sophomores may be wise fools to the Greeks, but they must not have been too foolish this year to have held such great activities. During the year, the class of '89 held traditional fundraisers, but they also held some unique ones-like coke hour and a beauty pageant. This proves that the sophomores at PW are not fools.

The Beginning of a New Era

The Spirit of '90

Marc Washington, Julie Giles, Monique Hampton, Tamika Brown.

A new decade has begun in our school with the class of '90. The class started off the year with a spirit board and a decorated van as entries in the Homecoming competition. During Spirit week, the freshmen raised more money for spirit links than the previous freshman class. The election of class officers was evident throughout the school, as bright posters for campaigns caught the eyes of all who walked the halls. The class of '90 has shown that they do have spirit, so look out '88 and '89--the freshmen are ready to start the new era with enthusiasm!

The Key to Helping Others

Key Club's Dedication

Key Club is one of the largest organizations at Proviso West. Affiliated with the Kiwanis Club of Westchester, the members participate in various activities which center around community services. Key Club helped the Kiwanis sell peanuts to raise money for handicapped children. The group also was active in the 1986 election by working at voting polls and gathering results. The Key Clubbers also had a chance to adopt-a-grandparent at the Oakridge nursing home, and visit hospitals. Some organizations helped by this group include Cystic Fibrosis Foundation, and Special Olympics.

Key Club is not all work, though. The group put on a skit for Homecoming, and spent a weekend at the district convention. Key club is "People helping people, and having fun too."

— Beth Hill

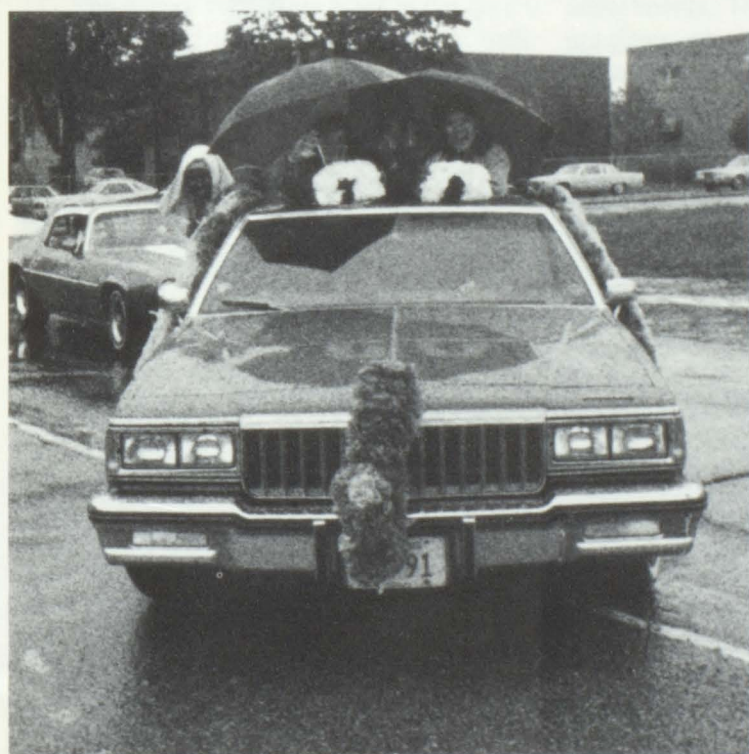

... It's An Adventure!!

A "Special" League

Girls' League is a non-profit organization which helps to raise the morale of the student body. The club is not only for girls, as the name implies. The first event of the year was an ice cream social, giving the new members a chance to get acquainted with the group and its members. During the year, Girls' League sponsored bake sales, car washes, pizza parties, fashion shows, and a charity week. This year the group raised money for the Special Olympics. To help raise the teachers' morale, Girls' League hosted a Teacher Appreciation Day. This club is dedicated to making school worthwhile.

An ice cream social was held early in the year and this allowed new members to become acquainted with the goals and philosophies of the club. This club is especially beneficial for incoming freshmen looking for a special niche and offers them a sense of guidance throughout their four year experience. Batter Up!

Professional baseball teams have them; Proviso's baseball team has them. They are batgirls and Proviso is fortunate to have them assist their teams. Batgirl duties are many and include: maintaining clerical records, recording game statistics, keeping score, and caring for the team's equipment.

Without the batgirls, Proviso's baseball teams would not be complete.

"The batgirls have been very helpful to the baseball program. They have eliminated a lot of the time-consuming jobs that a coach has."

— Mr. McAlpin

Laboratory and Library Helpers

The laboratory aides are an integral part of the science department. Their assistance enables classes to run more efficiently.

The library volunteers assist in the library program during their scheduled study halls. Among their many duties are: checking out

books, filing, and shelving materials.

These two service programs within the school are crucial for smooth operation of the departments. The students involved in these programs are also receiving experience in the respective areas.

A Prosperous Year

A taste of the elegant life is what the members of the French Club get. Sponsored by Mr. Wallace, the club worked hard to prepare a homecoming car float, and they walked away with the first place trophy. During the Christmas season, the group visited the children's ward at Gottlieb Hospital with hopes of spreading cheer. The members went on a hay ride, and they sponsored a Blow-Pop sale. Near the end of the year, all members celebrated a successful year by going out to dinner and enjoying the fine cuisine.

Caring Spanish Club

Spanish Club is a cultural organization for anyone who is interested in helping people. This year's club has been active in many functions. It won third place for its spirit board entry during the Homecoming events. In December, the club mailed Christmas packages to former Proviso students who are presently in the military. Fundraisers such as Gummy Roll sales and bake sales helped to raise money to help poverty-stricken areas in Central and South America. As a reward for all their hard work, a few members attended an International convention at Illinois State University.

Expanding Horizons

Proviso's German Club experienced a full, adventurous year. After a series of fundraisers, its members received long awaited rewards. They had worked hard as they dedicated their efforts to making this year's organization the best ever. The members were treated to a day in the city. They attended the play "Cabaret" and had dinner at a German restaurant. Clubbo D'Italia

Italians Play an Important Role

Proviso has a large variety of ethnic groups. A very large group comes from a peninsula in the Mediterranean--Italy. Even though Proviso has an organization called the Italian Club, Italian or not, anyone can join. The group participates in many activities and fundraisers throughout the school year. The students have lots of fun while doing so. During the Christmas season, the members visited Oak Ridge Convalescent Home and sang carols to the elderly residents.

"Check" Out the Chess Club

Proviso West has the defending state championship team. Our championship team won first place trophies in all three chess tournaments of the first semester 1986-87. Leading the team are Captain Arman Haynes, who lost only one game last year, President Chris Gray, undefeated in two state meets, 1st board John Nielsen, the first P.W. player to finish second in the individual state championship, Jason Brawka, undefeated in the state meet, and Vice President Charles Cairo. The team has won more state championships and matches at the state tournament than any other school in the state. The chess team always hopes to emulate our school theme and be "nothing but the best."

Mathematics

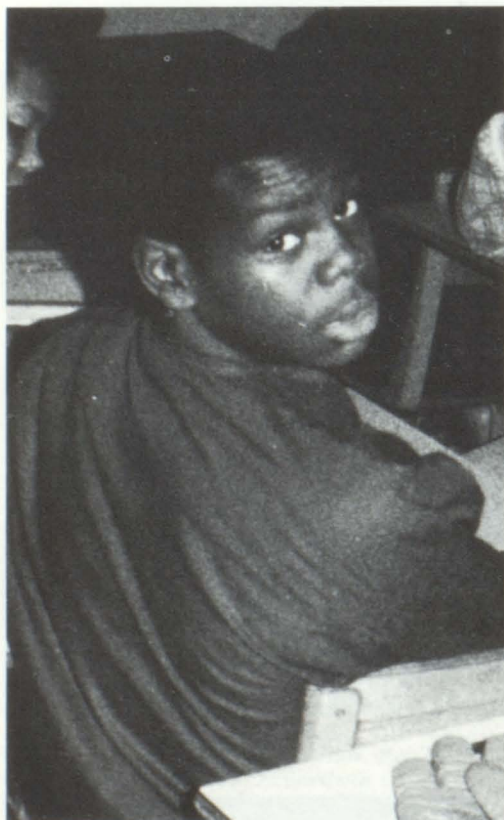

The Mathematics team participates in many difficult kinds of math contests. On the largest scale, contests open to any Proviso West student are held about once a month. Algebra and geometry students take one test sponsored by the Illinois Math League. One of the main activities of the club is to go to monthly contests sponsored by the North Suburban Math League. This year the math club is planning an expansion of its normal activities. Social as well as academic activities are being planned.

Lending a Hand

The Cine Guild, winner of the Homecoming spirit board competition, carries out very important services for Proviso West. The Guild provides audio-visual services such as circulating films, cleaning films and tapes, videotaping plays in the Little Theater, assisting teachers with class movies, and caring for the computers in the school.

The Audio-Visual monitors and A.V. Tech. students tackle this long list of work and learn valuable information while doing so. Sophomore Laura Ludwig says, "I hope to enter into the producing and directing field one day. This group has definitely helped me prepare for the future."

Mr. Amrhein, sponsor, is proud that the students can meet new people, serve the school, and learn from experience in the Guild. He also points out, "Our activities are modeled, in which the older club members teach the new members their duties, similar to a Medieval Guild."

In the Cine Guild, students lend their hands and talents to provide an invaluable service to Proviso West.

A Club In the Classroom

HERO

"HERO gives me the chance to get hands on experience in the teaching field through the HERO Teacher Assistant Program," states Melody Fobbs regarding the work experience she is receiving through the HERO program. Melody currently works as a teacher assistant at Roosevelt Elementary School in Bellwood. Home Economics Related Occupations (HERO) is part of a nationwide organization of FHA-HERO. Its purpose is to develop leadership qualities and promote service.

Business Students

The Distributive Education Club of America is an organization for students enrolled in the cooperative education program. This work program is aimed at students who are interested in working in the fields of marketing, retailing, and sales. D.E.C.A. students are involved in several activities, which include attending workshops, and leadership conferences, as well as taking related field trips.

Office Education

O.E.A. is an active club that exists on the local, state, and national levels. Students compete in skilled and non-skilled areas at conferences sponsored by this organization. The group also sponsors and participates in several service projects during the year to help the needy or the lonely. At the end of each year, O.E.A. holds its annual Employer-Employee Appreciation Banquet.

By participating, planning and serving as officers, conducting meetings and cooperating with others, students can develop their leadership qualities.

Individuals Strive for Success

Polished Performances

The Proviso West Individual Events Team is composed of talented performers who compete against other high school students in acting and speaking events. "The competitors on our team show their hard work, dedication, and a desire to win. This intensity makes our team a strong one," captain Christa Wyatt says. Meets take place on Saturday mornings. Each performer must have a high energy level, and be confident, to shine in competition. Sponsor Mrs. Wallace helps each competitor attain successful performance attitudes. The team is unbeatable with winners in acting, speaking, stand-up comedy, and radio speaking events. Proviso West can truly take pride in the Individual Events Team.

Bringing the Theater to Life

Honorary Thespians

To become a Proviso West Thespian, a student must have a minimum of ten hours in theater work. Students can build stage sets, control the technical lighting, or act in school plays in order to qualify for Thespian membership.

Proviso West group president Lina Tsui says, "Like many other Thespians, I take pride in my work and try to be the best I can be."

Most Proviso West Thespians are involved in current school play performances. Activities for the club include holding many fundraisers and performing a children's play. Thespian sponsors Mrs. Wallace and Mrs. DJangi are proud of their honorary group of talented students. They encourage all students to audition for plays or show their skills on the technical crew at Proviso West.

Joseph and the Amazing Technicolor Dreamcoat

A Familiar Story

Mrs. Wallace directed the fall play referred to simply as "Joseph". This play was chosen because musicals seem to be popular in schools, especially ones that the students can relate to. "Joseph" is also familiar to the public, and is similar to the spring play "Godspell". The content of the play was religious, which incorporated a large cast, and gave many students the chance to act. If Mrs. Wallace could do the play all over again and make any changes, she would concentrate more on the projection and dancing. Either way, the play was a huge success, and displayed Proviso's talent.

"Concert Band is a great learning experience which will further my musical background."

—Rachel Pagacz

The Concert Band is composed of approximately forty musicians. This band is an intermediate one that feeds into the Symphonic Band. The playing experience of the members ranges from one to five years. The band plays at two formal concerts a year for the entertainment of all, and performs at home basketball games for Proviso fans. The potential of this band is clear. When these musicians advance into the Symphonic Band, Proviso West will be alive with the sound of music.

Mr. Tolosko
Band Instructor

Jazz Band Plays With Style

The "A" and "B" Jazz Bands at Proviso West play swing, rock, and Latin music. They hold two concerts per year and attract a large amount of listeners. The "A" band travels to festivals, plays, and junior high schools with its music. With the help of candy sale profits, the Jazz Band hopes to go on tour next year with the Symphonic Band. Last year, the group traveled to St. Paul, Minnesota. The Band Parents aid in the band's financing and offer music camp scholarships to talented students of Proviso West.

What makes the Madrigal Singers so special? This is a group of sixteen select singers. They practice continually to produce beautiful sounds which will be heard in various settings, including community group functions, hospitals, libraries, and grade schools. The group's most anticipated event is its annual Madrigal Dinner. For this event, the singers are dressed in costumes from the 18th century, and elaborate scenery accompanies the music. The guests listen intently, as songs from the 17th and 18th centuries are performed in a candle-lit setting. This is an elite group of talented singers.

The music for these tours generally consists of popular theme music in hopes of reaching a wide range of audiences, from children to adults. The choir performed a Christmas concert and a Spring concert here at the school in the Little Theater. Each year the choir is involved in several fund-raising programs which enable the group to have trips and other social functions.

SUCCESS !!

The 1986-87 cheerleaders again provided our school with the team spirit necessary to make the year a SUCCESS. They came through with outstanding performances at several pep assemblies and the Homecoming game. Both varsity and sophomore squads cheered with enthusiasm whether our team wins or loses.

Several members from each squad combined to compete, with other area school's cheerleading squads, at the U of I Circle Campus in Chicago. Their efforts resulted in three third place awards. Competing cheerleaders were sophomores: Charlene Jefferson, Natasha Tyler, Tasha Lilly, Ursula Fuller, DeVonna Nolan, Tasha Riggins, Vicky Williams, and varsity members Glenda Beasley, and Sharon Hood.

PANTHER POWER--WE ARE #1!!!

Do you ever wonder who starts these chants? The students behind this make up the Pep Club. This club consists of students who are enthusiastic and very loud. The Pep Club introduced us to "its song," which expanded the school spirit greatly. The main purpose behind this club is to let all the kids show their school spirit and cheer. This group gets in front of the school and shows that it cares. This group is the main backbone of spectators at the sporting events. The spirit that this group initiates is catching, and soon other people in the audience join along to show support for our teams. This group keeps our teams going, and by the noise level, lets them know that there are lots of Panther fans about!

"I got involved to back up the Panther teams in happiness and in distress."

Panth'rettes Display Their Talent

Everyone watches the Panth'rettes during half-time of the sporting events, but most people don't realize what it takes to be a Panth'rette. The girls work every day during school under the supervision of Mrs. Erickson. The squad makes up its own routines, and then rehearses until the performance has been perfected. What the audience sees from the stands is the result of dedication, creativity and enthusiasm.

Problems?... Let's Talk About 'Em

Rap It Up!!

Proviso West Rap Group held its first group meeting in 1982. Mrs. Johnson, the school social worker, was inspired to have the groups because so many students expressed a need to be able to talk about common everyday problems. Mrs. Johnson started out with two groups and 25 students. These students met once a week during their lunch study hall period. The groups discussed problems including personal, home, and school problems. Since 1986, the Rap Group has a regular attendance of over 100 students. The students attend field trips to universities, and attend conferences. They have also begun videotaping common problem situations.

New Teacher Feature

Mr. Mark Schall, a Northern Illinois University and Salzburg, Austria graduate, is an avid model railroader. In addition, Mark especially enjoys European history, during the period from 1400-1900. Mark was recently married in June of 1986.

"I'd like to coach women's soccer at Proviso. Are any gals interested?" **Ms. Jennifer Parker** asks. Ms. Parker plays on the Chicago Women's Rugby Football Club. She also enjoys working in Art. Metals, jewelry, watercolor, and throwing pots are her favorites.

"My inspiration for teaching came from my father who was a high school teacher," explains **Mr. John Wilson**. John played varsity football at N.I.U. and was a member of Phi Kappa Theta fraternity. He is currently pursuing a Masters Degree at Chicago State.

Miss Karen Lemanski competed in intercollegiate volleyball and served as President of a Health Education Honorary while attending Western Illinois University. Karen was a resident assistant and student orientation board member while at W.I.U.

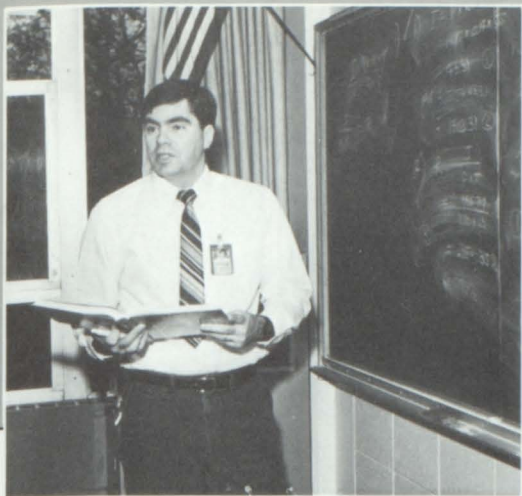

The next time you see **Mr. Scott Tracey**, ask him about his beloved Cubs. An avid Cub fan, his motto is "Wait 'till next year." Scott ran on the track and cross country teams at Eastern Illinois University.

A graduate of Indiana University at Bloomington, **Ms. Demetria Angeledis** earned her B.A. in Biology and Chemistry, while also maintaining an interest in student government. Demetria earned her Masters in Education from the National College of Education.

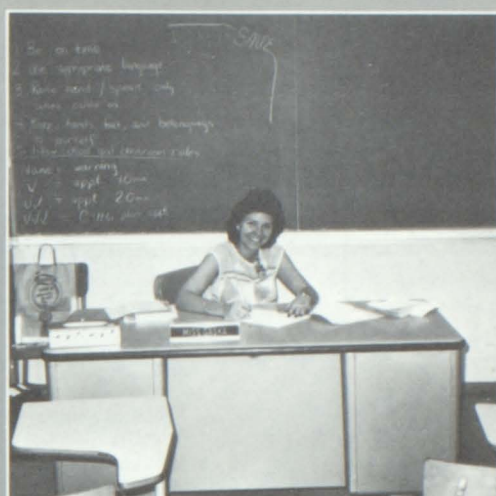

"I find teaching rewarding and challenging. I appreciate the knowledge I gain from the students and hope that they appreciate the knowledge they receive from their teachers," confides **Ms. Judy Schoop**. Judy is a graduate of Northeastern Illinois University.

"I really enjoy the students here at Proviso," says Mr. Gary McClure. Gary's goal is to become a high school principal and he is currently working towards an Educational Specialist Certificate.

Encouragement from a high school math teacher and an affinity for working with youth led Mr. Allen McWilliams to earn his degree in teaching from N.I.U. He was involved in inter-varsity Christian Fellowship intramural sports while there.

"It's hard to believe that I have been able to exist on such a small amount of sleep," relates Miss Gail Gaska. Gail, a 1986 Illinois State graduate, has played an integral part in the Mural.

"While in the Army and stationed in Korea, I was selected for the U.S. boxing team and fought in several countries," explains Mr. Charles Alvarado. Charles, a graduate of Illinois State, wanted to become a teacher since the age of sixteen, when he coached a little league team.

"I chose teaching English classes because I love helping people, and because English thrills me," Mrs. Brenda Kennedy relates. Brenda is an active instructor in both Proviso East and West High Schools.

Mr. Mike Peterson attended St. Patrick High School and Northeastern Illinois University. His interests include: piano, guitar, and writing fiction. "I've wanted to be a teacher as long as I can remember," he states.

DEPARTMENTS

From Grammar To Theme Writing

The English Department helps students with all types of communication. Students read materials, make oral presentations, and write papers. They discuss and sharpen their thinking skills. They may read something as diverse as *That Was Then, This Is Now* or *Paradise Lost*, give a speech about their hobby or participate in a seminar discussing the morality of Hester in *The Scarlet Letter*, or write something as different as a term paper on a personal interest or a theme relating to experiences and problems in *A Tree Grows In Brooklyn* reflect their own.

The English Department is diverse. There is a program for everyone - for the scholar, the reader, the writer, the person with contemporary interests, the student who needs to be in a class of fewer than ten individuals, the person who needs help from a reading specialist.

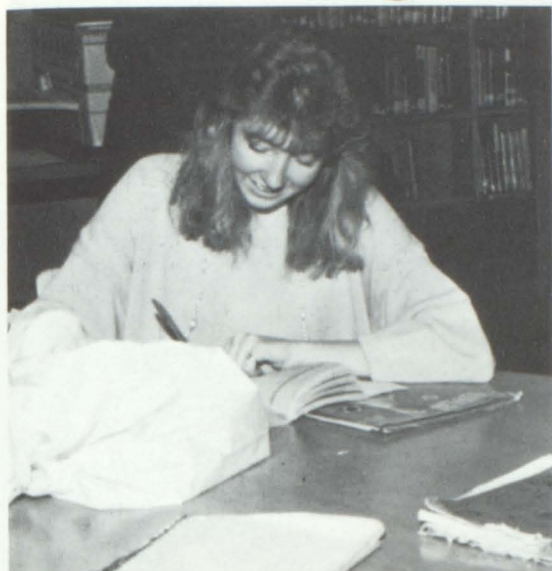

This year with the opening of the Writing Center every period of the day students have made the lab one of the most popular places in the school.

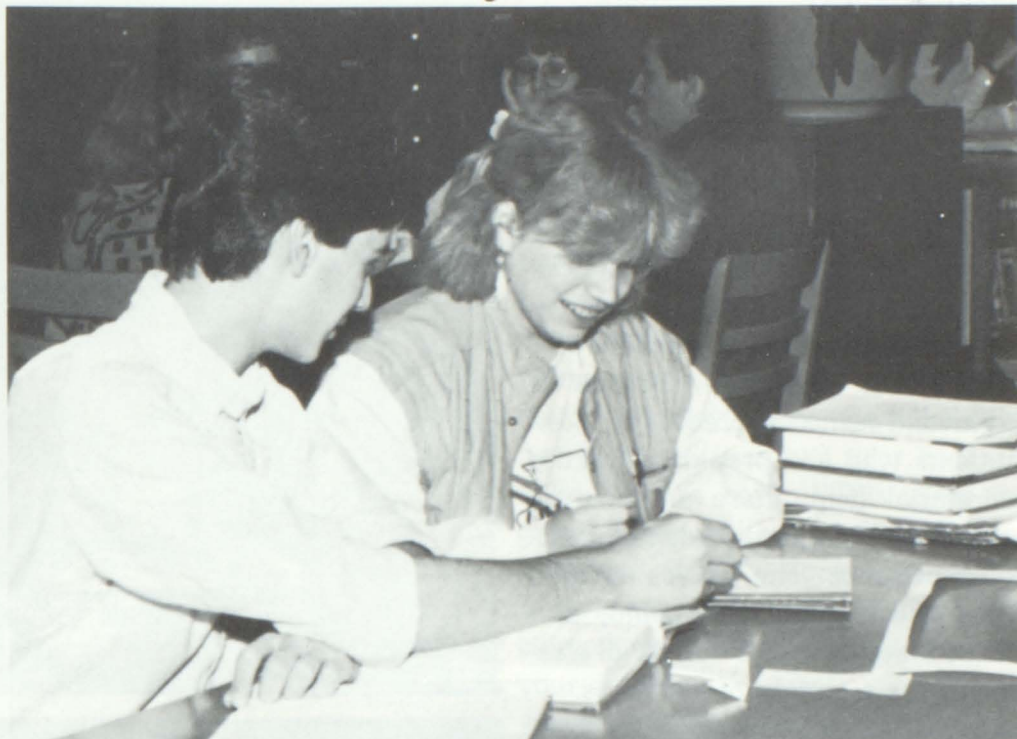

ABOVE LEFT: This class listens carefully. ABOVE RIGHT: This student asks for clarification of a point in class. LOWER RIGHT: As part of their discussion group, these students must listen to each other as well as be active participants. BELOW: These students come equipped with their trusty white-out.

Utilizing A-V and Library Services

ABOVE: Rachel rapidly finishes her homework. RIGHT: Students help each other with a difficult assignment.

The Audio-Visual Department provides a great variety of support services to Proviso West teachers. These services range from providing equipment for classroom use to making video tape programs. Many additional services and exciting programs are being planned for the AV dept., especially in the area of video taping. Student participation makes this possible.

Proviso West students are an important part of this department and the services it provides. As AV monitors and members of the Cine Club, the students become involved in all types of audio visual activities. They do laminating, computer posters and signs, film splicing, video taping, film projection, and many other services for teachers. Mr. Amrhein says, "I am honored to have these students in my department and work with them to keep AV service standards high."

LEFT: Jamie concentrates on every detail. ABOVE: Renee and Shelly are taking a break from their busy schedules.

Future Entrepreneurs

Proviso's Variety

Proviso West offers a variety of business classes for those who are future entrepreneurs. Some of those classes are: Typing, Pascal, Accounting, Economics, and Consumer Education. Most of these courses are for one semester, and earn one half of a credit, while others are full year in length and earn a full credit. For those students who are preparing for the secretarial field, there are courses geared toward giving students practical experience. The classes include: Advanced Typing, Shorthand, and Office Machines. This variety of classes covers a variety of vocations.

Striving for Careers

Who says our school does not offer career opportunities? That's not true--Ask Mr. Borvanski. He has been teaching vocational auto technology for twenty years here at Proviso West, and he says that his class helps young people pursue many careers. Auto technology earns one full credit per year, and is a two year course. Mike Karpes says, "This class is great! We have been working on the teachers' cars." Vocational Auto Technology offers many new and exciting things. Come on out and pursue your dreams.

ABOVE: Dan Lumsden is ready to go!

Figures/Proofs/Equations

This year in the math department, there are four new teachers. They are Mrs. Heide Kagan, Mr. Gary McClure, Mr. Allen McWilliams, and Ms. Jennifer Parker. The math department teaches seventeen different courses ranging from Math Fundamentals to Calculus. There are sixteen math teachers including Mrs. Bickel, the head of the math department. In her second year as department chairperson, Mrs. Bickel's job ranges from overseeing all curriculum to assisting the staff members.

Each year, the math department sponsors a math team made up of students who compete academically with other West Suburban schools. The department also sponsors the Illinois Math League test each month. Students volunteer to take the test and are usually given credit for attending.

Proviso West's science classrooms are located on the first floors of buildings B and C. The thirteen teachers in this department teach everything from General Science, Biology, Chemistry and Physiology to Physics and Senior Science. Mr. J.P. Slimmer, has been the head of the department for twenty years. The science department was proud to welcome two new teachers this year-teaching General Science, Nancy Daily, and teaching Physics, Demetria Angelidis. We hope they will enjoy teaching here at Proviso West.

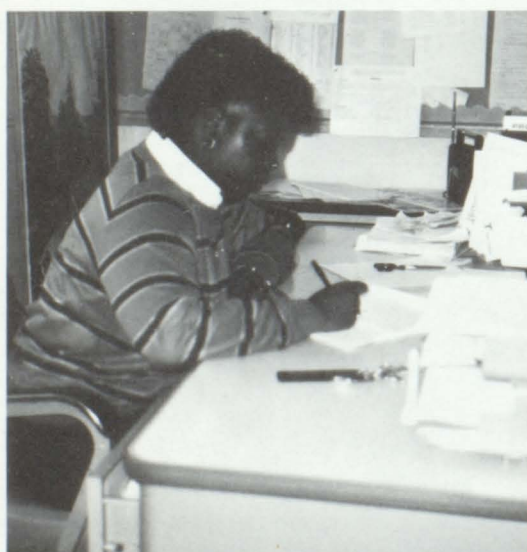

ABOVE: Becky Kuester takes her class seriously.

Special Services Provided Daily

Proviso Wests' curriculum consists of over 200 courses. Provisions are made for all levels of abilities, ranging from basic skill classes and remedial classes to honor level courses. To complement such a curriculum, a wide range of special services are available. Guidance and counseling services, social workers, speech therapists, and resource itinerant teachers are available to all students.

The Home Economics Department continues to offer a diverse curriculum. Foods and Nutrition, as well as Advanced Foods courses are offered for the nutritionally-minded student. For the aspiring seamstress, Clothing and Textiles, Apparel Design and Merchandising, and Tailoring and Alteration courses are available. In addition, there is a child care program taught by Mrs. Marlene Alcorn, who states, "Child Care Careers is a vocational home economics program open to juniors and seniors who have met a semester course requirement." Students enrolled in this course work with young children in a lab setting, and after completion, may enroll in the HERO program as a teacher's aide in a local grade school.

A "FRESH" START

Many freshmen have the idea that high school is a very frightening experience. They hear many stories of hard teachers and difficult classes. The first day at Proviso West is one experience often dreaded by freshmen entering. When they enter the school, the school turns into a maze and the crowds of people never seem to stop. Finding their first hour classes is a quest which all freshmen will remember. They sit in their first hour homeroom praying that the bell will not ring, because this means that they will have to face the penny-throwing Seniors. The first day is full of fire drill instructions and other rules. As the year progresses, the freshmen lose all shyness and start to enjoy school. Their grades are high and so is their friendship with new people.

SOPHOMORES

SOPHOMORES REIGN

Imagine the thrill of victory that overtook the class of '89 as the announcement of their Homecoming float victory filled the football stadium. "Sophomore Power," the chant led by the 50-60 sophomores who chaperoned the float through the parade route, as well as the stadium victory lap, was forcefully heard by the fans.

Since early July, sophomores met for float meetings to discuss float construction and also purchase pizza for the hungry float builders. After being temporarily halted by the announcement that the original Homecoming had been cancelled, the sophomores used the extra time to fluff flowers and perfect their float. Their dedication and hard work eventually paid off.

PEOPLE

* Learning On the Job *

LEFT: Ronald McDonald personally welcomes each customer. Doesn't he get tired saying hello 30 million times????

BELOW: Lori Ruffeti and Natalie Veselinovic work the counter at the Golden Arches.

Many students apply their basic concepts from education to their after school jobs. While working, they are in continuous use of the skills they have mastered in the classroom. They use English to relate to people, and express themselves more clearly. Other subjects which students use on the job can include math and any vocational classes students take.

Holding a job while in school has more merit than just applying academic subject material. Students benefit by relating to co-workers. Jobs can teach social skills and communication skills. In addition, students learn responsibility and the importance of such behaviors as punctuality and respect. They bring these concepts into the classroom, and transfer these ideas to their schoolwork. Jobs also offer students the benefit of learning from people with expertise in a specific field. Students should take advantage of the knowledge and experience of the older people that they work with. Jobs can benefit students in many ways besides just financially.

Going Into Extra Innings

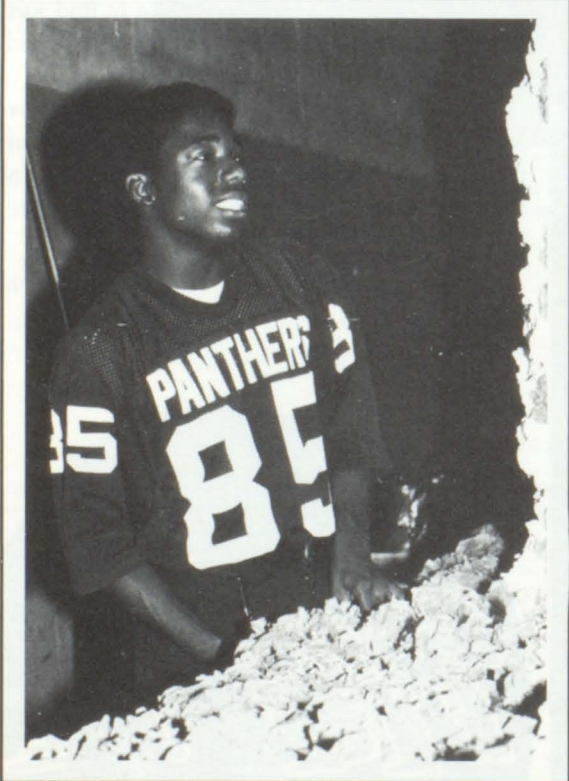

BELOW: Sports artifacts adorn the store's walls. MIDDLE: Rookie and veteran baseball cards are available. BOTTOM: Scott Holleman runs the store. RIGHT: Banners of many sports teams surround the Extra Inning's store sign.

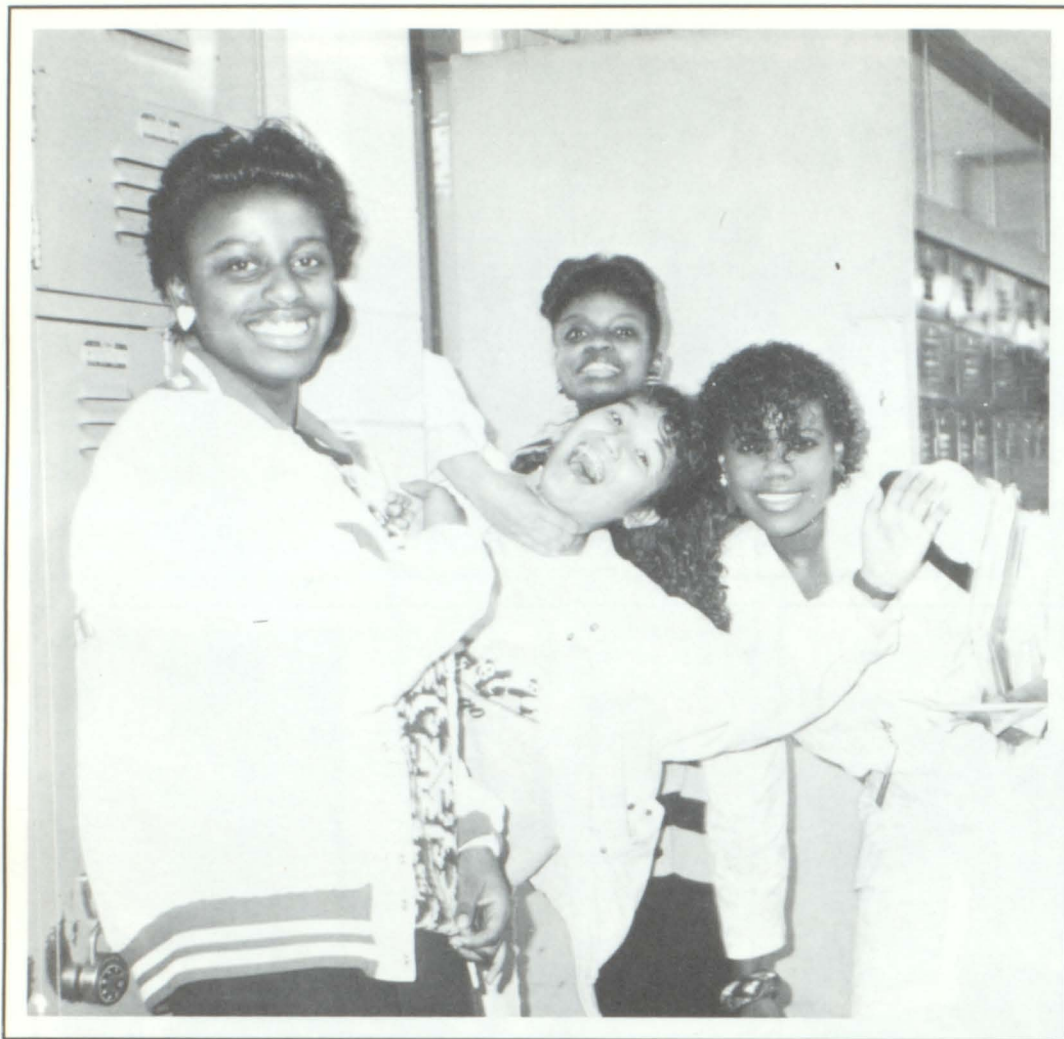

Student entrepreneur Scott Holleman and his father Tony ventured into the baseball business on December 20, 1986. A hobby turned business venture, Scott and his dad had avidly collected baseball artifacts for the past five years. Their collection soon began to overflow the family basement and they needed to find a place to house it. Scott, a sophomore at Proviso West, explains, "It is not really work. We got into it to have fun with the cards, and it has turned into a fun and fast-growing business. My dad and I searched for a long time to find just the right location for our store and we've found it at this site: 517 Wolf Road in Hillside."

If you are a fan of any baseball team or football team, then Extra Innings may be just the store you're searching for. Why not take a seventh inning stretch and visit "Extra Innings."

*Of all the years I have since led
There's not a better one
Than when I gave myself freedom;
I at last had some fun.*

*I have always been a shy child
Afraid to face my peers;
Always turning my face to hide,
I could not face my fears.*

*Finally, I had to step out;
I was to start high school
And show myself to enjoy life.
Being shy is not cool.*

*At first I used to say, "Why me?"
Now I just say, "Why not?"
I learned that life is too darn short
To hide and miss a lot. -LT*

*The sky is the limit to all that is real
To all that is alive and passed.
It proves that there is just one life
Which moves by so swift and fast.*

*We explore in space our past and our future
What it will bring and what it will take.
To understand this we must take the challenge
To either succeed or to break.*

*The sky is not all righteous and beauty
But a land of deception and greed.
It shows that everything has another side
A desire to give and to need.*

SPRING SPORTS

They Won!! And Also Had Fun!!

What'd They Win?!?

Coach Braucher's last season of coaching tennis was undoubtedly his finest. The tennis team earned the best record ever by a Proviso West team. The team finished second at sectionals behind rival York, first at the the P.E. Invitational, and first at the P.W. Invitational. With Mike Koldras, Brian Bodins, Bob Blattner, Ken Perry, Steve Ragsdale, and Swedish import Pierre Oscarson, this was the strongest lineup in Proviso history. Missing the state meet by one match was Mike Koldras at singles, as well as Bob Blattner teamed with Ken Perry. The 1987 team will lack the depth of this team, but it will have several returning juniors.

FRONT ROW: Tom Vlack, Bob Blattner, Mike Mazzolini, Steve Ragsdale, Bob Romanelli, Matt Clough, Mike Koldras. BACK ROW: Mike Eberhardt, Steve Smolen, Ken Perry, Pierre Oscarson, Colman Conroy, Brian Bodine, Coach Braucher.

TEAM MEMBERS: Richard Bukac, Paul Davies, William Liciano, John Plesnicar, Russ Wilson, Scott Barauskas, Brandon Borowski, Glenn Bukac, Luca Corazzina, Brian Czarnik, Brian Dempsey, Len Digati, Marvin Fitzgerald, Jason Hasner, John Kapsolis, Kook Kim, Brian Lynch, Nick Pavlica, Jeff Siegel, Basem Tartir, Coach Braucher.

It Doesn't Matter If You Win . . .

FRONT ROW: Nora Gonzales, Missy Principe, Meggan Mihel, Natalie Popek, Stacey Conaway. BACK ROW: Coach Nettleton, Beth Golden, Jenny Wallace, Kim Hendrey, Deanna Pacheco, Lisa O'Connell, Audrey Burcy, and manager.

ABOVE: "Hail Mary, full of grace . . ." seems to be the thoughts of these two softball players.

FRONT ROW: Karen Schulte, Lori Joyner, Janet Cardoni, Lisa Grasc, Lawanda Robinson. BACK ROW: Coach Gales, Camille Christian, Karla Krumwiede, Amy Schultz, Mariella Corrizzini, Karen Haines, Mary Wiertel, Kim Olswalt.

ABOVE: Chalk up another run for West, as our player crosses the plate.

LEFT: FRONT ROW: Jenny Bejna, Rosanne Terry, Margie Lopez, Jenny Mou, Marilyn Griffin, Jamie Piper. BACK ROW: Coach Starosta, Brittney Breau, Karen Perry, Tina Cajic, Debbie Korenchan, Barb Liehr, Latise Jordan. ABOVE: "Oops, I missed it! You take it!", as one player tries to back up the play.

. . . It's How You Play the Game

Huskie Bruisers

The varsity baseball team finished 6-8 in the strong West Suburban Conference. They placed 5th and posted a respectable 19-16 record overall. Only one more victory would have made this young Panther team the fifth team in history to win 20 or more games in one season. They beat the highly rated Oak Park Huskies 3-2. Nick Mazzocchi was the team's MVP and won All Conference honors for the second straight season. He led the team in eight of ten offensive categories. Let's hope Proviso West baseball continues to have record breaking seasons.

FRONT ROW: Bill Popek, Nick Zambale, Nick Mazzocchi, Demitri Stavropolous, Larry Taylor, Ed Salazar, John Smith, Joe Turner, Stacy Welch. BACK ROW: Coach McAlpin, Rocky Peppers, Brett Bingham, Jim Mikuta, Cletis Cross, Pat Kennedy, Dennis Hayden, Michael Wright, John Guide, Jose Villanueva.

Ugly!!

Sophomore Jinx

The Panthers' sophomore squad ended up with a 7-16 overall record and 3-11 record in conference play, which placed 6th. Though the record was disappointing for the team, it was very misleading because there were many outstanding players. Two exceptional players were Mark Westphal and Curtis Gage, both MVP's. Alex Salazar was the team's best catcher and a decent hitter too. Freshman Shawn Coburn was noted for his excellent pitching. Let's hope that this team puts it all together to produce a great varsity team.

Conference Champs

The Freshman baseball team, coached by Mr. Shannon and Mr. Pedersen, had a championship season. The highlight of their season was beating the Oak Park Huskies twice for the first time ever in one season. Their overall team record was 15-8, and their conference record was 9-5, which placed 1st. There were many outstanding players on the team. Emanuel Welch, who hit .507, was named the team's MVP. The freshmen had depth in their pitching staff which consisted of Jim Silkatis, Chris Rehor, Brian Miller, and Steve Groer. Other notable freshmen were Dave Bonelli, Dave Muensterman, and Fred Powell. If they keep working at it, this team has the ability to be "nothing but the best".

FRONT ROW: Manuel Ferra, Pete Smith, Dan Powers, Bob Crago, Curtis Gage, Kevin Robinson. BACK ROW: Coach Gilbert, Mark Westphal, Michael Reed, Marlon Lynch, Bob Carlson, Alex Salazar, Shawn Coburn, Mike Lawrence.

FRONT ROW: Mark Belmonte, Dave Bonelli, Gerrardo Arroyo, Gemayne Cox, Chris Rehor, Joe Gesik MIDDLE ROW: Oscar Charo, Ruben Hinojosa, Brian Miller, Emanuel Welch, Dave Muensterman, Nick Kartsound. BACK ROW: Coach Pedersen, Tim Silkatis, Tom Gentile, Greg Sims, Steve Gruer, Coach Shannon.

Second To None

FRONT ROW: Jeff Anunzio, Dan Pierce, Walter Graham, Overton Leach, Bill Koehler, Jesse Maggitt. MIDDLE ROW: Eric Carlson, Phil Wessler, Willis Cook, Archie Hollins, Glen Steiner. BACK ROW: Coach Glasner, Coach Green, Coach Masse.

ABOVE: This student gives it his all as he hurdles during a meet.

Freshmen Undeclared

The freshmen boys' track team for Spring 1986 was a sensation indoors and outdoors, losing only one meet. They made up for their one loss, however, by sweeping the outdoor conference by 50 points. The team took all invitational titles. Kevin Howard broke the high jump record, and the relay team of Mike Bates, Kevin Anderson, Joe Donaldson, and Daryl Bedar broke a relay team record. Coach Green is looking forward to the upcoming season, with his sensational team, with great hopes and super prospects for the future.

FRONT ROW: Johnny Nolan, Daryl Simelton, Brian Bullock, Tim Warren, Matt Price, Napoleon Reid. MIDDLE ROW: Mike Vespa, Leonard Parisi, Keith Williams, George Reynolds, Mike Czerwinski, Art Kics. BACK ROW: Coach Glasner, Coach Masse.

FRONT ROW: Mike Alseia, Cesar Gutierrez, Pat Derbas, Dan Dimarco, Darrell Howard, Kirk Gangaric. MIDDLE ROW: Joe Donaldson, Kevin Howard, Kevin Moore, Steve Phillips, Michael Bates, Daryl Bedar, James Feldmann. BACK ROW: Coach Glasner, Syd Azeem, Jeff Brown, Coach Masse.

ABOVE: Keith Williams uses his strength and size to their fullest when throwing the shotput.

Runners Have Sensational Year

ABOVE: Running the hurdles takes timing, coordination and flexibility; winning takes all that plus speed.

FRONT: Yolanda Hamler, Charlene Cairo, Amy Grunert, Denise Smith, Debbie Legan, Cathy Carson, Dee Davis, Lisa Koziol, Yolanda Thomas. MIDDLE: Chandra Gay, Vanderee Hogsett, Heather Holmgren, Chris Lewinski, Atrice Harris, Joyce Finley, Debbie Elcock, Kathy Terrell, Valeda Springfield, Coach Ruffolo. BACK: Coach Kohlmann, Cheryl Heinz, Verdine Melek, MaryJo Sortino, Alyssa Denaer, Michelle Carlson, Christa Wyatt, Krystal Howard, Karen Malcolm, Holly Pecket.

Lineup of Stars

The varsity girl's track team had sensational results for the '86 season, with a record of 15-7 in dual and triad meets. They also had an invitational record of two first place finishes, and one fifth place finish. Michelle Carlson, Karen Malcolm, Tabrena McCravey, and Krystal Howard qualified for state and made the All-Conference 1600 meter team. Coach Kohlmann expects that the '87 season will be just as sensational.

The freshmen/sophomore team dominated and took a first place in the West Suburban Conference meet. This team is led by Amy Grunert, Charlene Cairo, Cathy Carson, and Joyce Finley.

ABOVE: One very critical time in a relay race is the handoff, as perfected here.

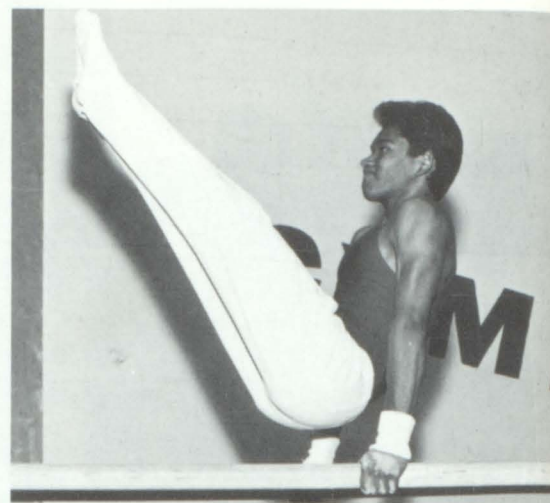

FRONT: Debbi Quattrochi, Diane Perotti, LuPrincess Smith, Melissa Thompson, Michelle Reed, Yolanda Thomas, Charlene Cairo, Yolanda Hamler. MIDDLE: Amy Gruener, Dee Davis, Cathy Carson, Charletta Luther, Vanderee Hogsett, Devon Chairs, Julie Snarski, Sherrie Brewer, Latechia O'Dell, Coach Ruffolo. BACK: Coach Kohlmann, Joyce Finley, Verdine Melek, Becky Kuester, Paula Baker, Cheryl Heinz, Heather Holmgren, Shawana Badie, Debbi Elcock, Knikita Jones.

Gymnastics Team Strives for 100

FROM LEFT: Coach John Read, Vernor Gumila, Matthew Alex, Stanford Jackson, Bob Ratini, Derrick Bertha, Anthony Quattrochi, Mike Boris.

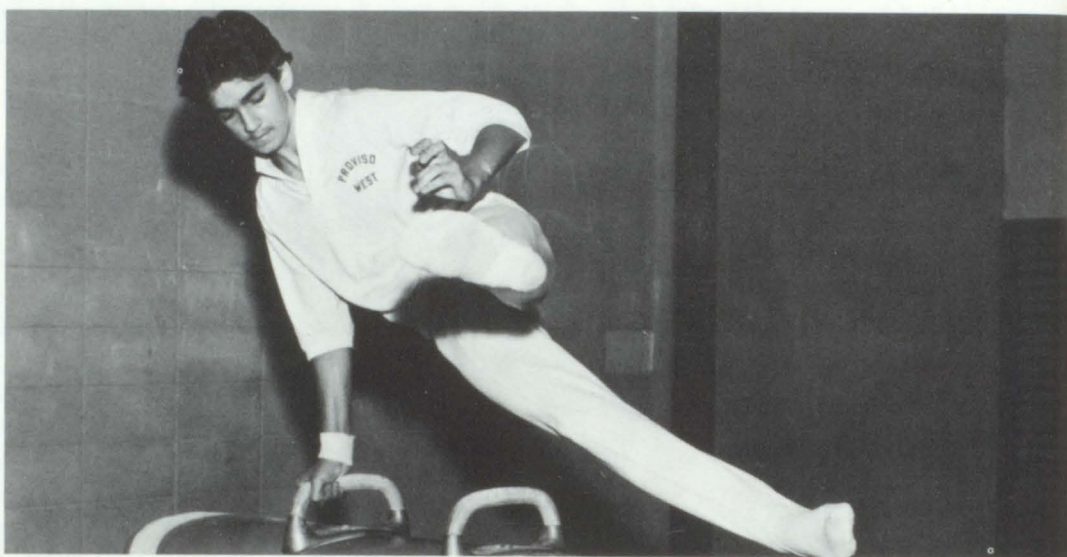

ABOVE: Vernor Gumila shows strength and balance while performing on the parallel bars.

Attitude Is The Key

As a math teacher, sponsor for two clubs, and coach for two Proviso West sports teams, Mr. Read surely has a busy schedule this year. Mr. Read is head coach of the boys' gymnastics teams, and Mr. Wallace is the assistant coach. Together, they worked with the hope of breaking 100, and they thought that the chances were quite good. The team was led by returning seniors Derrick Bertha, Mike Boris, Lee Farmer, Vernor Gumila, and Bob Ratini.

Mr. Read said that the reason that he still coaches gymnastics is because of the excellent students—not necessarily those persons who are high in academics, but those students who have a desire to learn, and have good attitudes.

ABOVE: John Hammerton shows perfect form and good height as he practices on the pommel horse. BELOW RIGHT: Mr. Read signals that the extra point is good.

FRONT ROW: Mat Hanley, Vernor Gumila, Matthew Alex, Stanford Jackson, Rob Rotini, Derrick Bertha, Tony Quattrochi, Mike Boris. BACK ROW: Coach John Read, Bill Law, Pat Geron, Jeremy Williams, John Hammerton, Vaughn Ware, Terry Dobson, Maurice Hatter, Ed Easter, Coach Gerald Wallace.

A Good "Racquet" To Be In

Watch the Birdie

Many people are not familiar with the sport of badminton. At Proviso, however, there are several students who enjoy this sport enough to devote many hours of practice time preparing for competition. The coach of the team is Miss Prest. She said that the game of badminton is a game similar to tennis, and it is just as difficult. The players play on a small, indoor court, and the object of the game is to hit the birdie over the net using a variety of shots. The strongest players are Janet Ruffolo and Laura Bednarz, though the team needs more players in order to be a strong competitor.

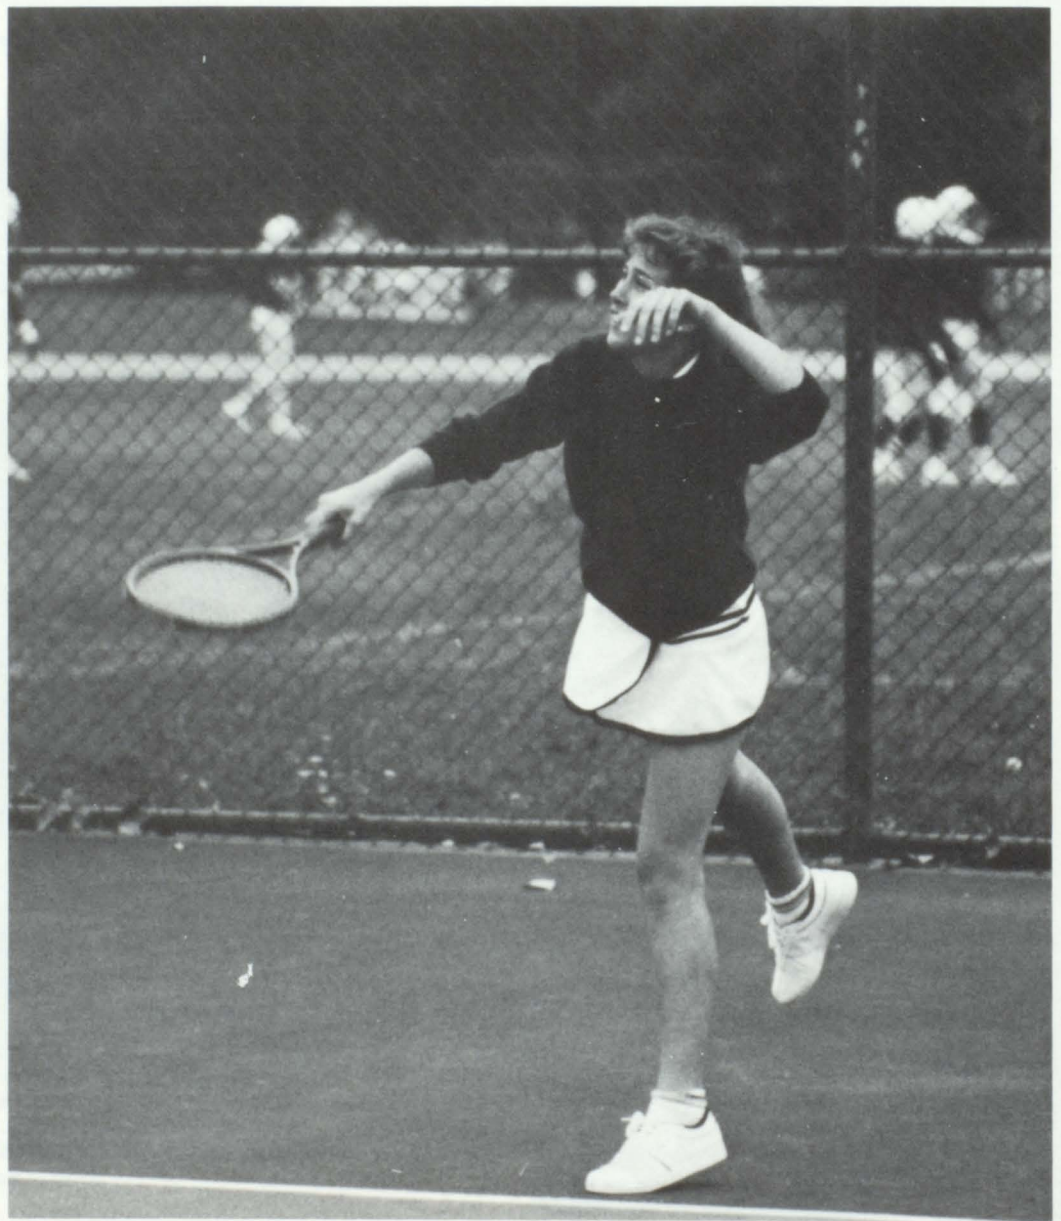

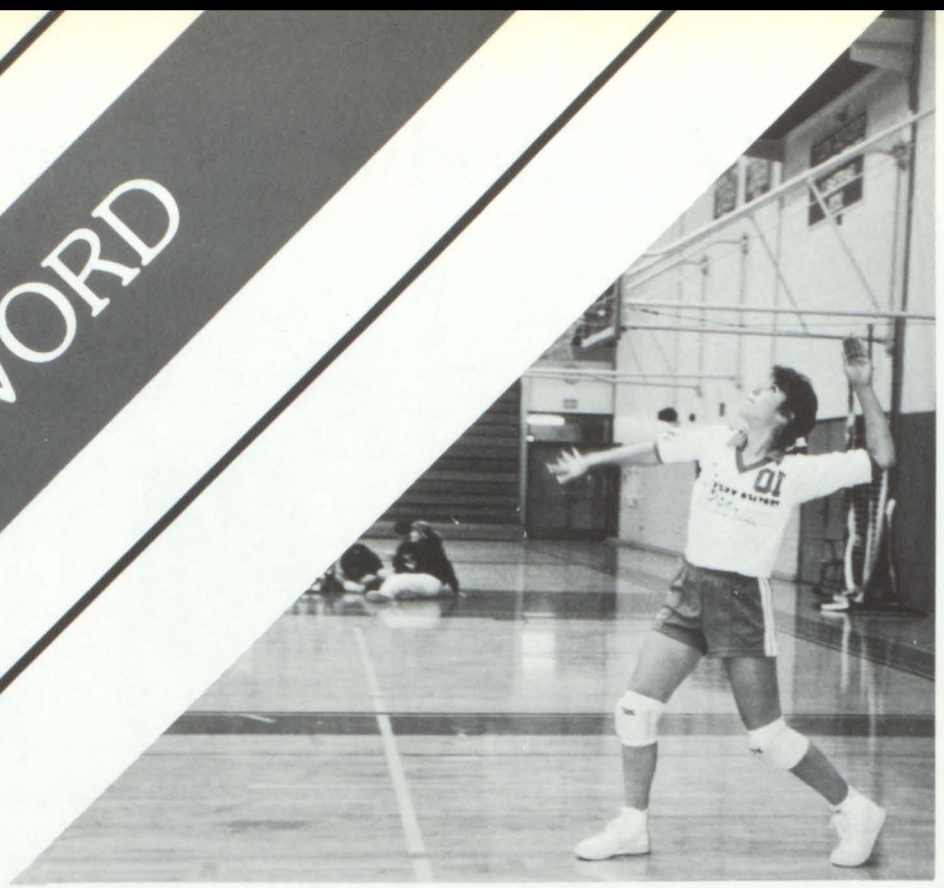

ABOVE: Yoo Jung Kim shows her power in an overhead smash. RIGHT: Janet Ruffolo follows through after a shot. LOWER RIGHT: Senior Laura Bednarz chases after the birdie, showing off her backhand form.

KNEELING: Christina Kramer, Heather Reagan, Lori Farrell, Sonia Sehra. STANDING: Laura Bednarz, Yoo Kim, Julie Blomberg, Janet Ruffolo.

Coach Retires

Coach Yeager has been a great teacher and coach. He has touched the lives of many students and friends. He has shared his thoughts and kindness with kids who needed someone to listen to them. Mr. Yeager has given me the wisdom, kindness and patience that a young coach and teacher should have. I feel that every young teacher should learn from the wise ones but still make his own mistakes as Mr. Yeager has shown me. He'll be missed by all, but his wisdom and patience will always be remembered. God bless you Mr. Yeager.

Future Looks Great

This year's varsity golf team lacked the depth in the lineup it needed to be a contender. The golf team did have many highlights. Jim Mikuta, this year's MVP, was the squad's medalist in many of the conference meets. With returning lettermen Bob Blattner, Jim Mikuta, and Ron Speechley, the varsity looked strong. To round out the team, Coach Fioravanti had to go with freshmen Barry Doder and Jason Richko, as well as sophomore Scott Barauskas. With these three underclassmen working hard and playing well, they could be making the trip downstate by the end of their senior years. The three senior starters played well with an average of 37 for Mikuta, 39 for Blattner, and 41 for Speechley. All seniors were recognized as All-Conference Academic team members and displayed great leadership skills when working with the underclassmen.

Varsity Ends the Year--Finally.

The 1986 year of football was a disappointing season for Proviso West. The year started on a high note, hoping to make up for years past. But, as the season progressed, the hopes were shattered, as evidenced by a 0-9 overall record. There is a brighter side to this story, though, that the record does not reflect. During the season, the team did have good efforts, and did play many hard-hitting, competitive games.

The outstanding players on the varsity team were Reggie Chatman, Lavon Gilbert, and Bill Sepka. The outstanding senior quarterback, Kevin Morrison, was injured early in the season, and was replaced by Ron Hopkins for the remaining games. The team's main reason for an upsetting season was the teachers' strike interrupting the progress that was being made. The players and coaches are hoping that next year will be a year that the team can pull together and meet its challenges.

Freshmen / Sophomores Look Ahead

The Sophomore squad started out its season on the right track by defeating St. Joe's. As the season progressed, however, it seemed as though the Panther had lost its bite. There were several highlights throughout the season, which kept the team fighting. In the second game of the season, Frederick Taylor made Proviso history by running for a ninety-nine yard touchdown. The most ex-

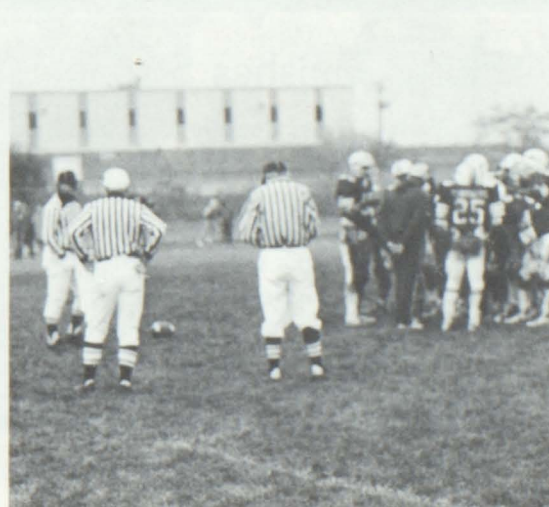

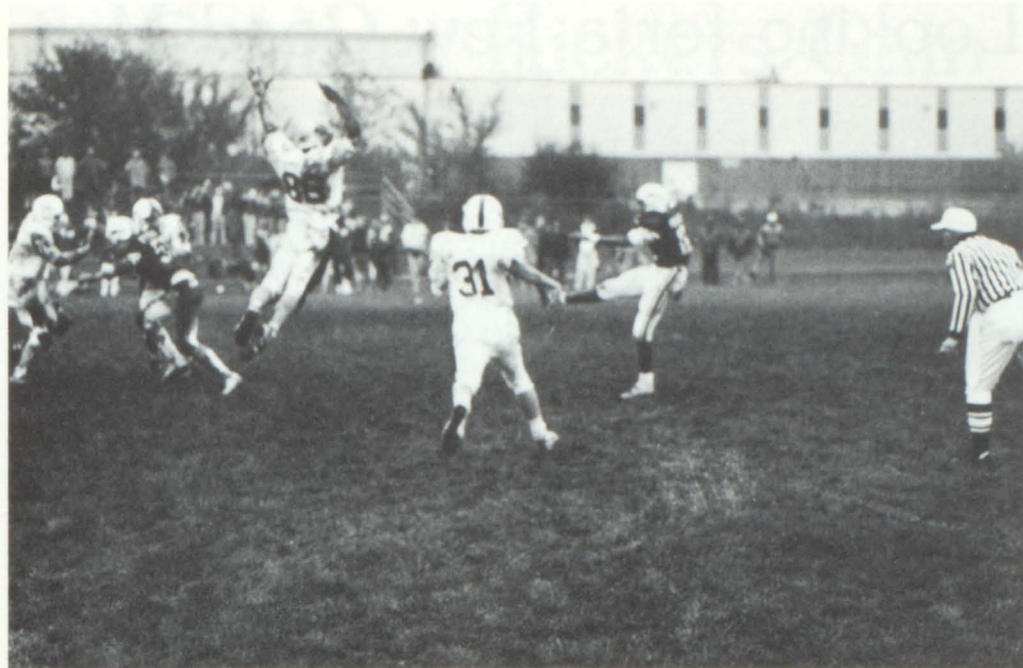

citing game the sophomore squad played was against Downers Grove North. The game ended in a 14-14 tie. The Most Valuable honors were handed out to three deserving individuals. For the All-Around MVP, Tremayne Criner was the recipient. The Offensive winner was Frederick Taylor, and the Defensive honors went to Michael Morris.

Flores Finishes Strong

The Panther Cross Country team faced another disappointing season with the lack of varsity runners. The team, however, made up almost entirely of underclassmen, proved itself as a future conference threat. Junior standout Carlos Flores was named to All-Conference honors and qualified for sectionals. Sophomore Steve Phillips earned the same honors. Freshman Dulio Flores, who won the P.W. Invitational, was also on the All-Conference team. The future looks bright, however more runners are needed to add depth to the team.

All-Conference Honors

This year, Proviso's varsity soccer team had a disappointing record, but it had a couple of very bright spots also. Both Saul Rodriguez and Mark Haldo were named to the All-Conference team. Rodriguez was also chosen as the Most Valuable Player at the varsity level. The varsity team was made up of mostly underclassmen, so there will be many returning players. This means that the team will have had a full year of prior experience. On the underclassman levels, the story is similar. The Most Valuable Player on the sophomore squad was Luca Corazzina, and on the freshman level, the honor went to Jose Soto.

Smashing Singles and Dynamic Doubles

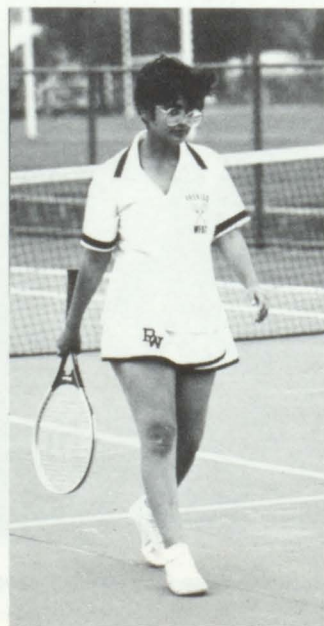

The Girls' Tennis Team had a fantastic season. The JV and varsity teams played against some tough competition, but they put forth their best efforts and managed to win several matches. The highlights of the year included an outstanding win over Downers Grove North and coming just one match away from a victory against York. Playing at the first singles position, Rachel Simbol ended the season with a 3-5 record. Both the first and second doubles teams had outstanding records of 6-2. Debbie Legan and Janet Ruffolo competed in the state finals, but lost to Lyons Township.

Several Records Broken

This year has been a great one for the girls' swim teams. Outstanding swimmers included Beth Faje, with a record of 1:09 for the 100 yard fly, Debbie Korenchan, with 31.0 for 50 yards free style, Jenny Bejna, with a time of 1:13 for the 100 yard free style, and Debbie Schukat, who came in right behind in the 100 yard free style with a time of 1:14. All of these swimmers qualified for district competition. The Most Valuable Player honors went out to senior Debbie Schukat, and sophomore Debbie Kurenchan. Congratulations on a spectacular season.

A Season of Building,

Spikin' It

The varsity squad, led by Most Valuable Player Meggan Mihel, found itself stifled by the teachers' strike which interrupted team practices and the season schedule.

The sophomore volleyball squad had a somewhat successful year and won three matches. Coach Miss Lemanski named Margie Lopez and Audrey Burcy as Most Improved Players for the 1986 season. Coach Lemanski anticipates a more successful 1987 season.

WINTER SPORTS

The Super-Duper Lady Hoopsters

After a slow start to their season, the Varsity Lady Hoopsters really turned things around and played outstanding basketball. The first signs of life were the West Chicago Christmas Tournament, in which the girls placed third. Anita Mazique, the most valuable player of the year, along with Audrey Burcy, were named to the first string all-tournament team. Anita was also named most valuable player of the tournament.

The girls posted more victories this year than they have the last three years. Their regular season record was 12-12. The Hoopsters are looking forward to next year as they will return four starters.

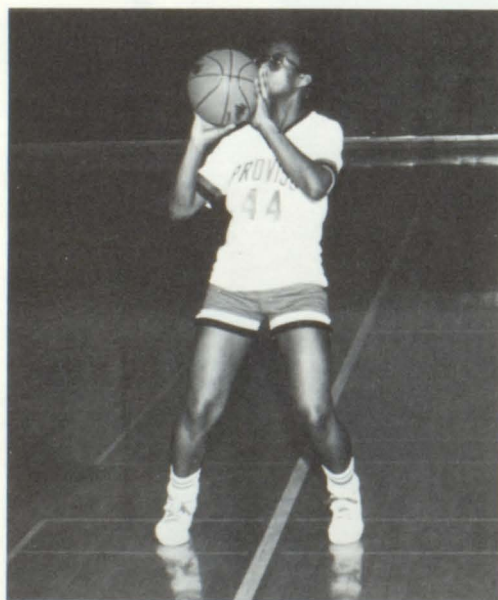

The 1986-87 Frosh/Soph lady Panthers consisted of ten freshmen and two sophomores. Though they were faced with the tough task of competing in the highly rated West Suburban Silver Conference, the girls were able to answer the challenge. Due to numbers, the girls were forced to play on both the sophomore and freshmen levels. With hard work and determination, the Lady Panthers fought to become a competitive team. Their season ended dramatically with a 46-42 victory over York, the previously undefeated conference champions, at the freshmen level.

Varsity Soars Again

On the Move

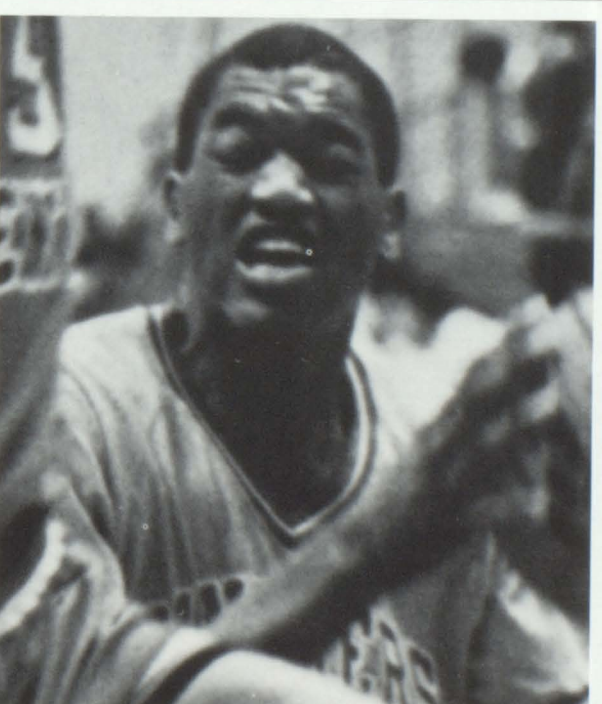

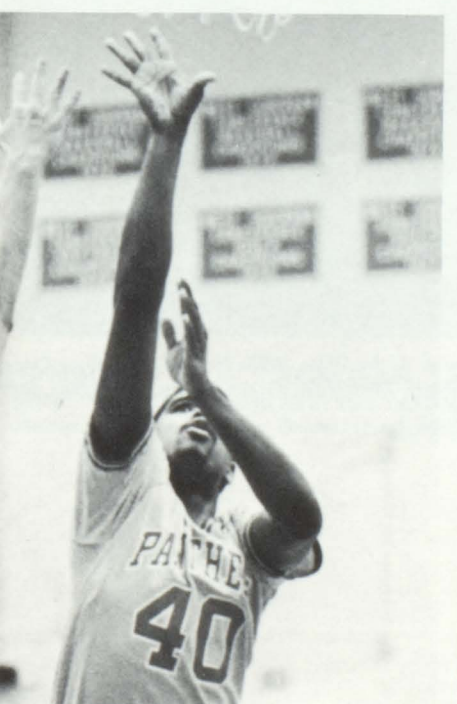

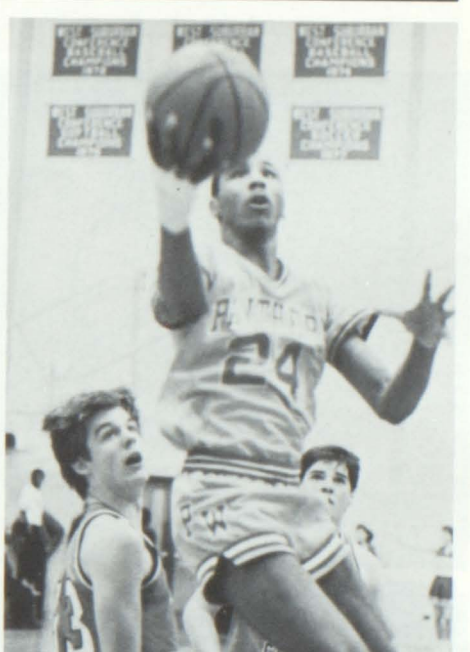

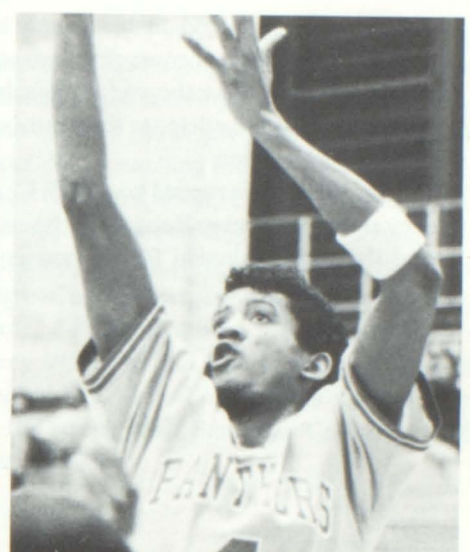

The 1986-87 season was certainly a season for Panther Pride. Many people looked at last year's performance and had a little doubt about this year's team. The varsity Panthers really showed great skill and team spirit. Their offensive and defensive excellence earned them a ranking among the top ten teams in the metropolitan area. Some of their highlights included their fine performances in the Holiday Tournament and their victories over highly rated Martin Luther King and Fremd high schools. All players contributed to the success of the team, but outstanding performances were turned in by Alonzo Verge, who demonstrated his fine scoring abilities and who showed aggressive offensive play; Reggie Burcy, who had strength on the boards; and Pat Kennedy, the amazing white lightning. Pat was a major key to their success and was among the leaders in scoring, assists, and steals. The Varsity basketball team of 1986-87 kept the spirit of panther fans alive and well all season.

Varsity Shows Its Style

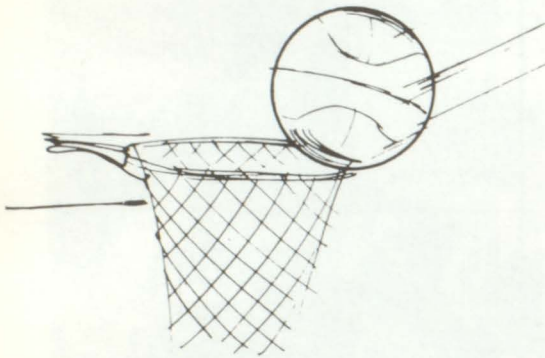

Junior Varsity / Sophomore Hoops

The Sophomore and Junior Varsity basketball teams had encouraging seasons. These two teams allow the varsity coaching staff to plan for and anticipate the future varsity team composition.

The Sophomore record was 15-5. Coach Clancy selected Stanley Roberts as the recipient of the Most Valuable Player honor.

The 1986-1987 season was quite successful for the freshman A team due to the consistent defensive play. Offensive scoring also showed much progress throughout the year. Some exciting moments were victories over Glenbard West, Oak Park, and Lyons Township. Outstanding members who contributed equally to the success of the team were Cedric Hodges, team's MVP, David Broz, Jeff Zimmerman, Chianta Chatman, Troy Williams, and Roy Mason. The overall record of 12-4 (9-0 conference) placed them in the strong West Suburban Conference Silver Division.

FRESHMAN "B"-- ROW 1: William Perkins, Travis Latham, Torrey Price, Todd Vandermolen, Anthony Wells, Ken Buford, Harold Dismukes. ROW 2: Paul LaPointe, Demond Perry, Steve Miller, Derrick Pruitt, Shawn Riggins, Reggie Jenkins, Kevin Jenkins, Ken Garner, Coach McClure.

Prosperous Performances

Varsity Gymnastics

After many long weeks of harsh practice, sore muscles, and tough competition, the varsity squad was beginning to reach perfection. Each gymnast hoped to break her own individual record. Sophomore Jenny Mou, broke the school varsity all-around record with an average of 7.4. The performance of Proviso's three senior gymnasts was a crucial part of the team score. Debbie Legan was the leading bar performer with a high of 7.6. Kristen Andersen and Debbie Legan scored in the 8's on vault along with junior Joyce Finley. Senior Janet Ruffolo is the leading floor exercise and beam competitor with a high of 7.6. Both Debbie and Janet have achieved this year's All-Academic team honor. Competing in a difficult conference, the team meets up with extraordinary gymnasts, but still manages to perform with great determination and excitement.

Junior Varsity

The 1986-87 Junior Varsity team had an outstanding season. The overall team record was 4-7. The top sophomore gymnasts, such as Christina Kramer, Jenny Mou, and Sharon Small were moved up to the varsity level. Sophomore Joyce Finley broke a sophomore record by scoring an 8.7 on vault. Michelle Burdi scored a 7.7 pm beam winning 5th place in the West Suburban Conference meet on the sophomore level. The most outstanding freshman was Lisa Andersen. Other promising freshmen include Ilana Carani and Melissa Petit.

Wrestlers Look Toward

Team Matures

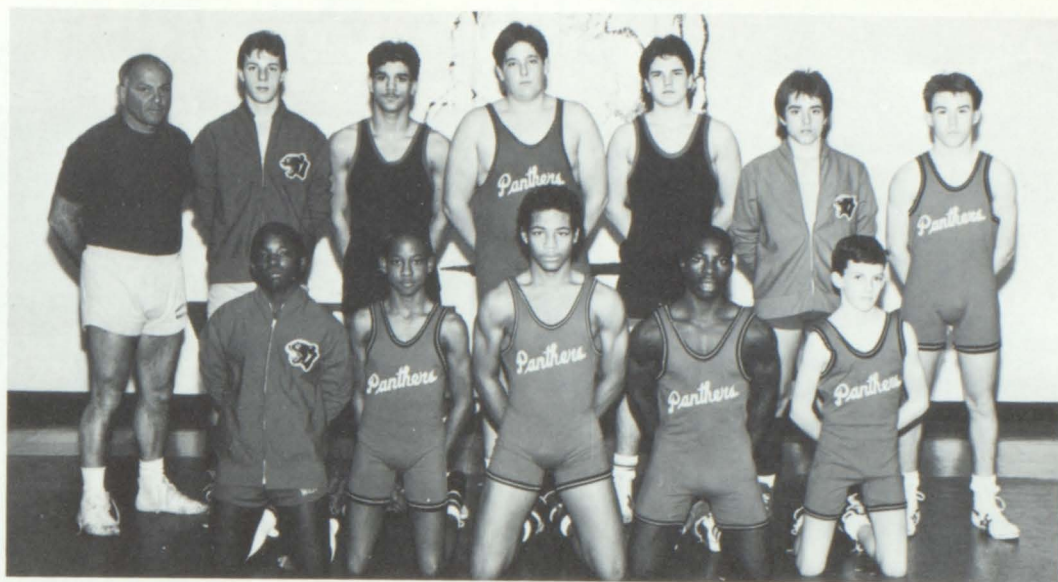

1987 has been a "rebuilding year" for Proviso's Wrestling teams. According to Coach Flores, the 1-15 record is deceiving; there has been a definite improvement by all the wrestlers over the season. With two seniors and the rest underclassmen, it is a young team filled with effort and determination. Three wrestlers, Richard Brown, Rich Lyda, and Roger Lommatzsch have a good chance to go to the regional contest, and then on to the sectionals. Coach Flores predicts that with time and a determined effort, the team will have a series of championship seasons in the near future. A large number of the wrestlers think that the team is maturing very quickly and has a lot of potential to succeed.

The boys' swimming team turned out a 2-7 record, which put them in fifth place in the conference standings. At the beginning of the season, the swimmers and their coach, Mr. Boyce, set personal and team goals. They then went about trying to reach the times set as goals. Senior Chris Morgan has surely reached and even surpassed his original goals. He has the best chance to make sectional competition in the 500 yard free-style event. He has been the most outstanding swimmer, and has won many first place honors. Looking toward the future, Mr. Boyce said, "We have a good sophomore team, and next year looks promising."

A Glimpse of Those Who Excel

Jim Mikuta, a senior at Proviso has been outstanding in his academic endeavors, athletic achievements, and school and community participation. Jim ranked 7th in a class of 520 and earned Bronze and Silver Awards for academic excellence.

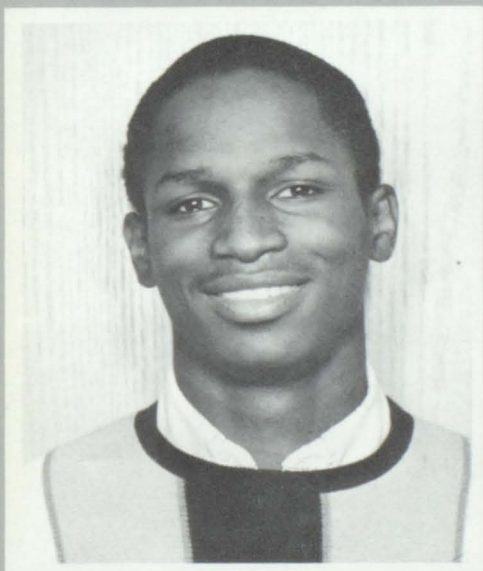

The Proviso Township High School seal is a circle, the outer bounds of which enclose the name of the district. At the center of the circle, an open textbook symbolizes learning. The Latin words "NIHIL NISI OPTIMUM" meaning "Nothing But The Best", defines the type of learning experience that Proviso West strives to provide for all of its students. The year 1910, located beneath the book, is the year that the bond issue providing for the establishment of a township high school carried.

Students of the Month

Two years ago, the Student of the Month program was started with the purpose of boosting the morale of the student body. Each month, 20-30 students are nominated by classroom teachers, who are asked to turn in a nomination of a student who is an achiever in the following areas: academics, community involvement, and athletics. Mr. Gusloff is the coordinator of the Student of the Month feature. In May of each year, a breakfast is held for all the winners and their parents.

Versatility best describes **Debbie Legan**. Academically, Debbie ranked 14th in a class of 520. She was a member of the National Honor Society and received the Bronze and Silver Scholarship Awards. Athletically, Debbie participated in tennis and gymnastics.

Emanuel Welch, a sophomore, has served as class president, and has been active in Student Council. Academically, Emanuel's freshman standing indicated 10 A's and 1 B. Athletically, he has been a participant on the football and baseball team both years.

Senior **Stacey Kruse** has been an active participant in both academic and extracurricular activities. She has received the National English Merit Award, and is listed in "Who's Who Among American High School Students". Stacey is a member of Proviso's band, and plays clarinet, saxophone, and flute.

The Woman In Yellow

Out of a falling nation, ruled by a corrupt dictator, rises a simple housewife that unites the entire nation. Sounds like a fairy-tale, right? Wrong. Corazon Aquino is the housewife who joined her country with the sole basis of hope and faith as her campaign. Every day of the campaign, she wore yellow dresses. Her innocence and inexperience was all she needed to get into power.

Corazon Aquino was not always involved with politics. Her husband, Ninoy Aquino, was the politician in the family. He would have become the youngest president of the Philippines if he hadn't been thrown in jail by his opponent and enemy, President Marcos. Ninoy was released from prison in order to have surgery in the U.S. When the plane landed, returning Aquino to the Philippines, a group of soldiers escorted him from the plane and shot him to death. The Philippine people pleaded for Cory to run for the presidency. Cory said she would run provided that Marcos called a snap election and she had 1 million people to petition her. One month later, she was a presidential candidate. After the election, Aquino took control of the country and announced that she was the winner. Cory had gained control of a country with a \$27 billion debt and guerillas in the streets. Despite this, she kept her faith and her hope.

"The long agony is over."
—Corazon Aquino

A Country of Sequels

Are we a country that enjoys sequels so much to have a Watergate II? The latest scandal concerns President Reagan's involvement with the sale of arms to Iran. The entire truth has not been unveiled yet. The original proposal was reportedly for the U.S. to send arms to Iran to strengthen a group that was fighting against the terrorists, and in turn, retrieve the hostages held in Lebanon. The bulk of the controversy concerns whether or not the President was aware of the transaction. There was reportedly a middleman who exchanged the arms with the money, and deposited the money in a Swiss bank account. The facts have been slowly uncovered through investigations by various federal agencies. Details are sketchy, because many people who were subpoenaed hid behind their legal rights to deny answering questions, courtesy of the Fifth Amendment.

Our Lady

On July 4, 1986, millions of people celebrated the Statue of Liberty's 100th anniversary. How can one statue unify an entire nation? The answer is in the basic belief in "liberty and justice for all." To some people, the lady is a work of art, to some it is a historical symbol. To thousands of immigrants, however, she is like a guardian that will protect them from injustice, and offer the chance for freedom and equality in a new country. She still is a revered symbol. Happy 100th, Lady Liberty.

The Year To Wed

Weddings seemed to cause a chain reaction this year. Many of our idols have tied the knot. Probably the most watched wedding was between Prince Andrew and Sarah "Fergie" Ferguson. The Kennedy family was busy with two weddings. The first marriage involved Arnold Schwarzenegger and Maria Shrivner. Then Caroline Kennedy vowed her love to Edwin Schlossberg. Phylcia Ayers-Allen vowed her love to Ahmad Rashad. Other weddings included Heather Locklear and Jimmy Lee, Barbara Walters and Merv Adelson, John McEnroe and Tatum O'Neal, Whoopi Goldberg and David Claessen, Debra Winger and Timothy Hutton, Simon LeBon and Yasmine Parvaneh, Tony Danza and Tracy Robinson, and Zsa Zsa Gabor and Prince Frederic Von Anhalt.

Expect...

Many people rose to super-stardom this year. **The Bangles** had everyone walking like Egyptians. Even Proviso West students like Dawn Cabay, Tracie Urbaniak, Kim Sorey, and Patty Popp copied the style of the Bangle's Debbi Peterson, Susanna Hoffs, Vicki Peterson, and Michael Steele. **Max Headroom** gained attention from his television show on Cinemax and from his Coke commercials. **Joan Rivers** went head-to-head with late night talk show host Johnny Carson. **Tom Cruise** starred in the box office smash **Top Gun**. **Run DMC** topped the charts with their current album. The trio of Joseph "Run" Simmons, Darryl "DMC" McDaniels, and Jason "Jam Master Jay" Mizell made their motion picture debut in "Crush Groove". The **Monkees** made a strong comeback, and even made the local scene by playing to a sold out crowd at Poplar Creek. The Monkee's TV show is now back in syndication. Lastly, Wheel of Fortune's letter turner, **Vanna White**, entered the celebrity spotlight and published an autobiography.

...The Unexpected

**BABY
ON
BOARD!**

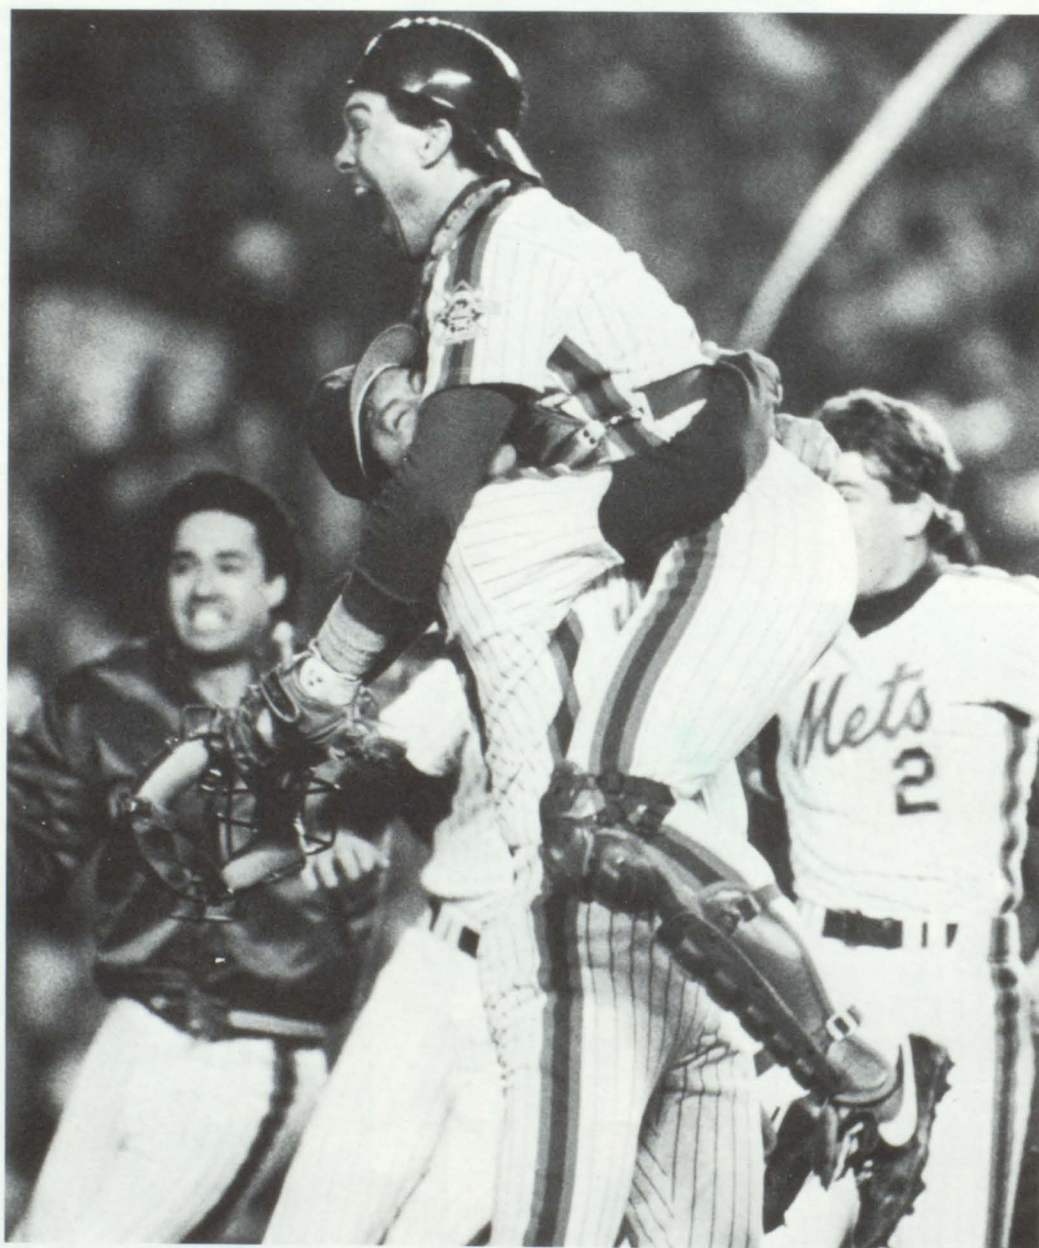

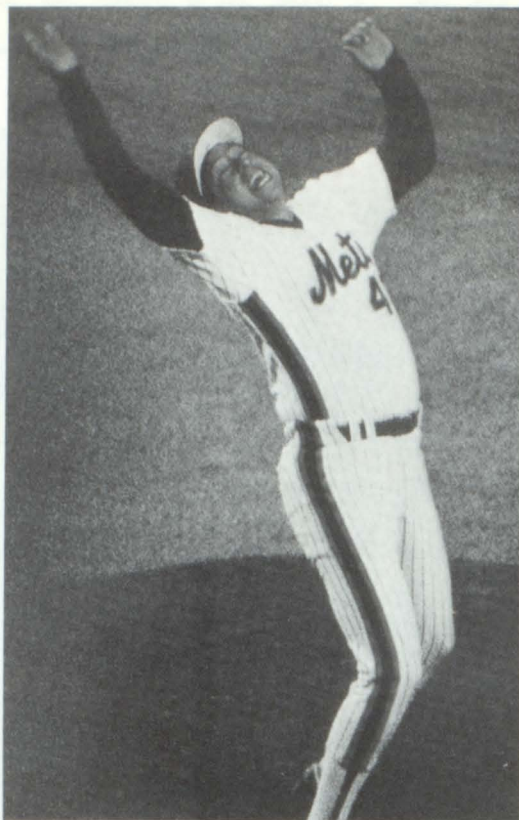

This year, if it conveyed a message, it was a big hit. We spent our money on anything that was flashy, "different", weird, wild, and up-beat. Teens desired the mushroom and 3-lined **hairecuts** to be unique. Drivers stuck **signs** on their car windows to get a message across. Pop drinkers were struck by **Jolt**, a power-packed cola with "all the sugar and twice the caffeine." Those who hated Cabbage Patch Kids sealed their feelings of disgust on folders and lockers with **Garbage Pail** stickers. The world showed its zany side by purchasing uglier-than-ugly **Madballs**. In an effort to "own the best", consumers bought **Laser Discs** to enjoy cinema-like video entertainment with great stereo sound. Lastly, fad-conscious females kept good track of the time with big, bold, silver and gold **watches**, and wore large **bows** in their hair to keep up with the latest trend.

Mets Win All

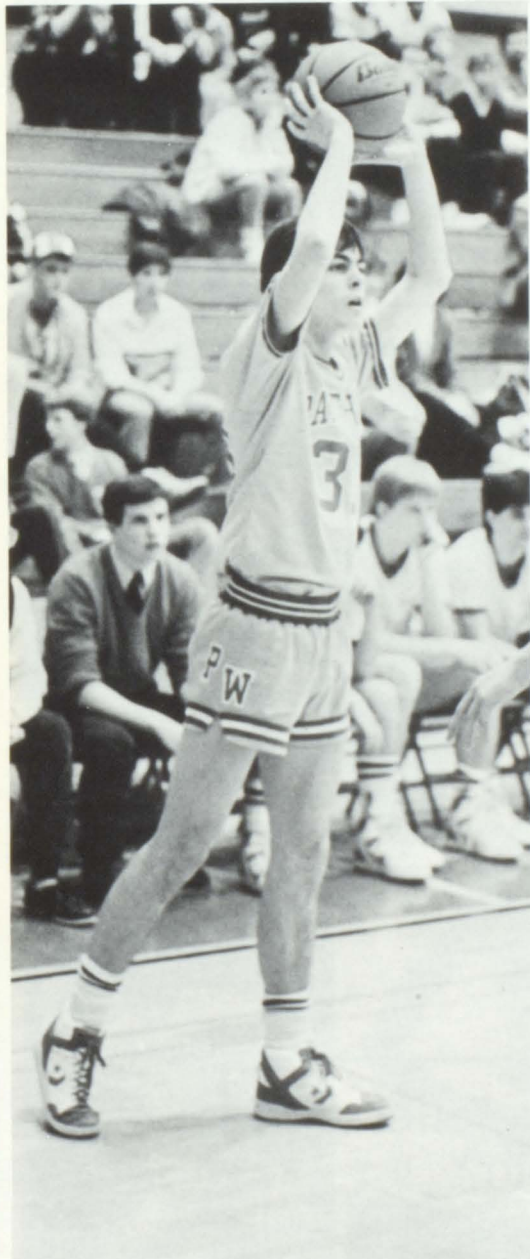

Let's Go! Mets Go! The New York Mets made a video with this title to promote the 1986 World Series. The last time the team won the Series was in 1969, and they took it from the Baltimore Orioles. The team's star pitcher, Dwight Gooden won the Cy Young Award in 1985, and had gained 300 strike-outs. At the other end, behind the plate, was Gary Carter. The Mets' catcher was picked up from the Montreal Expos a few years earlier, and has been a familiar face in the All-Star line-up for the National League. The picture below shows the excitement on the field as the Mets officially win the Series. The entire city of New York celebrated and looked forward to the next season with hopes of a repeat performance.

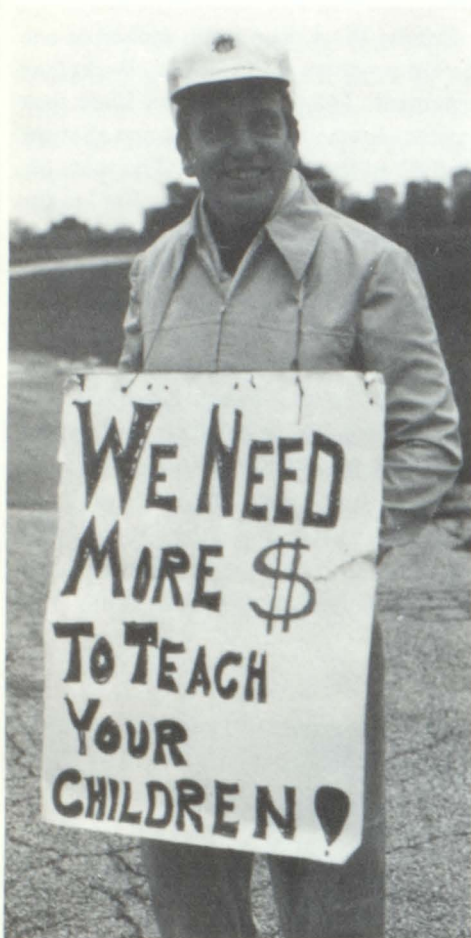

Holiday Tourney

Proviso West once again ranked in one of the top positions of the Holiday Basketball Tournament. This year, Proviso West took 3rd place. It was only 2 years ago that we ranked #1 in the tournament. The most improved senior was Pat Kennedy. Pat led the team with 25 points in the victory over King. Pat scored a total of 59 points during the tournament. Alonzo Verge scored 21 points and 5 assists in the All Tournament First Team. Reggie Burcy scored 22 points in the All-Tournament Second Team. Hopefully, the team can continue to progress and take a higher place next year.

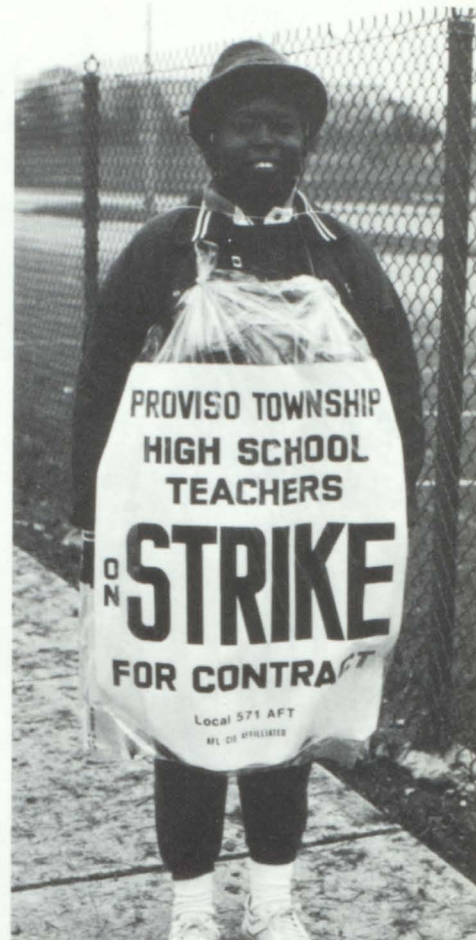

Teachers Move Up.....

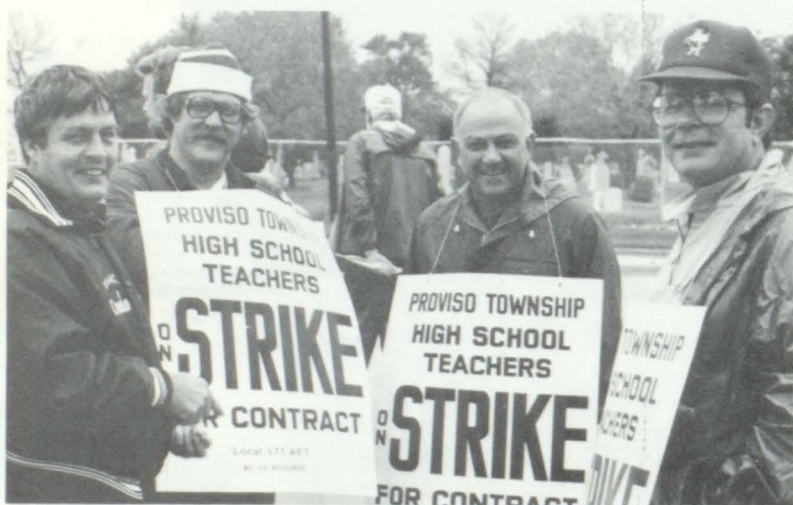

ABOVE: Mr. Diedriech looks ahead for improvement and a resolution to the strike.

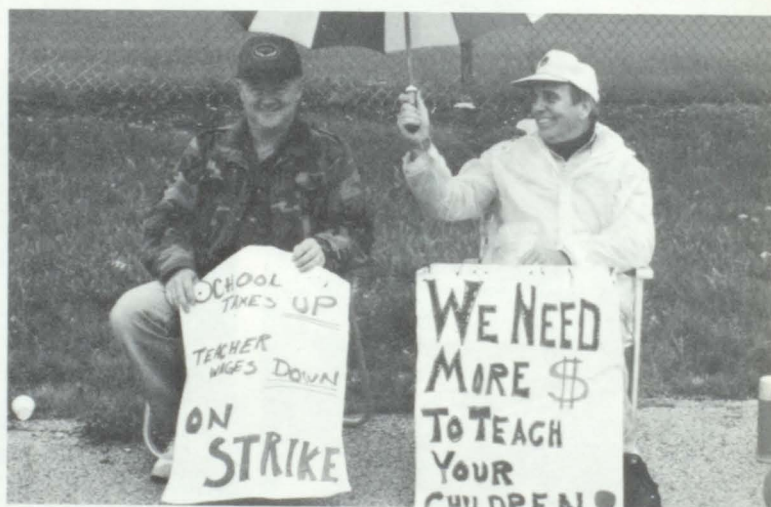

The first teachers' strike at Proviso West High School....no one ever thought it would happen, but it did. The teachers were on strike for eight school days due to rejection of the school board's contract proposal. The two sides could not agree, and so the teachers battled the elements outside Proviso West's school gates. Seniors were worried about having a Homecoming, filling out college applications on time, and graduating as planned. Students involved in sports watched from the sidelines as their scheduled games were forfeited due to the strike. Parents expressed their concern at community meetings. There seemed to be no end in sight. The striking teachers remained out on the picket lines until an agreement was made by the negotiating teams. Agreements were made at the dusty bargaining table, and school resumed. School dates were rescheduled, and then, students had to make up those "free days". This was a new experience for all persons involved. One student said, "It takes a lot of guts to walk out and strike."

Seniors Move On

CLASS OF 1987

As children we dream the impossible,
as adults we accomplish our dreams.

The Senior Song *Stand By Me*

*When the night has come,
and the land is dark,
And the moon is the only light we'll see,
No I won't be afraid,
Oh I won't be afraid,
Just as long as you stand, stand by me.*

*Darling, darling, stand by me,
Oh stand by me,
Oh stand, stand by me, stand by me.*

*If the sky that we look upon,
Should tumble and fall,
Or the mountains, should crumble to the sea,
I won't cry, I won't cry,
No I won't shed a tear,
Just as long as you stand, stand by me.*

*And darling, darling, stand by me,
Oh stand by me,
Oh stand now, stand by me, stand by me.*

*Darling, darling, stand by me,
Oh stand by me. Oh stand now.
Stand by me, stand by me.*

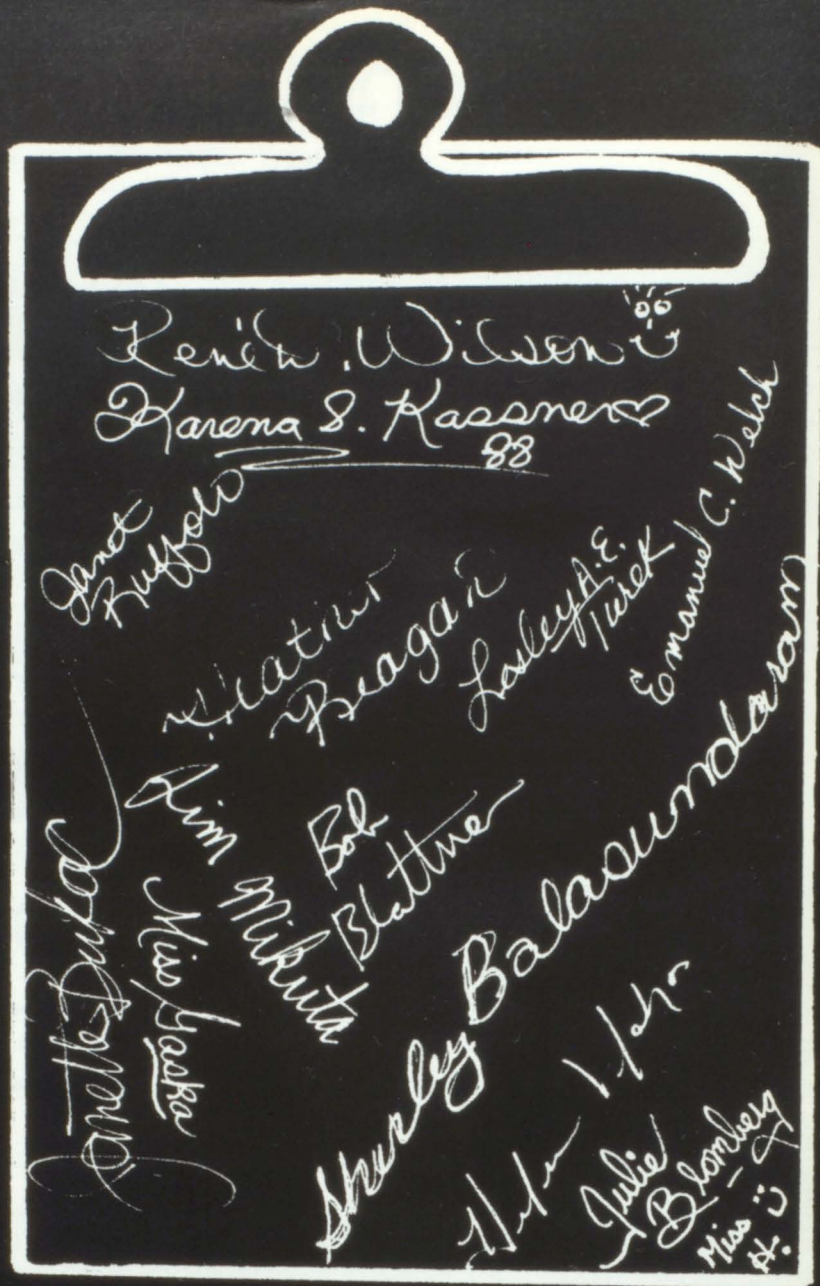

*Whenever you're in trouble,
Won't you stand by me,
Oh stand by me, oh stand by me,
Stand now, oh stand, stand by me.*

Mr. Nick Haworth

Editor's Reflection Lesley Turek

My years at Proviso have been quite unpredictable. I think the best example of this is having my name next to the title Editor. I never would have dreamed it, but then again, there were a lot of things I've done over my four years that I can't believe. I was given this job because I was the last survivor. There was no one else, so I decided I had nothing to lose. How can one person be so wrong? I lost my advisor, a few friends, and (if I ever had any), my sanity. I was ready to jump overboard, when Miss Harrigan & Miss Gaska saved me. These two ladies deserve to be worshiped by all. My friends from last year that came back to help deserve a lot of credit too. After four years at Proviso, I think I'm ready for the future to kick in. Proviso was always like a second home to me, but as Paul McCartney once sang, "She's leaving home." The one and only, Lesley A.E. Turek aka Scoop Brady

I'd like to give special thanks to: Mom, Dad, Al, Jonh, Hagar, Rugs, Kitty, Atomic Ande, Aunt Bootsie, Mike, Icky, Oger, Obbie, 16-ton Razzle, Bob Milano, Spags, H.P. Saunders, Mr. Tarr, RJC, Mrs. Wolanin, Rob Moorehead, Mr. Schmitt, Pink Floyd, JDL, the Doctor, Nancy Mezan (the baby dinoasur), my TRUE friends, Miss Harrigan, Miss Gaska, Janet, Emanuel, Helen, Heather, Coots, Blats, and all new members, Ed, the man on the moon, Archie, my teachers, Mattzelle, Renee J.C. Romanelli, Todd Martin, Thomas William, my cousin, and last but not least, my sense of humor.

Advisers' Reflection Miss Kathy Harrigan- Miss Gail Gaska

Feelings of excitement and anxiety accompanied my decision to take over as co-adviser of the Mural in November 1986. There is no doubt that I slept fewer hours from November-March than in any other period during my four year teaching career. The product of our five month scramble to meet deadlines has its flaws, but more importantly, it has character and quality. Our goal was to give you a quality year-book that you could be proud of--We have met our goal! So many special people have played an integral part in the production of this book. They are: the TST students, who are the best, the Sophomores who are #1 to me, Tom for his patience and flowers, my parents, Craig Rosengren, who was always there to listen, encourage me, and help with proofs. He is very special. Thanks to Robert Pierotti, our financial adviser and someone I value as a friend, Rob Moorehead, who promptly arrived at Proviso many times to answer our frantic calls for help, Junior, a diligent helper and good friend, Cath S., Lisa C., M.J. "the Kid", Marilyn D., and Joan S., in the main office, Mr. Milano and Mr. Gusloff. And finally, a special thank you to Gail Gaska. Without Gail, this book would not have been a reality. She has become a special friend. She always provided a calm and realistic outlook that has kept the bags under my eyes from receding any further. And to the 1987 Mural Staff and Editor Leslie Turek, it has been a pleasure to work with such a talented group of young people. You all have done a fine job. Be proud. Love, Miss H.

As I look back on the experience of working on this Mural edition, I see a rewarding, exciting, challenging and occasionally overwhelming venture. The new experience certainly added greatly to my first teaching position. This has been such a super venture due to several specific people, including all of the people Kathy has mentioned above. I would like to say a special thanks to Kathy for deeming me worthy of helping her on this project. She has become a super friend. Thanks to all. Miss Gaska.
